The Appendix.

Action upon the Case.

1. THe Case was this; A man with a Gun at the Door of his own house, shot at a Fowl, and by this act fired his own house, and the house of his Neighbour: Upon which his Neighbour brought an Action upon the Case against him generally, and did not declare upon the Custome of the Realm for negligent keeping of his fire. It was the Opinion of the whole Court, That the Action did lye: And if he had declared upon the Custome of the Realm, the Action had not bin well brought. Mich. 25 Eliz. C. B. *Cro.* 3. Part, 10.

2. In Action upon the Case, the Case was; A man brought a Writ of Entry against J. S. of certain Lands, returned *Octab. Mart.* and delivered it to the Defendant, being Under-Sheriff, to be executed *in forma juris*, and gave him his Fee, who caused the said J. S. such a day to be summoned; but intending to deceive the Plaintiff, did not return the Writ at the day, *per quod retardatus fuit* of the Recovery of his Lands, being found for the Plaintiff. In stay of Judgment, it was moved, That the Action did not lye against the Under-Sheriff, but ought to have bin against the Sheriff himself. But Resolved, That for this wrong done by the Under-Sheriff, the Action did lye against him, for that it is as an imbezling of the Writ for which he is punishable. Pasc. 32 Eliz. B. R. *Marsh* and *Abby's* Case. *Cro.* 3. Part, 175.

3. Action upon the Case, for that the Defendant *cudod vit et manutenuit quandam molam* in a Brook, whereof the Defendant was seised; by reason whereof, the Brook drowned the Plaintiff's Lands. Resolved, That in this Case, the Action did not lye, but a *Quod permittat*, for that a man shall never have an Action upon the Case, where he hath any remedy by any other Writ in the Register, and in this Case, it was Resolved, That if the Nusance was before his time, it was not an Offence in him to continue it. Mich. 39 Eliz. C. B. *Beswick* and *Camdens* Case. *Cro.* 3. Part, 520.

4. If the Sheriff upon a *Latitat* to Arrest J. S. Arrests him, and takes sufficient Sureties of 40 l. for his appearance, *ad respondendum* to the Plaintiff at the day: and thereupon after lets him to go at large; and after the party doth not appear at the day, an Action upon the Case doth not lye against the Sheriff, Mich. 40 Eliz. B. R. *Barton* and *Aldworths* Case. *Cro.* 3. Part, 622. But if the Sheriff taketh no Sureties at all for his appearance, there an Action lyeth against him, if he lets the party after Arrest to go at large. Mich. 40 Eliz. B. R. *Binion* and *Watsons* Case. *Cro.* 3. Part, 623.

5. Action upon the Case; the Plaintiff declared, That whereas he was bail for J. S. in B. R. at the Suit of one R. and whereas the said J. S. was endebted to one S. in 200 l. wherein others were his Bail: the Defendant to charge the Plaintiff with the said Debt of 200 l. by fraud and Covin, enformed the Court, That the Plaintiff was Bail for the said J. S. in the Suit by the said S. whereas he was not bail for him, but only at the Suit of R. Whereupon upon two *Scire facias's* awarded and returned *Nihil*, the Defendant *pramisorum non ignarus* procured a *Capias ad satisfaciendum* against the Plaintiff: whereupon he was taken in Execution for the said 200 l. Upon Not-Guilty found against the Defendant; It was Objected in stay of Judgment, That this was but a Judicial process, and the misawarding of it was default of the Court, although it was upon Information of the party, and therefore the Action did not lye. But the Opinion of the Court was, That the Action was maintainable against the Defendant, in regard he procured

it by fraud and Covin to deceive the Plaintiff, although he knew that he was not the same party: And is like the Case, where one procures a false Suit to be brought in anothers name, or where one casts a Protection for one without cause. Mich. 40 Eliz. B.R. *Baron* and *Sleighs* Case. *Cro.* 3. Part, 628.

6. In Action upon the Case, the Case was; A Parishioner paid his Tythes to the Vicar in the presence of two Witnesses. Afterwards one of the Witnesses being dead. The Vicar sued the Parishioner in the Spiritual Court for the same Tythes, for which cause the Parishioner brought his Action upon the Case against the Vicar. It was the Opinion of the whole Court, That upon this matter the Action did not lye: For it was said, That when a man complains in a Court which hath power to give him remedy for the same cause, although his Suit be without cause, the Plaintiff shall not be punished by an Action upon the Case. But if a man Libells in the Spiritual Court for a Temporal matter, there perhaps an Action upon the Case will lye: And so if a man brings an Appeal in the Common Pleas, an Action upon the Case will lye. Trin. 43 Eliz. in B. R. *Brey* and *Patries* Case. *Cro.* 3. Part, 836.

7. The Case was; Sentence of Excommunication was against one J.S: the Instrument whereof was delivered to the Defendant, being Curate of the Parish where the said J. S. and the Plaintiff lived, to publish the same in the Church: The Curate malitiously raced out the name of J. S. and put in the Plaintiffs name, and then read it in the Church: Whereupon the Plaintiff was enforced to be from Divine Service, and to be at expence to procure a discharge for himself. It was said, That the Action did not lye for this matter, for that it is Spiritual, of which the Temporal Law takes not regard. But Resolved, That the Action was maintainable; for although the Excommunication and denouncing of it be Spiritual, yet the razing and alteration of it is Temporal, for which an Action lyeth at the Common Law. Trin. 43 Eliz. B. R. *Kenton* and *Wallingers* Case. *Cro.* 3. Part, 838.

8. Action upon the Case, The Plaintiffs declared, That J. S. recovered Debt against the Defendant, and a *Capias* was awarded to the Plaintiffs, being Sheriffs of N. to take him in Execution, and they made their Warrants to three Sergeants to Arrest him, who did it; and after the Defendant escaped from them: by reason whereof they were bound to answer the Debt, and to spend monies in the search of the Defendant. And so brought their Action for the Escape against him. It was Objected, That they were not damnified by the Escape, for that they are not sued, and perhaps may dye before they be sued. It was Resolved, That the Action lyeth by the Sheriffs for the escape before the party sueth them, for the party Arrested, did a wrong to them by the Escape; and if they should stay till they are sued, perhaps the party who escaped may dye in the interim, or fly the Countrey that they cannot hear of him; and therefore the Action now lyeth. Hill. 29 Eliz. in B.R. The Sheriffs of *Norwich* and *Bradshaws* Case. *Cro.* 3. Part, 53. See *Godbolt*, 125. the same Case.

9. In Error upon a Judgment in an inferiour Court, the Case was; A Distress issued out of the Court to one A. (who was not an usual Officer) to distrein the Cattel of B. or that he find sufficient Pledges to appear the next Court. A. distreyned the Cattel of B. and the Plaintiff gave him the usual Fee, and he not having taken sufficient Pledges, afterwards delivered back the Cattel to B. who did not appear. Whereupon the Plaintiff brought an Action upon the Case. In this Case (amongst other points) it was Resolved, That the same was such a Disceit, for which an Action upon the Case did lye against A. although that he was not a known Officer, but only an Officer *pro hâc vice*. Hill. 1 Car. in B. R. *Wild* and *Dowsets* Case. *Latch*, 159.

10. Action upon the Case was brought by the Plaintiff concerning the Fees of the Post-Master against the Defendant. Exceptions were taken to the Declaration. 1. Because he declares that the Office of Post-Master was an ancient Office, and that there were divers Fees belonging to it for carrying of Letters from *London* to the parts beyond Sea, as from thence to *London*: and doth not prescribe that they were time out of mind, &c. But the Opinion of the Court was, That having declared that it was an ancient Office, and that Fees appertained to the Office, he needed not prescribe in that. Another Exception was, That he pleads a grant of the King by Letters Patents of the Office, and of the Fees belonging to it, but doth not shew forth the Letters Patent. For that point, it was the Opinion of the Court, That when a man makes Title to an Office by Letters Patent, he ought to shew forth the Letters Patent; and in this Case, when he claims the profits of the Office it is all one as if he claimed the Office in fee, because the profits of the Office is the Office in fee. Hill. 2. Jac. in B. R. The Lord *Stanhope* and *Bequesters* Case. *Latch* 87.

11. Action upon the Case for taking and detaining a Box of Charters. *viz. Quare cepit et detinuit unam pixidem una cum diversis chartis et munimentis* concerning the Plaintiffs Land, unto the Plaintiff to have them, makes a Bill of 40 l. to the Defendant to have them again. Upon Judgment, Exceptions were, 1. Because the Declaration

was *pixidem*, and doth not say *suam*. 2. Because it doth not shew what Charters they were; It was the Opinion of the Justices, That the Declaration *de pixide nost cum diversis chartis*, concerning the Plaintiffs Land, was good enough; because the Charters draw their property of the Box, whether it be not sealed or locked, if the Charters be in it. 2. Exception, because the Action is *Cepit & detinuit quousq; &c.* And the Jury giveth the Verdict, That the Defendant is guilty, *De transgress. predict.* and they cannot find the Issue by Implication. It was the Opinion of the Court as to that, That the Issue being tantamount as the general Issue; when the Jury find the general Issue, the same is well enough. Pasch. 2 Car. B.R. *Holme's* and *Wagon's* Case. *Latch.* 195.

12. Action upon the Case was brought in the Common-Pleas against two, for procuring the Plaintiff to be Indicted of common Barretry, and the Plaintiff there had Judgment; and thereupon Error was brought in B. R, because they ought not to have joyned them in one Action: But the Opinion of the Court, That in that Point the Action was well. And *Shotsby*, and *Brendy*, and *Walters* Case, 1 Jac. *in Scaccario* was vouched; Where an Action upon the Case was brought against two, because they did procure one to be Out-lawed in *London*, to the intent to forfeit his Goods in *Middlesex*. 2. Error was, because there is not any place alledged where the procurement was; and that ought to be shewed. But it was said, That it was good enough, for that there is not a Procurement, till he is Indicted: But the Court said, That for that Cause it was not good. Hill. 3 Car. B.R *Pearsin* and *Trapping's* Case. *Latch.* 162.

13. In an Action upon the Case for an Escape; the Point was, If an Action upon the Case lay against the Sheriff by the Executors, for an escape made upon an Arrest, upon a *Latitat* in the time of the Testator; and, If it be *actio personalis*, which dyeth with the person. The Court was divided in Opinion, but said, That they would Resolve that Point, some time the same Term. Trin. 2 Car. B.R. Rot. 1365. *Moss* and *Dixal's* Case. *Latch* 167.

14. Action upon Statute, 2 E. 6. for not setting forth of Tythes; The Case was, Corn was set forth for Tythes, and the Owner of the Land took the Corn Damage-Feasant, but did not shew in his Declaration, how long the Corn did remain upon the Land: *Per curiam*, it was not good, because it is not shewed how long it remained upon the Land; and therefore it doth not appear that he was dismissed: Also it was said, If the Tythes be once set forth by the Statute, the Parson may have Action of Trespass if any takes them; But if a Stranger setteth out the Tythe, the same doth not settle any property in the Parson, so as he may have an Action for the taking of them. Hill. 1 Car. B. R. *Stilemas* and *Thorn's* Case. *Latch.* 8.

Action upon the Case for Words.

1. WOrds, *viz.* That the Plaintiff maintained, victualled, and helpt to let go certain Pirates, contrary to the Law of the Realm, and the Proclamations made, spoken maliciously, Actionable; for although Piracy is tryable by the Civil Law, yet the Common Law, by the Statute of 35 H. 8. takes notice of it. Hill. 29 Eliz. B. R. *Morgan* and *Kitt's* Case. *Cro.* 3. 4 H. 5a. See *Sir Hen. Lee.* and *Pennifton's* Case, acc.

2. Words, *viz.* If you had had your deserts, you had been hanged before now, Actionable; for it shall be intended, he had committed an offence for which the penalty of death was due to him. Mich. 29 Eliz. B. R. *Dorne's* Case. *Cro.* 3. Part, 62.

3. Words, *viz.* for saying, The Plaintiff is a perjured person, and he was forsworn in the Court of Requests; and that he shall stand upon the Stage: Action lyeth. Trin. 31 Eliz. B. R. *Brook* and *Baught's* Case. *Cro.* 3. Part, 135. Trin. 23 Eliz. B. R. *Foster* and *Timm's* Case, acc.

4. Words, *viz.* For calling the Plaintiff, A Rebellious and Trayterous Knave; though the Action doth not lye for the word [Rebellious], yet both words being joyned together, Action lyeth. Hill. 33 Eliz. B. R. *Ward* and *Timm's* Case. *Cro.* 3. Part, 171.

5. Words, *viz.* Thou hast taken a false Oath in the Consistory Court of *Exeter*, Actionable; although Perjury in the Spiritual Court be not within the Statute of 5 Eliz. of Perjury. Trin. 32 Eliz. B. R. *Pl ice* and *Hazer's* Case. *Cro.* 3. Part, 185.

6. Words, *viz.* A. and B. have hired a man to kill me, and that B. should shew me to the hired man to kill me, Actionable. Mich. 5 Eliz. B. R. *Tibbet* and *Hazen's* Case. *Cro.* 3. Part, 191.

7. Words, *viz.* Thou art laid of the French Pox, Actionable, adjudged. Hill. 38. Eliz. B. R. *Austin* and *White's* Case. *Cro.* 3. Part, 214.

8. Words, *viz.* Thou hast sought the Blood of thy Husband, and wast his death; for if thou hadst been an honest woman, he had been alive yet; and

averred her Husband was killed, adjudged Actionable. Trin. 33 Eliz. B. R. *Gastrell* and *Townsend*'s Case. *Cro.* 3. Part, 239.

9. Words, viz. My Lord Prefident of the North fhewed Mr. *Stapleton* his Hand fet to a Book, wherein he had confented to the late Rebels in the North; but by the means of Mr. *Fanfax*, my Lord Prefident was perfwaded, and the matter fuppreffed. Mich. 34. Eliz. C. B. *Stapleton* and *Fyal*'s Cafe. *Cro.* 251. The words adjudged actionable.

Trin. 29 Eliz. B. R. *Ralph Mard*'s Cafe. *Leon.* 2. Part, 53.

22. Words

22. Words ſpoken of an Attorney, viz. Thou art a Paultry Fellow, thy Credit is fallen, for thou dealeſt on both ſides, and doſt deceive many that truſt thee; adjudged, although an Attorney may deal on both ſides as an Arbitrator; yet all the words joyned together ſhall be taken in *malam partem*, and Actionable. That he was a corrupt man, and that B. had ſet him on Horſe back, with Bribes to ſuppreſs Juſtice, Truth, and Equity; adjudged the words Actionable, for the Commiſſion iſſueth under the Great Seal; and a ſpecial Truſt is repoſed in him, and to falſify ſuch Truſt, and to ſuppreſs the Truth by Bribery is a great Offence, and a heavy ſlander of him; for by ſuch corruption he may be puniſhed by Judgment. Paſch. 3. Jac. B. R. Sir *George Moor* and *Foſter's* Caſe. *Yelverton* 162.

24. Words, viz. He (*Scilicet*, the Plaintiff) knew of the Murder of J. S. and did not reveal it, till long after it was openly known; adjudged, The firſt words are Actionable, and the ſubſequent words inlarge the ſlander; for though to conceal a Felony is not Felony, but fineable; yet the ſame doth ſhew the malice in the Defendant, and is a great Imputation to the Plaintiff. Paſch. 7 Jac. B. R. *Newton* and *Falſett's* Caſe. *Yelverton* 154.

26. Words, viz. Adjudged the words are Actionable; for, Trafique between Merchants-Strangers, and Domeſtick Merchants, is warranted by the Law of the Land, and their Law, in all things which concerns their Trade, and proteſts them, his goods and perſon; and therefore this ſlander although it toucheth the Plaintiff only in his perſon, yet becauſe it is an impairing of his Credit in his Trade, by which he is to live, and by which the Kings Subjects have benefit by Commerce with him, are actionable. Hill. 8 Jac. B. R. *Tawlote* and *Morſon's* Caſe. *Yelverton* 199.

30. The Plaintiff was a Parſon and Preacher, and the Defendant ſpake theſe words of him, viz. *Parat* is an Adulterer, and hath had two Children by the Wife of J. S, and I will cauſe him to be deprived for it: It was the Opinion of the Court, That this is a ſlander examinable only in the Spiritual Court, and not here; and therefore adjudged for the Defendant. Thou art an arrant Whore, and an old worm-eaten Jade, and one of thy ſides hath been eaten out with the Pox. It was the Opinion of the Court, That the Declaration was not good, for that ſome words might be omitted in the *Quare tenor, &c.* which was within the words which would cauſe the words not to be Actionable. But as to the words themſelves, the Court held them to be Actionable. Mich. 43 Eliz. C. B. *Griffith* and *Clark's* Caſe. *Cro.* 3. Part, 857.

It was the Opinion of the Justices, That the words were Actionable, whether he was born in *England* or not, by reason of the words, knowing him to be a Jesuit. Pasch. 1 Car. B. R. Sir *Simon Clark's* Case. *Latch.* 1. Hil. 9 Jac. B. R. *Splint* and *Smith's* Case acc. *Ibid.*

35. Words, To say of a Justice of Peace these words, *viz.* He five or six years since had two Servants presented for stealing Sheep; and he desired me, not to prosecute them, Actionable; with an averment that he was a Justice of the Peace of the County where the words were spoken, for that a Justice of Peace ought to permit the Law to have his Course, and not to stay proceedings privately: and the words, *viz.* He desires me not to prosecute, are scandalous. Trin. 1 Car. B. R. *Barton's* Case. *Latch.* 49.

36. Words, *viz.* K. is a base Gentleman, and hath had four or five Children by A. his own Maid, and hath either killed them, or procured them to be killed. Adjudged, that although the first words spoken by themselves be not actionable; yet being joyned together, and spoken at one time, they shall be taken in the worser sense; and the word killing, shall be intended an unlawful killing, and so actionable. Hill. 1 Car. B. R. *Keynar* and *Clark's* Case. *Latch.* 159.

37. An Attorney of B. R. took out a *Latitat* against the Defendant, at the Suit of one B, and there being Speech of it, and of the Plaintiff; The Defendant said, Go tell the Lawyer, That he is a base Rascal, and that I will have him to lose his Ears, and teach him, or any Lawyer of them all, How they dare to serve a Writ on me: The words being spoken against an Attorney, are words tending to disgrace him in his profession, especially the words [make him lose his Ears], which shall be intended for some Crime. Hill. 2 Car. B. R. *Trowbridge* and *Hart's* Case. *Latch*, 220.

Action upon the Case, upon Assumpsit.

1. UPon a Communication at the Defendants request, betwixt the Plaintiff and the Defendants Daughter, of a marriage betwixt the Plaintiff and the said Daughter; the Plaintiff married her, and afterwards the Defendant promised to pay the Plaintiff 100 l. It was holden by the Court to be a good Cause, and Consideration to ground an Assumpsit, although upon a Consideration which was past. Trin. 29 Eliz. B. R. *Marsh* and *Kenrick's* Case, *Cro.* 3. Part, 59.

2. In Assumpsit, the Consideration was, That the Plaintiff could shew the Defendants Deed, the Rent was due to pay the Plaintiff the Rent, and Arrearages; which Deed, the Plaintiff lost him: It was holden to be a good Consideration to ground an Assumpsit. Mich. 29 Eliz. B. R. *Clerke* and *Dency's* Case. *Cro.* 3. Part, 67.

3. In Assumpsit, The Plaintiff declared, That the Defendant did assume to do such a thing upon *Non Assumpsit*, the Jury find, That he assumed to do that, and another thing which he had not performed. 5. Note; It was holden by the Court, That where a Duty accrueth by the Commencement of the Promise in such Case (*Licet fœpè requisitus*) is not necessary nor good, but an express Request ought to be alledged. Hill. 30 Eliz. B. R. *Gibbons* and *Gates's* Case, *Cro.* 3. Part, 31.

6. An Action upon an Assumpsit was brought against two; mean betwixt the Verdict and Judgment, one of them died, and Judgment was given, and by the Opinion of the whole Court, the Judgment was reversed, because the death of one of them did abate the Writ. Mich. 30 Eliz. B. R. *Meygat* and *Baughter's* Case, *Cro.* 3. Part, 105.

7. In Consideration, the Defendant retained the Plaintiff to go to *Paris* upon his occasions, the Defendant

Defendant promised the Plaintiff to give him so much as would content him. In Assumpsit brought, the Plaintiff set forth, his Contentment was 25 l. which he requested the Defendant to pay, which he refused; It was holden in this Case, That the Action did well lye, although the Plaintiff shewed not time, nor place when he gave notice of his Contentment, for that the place is not material nor traversable. Pasch. 31 Eliz. B. R. *Dr. Rawes* and *Russel's Case. Cro.* 3. Part, 232.

8. Assumpsit, In consideration that the Plaintiff had paid 40 l. to the Defendant for the Debt of J. S; the Defendant promised to deliver him all Bonds, &c. wherein J. S. was bound to him; Upon *Non Assumpsit* pleaded, It was holden by the Court, That the Plaintiff needs not to averr, the Defendant had any Bonds of J. S. for that he is not to recover the Bonds, &c. but Damages only; and so he needs not to set forth what the Debts were. Pasch. 31 Eliz. B. R. *Market* and *Cole's Case. Cro.* 3. Part, 33.

9. A Communication was betwixt the Plaintiff and B. for the masting of certain Hoggs for the Plaintiff: In consideration, the Plaintiff gave B. 3 s. for every Hogg well masted. The defendant assumed, they should be well fatted, and re-delivered to him; And for that fifty Hoggs were not re-delivered, the Plaintiff brought the Action against the Defendant; It was adjudged in this Case, That the Action was maintainable against the Defendant in this Case, although the Defendant had no benefit by the Promise, for that the Action was grounded upon the Promise and the Dissein. Hill. 31 Eliz. B. R. *Kirby* and *Cole's Case. Cro.* 3. Part, 137.

10. Note; It was holden by the Court, That in an Action upon the Case brought upon *Assumpsit*, the Consideration is material, but not traversable: So in Trover and Conversion, the Conversion is material, but not traversable. Mich. 33 Eliz. B. R. *Smith* and *Hitchcock's Case, Cro.* 3 Part, 200.

11. Controversy being between the Plaintiff and Defendant, for the profits of certain Lands, which the Defendants Father had taken in his life time; the Plaintiff took out a *Subpœna* out of the Chancery with an intent to exhibite a Bill against the Defendant about the same: The Defendant in Consideration the Plaintiff would surcease his Suit, promised to the Plaintiff, that if he could prove his Father had taken the Profits, that he would pay him the Profits of the said Lands: It was the Opinion of the Court, That it was no good Consideration to ground Assumpsit, being made upon an injust Suit; also the Defendant doth not prove, that the Father held it by Lease or otherwise; nor is it alledged, That the Defendant is Heir or Executor, and so no colour to charge him. Mich. 33 Eliz. C. B. *Tisley* and *Windham's Case, Cro.* 3. Part, 207.

12. Assumpsit was brought against an Executor, upon consideration of the Testator, that in consideration of a Marriage, he promised to give the Plaintiff 100 l; Adjudged, that upon such a Consideration by the Testator an Assumpsit, did not lye against his Executor. Mich. 38 Eliz. Exchequer Chamber. *Stubbings* and *Rathram's Case. Cro.* 3. Part, 454.

13. A entred Bond of 200 l. to B, and afterwards gave all her Goods to C. to pay her Debts: The Defendant promised the Plaintiff, That if he and two Witnesses would *Deposere* before the Mayor of L, That the Obligation was read to A, as an Obligation of 200 l. that he would pay it, and the Plaintiff and two other before the Mayor of L. depose accordingly. It was Resolved in this case, That it was a lawful Oath before the Mayor, and a good Consideration to maintain Assumpsit. Hill. 38 Eliz. C. B. *Knight* and *Rushwith's Case. Cro.* 3. Part, 469.

14. Note, It was Resolved by the Court, That if in Action upon the Case, upon an Assumpsit, a special Verdict be found for the Defendant; He shall have Costs upon the Statute of 23 H. 8. Cap. 15. as where a general Verdict is found against the Plaintiff. Pasch. 38 Eliz. B. R. *Alsop* and *Clydon's Case, Cro.* 3. Part, 465.

15. Assumpsit; In Consideration, That the Plaintiff at the request of the Defendant should yield up all his Interest and Term of years in such a Close to J. S, and should be content that J. S. should have the said Close to use at his pleasure, &c. The Defendant promised to pay to the Plaintiff 70 l; The Plaintiff at the Defendants request, delivered a Deed containing the said Demise to J. D. *Simul cum tuto statu & interesse suo*, to the said J. S, upon the Defendants agreement to pay the say 70 l. as aforesaid. It was holden by the Court in this Case, That it was not a Surrender; for that one cannot authorize one by word only to make a Surrender of his Lease, although it be but a Lease for years. Mich. 39 Eliz. B. R. *Sleigh* and *Bateman's Case. Cro.* 1. Part, 487.

16. A Obligation is entred into by an Infant; an Assumpsit made by the Infant, that in consideration the Plaintiff would forbear suing of him, to pay the mony such a Day. Resolved by the Court, To be no good Consideration to ground an Assumpsit upon. Mich. 41 Eliz. B. R. *Manning* and *Knap's Case, Cro.* 3. Part, 700.

17. Note; It was Resolved by the Court in this Case, That naturall affection in it self, although it be sufficient to raise an Use, yet it is not a sufficient ground to raise an Assumpsit upon, without an express, *Quid pro Quo*. Pasch. 42 Eliz. C. B.

Brett's

Batt's Case. *Cro.* 3. Part, 755, 756.

18. An Infant was endebted to J. S. upon Contract for Velvets taken up; and dyed; his Executor assumed to pay the money. In an Assumpsit against the Executor; he pleaded the Non age of the Infant; It was objected, If the Infant had assumed to pay the money at his full age, it had been good: But the Opinion of the whole Court was, That the Consideration was not good, and the Contract was void: And in that Case, It was said, That the Consideration is the ground of every Action upon the Case; and it must be either a charge to the Plaintiff, or a benefit to the Defendant. Hil. 31 Eliz. B. R. *Stote* and *Withypatt*'s Case. *Cro.* 3 Part, 126.

19. Assumpsit, by a Solliciter upon retaining him to be his Solliciter, for the prosecuting and defending his Law Causes, upon promise to give him so much, &c. The Defendant demurred upon it, supposing it to be unlawful: But it was adjudged, That the Action was maintainable. Pasch. 42 Eliz. B. R. *Ofton* and *Edes*'s Case. *Cro.* 3. Part, 760.

20. Assumpsit, for that the Defendant in consideration that the Plaintiff had lett unto him such Land for a year, promised him to pay *tot summas tot annis praedict.* at the end of the year 20 l. Upon *Non Assumpsit*; It was found a Judgment for the Plaintiff: But afterwards, because it was but a meer Debt, for which an Action of Debt lyes; the Judgment was reversed. Mich. 42 Eliz. C. B. *Symcock* and *Payne*'s Case. *Cro.* 3. Part, 786.

21. Assumpsit, for payment of money; The Defendant pleaded, That after the Assumpsit, there was an agreement betwixt them, That the Defendant with two others should enter Bond to the Plaintiff for the sum promised; and said, That they entred in Bond, and did deliver the Deed to J. S. and gave notice thereof to the Servant of the Plaintiff, and that they are now ready to deliver it to the Plaintiff. It was the Opinion of *Wray* Chief Justice, That the Plaintiff should release the Bond, and take Judgment, which was done accordingly. Trin. 30 Eliz. B. R. *Freeman* and *Drew*'s Case. *Leon.* 2. Part, 181. See *Alford* and *Lee*'s Case. Hil. 29 Eliz. B. R. *Cro.* 3. Part, 54. acc.

22. In Assumpsit, the Plaintiff declared, That in consideration he would marry the Defendants Daughter, the Defendant promised to give him 20 l, and to procure him all the Corn growing upon such Lands, and to provide necessaries for the Wedding-Dinner; The Defendant confessed, that he promised to give the Plaintiff 20 l, so as he would procure a Lease of certain Lands to his Daughter for life. The Jury found the promise of 20 l; but not any other thing; It was adjudged against the Plaintiff: For it was said by *Wray* Chief Justice in an Action upon the Case, The Plaintiff ought not to vary from his Case; as if promise be grounded upon two Considerations: If in an Action upon it, the Plaintiff declares upon one only, he shall never have Judgment: and in the present Case, the Jury have not found the latter point, Judgment was against the Plaintiff. Hil. 31 Eliz. B. R. *Leon.* 2. Part, 199. *Sym*'s and *Wyat*'s Case.

23. Assumpsit by T. against H, Administrator of A; the Plaintiff declared, That the Husband of the Defendant, who died intestate, was indebted to the Plaintiff in 8 l; and that the Defendant in consideration that the Plaintiff would permit the Defendant to take Lands of Administration, and give her day for the payment of the 10 l, promised to pay the 10 l. to the Plaintiff at the Day. It was Resolved in a Writ of Error brought by all the Justices, That here was not any Consideration to ground Assumpsit; for that by the Law she was to have the Administration, being wife of the Debtor, and the giving further day for the payment of the 10 l. will not make the promise good. Mich. 33 Eliz. Exchequer Chamber. *Fillett*'s and *Hill*'s Case. *Leon* 2. Part, 240.

24. In Assumpsit, The Plaintiff declared, That whereas he and one A. were jointly bound as Stranger for the Debt of A, which dyed, and the Defendant married his Wife, and so the Goods of A. came to his Hands; yet the Plaintiff the 5th of *May* after, which was the day of payment of the money, paid 25 l. for avoiding of Suit; and that the Defendant as well in consideration of the premisses, as that peaceably he might enjoy the Goods, promised to pay the said sum, *Cum inde requisitus effet.* Upon Issue joyned, The Jury found the payment of the said sum, and all the special matter: It was said, That the Plaintiff hath not declared upon two Considerations, and the Jury hath found but one; also the Plaintiff declares a simple promise, and the Jury have found a conditional promise: It was the Opinion of the Court in this Case,

1. That the first Consideration was good, and then the Promise too, good; But the second Consideration is void, that the Defendant should pay the Testators Goods; and therefore the Court was clear of Opinion, That the promise found by the Jury was not the promise alledged in the Declaration; and so the Issue was not found for the Plaintiff. Hil. 31 Eliz. B. R. *Mosted* and *Wyat*'s Case. *Leon.* 2. Part, 173.

25. Assumpsit, In consideration the Plaintiff procured 6 l. to be lent to the Defendant for a whole year, the Defendant promised to make a Lease of such a House to the Plaintiff for

Malicious

Michaelmas next, for three years. The Plaintiff declared, That 23. *April* he procured J. S. to lend 3 l. to the Defendant, *pro usu dicti J. Styles*, and 24. *Aug.* he procured J. D. to lend to the Defendant 3 l. *pro usu eundem*, which the Defendant received, and yet had not made him the Lease. Upon *Nisi Assumpsit* found for the Plaintiff, It was moved in stay of Judgment, and agreed by the Court, That the Action did not lye; for it appeareth by the Plaintiffs own shewing, That the Consideration of his part is not performed, because the whole 6 l. was not lent at one time according to the agreement; and so the same not being performed, it is a dissolution of the promise of the Defendant, and so the Action not maintainable. Mich. 4 Jac. B. R. *Durrington* and *Lofft's* Case. *Yelverton* 89.

26. *Assumpsit*, The Plaintiff declared, whereas J. S. was endebted to him 100 l; That the said J. S. devised certain Goods to the value of the Debt to the Defendant, to satisfy the Plaintiff the said 100 l; and that the Plaintiff required the Defendant to satisfy him the said 100 l. out of the said Goods in his Hands; and the Defendant in Consideration that the Plaintiff would forbear him for a certain time, promised by such a day to satisfy the Debt: It was adjudged for the Plaintiff, for by the delivery of the Goods to satisfy the Debt of 100 l; the Plaintiff had an Interest and property in the Goods, and then the forbearance of the Plaintiff for a time was a good consideration to ground Assumpsit. Mich. 7 Jac. B. R. *Bond* and *Lee's* Case. *Yelverton* 164. But contrary it is, where the Defendant granteth a bare Custom of Goods, and to re-deliver them, which is rather a Charge then a Benefit to the Defendant. Trin. 6 Jac. B. R. *Pike's* and *Gaile's* Case. *Yelverton* 128.

27. *Assumpsit*, A. lent B. a House, of which he was possessed, to Ride to *York*, and after to deliver him back again such a day; and in Consideration thereof, the Defendant promised to deliver back the House to him at the Day. In Assumpsit brought, the Defendant pleaded, that he was ready to re-deliver the House at the day; and that J. S. *Vi & Armis contra voluntatem* of the Defendant, took the House from him, claiming property in the House: It was the Opinion of the Court, That the matter alledged by the Defendant, had discharged him of the promise, and is *Quasi*, an eviction of the House one of his Possession, which dischargeth the promise; like as an eviction of the possession from Lessee for years, dischargeth all Rents, Bonds, and Covenants, in any sort depending upon that Interest. Mich. 43 Eliz. B. R. *Shelbery* and *Scarlet's* Case. *Yelverton* 21, 22.

28. *Assumpsit*, The Case was, The Plaintiff was possessed of a House in *London*, in which J. S. had a Chamber; who was endebted to the Plaintiff in 100 l. and dyed, possessed of the Chamber, and divers Writings and Summs of money therein remaining. The Plaintiff according to the Custom of *London*, attached the Goods in his Hands for his Debt. The Defendant in consideration that the Plaintiff would suffer the Defendant to enter the Chamber, and carry away the Goods, *Nec non omnia scripta obligatoria* being there, promised to pay the Plaintiff his 100 l. In arrest of Judgment, It was moved, That here was no Consideration; and the Debt was but upon a simple Contract, with which the Executor was not chargeable, and also the Plaintiff hath not shewed, That there was not any Action then depending at the time of the Attachment: It was Resolved, There being two Considerations expressed, although the first part of the Consideration should be void, yet the other was sufficient to ground the Assumpsit, and adjudged for the Plaintiff. Mich. 2 Jac. B. R. *Pikard* and *Cottrell's* Case. *Yelverton* 56.

29. *Assumpsit* by an Executor, and declares, That there was an Agreement between the Testator and Defendant, That the Defendant should have all the Iron made in such a Furnace, paying according to the rate of 40 s. *per* Ton, and that the Testator promised to the Defendant, That he should have all the Iron made in that Furnace; and in consideration thereof, the Defendant promised to pay *secundum ratam* as aforesaid; It was in this Case Resolved by the Court, That the consideration on the part of the Plaintiff was not that the Defendant should have all the Iron, but that the Testator promised the Defendant should have all the Iron; And it was holden, That although the Testator is dead, and that the Plaintiff cannot have an Action against the Plaintiff as Executor upon the breach of the Testator; yet the promise on the part of the Defendant doth continue, and so a promise upon a promise good; and Judgment was for the Plaintiff. Trin. 6 Jac. B. R. *Attesworth* and *Cave jun.'s* Case. *Yelverton* 133.

30. B. & A. his Wife brought Assumpsit against H, and declared, That in consideration that A. the Plaintiff, at the request of the Defendant, would marry with J. S, did promise to pay to the said A. after the death of the said J. S. 40 s. *per annum* during her life; she married J. S, who after dyed, and then she took B. to Husband, and for 4 l. behind for two years after the death of J. S. B. and A. his Wife brought the Action. The Defendant pleaded the release of J. S. of all Actions and Deeds whatsoever which he had or might have against the Defendant. It was adjudged, That this Release did not discharge the promise; for although the promise was preterit, yet the execution of it was future. But if he had released

released by expreſs words or promiſes, or all Actions which he or his wife had or might have, then ſuch promiſe had been diſcharged and releaſed. Trin. 7 Jac. B. R. *Belcher* and *Hudſon's* Caſe. *Yelverton* 156.

31. Aſſumpſit, The Defendant and divers other Copy-holders of a Mannor were Plaintiff againſt J. S, Lord of the Mannor in the Chancery, to have their Fines by decree made certain; and in conſideration that the Plaintiff at his Coſts and Travail ſhould procure a Decree there for enjoying of the Copy-hold at a Fine certain, promiſed to pay to the Plaintiff, after ſuch Decree obtained, 3 l. upon requeſt; and ſhewed, that at his Coſts he obtained a Decree; and *Licet* that he ſuch a day requeſted the Defendant to pay 3 l; he paid not the ſame. Upon *Non aſſumpſit*, It was ſaid in arreſt of Judgment, it being found for the Plaintiff, That there was not any Notice layed, to be given to the Defendant of the Decree in Chancery: But Reſolved, There needs not any Notice to be given in this Caſe, becauſe the Defendant was one of the Plaintiffs in the Court of Chancery, upon the Suit in which the Decree was granted, and ſo be himſelf party to the Decree. Hill. 5 Jac. B. R. *Aſhe* and *Doughtye's* Caſe. *Yelverton* 121, 122.

32. In Aſſumpſit, the Caſe was, The Plaintiff obtained a Judgment in Debt againſt J. S, and took out a ſpecial *Capias utlagatum* for the taking of him, and the Defendant perceiving that the Plaintiff intended to ſerve the Writ upon J. S; In conſideration of the ſtaying of the Execution of the Writ, and for 2 s. to be given to the Defendant by the Plaintiff, promiſed that if J. S. ſuch a day did not pay the mony, that he would pay it. It was objected, That the Conſideration was againſt Law, becauſe the *Capias* is the Kings Suit, and a promiſe to ſtay the Kings Suit, is not good; But it was Reſolved, It was a good Conſideration, for that the *Capias* iſſueth forth upon the Original Suit of the party, and he is at the Charge of ſuing it out, and hath the carriage of the Writ; and therefore the Conſideration of ſtaying the Execution, good. Mich. 45 Eliz. B.R. *Jewing's* and *Hatley's* Caſe. *Yelverton* 19.

33. Aſſumpſit, In conſideration that the Plaintiff did deliver to the Defendant divers Suits of Apparell, *ſcil.* a Satin Doublet and Hoſe, with ſilver and gold Lace, a Velvet Jerkin and Hoſe, a Fuſtian Doublet and Cloth-Hoſe to his own uſe; the Defendant promiſed to pay to the Plaintiff 40 l. when required. The Defendant pleaded, That at the time of the promiſe he was within Age; The Plaintiff replyed, That the Defendant was Servant to an Earl, attending upon him in his Chamber, and that this Apparrell was for his neceſſary Apparrell, whilſt he was in that Service; and it appeared upon a Record, that the Defendant was a Gentleman. It was the Opinion of the Court, That Satin with gold and ſilver Lace was not neceſſary Apparrell for a Gentleman, and an Infant is not bound to pay for ſuch Apparrell; therefore for ſo much the Action did not lye, but for the Doublet and Hoſe of Cloth, the Action was maintainable. Mich. 40 Eliz. B. R. *Mackerell* and *Rutchiffe's* Caſe. *Goldeſbr.* 168.

34. In evidence to a Jury upon an Aſſumpſit for Ware brought by the Factor of S. the Defendant; It was the Opinion of the whole Court, That if not be Factor for a Merchant, to buy kind of Stuff, as Tynn, or ſuch like. And the ſaid Factor hath not uſed to buy any other kind of Wares, but this kind only for his Maſter. If now the Factor buyeth Sayes, or other Commodities for his Maſter, and promiſeth to pay mony for them, That in ſuch Caſe the Maſter ſhall be charged in Aſſumpſit for the mony. Hill. 43 Eliz. I. B. *Pettit's* and *Sare's* Caſe. *Goldeſbr.* 137.

35. Aſſumpſit, In conſideration of two weigh of Corn, delivered by the Teſtator to the Defendant. The Defendant promiſed to pay to the Plaintiff 20 l; The Defendant ſaid, That after the Aſſumpſit, in conſideration that the ſaid two weigh were drowned by Tempeſt; and in conſideration that the Defendant would pay to the Plaintiff 31 s. 4 d. for every weigh, did diſcharge the Defendant of the ſaid promiſe. The Opinion of the Court was, That here was no Conſideration ſet forth in the Barr to diſcharge the Defendant of the promiſe, for that no profit came to the Plaintiff by this new Agreement; nor the Defendant put to any coſt or labour, and therefore not any agreement to bind the Plaintiff; It was adjudged for the Plaintiff. Mich. 26 Eliz. B. R. *Richard* and *Rattlet's* Caſe. *Lion.* 1. Part, 19.

36. Aſſumpſit, The Plaintiff declared, That there was ſpeech of a Bargain between him and the Defendant for the wood in ſuch a place; and in Conſideration of 10 s. paid, and 20 l. to be paid 20 *Decembr* after, in the Houſe of A; and in conſideration that the Plaintiff at the ſame day and place *aſportaret ſufficientem lumium*, for *obligat.* to the Defendant for the 20 l. to be paid at a day to come; The Defendant promiſed, the Plaintiff ſhould have the ſaid Wood to his own uſe; and ſhewed, that he 20 *Decembr* at the Houſe of A, *Obtulit* to the Defendant the 20 l. *& ad tunc & ibid. aſportavit B. ſufficientem hominem*, for *obligat.* to the Defendant. Upon *Non Aſſumpſit*; It was adjudged againſt the Plaintiff, becauſe the Plaintiff ought to have ſhewed, not only, That he *aſportavit B.* for *obligatum*; but have alledged *in facto*, that he became bound, or offered themſelves to be bound, for it may be, that B. came to be bound, and yet being

being there, refuſed to be bound: For in every Aſſumpſit, the matter of the Aſſumpſit muſt be ſet forth certainly, and not to be taken by an Implication. Mich. 2 Jac. in B. R. *Allein* and *Randall*'s Caſe. See *Yelverton*, 48.

37. Action upon the Caſe: The Plaintiff declares, That the Defendant was indebted to him upon a Bond, and that he did intend to ſue him, and that the Defendant in conſideration that the Plaintiff would *deferre ſolutionem denarii prad. & non implacitaret* him upon the ſaid Bond, that he would pay to him the Money: It was the Opinion of the Juſtices, That by theſe words, *Non implacitaret*, he had waived the benefit of the Bond, but yet that Promiſe did not take away the force of the Bond; for notwithſtanding he might ſue it, and then the other ſhould have Action upon his Promiſe *quod non implacitaret*, which words ſhall not be intended for a day, or an hour, but for his life. Paſch. 1 Car. B. R. *Cowlin* and *Cook*'s Caſe. *Latch*, 161.

38. Aſſumpſit: A Suit was betwixt two, and the Defendant promiſed to the Attorney of the Plaintiff (on the behalf of the Plaintiff), that he would pay, *&c.* in conſideration, *&c.* The Plaintiff brought Action upon the Caſe, and declared ſpecially (as before), and not generally of a Promiſe made to him: Yet it was adjudged good; and it was ſaid, That it was good one way, or the other. Trin. 3 Car. in B. R. *Legat*'s Caſe. *Latch*, 206.

39. Aſſumpſit: The Caſe was, In conſideration that the Plaintiff would deliver cloaths which the Plaintiff had made for the Daughter of the Plaintiff, the Defendant promiſed to pay for them; and it is not ſaid to whom he would pay: It was the Opinion of the Court, That the precedent Communication and Agreement ſhould put the ſame in certain, and it ſhall be intended Payment to the Plaintiff himſelf. Mich. 2 Car. B. R. *Sharp* and *Rut*'s Caſe. *Latch*, 151, & 272.

40. Aſſumpſit: The Plaintiff declares, That ſuch a day and year he ſold to the Defendant ſo much Barley, part of which he delivered preſently, and by Agreement was to deliver the reſt, after; and at the ſame day the Defendant promiſed to pay the Sum of ſo much *&c.* and by ſuch a day, ſo much: It was moved, That the Promiſe was after the Sale, and ſo being upon a conſideration executed, was not good. But the Opinion of the Court was, That it was good, being upon the ſame day, of which no Diviſion ſhall be made in this Caſe. Paſch. 1 Car. B. R. *Howis*'s Caſe. *Latch*, 150.

Adminiſtrators and *Adminiſtration*.

1. DEbt was brought by an Executor for a Debt due to the Teſtator, who had Judgment; the Executor dyed before Execution, Inteſtate: The Ordinary committed Adminiſtration of the Goods of the Teſtator to another, who brought a *Scire facias* upon the Judgment, againſt him againſt whom the Judgment was. It was the Opinion of all the Juſtices, That the *Scire facias* did not lye, becauſe when the Executor dyed Inteſtate, the Recovery was good: But if the Ordinary had committed Adminiſtration of the Inteſtate, and of the firſt Teſtator to one man, the *Scire facias* had been maintainable. See Paſch. 28 H. *Bendlowes* 2.

2. R. F. and *Jane* his Wife, as Adminiſtratrix of one J. S. brought Debt againſt J. G. and alledged, That the Teſtator, of one M. G. who lent the Mony *&c.* and Judgment was given in C. B. againſt J. G. and in Error thereupon brought: And the Judgment was by it reverſed, for that the Plaintiff, as Adminiſtrator of an Adminiſtrator, brought the Action; whereas the Adminiſtration of the firſt Teſtator's Goods ought now to be committed to the next of Kin, and he to whom it was committed had nothing to do with them. Mich. 41 Eliz. in B. R. *Thorne* and *Gimes* Caſe. *Goldeſtr.* 182.

3. A man poſſeſſed of Goods made an Infant his Executor, and dyed; The Ordinary committed Adminiſtration, *durante minori ætate* of the Infant, to a Stranger: The Queſtion was, when the Infant came of full Age, what Remedy he ſhould have againſt the Adminiſtrator for the Goods: It was the Opinion of the Juſtices, That he ſhould not have an Accompt againſt him, but he might have Detinue againſt him for the Goods, or otherwiſe ſue him in the Eccleſiaſtical Court for them. Hill. 36 H. 8. *Bendlowes*, 25.

4. Debt againſt an Executor: The Defendant pleaded, That he had taken Letters of Adminiſtration: The Plaintiff replyed, that he adminiſtred of his own Wrong, and after took Letters of Adminiſtration. It was the Opinion of the Juſtices, That by his own Act he cannot purge himſelf of the firſt wrong; and therefore this Action by the Name of Executor, good: And in that Caſe, it was ſaid by the Juſtices, If Judgment be given againſt an Execu-

for upon a Demurrer, and Execution be awarded, the Sheriff cannot return *Nulla habet Bona Testatoris*, but is to return a *Devastavit*, as if he had been found Executor by Verdict; for that he hath charged himself by his own Plea. Trin. 30 Eliz. B. R. *Stubbs* and *Rightwise*'s Case. *Cro.* 3 Part, 92.

5. Note, It was Resolved *per Curiam*, That Debt upon a Contract of the Intestate doth not lye against an Administrator. Pasch. 30 Eliz. B.R. *Hughsen* and *Webb*'s Case. *Cro.* 3 Part, 121.

6. Administration is granted in the Diocess of *Canterbury*, and the Administrator recovers in Debt brought by him, and hath Judgment, and hath a *Scire facias* upon it after the year: The Defendant pleaded, That the Intestate dyed in *London*, and had not *Bona Notabilia* in divers Dioceſſes; and that Administration in *London* was committed to the Wife. It was the Opinion of the Justices, That the Defendant came too late to plead this Plea; for that it is an annulling of the Record, which is not sufferable: But if the Administration had been repealed, he might have well avoided the Judgment by this Plea. Hill. 34 Eliz. B.R. *Allen* and *Andrews* Case. *Cro.* 3 Part, 283.

7. In Debt brought upon an Obligation, the Case was, The Intestate dyed in *Lancashire*: The Obligation upon which the Action was brought was in *London*, at the time of his Death. The Bishop of *Chester*, in whose Diocess the Intestate dyed, grants Administration to J. S. who Released to the Defendant: The Arch-Bishop of *Canterbury* granted Administration to the Plaintiff, and in Debt brought by him the Release was pleaded in Barr. In this Case, It was holden by the Justices, Where one dyeth who hath Goods in divers Dioceſſes, *Canterbury* shall have the Prerogative; and, It was holden, That if *Canterbury* hath not any Prerogative in *York*, yet that this Bond ought to be sued in and committed Administration of, within the Court of *Canterbury*, and committed by the Bishop of that Diocess. Hill. 38 Eliz. C. B. *Byron* and *Byron*'s Case. *Cro.* 3 Part, 472.

8. *A.* brought Debt upon an Obligation against an Administrator, who pleaded, That there is a Custome in *London*, That if a Contract be made by a Citizen of *London*, to pay such a Sum of Money to another Citizen, and he who ought to pay it dyeth Intestate, that his Administrator shall be bounden to pay it as well as upon an Obligation. It was adjudged in this Case, That it was a good Custome; for although that none was chargeable at the Common Law by the name of an Administrator, and Custom cannot begin within time of memory; yet because they were chargeable at the Common Law as Executors: It was Resolved, That such a gentral Custom was good; and in that Case, It was Resolved, That although the Plaintiff was a Stranger, and no Citizen, yet the Custom was good to bind him. Trin. 37 Eliz. C.B. *Stirlings* and *Norton*'s Case. *Cro.* 3 Part, 499. See Cro. 3 Part, 82. the same Case.

9. Debt brought against the Defendant as Administrator, who pleaded a Recovery against him as Executor; and besides that, to satisfy, he had not Assets: It was adjudged to be a good Plea, for that he shall not be twice charged. Hill. 40 Eliz. C.B. *Smalpeace* and *Smalpeace*'s Case. *Cro* 3 Part, 646.

10. Action upon the Case upon *Assumpsit* brought against one as Administrator: The Assumpsit was laid to be in Consideration, that Assets came to the hands of the Defendant; and it was not averred, That the Administrator had Goods sufficient after the Debts and Legacies paid: It was the Opinion of the Court, That the Plaintiff need not to averr that the Administrator had Assets besides the Debts, *&c.* but that ought to come on the other side. Trin. 30 Eliz. in C. B. *Godsbr.* 97.

11. In *Ejectione firme* the Case was, N.S. seised in Fee, by Indenture let the Land to W.S. for 80 years, if he so long lived, the Remainder after his Decease to the Executors or Assigns of the said W. S. for 40 years. W.S dyed Intestate, his wife took Letters of Administration and entred, claiming the Term: N. S. the Lessor ousts her. It was the Opinion of all the Justices, That this Term vested in W. S. and that the Wife should have it as Administratrix to him, and it should be Assets in her hand. Pasch. 40 Eliz. C.B. *Spark* and *Spark*'s Case. *Cro.* 3 Part, 666.

12. Debt brought against an Administrator of a Termor, who pleaded an Assignment over of his Term, of which the Plaintiff had Notice, and that he accepted of the Rent by the hands of the Assignee. It was adjudged in that Case, That by the Death of the Lessee, the Privity of Contract was determined, and so the Action would not lye against the Administrator. Pasch. 41 Eliz. B. R. *Marrow* and *Tarpin*'s Case. *Cro.* 3 Part, 715.

13. In Trespass, the Case was; A Lessee for years by several Leases of divers Lands, some of them in the Diocess of *York*, some within another Peculiar in the same Diocess, devised all those Leases to his Son, and made his Daughter within Age his Executrix. The Mother took Letters of Administration *durante minori ætate* of the Daughter, in the Peculiar where the Testator dyed: The Administratrix, *durante minori ætate*, granted this Term to the Plaintiff. In this Case, amongst other Points, It was a Question, Whether that Administration should in this Case be granted at two places,

places, viz. the one within the Peculiar, the other by the Bishop of *York*, Ordinary of the Diocess; or, Whether he should have the Prerogative in both, as he had where *Bona Notabilia* were in divers Dioceſſes: It was Reſolved, That there should be two Letters of *Administration* granted; for the Arch-Bishop shall not have any Prerogative here, because this Peculiar was first derived out of his Jurisdiction. Hill. 41 Eliz. C. B. *Price* and *Simpson*'s Case. *Cro.* 3 Part, 719.

14. Judgment was given against B. in C. B. in Debt: After the Judgment he entred into a Statute to J. S. and dyed Intestate; his Wife took Letters of Administration, and removed the Record by Error in B. R. and depending that Suit, paid the Debt to J. S. upon the Statute, and afterwards the first Judgment was affirmed: In a *Scire facias* to have Execution, she pleaded the Payment of the Statute, besides which she had not Assets. It was the Opinion of the greater part of the Justices, that it was a good Plea, and that the Payment upon the Statute was no *Devastavit* in her; and there was no default in her to pay and discharge the Statute, for that she could not have any other Remedy to be freed from the Payment of the Statute at the time of the Execution sued. Mich. 41 Eliz. B. R. *Read* and *Beamblock*'s Case. *Yelverton*, 19.

15. A. was endebted to B. in 20 l. who dyed Intestate, his Wife took Administration and recovered by Judgment, but before Execution dyed Intestate. Y. the Plaintiff took Administration of the Goods of B. and brought a *Scire facias* against A. upon the Judgment. It was the Opinion of the Justices, that it did not lye; for this *Scire facias* being grounded upon a Record, he who will have an Action upon the Record ought to make himself privy to him who was party to the Record, which cannot be done in this Case, for every Administrator claims by Commission, and as it were by a Collateral Authority to another. Pasch. 1 Jac. B. R. *Yates* and *Gough*'s Case. *Yelverton*, 33.

16. In Action of Trover by an Administrator of J. S. after Verdict, and before the day in Bank, the Defendant pleaded, that the Plaintiff being cited in the Spiritual Court *per debitam legis formam*, the Administration was revoked and granted to another. It was the Opinion of the Justices, That it was no Plea; but the Defendant in such Case shall be helped only in an *Audita Querela*, and not by such Plea. Pasch. 6 Jac. B. R. *Kes* and *Life*'s Case. *Yelv.* 125.

17. In Debt against an Administrator, *durante minori ætate* of J. S. It being found for the Plaintiff; It was said in stay of Judgment, That the Declaration was not good, because *Non constat* by it whether J. S. was under the age of 17 years, at which time his Authority is determined: But it was Resolved, That the Plaintiff is not to shew that in his Declaration, because the Plaintiff is a stranger to the Power given to the Administrator, and cannot know the age of the Enfant. Trin. 6 Jac. B. R. *Croft* and *Walbank*'s Case. *Yelverton*, 128.

18. Note, It was agreed by the Court, 1. That in the Spiritual Court, if the Inferior Court commit an Administration, and from that there is an Appeal to the Arches, and the first Administration affirmed; the use is, to remit the Cause: But when the first Sentence is reversed, the first Court shall be ousted of the Jurisdiction, and the Court which reverseth it shall commit Administration *de Novo*. 2. That upon an Appeal to the Delegates, that they by Spiritual Authority may commit Administration, (*Quære de eo*) and if there be two several Courts of Delegates, (admitting that the Delegates may commit Administration) If the Court of B. R. may grant a Prohibition to them. It was agreed, in a manner, that it might, because it is an Authority given them only by the Statute of 25 H. 8. and their Jurisdiction doth not begin by the Spiritual Laws. And 2. Because they cannot be Judges in their own Cause, and no more fit to judg of their Jurisdiction than the Court of King's Bench. Hill. 22 Jac. B. R. *Reeve* and *Denny*'s Case. *Latch*, 85.

19. An Administrator, *durante minori ætate*, wasted the Goods: It was holden, That after the Age of the Infant, he shall be charged: But whereas it was said, That it was adjudged in C. B. that he should be charged as Executor of his own wrong, that was denyed by the Justices; but it was said, That he should be charged upon the speciall matter. Pasch. 1 Car. B. R. *Palmer* and *Litherland*'s Case. *Latch*, 160. Sed *Cook* 6 Part, *Packman*'s Case.

Arbi-

Arbitrators, Arbitrament, and *Award.*

1. DEbt upon Obligation to ſtand to Arbitrament: Arbitrators award, That the Obligee ſhall make a Leaſe for years to the Obligor rendring Rent to the Obligee, who made the Leaſe accordingly; and afterwards the Obligor did not pay the Rent: It was the Opinion of the Juſtices, That theſe words in the Award [rendring Rent] are not parcel of the Subſtance of the Award, but the making of the Leaſe is the effect thereof; and the Leſſor hath other Remedy for the Rent, *viz.* Diſtreſs. But if the Award had been, That the Obligee ſhall make a Leaſe, and that for that Leaſe the Obligor ſhould pay unto him a certain Sum of Money, if he payed not that Sum, the Obligee ſhould take Advantage of the Obligation. Mich. 27 H. 8. *Bendlowes*, 4.

2. A. and B. joyntly and ſeverally bound in in 10 l. to C. to ſtand to the Arbitrament of certain perſons: Arbitrators Award, That *A.* ſhall pay to the Obligee 16 s. and that B. ſhould pay to him 3 s. 4 d. In Debt brought againſt B. he pleaded generally, That he had performed the ſaid Arbitrament: It was the Opinion of the Juſtices, That it was no Plea, but he ought to have ſhewed how he had performed the Award; and alſo how *A.* had performed the ſaid Award, becauſe each is bound for the other. Paſch. 28 H. 8. *Bendlowes*, 5.

3. In an Arbitrament, where the Submiſſion is, Of the Right, Title, and Poſſeſſion, of certain lands between the parties: The Arbitrators cannot Award, That the Obligor ſhall cauſe the Lord of the Mannor, of whom the Land is holden, to lett the Land to the Obligee by Copy; or that he ſhall make a Stranger to make a Releaſe to the Obligee of his Right in the ſaid Land. Mich. 34 H. 8. *Bendlowes*, 5.

4. Debt upon Condition to ſtand to the Arbitrament of certain Perſons, *&c.* ſo as the ſaid Award be made and given up in Writing, *&c.* The Defendant pleaded by Proteſtation, That the Arbitrators, before the Feaſt, *&c. Nullum fecerunt Arbitrium*; for Plea ſaid, *Quod Arbitratores prædict. non deliberaverant in ſcriptis*, and the Condition is, (given up in Writing:) Whether it ſhould not be *Non reddiderunt in ſcriptis.* Paſch. 3 Eliz. *Cocks* and *Maclefield's* Caſe. *Bendlowes*, 39.

5. Note, It was Reſolved by Juſtices, That an Arbitrament made in the Night is good enough. Paſch. 26 Eliz. C.B. *Samm's* Caſe. *Cro.* 3 Part, 43. See Paſch. 40 Eliz. B.R. *Withers* and *Drew's* Caſe. *Cro.* 3 Part, 676. acc.

6. In Debt upon an Obligation to ſtand to an Award: An Award was, That the Defendant ſhould releaſe to the Plaintiff all Actions before the Feaſt of St. *Peter*, then next enſuing: The Defendant in the Eve of the ſaid Feaſt made a Releaſe to the Plaintiff, and delivered it to J. S. to the Uſe of the Plaintiff without his Conſent or Knowledge, and when the Plaintiff heard of it, he diſagreed to it: It was adjudged to be a good performance of the Condition, for perhaps the Plaintiff will abſent himſelf out of the Country, ſo as the Defendant cannot find him to deliver it to him. Hill. 29 Eliz. B. R. *Aſford* and *Le.'s* Caſe. *Co.* 3. Par. 54.

7. Debt upon an Obligation, to perform an Award; The Arbitrators Award, That the Defendant ſhould enjoy ſuch a Houſe, of which the Plaintiff was Leſſee for years during the Term, paying to the Plaintiff yearly 20 s. For non-payment of which 20 s. Debt was brought upon the Obligation. It was the Opinion of the Court, That this was part of the Award, and that for the non-payment of it, that the Action of Debt did well lye. Trin. 32 Eliz. B. R. *Parſon's* and *Parſon's* Caſe. *Cro.* 3. Part, 211.

8. Controverſy was between two perſons, concerning a Leaſe of Lands; they ſubmitted themſelves to the Arbitrament of J. S. for it; J. S. did Award, that one of them ſhould have the Land: It was holden in this Caſe, That this is a good Gift of the Intereſt of the Term; But if the Award were, That he ſhall permit and ſuffer the other to enjoy the Term, this giveth not the Intereſt in it. Paſch. 33 Eliz. B.R. *Tinſloe* and *Yeate's* Caſe. *Cro.* 3. Part, 223.

9. Debt upon Condition to perform Award; The Condition was, That if the Obligor do well and truly perform and keep the Award of J. S. indifferently choſen between the parties, for and concerning the matters contained in nine ſeveral Articles, ſo as the ſame be given up under the Hand and Seal of, &c. The Arbitrator made an Award of ſeven of the Articles, omitting the other two: It was the Opinion of the Juſtices, That the Award ſhall have reference to all the Articles, for the Condition was conditional; Adjudged for the Defendant. Hill. 43 Eliz. B. R. *Hamond* and *Hatche's* Caſe. *Goldſbr.* 125. See Paſch. 41 Eliz. B. R.

B. R. *Risdes* and *Juglett's* Case. Adjudged acc. *Cro.* 3. Part, 839.

10. Debt to perform an Award; The Arbitrators Award, That each ſhould give to other within four dayes after the Award, a general Releaſe of all Demands till the date of the Obligation. Provided, That if either of them diſlike the Award within twenty days after the Award, and ſhould pay to the other within the ſaid twenty days 10 s. the Arbitrament to be void: In this Caſe, It was holden by the Court, That the firſt part of the Award was good: And the Proviſo being repugnant, was void; and it was holden, That by the not performing of the Releaſe within four days, the Bond was forfeited; and the Proviſo would not ſerve the Bond forfeited. Hill. 35 Eliz. B. R. *Shorley* and *Richardſon's* Caſe. *Cro.* 3. Part, 291.

11. Aſſumpſit, to perform an Award; The Award was, That the Defendant ſhould enter into a Bond to the Plaintiff, that the Plaintiff and his Wife *haberent & gauderent*, ſuch Lands in Controverſy; and becauſe, It was to enter Bond without a ſum certain, and alſo becauſe it was, that the Wife ſhould enjoy, who was no party to the ſubmiſſion; The Award was adjudged void. Trin. 36 Eliz. B. R. *Samnon* and *Pitt's* Caſe. *Cro.* 3. Part, 432.

12. Debt upon Obligation conditioned to perform an Award; The Defendant pleaded, *Quod nullum fecit arbitrium*; The Plaintiff ſhewed an Award, That the Defendant ſhould releaſe all Actions, &c. *ut talis adviſaret*, It was adjudged to be a void Arbitrament, to referr it to the Act of another; and the Defendant is not bound to perform it. Mich. 41 Eliz. C. B. *Emery* and *Emerie's* Caſe. *Cro.* 3. Part, 72.

13. Debt upon Condition to perform the Award of J. S. Upon *Nul tiel Arbitrium* pleaded, The Plaintiff ſhewed an Award was made, That the Defendant ſhould make an Eſtate of ſuch Lands to the Plaintiff for life, the Remainder to a Stranger in Fee: It was adjudged a good Award, as to the particular Eſtate, and was to be performed, but void as to the Remainder; And in this Caſe, It was adjudged, That the place where the Award was made, ought to be ſhewed, becauſe the ſame is Iſſuable. Hill. 42 Eliz. C. B. *Bretton* and *Pret's* Caſe. *Cro.* 3. Part, 758.

14. Debt to perform the Award of certain perſons, of all Suits, Quarrels, and Controverſies depending untill the day of the date of the Obligation, (which was 4. *Sept.* 42 Eliz.) ſo as the Award be made of the premiſſes before ſuch a day: The Defendant pleaded, *Quod nullum fecerant arbitrium*; and the Plaintiff ſhewed an Award made of all matters, untill 3. *Sept.* the ſame year: It was objected, That the Arbitrators had not perſued their Authority; and becauſe there is no Averment, that thoſe were all the matters depending at the time of the Obligation: Reſolved, That it was well enough; for now depending cannot be, unleſs it had been in Suit before the fourth day, and it cannot be ſaid begun and depending all put the ſame day; Adjudged for the Plaintiff. Trin. 43 Eliz. C. B. *Barn.'s* and *Greenwood's* Caſe. *Cro.* 3. Part, 858.

15. Suits depending in the ſpiritual Court betwixt the Plaintiff and Defendant for Tythes, they put themſelves to the Award of J. S. concerning the premiſes, and in conſideration of 6 d. given the one to the other: The one aſſumed to the other to ſtand to the Award of J. S. or to pay 10 l. and alledged, That J. S. awarded, That the Defendant ſhould pay to the Plaintiff for the Tythes ſuch a day 40 s. and that he had not paid it; for which Cauſe, Aſſumpſit was brought againſt the Defendant: It was the Opinion of the whole Court, That the Arbitrament was void; becauſe there is not any thing for the Defendant to have, or to be freed from Tythes, ſo as he hath not any advantage thereby. Mich. 41 Eliz. B. R. *Colſton* and *Harris's* Caſe. *Cro.* 3. Part, 904.

16. Debt upon Obligation to ſtand to the Award of J. E. and J. D; The Defendant pleaded, The Arbitrators made no Award; The Plaintiff ſhewed the Award, but aſſigned no Breach. Iſſue being joyned upon the Award, It was found for the Plaintiff, and Judgment for him. It was the Opinion of the Court in this Caſe, That the Plaintiff in his Replication having aſſigned no Breach, there is no cauſe of Action, and ſo the Court cannot give Judgment; and though a Verdict be given for the Plaintiff, yet the ſaid defect in the Replication is matter of ſubſtance, and is not helped by any Statute, nor amendable; The Judgment was ſtayed. Paſch. 7 Jac. in B. R. *Barret* and *Fletcher's* Caſe. *Yelverton* 153.

17. Controverſy being betwixt the Plaintiff, Lord of the Mannor, and Defendant claiming certain Lands, parcell of the Mannor, and to hold it by Copy, both parties ſubmitted themſelves to the Arbitrament of J. S, Counſellor at Law concerning the ſaid Land, and the Title of the Defendant to it: The Defendant in conſideration that the Plaintiff promiſed to the Defendant, That if the ſaid J. S. ſhould judge the ſaid Copy to be good and ſufficient for the Title of the Defendant, that then he ſhould ſuffer the ſaid Defendant to enjoy the ſaid Land accordingly, without moleſtation. The Defendant reciprocally promiſed the Plaintiff, That if the ſaid J. S. ſhould judge the ſaid Copy not to be ſufficient, that then he was to ſurrender and deliver the Poſſeſſion of the ſaid Land

to the Plaintiff without Suit. It was Reſolved, That the Award in this Caſe was good, being to avoid Variances and Suits; and therefore the promiſe made by the Defendant, was made upon a good Conſideration: and not being performed, in Aſſumpſit brought by the Plaintiff, Judgment was given for the Plaintiff. Paſch. 30 Eliz. B. R. *Coats* and *Sorgat*'s Caſe. *Leon.* 1. Part, 103.

18. Debt upon Obligation, to ſtand to the Arbitrament of A. B. C. and D, of all Actions, Quarrels, and Demands; *Ita quod*, it be made in writing before ſuch a day, by the ſaid A. B. C. and D, or by any two of them, under their Hands, &c. The Defendant pleaded, That the ſaid A. B. C. D, or any of them, *Nullum fecerunt arbitrium*; The Plaintiff Relyed, That A. and B, two of the Arbitrators, before the day, by writing under their Hands, made an Award, and ſhewed the ſame in certain, and aſſigned a breach in the Defendant for not payment of 3 l. at a day limited in the Arbitrament: The only Queſtion was, Whether the Arbitrament made by A. and B. only, without the others were good or not, becauſe the Submiſſion was to four by name. It was adjudged by the whole Court, That the Arbitament made by two was good; for the Arbitrators are made Judges by aſſent and election of the parties, and the parties here did fix their Truſt not in all four Joyntly, but *conjunctim & diviſim*: So as the *Ita quod* is but an explanation of the Condition, they four or any two of them may arbitrate all matters betwixt them. See 2 R. 3. 18. 6. 4 E. 4. 40. Paſch. 9 Jac. B. R. *Sallows* and *Girling*'s Caſe. *Yelverton* 203.

19. A man was bound in Obligation, with Condition to ſtand to, abide, and perform the Award of two Arbitrators; and before the Award, the Obligor by his writing revokes the authority of one of the Arbitrators: It was agreed in this Caſe, That by this, the Obligation is become ſimple without Condition; and yet it was not pleaded, That the Arbitrator had notice of the Revocation; but becauſe it is pleaded, *Quod revocavit*, it implies, Notice: But it was agreed, That if a man ſubmitteth himſelf to the Award of another, and after he revokes his authority; but before the Arbitrator hath notice of that, he makes his Award; The Award is good, and ſhall be performed. Hill. 7 Jac. in C. B. *Vivion* and *Wild*'s Caſe. *Brownl.* 2. Part, 29.

20. Difference being betwixt the Father and his Daughter within age of the one part, and K. of the other part, they ſubmit themſelves to Arbritrament of all Quarrels, &c. The Father is bound to K, that he and his Daughter will perform the Award on their parties; and K. is bound to the Daughter to perform the Award on his part: Arbitrators Award, That K. pay to the Daughter ſo much, who ſhall releaſe all Actions, &c. to her, and that the Father and Daughter ſhall releaſe at another day to K, &c. K. doth not pay the money at the day. The Daughter brings debt upon the Bond; It was agreed by the Juſtices, 1. That if the Submiſſion be void, the Arbitrament is void, and then the Bond of K. void. 2. That the Submiſſion here of the Daughter-Enfant was not good, but voidable. 3. The Arbitrament made, That K. ſhall pay only ſo much to the Enfant, is not good. Hill. 2 Car. B. R. *Stone* and *Knight*'s Caſe. *Latch.* 207. See Trin. 17 Car. B. R. *Raſſell* and *Yate*'s Caſe. In *Lib.* 1. Title *Arbitrament*. Fol. 215. C. 5.

Amendment.

IN *Ejectione Firmæ*; The Caſe was, That J. W, Biſhop of G, ſeiſed of a Barn and Tythes, Let them to three by Indenture, 15 Eliz. reſerving the antient Rent for two lives. In the end of the Indenture, The Confirmation of the Dean and Chapter was recited, which was of a Leaſe made by R. W; but the Jury did not find *de facto*, that Dean and Chapter did confirm it; And it was found expreſly, That a Leaſe was made by the now Biſhop to the Plaintiff: It was moved, That the Confirmation which recited the *Leaſe* to be made by R. W, might be amended and made J. W, for that the Note given to the Clerk of the Aſſiſes; they intended to find the Conſideration preciſely, and of a Leaſe made by J. W; But the Opinion of the Court was, That after Verdict returned in Court, this cannot be amended by any ſuch ſuggeſtion, for then all Verdicts might be prayed to be amended; but if any ſuch miſpriſion was of the Clerk, it ought to be made before the Verdict returned, but now it is too late to amend it. Mich. 31 Eliz. B. R. *Mornington* and *Ty*'s Caſe. 6 Co. 3. Part, 111.

2. In Aſſumpſit by the Plaintiff againſt A. and B, after Verdict found for the Plaintiff; In ſtay of Judgment, it was moved, That the Declaration upon the File ſuppoſed the promiſe to be made by A. only; But the Roll and the Record of *Niſi prius*, and all the proceedings after, were layed to be by both. And it appeared by examination, That the Paper Copy under the Councells Hand, was, that the promiſe was made by both. It was urged, that the File is the Original, and is the Warrant of the Roll, and all other proceedings: So if the

Roll

Roll be ill, it may be amended by the File, but not *è converſo*; and ſo it was ſaid, It was adjudged. Trin. 31 Eliz. in *Greenway* and *Elm*'s Caſe. But the Court held the Contrary, That it might be amended; for when it appeareth, That the Paper-Declaration was good, that the promiſe was made by both; It is the default to enter it upon the File to be made by one: It was adjudged to be amended. Mich. 34 Eliz. B. R. *Ramſey* and *Bird*'s Caſe. *Cro.* 3. Part, 258. 2. *Latch.* 86. An amendment ruled accordingly. See Mich. 7 Jac. B. R. *Sanders* and *Cottington*'s Caſe. *Yelverton* 164. The Title, Caſe amended.

3. In *Ejectione Firmæ*, the Caſe was, Tenant in tail of a Rectory and Tythes, lett it to J. S, and his Aſſignes, for the lives of B, C. and D; afterwards J. S. demiſed the ſaid Rectory and Tythes to J. N. and his Heirs, to the uſe of B for the time of eighty nine years, if any of the *Ceſtuy qui vits* ſhould ſo long live, *virtute Cujus dimiſſionis idem*. B. the Plaintiff *fuit poſſeſſionatus*, untill the Defendant entred, &c. Being upon Iſſue joyned, found for the Plaintiff; It was ſaid, That the Verdict was not good, becauſe he doth not ſhew the beginning of the eſtate tail, which is the particular eſtate, and that the Court held to be an apparent fault. 2. It was excepted unto, becauſe he ſaith, *Virtute cujus dimiſſionis*, where he comes in by limitation of uſe, and ſo it ought to have been, *Et virtute Statuti*; this was alſo held to be an apparent fault in ſubſtance, and not in form; wherefore, It was adjudged for the Defendant. Trin. 37 Eliz. C. B. *Baker* and *Seale*'s Caſe. *Cro.* 3. Part, 407.

4. Error to reverſe a Judgment in C. B. in Treſpaſs, becauſe the Writ of the Roll of Enquiry of Damages was awarded to the Shetiff of *London* thus, *Idco præceptum eſt Vicecom. London quod inquirant*; where it ſhould be *inquirerent*, alſo it was, *Quod inquirant per Sacramentum proborum, &c. de Civitate prædict.* there being no mention before of any City; Holden, That the firſt was the default of the Clerk, and amendable; and for the ſecond, It was well enough, for that it is ſometimes *de Civitate*, ſometimes *de Baliva*; and the Judgment was affirmed. Trin. 41 Eliz. B. R. Sir *Richard Lewſon* and *Rudleſton*'s Caſe. *Cro.* 3. Part, 677.

5. Error of Judgment in Action upon the Caſe for words, The Action was brought againſt *John Morgan Wulf*; The Judgment was, *Quod recuperet verſus præfict. Morganum*; whereas it was neither his Chriſtian-name, nor Sir-name; Reſolved, That it was well enough, ſo it is his name by which he is known, and parcell of his Sir-name, and his entire Sir-name and *Wulf* is but an addition, and therefore good enough; and if it were not good, it is but the default of the Clerk, which is amendable by the Statutes of 8 H. 6. Mich. 44 Eliz. Exchequer Chamber, *John Morgan Wulf*, and *Stepney*'s Caſe. *Cro.* 3. Part, 865.

6. Debt againſt an Adminiſtrator; The Defendant pleads *Fully* adminiſtred, The Defendant ſaid, he ought not to be barred for any thing ſaid by the Defendant; for he ſaid, That *Prædict.* the Plaintiff *die impetrationis, &c. habuit diverſa bona & hoc petit, &c.* It being found for the Plaintiff, It was moved, That here was no Iſſue joyned: For the Plaintiff ought to have Replyed, That the Defendant had Aſſetts, and he ſaith, That he himſelf hath Aſſetts, which is not the matter in queſtion. But it was the Opinion of the Court, It ſhould be amended, becauſe it is but the default of the Clerk. Paſch. 3 Jac. B. R. *Burkett* and *Manning*'s Caſe. *Yelverton* 65.

7. Error upon a Judgment in C. B. in *Ejectione firmæ*; The Error aſſigned was, in the variance between the Plea-Roll and the Imparlance-Roll: The firſt was of an Ejectment 10. *Junii.* 22 Jac. and the Plea-Roll was 12. *Junii.* 22 Jac. but the truth was, That the Plea-Roll was entred 10. *Junii*, but it was razed and made 12. *Junii.* It was amended by the aſſent of all the Juſtices, notwithſtanding the Record removed, and Error aſſigned in the ſame Point. Hill. 1 Car. B. R. *Foſter* and *Taylor*'s Caſe. *Latch.* 162.

8. *Wolley* recovered Damages in an Action of Aſſaults and Woundings 3100 l. againſt the Lord *Savil* and *Mountain* the Defendants; having day to ſpeak in arreſt of Judgment, the Attorneys for the Defendants viewed the Record, and found that in the Imparlance Roll, there was no day or year of the Aſſault entred, but ſpaces were in the Roll to inſert the ſame. But it was alledged to be, *contra pacem Regis nunc*, and the Iſſue-Roll was preſent; therefore they beſpoke of the Prejgnothory a *Recordator* to be ſealed the next day. But the Plaintiffs Attorney having notice thereof, got by a Plot the Key of the Treaſury, and about eleven of the Clock at Night, with Lant-horn and Candle entred into the Treaſury, and filled up the blank lines, and made the Record perfect; which being known, It was moved to the Court for the Defendant, that the Roll might be made as it was before, and all which was done by the Plaintiffs Attorney put out, and the doers of it puniſhed. This Caſe being argued by the Juſtices ſeverally, It was agreed by them all, and alſo by the Clerks, That it was amendable by the Clerks untill the *Recordator* be entred: It was further agreed, That in this Caſe, although that the *Recordator* had been entred, the ſame had not bound the Court, but that they might have amended it, if they ſaw cauſe; and it was but matter of form: and if it had not been amended, it ought to be amended by the Court, becauſe the

Roll being at first *Anno regni Regis nunc, & contra pacem Regis nunc*, shall be done after the Writ brought, and after Judgment was given for the Plaintiff. Hill. 2 Car. Sir *Francis Worsley* and the Lord *Savil's* Case. *Latch.* 164, 165.

9. A man in a Bond bound him and his Heirs; In Debt brought against the Heir, The Bill upon the Fyle was, *Debet & detinet*, but the Declaration upon the Roll was, *Detinet tantum*; and thereupon a Verdict was given; It was prayed, That the Declaration, and the proceedings upon it, might be amended; and because, It was proved, That it was done *consultò*; the Court would not amend it. Trin. 3 Car. B. R. *Latch.* 203.

Amercements and *Fines.*

IN a Replevin, The Defendant justified by reason of a Fine assessed by the Steward in the Court-Leet, for not coming to Court, and doing his Suit; and upon it a Distresse taken: It was the Opinion of the Justices, That the Assessement being without presentment, was without warrant; and in such case he ought rather to be amerced then fined; and it was said, That if he shall assesse a Fine, he will assesse it too grievously, and so the party be without remedy: But for an Amercement, *Moderata Misericordia* lyeth. Trin. 33 Eliz. B. R. *Hall* and *Tarbett's* Case. *Cro.* 3. Part, 241. See Mich. 33 Eliz. B. R. *Platt* and *Whitton's* Case. *Lib.* 1. Title *Amercement* and *Fines.* Fol. 171. C. 6.

2. Error upon a Judgment in Debt, upon the Statute of 33 H. 3. of buying of Titles; The Error was, That the Plaintiff demands 50 l. for the value of the Land, and the Jury find the value 20 l; upon which the Plaintiff had Judgment to recover one moyety, and the Queen the other moyety, and no Judgment was for the residue of the 50 l. *scil.* that the Plaintiff be in *misericordia pro falso suo clamore*; and for that Cause, the Judgment was reversed. But it was said, That in Trespass or other Actions, where the Plaintiff declares *ad damnum*; If Lessee be found, then he declares, The Plaintiff shall not be amerced, because the Action is grounded upon an incertainty. Mich. 34 Eliz. B. R. *Savery* and *Ivy's* Case. *Cro.* 3. Part, 257.

3 Trespass for taking a Gelding and two Spoons; The Defendant pleaded, That the Queen was Lady of the Mannor of B, and that he was her Bayliff, and that it was presented, That the Plaintiff was amerced in the Court, for surcharging the Court by the Steward there, to so much which was offered by the Tenants; whereupon he destrained the Gelding, and that the Plaintiff delivered him the two Spoons in redemption of the Gelding. It was the Opinion of the Court, That the Amercement by the Statute of the Court was good; But they held, That the Distress by the Bayliff, not having any Warrant to do it by Estreat or otherwise was not good; and therefore, It was adjudged for the Plaintiff: And in this Case, It was holden, That a common person cannot distrain for Amercements in a Court Baron, without prescription; but the Queen by her Prerogative might. Pasch. 42 Eliz. B. R. *Rodeston* and *Almas's* Case. *Cro.* 3. Part, 748.

4. Action upon the Case, For disturbing him to have Common in 200 Acres of Land and Pasture, Upon not guilty, It was found, That the Plaintiff had Common in 90 Acres in the Land of the Defendants: The Opinion of the Court was, That the Verdict was found against the Plaintiff, because the Jurors have found another Case. It was moved in stay of Judgment, because the Plaintiff was amerced *pro falso clamore*, as to Common in 10 Acres of the 200 Acres. But the Court held the Amercement good enough, because the Plaintiff did pretend a greater matter of wrong then the Case did require; for that is a trouble to the Court by the false claim of the Plaintiff. Mich. 19 *Jac.* in B. R. See the Reports annexed to *Bendloe's* 65.

Annuity.

1. ANnuity was brought by the Dean and Chapter of S, against the Master of the Hospitall of St. B. Parson of the Church of W. in E; and demanded an Annuity by prescription to be paid yearly at S. aforesaid: The Writ was brought in the County of S, where the Seisin was alledged, and the Writ was awarded good; and the Reasons of it was brought in that Judgment to the County of S, and he had his Judgment; and after in 35 H. 8. a *Scire facias* was brought upon that Judgment in the said County of S, for the Arrearages of the said Annuity accurred long after the Judgment against the Successor of the Master of the said Hospital, and good. See 35 H. 8. the Case of the Master of St. *Bart'lo-*

2. A man granted to another an Annuity of 5 l. *per annum*, for two years, payable at *Mich.* or ſixteen dayes; after the Grantee brought Debt for the ſame; and declared, That it was behind at *Mich.* & *adhuc retro exiſtit*; upon which it was demurred, becauſe not averred, that it was behind ſixteen dayes; but ruled, Good enough. Two Objected, that Debt lyeth not, for it is but a Writ of Annuity. But it was Reſolved, That Debt did well lye, being a Grant for years; for that it is by the Deed, as a Contract. Trin. 33 Eliz. B. R. *Brown* and *Pendlebery*'s Caſe. Trin. 33 Eliz. B. R. *Cro.* 3. Part, 268.

3. Debt upon an Obligation; The Condition was, To pay an Annuity at the Feaſt of the Annunciation, or within 20 dayes after: the Original was brought, the 8th of *April*, and the breach alledged to be at the Feaſt of the Annunciation laſt paſt, which was within the 20 dayes after the Feaſt of the Annunciation. It was the Opinion of the Court, That it was not well brought, nor the breach well aſſigned; for that the Annuity was not due till the end of the 20 dayes. Paſch. 39 Eliz. C. B. *Blunden*'s Caſe. *Cro.* 3. Part, 565.

4. Annuity was; For an Annuity by Preſcription iſſued out of the Church of S, or to the Incumbent of the ſaid Church: It was Reſolved by the whole Court, That it lay againſt the Incumbent as well for the Arrearages due in the time of his Predeceſſor, as in his own time; For that the Church it ſelf is charged, in whoſe hands ſoever it cometh: Hill. 43 Eliz. C. B. The Caſe of *Trinity* Colledge in *Cambridge* and *Tunſtall*. *Cro.* 3. 810.

5. The Father granted an Annuity to his younger Son; He delivered the Deed to one of his Brothers to keep, who went into *Ireland*, and in the removing of Writings, the Deed of Annuity was loſt; He ſued his elder Brother in equity to have the Annuity paid to him. It was the Opinion of the Court, That he could not be relieved there for it, becauſe it was his folly to deliver the ſame to one who had no more care for the keeping of it: But it was agreed, That if the Deed had been caſually loſt by Fire, or ſuch thing; then he might have relief in Equity for it, and ſo it was ſaid; It was Reſolved in *Vincent* and *Beverley*'s Caſe. Paſch. 1 Car. B. R. *Brightman*'s Caſe, *Latch.* 248.

Appeals.

IN appeal of the Death of her Husband, That at A. in the County of &c. the Defendant ſuch a day gave a mortal Wound, of which he dyed at W, in the ſaid County; and ſo the Defendant at A. aforeſaid, *modo et forma prædict.* murdered her Husband: It was the Opinion of the Juſtices, That the Writ ſhould abate; becauſe it ought to be at the place of his death, and not at the place of the ſtroak given; becauſe from the place the Viſne muſt come where the death was. See *Cro.* 4. Part, *Hepdon*'s Caſe. Mich. 32 Eliz. B. R. *Hume* and *Ogles* Caſe. *Cro.* 3. Part, 196.

2. In Appeal of Murder by a Woman, of the death of her Husband; The Defendant pleaded, Not coupled in lawful Marriage: It was the Opinion of the Court, When a Plea is pleaded, which is tryable at the Common Law, and concludes over to the Felony; there the Plaintiff ought to Reply, and conclude over to the Felony, otherwiſe it is when a man pleads a Plea tryable otherwiſe then by the Common Law. Paſch. 33 Eliz. B. R. *Withington* and *Delbare*'s Caſe. *Cro.* 3. Part, 224.

3. In Appeal of Murder, The Defendant pleaded, Not guilty; the Evidence was clear, That he was guilty of Man-ſlaughter. It was the Opinion of all the Juſtices, That the Jury are not compellable to enquire of the Man ſlaughter Paſch. 34 Eliz. B. R. *Wroth* and *Wigg*'s Caſe. *Cro.* 3. Part, 276.

4. Appeal of Murder was brought in the King's Bench, of a Murder done upon the Plaintiffs Brother at *Sandwich*, in the County of *Kent*; It was objected, That it did not lye there; becauſe *Sandwich* was part of the Cinque-Ports, where the King's Bench doth not run: It was the Opinion of the Court, That the Appeal was well brought in B. R; for although, That Kings have granted Appeals to the Barons of the Cinque-Ports; yet they have not given away their own Intereſts, and in an Appeal the King hath an Intereſt: for that if the Plaintiff be Non-ſuit after Declaration in it, yet the Defendant ſhall be arraigned at the Kings Suit; And it was ſaid, It was adjudged, That upon a Murder committed within the Cinque-Ports, the party being in *Cuſtodia Marſhalli*, entred his Appeal by Bill in the Kings Bench, and adjudged good in *Witt*'s and *Brayn*'s Caſe. Mich. 45 Eliz. B. R. *Criſpe* and *Viat*'s Caſe. *Tel.* 12 13.

5. In Appeal of Death of her Husband againſt Diverſe; upon ſeveral Iſſues pleaded, The Plain-

tiff was Non-suit upon Tryal against one; It was the Opinion of the whole Court, That as to that party, the Defendant should be discharged; yet the others who were not tryed, should be arraigned upon that Declaration, at the Queens Suit. Hill. 38 Eliz. B. R. *Curties* and *Bacill*'s Case. *Cro.* 3. Part, 460.

6. Appeal of Maheim against diverse; One of the Plaintiffs pleaded, That there was *Nul tiel in rerum natura*; and if it be found there, to the Felony and Maheim, Not guilty: It was the Opinion of the Court, That such a manner of Plea was not sufficient in Appeal of Maheim; because no life was put in danger by the Suit: and therefore, It was Resolved, That the other Plea, Not guilty, should stand. Trin. 29 Eliz. B. R. *Kyston* and *William*'s Case. *Cro.* 3. Part, 495. See *Popham* 115. The same Case.

6. Appeal of Murder against divers, One as Principal, the other as Accessaries; The Principal was found guilty of Man-slaughter only: The Court held, As to the Accessaries before the Fact, they ought to be discharged; but for the Accessaries after, they should answer, and they shall be tryed by several *Venire facias*. It was then moved, That the Principal after Conviction, had his Clergy; It was the Opinion of the Court, That if the Principal had his Clergy or Pardon before his Judgment, (as he well may) if he be pardoned, yet the Accessary shall be Arraigned. In the principal Case, the Accessaries were discharged. Hill. 39 Eliz. B. R. *Gosse* and *Dyby*'s Case. *Cro.* 3. 540.

7. Appeal of Murder against four; at the return of the Writ, they appeared at the Barr: It was the Opinion of the Court, That the appearance of them make them not in *Custodia Marischalli*, unless there be a Record, *Quod committitur Marischallo*, or that they find Bail; whereupon the Plaintiff was Non-suit; and the cause of his Non-suit, was, because there was a default in the Writ for want of Addition of one of the Defendants: And it was said in this Case, That a Non-suit in this Case before appearance is peremptory. Pasch. 40 Eliz. B. R. *Holland*'s Case. *Cro.* 3. Part; 605.

8. An Enfant brought an Appeal of Murder by his Gardian. At the day in Court; It was prayed, because the Gardian was sick; that the Court would give, &c. for the day; But the Court said, That they could not do it in an Appeal; and thereupon the Plaintiff being demanded; did not appear; wherefore he was Non-suit, and the Defendant discharged. Trin. 2 Car. B. R. *Latch.* 171.

9. Appeal of Burglary was brought against B who was found guilty; and before Judgment given, the Plaintiff dyed: It was prayed, That Judgment be given for the Queen upon that Verdict, or that the Declaration in the Appeal should be in lue of an Indictment. It was said by my Chief Justice, If the Appealant dyeth before Verdict, the Defendant shall be arraigned at the Suit of the King; but if his life hath been once in jeopardy by Verdict, he said, He conceived, it should not again be drawn in danger. Others were of Opinion, That the Defendant should be arraigned at the Suit of the Queen, upon the whole Record, and to plead Autertaits acquitt, which was the surest way. Hill. 29 Eliz. B. R. *Brook*'s Case. *Law.* 2. Part, 83.

10. R. was Robbed by S, and, within a Week after the Robbery, R. preferred a Judgment against S; and, within a Month after the Robbery, he sued an Appeal of Robbery against him, and prosecuted the same till S. was Out-lawed, and now R. moved to have Restitution of the Goods. My chief Justice said, Fresh-suit in Law is to pursue the Felon from Town to Town, but the suing of an Appeal is no Fresh-suit. *Cook* vouched the Book, 21 E. 1. 16. Where Restitution was granted upon an Out-lawry in an Appeal of Robbery, without Fresh-suit enquired of, and so it is, 1 H. 45. if he confesse the Felony. *Quere*, the principal Case was not Resolved. Aappearance.

DEbt upon Obligation; The Condition was, That if G. F. shall not appear at the next Court in T. to answer the Plaintiff; then if the said G. F. before the first day of Octobr, found surety to answer, that then, The Defendant pleaded, That G. F. did appear at the next Court, upon which Issue was joyned, and found for the Plaintiff; It was said, That the Tryal ought to be by the Record, and not by *per patriam*: The Court held, the Tryal to be good; for it appeareth not, that he agreed, and that his appearance was upon Record; But his Plea is, That he appeared such a day in the Court, which may be, and yet the same not ended, and yet by it his Bond is saved; And it was said, That appearance at such a day may be tryed by the Country; It was adjudged for the Plaintiff. Hill 30 Eliz. B.R. *Hoe* and *Mansfield*'s Case. *Cro.* 3. Part. 131.

2. Debt upon an Obligation made to the Sheriff; The Condition was, That if such a one who was arrested upon a *Latit t*, appeared personally and answered, &c. It was a Question, If this was a good

a good Obligation within the Statute of 23 H. 6. It was Reſolved, That in regard his Appearance is neceſſary to put in ſpecial Bail if the Party require it, therefore the Bond was good, and ſo it was ſaid: It was Ruled in *Woolverton* and *Sackfields* Caſe. Mich. 42 Eliz. B.R. *Rolls* and *Hewit's* Caſe. *Cro.* 3 Part, 368.

3. Error or a Judgment in Debt, upon *Nos ſum Info matus*: The Error aſſigned was, That at the time of the Judgment the Defendant was within Age, and appeared by Attorney, whereas he ought to appear by his Gardian: It was the Opinion of the Court, that if he was within Age at the time of the Judgment, although he was not ſo at the time of the Writ of Error brought, that the Judgment was Reverſable, and is triable by the Country: But a Fine or a Statute acknowledged within Age be not reverſable but by Inſpection. Mich. 39 Eliz. B. R. *Sedborough* and *Raunts* Caſe. *Cro.* 3 Part, 368.

4. Error of Judgment given in a *Nativo habendo*: The Error aſſigned was, becauſe the Plaintiff *tempore Judicii* was an Enfant, and appeared by Attorney, and not by Guardian or *Prochyn Amy*: The Defendant pleaded *in nullo eſt Erratum*; the Court doubted, Whether it could now be aſſigned, the Plaintiff being at full Age, ſo as his Nonage could not appear upon View; another Error was becauſe finall Judgment was given, whereas the Plaintiff was Non-ſuit before Declaration: *Quere*, The Points were not Reſolved. Paſch. 42 Eliz. B. R. *Dighton* and *Bartholomew's* Caſe. *Cro.* 3 Part, 853. But upon a ſecond Motion for the laſt Error, the Judgment was reverſed. *Cro.* 3 Part, 881.

5. Aſſumpſit: In Conſideration that the Plaintiff had entred into a Recognizance with the Defendant upon Condition, that the Defendant ſhall make his Appearance at the next Aſſiſes to be holden before the Juſtices of Goal-delivery for the County of S. the Defendant promiſed to appear at the next generall Goal-delivery, and ſave the Defendant harmleſs of his Recognizance, and the Defendant did not appear, nor ſave the Plaintiff harmleſs. The Defendant pleaded, That before the Goal-delivery, after the Recognizance made, he ſued out a *Certiorari*, directed to the Juſtices of Aſſiſe in the County of S, by the Name of Juſtices of Goal-delivery, to remove the ſaid Recognizance, and ſhewed that at ſuch a day at the Aſſiſes he deliverſed the *Certiorari* to J. S. one of the Juſtices of Aſſiſe; and further ſhewed, that the Plaintiff was not damnified by the ſaid Recognizance: It was in this Caſe adjudged for the Plaintiff, for two Cauſes; 1. Becauſe it is not ſhewed in the Bar at what place the Aſſiſes was kept, for that is iſſuable. 2. The Defendant ought to have ſhewed expreſly, That he appeared at the Aſſiſes, for otherwiſe the Recognizance is forfeited; and the Remover of the Recognizance by a *Certiorari* doth not diſpenſe with the Appearance of the Party; for though the Writ by which it is removed is the King's Commandment, Yet the Purchaſe of ſuch Writ is the Act of the party Defendant, and he by ſuch a ſlight cannot ſave his Recognizance. Trin. 9 Jac. B. R. *Roſſe* and *Pits* Caſe. *Yelverton*, 207.

6. The Bail entred a Recognizance for A. that upon eight dayes warning A. *comparebit* to any Action to be brought by B. for ſuch a Debt; *Nec non*, That if A. B. were condemned in the Action, and did not pay, that they would anſwer to B. the Condemnation. B. brought an Action in which A. is condemned, and did not pay: B. brought Debt againſt the Bail, upon the Recognizance, and ſhewed the Suit againſt A. and the matter aforeſaid: But did not ſhew, That A. had warning eight days to appear to the Action. It was the Opinion of the Court in this Caſe, That the Plaintiff ought of neceſſity to ſhew the warning to have been by eight dayes; for this is not a Condition to be performed betwixt the parties, but between Strangers, for A. is a Stranger; and then the Bail are bound only to anſwer ſuch Condemnation in ſuch Action in which eight dayes warning ſhall be given, for that is the Ground of the whole; and it is not reaſon, that A. by his voluntary Appearance without ſuch 8 days warning ſhould prejudice his Bail: Upon this Opinion of the Court, the Plaintiff diſcontinued his Suit. Mich. 2 Jac. B. R. *Hargrave* and *Rogers* Caſe. *Yelverton*, 53.

7. Debt in the Common Pleas upon an Obligation: The Condition was, That if A. would render himſelf to an Arreſt in ſuch a place, &c. The Defendant pleaded, That by Priviledge of Parliament, thoſe of the Parliament and their neceſſary Servants ought not to be arreſted by the ſpace of forty days before the Parliament, nor ſitting the Parliament, nor forty dayes after; and ſhewed, That he was Servant to ſuch a Parliament-man at ſuch time, ſo as he could not render himſelf to be arreſted; upon which the Plaintiff did demur: In this Caſe, The Opinion of the Court was for the Plaintiff, for that A. might appear and render himſelf, and let it be at their peril if they will arreſt him. Trin. 4 Jac. in C. B. *Jackſon* and *Kirton's* Caſe. *Brownl.* 1 Part, 81.

Apportionment.

A Man had a Warren in Fee which extended into three Towns, and he lett the same for years rendring Rent; and afterwards he by Deed granted his Reversion of the whole Warren in one of the Towns to another, and the Lessee attorned: It was the Opinion of the Court, That neither the Grantor nor the Grantee should have any part of this Rent during the Term, because the Law is, That no Contract shall be apportioned. Hill. 6 E. 6. *Bullowes*, 12.

2. In Debt upon an Obligation, for not performance of Covenants contained in an Indenture of Lease: The matter in Law was this, If a Lease be made of Lands and Goods rendring Rent, if the Land be evicted if the Rent be gone, or there shall be an Apportionment in regard of the Goods, and so the not Payment of the Portion for the Rent be a forfeiture of the Bond: It was the Opinion of the whole Court, That there shall be no Apportionment for the Rent issueth out of the Land, and followeth it; and so it was said, it had been oftentimes adjudged. Pasc. 33 Eliz. B. R. *Emot* and *Coles* Case. *Cro.* 3 Part, 255.

3. In a Replevin the Case was, A. was seised in Fee of a Mannor, whereof one Moyety was holden in Socage, and the other by Knights-Service, and of a Parsonage appropriated, and lett the Mannor and the Parsonage to the Plaintiff for years rendring 77 l. 6 s. 8 d. *per annum*; and devised the Mannor to B. his eldest Son for life, the Remainder to C. his younger Son, and dyed. B. surrendred his Estate to C. who distreined, and in his Avowry shewed all this matter, and that the Parsonage was worth 20 Marks *per annum*, and for five parts of the residue of the Rent, being divided into six parts, as for Rent due for five parts of the Mannor: C. the Defendant avowed: The Plaintiff shewed, That the Parsonage was worth 20 l. *per annum*, but shewed not of what value the Mannor was, and delivered Judgment of the Avowry upon which the Defendant demurred. It was a Question, Whether there could be an Apportionment in this Case: It was agreed by the whole Court in this Case, That there should be an Apportionment, in regard it was not a division by the Act of the party, but by the Law, *scil.* the Statute of Wills: They also held, That the Bar to the Avowry was not good, because all was not valued, but part. It was adjudged for the Avowant. Hill. 41 Eliz. C. B. *Ewer* and *Stiles* Case. *Cro.* 3 Part, 771.

4. Debt upon a Lease for years: The Plaintiff declared, That A. was seised, and lett to the Defendant for years rendring Rent of 40 l. *per annum*, the Land being holden *in Capite*, and that he devised it, and dyed, his Heir within Age: Whereupon the Queen under the Seal of the Court of Wards, granted to him the third part of the Reversion and Rent, *durante minori ætate* of the Heir, and for three years Arrears he brought the Action upon this Declaration, it was demurred. Two Questions in this Case, 1. Whether this Lease for years *durante minori ætate*, under the Seal of the Court of Wards, was good. Resolved, It was good, though before Office: But of the Body it cannot be granted but under the great Seal, and after Office. 2. Whether the Rent might be divided and apportioned: Resolved, That it might; for it is a Contract reall, which well may be apportioned; for if the third part of a Reversion be granted of a Lease for life, or years, and the Tenant attorns, the Rent is apportionable, and he chargable to two Distresses by his own Act. Trin. 43 Eliz. B. R. *West* and *Lassel*'s Case. *Cro.* 3 Par. 851.

Assent.

1. THE Case was, Two Incumbents were of the Church of B. in the County of C. One sued the other in the Spiritual Court, to deprive him for not reading the Articles, and giving his Assent to them, according to the Statute of 13 Eliz. The Libel being, If he gave his Assent: The Jury found, That he read the Articles, and said, I give my consent unto them so far forth as they agree with the word of God: It was adjudged in that Case, That it was not such an unfeigned Consent as the Statute intended; but it ought to be a Consent without Condition. Mich. 34 Eliz. B. R. *Smith* and *Clerk*'s Case in a Prohibition. *Cro.* 3 Part, 252.

2. In Trespass, the Case was, A Lease for years by several Leases, some of them in the Diocess of York, some in another Peculiar within the same Diocess, devised all those Leases to his Son, and made his Daughter within Age his Executrix. The Mother took Letters of Administration *durante minori ætate* of the Executrix, on the Peculiar where the Testator dyed: The Administration granted

granted this Term *durante minori ætate* of the Executrix to the Plaintiff. It was moved as a Queſtion in this Caſe (amongſt other Points), Whether the Aſſent of an Adminiſtrator *durante minori ætate*, to the Deviſe of a Term, or the Aſſent of the Executor himſelf, during his minority, to ſuch a Deviſe, be good. *Anderſon*, Chief Juſtice, ſaid, That an Executor at the Age of 18 years may aſſent: But whether the Aſſent by ſuch an Adminiſtrator be good, the Court doubted. *Idem Quære.* Hill. 41 Eliz. in C. B. *Price* and *Simſon*'s Caſe. *Cro.* 3 Part, 719.

Aſſignments.

ASſumpſit: The Plaintiff declared in conſideration he by his Servant had delivered to the Defendant two Bills of Debt of 300 French Crowns, amounting to 81 l. to be received at *Rouen* in *Normandy* to his own Uſe; the Defendant promiſed to pay him 60 l. It being found for the Plaintiff, it was alledged, 1. That here was no conſideration, becauſe it is not alledged for what the money contained in the Bill was due; and 2. That the buying of this Debt was Maintenance. The Court held, That the conſideration was not well alledged for the Cauſe aforeſaid; but for the ſecond, they held it was not maintenance; becauſe it is uſuall amongſt Merchants to make Exchange of Monies by Bills of Debt. Hill. 32 Eliz. B. R. *Peſon* and *Hubbard*'s Caſe. *Cro.* 3 Part, 155. & 170.

2. In an Information for cutting down of Trees, the Caſe was, A. and others were poſſeſſed of Trees by Grant of the Owner of the Land, A. in ſatisfaction of a Debt which he did owe to the Queen by Deed enrolled, aſſigned to her all the Trees: It was ſaid in this Caſe, Where the Queen comes to an entire thing by Act in Law, ſhe by her Prerogative ſhall have the whole, but where ſhe claimeth to have part of a *Chattel* by the Grant of a common perſon, there the Queen ſhall not have the Prerogative to have all: The Court delivered no Opinion, but yet ſaid, it was a ſtrong Caſe againſt the Defendant. Mich. 33 & 34 Eliz. B. R. The Queen and *Fairclough*'s Caſe. *Cro.* 3 Part, 265.

3. A Termor being Outlawed of Felony granted his Term and Intereſt to J. S. who is put out by J. D. And after, the Outlawry is reverſed, and J. S. brought Treſpaſs for the profits taken between the Outlawry and the Reverſal of it. The Queſtion was, If the Action did lye; for that during that time the Queen had the Intereſt: It was adjudged for J. S. the Plaintiff, becauſe that by the Reverſal it is as if no Outlawry had been, and there is no Record of it. Hill. 34 Eliz. in the Exchequer. *Ognel*'s Caſe. *Cro.* 3 Part, 270.

4. Note, It was holden, upon an Evidence given in Court, That if Leſſee for years of a Term of the Queen be ouſted by a Stranger, that although he be put out of poſſeſſion, yet he may aſſign over his Term; for that the Reverſion being in the Queen, he cannot be put out of poſſeſſion but at his Pleaſure. Hill. 34 Eliz. C. B. *Wingate* and *Mirk*'s Caſe. *Cro.* 3 Part, 275.

5. It was holden by the Barons in the Exchequer, That a Duty which is not naturally a Debt, but by Circumſtances only, as Debt upon a Bond for performance of Covenants, or to ſave harmleſs, may be aſſigned over to the Queen for a Debt; but in ſuch Caſe a preſent Extent ſhall not iſſue, but a *Scire facias* ſhall iſſue forth, to know if the party hath any thing to plead againſt ſuch Aſſignment. Trin. 29 Eliz. in the Exchequer. *Bennet*'s Caſe. *Lev.* 2 Part, 55.

6. In *Ejectione firmæ* the Caſe was, A. ſeiſed of Land by Indenture, between him of the one part, and one F. his Wife and Children between them begotten, at the Aſſignment of the Husband, of the other part, lett the Land to the ſaid Husband and Wife, and their Children, at the Aſſignment of the Husband, for years, they having at the time of the Leaſe but one Child, *ſcil.* a Son. Afterwards they had many Children, the Wife dyed; The Husband by his Will aſſigned the ſecond Son, born after the making of the Leaſe, to have the reſidue of the Term: It was the Opinion of the Court, That nothing could come to the ſecond Son by that Leaſe, or by that Aſſignment; for that if the Intereſt doth not paſs at the beginning, it ſhall never paſs and veſt. It was then moved, if theſe words [at the Aſſignment of the Husband] ſhould be void, and then the Caſe is no more but Land is deviſed to the Father and Mother, and their Children: But the Opinion of the Court was, That theſe words were not void, but ſhew what perſon ſhould take, *ſcil.* he who the Father ſhall aſſign, that is part of the Contract; and although by ſuch Aſſignment no Title accrues to the Child aſſigned, yet without Aſſignment no Child is capable; for by the Leaſe the Father hath ſuch Liberty, that he may aſſign what Child he will; and it was ſaid by *Wray* Chief Juſtice, if the words of the Leaſe had been (at the Aſſignment of the Father within one Month), and the Father ſurceaſe his Month, the Intereſt ſhould not veſt in any of the Children. Paſc. 26 Eliz. B. R. *Cole* and *Friendſhip*'s Caſe. *Lev.* 1 Part, 287.

7. Note,

7. Note, It was said, That it was adjudged in *Holstenda's* Case, That if a man make a Lease for years of Land, excepting the Wood, and afterwards the Lessor grants the Trees to the Lessee, and the Lessee assigns over the Lands unto another, not making any mention of the Trees, that in that Case the Trees shall not pass to the Assignee, as annexed to the Land; for the Trees and Lands are not conjoyned, for the Lessee had several Interests in them by several Grants. Hill.43 Eliz.B.R. *Goldsbr.*188.

Assets.

1. DEbt against an Executor to J. S. upon fully administred, pleaded: It was found, That J. S. made the Defendant, being within Age, his Executor; the Ordinary committed Administration *durante minori ætate*, who had Assets in their hands when the Executor came of full Age: The Defendant at his full Age proved the Will, and afterwards released to the Administrators all Actions. It was Resolved, That the money released was Assets in the Executors hands, the monies being certain and lyable to the Payment of the Testators Debts. Mich.29 Eliz. in C.B. *Brightman* and *Keighly's* Case. *Cro.* 3 Part, 43. See *Godb.* 29. acc.

2. Assumpsit against an Executor upon a Promise of the Testator: In the Declaration, it was not averred that he had Assets to pay Debts; Yet it was adjudged, That the Declaration was good, and the Plaintiff recovered. Trin. 29 Eliz. B.R. *Cottington* and *Hulet's* Case. *Cro.* 3 Part, 59.

3. Note, It was Resolved by the Court, That a Promise of an Executor to pay a Debt is binding, if he hath Assets. Hill.30 Eliz.B.R. *Trevinion* and *Howell's* Case. *Cro.* 3 Part, 91.

4. Debt against one as Executor of A. the Case was, A. made E. his Executrix, and dyed possessed of divers Goods: E. made a fraudulent Gift of the Goods to J. S. and continued the Possession of them, and took the Defendant to Husband and dyed; the Defendant possessed of the Goods paid Legacies, If those Goods should be Assets in his hands was the Question: It was the Opinion of the Justices, That they were Assets in his hands, and lyable to the Plaintiffs Execution, and it was further said, That if the Gift were good against all but Creditors (as it is), there they belong to the Donee, and in his hands are lyable to the Plaintiffs Debt; and if the Gift be void, yet they remain to the Executors of E. the Wife, and then the Husband having taken them and paid Legacies, he is chargeable by reason thereof, as Executor of his own wrong; and so those Goods quasi *bona data* lyable to the Plaintiffs Debt. Trin.37 Eliz. B. R. *Wilcocks* and *Master's* Case. *Cro.* 3 Part, 405.

5. *Scire facias* against the Defendant as Executor of E. V. Upon a Judgment against the Testator of 200 l. It was found, That the Testator was possessed of divers Goods, to the value of 150 l. and by Covin to defraud his Creditors made a Gift of his Goods to his Daughter, with Condition upon Payment of 20 s. it should be void, and dyed: The Defendant inter-meddled with the Goods, afterwards the Daughter by the Gift took the Goods, after that Administration of the Goods was committed to the Defendant. It was adjudged against the Defendant; for when he medled with the Intestates Goods, although he was neither Executor nor Administrator, and after an Administration is committed unto him, a Creditor hath Election to charge him as Executor or Administrator; and this Gift in it self by the Covin is fraudulent, and within the Statute of 13 Eliz. and the Intestate dyed possessed of them; and when the Donee afterwards took them, it was a Trespass against the Administrator, for which he had his Remedy at Law, and so they are Assets in the Defendants hands. Hil. 43 Eliz. C. B. *Bethel* and *Stanlay's* Case. *Cro.* 3 Part, 810.

Attachment, and *Attachment by Custom.*

1. NOte, It was said by the Court, That it was adjudged, That a Debt upon a Record by Recovery, or otherwise cannot be attached by the Custom of the City of *London*. Mich. 29 Eliz. B.R. Sir *John Zouch's* Case. *Cro.* 3 Part, 63.

2. Debt upon an Obligation of 200 Marks: The Condition was, That if he paid 50 l. the Bond should be void; the Defendant pleads tender at the day, upon which they were at Issue: Afterwards the Defendant pleaded, that after the Dayes continuance the 100 Marks were attached in his hands in *London* at the Suit of &c. The Court was in doubt, If any such Attachment had been allowed, depending a Suit here or in Com. B. But they held

held, that the Attachment of the 100 Marks (if attachable) was well enough; for it is always to be intended in that manner, and that such Attachment might be after the Day in Continuance. Tr. 32 Eliz. B. R. *Pell* and *Pell's* Case. *Cro.* 3 Part, 101.

3. Note, That in Debt it was holden by the whole Court. That a foreign Attachment cannot be of a Debt before it is due; and therefore wherein it was endebted in a Sum of Money, to be paid at *Michaelmas*, and it was attached before *Michaelmas*, but the Judgment of the Attachment was not till after *Michaelmas*: It was clearly held to be void, because it was attached. Trinit. 32 Eliz. B. R. *Dalton* and *Selly's* Case. *Cro.* 3 Part, 184.

4. In Trespass, for taking of a Dyer's Fats; It was found, That the Sheriff upon an Action against the Plaintiff, attached it, being fastned to the Wall of the Houses and delivered it to the Defendant: It was Resolved by the Court, That it could not be attached in regard it is fixed to the Land and Wall; and a Difference was taken then, That a Furnace fixed *in medio domûs* is but a Chattel, and removable, but otherwise it is if it be fixed to Walls. Hil. 37 Eliz. B. R. *Day* and *Robinson's* Case. *Cro.* 3 Part, 374.

5. In Trover the Defendant shewed, That he was Bailiff of the Manour of D. of which Manour the King was seised, and a Plaint was entred by J. S. against the Plaintiff, and Process came to the Defendant, Bailiff of the Manour, to distrein the Plaintiff to be at the next Court to answer the Plaint; by force of which he distrained the Plaintiff by the Goods whereof because he did not come and appear in the said Court, and the Goods were forfeited to the King, upon which it was demurred: It was adjudged for the Plaintiff, for that in a Court Baron no Goods can be forfeited for want of appearance upon a Distress, for the Distress is but in the Nature of a Pledg to be safely kept; and in a Court Baron, Distress infinite lyeth and not Attachment: And the Opinion of the Court was, That this enter-medling with the Goods was a Conversion, and that the Action did lye. Mich. 8 Jac. B. R. *Gomersall* and *Medgate's* Case. *Telverton*, 194.

Attornment.

1. THE Case was, Conusee of a Fine of a Reversion, before Attornment ousts the Lessee, and makes a Feoffment; the Lessee re-enters, and the Feoffee distrains for the Rent: It was holden by the Justices, That he could not distrein no more than the Feoffor himself before Attornment. Pasch. 33 Eliz. B. R. *Offley* and *Batt's* Case. *Cro.* 3 Part, 264.

2. A. having a Rent-Charge in Fee by Indenture for a certain Sum of Money, grants, grauntz, and selleth the Rent to H. in Fee, the Deed was enrolled within six Months: It was Resolved, That the Rent did not pass, being only by way of Grant, and not by Bargain and Sale, although the Deed was enrolled. But *Wray*, Chief Justice, said, That if by Indenture in consideration of a certain Sum of Money *Dedit & Concessit*, and the Deed is enrolled; this shall pass the Rent without Attornment, though there be no words of Bargain and Sale, Mich. 32 Eliz. B. R. *Taylor* and *Yates* Case. *Cro.* 2 Part, 165.

3. In second Deliverance, the Case was, A woman made a Lease for life, and afterwards granted the Reversion for 1000 years, and before Attornment she took J. S. to Husband, and afterwards the Tenant attorned to the Grantee: It was Resolved in this Case, That Attornment came too late. Mich. 34 Eliz. B. R. *Jones* and *Philips* Case. *Cro.* 3 Part, 270.

4. The Case was, Lessee for life, the Reversion to two Coparceners; one of the Coparceners made a Lease for years of the whole, rendring 10 l. *per annum* to the Woman Lessee for life, and afterwards 10 l. to the said Coparcener. The Woman and the two Coparceners joyn in a Fine *sur Conusans de droit* to two Strangers, which was to the Use of F. the Husband of the Coparcener that joyned in the Lease. Two Questions in the Case, 1. If he in the Reversion levyeth a Fine to the Use of himself, if Attornment be necessary. Resolved, That it was not, because he is in the Nature of 27 H. 8. 2. If this joyning in the Fine by Tenant for life with the Reversioner, the Estate for life be surrendred, and the Rent extinct. The Court doubted of it, but inclined, That it was not, for that every one granted what in him lay. T. in. 34 Eliz. C. B. *Farrer* and *Johnson's* Case. *Cro.* 3 Part, 284.

5. In a Replevin, The Case upon Demurrer was, A man made a Lease for years, and afterwards levyed a Fine of the Reversion to J. S. who before Attornment entred and made a Feoffment; the Feoffee Re-entred; and, for Rent behind after the Feoffment, and Re entry, the Defendant did avow: And it was the Opinion of the Court, that the Avowry was not good, for want of an Attornment. Pasc. 33 Eliz. C. B. *Rich* and *Offly*'s Case. *Cro.* 3 Part, 354.

6. Note, It was agreed by the Justices, That by the Feoffment of a Mannor the Services pass not without an express Attornment; but they said, It shall be well intended that they did pass in the pleading if the contrary be not shewed. Tr. 37 Eliz. B. R. Sir *Humphrey Ferrers* and *Wigsall*'s Case. *Cro.* 3 Part, 400.

7. In a Replevin, the Case was, J. S. seised of a Rent in Fee, levyed a Fine thereof to the Use of another. The *Cestuy que use* without Attornment avowed, and set forth in his Avowry, That J. S. who was the Grantor, was seised of the Rent, and there he and all his Auncestors had used to distrein for the Rent in the said Land. Two Questions, 1. If the Avowry of *Cestuy que use* without Attornment was good. Resolved, that it was. 2. If the Avowry upon the Prescription as layed, be good. Resolved, That it was not good; for that the Prescription ought to have been laid in the Rent, and not in the Distress. Pasch. 41 Eliz. C. B. *Stephens* and *Lewis*'s Case. *Cro.* 3 Part, 673.

Audita Querela.

1. A Being in Execution, was suffered to go at large, and afterwards he was taken again in Execution; whereupon he brought his *Audita Querela*, and whilst he was at large, he paid the monies which he proved by Witnesses sworn; whereupon it was adjudged, that the *Audita Querela* did well lye. Mich. 27 Eliz. C. B. *Cro.* 3. Part, *Reynell*'s Case.

2. An Estate within age acknowledged a Statute, and thereupon brought an *Audita Querela*; and the Question was, if the Suit might be in B. R, or whether it ought to be in the Chancery. It was Resolved by the Justices, That the Suit might be in the Common-Pleas and Kings Bench, as well as in the Chancery; and another matter was moved in the Case, which was, That in the Record the Infancy of the Enfant was not mentioned: The Preignorhories said, That the Entry is, *Quod venit in propria persona*, and prayeth an Inspection, and the Court would advise of his age. The Court doubted of it, and would advise. Mich. 33 Eliz. C. B. *Clarell* and *Molloy*'s Case. *Cro.* 3 Part, 208.

3. *Audita Querela* was brought, for that the Consulee upon a Statute Staple had purchased part of the Land, and the Plaintiff had purchased another part; and yet had caused the Plaintiffs Land to be extended and delivered in Execution; It was Resolved by the Court, To be a good Cause to have an *Audita Querela*; The Question further was, That though the Land was extended, yet they were not delivered by *Liberate*, and a *Supersedeas* prayed; but the Court doubted, whether they could grant it, because it was not returnable in the Court, being upon a Statute-Staple; But it said it was agreed, That it might, and a *Supersedeas* was awarded. Mich. 37 Eliz. C. B. *Gerrard* and Sir *Thos Gerrard*'s Case. *Cro.* 3. Part, 364.

4. *Audita Querela* was brought, because Execution was sued upon a Statute, acknowledged in the City of *London*, as a Statute-Merchant, which had but one Seal, whereas it ought to have two Seals, according to the Statute *de Mercatoribus*, 13 E. 1. upon which being at Issue, it was tryed for the Plaintiff by a Jury in *London*: In stay of Judgment, it was said, That the Tryal ought to have been by Certificate of the Mayor, and not by the Country. But the Court held the contrary, because it is matter of Fact, and no parcell of the Record. It was Objected, That upon this matter Error lay, and not *Audita Querela*: But it was holden by the Court, That where a Statute is consciously acknowledged, as here, no Writ of Error lyeth, but an *Audita Querela*, for that is no Record; But if it be well acknowledged and removed hither, and Execution is here erroneously, here Error lyeth, and not *Audita Querela*. Pasch. 33 Eliz. C. B. *Alsie* and *Fulsmb*'s Case. *Cro.* 3. Part, 333. See *Cro.* 3 Part, Pasch. 36 Eliz. B. R. *Fulgam* and *Ascue*'s Case. acc.

5. *Audita Querela*, to avoid an Execution of 500 l. and surmised, that the 500 l. was paid to Sir *John Hawkin*'s after the Judgment, in discharge of the Judgment. Whereupon a *Scire facias* was awarded, and the Sheriff returned, That Sir *John Hawkins* was dead; Thereupon it was summoned to the Court. That his wife was his Executrix, and a *Scire facias* was awarded against her, grounded upon this *Audita Querela*, who appeared and pretended, That the said 500 l. was not paid in discharge of the Judgment; Upon which being at Issue, It was found, That *ille* 500 l. *fuerunt soluta* by J. S. to the said Sir *John Hawkins* to have the Judgment assigned over to him: It was the Opin-

pion of the Court in this Caſe, That when the Jury found *Quod ille* 500 l. *ſolute fuerunt*, it was ſufficient for the Plaintiffs Iſſue, and that the reſt was but *Surplufage*, and that the *Audita Querela* did well lye upon this matter of Fact to diſcharge the Execution; and although it is found, that a Stranger paid the money; yet when it is found, that *ſolute fuerunt*, it is intended to be the ſame ſum for which the Judgment was obtained. In this Caſe, It was ſaid, That this *Audita Querela* was an Original out of the Chancery, and, the party being dead, The *Scire facias* thereupon awarded againſt the wife was void without any warrant. It was the Opinion of the Juſtices, That becauſe it was an Original awarded out of the Chancery, and the party is returned *Mortuus*, that the ſaid Writ ſhould abate, and a new *Audita Querela* ſhould be purſued; and the party thereupon was Bayled. Mich. 40 Eliz. B. R. *Mathu's* and Sir John *Hawkin's* Caſe. Cro. 3. Part, 634, 635.

6. *Audita Querela*, to avoid Execution upon a Statute; It was found, that the Father was ſeiſed of Lands in F. E. and tryed a Fine to the uſe of himſelf for Life, and after of part of the Land to the Plaintiff in tail, and of the Reſidue to the Conuſee in Fee, and dyed; and becauſe the Conuſee after ſued Execution, the *Audita Querela* was brought; It was the Opinion in this Caſe, That this purchaſe in his name was a ſufficient diſcharge of the Statute. Mich. 40 Eliz. C. B. *Humphry* and *Harringer's* Caſe. Cro. 3. Part, 716.

7. A. ſuffered a Recognizance of 2000 l. to H and after entred into a Statute of 1000 l. to D: D. extended his Statute upon the Manour of D, which was A, he alſo having divers other Lands. Afterwards H. ſued Execution of his Recognizance, and had the moyety of the Manour of D. firſt deliverd to D. in Execution, but omitted diverſe other Lands out his extent, which were *A. tempore Recognitionis*. D. thereupon brought *Audita Querela* againſt H. in C.B. and had Judgment. Whereupon Error was brought in B. R. and the Judgment was affirmed: For D. being in by Judgment, and upon a title by the extent upon the Statute, ought to have his Land lyable to the Extent upon the Recognizance, but *pro rata*; and therefore H. ought to have included all the other Lands of A. in his Execution, as well as the Lands of D: But if D. had not been in by title, but by ſome other Tortious means, then he ought not to have any Releaſe by *Audita Querela*. Mich. 44 Eliz. B. R. *Hood* and *Dean's* Caſe. *Yelverton* 12.

8. R. Enfant, entred a Recognizance to W, and within age brought *Audita Querela* in C. B, and upon Inſpection he was adjudged within age, and had a *Scire facias* againſt W; And it appeared upon the Record, upon one *Nihil* returned Judgment was, that the Recognizance ſhould be cancelled; And thereupon Error was brought, and aſſigned for Error, that there ought to have been two *Nihils* returned; and upon that, the Judgment was reverſed. Now the Enfant at full age brought another *Audita Querela* in B. R. containing the whole matter aforeſaid, and ſhewed, that the firſt Judgment was reverſed for the Errors in the proceedings only, and not in the principal matter; upon which it was demurred. It was adjudged, That the ſecond *Audita Querela* did not lye; for that the Judgment in the firſt is general, and not for any ſpecial Cauſe, but that the party ſhould be reſtored to all that he loſt by the Judgment, and ſo the Recognizance ſtood on foot again; And the Court ſaid, That the Inſpection was but an Award only, and was not in force, but in that Court where the Judgment was; and did not conclude the Judges of this Court, but that they ought to have a Re-inſpection, which now cannot be in this Caſe, becauſe the Enfant is now of full age. Paſch. 4 Jac. B. R. *Randall* and *Wale's* Caſe. *Yelverton* 88.

9. M. was Bail for J. S. in Debt brought by T, Judgment paſſed againſt J. S; and upon a ſecond *Scire facias*, *Nihil* returned againſt M. Judgment was given againſt him. It was moved for *Audita Querela*, becauſe M. the Bail was yet within age: It was Objected, That he ought firſt to have a Writ of Error to reverſe the firſt Judgment; for that during the Judgment in force, the Recognizance is affirmed. To that it was anſwered, That here M. ſhould be at a great miſchief, if he could not have *Audita Querela*; for it might be, that, there was no Error in the Judgment; and upon the *Scire facias*, the Bail could not plead the Enfancy, but yet the Error of the Enfancy doth remain. Afterwards the Writ of *Audita Querela* was allowed *de bene eſſe*; For it was ſaid, That to deny it, if it did lye by the Law, was Injuſtice. Trin. 7 Jac. B. R. *Markham* and *Tirrel's* Caſe. *Yelverton* 155.

10. In Error and Converſion after Verdict, and before the day in Bank, the Defendant pleaded, That the Plaintiff who brought the Action as Adminiſtrator; his Letters of Adminiſtration were revoked in the Spiritual Court, *per ſententiam Curiæ ſuperiorem*: It was the Opinion of the Court, That it was no Plea; but that upon ſuch caſe, the Defendant ought to be helped by an *Audita Querela* brought upon the Letters Patents of Adminiſtration and not by ſuch Plea. Paſch. 6 Jac. B. R. *Kett* and *Life's* Caſe. *Yelverton* 125.

11. Upon a Demurrer, the Caſe was, B. having recovered in Debt in C. B, Error was brought; and, whilſt it was depending, he acknowledged a Statute, and dyed; Adminiſtration was

committed to the Defendant, who brought a new Writ of Error, and whilst it was depending, Execution was sued upon the Statute; and after Error, the Judgment affirmed in a *Scire facias* upon that Judgment: The Defendant pleaded all this matter, and at the day of this *Scire facias* brought, he had not *alia bona*, than those Goods delivered to the Conusee, upon which the Plaintiff demurred; It was said, That *Audita Querela* is because the Statute happened not to be put in Execution against the Administration. And if he will not sue it, it is his own default, and he shall be charged; and it is clear, the Execution upon the Judgment ought to be before the Execution upon the Statute. On the other side, It was said, That *Audita Querela* lies not because the Conusee hath not done any Action to discharge the Execution. This Case Mich. 45 Eliz. was moved again, and then *Popham*, Chief Justice said, That he had conferred with all the Justices at Serjeants Inn, and that the greater part of them held the Plea to be good, and that the satisfying of the Debt upon the Statute was not any divestment, because he could not withstand it, and he could not be put to his *Audita Querela*: It was adjudged for the Defendant. Hill. 42 Eliz. B. R. *Barblich* and *Read*'s Case. *Cro.* 3. Part, 734. 822.

12. M. B. brought a *Scire facias* in Chancery, returnable there in nature of *Audita Querela*, and shewed, that Sir *William B.* was seised of a Capitall Messuage, with the Appurtenances in B, in the County of *Durham* in Fee, and also of the Mannor of T, and other Lands; and that the said Sir *William B.* acknowledged a Statute of 400 l. to R. M, and that the said Capital Messuage was extended only (the other Lands being omitted), and he paid the release, to avoid the Execution, and Issue was joyned. If Sir *William B.* was seised of the Mannor of T. at the day of the ackrowledgment of that Statute; And it was found, That he was. It was moved in this Case, If a *Scire facias* did lye, or an *Audita Querela*. 1. If the Writ was sufficient, because the Plaintiff desired to be restored to the mean Profits, and it doth not appear when he became Tenant; so as it was doubtful if he should have remedy or not. In this Case, It was Resolved by the Court, That a *Scire facias* did lye, or an *Audita Querela*. 2. That if the Plaintiff came in after the extent, that he should not have Release, for he ought to take Land as he found it. 3. That it shall be intended in this Case, That he was Tenant before the extent, because it is said, That it is *ad grave dampum & contra Legem terræ*. 4. In this Case, It was Resolved, That the Record ought to have been sent to *Durham* from the Kings Bench or Common-Pleas; and that it ought to come to them from the Chancery by *Mittimus*; and because that in this Case, It was first sent from the Chancery to *Durham*: The Judgment was reversed. Hill. 1 Car. B. R. *Blaxton*'s Case. See the Reports annexed to *Bendlowes* 161.

13. The Earl of *Lincoln* did Arrest *Wood* upon a *Capias*, upon a Statute-Merchant; *Wood* being in Execution, obtained in the Chancery an *Audita Querela*, and did put in Bail there, and had a *Supersedeas*, and was discharged of his Imprisonment; and the *Audita Querela* and Bail were sent into the Common-Pleas to be proceeded on: The Cause of the *Audita Querela* was grounded upon the performance of the Defeasance of the Statute; The Case concerning the Bailment of *Wood* was denied in the Court of Common-Pleas, If good or not; and it was the Opinion of the Court, that it was good, and so was allowed. Hill. 12 Jac. in C. B. The Earl of *Lincoln* and *Wood*'s Case. *Brownl.* 1. Part, 39.

Authority.

1. DEan and Chapter seised of a Manor, where the Custom was, that Copyholders might Surrender out of Court to the use of a Stranger in Fee, make J. S. their Steward *ad exequendum per se vel sufficientem deputatum suum*: J.S. makes A. his Deputy he was to take a Surrender of Husband and Wife, to the use of the Husband and Wife for their Lives, the Remainder over in Fee; and in the Deputation it further was, *Et ulterius ad faciendum et exigendum quæcunque in me est*. A. by force of the said Declaration, takes a Surrender from the Husband and Wife, upon Condition, That the Lord shall grant it to them for their Lives, the Remainder over in Fee, which is executed accordingly; the Husband and Wife dye, he in the Remainder enters: In this Case, It was agreed, 1. That the said Deputation was good. 2. That although the authority to take the Surrender was absolute, and A. took it upon Condition, yet it was good by the words, *Et ulterius ad faciendum, &c.* Trin. 28 Eliz. B.R. *Bardett*'s Case. *Cro.* 3. Part, 48.

2. Assumpsit. The Defendant was Arrested at the Plaintiffs Suit; and in Consideration, that he should be permitted to go at large, and that the Plaintiff would give his Warrant to the Bayliff that arrested him to suffer him to go at large, That he would appear at the day of the Return of the processe, and could give him 10 l. and for that, &c. Upon *Non Assumpsit*, found for the Plaintiff; It

It was moved, That this Assumpsit was void, being contrary to the Statute of 23 H. 6. But the Court held the promise to be good, being made to the party which had authority to dispense with his Appearance; contrary, if it had been made to the Sheriff, or to any other to persue. Mich. 33 Eliz. B. R. *Mibward* and *Clark*'s Case. *Cro.* 3. Part, 190.

3. The Case was, A. by his Will devised, That if *Eliz.* his Wife think good to bring up his Children, and to find them Meat, Drink, and Apparel; That then she shall have his Land, till his Son shall attain his age of 24 years, and dyeth: the Wife undertaketh the bringing up of the Children, and dyeth before the Son came to the age of 24 years. It was the Opinion of the Justices in this Case, That this was not a Confidence, or an Authority in the Wife, but an Interest tied with the Condition of bringing up of the Children; and if it should determine, the Children should be without remedy for their Education. See 4 Eliz. *Dyer* 210. Mich. 34 Eliz. B. R. *Smith* and *Hobes*'s Case. *Cro.* 3. Part, 252.

4. Assumpsit: The Case was, A *Capias* was directed to the Sheriff of N. to arrest the Defendant, The Sheriff made his Warrant to four, *& cuilibet eorum*, to arrest him: He was arrested by two of them, and in consideration that the Plaintiff would discharge him from that Arrest, he promised to pay so much to the Plaintiff, and shewed *in facto* that *exoneravit eum* from the said Arrest: After Verdict, and Judgment for the Plaintiff upon Error brought it was said, That the Arrest was not good, being made by two of them, because it was but an Authority which ought to be executed by them jointly, or by one only: But it was agreed by the Justices, That it was good; for being but an Authority to make an Arrest, and to execute a Warrant, it is not so strictly to be pursued as an Authority to make Livery is, whereby an Estate is conveyed. Hil. 45 Eliz. B. R. *King* and *Hobb*'s Case. *Cro.* 3 Part, 913, 914. *Yelverton*, 25. in the same Case.

5. A. seised in Fee of Lands, and a House lying in C. had Issue two Sons, and he made his Will in these words, viz. I give and bequeath my House to B. my Wife, to dispose at her Will and Pleasure, and to give it to which of my Sons she pleaseth, and dyed: The Wife entred and took to Husband J. S. and afterwards the Wife alone without her Husband, reciting the Devise, and the Power which she had by it, by Indenture enfeoffed the younger Son, and made Livery unto him. It was Resolved by all the Justices in this Case, upon open Argument in Court, That the Woman in this Case might notwithstanding the Coverture execute this Power which was given unto her. 2. It was Resolved, That upon the Execution of that Power to the Son, the Son was not in by the Feoffment or Fine, but by the Devise. Hill. 22 Jac. B. R. *Daniel* and *upjons* Case. *Latch*, 135, 139.

Averrment.

1. ASsumpsit: In consideration the Plaintiff had paid 40 l. to the Defendant for the Debt of J. S. the Defendant promised to deliver him all Bonds, *&c.* wherein J. S. stood bounden unto him. Upon *Non Assumpsit* pleaded, It was holden by the Court, That the Plaintiff needs not to aver, that the Defendant had any Bonds of J. S. and the reason is, for that he is not to recover the Bonds *&c.* but Damages; and so he needs not to set forth what the Bonds were. Pasch. 31 Eliz. B. R. *Musket* and *Cole*'s Case. *Cro.* 3 Part, 133.

2. Error was brought of a Judgment in a Court of Pypowder; the Error assigned was, That the Plaintiff in his Replication had not averred his Plea, nor in the end of it demanded his Debt and Damages, as he ought to have done; and for these Causes, it was the Rule of the Court, That Judgment should be reversed. Hil. 33 Eliz. B. R. *Penred* and *Chambers* Case. *Cro.* 3 Part, 256.

3. Error brought of a Judgment given in a *Precipe quod reddat*; The Error assigned was, because the Defendant was not summoned at the Church Door, according to the Statute of 36 Eliz. and by reason of his default, a Grand *Cape* was awarded, and Judgment given against him, and he lost his Land by default; and in truth, The Sheriff returned him summoned at the Church Door. The question was, If he should have this averrment, or should be put only to his Action upon the Case against the Sheriff: It was the Opinion of the Court, That for as much as it is of Record before them, That the party was summoned according to the Statute; They are bound to answer a Grand *Cape*, and no Error in them; and the Statute doth not intend to give any other remedy, then was at the Common Law for the Tenant: And the Court said, It is no reason, That this awarding of a Grand *Cape* upon the summons returned, and default recorded, should be said to be erronious in the Court. But the Court conceived, That the party might have a Writ of Decripe, if the Proclamations of summons was not according to the Statute. Trin. 37 Eliz. B. B. *Callett* and *Marshis*'s Case. *Cro.* 3. Part, 371. 397.

4. False

4. False Imprisonment in *London*, The Defendant pleaded a Recovery against the Plaintiff in *Sandwich* Court in *Kent*, and that by force of a *Capias ad satisfaciendum*; he imprisoned him at S. *absq; hoc*, that he is guilty at *London*. The Plaintiff by Replication said, That he imprisoned him in *London*, *absq; hoc*, *Quod habetur tale Recordum, Et hoc paratus est verificare per Recordum*. The Justices were divided in Opinion concerning the Averment. For *Gawdy* and *Fenner* held, That it is more contrary and repugnant to say, That there is not such Record, and that he would averr it by the same Record. *Popham* and *Clark*, although the Averment be void and repugnant in this Case. Yet the Plea here is good without an Averment; for it is a Plea in the Negative, and needs no other Averrment, but to say, *Et hoc petit quod inquisitum*, &c. And then the other shall say, *Habetur tale Recordum, & hoc paratus est verificare per Recordum*. And then the Defendant shall joyn with him, *Et prædict. Defendens similiter*, &c. Mich. 36 Eliz. B. R. *Paramour* and *Varrold*'s Case. *Cro.* 3. Part, 418, 419. See *Popham* Reports. 101. The same Case.

5. Error of a Judgment in C. B. in a Replevin; The Defendant avows for Rent, That H. M. was Tenant in Tail, and lett the Land for three lives, rendring Rent, and that the Reversion descended to him as Heir in tail; wherefore he averrs, and adds, That at the time of the Devise, *Et dimisit tenuram*, this Land was devised, &c. and that the Rent is *Verus & antiquus redditus*. Amongst other points in this Case, It was said and agreed, that the Averrment, That it was demised formerly, was not sufficient; but it ought to have been averred, That it had been so demised for eleven years at the least; also the averring, that this Rent was, *Verus & antiquus redditus* was not sufficient; For it may be, that it was the antient Rent, which was twenty or ten years since; but it ought to have been averred, That it was the antient Rent which had been received for the greater part of twenty years next, before the Lease made: For these Averrments might be true, and yet the Circumstances of the Statute not observed. Mich. 41 Eliz. B. R. *Mallett* and *Mallett*'s Case. *Cro.* 3. Part, 707, 708.

6. Error was brought upon a Fine; A Fine was taken by *Roger Manwood* Esquire, one of the Justices of the Common-Pleas, who was afterwards made a Knight, and one of the Barons of the Exchequer. Afterwards the party sued forth the Fine, and took a *Dedimus potestatem* to Sir *Roger Manwood* Knight, which was returned, *per Rogerum Manwood Militem*. This was assigned to be Error; but it was Resolved by the Court, To be no Error, because it is directly against the Record, which is nor sufferable nor recoverable; for it is Recorded as a Fine taken by him: And if such Errors and Averrments should be suffered, all Fines acknowledged by *Dedimus potestatem* might be avoided. Pasch. 1 Jac. B. R. *Arundell* and *Arundell*'s Case. *Yelverton* 33, 34. See *Cro.* 2. Part, 11. The same Case.

7. The Case was, J. S. Tenant in tail demised for twenty two years, rendring 10 l. Rent during the Term to the said J. S. and his Assignes, and the Defendant as Assignee of J. S. distrained, and did not averr the life of J. S; upon which the Plaintiff did demurr in Law. It was a question in this Case, That admit that the Rent did determine by the death of the Lessor; in this Case, the life of the Lessor ought to have been averred: It was the Opinion of the Court, That it ought not, for that ought to be shewed on the other side; and whereas it was excepted unto, That the Avowant did entitle himself to the Reversion, by a Fine levyed by the Lessor; but in his Avowry did not averr the same to be to his use. It was the Opinion of the Court, That he needed not so to do; for that the Law shall intend it to be to the use of the Conusee, till the contrary be shewed. Trin. 2 Car. B. R. *Coles* and *Sage*'s Case. See the Reports annexed to *Bridgman* 182, 183.

Avowry.

1. IN a Replevin the Defendant made Conusans, as Bayliff of J. S. For that one J. D. was seised of the Land whereof in Fee, and held the same of the said J. S. as of his Manor of E. by Fealty, and other Services; and for the Rent arrear, he made Conusans, as his Bayliff in those Lands holden: Exception was taken to his Conusans; For that he alledged, that J. D. held the Land, and afterwards avowed upon the Statute, which is not good; for when he meddles with the name of the person, so as he takes Conusans of him, he ought to avow upon him by the Common Law, and not upon the Law by the Statute: But the Court held the Avowry good enough. Pasch. 32 Eliz. B. R. *Lucy* and *Fisher*'s Case. *Co.* 3 Part, 146.

2. The Case in a Replevin was, A man and a woman being Joynt-tenants in Fee of a Manor, were married, and after levyed a Fine thereof to a Stranger, who rendred it to them in tail: They had Issue three Daughters, the Husband dyed; The wife took a second Husband, and they levyed a Fine, and took back the Land in special tail. The wife dyed with-

without Iſſue by the ſecond Husband, the Daughters enter; A Leſſee for Years of the ſecond Husband diſtrained a Copyholder, for his Rent-Fee, brought a Replevin, and the other avowed, and did not averr the life of the ſecond Husband. It was Reſolved in this Caſe, 1. That for that Caſe, The Avowry was not good. 2. It was moved, That an Avowry could not be made for a Rent of a Copy-holder in this Court; and it is like an *Ejectione firmæ*, which doth not lye for the Leſſee of a Copy-holder. But all the Court held the contrary, and ſaid, Here is a difference between the Caſes; For the *Ejectione firmæ* is brought for the Copy-hold it ſelf, but the Avowry is for Rent due to the Lord, which is a duty at the Common Law; and therefore an Avowry may be for it. Paſch. 39 Eliz. C. C. *Laughter* and *Humphrye*'s Caſe. *Cro.* 3. Part, 524.

3. In an Avowry, the Iſſue was, Whether the place where was the Free-hold of the Avowant, or not; It was found by Verdict, That it was the Free-hold of the Avowants Wife: It was the Opinion of the whole Court, That the Iſſue was found againſt the Avowant; for when he ſaith his Free-hold, it ſhall be intended his ſole Free-hold, and in his own Right. Mich. 39 Eliz. C. B. *Bancy* and *Walker*'s Caſe. *Cro.* 3. Part, 524.

4. In a Replevin, The Defendant made Conuſans for Damage-Feaſant, as Bayliff of A; And ſhewed, That B. was ſeiſed of the Land, and held it in *Capite*, and deviſed it to A; and becauſe it appeared, That A. was but Tenant in Common with the Heir, exception was taken to the Conuſans: It was ſaid, That Tenants in Common ought to joyn in Avowry; and the Conuſans ought to be in both their names. But the Court held the contrary; for a Tenant in Common may ſolely defend, and he only may take a Diſtreſſe, although his avowry be by way of Action, and may juſtify it; but becauſe in the principal Caſe, he did not ſhew in the Conuſance what eſtate the Deviſor had at the time of the Deviſe, It was adjudged for the Plaintiff. Paſch. 38 Eliz. C. B. *Wilks* and *Fletcher*'s Caſe. *Cro.* 3. Part, 530.

5. One having a Reverſion in Fee, expectant upon an Eſtate for life, deviſed a Rent of 4 l. to one for life; the Tenant in Fee dyed, and after ſeven years encurred, the Deviſee made his Executors, and dyed; the Executors diſtrained, and avowed for that Rent: It was demurred, becauſe he doth not averr, that the Lord remained in the Seiſin of Tenant, who ought to pay it, or in ſome other who claims by him by purchaſe or diſcent: It was held to be a good Exception by the Court. 2. Becauſe he did not averr, that the arrearages encurred after the death of the Tenant for life: For if he in the Reverſion grant a Rent-Charge, it ſhall not begin untill after the death of Tenant for Life. But in the principal Caſe, becauſe it appears upon the view of the Record, that it was levyed, that the Heir of the Deviſee was ſeiſed in Fee, *Et adhuc ſeiſitus exiſtit*, It was held good enough, and adjudged for the Avowant. Hill. 39 Eliz. C. B. *Myles* and *Willoughby*'s Caſe. *Cro.* 3. Part, 547.

6. In a Replevin, the Caſe was upon a Demurrer; A man made a Leaſe for years, and afterwards he levyed a Fine of the Reverſion to J. S, who before attornment, entred and made a Feoffment; the Feoffee Re-entred, and for that Rent behind, after the Feoffment and re-entry, the Defendant did avow. In that Caſe, It was the Opinion of the whole Court, That the Avowry was not good, for want of Attornment. Paſch. 33 Eliz. C. B. *Bach* and *Guſtye*'s Caſe. *Cro.* 3. Part, 354.

7. Replevin; The Defendant made Conuſans, as Bayliff to one J. S, for Rent reſerved upon a Bargain & Sale of Land by Indenture enrolled, upon which it was demurred: It was Objected, That nothing paſſed by the Indenture, but the Uſe; and how might then a Rent be reſerved thereupon? It was ſaid by the Court, That at the Common Law ſuch a Reſervation had been void. But now the Bargainor hath the Rent by the Statute of Uſes; and therefore the whole Court agreed, That the Reſervation was good in this Caſe; and ſo it was ſaid, It was adjudged in *Dauhie*'s Caſe, and Judgment was given for the Avowant. Mich. 40 Eliz. C. B. *Wykes* and *Tyllerd*'s Caſe. *Cro.* 3. Part, 595.

8. Replevin; The Defendant avowed for a Rent-Charge as Executor, and the Grant of the Rent to the Teſtator for forty years, with a Clauſe of Diſtreſſe in the Deed, That the Grantee and his Heirs might diſtrain for the Rent during the Term. It was the Opinion of the Court, That the Executor ſhould have the Rent, and diſtrein for it, and not the Heir; Adjudged for the Avowant. Mich. 40 Eliz. C. B. *Dovel* and *Wilſon*'s Caſe. *Cro.* 3. Part, 644.

9. In a Replevin, the Defendant avowed for a Rent Charge deviſed unto him; but in his Avowry, he did alledge, that the Land was holden in Socage: And for that cauſe, It was holden, That the Avowry was inſufficient; and ſo it was ſaid, It was adjudged in this Court in *Trevillian*'s Caſe. Mich. 41 Eliz. C. B. *Merryweather* and *Stanton*'s Caſe. *Cro.* 3. Part, 669.

10. In Replevin; The Defendant made Conuſans, as Bayliff to J. S, for 10 s. for an Amerc'ment, 20 s. for a Rent, and 10 s. for a Relief; Quoad the Relief, the Plaintiff demurred, and ſaid, That the

the Tenant dyed ſeiſed, and that the ſaid Land deſcended to two Daughters, who together with Husbands enfeoffed the Plaintiff; and that the Lord knowing of that Feoffment, had accepted of the Rent from the Plaintiff at ſuch a Feaſt; and ſo demanded Judgment, If now he ſhould have a Relief: It was the Opinion of the Court, That the Barr for the Relief was inſufficient, and that the acceptance of the Rent was not any Concluſion to have the Relief; becauſe the Relief is not any Service, but as a fruit incident and adhering to the Services; and ſo for that the Avowry was good. Mich. 44 Eliz. C. B. *Parham* and *Norton*'s Caſe. *Cro.* 3. Part, 885.

11. In Replevin; The Defendant avowed, That A. was ſeiſed in Fee of a Houſe in D, and of divers Lands in D, whereof the place where, is parcell to the ſame appertaining: Exception was taken to the Avowry, becauſe he pleads, That A. was ſeiſed in Fee of a Houſe and Land thereunto appertaining, which ought not to be in pleading: For Land properly cannot be ſaid to be appertaining to an Houſe, though it may paſſe by ſuch words in a Deed; but in pleading it ought not to be ſo alledged. It was the Opinion of the Court, That the Avowry for that cauſe was not good; and Judgment was entred for the Plaintiff. Hill. 45 Eliz. B. R. *Wilmott* and *Carn*'s Caſe. *Cro.* 3. Part, 919.

12. Replevin was brought by W. againſt M; Avowry was made for a Rent by the Leſſee of a Dean and Chapter: In which Caſe theſe Points were moved, 1. If an Executor, who hath the Reverſion of a Term, may make a Joynt Avowry for Arrearages encurred in his own time, and the time of the Teſtator: It was the clear Opinion of the Court, That he might, becauſe all is to the uſe of the Teſtator. 2. If it be a good Avowry, That a Dean and Chapter were ſeiſed, without ſaying in Fee, or *jure Eccleſiæ*; It was the Opinion of the Court, That all pleadings are in *jure Eccleſiæ*, yet they may hold for the life of another: The Point was not Reſolved, but the Caſe adjourned. Hill. 1 Car. in B. R. See the Reports annexed to *Bendlowes* Caſe 159.

13. T. was Plaintiff in Treſpaſs againſt M, for taking of his Cattel 15 *March*, 1 Car. The Defendant did avow by Authority and Warrant from the Commiſſioners of King *James* of *Sewers*; It was the Opinion of the Court, That the Avowry was not good; becauſe that the Commiſſion did determine by the Death of King *James*. Mich. 2 Car. *Thursby* and *Maſſy*'s Caſe. Reports annexed to *Bendlowes* 193.

14. Replevin by A. againſt W. P, and L, of a Houſe taken; W. avows, he others make Conuſans for a Joynt-arrear by A. to W, and found for the Defendants, and 2 d. damages given by the Jurors to all three Defendants, and Judgment given accordingly, That the three ſhall recover Dam. *ea ſua per juratores aſſiſæ*; and becauſe that P. and L. made Conuſans generally, and did make the ſame as Bayl iffs, not as Servants to W; and the Conuſans in it ſelf is a Title and Juſtification in the Right of another, and Damages are given to all three; and thoſe who made Conuſans, had not cauſe to recover any thing; for that cauſe the Judgment was Reverſed. Mich. 5 Jac. B. R. *Yelverton* 108.

15. In Treſpaſs for breaking of his Houſe, and taking and carrying away a Kettle; The Defendant pleaded, That the Houſe was parcell of a Yard-Land in P, and that it was holden of H. Earl of *Northumberland*, as of his Manor of W, by having a Fealty Eſcuage in certain Suit at Court, Incloſure of the Park pale, and the Rent of a pound of Cummyn; and for the Cummyn behind for three years, and for the Homage and Fealty of J. S. the Tenant; the Defendant as Servant to the Earl, and by his Commandment, juſtified the entry and taking. The Plaintiff Replyed, That it was holden of R. P, as of his Manor of L; without that it was holden of the Earl *Modo & forma*; upon which they were all at Iſſue, and the Jury found, That it was holden of the Earl, as of his Mannor of P, by Homage, Fealty, Incloſement of his park, Rent of a pound of Cummyn *et non aliter*. In this Caſe, It was adjudged for the Defendant; for although the Verdict doth not agree with the Plea in the manner and nature of the Tenure, yet it agrees in ſubſtance in the Point, for which the taking was, *ſcil.* that it was holden of the Earl, which is ſufficient. And the difference was taken between a Replevin and Treſpaſs; for in a Replevin, becauſe the Plaintiff is to have return by the Avowant (for the one is actor againſt the other); It behooves the Avowant to make his Title good *in omnibus*: but otherwiſe it is in Treſpaſs, for there he is but to excuſe the Treſpaſs; and therefore if there be any Tenure at all, it is ſufficient. Mich. 6 Jac. in C. B. *Goodman* and *Ayling*'s Caſe. *Yelv.* 148.

Bail.

1. A Man committed in Debt, rendred himself to the Court, and prayed, That his Sureties might be discharged. Thereupon the Plaintiff was demanded; For that the Court said, That he might elect either his Body, or to take his Goods in Execution; but by this offer his Surety and Bail were discharged. Mich. 25 Eliz. *Cro.* 3. Part. 22.

2. A *Scire facias* was brought against the Bail; They pleaded, That the Principal was dead the day of the Judgment given; The Court at first held it no Plea, because it goeth in avoyding of the Judgment; and proved it to be erronious, which cannot be avoyded, but by a Writ of Error brought. But they might plead, the death of the principal before the *Scire facias*, and after Judgment; for that then they could not bring in the Body. But ye afterwards the Plea was received as good, because they cannot have a Writ of Error to reverse the Judgment. Mich. 23 Eliz. B. R. *Warter* and *Perry*'s Case. *Cro.* 3. Part, 199.

3. In *Audita Querela*; The Case was, A. sued a Bill of Debt against B, who found his Bail, the Plaintiff, and another. Afterwards B. the principal was condemned in the Action, and dyed, without paying the Condemnation, or rendring his Body to Prison. Whereupon a *Scire facias* was sued forth against the Plaintiff his Bail, and upon two *Nihils* returned, Execution was awarded against him; whereupon he brought his *Audita Querela*. It was prayed, That the Bail might be discharged, for that it is now by the Act of God become impossible, for th Defendant to render his Body to pay the Condemnation; and there never was any *Capias* awarded against the Defendant in his lifetime: It was the Opinion of the whole Court. That it was very reasonable not to sue Execution against the Bail, unvill a default were returned in the Principal; and the Recognizance of the Bail is, That the Principal shall render himself, which is intended, upon Process awarded against him. But, no Process being awarded against him in his life-time, it is now impossible he should yield himself to Prison, being dead; and therefore the Bail is discharged, and so Judgment was given for the Plaintiff in the *Audita Querela*. Hill. 40 Eliz. B. R. *Hobs* and *Tedcastle*'s Case. *Cro.* 597. See *Gold sbr.* 175. The same Case. See Pasch. 1 Car. B. R. *Calfe* and *Biagler*'s Case. *Latch.* 149. acc.

4. In an *Ejectione firmæ* by *Gore* against *Parkhurst*; Bail was put in for the Defendant by the name of *Parkes*, but the Declaration and all the Proceedings was by the name of *Parkhurst*; After Verdict, this was alledged in stay of Judgment, and it was in this Case for this Cause, that the Plaintiff, *nihil capiat per billam*; for it doth not appear, that the Defendant, against whom Judgment is given, was in *Custodia Marischalli*; and if otherwise, the proceedings against him is *coram non judice*; and it cannot be intended the same person, nor amended: In this Case, It was said by the Court, That if the Bail be pulled off the Fyle, that the party is without remedy. Pasch. 33 Eliz. B. R. *Gore* and *Parkhurst*'s Case. *Cro.* 3. Part, 223.

5. Note; It was said by the Court, That Executors or Administrators shall not find speciall Bail in an Action brought against them for the Debt of the Testator, although that the Debt be of a very great sum, as 3000 l. or more, for that it is not their Debt, nor their Bodies shall not be lyable to Execution for it. Hill. 7 Jac. in C. B. *Brownlow* 2. Part, 293.

6. In an Action of Battery brought, the Defendant was Bail for A. and B. who afterwards was condemned, Error was thereupon brought in the Exchequer-Chamber, and the first Judgment was there affirmed, and other new Costs were given by the Justices in the Exchequer-Chamber; and the Record being remanded into the King's Bench, a *Scire facias* was prayed against the Bail, as well for the first Damages and Costs upon the first Judgment, as for the new Costs given in the Exchequer. It was the clear Opinion of the whole Court of B. R. That the Bail was not chargeable with these new Costs, for they take upon them to pay only the Condemnation of this Court, and not of any other Court. Mich. 40 Eliz. B. R. *Penwddlo* & and *Errington*'s Case. *Cro.* 3 Part, 589.

7. The Plaintiff recovered in an Action upon the Case upon Assumpsit, and took out a *Capias ad satisfaciendum* against the Principal, which being returned *Non est inventus*, he took forth a *Scire facias* against the Bail, who were also returned *Nihil*, but before that *Scire facias* awarded, the Sureties brought in the Principal, and prayed that he might render himself to prison in discharge of his Bail:

It was the Opinion of the Court, That the Principal ſhould be committed to the Marſhalſies in Execution, and that thereupon the Bail ſhould be diſcharged, which was done accordingly; and ſo they ſaid were the Preſidents of this Court. Mich. 40 Eliz. B. R. *Walmeſly* and *Havard*'s Caſe. *Cro.* 3 Part, 618. See Paſch. 29 Eliz. C. B. in *Fulwood* and *Fulwood*'s Caſe. *Leon.* 1 Part, 58. See *Lib.* 1. Title *Bail*, 305, 306. divers Preſidents to this purpoſe.

8. A *Capias* was awarded againſt one upon a Recovery in Debt; *Non eſt inventus* was returned, and a *Scire facias* was awarded againſt the Bail, which was returned *Nihil*: Upon a ſecond *Scire facias* againſt them, they brought in the Principal, and prayed he might be in Execution: It was ſaid by the Chief Clark of the Court, that the courſe of the Court was, That if the Bail upon the firſt *Scire facias* brought in the Body, it had been received. But the Court ordered it to be obſerved for a Rule, That a *Capias* be awarded Returnable at the next Sammons wherein *Nihil* is Returned: The Principal ſhall not after render his Body. But if it be awarded *de die in diem*, there if upon the firſt *Scire facias* the Bail bring in the Body, he ſhall be received, and that there ſhall be fifteen dayes between the *Teſte* and the *Scire facias*, ſo as he may have convenient time to ſeek the Principal. Hill. 42 Eliz. B. R. *Aliſon* and *Byſton*'s Caſe. *Cro.* 3 Part, 738.

9. Note, It was ſaid and agreed to be the Experience and common Courſe in the King's Bench, That in all Actions brought againſt a common perſon, upon any penal Statute, that the Defendant is to put in but common Bail, and not ſpecial Bail; and ſo it was ſaid it was adjudged in St. *George*'s Caſe, in an Action brought upon the Statute of 13 Eliz. of Fraudulent Conveyances: And ſo it was ſaid, If any Action was brought againſt an Executor, or Adminiſtrator, they ſhall put in but common Bail, becauſe they are to be charged only with the Goods of the Teſtator. See Mich. 2 Jac. B. R. St. *George*'s Caſe. *Yelverton*, 53. See 7 Jac. in C. B. *Brownl.* 2 Part, 293. Caſe 4. before, acc.

10. Aſſumpſit againſt B. in the Court of N. F. and J. S. was there Bail for B. A *Habeas Corpus* 19 *Junii*, 3 Jac. iſſued out of the King's Bench to appear before *Popham* Chief Juſtice, at *Norwich*: *Popham* took Bail at N. diſcharged the Sheriff of B. 20 *Julii*, a *Procedendo* was awarded to the Sheriff of N. they proceed and give Judgment there againſt B. Upon Error brought the Judgment is affirmed in B. R. and after Judgment and two *Nihils*, a *Scire facias* was brought againſt F. one of the Bails of B. It was adjudged in this Caſe, That F. was diſcharged from being Bail, for that by taking of Bail by *Popham*, the Bail in the Inferiour Court was abſolutely diſcharged, although it was not filed in the Court, for that could not be before the Term; and then, although a *Procedendo* iſſued, yet that not being delivered before the 20 of *July*, which was after the Bail taken by *Popham*, the Chief Juſtice, the Body of B. was diſcharged; and ſo was alſo F. his Bail, and his other Bail. Hill. 5 Jac. B. R. *Fernly* and *Farſet*'s Caſe. *Yelverton*, 120, 121.

11. See Trin. 7 Jac. B. R. *Markham* and *Turner*'s Caſe. Where and in what Caſe the Bail ſhall have *Audita Querela*, in Title *Audita Querela*, C.

12. In Debt, the Plaintiff was condemned, and the Plaintiff ſued a *Scire facias* againſt the Bail, who pleaded that the Defendant ſuch a day rendred himſelf to Priſon, who was committed to Priſon in diſcharge of his Bail: The Plaintiff replyed, That the Defendant, the Principal Debtor, was a Servant attending upon the Duke of L. a Lord of Parliament, and that it was fraudulently agreed between the Principal the Defendant, and the Bail, that the Bail ſhould render himſelf in time of Parliament, to the end the Bail might be diſcharged, and to procure a Writ of Priviledg of Parliament to be ſet at Liberty, which was done accordingly; upon which the Defendant demurred in Law. *Ley*, Chief Juſtice, ſaid, If the Defendant had become Servant to the Duke after the Condemnation, then the Covin had been apparent. *Dodd*, Juſtice, vouched *Sadleborn* and *Harriſon*'s Caſe in the Exchequer, which was, H. was arreſted in *London*, and put in Bail, and afterwards upon an *Habeas Corpus* was removed into the Exchequer, upon preference of a *Quo minus*, by which the Bail of H. in *London* was diſcharged. The Plaintiff brought an Action for this Fraud; and it was adjudged, That the Action did lye. The principal Caſe was adjourned. See Hill. 19 Jac. B. R. *Pinkback* and *Nun*'s Caſe. See the Reports annexed to *Bendlowes*, 105.

13. A *Latitat* was taken out againſt two, for conſpiring to endite one; they both being taken, one of them put in Bail to the Action in *Michaelmas* Term laſt; the other put in Bail this Term: It was prayed for the Plaintiff, That the Bail might be taken off the File in *Michaelmas* Term, and put upon the Bail-File of this Term, becauſe otherwiſe we cannot proceed in a joynt Action upon Bail put in, in ſeverall Terms by two; for if we ſhould, it would be Error: The Court gave a Rule, That it ſhould be done as was deſired. Mich. 2 Car. B. R. *Latch*, 183.

Bar-

Bargain and *Sale*.

1. ONe reciting by Indenture, That whereas J. S. was bound for him in a Recognizance, and other Bonds: Now, for divers conſiderations he bargained and ſold the Land to him and his Heirs, the Deed was enrolled within ſix Months, but it was not found that there was any Money paid. It was the Opinion of the Juſtices, That this was not any good Bargain and Sale, for that upon every Bargain and Sale there ought to be a *Quid pro quo*: But if there had been apt words in it, it would have been good by way of Covenant; for it was ſaid, If I give Land, or bargain and ſell my Land to my Son, go Uſe riſeth thereby: But it was a good conſideration to raiſe an Uſe by way of Covenant. Hill. 35 Eliz. C. B. *Ward* and *Lanchort*'s Caſe. *Cro.* 3 Part, 394.

2. A. having a Rent-Charge in Fee by Indenture enrolled within ſix Months; gave it to H. in Fee, and there was no Attornment: It was the Opinion of the Court, that the Rent without Attornment paſſed not being only by way of Grant, and not of Bargain and Sale, though the Deed was enrolled: But *Wray*, Chief Juſtice, ſaid, That if by Indenture, in conſideration of a certain Sum of Money, *Dedit & conceſſit*, and the Deed is enrolled; this ſhall paſs the Rent without Attornment, although there be no word of Bargain and Sale. Mich. 32 Eliz. B.R. *Tyler* and *Vale*'s Caſe. *Cro.* 3 Part, 166.

3. The Caſe was, Tenant in Tail bargained and ſold Lands in Fee, the Bargainee levyed a Fine with Proclamations, five years paſſed in the life of the Bargainee, and afterwards he dyed: It was Reſolved in this Caſe, That this Fine ſhould not barr the Iſſue in Tail, but that he have new five years after the death of his Father; for the Iſſue is within the ſaving of the Statute: But it was ſaid, That if the Tenant in Tail had been diſſeiſed, and the Diſſeiſor had levyed a Fine, and the Tenant in Tail had ſuffered five years to paſs without Claim, that ſhould have bound the Iſſue in Tail. Trin. 44 Eliz. in Court of Wards. *Penſton* and *Lyſter*'s Caſe. *Cro.* 3 Part, 896.

4. Tenant in Tail of Meſſuages in *London* bargained and ſold them to J. S. and delivered the Deed of the Land, 8 *Jan.* Indentures of Covenants were made to ſuffer a Common Recovery of the Meſſuages, in a Writ of Right in *London*, the 10th. of *Jan.* the ſame year, Tenant in Tail made Livery and Seiſin to J. S. of one Meſſuage in the Name of them all, the other Meſſuages being in Leaſe for years, and the Leſſee did not attorn, It was adjudged in this Caſe, that the Land did paſs by the Bargain and Sale, (Note by the Cuſtom of *London*, Lands in *London* are out of the Statute of Inrollment,) and the Livery and Seiſin came too late, becauſe it was made to him who had the Inheritance of the Meſſuages at the time; and a Poſſeſſion executed did hinder a Poſſeſſion executory, alſo the Intent of the parties was to have the Lands to paſs by Bargain and Sale, becauſe it was to make a perfect Tenant to the *Præcipe*, all which ſhould be fruſtrate if the Livery and Seiſin ſhould be effectual: It was adjudged, That the Defendant who claimed under the Bargain and Sale ſhould enjoy the Land. Hill. 5 Jac. in B.R. *Darby* and *Bois* Caſe. *Yelverton*, 123, 124.

5. Debt upon a Leaſe for years: The Plaintiff declared, That by Indenture bearing date ſuch a day, one for Money granted, bargained, and ſold the Reverſion to him in Fee, which Indenture was enrolled ſuch a day according to the Statute, and becauſe he did not ſhew in what Court the Deed was enrolled, and it is not reaſon to put the Leſſee to ſearch all Courts, both at Weſtminſter, and with the Clark of the Peace for the Inrolment of them; therefore it was adjudged againſt the Plea. Hill. 9 Jac. B. R. *Woolby* and *Pirly*'s Caſe. *Yelverton*, 313.

6. A man bargained and ſold his Land to another by Deed indented enrolled, upon Condition that if the Bargainor paid ſuch a Sum yearly for the ſpace of ſeven years, that then the Bargain and Sale ſhould be void: It was further agreed by the Indenture, That the Bargainee ſhould not meddle with the Land, untill default of Payment were made at any of the ſaid Feaſts to the Vendee from the Bargainor: All this matter was found by ſpecial Verdict, and alſo it was found, That the Bargainor demiſed the ſaid Land to a Stranger for ſix years, and that the Stranger at the end of the years, *ſuiſum reddidit* the Land to the Bargainor: If the Leaſe made by the Bargainor was a Diſſeiſin to the Bargainee was the Queſtion. It was argued, not to be any Diſſeiſin: The Caſe was not Reſolved, but adjourned. Hil. 19 Jac. B. R. *Pawley* and *Blackman*'s Caſe. See the Reports annexed to *Bendlowes*, 103.

7. Debt upon a Leaſe for years for Rent, to be paid yearly every half year: Afterwards the Leſſor bargained and ſold the Reverſion to the Plaintiff, who for half a years Rent brought Debt, and averred that the Deed was enrolled within ſix Months, according to the Statute, and the Deed bare Date before the Rent day, but the Rent day came before

the six Months expired: Exception was taken to the Declaration, because not shewed whether the Inrolment were before or after the Rent day. The Court was of Opinion, That it was well enough, because it is pleaded to be according to the Statute. 2. The Opinion of the Court was, That if the Bargainee should not have the Rent before the Deed was enrolled, it would cause much stirr, because the Law is taken that he should have it; and so it was said, It was adjudged. 5 Jac. in *Alsop*'s Case. Hil. 2 Car. B. R. *Hill* and *Dew*'s Case. *Latch*, 151.

Baron and *Feme*.

1. THE Case was, The Father was Tenant for life, the Remainder to his Daughter being a Feme Covert: The Father made a Feoffment to certain Uses with Warranty, and after levyed a Fine and dyed. The Daughter, for her self, and in the Name of her Husband, and by his consent, entred within the year claiming the Inheritance: It was in this Case holden by the whole Court, That this Entry by her alone, the Husband agreeing to it, was good. 2. That the Warranty discending upon her during the Coverture, her Entry being congeable did not bind her: And in this Case it was holden, That the Warranty should not bind the Husband also. Mich. 30 Eliz. B. R. *Aids* and *Simpson*'s Case. *Cro.* 3 Part, 72.

2. A Woman Copy-holder took a Husband, who lett the Lands for more years than the Custom did Warrant: The Question was, If this should be a forfeiture to bind the Wife, because a Lease is no great prejudice to the Lord; The Court doubted of it, and would advise of it. But *Wray*, Chief Justice, said, That if the Husband dieye he to pay the Rent, or to do Suit, these are present forfeitures. Mich. 32 Eliz. B. R. *Hid* and *Challoner*'s Case. *Cro.* 3 Part, 145. See Hil. 4 Car. in B. R. *Matthews* and *Wootton*'s Case. *Cro.* 1 Part, 169.

3. A possessed of a Term for 18 years, and of another Term in the same Land in Reversion for 40 years, dyed intestate; his Wife took Letters of Administration, and entred, and married J. S. who lett to J. D. for 21 years rendring Rent, and made his Executor and dyed: The Question was, If his Wife or Executor should have the Rent; It was said, That for the first Term the Executor should have it, for that the Husband had given away all that Term, and no Interest remained in the Wife: But for the residue of the Term of 21 years, which is derived out of the Lease for 40 years, the Wife should have it, as annexed to the Reversion or Term which the Wife had. *Quære*, For the Justices delivered no Opinion in it. Pasc. 34 Eliz. B. R. *Loftus* Case. *Cro.* 3 Part 278.

4. The Husband seised of a Manor in the Right of his Wife, letts a Copy-hold, parcel thereof, by Indenture for years, and dyes. It was holden by the Justices, That this shall not destroy the Custom to the Wife, but that after the death of her Husband, she might demise it by Copy as before. Pasch. 38 Eliz. B. R. *Cowsby* and *Ratsy*'s Case. *Cro.* 3 Part, 459.

6. The Husband alone brought an Action upon the Case, and declared, That he was seised of Land in the Right of his Wife, for the life of the Wife, and lett the same to the Defendant for years, and that the Defendant had burnt the House: It was said, First, That the Action did not lye, because it was the Plaintiff's Folly to make a Lease, and did not by Covenant, or otherwise, provide that the Lessee should not commit Waste: But the Court held the Contrary, in respect of the Charge wherewith he is chargeable over. 2. If the Action did lye, yet it was said, That it did not lye being brought by the Husband only, because the wrong is done to the Estate which he had in the Right of the Wife; and it may be that the Husband shall never be at loss, for it may happen that the Action will not be brought against him in the life of the Wife, and then he is not chargeable; wherefore it is reason that the Wife should be joyned in the Action. The Court doubted of it, and it was adjourned. Pasc. 38 Eliz. B. R. *Jenny* and *Langar*' Case. *Cro.* 3 Part, 461.

6. A Lease for years was granted to the Defendant, to the Use of the Grantor's Sister, whom he afterwards should marry; who married her, and then dyed: The Wife took to Husband the Plaintiff, the Wife dyed; the Defendant took Administration of the Plaintiff's Wives Goods, and sued the Defendant in Chancery to have this Term: It was agreed by the Advice of all the Justices of *England*, That neither the Term, nor the Use thereof, appertained to the Plaintiff. Hil. 38 Eliz. B. R. *Wythum* and *Waterhouse*'s Case. *Cro.* 3 Part, 466.

7. Replevin, The Defendant avowed, That J. S. was seised of Lands in the Right of his Wife for the life of *Sybil* his Wife, the Reversion in Fee to the Husband: He and his Wife made a Lease for years without Writing, reserving 4 *l.* per annum,

ment. The Husband being endebted made his Wife his Executrix: Debt was brought against her by the name of *Isabell*, and Record; and upon an *Elegit* awarded, The Sheriff Returned that *Isabell* had 4 l. Rent out of the Land upon a Demise made by her and her Husband, and he delivers the Moyety of that Rent, and the Defendant avowes for the same: It was adjudged to be ill, for three Causes, 1. Because the Lease for years being without Deed was void against the Wife. 2. The Recovery against *Isabell* was void. 3. That the Sheriff delivering the Rent without the Land, it is but a Rent-seek, which cannot be delivered *ut liberum Tenementum*. Mich. 40 Eliz. B.R. *Walsal* and *Heath*'s Case. *Cro.* 3 Part, 656.

8. Husband and Wife joyn in a Lease for years by Indenture, rendring Rent, and make a Letter of Attorney to seal and deliver the Lease upon the Land, which is done. The Lessee brought *Ejectione firmæ*, and declared upon the Lease made by the Husband and Wife: It was the Opinion of all the Justices, That the Lease did not maintain the Declaration, for that a Feme Covert cannot make a Letter of Attorney to deliver a Lease of her Land, although a Rent be reserved upon the same. Pasch. 44 Eliz. B. R. *Wilson* and *Rich*'s Case. *Vi-vertos*, 1.

9. Note, It was agreed by the Court, Where an Action of Battery is brought against Husband and Wife, supposing that they both beat the Plaintiff, or the Plaintiffs Mare: And upon Not Guilty pleaded, it is found, That the Wife onely did the Battery, and not the Husband; this Verdict is found against the Plaintiff: For now it appeareth the Plaintiffs Action to be false; for the Husband in such Case shall not be joyned, but for Conformity, and it is not like to a Battery charged upon J. S. and J. D. for there one of them may be acquitted, and the other found Guilty, because they are several Trespassors. Mich. 5 Jac. B. R. *Dray* and *Dennis* Case. *Vivertos*, 106.

10. Trover and Conversion against Husband and Wife, and declared, That he was possessed *in specie* of such Goods till such a day that he lost them, and that they came into the Possession of both the Defendants and that they had converted them: Upon Not Guilty, It was found for the Plaintiff, and Judgment given, which was affirmed in a Writ of Error; Yet Exception was taken to the Declaration, because the Conversion is layed to the Charge of the Wife, and a Feme-Covert cannot convert Goods. But it was answered, That this Action is not grounded upon any property supposed to be in the Defendant, but upon the Possession only, and the Point of the Action is the Conversion, which is a thing, with which a Feme Covert may be charged: But it was agreed, That the Husband and Wife cannot have an Action of Trover and Conversion and suppose a Possession in themselves, because the Law transfers the whole Interest in Point of Ownership to the Husband. Mich. 7 Jac. B. R. *Draper* and *Falks*'s Case. *Vivertos*, 165, 166.

11. Assumpsit brought against Husband and Wife; after Imparlance by both the Defendants, the Record was, *ad quam diem tam prædict.* the Plaintiff by his Attorney, *quam prædict. Ja. & Brigetta* by their Attorney *venirunt. Et prædict. Brigetta dicit, Quod ipsa non assumpsit.* It being found for the Plaintiff, he could not have Judgment, because the Defendants did not make any defence, and also because it appeareth that the Plea is only pleaded by the Wife, and she alone cannot plead without her Husband, but they both ought to joyn in the Plea: And so it was said it was adjudged in *Chanley* and *Alsop*'s Case. Mich. 9 Jac. B. R. *Tampion* and *Newsons* Case. *Vivertos*, 210.

12. Husband and Wife seised of Lands to them and the Heirs of the Husband, by Indenture bargain and sell to P. in Fee: If the Deed there was a Proviso, That if the Husband, or his Wife, or the Heirs of the Husband, paid 100 l. to P. at such a day, then it should be lawful to them and the Heirs of the Husband to enter, and to have and enjoy as in their former Estate; and that after such Payment, the Indenture, and all Fines and Assurances to be passed, should be to the Use of the Husband and his Heirs (leaving out there the Wife). The Deed was not enrolled: The Husband and Wife within 7 years levyed a Fine to P. according to that Indenture, afterwards the Husband dyed: His Wife at the day paid the 100 l. and entred, and took to Husband the Plaintiff. It was Resolved in this Case, That the Plaintiff should have an Estate for life, for that so is the Condition, and the first part of the Clause; and the other Clauses stand well enough with it, That it shall be to the Use of the Husband, and his heirs, which doth not controul the Limitation to the Wife for life: And in this Case it was Resolved, That an Use cannot be raised by Bargain and Sale by it self; but upon the Fine it might well be limited. Hill. 42 Eliz. C. B. *Southcot* and *Mervy*'s Case. *Cro.* 3 Part, 744.

13. Debt brought for Debt, Damages, and Costs, Recorded by Husband and Wife *nuper superstite*, against the Defendant in this Court, and because the Wife was not named in the Writ, the Defendant demurred: But it was adjudged for the Plaintiff, That the Action did well lye. Trin. 42 Eliz. B.R. *Butler* and *Debts* Case. *Cro.* 3 Part, 844.

14. Trover

14. Trover and Converſion againſt Husband and Wife, ſuppoſing the Trover by both during the Coverture, and the Converſion by the Wife only. The Defendants pleaded, *Quod ipſi non ſunt culpabiles*: After Verdict, it being found for the Plaintiff, in ſtay of Judgment it was ſaid, That becauſe the Declaration doth not charge the Husband with any wrong, but only the Wife, That the Iſſue ought to have been *Quod ipſa non eſt inde culpabilis*: And of that Opinion was the whole Court and ſo a Replevin awarded, though it was after Verdict. Paſch. 44 Eliz. B.R. *Cox* and *Crapnell*'s Caſe. *Cro.* 3 Part, 883.

15. Trover and Converſion was brought againſt Husband and Wife: It was ſaid, That the Action did well lye, becauſe that the Wife could not be charged upon a Contract during the Coverture; yet ſhe might convert Goods, and ſuch was the Opinion of the Court. Trin. 21 Jac. B. R. *Newman* and *Cleney*'s Caſe. Latch, 226.

16. Note, It was ſaid by Juſtice *Jones*, That if the Husband and Wife be arreſted for the Debt of the Wife, and the Husband finds Bail for himſelf; That to detein him in Priſon untill he hath found Bail for the Wife, was a thing which was illegal: But it was never ſeen, That the Wife ſhould be kept in Priſon till the Husband had found Bail for himſelf; and therefore Attachment was awarded againſt the Sheriff who kept the Wife in Priſon for ſuch Cauſe. Hill. 2 Car. B. R. Latch, 224.

Capias.

1. ONE *Diggs* was Out-lawed by the name of W. D. late of *London*, Gent. *aliàs dict.* W. D. of N. in the County of *Kent*, Gent. and Proclamations upon the Exigent was awarded againſt him into the County of *Kent*. Now he appeared upon the *Capias utlagatum*, and pleaded, That at the time of the Writ brought, he was dwelling at K. in the County of *Middleſex*, to which place no Proclamation was awarded; wherefore he prayed that the Out-lawry might be reverſed. The Juſtices looked upon the Proclamation, and upon the Statute of 6 H. 8. *cap.* 4. and thereupon ſaid, That the Queen and the ſaid D. ought firſt to be at Iſſue & the Iſſue firſt levyed, and that this Outlawry was not remedied by the ſaid Statute. Paſch. 4 Eliz. *Beadlews*, 26.

2. Aſſumpſit, the Caſe was, A *Capias utlagatum* was taken out againſt J. S. upon a Recovery had againſt him in Debt, and the Defendant perceiving that the Plaintiff intended to execute the Writ upon the Goods of J. S. promiſed the Plaintiff, That if he would ſtay the Execution of the Writ, that at ſuch a day he would pay him 50 l. It was ſaid, That this was not a Conſideration, and againſt Law, becauſe the *Capias utlagatum* is the Kings Suit; and a Promiſe to ſtay the Kings Suit, is not good: But it was the Opinion of the Court, That it was a good Conſideration, for tho the *Capias utlagatum* iſſueth upon the Originall Suit of the Party, and the benefit which the King is to have by it is by the means of the Party who hath the Charge of the carrying of it, and is at the Coſts of ſuing it forth; and if the King by vertue of the *Capias utlagatum* hath any Goods, he is thereout to ſatisfy the Party at whoſe Suit the Out-lawry was. Mich. 45 Eliz. B.R. *Jennings* and *Hatley*'s Caſe. *Yelverton*, 19.

3. A. recovered in Debt againſt B. and had a *Capias ad ſatisfaciendum* to the Sheriff of *Middleſex*, who made a Precept to the Bailiff of the Liberty of S. to arreſt B. *ad reſpond.* A. whereas it ought to have been *ad ſatisfaciendum*. The Sheriff Returned in the Court, *Cepi Corpus ſecundum Exigentem hujus*: The Court was moved to have a new *Capias ad ſatisfaciendum* againſt A. which the Court granted, becauſe the Party in truth was never taken in Execution for the Debt. Mich. 2 Jac. B.R. *Hand* and *Harbert*'s Caſe. *Yelverton*, 52.

4. A Recovery being had in the Court of *Briſtow*, in an Action upon the Caſe there brought for words ſpoken of the Plaintiff, and Judgment there given for the Plaintiff: Error was brought, and aſſigned for Error, That after an Attachment awarded in *Briſtow*, a *Capias* iſſued forth againſt the Defendant there, whereas by the Statute of 19 H. 7. a *Capias* in an Action upon the Caſe

Case did not lye, but in the King's Bench or Common Pleas: But it was the Opinion of the Court, That such an Exception would overthrow all proceedings in inferiour Courts, which continually use such Process of *Capias* as the second Process in such Actions. And, 2. This Verdict is grounded upon the Judgment precedent, because the Party had appeared; and the *Capias* is but mean Processe, which is out of doors by the Appearance of the Party. The Judgment was affirmed. Trin. 7 Jac. B. R. *Tarbill* and *Milton's* Case. *Yelverton*, 158.

5. Upon two *Nihils* Returned against a Recognitor in Chancery, a *Capias* was awarded out of the Chancery against him, and he was taken by the Sheriff, and suffered to Escape, and an Action thereupon brought against the Sheriff: It was the Opinion of the Justices, That a *Capias* did not lye upon a Recognizance in Chancery, but a *Scire facias* only; and therefore the Party being taken by a *Capias*, he was not a Prisoner by Course of Law, and so no Escape in him; and then the Action did not lye against the Sheriff. Hill. 1 Jac. in B. R. *Pitt* and *Clifford's* Case. *Yelverton*, 42. See this Case, *Fulwood*. 2 Part, 62, to 65. See Trin. 31 Eliz. Challenge.

1. IN a Replevin, the Defendant avowed for a Rent-Charge; The Plaintiff said, Out of his Fee, and afterwards at the Tryal of the Issue, The Plaintiff Challenged one of the Jurors, because he was Steward of the Mannor, of which the Avowant was the Lord; It was adjudged in C. B. that it was a principal Challenge. Trin. 17 H. 8. *Bendlowes* 6.

2. In an Appeal, It was holden, That the Defendant might Challenge twenty, as well as in an Inditement; as it was said, It was adjudged in Nawes and Pistor's Case, in an Appeal of Manslaughter. Trin. 28 H. 8. *Bendlowes* 6.

3. If there be two Defendants, and one of them Challengeth a Juror for cause, and the other will not Challenge him; yet if the Challenge be found true, the Juror shall be withdrawn; and so it was said, It was done upon an Inditement of Felony in the Kings Bench: Where two were Indicted, and one of them would Challenge a Juror at their Arraignment, and the other would not. Mich. 4 and 5 Mar. *Bendlowes* 7.

4. Note; It was agreed in C. B. That whereas the Defendant, when the Jury appeared, Challenged all the Array; because it was made by J. S. who was Under-Sheriff, and Cosen to the Plaintiff, and shewed how Cosen; that the same was allowed for a principal Challenge. Hill. 17 Eliz. B. R. *Dubier* and *Lamb's* Case. *Bendlowes* 33.

5. In a second deliverance, Challenge was taken for the Hundred; And it was shewed and confessed, That the Hundred of *Feversham* in *Kent* was and is within the Lathe of *Scray*; and that there is not, nor ever had been, any Court holden in the said Hundred of *Feversham*, but that all the Inhabitants within the said Hundred had used to go to the Court of Lathe of *Scray*: It was holden by all the Justices, That in this Case Challenge ought to be taken for the Lathe, and not for the Hundred; for that no Court had been holden within the Hundred. Mich. 29 Eliz. B. R. *Stainsby* and *Hide's* Case. *Lone.* 2. Part, 109.

6. In an *Ejectione firme*, the parties were at Issue; The Defendant Challenged one of the Jurors, and assigned for cause, because the Juror held Land under the same Title, as the Defendant did; and to prove this, one J. S. was produced as a Witness for the Plaintiff, who deposed the same upon the Challenge, for which cause the Error was withdrawn, and so there was no Enquest, and so the Plaintiff was delayed of his Tryal. Whereupon he sued the said J. S. *tam pro Domina Regina quam pro se ipso*, upon the Statute of 5 Eliz. of Perjury, and being found for the Plaintiff, an exception in arrest of Judgment was put into the Court, engrossed in Parliament Acts; *Al judicium pro Domina Regina & prefato Querente Curia procedere non debet, quia manifestum apparet per informationem dict. Querentis quod ipse non fuit pars gravata, per quod Calumnia in dict. informatione specificat. & per juratores dict.*; *J. S. super inde fuit. gravat. Querens non fuit domificat.* See the Statute of 5 Eliz. Where the words are, Grieved, Letted, or Molested; If it extend to this Case. Mich. 30 Eliz. Exchequer. *Green* and *Edward's* Case. *Lone.* 2. Part, 40.

8. *Nisi prius* was granted after Issue joyned, afterwards a *Supersedeas* was awarded; and notwithstanding that the Justices not knowing of the *Supersedeas*, they proceeded to Tryal, and the Issue was tryed for the Defendant; This being informed to the Court by the Plaintiff, a new Tryal was awarded, because the first was void, and *Coram non judice*, by reason of the *Supersedeas*. But the Court advised the Plaintiff to take heed, that he had none of the principal Panel which passed in the first Tryal; for it was a principal Challenge, that he was in the first Tryal. Trin. 26 Eliz. B. R. *Lang's* Case. *Cap.* 3. Part, 33.

9. The

7. The Defendant Challenged the Array, because the Sheriff was Cosin to the Plaintiff, which was confessed; but it is said on the other side, That the Sheriff is as near of Kin to the Defendant; upon which it was demurred: And by advise of the Court, the Array was quashed. Mich. 25 Eliz. C. B. *Audley* and *Statterd*'s Case. *Cro.* 3. Part, 23.

8. At a Tryall; A Juror was Challenged, and withdrawn; and a Tales awarded, and Process against the other Jurors; He who was before Challenged, and withdrawn, appeared amongst the other Jurors; and was sworn, and tryed the Issue, and a Verdict given. This was moved to the Court in arrest of Judgment; It was the Opinion of the Court, That it was erronious, and the Judgment was stayed. Trin. 32 Eliz. B. R. *Hungate* and *Hammon*'s Case. *Cro.* 3. Part, 188. See Mich. 37 Eliz. B. R. *More* and *Vaughan*'s Case. *Cro.* 3. Part, 419. acc.

9. In an Information, upon an Intrusion by the Queen against the Defendant: A Juror was Challenged for not sufficiency of Free-hold. Upon examination, It was found, That he had Free-hold, of the value of 15 *s. per annum*: It was agreed by the Court, That although by the Statute of 5 H. 5. he ought to have 40 *s. per annum*, and by the Statute of 27 Eliz. he ought to have 4 *l. per annum*. That those Statutes extended only betwixt party and party, and not to the Queen; but if he had any Free-hold, it was sufficient; and therefore the Challenge was disallowed by the Court. Mich. 38 Eliz. B. R. Sir *Christopher Blunt*'s Case. *Cro.* 3. Part, 413.

10. In a *Monstrans de Droit*, for certain Lands in Ward to the Queen for the Nonage of B; the Record was sent out of the Chancery, to be tryed in B. R. And upon a Jury returned, the array was Challenged by the Queens Attorney, because it was returned by the Sheriff of *Kent*, who was Tenant to the Plaintiff: A Court-Plea was thereunto put, that he was also Tenant to the Queen. The Court was of Opinion, That the Court-plea to the Challenge was little material; for although he was Tenant to both, yet he who takes the Challenge shall have advantage thereof. Afterwards the Plaintiff confessed the Challenge, and the array was quashed, and a *new Venire facias* awarded. Pasch. 41 Eliz. B. R. The Lord *Hastings* and *Bake*'s Case. *Cro.* 3. Part, 663.

11. The Sheriff being Challenged before the Issue tryed, a *Venire facias* was awarded to the Coroners at the *Nisi prius*; for default of Jurors, a Tales was prayed by the Plaintiff, and the Tales was returned by the Sheriff *per mandatum* of the Justices, and in B. R. Judgment given for the Plaintiff: Upon Error brought, The Judgment was reversed in the Exchequer; because when Process is once awarded to the Coroners, they are to serve and return all mean Process; and they ought to have returned the Tales, and not the Sheriff, and the same is not helped by the Statute of Jeofails. Mich. 45 Eliz. B. R. Com. and *Parlow*'s Case. Trin. 36 Eliz. *Wise* and *Hogan*'s Case, adjudged acc. *Yelv.* 114. 115.

12. Three men were Indicted of Murder of B. at the day when the Prisoners were to be tryed, eleven of the Jury appeared, and were sworn, but one of them was Challenged by the Prisoners, and a Tales for the Queen: At the day when the Jury appeared, one of the Jurors who had appeared before and was sworn, was Challenged, for a Cause which was in *esse* the first day, but the Queens Counsell had not notice of it till after; It was the Opinion both of the Justices of the King Bench, and also of the Justices of the Common-Pleas, their Opinion being demanded there, That the Queen could not have the Challenge, as not then she could have had it the first day when the Jury was sworn; The Challenge was, for that the Juror was within the Dissolute of the Kin of one of the Prisoners; and upon the Inditement, all the Prisoners were found not guilty of the Murder; which the Justices were very sorry at. And the Jury were Committed, Fined, and bound to the good Behaviour. Mich. 43 Eliz. B. R. *Wharton*'s Case. *Yel.* 23.

Chancery.

1. THE Parties were at Issue in Chancery, upon an Issue tryable at Law, upon an *Ad quod Quæstio*: And the Chancellor writ to the Bishop of Durham, to try the Issue, who tryed accordingly, and a Verdict given: It was the Opinion and Order of the Judges, That the Verdict should be quashed; for the Case, it was said by the Justices, That the Chancery cannot call a Jury at their Bar to try a Issue, but the Chancellor himself ought to adver the Issue with his own Hands into the King Bench, and they to try the Issue there; and upon Verdict, they ought to give Judgment & not remit the matter again into the Chancery, because the Chancery is rid of that matter; and so it is, if an Issue is to be tryed in any other Jurisdiction, where they are not compellable, or refuse to try an Issue, as in *Ireland*: And *Dodderidge* Justice said, He never heard or saw before, that the Chancellor

Chancellor had written to any County Palatine to try an Iſſue; but that the Court of the Kings Bench might well do it. Paſch. 1 Car. B. R. *Barton's* Caſe. *Tit.* J.

2. Error of a Judgment in B. R. in an Aſſumpſit; The Plaintiff in the Aſſumpſit declared, That the Defendant was bound in an Obligation of 40 l. conditioned to pay 20 l. at a day; and that he intended to exhibite a Bill in Chancery, for that he was ſatisfied the Debt, and had taken out a *Subpœna*, returnable at a day certain. The Defendant, in conſideration that the Plaintiff would deſiſt from his Suit in the Chancery, promiſed to reſtore the Bond upon requeſt, and that he deſiſted his Suit here, and required the delivery of the Bond; and the Defendant had refuſed, but proſecuted his Suit in the Chancery. Upon *Non-aſſumpſit*, It was found againſt the Defendant. It was moved in ſtay of Judgment, That the Conſideration was not ſufficient, being only to ſtay a Suit in Chancery, which is matter only of Conſcience. But the Opinion of the Court was, That the Conſideration was good enough, and ſo adjudged, and the Judgment affirmed. Trin. 41 Eliz. B. R. *Dandey* and *Oland's* Caſe. *Cro.* 3. Part, 768.

3. The Caſe was, J. S. was Plaintiff againſt B. in the Chancery; and upon Bill and Anſwer, it appeared, That by an Order there, he made one L. to be party to the Bill againſt B, and a Commiſſion iſſued forth between L. and B; upon which Commiſſion, the Defendant was examined on the part of L, and depoſed directly for L; upon which a Decree was in the Chancery againſt B: and upon this matter, B. brought an Action of Debt againſt the Defendant upon the Statute of 5 Eliz. of Perjury, as a party granted by the Depoſition of the Defendant. It was the Opinion of the Juſtices, That the Action did not lye; becauſe in this Caſe L. was not a party to the Suit, but came in *à Latere*, and by Order; and no Bill depending either againſt him, or brought by him, ſo out of the Statute; for being a penal Law, it is to be taken ſtrictly. 4. Tenant in Fee granted a Rent for Life, and made a Leaſe for years of the Land; The Grantee did ſuppoſe, That he had loſt the Deed, and that it was come to the Hands of the Leſſee. The Caſe was in the Court of Requeſts, to be relieved for the Rent. It was the Opinion of the Court, That a Suit might be in Chancery indeed loſt, but not for Rent or Annuity. Paſch. 1 Car. B. R. *Aldet's* Caſe. *Latch.* 146. See there a Caſe Vouched. Mich. 3 Car. B. R. Where one *Abbot* ſued in the Court of Requeſt, becauſe he had loſt his Bond, and a Prohibition was granted in that Caſe, although it was ſaid at the Barr, That the Grantee of a Rent-Charge, who had loſt his Deed, was relieved in the Chancery. But Juſtice *Jones* ſaid, There was a great difference between the Chancery and the Court of Requeſts. See Hill. 1 Car. in C. B. *Barry* and *Stile's* Caſe. *Latch.* 94. Which agrees with the principall Caſe here.

Common and *Commoners*.

1. IN Action upon the Caſe, for diſturbing him of his Common; The Plaint. declared, That he was ſeiſed of a Meſſuage and certain Lands, and that he, and all thoſe whoſe Eſtate, &c. had Common of Paſture in 16 Acres of Land called D, from the time that the Corn was reaped till it be ſowed again, and alſo Common of Paſture in Lands called R. *Quæ tempore anni* as appurtenant to his ſaid Meſſuage and Land, and that the Defendant had ploughed up the Lands, and ſo diſturbed him of his Common. It being found for the Plaintiff, It was moved in ſtay of Judgment, That it appeared, that the Plaintiff was ſeiſed in Fee; and ſo he ought to have had an Aſſiſe, and not any Action upon the Caſe: But the Opinion of the Court was, That the Action was well brought, and the Exception diſallowed by the whole Court. Mich. 32 Eliz. B. R. *Leverett* and *Tounſend's* Caſe. *Lect.* 2. Part, 284. See *Cro.* 3. Part, 198. The ſame Caſe.

2. Replevin; The Defendant made Conſtant, to Bayliff to J. S, for that he had a Leet within his Manour of D; and that the Plaintiff was at ſuch a Court amerced, for putting his Geeſe upon the Common there; for which Amercement he diſtrained: and becauſe it was not ſhewed, that the Common was within the Leet; and becauſe the Court was of Opinion, That it was not any article inquirable in a Leet, nor puniſhable there, It was adjudged for the Plaintiff. Trin. 37 Eliz. B. R. *Wainleighton* and *Burton's* Caſe. *Cro* 3. Part, 442.

3. In Treſpaſs; That A. was ſeiſed of the Lands in Fee, and that G. F. was ſeiſed of a Houſe, and 20 Acres of Land in A; and that they paid G. F, and all his former Tenants, &c. have

had Common in the place where, for all their Beasts at all times of the year, as to the said Tenement belonging; and that the said G. F. was enfeoffed of the said Tenement of the said A; and that afterwards the said A. lett the same with all Commons, Profits, and Commodities to the same appertaining, *vel occupat. vel usitat. cum pertinen. Messuagio*; The matter in Law was, Whether this Common being extinct by the unity of Possession, might be revived by any of those words; Or whether it may enure to a new Grant of Common for so many years. It was the Opinion of the Justices, That this Common was extinguished by the Unity of possession, it being Common appurtenant, and cannot be revived again; But yet they held, That by the words of the Lease of all Commons, Profits, &c. occupied or used in *Messuagio*, It is a good Grant of a new Common for the time. Hill. 39 Eliz. B. R. *Bradshaw* and *Eyr's* Case. *Cro.* 3. Part, 570. See 7 Jac. in B. R. Sir *Thomas Grimes* and *Peacock's* Case. *Rolleyed* 1. Part, 17, 18, 19. *Lib.* 1. Title *Common*, Fol. 408. Case 1.

4. In Trespasse upon a special Verdict; The Case was, E. G. the Grandfather of the Defendant, was seised of a Tenement, in which he and all his Ancestors, and all those whose, &c. time out of mind had used to have Common in the place where, for all their Beasts Levant and Couchant upon the said Tenement, &c. are so seised, released to the Plaintiff's Father all his Right and Common in part of the Land where he had the Common, and dyed; and that the Tenement descended to W. G. the Son, and from him to the Defendant. It was the Opinion of the whole Court in this Case, That the Jury having found a Release in part of the Land that the Common was gone for all; and it was said, It was adjudged in *Rampton's* Case in this Court, Where one having Common in a great Field, wherein many men had Land; he purchasing an Acre from one of them, It was adjudged, That all his Common was extinct; and it was further said, That in the principal Case, The Common was gone in all, because this Release went in the benefit of the Tert-Tenant; and it was as an Improvement by him. Mich. 40 Eliz. C. B. *Rothenham* and *Green's* Case. *Cro.* 3. Part, 593.

5. Trespass for breaking of his Close, and killing of his Conyes; The Defendant justified, because he had Common appurtenant to such an House by Prescription; and that because the Conyes were there feeding, he killed them. It was Obj. & d. That the Commoner might well justify the killing of them, because he hath no other remedy, as he may justify the killing of Foxes, and other Vermin. That the Opinion of the Court was, That the Plea was not good; For that the Owner of the Soil hath interest in them against all Strangers, and the Commoner hath nothing to do, but to take his Common: Also the Cony is a Beast of Warren, and profitable as Deer are, and are not to be compared to Vermin; and therefore the keeping of them by the Owner of the Soil is lawful, and the killing of them unlawful, and not justifiable: It was adjudged for the Plaintiff. Pasch. 43 Eliz. B. R. *Sellow* and *Langdon's* Case. *Cro.* 3. Part, 776. See Mich. 5 Jac. B. R. Sir *Christopher Haddon* and *Griffith's* Case. *Yelverton* 104. Adjudged acc.

6. Trespass; The Defendant justified driving of the Cattell Damage-Feasants, pretending a Custom; That the Plaintiff being Lord, hath the place in which, intirely to himself till *Lammas* day, and afterwards it is Common for the Tenants, so as the Plaintiff can put in but three Horses only, and because the Plaintiff after *Lammas* day put in more then three Horses, the Defendant took them Damage-Feasants. Being found for the Defendant, It was moved, That the Defendant could not take the Cattel Damage-Feasants, because he is only a Commoner, and the place where, is the Plaintiff's Soil, and his Cattel cannot be Damage-Feasants upon his own Soil. It was the Opinion of the Court, That the matter of taking the Cattell Damage-Feasants did not come in Question, because nothing is in the Issue but the Custom, which is tryed against the Plaintiff; but if the Plaintiff would have taken advantage thereof, he ought to have demurred; and although by this he had crossed the Custom, yet whether the Commoner might take Damage-Feasants, the Cattell the Lord had them in property, came in Question: It was the Opinion of three of the Justices upon the matter of Law, That the taking Damage-Feasants by the Custom, was good; for by the Custom, the Lord is excluded to have but his stint; and the Lord may be stinted, and the Commoner only to have the benefit of the feeding; and they have no other remedy, but by taking the Cattell of the Lord which offends, and the Custom hath made the Lord as meere a Stranger as any other; but the two other Justices doubted of it. Trin. 6 Jac. B. R. *Keynell* and *Pargiter's* Case. *Yelverton* 129. See Cro. 2. Part, 208. The same Case, where it is said, that in this Case, The Court was divided in Opinion.

7. In Replevin; The Defendant made Conisans, as Bayliff of J. S, Lord of the Manor of B. for Damage-Feasants: The Plaintiff said, That one H. was seised of a Messuage, and divers acres of Lands, and that he and all those whose Estate, &c. had for him his Tenants, Fe more, &c. common in the place where, when the said Field lay fith

ſeeth all the year, and not ſowed, with their Cattel Levant and Couchant; and when the ſaid Field is ſowed with Corn, when the Corn is carried away, *tunc eſt mixtus*; and ſo juſtified the putting in of his Cattel to uſe his Common. The Defendant rejoyned. That parcel of the ſaid Field was ſowed with Corn, *tempore quo &c.* Upon which it was demurred: It was the Opinion of the whole Court, That the ſowing of a ſmall parcell of the ſaid Field ſhould not ouſt the Commoners from the taking of his Common in the reſidue of the Field, for that might be done by Covin to deceive the Plaintiff of his Common; and therefore the Plaintiff claiming Common, *quando campus (id eſt, totus campus)* is ſown, ſhall not be barred of Common by ſowing parcel of it; for notwithſtanding that, the Field is not ſowed. Mich. 8 Jac. B. R. *Trulock* and *Riggeſbye's* Caſe. *Yelverton*, 185.

8. In a Replevin, The Defendant avowed for Damage-feaſans, as in his Freehold: The Plaintiff ſhewed, That he was ſeiſed of a Meſſuage, and 14 acres of Land; and that he, and all thoſe whoſe Eſtate, *&c.* had Common in the place where *&c.* at all times of the year, as to the ſaid Meſſuage and Lands belonging. Iſſue being thereupon, it was found for the Plaintiff: In Arreſt of Judgment, it was alledged, *Quod non conſtat* by the bar to the Avowry, in what place the Meſſuage and Land, to which the Common did appertain, lay; and that of neceſſity ought to be ſhewed, becauſe the Vicine ought to be from the place where the Meſſuage and Land lyeth, as well as from the place in which the Common is claimed: For Common may be appendant or appendant to Land in another County, and then the Vicine ſhall be from both Counties. Wherefore Judgment was ſtayed, and a Repleader awarded. Trin. 8 Jac. B. R. *Burrain* and *Tho. old's* Caſe. *Yelverton*, 177. S. C. 2 Part, 238. the ſame Caſe.

9. A Copy-holder for life, had Common in the Lord's Waſte. The Lord grants and confirms the ſaid Copy-hold and Land *cum pertinentiis*, to him and his Heirs: It was Reſolved in this Caſe by all the Court, That he as Purchaſer ſhould not have Common there as a Copy-holder, for that he hath his Common by reaſon of the Cuſtome which annexeth the ſame to his Cuſtomary Eſtate, which being deſtroyed and determined by his own Act, by making it a Free hold, the Common is deſtroyed and determined without ſpeciall words, and the general words (*cum pertinentiis*) are not ſufficient to paſſe the Common. Mich. 8 Jac. B. R. *Maſſon* and *Hunt's* Caſe. *Yelverton*, 189, 190.

10. Treſpaſſe, for chaſing his Cattle in ſuch a Cloſe: The Defendant juſtified Damage-feaſans in his Free hold; The Plaintiff Replied, and ſhewed a Grant of Common in the place where, by the Defendant to the Plaintiff, and that the Defendant had erected after the Grant a Stack of Corn there; and the Plaintiff put in his Cattle to uſe his Common, and the Defendant chaſed them: It was the Opinion of all the Juſtices, That the chaſing of the Cattle by the Defendant was not lawfull, for by ſuch means he ſhould defeat his own Grant; for the Grantee may uſe the whole place for Common, and then when the Grantor erects a Stack of Corn or Hay upon the ſame place it tends to the Diminution of his Grant, which ought not to be, but the Cattel may range over the whole place, and eat the Plaintiffs Hay or Corn without any wrong, becauſe the wrong began by the Grantor himſelf, of which he ſhall not take advantage: It was adjudged againſt the Plaintiff. Hill. 8 Jac. B. R. *Farmor* and *Hunt's* Caſe. *Yelverton*, 201.

11. One preſcribed, That all the Occupiers of B. *habuerint, & habere conſueverint* Common in ſuch a Town in C. *ratione Vicinagii*: If it was well pleaded, was the Queſtion, without alledging time out of mind. It was alledged, That it was becauſe ſo much is implyed: But the Opinion of the Court was contrary, becauſe the Preſcription is the ground for Common by Vicinage; but otherwiſe it is, where one claims Common appendant, for there it would be double to alledg Preſcription. Hill. 1 Car. in B. R. *Jenkins* Caſe. *Latch*, 161.

Commiſſion, and *Commiſſioners*.

1. IN a falſe Impriſonment in *Suffolk*, The Defendant juſtified, That a Commiſſion of Rebellion did iſſue out of the Chancery in *Middleſex*, againſt the Plaintiff, directed to one B. and that the Defendant, as Servant to B, and by his Command, arreſted the Plaintiff thereupon, Iſſue was joyned *de ſon tort demeſne*, and the Iſſue was tryed in *Suffolk*: Error was thereupon brought, and the Error aſſigned was, becauſe the Iſſue ought to have been tried aſwel by a Jury of *Middleſex* as by a Jury of *Suffolk*. All the Juſtices and Barons held the Tryal to be ill; for the awarding of the Commiſſion is here in Iſſue, for

the Root of the Justification ariseth from hence, and without that the Command was of no value; wherefore the Judgment was reversed. Trin. 43 Eliz. Ex. Chamber. *Downing* and *Rayward's* Case, *Cro.* 3 Part, 844.

2. It was found by Verdict, That the Queen made a Lease to the Plaintiff of a House and Land in *Dea*-Common for life, rendring Rent to the hands of the Bailiff of the Mannor, or to the Receiver of the County upon Condition, upon Non-Payment of the Rent within forty dayes, the Lease to be void: A Commission was awarded under the Exchequer Seal to Commissioners of the County of *Middlesex*, to enquire of the Payment of the Rent, reciting the Lease to be of a House *cum pertinentiis*, and mentions not any Land. It was amongst other things Resolved by the whole Court in this cause, That this Inquisition found in *Middlesex*, and by Commission under the Exchequer Seal, was not sufficient to find a Condition broken of Lands in the County of S. upon a Lease for life; for it being a Lease for life, The Queen cannot be entituled to it, unlesse by Office found in its proper County to avoid it, but such a Condition upon a Lease for years may be found in another County, and so it was said it was Resolved, Pasch. 27 Eliz. in *Knight* and *Beech's* Case in C. B. and so also it was said, It was agreed in Sir *Tho: Heneage's* Case. It was adjudged for the Plaintiff. *Paslow* and *Corn's* Case. Trin. 42 Eliz. B. R. *Cro.* 3 Part, 855.

3. Note, In the Case of Commission *pro securitate pacis*: It was Resolved by all the Justices of the King's Bench, That a Commission *pro securitate pacis*, cannot be Returned by the Sheriff, but it ought to be by the Commissioners. And in the debating of that Case, *Doddridge* Justice, when General Commissions for the Peace begun, He said, That the Sheriff by the Common Law is *Conservator pacis*. And the General Commission for Counties was made in 1 Ed. 3. for to prevent Rebellions upon the depoſing of King Ed. 2. But he said, That before that time there were divers particular Commissions to divers men for particular places; and therefore he said, That in that *Lambert* was mistaken. Trin. 21 Jac. B. R. See the Reports annexed to *Bendloes*, 130.

4. *Johnson* was sued in the High-Commission Court, for not repairing of a Chancell: A Prohibition was prayed and granted, because it is not an enormous Crime, and of such Crimes only the High-Commission is to have Conusans. And 2. Because they would not allow of an Appeal. Hill. 1 Car. B. R. *Johnson's* Case. *Latch*, 234.

Conditions.

1. A Makes a Lease for years, Proviso *quod non licebit* to the Lessee to alien his Term without the Assent of the Lessor, he deviseth the Lease to his Son, the Lessor assenting to it: Resolved, 1. That it is a Condition. 2. As to this Case, it is no Breach, for that nothing passed till the Lessor's Assent was obtained, for it was a Condition precedent; and although the Devisee did enter by the Assent of the Executor, and had not Licence of the Lessor, it is not materiall. Mich. 30 Eliz. B. R. *Knight* and *Mays* Case. *Cro.* 3 Part, 60.

2. The Father of a Copy-hold surrendred the same to the Use of his Son in Fee, upon Condition to perform Covenants in an Indenture: The Son after Admittance surrendred to J. S. upon Condition, that if the Son paid 10 l. the Surrender to be void. The Son neither paid the 10 l. nor performed the Covenants in the Indenture, the Father dyed, the Lands discended to the Son: It was holden in this Case, That by the Entry of the Father both the Surrenders were avoided, and that then the Son might enter, and avoid the Surrender made by him to J. S. Trin. 33 Eliz. B. R. *Simonds* and *Lawn's* Case. *Cro.* 3 Part, 239.

3. Tenant in Tail leased Land to the Father, Mother, and Son, for their lives; and because he could not limit these Estates by way of Remainder, but joyntly in possession, there was a Proviso in the Indenture, That if the Son shall challenge, claim, or demand, any profits of the Lands so demised, or enter into the Lands during the life of his Father or Mother, then the Estate limited to him in the Indenture should cease and be void: It was the clear Opinion of the Justices in this Case, That this Condition and Proviso was utterly void, because contrary to the Estate limited before; and it was said, It was like the Case, viz. I lett you my Land for ten years, Proviso, you shall not take the profits the two first years, That the same is a void and repugnant Proviso. Trin. 27 Eliz. in the Exchequer. *Moor* and *Savill's* Case. *Leon.* 2 Part, 132.

4. The Case was, Lessee for life makes a Lease for years rendring Rent, and afterwards surrenders to the Lessor upon Condition: The Lessee for years takes a new Lease for years of the Lessee. Lessee for life performeth the Condition, and pays

out the Leſſee for years, who re-enters; and afterwards the Leſſee for life brings Debt for Rent reſerved upon the firſt Leaſe: It was the Opinion of the Court, That the Action did not lye, becauſe the Leaſe out of which it was reſerved is gone and determined. Mich. 34 Eliz. B. R. *Cro.* 3 Part, 264. *Brewſter* and Sir *Tho. Parrat*'s Caſe.

5. Debt upon Obligation, The Condition was, That if J. S. performed the Arbitrament of J.N. if any be made before the Feaſt of *Eaſter*; and if none be made, if he come to the Guild-Hall at N. at the Feaſt of *Pentecoſt*, and there ſuffer himſelf to be arreſted at ſuch a Suit, if ſuch Suit be commenced, or pay to the Plaintiff 10 l. at the Feaſt of *Michaelmas*, then *&c.* The Defendant pleaded, That no Arbitrament was made before the Feaſt of *Eaſter*, and that J.S. dyed before *Pentecoſt*, and anſwered nothing to the Reſidue of the Condition: The Juſtices held, That in that Caſe it was a good Plea, becauſe by the Act of God he is deprived of his Appearance; and ſo the Obligation is ſaved, although he doth not pay the 10 l. for he had Election to do the one or the other. Paſch. 34 Eliz. B. R. *Tapp* and *Redingfield*'s Caſe. *Cro.* 3 Part, 277.

5. Upon a ſpeciall Verdict in *Ejectione firmæ*: The Caſe was, A Leaſe was made to E. for forty years of a Houſe, *ſub hâc tamen conditione, Quod ſi tam diu vixerit ſola*, and *inhabitaverit* in the ſaid Houſe. E. continued unmarried in the ſaid Houſe all her life-time, and dyed within the forty years: It was the Opinion of the Court, That the words *ſub conditione, quod ſi &c.* were void, for that they were inſenſible, and be neither Limitation nor Condition; and it is no more, than that a man makes a Leaſe for years rendring Rent, *ſub conditione, quod ſi* the Rent be not paid; and ſayes no more, which is without ſenſe, for it may be intended that he ſhall forfeit a pain, or that the Leſſor ſhould re-enter, which is incertain; for every *Quod ſi* ought to be anſwered with a *Quod tunc*: and for this incertainty it is void, and the Leaſe abſolute. Paſc. 37 Eliz. B.R. *Hardy* and *Seyer*'s Caſe. *Cro.* 3 Part, 414.

6. One deviſed Lands for years to J.S. *reddend. & ſolvend.* 20 l. *annuatim* at *Micharlmas* to J. D. and for non Payment of that Sum the Heir entred, ſuppoſing the words to be a Condition: It was the Opinion of the Court, That the words were a Condition, and the Entry of the Heir congeable. Trin. 37 Eliz. C.B. *Fox* and *Catlin*'s Caſe. *Cro.* 3 Part, 454.

7. Obligation conditioned, That if he paid 15 l. at the Feaſt of *Michaelmas* next following, until J.S. were advanced to a Benefice: That then the Defendant in Debt brought, pleaded, That he advanced to a Benefice before the Feaſt of *Michaelmas*, and adjudged, No Plea; for that the firſt 15 l. was to be paid, notwithſtanding that he was advanced to a Benefice, for the Limitation, *ſcil.* until he be advanced, goes only to the other ſubſequent Point. Hill. 39 Eliz. C. B. The Counteſs of *Warwick* and Biſhop of *Coventry*'s Caſe. *Cro.* 3 Part, 549.

8. Treſpaſs: J. S. Lord of the Mannor of S. demiſed Copy-hold Land of Inheritance to A. upon Condition, that he ſhould pay to B. yearly 20 s. during his minority, and 100 l. at his full Age: A. paid not the Money, viz. the 20 s. and ſurrenders to J. D. and his Heirs; the Lord admits him, and after P. attains his Age, and the 100 l. is not paid to him; the Lord enters for the Condition broken, and grants the Land to B. It was ſaid, That Entry of the Lord was good, for that he to whoſe Uſe the Surrender was made, comes in by him who ſurrendred, and not by the Lord, for that the Lord is but an Inſtrument to convey the Land: The Court doubted of it, and it was adjourned. Mich. 39 Eliz. B.R. *Pay* and *Brown*'s Caſe. *Cro.* 3 Part, 582.

9. The Caſe was, A man made a Leaſe for years upon Condition, to be performed on the part of the Leſſee; afterwards the Leſſor lett the Land to a Stranger for years by Indenture, and then performs the Condition. It was Objected, That by making the Leaſe the Condition was ſuſpended: But the Court held the Contrary; for that the Eſtoppel is onely between the Leſſor and the ſecond Leſſee, ſo as he is at large to enter for the Condition, notwithſtanding the ſecond Leaſe. But it was ſaid, That if one makes a Feoffment upon Condition, and afterwards levyes a Fine to a Stranger, the Condition is gone. Trin. 41 Eliz. B. R. *Ferrers* and *Vaughs* Caſe. *Cro.* 3 Part, 665.

10. Debt upon Obligation. The Condition was, That if C. paid to L. at ſuch a place within a Month after Demand 20 l. when, and at ſuch a time, as the ſaid L. had a Son, that ſhall or can ſpeak the Lord's Prayer in Engliſh, that then *&c.* The Defendant pleaded, That the ſaid L. the Plaintiff had not, after the Condition made, any Son, *qui locutus fuit aut loqui potuit* the Lord's Prayer: The Plaintiff Replied, That at ſuch a day he had one H. *filium ſuum qui loqui potuit* the Lord's Prayer in Engliſh: It was Objected, That the Allegation was not ſufficient to ground an Iſſue upon, *Quod habuit filium qui loqui potuit*; for it is but a ſecret Power, not reduced into Act, and cannot be known and not iſſuable: But it was holden by the Court, That it was a good Iſſue, and well tryable; for the Condition being in the diſjunctive, he may alledge the one or the other, at his Election; and his power of ſpeaking ſhall be proved

proved, who had heard him recite it. Trin. 41 Eliz. C.B. *Lane* and *Golman's* Caſe. *Cro.* 3 Part, 727.

12. Debt upon Obligation: The Condition was, That if the Defendant at all times upon Requeſt delivered to the Plaintiff the Fatt and Tallow of all Beaſts which he, his Servants, or Aſſigns, ſhould kill or dreſſe before ſuch a day, that then *&c.* The Defendant pleaded, That upon every Requeſt made unto him, he delivered to the Plaintiff all the Fatt and Tallow of all Beaſts which were killed by him, or any of his Servants, or Aſſigns, before the ſaid day. It was ſaid, That the Plea was not good for the generality: But it was the Opinion of the Court, That the Plea was good; for when the matters to be pleaded tend to infinitenesſe and multiplicity, the Law alwayes allowes of the general Pleading in the Affirmative, and he who pleads in the Affirmative ſhall alledge general Performance of Covenants generally. It was adjudged for the Defendant. Hill. 42 Eliz B.R. *Mints* and *Bethel's* Caſe. *Cro.* 3 Part, 749.

13. The Caſe was, A man had Iſſue a Son *William*, by one Venter, and C. and D. Sons, and E. a Daughter, by another Venter; and deviſed Lands to C. and D, and if either of them, or their Heirs, do ſell the ſame, the Gift to be void, and ſo return to the whole Heirs again: And further, That his Sons C. and D. ſhould pay yearly to *William* his eldeſt Son, and his Heirs, 3 l. A. dyed, C. and D. dyed without Iſſue: It was Reſolved in this Caſe, That it was an Eſtate in Fee in C. and D, and not an Eſtate for Life or in Tail. 2. Reſolved, That the Proviſo that the Land ſhould revert was void, and a void Condition being annexed to a Fee; and that one Fee cannot be limited upon another. Hill. 42 Eliz. C. B. *Skailard* and *Baker's* Caſe. *Cro.* 3 Part, 744.

14. Treſpaſs, The Defendant pleaded a Feoffment: The Plaintiff ſaid, It was on Condition, That if he paid 200 l. at ſuch a day, and 10 l. for every Fodder of Lead which ſhould be delivered unto him by the Feoffee and his means, and ſhould make a ſufficient Leaſe for 21 years of black Acre parcel thereof, that the Feoffment ſhould be void; and ſhewed the Payment of the 200 l. and that the Feoffee had delivered ſo many Fodders of Lead, and that he had paid 10 l. for every Fodder, and that black Acre was parcel of the Land of which the Feoffment was made, wherein the Feoffee continued in Poſſeſſion, and ſo he could not make a Leaſe thereof. It was the Opinion of the Juſtices in this Caſe, That he needs not alledge that part of the Condition, *viz.* the performance of making the Leaſe, for that it is impoſſible to be performed; and when a Condition conſiſteth of two parts, and the one part is poſſible to be performed, and the other not; if he performeth that which is poſſible it ſufficeth; but if the Condition be altogether impoſſible, it is void. Mich. 42 Eliz. B. R. *Wigley* and *Blackw.'s*, Caſe. *Cro.* 3 Part, 780.

15. Debt upon Obligation: The Condition was, That after Marriage of the Plaintiff, and having a Son by his Wife, if he conveyed Lands to the value of 40 l. *per annum* in Tail to the Son, to enjoy after the Death of the Obliger, That then *&c.* The Defendant ſhewed the day of Marriage, and the having of a Son, and that he made a Feoffment to a Stranger to the Uſe of himſelf for life, and after to the Uſe of the Son in Tail. The Plaintiff Replyed, *Quod non feoffavit*; Upon which it was demurred: It was holden, That although the Bar was ill, yet when the Plaintiff Replyes thereunto, he hath loſt the advantage of Exception to the Bar: and here it is an ill Bar; for it is not any Performance of the Condition by this Feoffment, becauſe the Enfant was not made party to the Conveyance, nor had any Deed or Aſſurance in point his Eſtate, ſo he is not ſure thereof; and therefore ſuch an Aſſurance made is no Performance of the Condition. Hill. 43 Eliz. C.B. *Stanfield* and *Somerſet's* Caſe. *Cro.* 3 Part, 825.

16. The Caſe was; J. S. lett a Houſe for 80 years, in which there was a Condition, That the Leſſee, his Executors and Aſſignes, ſhould maintain the ſame with Reparations; and upon lawful Warning given by the Leſſor, his Heirs and Aſſignes, that the Houſe was in decay; If it was not Repaired within ſix Months, then the Leſſor, his Heirs and Aſſignes, to enter. Leſſee for 80 years, leaſed the Houſe to A. for 30 years, who leaſed the ſame over to B. for 15 years; The Aſſignees of the Reverſion then poſſeſſed of the Houſe to repair the ſame, who did it not within ſix Months; the Aſſignee entred for the Condition broken: It was adjudged againſt the Aſſignee of the Reverſion; for that the warning given to B. the under-Leſſee, was not good, for he was not an Aſſignee of the Term, for he had but a ſmall Intereſt under the grand Leaſe, againſt whom no Avowry lay for Rent, nor any Action of Waſte for want of Privity. It was adjudged againſt the Aſſignee of the Reverſion. Paſch. 1 Jac. *Stratton* and *Caſhis* Caſe. *Yelverton*, 37. See more of this Caſe. *Brownl.* 1 Part, 135. See *Lib.* 1. Title, *Demand.* 614. Caſe 4.

17. In *Ejectione firmæ*, the Caſe was, A Copholder in Fee, by Licence of the Lord, lett the Land for ſixty years to M. if he ſo long lived rendring Rent, upon Condition to re-enter; the Copholder ſurrendred to the Leſſor of the Plaintiff, who

who demanded the Rent which was not paid, who thereupon entred, and lett the Land to the Plaintiff: It was the Opinion of the Court, That in this Caſe, the Entry of the Leſſor was not lawful; for that Copy-hold Land is not within the Statute of Conditions, nor the Leſſor ſuch an Aſſignee as the Statute intended, for he is in by the Cuſtom which doth not extend to collateral things, and he is not privy to the Leaſe made by the firſt Copy-holder, nor in by him; but may plead his Eſtate immediatly under the Lord. Trin. 10 Jac. B.R. *Brafier* and *Beal's* Caſe. *Yelverton*, 222. See *Cro.* 2 Part, 305. the ſame Caſe.

18. Debt upon Obligation conditioned, That if the Plaintiff enjoyed ſuch Land untill the full Age of J. S. and if J. S. within 2 Months time after his full Age, made an Aſſurance to the Plaintiff of the ſaid Land, that then *&c.* The Defendant pleaded, That J. S. is not yet of full Age; and becauſe he did not plead, whether he had enjoyed it in the mean time, the Condition being in the Copulative, It was adjudged for the Plaintiff. Trin. 43 Eliz. B.R. *Walker* and *Crook's* Caſe. *Cro.* 3 Part, 870.

19. Obligation: The Condition was, If R.B. the Son of the Defendant do at any time before ſuch a Feaſt, which ſhall be in *Anno* 1604, either as Apprentice, or Servant, or otherwiſe, uſe the Trade of an Haberdaſher, within the County of K. If then the ſaid R. B. do upon Requeſt pay the Plaintiff 20 l. that then the Obligation ſhall be void: It was ſaid in this Caſe, That in this Caſe he is not prohibited or obliged abſolutely, that he ſhall not exerciſe the Trade of a Haberdaſher, but if he do exerciſe it, that he ſhall pay 20 l. But the Opinion of the Court was, That the Obligation and Condition were both againſt Law; for aſwell as he may reſtrain him for a time in one place, he may reſtrain him for longer time, in other places, which is againſt the benefit of the Common-wealth: It was adjudged for the Defendant. Mich. 44 Eliz. C. B. *Colgate* and *Batchellors* Caſe. *Cro.* 3 Part, 872.

20. Debt upon Obligation, Conditioned to diſcharge and ſave harmleſſe from all Obligations which he had entred into for him: The Defendant pleaded, *Quod exoneravit & indemnem conſervavit* from all the Obligations, *&c.* and did not ſhew from what Obligations: It was holden, That as for that the Plea was ſufficient, for the avoiding Prolixity in pleading; but becauſe he did not ſhew *quo modo exoneravit*, &c. the Plea was holden not to be good. Mich. 44 Eliz. B. R. *Brabas* and *Bacon's* Caſe. *Cro.* 3 Part, 916.

21. A man gave Lands to his Wife, during the minority of his Son, upon Condition that ſhe ſhould not do Waſte; ſhe took Husband who committed Waſte: It was the Opinion of the Juſtices, That it was no Breach of the Condition, for that a Condition to avoid an Eſtate ſhall be taken ſtrictly. See *Dyer*, 45. Hill. 22 Jac. B.R. *Cobb's* Caſe. *Latch*, 16.

Conſiderations.

1. Aſſumpſit: In Conſideration, *Quod deliberaſſet & dediſſet* to the Defendant 20 Sheep, he promiſed to pay him 5 l. at the time of his Marriage, and alledged *in facto*, that he was married: It was the Opinion of the Court, That becauſe it was in the Preter-Tenſe, and for a Conſideration paſt that the Action did not lye. Mich. 38 Eliz. C. B. *Jeremy* and *Goodman's* Caſe. *Cro.* 3 Part, 442.

2. Aſſumpſit: Whereas the Plaintiff at a certain day then paſt, at the Defendant's Requeſt, had lent him 30 l. for ſuch a time. The Defendant promiſed to lend to the Plaintiff upon Requeſt 30 l. for a year, or otherwiſe to give him 40 s. It was the Opinion of the Court, That the Action did not lye, becauſe the Conſideration and Promiſe ought to go together, or elſe it ought to be a Conſideration continuing. Mich. 44 Eliz. C. B. *Docket* and *Voyle's* Caſe. *Cro.* 3 Part, 885.

3. There was at the Requeſt of the Defendant a Communication of a Marriage between the Plaintiff and the Defendant's Daughter: The Plaintiff married her, and afterwards the Defendant promiſed to pay the Plaintiff 100 l. It was the Opinion of the Juſtices in this Caſe, That it was a good Conſideration, although upon a Conſideration paſt. Trin. 29 El. B.R. *Monſh* and *Kavenford's* Caſe. *Cro.* 3 Part, 59. See Hill. 31 Eliz. B. R. *Kirkby* and *Cole's* Caſe. *Cro.* 3 Part, 131. acc.

4. A man recited by Indenture, That whereas J. S. ſtands bound in a Recognizance for him, he for diverſe good Conſiderations bargains and ſells his Lands to him and his Heirs: It was holden by the Juſtices in this Caſe, That it was no good Bargain and Sale, becauſe the Vendor had nothing for his Land: But it was holden, That it had been a good Conſideration to raiſe an Uſe by way of Covenant. Hill. 35 Eliz. C.B. *Ward* and *Lambert's* Caſe. *Cro.* 3 Part, 394.

5. Aſſump-

5. Aſſumpſit: Whereas A. was ſeiſed of Lands in Fee, and was bound in 1000 l. by Recognizance to the Plaintiff, and enfeoffed the Defendant of his Land: The Defendant, in conſideration that the Plaintiff ſhould aſſign over to him his Recognizance, promiſed to pay the Plaintiff 80 l. before ſuch a day. Upon *Non Aſſumpſit* it was found, That at the time of the Recognizance made, A. was ſeiſed of the Land ſold to the Defendant, and of a Cloſe called W. and enfeoffed J. S. of the Cloſe called W. and the Plaintiff releaſed to J. S. all his Right and Demand in the Land called W. And afterwards A. enfeoffed the Defendant, and the Defendant promiſed *ut ſuprà*, and that the Plaintiff aſſigned the Recognizance to the Defendant, and if the Aſſignment of the Recognizance was a ſufficient Conſideration; the Jury found for the Plaintiff. It was in this Caſe Reſolved, 1. That the Aſſignment of a Debt or a Recognizance to a Stranger is an illegal and void Conſideration; but to aſſign it to the Terr-Tenant in diſcharge of the Land is lawfull. 2. That this Releaſe to J. S. of all his Right and Demand in the Land is not a Diſcharge of the Recognizance; for at the time of the Releaſe made, he had no Right nor Cauſe of Demand in the Land, for the Land is not the Debtor but the Perſon, and the Land is only chargeable in reſpect of the Perſon; and here in this Caſe, before Execution ſued, he had not any Right nor Demand in the Land, wherefore it is not any diſcharge of the Recognizance: It was adjudged for the Plaintiff. Paſch. 38 Eliz. B.R. *Barrow* and *Gray*'s Caſe. *Cro.* 3 Part, 552.

6. Aſſumpſit: In conſideration the Plaintiff would make a Leaſe unto him of ſuch Land, the Defendant promiſed to pay 20 l. Upon *Non Aſſumpſit*, it being found againſt the Defendant: It was moved in ſtay of Judgment, That the Plaintiff had not performed the Conſideration; for he being to make a Leaſe, it ſhall be intended a Leaſe for life. But it was the Opinion of the Court That the Promiſe being general, to make a Leaſe, it may be any Leaſe, *viz.* at Will, which he might determine preſently, and it is not any Conſideration to ground an Action. Paſch. 39 Eliz. C. B. *Ferby* and *Larkin*'s Caſe. *Cro.* 3 Part, 566.

7. Error in Aſſumpſit: Wherein the Plaintiff declared, Whereas the Defendant was bound to him in 200 l. which Bond he had aſſigned to the Queen, being indebted to her, That the Defendant, in Conſideration that the Plaintiff would forbear to procure any Proceſs againſt him for the ſaid Debt till *Hillary* Term following, promiſed to pay the Plaintiff 200 l. Judgment being for the Plaintiff, and Error brought in the Exchequer Chamber: It was holden by all the Juſtices and Barons, That the Debt by Aſſignment being conveyed to the Queen, the forbearance of the procuring any Proceſs was not any benefit or eaſe to the Defendant, notwithſtanding ſuch Promiſe; and ſo no good Conſideration to ground Aſſumpſit upon. Hill. 41 Eliz. B.R. *Bawes* and *Powlet*'s Caſe. *Cro.* 3 Part. 653 654.

8. Aſſumpſit: Whereas he ſold to the Defendant's Son certain Weighs of Cheeſe; the Defendant, in Conſideration that the Plaintiff would deliver the ſaid Cheeſes to his Son, promiſed, That if the Son did not pay for them, he would: Upon *Non Aſſumpſit* found for the Plaintiff, it was ſaid, It was no Conſideration; for it is no more than what the Law appoints, to deliver that which is ſold. But the Court held the Conſideration to be good; for it is an eaſe to the Bargainee to have them without Suit, which peradventure otherwiſe he could not have; and although the Bargainee may take them in this Caſe, the Bargainor is not bound to deliver them. Mich. 41 Eliz. B.R. *Sherwood* and *Woodward*'s Caſe. Mich. 41 Eliz. B. R. *Cro.* 3 Part, 700.

9. Aſſumpſit: The Plaintiff declared, In Conſideration that the Plaintiff at the inſtance of the Defendant had promiſed to pay 120 l. to one R. wherein the Defendant was endebted to R. the Defendant promiſed he would pay the Plaintiff this 120 l. when he ſhould be required: It was moved, That this is not any Conſideration, for it is not any benefit to the Defendant, becauſe he is not thereby diſcharged of his Debt, and it is not alledged, That he paid it to R. nor the Promiſe alledged to be made to R. and if it had been, it had not been good, for that there was not any Conſideration between them: But the Court held it to be good enough; for there is a mutual Promiſe, the one to the other, and a Promiſe againſt a Promiſe is a good Conſideration. Paſch. 41 Eliz. B. R. *Wickalls* and *John*'s Caſe. *Cro.* 3 Part, 703.

10. Aſſumpſit: In Conſideration that he, at the Defendant's Requeſt, by Deed *dediſſet & conceſſit* to the Defendant the firſt and next Avoidance of the Church, the Defendant promiſed to pay to the Plaintiff 100 l. Being found for the Plaintiff, it was ſaid, That this was upon a Conſideration paſt: But the Court Reſolved the contrary; for the Grant being at his Requeſt, it was a ſufficient Conſideration, although it was diverſe years paſt, eſpecially being to the Defendant himſelf, the Conſideration ſhall be taken to continue; but if it had been to a Stranger it had been otherwiſe. Mich. 41 Eliz. B. R. *Riggs* and *Bullingham*'s Caſe. *Cro.* 3 Part, 715.

11. Debt

11. Debt againſt an Executrix: The Plaintiff declared, That the Teſtator leaving ſufficient Aſſets to pay his Debts, that he intended to ſue the Executrix, to recover 8 l. *ſecundum debitum legis cuſum*; and that the Defendant in Conſideration that he would forbear the Executrix, promiſed to pay the Money, which ſhe did not pay: In Aſſumpſit found againſt the Defendant, it was the Opinion of the Court, That as this Caſe was the Action did not lye; for this Debt is intended to be moſt ſtrong againſt the Plaintiff, to be a ſimple Contract with which the Executrix is not chargeable; and to ſtay this Suit is not any Conſideration, for the Suit intended is an Action of Debt which lyes not, and ſo no Conſideration. But if he had intended to have ſued in Chancery for it, (which ſhall not be intended in this Caſe, becauſe he intended to recover *per debitum legis cuſum*,) then perhaps this Action, upon ſuch Aſſumpſit, would have lyen. Hill. 43 Eliz. B. R *Peck* and *Lovedon*'s Caſe. *Cro.* 3 Part, 804.

12. Error in Aſſumpſit: The Conſideration was, The Plaintiff declared, in Conſideration that he would deliver to A. certain Beaſts, as he ſhould buy, that if A. bought of him any Beaſts, for ſuch a Sum of Money, to be paid *ad aliquod tempus vel tempora tunc futura inter eos concordand.* and did not pay it, he would pay it; and alledged that he ſold to A. twenty Beaſts for 38 l. whereof 20 l. to be paid in hand, and the other 18 l. at a day to come, and A. had not paid him the 18 l. Upon *Non Aſſumpſit* found for the Plaintiff, Judgment was given, and thereupon Error brought, for that the Conſideration is not alledged to be performed, for he promiſeth to pay only for thoſe which are ſold to be paid at a future day, and here it is not ſold to be paid at a future day, but part in hand, and part at a day to come, and the Promiſe muſt go to the entirety. But the Court held it to be good enough; for when part is to be paid at a future day, it is within the Promiſe, and the Promiſe is not, If he ſells for Payment at a future day, although part be paid immediately: The Judgment was affirmed. Hill. 43 Eliz. B. R. *Philips* and *Turner*'s Caſe. *Cro.* 3 Part, 807.

13. Aſſumpſit: Whereas the Plaintiff was to deliver to J. S. twenty Combs of Barley ſuch a day; the Defendant in Conſideration that he would deliver it to the Defendant, promiſed to deliver it to J. S. at the day: In this Caſe, it was adjudged, That although it was alledged, that the Defendant had the better Credit by reteining of it in his hands, and ſo adjudged in B. R. Yet upon Error brought, it was Reſolved in the Exchequer Chamber, That there was not any ſufficient Conſideration, and the Judgment was reverſed. Paſch. 44 Eliz. C. B. *Kich* and *Bridge*'s Caſe. *Cro.* 3 Part, 883.

14. Action upon the Caſe: The Plaintiff ſhewed, That whereas he had the Preſentation to the Church of N. and one W. had a Preſentation to the ſame Church from the Univerſity of *Oxford*: That there being a Communication betwixt the Plaintiff and the Defendant concerning the ſame; the Defendant promiſed, That if the Plaintiff would ceaſe proſecution of any Inſtitution upon it, that the Defendant promiſed to give him 30 l. and a Gelding: It was the Opinion of the Juſtices in this Caſe, That it was not any good Conſideration to ground an Aſſumpſit. Mich. 22 Jac. B. R. Dr. *Walſon* and *Bradbaw*'s Caſe. See the Reports annexed to *Bendlowes*, 150.

Conſultation.

1. A Man libelled in the Spiritual Court for Tythes of Slate-ſtone: The Defendant prayed a Conſultation, for that the Plaintiff heretofore ſued a Prohibition for the ſame Cauſe in Chancery, and upon the ſame Libel, and there a Conſultation was granted; for infinitely otherwiſe he ſhould be vexed: And when one Court grants a Conſultation, he ſhall not ſue a Prohibition in another Court: Wherefore a Conſultation was granted, if before a Conſultation was granted in another Court upon the ſame Cauſe: And in this Caſe, it was holden by the Juſtices, That no Tythes are due of a Quarrey of Slate or Stone. Paſch. 34 Eliz. C. B. *Liſſe* and *Watt*'s Caſe. *Cro.* 3 Part, 277.

2. Prohibition upon a Suit for Tythes of Corn, Wool, and Calves; for the Corn, the ſuggeſtion was, That they had uſed to pay in the Pariſh, the tenth Sheaf in Satisfaction of all Tythes for Corn to the Parſon, and that he ſet them out, and the Parſon had them: which Plea he offered in the Spiritual Court, and they would not allow it. The Court held, That for that it was a good Suggeſtion, and a Prohibition granted; for that if the Tythes be once ſet out, it is no reaſon that the Pariſhioner ſhould be charged again: For the Calves, The Suggeſtion was, That they had uſed to pay 2d. within the Pariſh, for the Milk of every Cow in ſatisfaction of Calves: The Proof was, there was ſuch an Uſage for all the Lands except five Farms; and for this Cauſe, the Court held, That he had failed in his Preſcription, for that it might be that theſe

Lands were parcel of the five Farms: Wherefore a Consultation was granted, but if it had been proved that the Lands were not parcel, it had been otherwise. Trin. 30 Eliz. C. B. *Bennet* and *Shortwright*'s Case. *Cro.* 3 Part, 206.

3. Prohibition: The Plaintiff surmised that the Church of B. was a Donation, and that the King was seised in Fee of the Advowson; and granted the same to J. S. from whom he made Title, and that one A. pretending it to be Presentative, and that he was Patron, presented the Defendant, who sued in the Spiritual Court to have Induction, and cited W. F. who had it of the Donation from the Plaintiff, who appeared, and appeal'ed to the Delegates, and dyed; and the Plaintiff comes in *pro Interesse suo*, and pleaded his Title, that he had this Church a Donative; which Plea being there refused, he prayed a Prohibition: It was the Opinion of the whole Court, That a Consultation ought to be granted in this Cause, because the Defendant claimed nothing but Induction, which cannot be any way prejudiciall to the Plaintiff; for if it be a Donative, the Induction is to no purpose; and if it be Presentative, the other can have no Remedy for the profits till Induction, nor try his Right. And although W. F. be dead, the Suit is not determined, for it is made to the Judge, and he *ex Officio* is to bring in the party who pretends Interest: Wherefore a Consultation was granted. Hill. 41 Eliz. B. R. *Symms* and *Fanchild*'s Case. *Cro.* 2 Part, 653.

Copyhold and *Copyholders*.

1. NOte, It was holden by the Court, That Tenant by Copy of Court-Roll, cannot by the Common Law take Trees for House-bote, Hedg-bote, and Cart-bote, as Tenant for life, or years may do; otherwise it is, if there be a special Custom for it. Pasc. 24 Eliz. B. R. The Lord *Mountague* and *Shephard*'s Case. *Cro.* 3 Part, 5.

2. A Copyholder devised Lands to his Wife for life, and that she should sell the Lands for payment of his Debts, and surrenders to the Use of his Will; the Copyholder dyes, and his Wife surrenders it upon Condition to pay 12 l. It was the Opinion of the Justices in this Case, That it was a good Sale. Hill. 27 Eliz. *Bright* and *Hubbard*'s Case. *Cro.* 3 Part, 68.

3. Tenant for life of a Copyholder, the Remainder in Fee to an Enfant, joyn in a Surrender to J. S. who is admitted Tenant for life, and he in the Remainder dyes. It was holden in this Case, That the Heir of him in the Remainder may enter, and shall not be put to his *Dum fuit infra ætatem*. Mich. 30 Eliz. B. R. *Knight* and *Fortipan*'s Case. *Cro.* 3 Part, 90.

4. The Father of a Copyhold surrenders it to the Use of his Son in Fee, upon condition to perform Covenants in an Indenture. The Son after Admittance surrenders to J. S. upon condition, that if the Son pay 10 l. the surrender to be void: The Son neither payes the 10 l. nor performs the Covenants; the Father dyeth, the Lands discend to the Son. It was the Opinion of the Court, That by the Entry of the Father both the Surrenders were avoided, and that then the Son might well enter, and avoid the Surrender made to J. S. Trin. 33 Eliz. B. R. *Symonds* and *Lawal*'s Case. *Cro.* 3 Part, 239.

5. Note, It was adjudged by the whole Court, That if a Copyholder cut down Trees without Custom it is a forfeiture, unless it be for Reparation. Hill. 35 Eliz. B. R. *East* and *Harding*'s Case. *Cro.* 3 Part, 292.

6. If an Estate Tail may be of a Copyhold: The Court was divided in Opinion. Trin. 36 Eliz. B. R. in *Gravenor* and *Rice*'s Case. *Cro.* 3 Part, 307.

7. A Copyhold demisable by Custom for one or two lives was granted to A. for life, and to B. *durante viduitate sua*. It was the Opinion of the Justices, That the Grant was good, for when the Custom doth warrant the greater Estate, it doth warrant the lesser, and especially because this Estate *durante viduitate* is an Estate for life. Pasch. 36 Eliz. B. R. *Downs* and *Hopkins* Case. *Cro.* 3 Part, 323.

8. The Case was, A Copyholder surrenders to the Use of J. S. The Lord without reasonable cause doth refuse to admit him: The Question was, If he might enter without Admittance. It was the Opinion of the Court, That he could not enter, unless there be a special Custom to warrant it; for after the Surrender, and before Admittance, he who maketh the Surrender continueth in Possession, and not the Lord or *Cestuy que use*. Mich. 37 Eliz. B. R. *Berry* and *Green*'s Case. *Cro.* 3 Part, 349.

9. In Trespass: The Question was upon forfeiture of a Copyhold by reason of a Lease for years made by a Copyholder: It was holden by the Court, That a Lease for years of Copyhold-Land by Indenture, is a forfeiture, unless there be an express Custom to warrant it; and whereas it was

shewed,

ſhewed, that there were Leaſes made of it by Indenture, 27 H.8. and divers times ſince, ſome 20, ſome 40 years: The Court held the ſame was not ſufficient, for they are of too late time to prove a Preſcription which ought to be from time to time, whereof the memory of man is not to the contrary. Mic. 37 Eliz. B.R. *Jackman* and *Hoddeſdon*'s Caſe. *Cro.* 3 Part, 351.

10. In Treſpaſs: It was found by Verdict, That the Land was Copyhold demiſable in Fee, in Tail, or for Life; and that A. was ſeiſed thereof in Tail, the Remainder to B. in Tail, and ſuffered a Recovery with Vouches in the Court of the Mannor, and afterwards he dyed without Iſſue, and they found, *Quod nulla ſit conſuetudo pro communibus Recuperationibus antè uſitat.* in the ſaid Mannor. It was the Opinion of the Juſtices in this Caſe, That the Recovery ſhould not bind the Iſſue in Tail; for it ſhall not bind but upon a Recompence in value, and here he cannot have any Land in value, and if it ſhould be ſo conveyed, the Lord ſhould thereby loſe his Fine, and one ſhould hold his Land as a Copyholder, without Admittance or Grant from the Lord, which is contrary to the nature of Copyhold, and contrary to the Preſcription. Mich. 37 Eliz. B. R. *Clun* and *Penſes* Caſe. *Cro.* 3 Part, 391.

11. The Caſe was; A. ſeiſed of a Mannor in which were divers Cuſtomary Lands, demiſed by Copy for three lives; The Lord did demiſe ſome of thoſe Lands to three Siſters, *Habendum* to them for their lives *ſucceſſivè*, for the Fine of 100 l. by them paid; The eldeſt Siſter, who was Tenant in perſon, took to Husband C; after, the Lord by Indenture leaſed the ſame Land to the eldeſt Siſter, the Remainder to the Husband, the Remainder to the ſecond Siſter; and no agreement was made thereunto by the ſecond Siſter by Deed before, or after the making of the ſaid Indenture; but four dayes after the Leaſe made, ſhe agreed to it in the Chancery, and then took to Husband C, and they entred, claiming of the ſaid Lands. The point was, When the Leaſe by the Indenture was made to the eldeſt Siſter, at which time no agreement was made by the ſecond Siſter, who was in Remainder yet when after ſhe agreed; If by that agreement, her Right to the Copy-holder was extinct or not, ſo as the Intereſt of the eldeſt Siſter being gone by the acceptance of the eſtate, the ſecond Siſter might come and claim her Cuſtomary eſtate and Intereſt, paramount the Intereſt of the elder Siſter. In this Caſe, It was ſaid by *Gawdy*, Juſtice, That the Remainder is in the Conſideration of the Law, and the eſtate of the firſt Siſter is not ſo determined, that any can take advantage of it; For the Lord againſt his Leaſe cannot enter or claim any thing; and the ſecond Siſter, although ſhe hath not agreed, cannot enter during the Life of her elder Siſter; for her Remainder takes effect in perſon after the death of the ſaid Siſter. Afterward Judgment was given in this Caſe againſt the younger Siſter. Trin. 29 Eliz. B. R. *Curtiſe* and *Cottell*'s Caſe. *Leon.* 2. Part, 72.

12. In *Ejectione firme*; The Caſe was, The Lord of a Mannor made a Leaſe to 2 of his Copyholders of the Court Baron of 200 years, ſaving to himſelf the other Demeaſnes and Services: The Leſſor keeps Court, a Copy-holder Surrendred to to the uſe of A. in Fee; A. obtains Licenſe in Court to lett it for 21 years from Mich. paſt; Afterwards he makes a Leaſe for 21 years, to begin at *Chriſtmas* following to the Plaintiff: If this was a good Grant by Copy, and this Leaſe by the Copy-holder allowable or not, was the Queſtion. It was holden by the Court, 1. That it was a good Copy, and the Court may well continue it to that purpoſe for admittance of Copy-holders; for otherwiſe any one by his own Act might deſtroy his Copy-hold eſtate: And the Court held, 2. That the Leaſe was not warranted by this Licenſe, and then the *Ejectione firme* did well lye. Trin. 36 Eliz. C. B. *Jackſon* and *Neal*'s Caſe. *Cro.* 3. Part, 394.

13. In Treſpaſs for cutting of Wood; The Caſe was, That J. S. was ſeiſed of a Manner whereof the place where, &c. and that the underwood growing upon the place, where time thereof &c. had been demiſed by Copy; and the ſaid J. S, before the Leaſe made to the Defendant, granted to the Plaintiff and his Heirs by Copy the under-wood there from time to time growing, to be cut down by the Plaintiff and his Heirs, *quolibet anno*, four or five Acres, *Annuatim*. The Queſtion was, Whether under-wood growing can be demiſed by Copy; for here the Soil it ſelf is not lett, but only the under-wood. It was Reſolved by the Court, That this under-wood is a thing of Inheritance and perpetuity; for after every cutting, they will grow again, and ſo may be well demiſed in Fee by Copy: And in this caſe, It was ſaid, That a Market within a Mannor might be demiſed by Copy, and that a Grant of Tythes by Copy was good, as it was adjudged in Sir *John Bourn*'s Caſe. Paſch. 37 Eliz. B. R. *Hoe* and *Taylor*'s Caſe. *Cro.* 3 Part, 413.

14. The Queen, Lady of a Mannor, by her Steward did Licenſe a Copyholder to make a Leaſe for 3 lives, if he ſhould ſo long live; the Copy-holder did make a Leaſe generally to the Plaintiff for three years; It was ſaid in this caſe, That the Copy-holder had not perſued his Licence; for a Licence or Authority muſt be ſtrictly

perſued: But it was holden by the Court, That he had well perſued his Licence. For when his Licence is to make a Leaſe for years, if he ſo long live; the words, [If he ſo long live] are but Surpluſage. For the Law ſayes, That if a Copyholder makes a Leaſe for years, and dyes, the Leaſe is determined; and therefore the clauſe in the Licence is no more then what the Law ſaies, and ſo is void: A difference was taken between a Copy-holder in Fee, and for life. For if the Lord doth Licence a Copyholder in Fee, to make a Leaſe for three years, if he live ſo long, and he makes a Leaſe abſolutely; this is no forfeiture, for this Leaſe ſhall be a good Intereſt againſt the Heir of the Copy-holder; but otherwiſe it is of a Copy-holder for Life. Hill. 38 Eliz. B. R. *Haddon* and *Arrowſmith's* Caſe. *Cro.* 3. Part, 402.

15. Copy-holder in Fee, rendring Rent at *Mich.* and our Lady day: The Lord at the laſt inſtant of the day of payment, demands the Rent upon the Land, and the Copy-holder is not there to pay it. *Quære*, if it be a forfeiture: It was not Reſolved, The Court being devided in Opinion. Trin. 38 Eliz. B. R. *Criſpe* and *Fryer's* Caſe. *Cro.* 3. Part, 705.

16. The Caſe was; A Copy-holder had Licence from his Lord to lett his land for 21 years, he lett it to the Plaintiff for three years, who entred, & being ejected brought an *Ejectione firmæ*: It was the Opinion of all the Barons in the Exchequer, that the Ejectment was well brought, for that it is a good Leaſe between the parties. Mich. 38 Eliz. in the Exchequer. *Goodwin* and *Langluiſts* Caſe. *Cro.* 3 Part, 535.

17. The Caſe was this, Tenant for life, the Reverſion in Fee to J. S. of a Copyhold: Tenant for life ſold it in Fee, and to make the Sale good, it was deviſed, That he ſhould commit Waſte to make a forfeiture, and that the Lord ſhould enter for the forfeiture, which he did accordingly; and then the Lord granted it to the Vendee, upon a condition, That he ſhould repaire the Waſte, and alſo Grant a Sum of Money to the Vendor, the Tenant for life. In this Caſe, it was holden by the Court, That this Colluſion and Fraud to which the Lord was conſenting ſhould not prejudice him in the Reverſion, but that he might enter, and that the Lord ſhould not take advantage of the forfeiture. Trin. 39 Eliz. B. R. *Raſtall* and *Turner's* Caſe. *Cro.* 3 Part, 598.

18. The Cuſtom of a Manor was, That *Dominus pro tempore* might make Demiſe for two or three lives in Poſſeſſion or Reverſion: A Woman Tenant for life of the Manor in Dower granted a Copyhold to J. S. and two others for their lives, *Habend. poſt mortem* A. B. and then dyed; and after A. B. dyed. It was holden by the Court in this Caſe, That the Grant was good in Reverſion, although it was executed in the life of the Tenant in Dower. Paſch. 41 Eliz. *Gay* and *Kay's* Caſe. *Cro.* 3 Part, 661.

19. Note, It was Reſolved by the whole Court, That if the Lord demands an unreaſonable Fine of his Copyholder, where the Fine is incertain, if he deny it, it is no forfeiture of his Copyhold, as it was adjudged in *Holdeſdon's* Caſe. 2. That where a Fine is certain, the Heir ought to tender it upon his Prayer to be admitted, otherwiſe the Lord is not to admit him; but where it is incertain, he needs not to bring it with him, becauſe he knows not what he ought to bring, but the Lord ought to aſſeſſe the Fine, and admit him, and he ought to have convenient time for the payment of it. Mich. 42 Eliz. B. R. *Dalton* and *Hammond's* Caſe. *Cro.* 3 Part, 779.

20. In Replevin: The Caſe was, A Copyholder of a Mannor, who had Common by Preſcription in 60 Acres of Land, parcel of the Demeſnes of the Mannor, eſcheated. The Lord by Deed granted it to another in Tail, by the name *Communitatum quarumcunq; dict. Meſſuagio ſive tenement. ſpectant. ſive aliquo modo pertinent. vel cum eodem Meſſuagio dimiſſo uſitat.* If the Grantee have Common in the 60 acres, was the Queſtion? Reſolved *per Curiam*, That the Donee in Tail ſhould have ſuch Common as the Copyholder had, but the ancient Copyhold which was by Preſcription, was determined by the Unity of the Poſſeſſion of the Lord; but the Grant ſhould enure as a new Grant of the like Common. Paſch. 40 Eliz. C. B. *Woledg* and *Kingſmills* Caſe. *Cro.* 3 Part, 794.

21. In Trover and Converſion of 20 Loads of Hay: It was found by Verdict, That they were appertaining to the Rectory of H. and demiſed and demiſable time out of mind, *ſecundum Conſuetudinem Manerii de* H. and that the Prior of M. was ſeiſed of the Mannor and Rectory of H. and 27 H. 8. demiſed thoſe Tythes by Copy to J. S. under whom the Defendant claimed: And after, by the Statute of Diſſolution, the Mannor and Rectory came to King *Henry* the 8th, who conveyed it to the Biſhop of Y. who lett the Rectory to the Plaintiff, who claimed theſe Tythes; the Defendant under the pretence of that Copy, carried them away: The Queſtion was, Whether theſe Tythes were grantable by Copy; it was ſaid, They were not, in reſpect of the Nature of Tythes, wherein none could have property before the Council of *Lateran*, *in temps* King *John*, and by that Conſtitution they are annexed to the Rectory. 2. It was impoſſible there ſhould be any Cuſtom to demiſe them by Copy, when none had Intereſt

tereſt in them but within time of memory; and alſo Tythes cannot be parcel of a Mannor, for they are of ſeveral natures though united in one man's hands: It was adjudged for the Plaintiff, but eſpecially becauſe upon the Verdict it did not appear, that they had been granted by Copy from time to time, whereof memory of man was not to the contrary. Paſch. 43 Eliz. B. R. *Sands* and *Dwyes* Caſe. *Cro.* 3 Part, 814. See before, Caſe 13.

22. Note: Reſolved, That a Copy-hold Eſtate is not barred by Fine and five years, and that Leſſee for years *in futuro* is not barred by ſuch a Fine, but other wiſe of a Leſſee in Poſſeſſion. Trin. 2 Jac. C. B. *Mills* and *Bradley's* Caſe. *Noy*, 23.

23. A Copy-hold was ſurrendred to the Uſe of A. for life, the Remainder to B. in Fee, into the hands of a Cuſtomary Tenant, in the preſence of two others. The Cuſtom of the Mannor was, That if at the next Court, after ſuch a Surrender, it be to be ſurrendred, Proclamation was to be made, That if any claim *&c.* to be admitted, that he ſhould come, and he ſhould be heard; and if none came, then two Proclamations were to be made; and if none came before the third Proclamation, then it ſhould be a Bar to him and his Heirs to whoſe Uſe the Surrender was made. A. did not come before the three Proclamations, thereupon the Lord granted the Copy-hold to another: It was the Opinion of the Court in this Caſe, That he in the Remainder was not barred after the death of A. for B. in Remainder cannot come and claim to be admitted preſently, but the Lord ſhall hold it during the life of A. So it was adjudged in *Ruſſhale* and *Long's* Caſe, *Noy*, 42. and ſo it was ſaid, it was adjudged. Trin. 29 Eliz. in *Raſtall* and *Lowes* Caſe. And Paſch. 3 Jac. in C.B. in *Whiton* and *Savages* Caſe. That ſuch a Cuſtome ſhall not barr him who is beyond Sea, when ſuch a Surrender is made, or when the Copy-hold deſcends. *Noy*, 42. See *Yelverton*. Paſch. 44 Eliz. B. R. *Yelverton*, 1. in the ſame Caſe.

24. Upon a Demurrer: The Caſe was, An Infant Copy-holder in Fee made a Leaſe for years without Licence, rendring a Rent; and at full Age he accepted the Rent, and afterwards ouſted his Leſſee, who thereupon brought *Ejectione firmæ*. In this Caſe it was agreed by the Court, 1. That a Leaſe for years by a Copyholder, although it be a forfeiture, yet it is no Diſſeiſin to the Lord. 2. That the Leaſe is not void, but voidable, and may be affirmed by Acceptance of the Rent. 3. That ſuch a forfeiture doth not bind an Infant. Trin. 2 Car. B. R. Rott. 913. *Aſhfield* and *Aſhfield's* Caſe. See the ſame Caſe more at large, *Lib.* 1. Title *Copyhold*, fol. 456. Caſe 8.

25. Note, It was Reſolved by the Court, That the Lord may diſtrein his Copyholder for the Services, or he may ſeiſe the Copyholders Lands. Mich. 7 Jac. B. R. *Rivet* and *Dawes* Caſe. *Noy*, 135.

26. In Treſpaſs: The Defendant pleaded, That the Land is Copyhold, parcel of the Mannor of D. and that J. 24 Eliz. granted it to him by Copy: The Plaintiff Replyed, That Sir H. R. 28 H. 8. granted it to one F. the Husband, and his Wife, and their Heirs; the Husband dyed, the Wife ſurvived and dyed: J. admitted the Defendant, the Plaintiff as Heir of the Wife enters. The Point was this, The Copyholder dyes, and the Lord admits a Stranger: It was adjudged, That the Heir might enter, and upon the Re-entry maintain Treſpaſs without an Admiſſion by the Lord. *Simpſon* and *Gillion's* Caſe. *Noy*, 172.

27. A Parſon ſued a Copyholder in the Spiritual Court, for Tythes ariſing upon his Copy-hold: He prayed a Prohibition and ſuggeſted, That the Biſhop of W. was Lord of the Mannor, and that he and his Predeceſſors, time out of mind, for them and their Farmors, and Tenants, had been diſcharged of Tythes ariſing upon the Mannor, and ſhewed that he had been a Copyholder of the Mannor, time out of mind *&c.* and preſcribed in his Lord: In this Caſe, it was holden by the Juſtices, That although here is a Preſcription upon a Preſcription, one in the Copyholder to make his Eſtate good, the other in the Biſhop to make his Diſcharge good, yet a Prohibition lyeth; for the Preſcription in the Lord of Right, of neceſſity and common intendment precedes the Preſcription in the Copyhold Eſtate; and the Diſcharge of Tythes in the Lord ſhall go to the benefit of the Copyholder. Paſch. 1 Jac. *Crauche* and *Frizt's* Caſe. *Yelverton*, 2.

28. J. S. and others were Indicted upon the Statute of 8 H. 6. for entring into parcel of a Mannor of Sir *Andrew Norrell*, and whereof F. was a Cuſtomary Tenant, and expelling of F. Although it was ſtrongly moved in this Caſe, That no Reſtitution ſhould be (for in truth the Entry of thoſe who were indicted, was by the Command of Sir *Andrew Norrell*, upon F. who had forfeited his Copyhold); Yet it was the Opinion of the Court, That Reſtitution ſhould be granted in reſpect of F. the Copyholder; for becauſe the Indictment is a Record by which appeareth the Diſſeiſin of Sir *Andrew Norrell*, and the Expulſion of F. the Court in Diſcretion ought to reform the Wrongs in their ſeveral degrees: 1. To reſtore F. who was expelled, and then *ex conſequente* will follow the Reſtitution to the Tenant of the Free-hold. Hill. 3 Jac. B. R. Sir *Andrew Norrell's* Caſe. *Yelv.* 81.

29. The

29. The Grand-Father of the Plaintiff being a Copyholder in Fee, surrendred to L. W. in Fee, who surrendred to the Use of M. J. for life, who is admitted, but L. W. himself was never admitted: the Grand-Father and Father dyed; the Son, the Plaintiff, is admitted, & entred upon the Land, M. J. being in possession, the Defendant then dwelling with M. J. as Servant with her in the Tenements. It was holden in this Case by the Court, That the Defendant is a sufficient Ejector, although he be but a Servant to the pretended Owner; and he who hath the true Title may bring his Action, either against the Master or Servant, at his Election. 2. It was holden, That the Surrender to J. S. of a Copyhold is not of any effect untill he be admitted Tenant; and if J. S. doth surrender to a Stranger who is admitted, it is not of any worth to a Stranger, for J. S. himself hath nothing, and therefore can surrender nothing; and the Admittance of his Grantee shall not be taken to be his Admittance by Implication, but the Right remains yet in him who first surrendred, and shall discend to his Heir. 30. Note, It was conceived by the Court, That if a Copyholder doth not come to do his Services, if he be often required so to do, but puts them off to do them at another time; although in such Case he doth not absolutely refuse to do them, yet the same makes a forfeiture. But if the Tenant saith, These Services which you require, it is doubtfull whether you ought to have them or not; and untill it be Resolved by Law, Whether they be due, I will not pay them: It was adjudged Pasch. 26 Eliz. in *Bynham* and *Higgins* Case, That such a Denyal shall not be a forfeiture. Hill. 22 Jac. B. R. *Johnson's* Case. *Latch*, 14. See Trin. 1 Car. B. R. *Gray* and *Ulisses* Case. *Latch*, 122, 123. acc.

31. The Lord demanded his Rent of his Copyholder, and he answered, He had it not there with him, but that he would pay it so soon as he could; The Lord said to him, Pay it at my House such a day (the House was within the Manor). It was in this Case holden, That the first words were not a forfeiture; but when the Lord assigned him a day certain, at which he failed, It was said, That such a failer amounted to a wilful Refusal, and was a forfeiture. It was Objected in that Case, That the Lord should have assigned the next Court day: But it was said, Not so; But yet if the place assigned be out of the Manor, there the Failer of Payment shall not be a forfeiture. See *Williams* Case. Vouch in *Grey* and *Ulisses* Case. *Latch*, 122.

32. In an Evidence to a Jury: One of the Jurors demanded the Direction of the Court in this Point, If the Lord maketh a Lease for life to a Copyholder by word, If the same doth destroy his Copy-hold. It was the Opinion of the Court, That it did, if Livery were made; otherwise Not: Yet *Jones* Justice said, That if the Lease was for life, the Copyhold was gone without Livery, *Quod non fuit negatum*. Corporations.

1. THE Queen made a Lease for years of Land to the men of *Chelmsfield*, reserving Rent, and the Grant was to them by the name of the Aldermen of *Chelmsfield*: Afterwards, they by the name of Aldermen of *Chelmsfield* grant all their Interest in the said Land to J. S. It was agreed in this Case by the whole Court, That the Grant made by them is void; for that they by the Grant of the King have a capacity made, but not to grant the Land unto another. Mich. 24 Eliz. B. R. The Aldermen of *Chelmsfield's* Case. Co. 3 Part, 35.

2. A Writ of Right was brought by the Warden of *All-Souls* College in *Oxford*, by the name of *Custos & Collegium* of *All-Souls* in *Oxford*; and the Writ was, *Quod clamat tenere de nobis in libero, puro, & perpetuam Eleemosynam, & quod clamat esse jus & hæreditatem suam* &c. Divers Exceptions were to the Writ, which were over-ruled by the Court; one was, That they do not shew in fact *Collegii*: But notwithstanding that, the Writ was holden to be good; for when the Writ is brought by *Custos & Collegium*, this cannot be but in fact *Collegii*, as in their Incorporation, for that they have no other Capacity. Pasch. 31 Eliz. C. B. The Warden of *All-Souls* College in *Oxford* and *Tanner th's* Case. Co. 3 Part, 232.

3. *Ejectione firmæ*: The Case was, R. W. 6 E. 6. did devise a Messuage to A. his Wife for life, the Remainder to his Son in Tail, and if he dyed without Issue, or he at Umbrife, that it shall remain to the Master and Wardens of the Mystery of Cordwainers, *London*: Whereas they were Incorporated by the Name of Master, Wardens, and Commonalty. The Question was, If by this Misnomer of their Corporation, the Devise was void: It was the Opinion of all the Justices, That the Devise was good; for by Intendment the Devisor had no Counsel

tel there, nor had Cognizance of their name, and being known usually by that name, there is a sufficient intendment what Corporation he meant. Tr. 39 Eliz. B. R. *Foster* and *Walter's* Case. *Cro.* 3 Part, 106.

4. Note, It was the Opinion of all the Justices of the Court of Common Pleas, That an Abbot and Covent, Dean and Chapter, and all other Corporations, ought to be named truly by the names of the Corporation and Foundations, according to the Form thereof, without Omission of any part material thereof in all their Leases and Grants, and in all Actions where they are either Defendants or Plaintiffs, otherwise their Leases or Grants are void, because the name of the Corporation is as the name of Baptism of a man, which cannot be changed. Pasch. 4 & 5 Mary. *Boulters* 2.

5. If Lands holden of J. S. be given to a Corporation and their Successors, as an Abbot and Covent, Dean and Chapter, *&c.* If the Abbot and all the Covent do dy, so as the Body Politick is dissolved, the Donor shall have the Land again, and it shall not escheat to the Lord, because in the Case of a Body Politick the Fee Simple is vested in their Politick Capacity, and the Law doth annex a Condition to every such Gift and Grant, That if such a Body Politick be dissolved, the Donor shall re-enter; & if a Rent be granted to one and his Successors, and the Corporation be dissolved, the Rent shall revert to the Donor, and there is no difference as to this matter between things that lye in perader, and things which lye in render: The Principall Case was, A Prescription was laid of discharge of Tythes in Abbot and Covent, and it appeared, That the Corporation was afterwards dissolved, because all the Covent dyed, and the Land came to Lay-mens hands. Resolved, That the Prescription was determined, and the Party should pay Tythes in Kind. Mich. 11 Jac. C. B. The Dean and Chapter of *Windsor's* Case. *Godbol.* 211.

Costs and *Damages*.

1. IF an Infant bringeth an Action of Trespass by his Gardian, and after he be Nonsuit: It was the Opinion of the Court, That he shall render no Costs. Trin. 26 Eliz. B. R. *Grave* and *Grave's* Case. *Cro.* 3. Part, 33.

2. In Assumpsit, a special Verdict was found, and thereupon it was adjudged for the Defendant; It was a Question upon the Statute of 23 H. 8. If he should have Costs. It was the Opinion of the Court, For that a special Verdict is as well a Verdict for him as a general Verdict, and there is not any difference when Judgment is given thereupon; but it is as if a general Verdict had been given for the Defendant. Pasch. 38 Eliz. B. R. *Alsop* and *Clayton's* Case. *Cro.* 3. Part, 465.

3. Debt against an Executor upon an Obligation, made by his Testator; The Plaintiff was Nonsuited, he Defendant had Costs by the Order of the Court. But where an Executor is Plaintiff & is Nonsuited, he shall not pay Costs, for that it cannot be intended, that the Suit was conceived by him upon malice. Mich. 39 Eliz. B. R. *Fetherston* and *Allybons* Case. *Cro.* 3. Part, 503.

4. A. brought an Action upon the Statute of 1 and 2 Ph. and Mary, for impounding of Distresses against B: It was moved, If the Defendant should have Costs upon the Statute of 23 H. 8. *Cap.* 15. It was adjudged, That he should not, for that this Action is not conceived but upon such matter which is comprised within the Statute; also this Action upon which the Action is brought, is conceived, was made after the Statute of 23 H. 8. which gives Costs; and therefore the remedy of the former Statute cannot extend to any Action given upon this Statute. Mich. 29 Eliz. C. B. *Browne* and *Balmans* Case. *Leon.* 2. Part, 52.

5. In Banery, The Defendant was Bail for A. and B, who were afterwards condemned; Error was brought upon the Judgment in the Exchequer Chamber, and new Costs were given there by the Justices; and the Record remained, a *Scire facias* was prayed against the Bail as well for the first Damages and Costs upon the first Judgment, as for the Costs now assessed. It was the Opinion of the Justices, That the Bail was not chargeable with these Costs; for they take upon them to pay only

only the condemnation in this Court, and not of any other. Mich. 40 Eliz. B. R. *Pennaddock* and *Errington's* Case. *Cro.* 3. Part, 588. See Hill. 29 Eliz. B. R. *Wolf* and *Meggs* Case. *Cro.* 3. Part, 544 acc.

6. In Trespasse; It was found for the Plaintiff, and Judgment given; and Error brought, and assigned for Error, because the Plaintiff declared to his damage of 40 l. and the damages assessed by the Jury were 35 l; and the Costs encreased by the Court were 6 l; so the Plaintiff had Judgment to recover 41 l, which is more then where of he declares: The Error was disallowed by the Court, for the Damages found by the Jury being lesse then the Declaration, although the Costs amount to more, it is not material. But for an other Error alledged *Ostensis*, the Judgment was reversed. Mich. 44 Eliz. Exchequer Chamber, *Comb* and *Carewes* Case. *Cro.* 3. Part, 866.

7. Error upon a Judgment in C. B. in a Replevin, where the Defendant avowed for an Estray; The Error assigned was, because the Defendant had Return awarded him with Costs and Damages, where no Costs and Damages are given in this case by the Statute of 7 H. 8. or 21 H. 8. for they are only in Avowries, for Rents, Customs, Services, and Damage Feasants: The Court did doubt of the Case, for that Damages are penal, and shall not be taken by equity; and conceived that it was Error, but would advise of it. Pasch. 33 Eliz. B. R. *Haselip* and *Chaplens* Case. *Cro.* 3. Part, 257.

8. In Assumpsit found against the Defendant, and Damages were given by the Jury to 10 l. and Costs 20 s, and Judgment given accordingly; and Error brought, because the Plaintiff had received more then he declared; for he had declared but to his Damages of 10 l. and had Judgment to recover 11 l. It was Resolved, That the Judgment was good, for the Judgment for the Damages is no more then the Plaintiff had declared of; for the Jury hath severed the Damages and the Costs, and accordingly shall the Judgment be taken, for the Damages and Costs in the Action are given for several Causes; Damages for the Lesse which he sustained before the Action, and Costs for the molestation and expense in Suit; Judgment was affirmed. Trin. 3 Jac. B. R. *Vale* and *Eglet* Case. *Yelverton* 70.

9. One *Thomas Allen*, Administrator of the Goods of one *John Allen*, late Arch-Bishop of D. brought accompt against J. S, Alderman of *London*, supposing him to be Receiver to the Intestate; and before Declaration, the Plaintiff was Non-suit: In that case, It was holden, That the Defendant could not have Costs upon the Statute of 23 H. 8. because the Plaintiff did not suppose the Defendant to be his Receiver, but the Receiver of the Testate. Pasch. 29 Hen. 8. *Allens* Case. *Brudnel.* 11.

10. Debt upon an Obligation; The condition was, to pay all sums of money which the Lord Chancellor should assesse for Costs and Damages: The Chancellor referred the same to one of the Masters of the Chancery, who Reported, he thought 170 l. to be a fit sum. The Chancellor subscribed the Reports, viz. Let Costs be taxed according to the Report: In this Case, it was adjudged a good Taxation of Costs according to the condition. Trin. 21 Jac. B. R. *Harris* and *Penks* Case. See the Reports annexed to *Brudnel* 132.

11. In Replevin, the Defendant being Executors, avowed for Arrearages of Rent by 32 H. 8. The Question was, If upon Verdict a Nonsuit, the Defendants should have Costs; It was said, They should not, because by the Common Law they should not have any, and the Statute gives only the Arrearages, and 23 H. 8. which gives the Costs, doth not give any to them, for then they could not avow: But it was the clear Opinion of the Court, That they should have Costs, and that by the equity of the Statute of 23 H. 8. for 21 H. 8. gives to the Avowant, and so by 32 H. 8. they are made Avowants, and the Avowant is to have Costs where the Plaintiff at the Common Law was to have Costs; and the Statute of 32 H. 8. is, That he shall avow as his Testator might: Wherefore, and upon diverse Presidents shewed, It was the Opinion of the Court, The Avowants should have Costs. Mich. 21 Jac. B. R. *Fennell* and *Kighley's* Case. See Reports annexed to *Brudnel*, 149.

12. Note, It was said by the Court, That no Costs shall be or ought to be paid in a Writ *Scire facias*. Hill. 20 Jac. B. R. *Lathes* Case.

13. It was Resolved by the Court, Where the words of the Statute were, That the Plaintiff should have no more Costs because he had Damages, &c. in an Action &c. begun, or prosecuted &c. That where the Action was brought before the Parliament, and prosecuted after, that he should have no more Costs: Yet a man is bound to prosecute an Originall Writ when he begins.

14. A Parson of D. sued J. S. for Tythes of a Dove-house in D. and upon a Suggestion the said J. S. obtained a Prohibition out of this Court, six Months passed, and he made no Proof of his suggestion according to the Statute. The Parson took Issue with J. S. in the Prohibition, and it was found against him: The Question was, If now he shall have double Costs: It was the Opinion of the whole Court, That he should not, because he

he had surceased his time, because the words of the Statute are, That he shall have a consultation, and double Costs, if the Plaintiff in the Prohibition doth not prove his suggestion: But in this Case he can never have a consultation, because the matter is passed against him. But he ought upon the failer of proof, to have prayed a consultation, and then he should have had double Costs. Hil. 22 Jac. B. R. *Wilkinson* and Sir *George Fayres* Case. *Latch.* 140.

15. *Assumpsit*; The Case was, The Plaintiff made a Lease to J. S. for life rendring Rent. J. S. granted all his estate to the Defendant; the Rent was behind many years, the Plaintiff demanded the Rent of the Defendant; who promised him, if the Plaintiff could shew him a Deed that the Rent was due, he would pay him the Rent, and the Arrearages; and alledges, that he shewed him the Deed such a day, at such a place, and that he had not paid, &c. Upon Non-Assumpsit, It was found for the Plaintiff, and Damages assessed to as much as the Rent and Arrears did amount unto: It was said in Arrest of Judgment, That the Damages ought only to be assessed for the time the Rent was behind, and not for the Rent and the Arrearages. It was the Opinion of the Court, That the Rent and Arrearages might be well assessed all in Damages. Mich. 30 Eliz. B. R. Sir *Anthony Shirtys* and *Athorps* Case. *Cro.* 3. Part, 67.

16. In Debt, The Case was, That a woman recovered Dower of a Copy-hold according to the Custom of the Manor, by a plaint in a Court Baron, and had Judgment, and 50 l. Damages, and for the Damages she brought the Action: The Question was, Whether she might recover Damages for the 50 l. there where they can hold no Plea above 40 s: It was the Opinion of the Court, That the Damages was well awarded, and that she might well recover so much there, for as they may hold Plea of the Land, so for the Damage as far as the Demandant is dismissed. Mich. 39 Eliz. B. R. *Shaw* and *Tompsons* Case. *Cro.* 3. Part, 416.

17. Error of a Judgment in C. B. upon the the Statute of 8 H. 6. of Forcible Entry. The Error assigned was, That the Jury found Damages 20 l, and Costs 20 s, and the Costs were encreased by the Court 20 s; and the Damages and Costs being trebled, he had Judgment to recover 63 l, whereas the Costs assessed by the Court ought not to be trebled, but only those Costs which the Jury assessed: It was holden by the Court, That it was no Error; and the Judgment was affirmed. Mich. 39 Eliz. B. R. *Tarrewood* and *Sawyer* Case. *Cro.* 3. Part, 582. Battery against three, two Defendants pleaded, *De son assault demesne*, the other Not guilty. Both Issues found for the Plaintiff, and several Damages found against them. And holden not good, for it is one Offence, and Joynt-Action; and when all are equally guilty, the Damages ought to have been entire; The Judgment was reversed. Mich. 43 Eliz. C. B. *Johnson* and *Bartons* Case. *Cro.* 3. Part, 840.

18. Error of a Judgment given in the Court of *Tewkesbury* in an *Assumpsit*; upon the Verdict, the Jury gave 8 l. Damages, and 1 d. Costs; and because the Judgment here was, That the Plaintiff should recover his Damages assessed by the Jury to 8 l, and also 10 s. for Costs and Charges *de incremento Curiæ*; and no Judgment was given of the 1 d. Costs assessed by the Jury. It was holden, That the Judgment there given was erroneous; and the Judgment was reversed. Mich. 5 Jac. B. R. *Haines* and *Gales* Case. *Yelverton* 107.

19. A. sued a Prohibition against B. Parson of D. and suggested a *Modus Decimandi*, as to part of the Tythes demanded in the Spiritual Court, and a Contract betwixt him and the Parson executed for the residue: And because he did not prove his suggestion within six Months, the Parson had a consultation; and costs assessed by the Court 50 s. and damages 50 s, which by the Statute of 2 E. 6. shall be doubled; but in truth there was not any Judgment given for them, but the words (*Idem Consideratum fuit quod recuperet*) were omitted; yet the Parson thinking all had been well, brought Debt in C. B. for the costs, and had Judgment against the Plaintiff by *Nonsum informatus*. Error thereupon brought, It was holden by the Court to be erroneous, 1. Because there was not any Judgment in the Prohibition to recover the costs, but only an Assessment of them, which is not sufficient, for that is only matter of Office of the Court, but no Judgment of the Court to bind. 2. Because that No costs ought to be assessed at all in this Case, because the Prohibition is grounded as well upon the *Modus Decimandi*, which needs proof, as upon the Contract of the parties which needs no proof, and the suggestion being entire, and part of it needing no proof; they ought not to have given any costs at all: and the making of the Contract with the *Modus Decimandi* privileged the whole as to costs. Mich. 5 Jac. B. R. *Cobs* and *Hents* Case. *Yel.* 119.

20. A. brought an Action upon the Case against B. because he digged clay in the Land, where the Plaintiff had Common, and carried away the same over the said Common, *per quod* he lost his Common, and could not use his Common in as ample manner as he did before. The Defendant claimed Common in the same Land, and justified his Entry.

and set forth a Prescription, That every Commoner had used to Digg Clay there; and there being two Issues, the first was found for the Defendant, the second Issue was found for the Plaintiff, that there was no such Prescription, that a Commoner might digg Clay: The Jury did assesse Damages for the Plaintiff generally; whereupon Error was brought, It was moved, That the Plaintiff had not any Damage by carrying away of the Clay, because the same did not belong to him; and the Declaration is, *Cepit & asportavit* the Clay, which implyes a property and interest in the Clay to belong to the Plaintiff. It was adjudged by the Court in this Case, That by the digging of a Pit, the Commoner is prejudiced, and so by laying of the Clay upon the Common: So the Damages are given for the digging and carrying the Clay over the Common, and not for the Clay; and if he had suffered the Clay to have lyen, yet the Commoner is prejudiced: The Judgment was affirmed. Trin. 21 Jac. B. R. *Sheen* and *Bullocks* Case. See Reports annexed to *Beadlows* 126. See *Godbolt* 343. The same Case.

21. Error of Judgment in Action upon the Case; The Judgment after Verdict was entred for the Plaintiff thus, *Ideo ad petitionem Quer. Consideratum & adjudicatum & assessum per Curiam, quod Querens recuperet damna*, by the Jurors taxed, *necnon de incremento* Damages. It was the Opinion of the Court, That it was Error, because the Damages are encreased without the assent of the parties, or request of the Plaintiff, and because the request was not well alledged; for there needed no request for Judgment for Damages assessed by the Jurors: The Judgment was reversed. Mich. 2 Car. B. R. *Good* and *Lawrences* Case. *Latch.* 177.

22. Action upon the Case, The Plaintiff declared to his Damage of 17 l; There was a Judgment upon Demurrer for 17 l. and 20 s. for Damages assessed; In this Case, It was the Opinion of the whole Court, That the Judgment should be reversed; for that here the Damages being incertain, the Court cannot tax damages without a Writ of Enquiry first awarded. Pasch. 2 Car. B. R. *Wool* and *Brooks* Case, *Latch.* 213.

Counts or Declarations.

1. IN a Writ of Partition brought against five several persons, upon the Statute of 31 H. 8. The Plaintiff declared, That he and the other Defendants held 400 Acres of Land in Common, and sett forth their particular parts, but did not shew their several Title, nor any manner of Title how the Land ought to be divided; and this was assigned for Error upon the Judgment given in the Partition: And it was said, That in a Writ of Partition, No Land is demanded, and yet the Writ ought to Comprehend their Title *sufficienter*, where their parts are unequal, as the parts were set forth to be in this Case. But it was the Opinion of the Court, That the Declaration needed not to comprehend the Title; and by intendment he that bringeth the Action, cannot have knowledge of the Title of the others, for that every one of them may come in by a several Title: And it was said, That Mich. 29 Eliz. in *Gay* and *Berrys* Case, It was adjudged, That in a Writ of Partition between Tenants in Common, Title needed not to be shewed; wherefore the Court would not reverse the Judgment. Mich. 29 Eliz. B. R. *Windham*, *Yates*, and others Cases. *Cro.* 3. Part, 64.

2. In an Action upon the Case; The Plaintiff declared, That J. S. and his Wife were seised to them, and the Heirs of the Husband of the Acres of Meadow, lying near a River called Wisney River, and lett them to the Plaintiff for 21 years; and that the Defendant such a day erected a Water-Mill *super & trans*, the said River; by reason whereof *Obstipavit* the running water in the said River with his Mill: Upon this Declaration, It was demurred, because he declared, That the Husband and Wife were seised to them, and to the Heirs of the Husband; and shewed not how the Estate began: for it was said, It being a special Estate, and but a particular Estate in the Wife; the beginning of it ought to have been shewed. But the Justices held it to be well enough, being an Action upon the Case by their Lessee: So it is but a conveyance to the Action, & the Inheritance is in Husband. 2. Exception, because he declares of a Lease by Husband and Wife by Indenture, and shews that a Rent was reserved; and then it cannot be the Lease of the Wife. But the Court held it to be good; for it is the Lease of the Wife, until she doth disagree; and the Inheritance being in the Husband, it shall be good against him and his Heirs. Mich. 30 Eliz. B. R. *Jackson* and *Mordants* Case. *Cro.* 3. Part, 112.

3. Dele

3. Debt upon an Obligation by two Plaintiffs; The Defendant pleads, That the Obligation was made to them, and to one J. S, and that they three had brought an Action of Debt depending against him, and demanded Judgment si actio, upon which it was demurred; and because the Obligation made to two, upon which they declared, cannot be intended an Obligation made to three; and if it be a Plea, it is a Plea in abatement of the Bill, and not in Bar: It was adjudged for the Plaintiff. Mich. 33 Eliz. B. R. *Ilton* and *Hitchcocks* Case. *Cro.* 3. Part, 202.

4. Assumpsit, The Plaintiff shewed, whereas the Defendant at *London* in warda de Cheap, was obliged to J. S; The Defendant, in consideration that the Plaintiff would give, &c. promised, &c. Upon Non-assumpsit, The Plaint was de parochia de Alcolne in warda de Cheap, whereas there was no Parish before mentioned in the Declaration. This matter was alledged in stay of Judgment, and Exception taken to the Declaration, that the Promise was laid in *London*, and not in the Parish within the Ward. It was said by the Court, That an Assumpsit was usually layed to be in a Parish; And in this Case, It was the Opinion of the Court, That the Plaintiff could not have a Plaint facias de novo; but he must begin again, for that the fault was in his Declaration, and not by the Award of the Court only. Mich. 34 Eliz. B. R. *Bradish* and *Ithers* Case. *Cro.* 3. Part, 260.

5. Error of a Judgment in C. B. in Debt; The Error was, That the Plaintiff declared of a Debt upon an Action of 20 l; and after Imparlance, declared *de Novo*, and therein demanded a Debt of 18 l. and had Judgment to Recover; It was holden, That it was erroneous, for that there was but one Original, and two Declarations, and the one various from the other; and so it was said, it was adjudged. Mich. 37 Eliz. in this Court. Pasch. 37 Eliz. B. R. *Warner* and *Wiseby's* Case. *Cro.* 3. Part, 416.

6. Error of a Judgment in Trespass in C. B. The Error assigned was, because the Declaration is *Sicut cum*, the Defendant such a day assaulted and beat the Plaintiff. It was said by the Court, That is *Quasi* a Recital, and not a direct Affirmative, that he beat him; and also in the second Declaration, after Imparlance entred, the word [*Cum*] was omitted. It was the Opinion of the Court, That the first Declaration is the principal, and thereupon the Judgment is given; and the second ought to accord with the first, and the first not being good, the second cannot make it good, for it ought to accord with the first; wherefore the Judgment was reversed. Mich. 37 Eliz. B. R. Part 319. *Cro.* 8. Part, *Bridges* and *Sheriffs* Case, 507.

7. In Covenant: The Plaintiff declared, That the Defendant *per scriptum Articulorum*, made between them, *convenit* &c. It was moved, after Judgment, that the Declaration was not good, because he doth not alledge, That the Writing was *figilla Defendentis figillat.* Then it was said, That it was *per scriptum suum factum, convenit*: The Opinion of the Court was, That if the word [*factum*] were in it, perhaps it might be good; but upon View of the Record, the word [*factum*] was left out: Wherefore adjudged, The Declaration was not good. Mich. 34 Eliz. B. R. *Southwell* and *Brown's* Case. *Cro.* 3 Part, 171.

8. A *Warrantia Chartæ* was brought of two Messuages and twenty Acres of Land, wherein he counts, That the Defendant enfeoffed him of the said Messuages and twenty Acres of Land *per eosdem metas Tofti & duo Virgat. terræ.* Exception was taken to it, because that which counts under the *per eosdem* doth not warrant the Count: But the Exception was disallowed, for it may be, there was only a Toft at the time of the Purchase of the two Messuages, and they might since that time have been builded: It was adjudged for the Plaintiff. Pasch. 40 Eliz. B. R. *Cro.* 3 Part, 611.

9. Debt: A Rent was granted to Husband and Wife for their lives, the Rent was behind, the Husband dyed; another Rent was behind, the Wife dyed. Intestate; her Administrator brought the Debt for Arrearages due in the life of the Husband, and after. It was Resolved, The Action did well lye: Exception was taken to the Declaration, for that it is alledged, That Administration was committed by the Dean of L. and did not shew by what Authority he committed it, or that he was Ordinary of the place: For this Cause the Court said, That the Declaration was not good; for the Court intends not his Authority, being speciall without shewing it: Otherwise it is, of Pleading of an Administration committed by the Bishop, that is good without saying, *sede illius O. vacante*, for so it shall be intended. Mich. 42 Eliz. C. B. *Temple* and *Temple's* Case. *Cro.* 3 Part, 791.

10. Debt upon an Obligation made to the Sheriff of Norfolk upon a mean process: The Writ was, *ad respondend.* H. G. *super Plac. Con. Nisi.* The Declaration was, *Quod cum fecisse teneri præfat.* H. G. *in placito Sum.* 20 l. and doth not say *placito.* H. G. *tunc Plac. Con. Nis. fecisset.* For this Cause, the Court held the Declaration to be ill, and the Writ was abated. Mich. 42 Eliz. *Gojden* and *Whitcroft's* Case. *Cro.* 3 Part, 800.

11. Assumpsit: The Plaintiff declared, That there was a Communication betwixt him and the Defendant, concerning the Sale of certain Lands

to be made to him by the Defendant, whereupon he delivered to the Defendant 20 l. In Conſideration of which, the Defendant promiſed the Plaintiff, that if he liked not of the Land, to repay the 20 l. within a fortnight. Judgment being given for the Plaintiff, Error was brought, and aſſigned, That the Declaration was not good. 1. Becauſe he ought to have had Debt, and not Action upon the Caſe. 2. It is not alledged, that he gave notice of his Diſlike within a fortnight. 3. Becauſe not alledged that he diſliked thereof within the fortnight. The Court held, The firſt, No Exception: To the ſecond, That he ought to take notice at his peril, becauſe he hath bound himſelf thereunto by expreſs Promiſe: To the third, It being alledged generally, it is good enough; for it ſhall be intended to be within the time, unleſs it be ſhewed to the contrary. The Judgment was affirmed. Trin. 43 Eliz. B.R. *Eaſt* and *Yarroughgood*'s Caſe. *Cro.* 3 Part, 834.

12. Detinue: The Plaintiff declared, That 16 *Feb.* 36 Eliz. he delivered to the Defendant divers parcels of Plate, *viz.* a Baſon and Ewer, a Silver Bowl, and divers parcels to be reſtored upon 17 *Maii* following: It was found by Verdict, That the Plaintiff was poſſeſſed of them 16 *Feb.* and by Indenture betwixt him and the Defendant, ſold to the Defendant divers parcels of Plate, *modo & forma prout* in the Indenture, *cujus Tenor ſequitur in hæc verba*, and found it *verbatim*, wherein the Baſon and Ewer, and all the parcels expreſſed in the Declaration are mentioned: Upon Condition That if he paid ſuch a Sum, 17 *Maii* following, then the Bargain and Sale to be void. They found Payment of the Money at the day; but there was a *Memorandum* endorſed upon the Indenture, That if the Plaintiff payed ſuch a Sum 1 *Junii* 36 that he ſhould have them again, but the Payment of the Sum 1 *Junii* was not found. They found that the Defendant had the Goods *ut ſupra*: Error was aſſigned, becauſe the Jury did not find the parcels in the Declaration to be the ſame with the Indenture, but only that he ſold divers parcels, which although they be all one in name, yet they may be ſeveral, and Intendment will not help it. The Court held that to be Error, and therefore Judgment was reverſed. Tr. 34 Eliz. B.R. *Bateman* and *Elman*'s Caſe. *Cro.* 3 Part, 866.

13. In Debt, in an inferiour Court: The Plaint was of 6 l. 14 s. 2 d. and declared, That the Monies grew by reaſon of two ſeverall Contracts, *ſcil.* ſo much by one, and ſo much by another, and it appeared upon Computation that theſe two Sums are more by 3 d. than is contained in the Plaint. It was holden in this Caſe, That the Monies mentioned in the Declaration, being upon ſeveral Contracts, and none of the Contracts by it ſelf did amount to the ſpecial Sum mentioned in the Plaint; every part of the Declaration is material, and ſo being found ſhort by Verdict, the Judgment given upon it was erroneous. Trin. 44 Eliz. B.R. *Crumpton* and *Smith*'s Caſe. *Yelverton*, 5.

14. Aſſumpſit: The Plaintiff declared, That in Conſideration the Plaintiff would marry the Defendant's Neece, the Defendant promiſed to the Plaintiff in Marriage with his Neece, as before he had agreed to give in Marriage with his ſaid Neece to J. S. and alledged, That the Defendant had agreed to give to J. S. 1000 l. if he would marry his ſaid Neece, and that he relying upon the ſaid Promiſe married the Defendant's Neece: Upon *Non Aſſumpſit* found for the Plaintiff, it was ſaid, That the Declaration was not good, but incertain, becauſe it is not alledged with whom the Defendant agreed to give 1000 l. to J. S. The Opinion of the Juſtices in this Caſe was, That the Agreement is but a collateral thing, and but an Inducement to the Promiſe, which is the principal Cauſe of the Action, and Inducements need not be alledged in Declarations ſo certain as thoſe things which are the foundation of the Action, and therefore to alledge them generally is ſufficient; and if the Defendant would have pleaded that he did not agree to give to J. S. 1000 l. in Marriage, then the Plaintiff by his Replication time enough, might make his Declaration certain enough, but without ſuch certainty at the beginning the Declaration is good enough. Mich. 45 Eliz. B. R. *Aſſop* and *Sydnell*'s Caſe. *Yelverton* 17.

15. In Treſpaſs: The Plaintiff declared, That ſuch a day the Defendant made Aſſault upon him, *nec non unum Equum pretii* 6 l. *à perſon. ipſius* (the Plaintiff) *adtunc & ibidem cepit*. It was holden in this Caſe, That the Declaration was not good, for the Plaintiff doth not ſuppoſe any property in the Mare, but he ought to have ſaid *Equum ſuum*, or *Equum ipſius Querentis*; for as the Declaration is laid it may have two Intendments, 1. That it was the Defendant's Mare, and then the taking was lawfull; or 2. That it was the Plaintiff's, and then the taking of it was tortious; and having a different Conſtruction, it ſhall be taken ſtrongeſt againſt the Plaintiff; wherefore the Declaration is not good. Paſch. 1 Jac. B.R. *Purcell* and *Bradley*'s Caſe. *Yelv.* 36.

16. In an Action brought, a Leaſe was pleaded to be made by a Dean and Chapter, but it was not ſet forth in the Declaration, That the Dean and Chapter was ſeiſed *in jure ſuæ Eccleſiæ*, nor what Eſtate they had in the Land; and for that Cauſe it was holden, That the Declaration was not good: For the Court was clear of Opinion, That it ought to

to be ſet forth what Eſtate they had in the Land; for it might be that it was but an Eſtate for the life of another. Hill. 22 Jac. B. R. *Newman* and *Moſſes* Caſe. *Latch*, 14.

17. Aſſumpſit: The Plaintiff declared, That J. S. promiſed with his Daughter in Marriage a certain Sum, and that the Plaintiff having married the Daughter, and intending to ſue the ſaid J. S. upon that Promiſe; and that the ſaid J. S. ſaid unto him, That he would leave to him as good a Portion, as he ſhould give to any other of his Children; and alledged *in facto*, that J. S. gave to ſuch a Child ſo much, but did not leave ſo much to him; and further declared, that he did not ſue J. S. during his life, and that the ſaid J. S. made the Defendant his Executor and dyed, againſt whom the Action was brought. Upon the Promiſe of the ſaid J. S. the Teſtator, and upon *Non Aſſumpſit pleaded*, it was found againſt the Defendant: It was moved in ſtay of Judgment, That the Declaration was not good, becauſe the Declaration is, That he would leave to the Plaintiff as good a Portion as he would give to any of his Children; and averrs that J. S. gave more to one of his Children than to him, but he doth not ſet forth the time when he gave it, and it might be he gave it before the Promiſe, and then the Promiſe *quod dare* did not extend to it: It was ſaid, That the ſame ſhall be intended. But the Court was of Opinion, That the Declaration ſhall not be taken by Intendment, and therefore becauſe the Time when was not certainly expreſſed in the Declaration the Court held, the ſame was not good. Mich. 2 Car. B. R. *Almot* and *Pickton*'s Caſe. *Latch*, 203.

18. Husband and Wife brought an Action upon the Caſe, as Adminiſtrators: The Declaration was *ad reſpondend.* ſuch a one and his Wife, *tui Adminiſtratio bonorum*: Judgment being given for the Plaintiff, In Error brought, it was ſaid, That the ſame was not a good Declaration for the Incertainty. But it was the Opinion of the Court, That it was good enough; for that the word (*cui*) is intended of the Wife laſt before-named. Paſch. 2 Car. B. R. *Walter* and *Hays* Caſe. *Latch*, 212.

19. In Aſſumpſit: The Plaintiff declared, That there was a Communication betwixt him and the Defendant of the buying of Woad, and the Communication was to have five Loads, according to the Rate of 6 d. for every 14 pounds of it; and that the Defendant in conſideration of 6 d. delivered to him in hand, promiſed to ſell and deliver him five Loads according to the Rate aforeſaid: The Plaintiff had Judgment. It was moved in Arreſt of judgment, becauſe he declares *de quinque Carucis, Anglice* Cart-Loads, and *Caruca* doth not ſignify a Load, but a Quantity of Land, &c. 2. Becauſe it is not ſhewed to what Quantity the five Loads did amount unto, and that it came to ſo many pounds, and ſo amounted to ſo much: The Caſe was not Reſolved. But the Chief Juſtice ſaid, That perhaps the Plaintiff could not ſhew that, becauſe the Loads were not delivered: It was adjourned. Mich. 2 Car. B. R. *Walter* and *Farmer*'s Caſe. *Latch*, 216.

20. Aſſumpſit: That whereas the Husband of the Defendant was endebted to him in 42 l. and made the Defendant his Executrix, and dyed; and ſhe proved the Will, and the Plaintiff told her that he would ſue her, That ſhe in conſideration of forbearance till ſuch a day, promiſed to pay him; and averred forbearance, and that ſhe had not paid the 42 l. In this Caſe it was holden by the Court, That although that it is not ſhewed how, or for what thing, the Teſtator was endebted unto him, yet that the Declaration was good, becauſe the Debt here is only Inducement to the Promiſe: But if the Promiſe make the Debt, then it is otherwiſe. It was adjudged for the Plaintiff. Hill. 2 Car. B. R. *Plater* and *Gould*'s Caſe. *Latch*, 219.

21. B. and G. two Merchants, brought Debt againſt J. S. upon a Charter party, between J. S. Owner of a Ship, and J. D. of the one part, and the ſaid B. and G. of the other part, upon Covenant that the Owner ſhould go to ſuch a Port in *Spain* as they ſhould appoint; and they appointed him to ſail to ſuch a place, and he refuſed, and the Iſſue joyned upon the Refuſal: It was found for the Plaintiff. It was moved in ſtay of Judgment, That he declared upon a Charter party, between J. S. and J. D. of the one part, and that J. S. did not perform it whereas it ought to have bin, That neither J. S. nor J. D. performed it, for if J. D. performed it, it was ſufficient. 2. Becauſe he did not ſhew the place to which he directed him: But both the Exceptions were over-Ruled by the Court. See the Reaſon hereof, in *Conſtable* and *Clobery*'s Caſe, which was the like Caſe. Trinit. 1 Car. B. R. *Latch*, 48. Mich. 3 Car. B. R. *Bello* and *Brand*'s Caſe. *Latch*, 225.

Courts.

1. A Man avowed for an Amercement in a Leet, for that King E. 6. granted the Hundred of H. in which was a Leet, to G. O. in Fee, who dyed seised; and that it descended to J. O. his Cousin and Heir, who being seised granted it to F. in Fee, who by Deed Inrolled conveyed it to the Earl of L. in Fee; and that the Defendant being resident within the Hundred, appeared not in the Leet, for which he was amerced 12 d. It was the Opinion of the Court, That the Avowry was not good, for two Causes; 1. Because he pleaded that J. O. did grant it to F. and did shew no Deed of Grant, for that it cannot pass without Deed, which must be shewed. 2. Because he did not shew that the Court was holden within a Month after Easter, it being a Leet by Grant, which he ought to have done. But of Leet by Prescription, it was holden it was otherwise. Trinit. 33 Eliz. B. R. *Porter* and *Gray*'s Case. *Cro.* 3 Part, 245.

2. Error of a Judgment in a Court of Pypowder: The Error assigned was, Because the Plaintiff in his Replication had not averred his Plea, nor in the end of it demanded his Debt and Damages; and for these Causes the Judgment was reversed. And in the Case, it was holden by the Court, That a Court of Pypowder might be holden, though not *in pleno Mercatu*, or *Feria*, but then this must be by Prescription, and the Prescription must be in the Stile of the Court. Hill. 33 Eliz. B.R. *Pewed* and *Chambers* Case. *Cro.* 3 Part, 256.

3. Trover and Conversion of Goods *apud D. in Com.* N. The Defendant pleaded, That he recovered against the Plaintiff, a Debt of 20 l. by Bill in the Queen's Bench, and thereupon had a *Fieri facias* to the Sheriff of Y. who at *Wakefield in Com.* Y. seized those Goods, and them delivered to him in satisfaction of his Execution: It was in this Case said by the Court, That the Pleading was not good, for two Causes; 1. Because he shewed not where the Queens Bench was at the time of the Recovery: And 2. Because the Sheriff upon a *Fieri facias* cannot deliver the Defendant's Goods to the Plaintiff in satisfaction of his Debt. Mich. 39 Eliz. B.R. *Thomson* and *Clarks* Case. *Cro.* 3 Part, 504.

4. Debt upon Obligation: The Case was, That J. S. Sheriff of C. by vertue of an Attachment under the Seal of the Court of Requests, took the Defendant, and for his Enlargement, he made an Obligation to appear before the Queens Council, attending in the Court of Requests at *Westminster*: It was the Opinion of the Justices in this Case, That the Process was not any Warrant to the Sheriff to take the Body, nor the Obligation, because that Court hath not any Power by Commission, by Statute, or by Common Law: Wherefore they held the Obligation was not within the Statute of 23 H. 6. for that the said Statute intends only Obligations taken by such who are in their Custody by Course of Law; wherefore the Obligation in the principal Case was taken by *Duresse*, and avoidable; and it was adjudged for the Defendant. Mich. 40 Eliz. C. B. *Stepney* and *Lloyds* Case. *Cro.* 3 Part, 646. See Hill. 41 Eliz. B. R. *Burgrave* and *Watts* Case. *Cro.* 3 Part, 651. That upon no Commission out of a Court of Conscience, the taking of the parties Goods, is good.

5. Error of a Judgment given in *Plymouth*, in an Assumpsit: The Error assigned was, Because the Stile of the Court was *Burgus Domine Regine Burgi de Plymouth, ibid. tent. in Guildhall. coram J. P. Maiore ejusdem Burgi*, 38 April, 36 Eliz. and it was not shewed in the Stile of the Court, by what Authority it was holden, *viz.* by Prescription, or by Charter: And it was said, That of such Inferiour Courts their Authority to hold Pleas ought alwayes to be shewn; otherwise the Court of King's Bench cannot take Conusans of them, and of that Opinion was the whole Court: And so they said it was adjudged, Hill. 31 Eliz. in *Stanton* and *Rogers* Case: And therefore, for that Error, the Judgment in the principal Case was reversed. Mich. 38 Eliz. B. R. *Holmes* and *Collins* Case. *Cro.* 3 Part, 489.

6. An Information was brought in a Court of Pypowder of D. upon the Statute for buying of Leather, and the Defendant was there condemned, and in Execution: He being brought by *Habeas Corpus* into the Common Pleas, it was moved he might be discharged out of Execution: But the Opinion of the Court was, Because they have power to hold Pleas in Actions of Debt, and so had Colour to hold Plea in this Action: The Court said, The Judgment was not void, but voidable by Error. *Anderson*, Chief Justice said, That the Court of Pypowder had its Name, because they were only to hold Plea there of things *pulverizis*, as Contracts and other things done in the Fair. Mich. 39 Eliz. C.B. *Wilkinson* and *Nethersolks* Case. *Cro.* 3 Part, 530.

7. Reple-

7. Replevin: The Defendant made Conusans as Bailiff to J.S. for an Amercement of a Free-Tenement within his Mannor; and shewed, That J.S. was seised of the Mannor, and that he, and all those whose Estates &c. had had a Court Baron within the Mannor, before his Steward of the Mannor, *tenend.* from three Weeks to three Weeks, and alledged a Custom to have Suit from all the Free-Tenements, and if any of them made default, and the same was presented by the Homage, they had used to amerce him, and that the Lord had used to distrein such a Tenant for such Amercement *per aliqua Bona vel Catalla sua* within the Mannor; and for Amercement for this Cause, the Distresse was taken. It was Resolved, That the Avowry was insufficient for many Causes; 1. Because he prescribes to have a Court Baron within his Mannor, whereas it is of Common Right, and cannot be by Prescription. 2. Because the Prescription is layed, the Court to be holden before the Steward of the Mannor, which is against Common Right; for that the Court cannot be holden but before Suitors. 3. Because the Prescription to distrein the Goods of the Offender in any part of the Mannor, is not good; for thereby he might distrein on the Lands of one who did not offend. 4. Because he prescribes to distrein the Beasts or Goods of the Free-Tenant, who made Default o. Suit, and in this Case the Distresse is taken of the Goods of his Under-Tenant, who is not within the Prescription: It was adjudged for the Plaintiff. Pasc. 41 Eliz. C. B. *Pill* and *Towers* Case. *Cro.* 3 Part, 791.

8. Note; It was Resolved by the whole Court, upon a Record removed out of the Court of *Grauesend*, That if an Inferiour Court holdeth Plea, and in the Stile of the Court it doth not appear how they hold it, viz. by Charter, or by Prescription, all the Proceedings in that Plea are erroneous, and all which followeth upon it; for that all Jurisdiction to hold Pleas resteth in the Crown, and therefore it ought to be ascertained to the King's Courts how their Power is derived from the Crown. Trin. 2 Jac. B. R. *Mouse's* Case. *Yelverton*, 46.

9. An Information was upon the Statute of 21 H. 8. for taking to farm Lands by Spirituall Persons: The Award of the *Venire facias* to try the Issue was made Returnable (*ubicunq; &c.*) but the Writ of *Venire facias* was made Returnable *Coram nobis* (leaving out the words *ubicunq; &c.*) so that it did not answer the Award upon the Roll, and the King's Bench is removable, so that (*coram nobis*) is all uncertain and out of Course: And upon this Point the Judgement was stayed. Pasch. 3 Jac. *Briggs* and *Tompson's* Case. *Yelverton*, 64.

10. One granted a Rent-charge to J. S. for his life out of black Acre, the Grantor made a Lease of the Land to J. D. And the truth was, the Land was not so much worth by the year, as the Rent was: J. S. sued in the Court of Requests, and surmised in his Bill, That he had lost his Deed of Grant, so as he could not avow for the Rent at the Common Law, and therefore prayed that J. D. might pay him the Rent by Decree of that Court during his life; and upon this matter shewed, a Prohibition was granted to the Court of Requests; for it was said by them, That although such Suit for Deeds lost, may and have been in the Court of Chancery, yet they ought not so suffer the Court of Requests, which is under their Power, so to do; and a Prohibition was granted. Hil. 1 Car. B. R. *Barry* and *Stiles* Case. *Latch.* 24.

11. Note, It was Resolved, That the Court of High Commissioners, either upon an Excommunication before them, or by reason of any other matter, are not to send Processe to have the Body before them: Nor can the Messenger in such Case, though in presence of the Constable, break an House in the Night to apprehend such a party. Hil. 42 Eliz. C. B. *Smith* and *Smith's* Case, in Prohibition. *Co.* 3 Part, 741.

12. One indebted to *Cripps* Alderman of *London*, who dyed intestate, after the Death of *Cripps* paid the Money with the Assent of the Son, to whom the Administration did then belong, to the Wife of the Alderman, which Money was employed *circa Funeralia*: Afterward, Administration of his Goods was committed to a Stranger, who sued the Debtor in the Court of Mayor and Aldermen of *London*, who decreed there that he should pay the Mony again to the Administrator. The Mayor in the Court of Conscience before him, in respect it was paid to them to whom Administration did then belong, decreed that the Debtor should not have the Mony: Whereupon the Administrator sued a *Prohibendo ad Judicium, vel Causam non significes.* It was the Opinion of the Justices in this Case, That the Justices of this Court could not examine whether the Decree were equitable or not, so long as they did not transgresse any fundamental Rule of the Common Law; and especially in this Cause, no President being shewed or produced of the Examination of such Equity in this Court. Hill. 2 Car. B. R. *Cripps* Case. *Latch.* 190, 191.

Covenants.

1. A Covenanted, That Lands conveyed to the Plaintiff for her Joynture, were of the Value of 1000 l. *per annum*, and ſhould ſo continue notwithſtanding any Act done, or to be done, by him: An Action was brought upon that Covenant againſt A. for that the Lands were not of the yearly Value of 1000 l. It was adjudged, The Action would not lye; for the Covenant was not broken, except ſome Act done by him was the Cauſe that they were not of that value. Mich. 28 Eliz. C.B. The Lady *Rich* and Lord *Rich*'s Caſe. *Cro.* 3 Part, 43, 44.

2. Recoverors to an Uſe before the Statute of 27 H. 8. make a Leaſe for years; the Leſſee covenants that he will pay the Rent to *Ceſtuy que uſe* his Heirs and Aſſigns: Proviſo, That if *Ceſtuy que uſe* doth not make his Heir Male his Aſſign, then he ſhall pay the Rent to the Recoverors, their Heirs, and Aſſigns; *Ceſtuy que uſe* dyeth, and doth not make his Heir Male his Aſſignee. It was holden by the Court in this Caſe, That this was not any Condition that went to the Eſtate, but only abridged the Covenant. Mich. 29 Eliz. B.R. *Scot* and *Scot*'s Caſe. *Cro.* 3 Part, 73.

3. The Statute of 13 Eliz. of Leaſes is, That Leaſes made by Perſons upon Non-Reſidency for 80 dayes, ſhall be void, and all Obligations and Covenants for enjoying them: A Perſon made ſuch a Leaſe by Indenture, in which were divers Covenants on the Leſſees part, and after the Leaſe became void for Non-Reſidence. It was holden in this Caſe, That for a Covenant broken before an Action of Covenant did lye. 26 Eliz. *Walls* and *Cox* Caſe, vouched in Dr. *Nunns* and *Gees* Caſe. *Cro.* 3 Part, 77. See Hill. 32 Eliz. *Hill* and *Pilkintons* Caſe. *Cro.* 245. acc.

4. In Covenant, the Caſe was, Tenant for life makes a Leaſe for years: The Leſſee by Indenture grants, bargains, and ſells all his Eſtate, to hold *in tam amplis modo & forma*, as he ought to hold it. Leſſee for life dyeth; the Bargainee brings Covenant againſt the Bargainor: It was holden by the Court, That if there be no Warranty in the Deed (as in this Caſe there was not), that the Action will not lye; for here is but an Aſſignment of his Intereſt which determineth with the Eſtate, and doth not imply a Warranty. Hill. 31 Eliz. B.R. *Lowdydale* and *Cheyney*'s Caſe. *Cro.* 3 Part, 157.

5. Note, In a Caſe of an Action of Covenant brought upon an Indenture: This Difference was taken, and Reſolved by the Court, That when a Covenant is to ſave harmleſſe againſt a Perſon certain, there the party ought to defend and ſave him harmleſſe againſt the Entry of that Perſon, be it by right or wrong; but if it be to ſave harmleſs againſt all Perſons, there it ſhall be taken for a lawful Entry or Eviction. Trin. 32 Eliz. B.R. *Foſter* and *Mapes* Caſe. *Cro.* 3 Part, 213.

6. Upon Articles of Agreement, Covenants were made in this manner, *viz.* It is covenanted between the Parties, That J. S. doth lett the Land for and during five years, to begin at *Michaelmas* next following. Proviſo, That B. ſhall pay to the ſaid J. S. during the ſaid Term, at the Feaſts of *Michaelmas* and the *Annunciation*, 120 l. Alſo the parties do further covenant, That a Leaſe ſhall be made and ſetled according to the Effect of the Articles, before the Feaſt of *All Saints* following: In this Caſe two Points were Reſolved, 1. That it was a good Leaſe preſently from the Articles. And 2. That it was as good a Reſervation of Rent, as if there had been ſpecial words of Reſervation in it. Mich. 38 Eliz. B.R. *Harrington* and *Wiſe*'s Caſe. *Cro.* 3 Part, 486.

7. The Caſe was, A man reciting by Indenture, Whereas J. S. was bound for him in a Recognizance, and other Bonds, he for divers good Conſiderations, bargained and ſold his Lands to him and his Heirs, and the Deed was enrolled within ſix Months. It was holden by the Court in this Caſe to be no good Bargain and Sale, becauſe the Vendor had nothing for his Lands. But it was holden, That it had been a good Conſideration to raiſe an Uſe by way of Covenant, if there had been Grant-words in the Deed. Hill. 35 Eliz. C.B. *Ward* and *Lamberts* Caſe. *Cro.* 3 Part, 394.

8. In Covenant it was ſhewed, That J. S. made a Leaſe for years to A. the Defendant, who by Deed granted it to B. and by Deed covenanted with him, That he and his Aſſigns ſhould peaceably enjoy it without Interruption. B. grants to J. D. who grants the Term to the Plaintiff, who being ouſted by a Stranger, brings an Action of Covenant: It was Reſolved in this Caſe, That the Aſſignee of a Leaſe by Eſtoppel ſhall not take Advantage of any Covenant. Mich. 38 Eliz. B. R. *Noke* and *Anders* Caſe. *Cro.* 3 Part, 373, and 436.

9. In an Action upon the Caſe brought againſt a Sheriff: The Caſe was, A Writ of *Fieri facias* was delivered to the Under-Sheriff 9 *Novemb.* 34 Eliz. who the ſame day made Execution of it; & the ſame day a Writ dated 4 *Novemb.* 35 Eliz. of Diſcharge was delivered to the Sheriff: It was further ſhew-

ed,

ed, That the Under-Sheriff was by Covenant not to meddle with any Execution above forty pounds, and alſo that the ſame day of the Date of the Execution, the party had made a Deed of Gift of his Goods *bona fide*. In this Caſe theſe Points were Reſolved by the Court, 1. That the Execution was well made. 2. That the Covenant, that the Under-Sheriff ſhould not meddle with any Execution above 40 l. was a void Covenant in Law: And 3. That notwithſtanding the Gift of the Goods, That the Execution might be well ſerved upon thoſe Goods. Mich. 38 Eliz. C.B. *Boucher* and *Wiſeman's* Caſe. *Cro.* 3 Part, 440.

10. In Covenant, the Caſe was, Tenant in Tail, the Reverſion to the Queen in Fee, lett the Land for 21 years by Indenture, and covenanted, That the Leſſee ſhould enjoy it againſt all Perſons, without the Interruption of any beſides the Queen, her Heirs and Succeſſors *exiſtentibus Regibus, vel Reginis Angliæ*. The Queen granted the Reverſion to J. S: Tenant in tail dyed without Iſſue. J. S. entred and ouſted the Leſſee, who brought Covenant, and adjudged it did well lye; for none are excepted but the Queen, her Heirs, and Succeſſors; and not her Patentee. Hill. 38 Eliz. C.B. *Woodcoff* and *Greenwoods* Caſe. *Cro.* 3 Part, 517.

11. In Covenant, the Caſe was, A Leſſee for twenty years Grants it by Indenture to B. for ten years, wherein he covenants at the end of the Term to leave it ſufficiently repaired, and the Poſſeſſion to the Leſſor, his Executors and Aſſigns: Afterwards A. aſſigned the Reverſion to the Plaintiff, who becauſe the Defendant did not leave it ſufficiently repaired at the end of the years, brought Covenant. It was the Opinion of the Court, That this was a Covenant which run with the Land, and that it was inſtantly broken with the determination of the Eſtate: Wherefore it was Reſolved for the Plaintiff. But becauſe in the Declaration he did not aver, that he had the Reverſion at the time of the Grant: It was holden to be an apparent fault; and for that Cauſe Judgment was for the Defendant. Hill. 40 Eliz. B.R. *Matures* and *Wiſwood* Caſe. *Cro* 3 Part, 599.

12. Tenant for life made a Leaſe for 21 years, and covenanted, That he had not done any Act to prejudice the Leaſe, but that he ſhould enjoy it againſt all Perſons: Tenant for life dyed, the Leſſor entred; the Leſſee brought Covenant againſt his Executors. It was adjudged, It did not lie, for that the laſt words, viz. That he ſhall enjoy it againſt all Perſons, extends to the firſt words, viz. by any Act done by him, and ſo the Covenant not broken. Trin. 40 Eliz. B.R. *Gervis* and *Peals* Caſe. *Cro.* 3 Part, 615.

13. The Caſe was, A man made a Leaſe to begin after the expiration of a Leaſe thereof made to one J.S. In an Action of Covenant brought by the ſecond Leſſee againſt the Leſſor, the Leſſor ſaid, That there was no ſuch J.S. in *rerum natura*, at the time of the ſuppoſed Leaſe made to J. S. It was the Opinion of the Juſtices in this Caſe, That although the Common ground is, That a Recital is not an Eſtoppel; yet as this Caſe is, it is otherwiſe, for that here the ſecond Leaſe is to begin upon the expiration of the recited Leaſe, and therefore in this Caſe it ſhall be an Eſtoppel: It was adjudged for the Plaintiff. Mich. 20 Eliz C.B. *Leon.* 2 Part, 11.

14. The Caſe was, An Indenture tripartite was made betwixt three: A. was one of them, and he covenanted with them, *& quolibet eorum*; and the Covenant was, That the Land which he had aliened to one of them was diſcharged of all Incumbrances, and he to whom the Limitation of the Land was made, brought a Writ of Covenant alone. It was Objected, That the Writ was good, becauſe the other were not damnified: But it was adjudged by the whole Court, in the Exchequer Chamber, That the Covenant did not lye by one of them only, but it ought to be brought by them both. Trin. 30 Eliz. Exchequer Chamber, *Leon.* 2 Part, 47.

15. The Caſe was, A. leaſed Lands to B. at 40 l. *per annum*: A Stranger covenanted with A. that B. ſhould pay him the 40 l. for the Farm and Occupation of the ſaid Lands. A. brought Covenant; The Defendant pleaded, That before the day of Payment, the Plaintiff put B. out of his Farm: It was ſaid it was no Plea, becauſe it is a Collaterall Sum, and not Rent iſſuing out of Land. But the Court held the Contrary; for the Defendant hath covenanted, That the Leſſee ſhall pay for the ſaid Farm or Occupation 40 l. ſo it is a Conditional Covenant; and here the Conſideration upon which the Covenant is conceived, is taken away by the Act of the Plaintiff himſelf. Trin. 32 Eliz. B. R. *Bedell's* Caſe. *Leonard*, 2 Part, 115.

16. A. upon Speech of a Marriage between him and the Plaintiffs Mother, covenanted by Indenture with friends of the Mother, to pay all the Daughters of the Mother 20 l. a piece at their ſeveral Ages of 24 years, and bound himſelf in an Obligation to the friends of the Mother to perform the Covenant: Afterwards he made his Will, and willed, That his Executor ſhould pay to the Daughters, each of them 20 l. at their ſaid Ages, in diſcharge of his Covenant. The Plaintiff, one of the Daughters, ſued the Executor in the Spirituall Court for the 20 l. bequeathed to her; and the Executor prayed a Prohibition, becauſe here was

no Legacy, but the Will referrs to the Covenant, and it is in discharge of the Covenant: But the Justices looking into, and advising upon the Indenture, found that the same and the Obligation were made to the friends of the Mother, and not to the Daughters themselvs, and therefore were of Opinion, That the Prohibition did not ly. 17. In Debt upon Obligation to perform Covenants, the Case was, Tenant for life levyed a Fine to him in the Reversion *sur conusans de droit, &c.* The Uses were limited to the Conusee, and his Heirs, upon Condition, That he should pay to the Tenant for life yearly during his life, 4 l. *per annum*; and if there was default of Payment, that it should be to the Use of the Conusor for life, and for one year over. The Conusee made a Feoffment to W. who made the Lease for years to the Plaintiff: The 4 l. was not paid, nor demanded, the Tenant for life entred upon the Plaintiff; and if this was a Breach of the Condition, was the Question. In this Case were divers Points, 1. If this Fine levyed be a Surrender; and if so, If a Surrender may be to an Use: It was for that Point holden, That it was not a Surrender; but if it was a Surrende, then it might well be to an Use. 2 Point, If there was any Breach of the Condition, without Demand of the Rent: Held, That it was; for it is not properly a Rent, but *quasi* a Sum in grosse, and is not issuing out of the Land, and the Conusee is bound to seek the Conusor to pay him. 3 Point, Whether this default of Payment, he being in Possession, and being for the Salvation of his Estate, this default of Payment being *quasi* in him, Whether it be a Breach of the Condition whereof himself may take advantage: To that it was holden, That it was, because there is not any Covenant or apparant Intent, that the Lessee should discharge it; and the Covenant is absolute, That he shall enjoy it; and this Condition is to be performed by him who hath the Free-hold. 4 Point, Whether this Fine hath destroyed the future Use; for if so, the Entry of the Tenant for life is not congeable: Resolved, It had not; for it is a charge upon the Land, which goes the Land, in whose hands soever it comes. It was adjudged for the Plaintiff. Hill. 41 Eliz. C. B. *Smith* and *Warrens* Case. *Cro.* 3 Part, 688.

18. Debt upon Obligation for performance of Covenants in an Indenture of Lease: One Covenant was, That the Lessee, his Executor, or Assigns, or any other, who shall come to have the Estate, or Interest in the Term, or any part thereof, shall not alien their Estate without Licence of the Lessor, but only to his Wife or Children, the Lessee devises it to his Wife, and makes her Executrix, who enters therein as Legatee, and takes the Defendant to Husband, they alien the Estate: It was the Opinion of the Court in this Case, That the Covenant is broken, for the Wife is restrained from aliening by express words thereof as well as the Lessee himself, for it extends to the Lessee and his Assigns, and the is an Assignee; so, although there was once an Alienation by Licence, yet that Assignee cannot alien without Licence. Mich. 42 Eliz. C. B. *Thornhill* and *King's* Case. *Cro.* 3 Part, 757.

19. Error of a Judgment in C. B. in Debt upon Obligation for performance of Covenants: The Case was, One by Indenture bargains and sells to the Obligee all his Lands in D, and covenants, That he will make further Assurance of all his Lands; the Breach assigned, for that he did not make further Assurance of those Lands. It was the Opinion of the Court, That the Breach was not well assigned; for that it appears that the Bargainor had enfeoffed the Bargainee before, of all his Lands there, so as he had not any Lands at the time of the Bargain and Sale: It was therefore the Opinion of the Court, That the Judgment should be reversed. Mich. 41 Eliz. B.R. *Lee* and *Hodges* Case. *Cro.* 3 Par, 833.

20. Covenant, For that the Testator sold to the Plaintiff twenty Tun of Copperice, and agreed with the Plaintiff, That if he failed of Payment of such a Sum at such a day, that then he might quietly have and enjoy the said 20 Tun of Copperice; and shewed, that the Money was not paid at the day, *& quod non potuit habere & gaudere* the said Tuns of Copperice: Upon *Nihil dicit*, Judgment was given against the Defendant. In stay of Judgment, it was moved, That the Declaration was not good, in that he assigns not a sufficient Breach of the Covenant, *Quod non potuit habere nec gaudere*, without shewing how and by whom he was disturbed; and of that Opinion was the Court. Then it was said, It came now too late to allege it, because the Judgment was given against him by *Nihil dicit*: But the Court said, He came time enough untill the last Judgment upon the Writ of Enquiry; for till the last Judgment, he might inform the Court of the Insufficiency of the Declaration. 21. M. and E. were Joynt-Tenants for life: M. covenanted with B. That he should have the one Moyety of the Lands after the death of E. for sixty years, if M. so long live; and he demises, grants, and to Farm lets, the other Moyety to B. after the Decease of M. for sixty years. In this Case

Caſe it was adjudged, Firſt, That the firſt Moyety paſſed by the Covenant, as the Leaſe of that part which belongs to M. and that then the Leaſe of the other Moyety of his Communion was void. Trin. 2 Jac. B. R. *Whitlock* and *Chartwell's* Caſe. *Noy*, 14.

22. A. leaſed the Mannor of D. to H. for 21 years, and afterwards by the words *Dedi, conceſſi, demiſi, & ad firmam tradidi*, leaſed the ſame Mannor to the Plaintiff for life, who entred, and is ouſted by H. whereupon he brought Covenant, and ſuppoſed the Breach, becauſe H. had expelled him. The Defendant pleaded, That before this Action brought, the Plaintiff, upon the ſame Covenant, had brought *Warrantia Chartæ* againſt him in C. B. which is yet depending, and demanded Judgment, if Action, the *Warrantia Chartæ* not being determined: It was adjudged for the Plaintiff, becauſe the Barr is not good, for the Actions are of ſeverall Natures; the one is reall, and ſhall bind the Land; the other is perſonal, *viz.* the Covenant, and by that he ſhall have but Damages: It was then Objected, That the Declaration was not good, becauſe the Plaintiff is but Tenant for life, who ſhall not have Covenant upon a Warranty in Law, but only upon a ſpecial Covenant: It was anſwered, There is a difference where the whole Eſtate for life is evicted, and where but the Poſſeſſion for a time; and in this Caſe there is but a Term for years evicted, and the Plaintiff continues ſeiſed of the Free-hold, and therefore, becauſe but a Chattel is evicted: And it was ſaid, That the words in the Leaſe did enure to a double Warranty, *Dedi* to warrant the Free-hold, and *Demiſi* for a Warranty againſt an Eviction for years. It was adjudged for the Plaintiff. Mich. 6 Jac. B. R. *Pinſonb* and *Rudges* Caſe. *Yelverton*, 139, 140.

23. In Covenant the Caſe was, A Maſter of a Ship Covenanted to go with his Freight the firſt faire Wind, and the other Covenanted to pay ſo much for the Freight. The Maſter brought an Action for his Wages, and alledged, That he had performed the Voyage: The other traverſed, That he did not go with the firſt Wind. It was the Opinion of the Court, That the Traverſe was not good, becauſe the Wind may blow right for a Quarter of an hour, or a Leak may ſpring when the Wind is right: But the Traverſe ſhould have been, That the Ship did not go at all. Hill. 1 Car. B.R. *Litch.* 12. See *Peplum*, 161. the ſame Caſe, and *Latch*, 50. again.

24. A Leaſe for years was made of Land, except all Trees growing or which ſhould grow upon the Premiſſes: The Leſſor covenanted for him, his Executors, and Aſſigns, to find ſufficient Houſbote, and Hay-bote; The Leſſee made his Executor, and dyed: The Executor aſſigned part of the Term to another, and the Houſe being in decay, he cut down two Oaks to repaire the Houſe; and if Treſpaſs lay againſt the Aſſignee, was the Queſtion; and therein, What Intereſt the Leſſee had in the Trees, If he ought to requeſt the Leſſor to aſſign what Trees he ſhall have for Reparations; and if upon Requeſt and Denial, he is put to his Action of Covenant, or not; or If he might cut down what Trees he pleaſed, was debated. But the Point was not Reſolved, becauſe the Judgment was given upon a default in the Pleading. Hill. 22 Jac. B.R. *Liſle* and *Martin's* Caſe. *Latch*, 98.

25. In Action of Covenant, which was to convey Land to J. S. in Fee: The Defendant pleaded, That it was not ſhewed what manner of Conveyance he would have; and for that Cauſe upon a Demurrer the Plaintiff had Judgment. Trin. 1 Car. B. R. *Lucas* and *Warren's* Caſe. *Latch*, 126.

26. In Debt upon Obligation: The Caſe was, Two made a Leaſe for years by Indenture, and covenanted, That the Leſſee ſhould not be diſturbed, nor any Incumbrance made by them. One of the Leſſors made a Leaſe to a Stranger, who diſturbed the Leſſee: It was agreed by the Court, That it was a Breach of the Condition, becauſe the word [Them] ſhall not be taken joyntly, but if any of them diſturb the Leſſee, the ſame is a Breach of the Condition: Wherefore Judgment was given for the Plaintiff. Hill. 1 Car. B.R. *Merritor's* Caſe. *Latch*, 161.

27. Covenant brought to diſcharge the Plaintiff of a ſingle Bill in which he was bound for the Debt of the Defendant; and he alledged a breach for non-payment, and a Suit and Recovery at Law which remained in force. The Defendant pleaded, That he paid the money at the day, and thereof gave the Plaintiff notice before the bringing of the Writ, upon which the Plaintiff demurred. The Court held the plea to be naught, and Judgment was for the Plaintiff. Hill. 13 Jac. C. B. *Rider* and *Tookes* Caſe, *Brownlow* 1. Part, 24.

28. In Covenant brought, the Caſe was: J.S. and his Lady were ſeiſed of Lands in the right of his Wife for life, they both joyned in a Leaſe by Indenture, in theſe words, [Demiſe and Grant]: and afterwards the Husband dyed, the Lady his Wife entred and avoided the Leaſe, and made a new Leaſe to a ſtranger. Whereupon *Ejectione firmæ* was brought againſt the Leſſee, and Judgment thereupon, and the firſt Leſſee put out of poſſeſſion. Whereupon he brought Covenant againſt the Executor of the Husband, upon the words, Demiſe and Grant: Upon which the Defendant demurred. The words of the Leaſe were, Have demiſed,

miſed, granted, and to Farm letten for years, if the Wife ſhall ſo long live: And Judgment was given for the Defendant; For it was ſaid, A Covenant in Law ſhould not be extended to make one to do more then they can warrant, which was to warrant it as long as he lived, and no longer. Mich. 12 Jac. C.B. *Brog* and *Wiſmans* Caſe. *Brownlow* 1. Part, 22.

29. The Queſtion was, If an Action of Covenant would not lye againſt the firſt Leſſee upon a Covenant to repair the houſes, who had aſſigned his Term to another whom the Leſſor had accepted for his Tenant, and received the Rent, and ſuffered the houſe to be conſumed with fire: and, If the Covenant in ſuch Caſe was gone as debt. For the Leſſor is barred of his Action of Debt for Rent againſt the firſt Leſſee after he hath aſſigned, and the Leſſor accepted the Rent of the Aſſignee. It was the Opinion of the Court, That the Action of Covenant would well lye. Hill. 8 Jac. C.B. *Fiſher* and *Ameers* Caſe, *Brownlow* 1. Part, 20.

30. In Action of Covenant, the Caſe was, Upon marriage, the Father of the Husband Covenanted, That during the life of the Father, the Son and his Wife ſhould have Dyet in the Fathers houſe; and if they ſhould diſagree, then the Father Covenanted that he would pay to the Son and his Wife yearly during their lives 20 l. the ſon dyed; the Wife diſagreed, and married another Husband, and they brought the Action. It was ſaid, That the Action did lye, becauſe the diſagreement of the one is good enough. But the Juſtices were of a contrary Opinion; that they all ought to diſagree, for that the words are Joynt. Mich. 2 Car. B. R. *Crab* and *Tuckers* Caſe. See Reports annexed to *Bendlowes* 186.

31. In Covenant, the Caſe was; A Leſſee Covenanted to do all reaſonable works for his Leſſor with his Carts, Carriages, and otherwiſe, as ſhould be required: A breach was aſſigned, becauſe he requeſted him to carry for him three loads of Coles, which the Leſſee refuſed to do, and did not do. The Defendant pleaded, That at that time he had not any Cart or Carriage; upon which the Leſſor demurred. The Court inclined to be of Opinion, becauſe the Leſſee is not bound to keep Carts to ſerve his Leſſor; but, when he hath Carts, and the Leſſor doth require him, he is then to do it. Mich. 2 Car. B. R. *Latch. Mannors* and *Peſey's* Caſe, 202.

Cuſtomes.

1. IT was ſaid by *Hales* Juſtice, That if an Enfant of the age of 15 years be ſeiſed of Lands in Gavelkind in *Kent* by deſcent, that he may ſell his right to the ſaid Land, and thereof make a Feoffment upon his Sale, and the ſame is good there by the Cuſtome; but to make a Feoffment without a Sale, it is not good by the ſaid Cuſtome: And he further ſaid, That ſuch an Enfant cannot make a Feoffment of any Land where he hath but a Reverſion depending upon an eſtate for life; and alſo that he cannot make a Feoffment of any Lands which he himſelf purchaſeth within age, by the ſaid Cuſtome. Hill. 2 E. 6. *Bendlow's* 7.

2. In the City of *York*, a Cuſtome was alledged to be this, That no Merchant ſtranger who is not a Citizen of the ſaid City, at any time ſhould ſell any Merchandizes out of the Liberty of the City to any Merchant ſtranger who is not a Citizen. Nor any Merchant ſtranger ſhould buy of any Merchant ſtranger within the Liberties of the ſaid City, upon pain of forfeiture of ſuch Merchandizes ſold or bought; to the Mayor, Sheriffs, and Citizens of the ſaid City for the time being. Quære, if it be found a good Cuſtome, becauſe they were incorporated by the Charter of King *Richard* the ſecond by the name of Mayor, Viſcounts, and Citizens of the ſaid City; and before they were named only Mayor, Bayliffs, and Citizens, ſo as the Cuſtome aroſe ſince the time of *Richard* the ſecond, which is within time of memory, and therefore it could not be a Cuſtome: and it cannot be a Cuſtome if the beginning of it may be certainly known; I do Quære, Paſc. 28 H. 8. *Bendlowes* 35.

3. The Cuſtome of a Mannor was alledged to be, That ſuch who is Lord of the Mannor, ought to have an Amercement once a year of all the Inhabitants and Reſients within the Mannor. One J.S. was a Reſient within the Mannor, and 4 and 5 *Philip* and *Mary* at the Feaſt of &c. and before the ſaid Feaſt, he was ſummoned to appear at the next Court of the ſaid Mannor; at which Court he made default, and the ſaid default was preſented for which he was amerced to 10 s. Iſſue was joyned, That he was not a Reſient at the time. The Jury found that he was a Reſient: Whereupon Judgment was given for the Lord of the Mannor, that he might diſtrein for the ſaid Amercement, by

by which the Court ſeemed to be of Opinion, That the ſaid Cuſtome was good. Paſc. Eliz. *Bendlowes* 40.

4. In Debt upon an eſcape, The Plaintiff declared, That whereas he had a Judgment againſt one in *London*, and a *Capias ad ſatisfaciendum* againſt him, and *Non eſt inventus* retorned; for which one of his Sureties there being in Priſon, was detayned in Execution *ſecundum Conſuetudinem Civitatis prædict.* and after he eſcaped; the Defendant demurred, becauſe it is not expreſly ſaid, That there is ſuch a Cuſtome, but only *ſecundum Conſuetudinem*. And 2. That the Cuſtome is not good, for that he ought to have a *Scire facias* againſt the Bail, for it is unreaſonable to take him in Execution without anſwer, for that he might plead a Releaſe of the party, or that the Principal is dead, and ſo diſcharge himſelf. It was the Opinion of the Court, that the Cuſtome was unreaſonable, and that the Declaration was not good. And adjudged for the Plaintiff. Trin. 32 Eliz. B. R. *Dexterd* and *Ratcliffs* Caſe, *Cro.* 3. Part, 185.

5. In Debt, the Plaintiff delared, That *London* is an Ancient City, and they have uſed there time out of mind, That the Mayor take Recognizances of any perſon being of full age and not a Feme Covert, every day of the year, except Sundayes, &c. And that the Defendant ſuch a day had acknowledged a Recognizance to the Plaintiff. It was objected, That the Cuſtome was unreaſonable, and too general, not being reſtreined to any perſons or matters: For it may extend to Recognizances taken of Idiots, men of *Non ſane Memorie*, and through the whole Realm aſwell as within the City: But it was the Opinion of the Court, that the Cuſtome was good: And the Mayor is ſuch a perſon as may take Recognizances, for he is a Judg of Record. And if the party be within age *Non ſane Memorie Idiot.* ſhall come on the other ſide, and the Plaintiff needs not to ſhew the ſame in his Declaration. And the Court ſaid, They have uſed a long time to take Recognizances, and their Cuſtomes are confirmed by Parliament. Paſc. 32 Eliz. B. R. rott. 186. *Chamberlain* and *Thorps* Caſe. *Cro.* 3 Part, 186.

6. In Action upon the Caſe, it was alledged, That in ſuch a Pariſh there was a Cuſtome, That the Perſon there at all times of the year, had uſed to keep within the Pariſh a common Bull, and a common Boar, for the common uſe of the Kine and Sowes of the Pariſhoners at any time *Quandocunque acceſſerint*; and that the Defendant being Perſon there for three years, had not kept any Bull or Boar there, by reaſon whereof, the Plaintiff (being an Inhabitant there) loſt the encreaſe, &c. The Defendant by Proteſtation that there was not any ſuch Cuſtome, pleaded, Not guilty; upon which the Plaintiff demurred. It was the Opinion of the Court, That it was a good and reaſonable Cuſtome, and that every Inhabitant who hath any prejudice by not keeping of the Bull and Boar, might maintain his Action againſt the Perſon. Te. 39 Eliz. B. R. *Yeilding* and *Fogs* Caſe. *Cro.* 3. Part, 569.

7. Action upon the Caſe by a Copyholder againſt his Lord: And alledged within the Manor, that there was a Cuſtome, That every Copyholder ſhall have the Loppings of the Pollingers. And becauſe the Defendant the Lord had cut down two Oaks being Pollingers, whereby the Plaintiff loſt the benefit of the Lops, the Plaintiff brought the Action. The Defendant by proteſtation that there was no ſuch Cuſtome, for plea ſaid, That he cut down two Oaks, being Pollinger Trees, and left the Loppings there for the Plaintiff; upon which the Plaintiff demurred. It was Objected, That if this ſhould be good, then the Lord who hath Intereſt in the Timber, ſhould never by this means have any profit thereof, and thereby loſe his Inheritance. But it was Reſolved, That Judgment ſhould be for the Plaintiff, For the Copyholder hath not only Intereſt in the preſent Loppings but in a future profit by the Loppings: And if the Lord ſhould cut down all the Timber Trees, then the Copyholder ſhould loſe all the profit, and never have any more Loppings; and it is a reaſonable Cuſtome to have Loppings of Pollingers which anciently have bin continued. Trin. 40 Eliz. B. R. *Stebbing* and *Goſnolls* Caſe. *Croke* 3. Part, 629.

8. In an *Ejectione* for Copyhold Lands within the Manor of *Iſlworth*, divers points were debated and Reſolved. 1. That there could not be an Eſtate tail of a Copyhold, unleſs there be a ſpecial Cuſtome within the Manor to warrant it, and ſo it was ſaid it was Reſolved in the Dutchy Chamber in *Halling* and *Graves* Caſe by all the Juſtices. 2. That admitting there might be an Eſtate tail of it; That a ſurrender thereof is a Diſcontinuance to put the Iſſue in tail to his Action, for he muſt take it ſubject to all the Inconveniencies which an Eſtate tail at the Common Law is ſubject unto. 3. That admitting that the ſurrender of a Feme Covert being ſole examined, ſhould bind her by the Cuſtome: If ſuch a ſurrender upon her examination made before two Tenants of the Manor, ſuch ſurrenders before then having bin uſed to be made, be good. Reſolved, That by a ſpecial Cuſtome to warrant it, it may be good, but otherwiſe not. 4. If a ſurrender made to the Steward of the Manor to the uſe of the Steward himſelf, be good. Reſolved, That it was, for that the entry is *Quod ſurſum reddidit in manus Domini*; and the Steward is but the Lords ſervant,

vant, and the ſurrender is to the Lord and not to him. Mich. 41 Eliz. C. B. *Eriſh* and *Rives* Caſe. *Cro.* 3. Part, 717.

9. In Treſpaſs for taking the Plaintiffs Horſe; The Defendant juſtified as Lord of the Mannor, and ſet forth a Cuſtome to be, That the Lords of the Mannor time out of mind, have uſed to have after the death of every one dying within his Mannor, the beſt Beaſt in name of a Herriot, and that the Teſtator of the Plaintiff dyed within his Mannor poſſeſſed of that horſe, and therefore he ſeiſed him. Upon which it was demurred. It was much urged, That the Cuſtome ought to be maintained if by any writ or cauſe to be imagined, it might be intended to have a lawful beginning: And the reaſon of it might be this, for that he had his reſidency within his Mannor, and had the comfort and help of the Lords Tenants and Aſſiſtances in the time of his ſickneſs, and after his death had their attendance to his Funeral: and alſo becauſe that for that time the Lord loſt the Service of his Tenants, and alſo becauſe he had a place there to reſt his bones, it might be good. But it was Reſolved by the Court, That the Cuſtome was not good to bind a ſtranger, and a Cuſtome if it be not grounded upon good reaſon, it is void: And to have the Beaſt of any one which dyeth within his Mannor, cannot have a lawful and reaſonable beginning. But ſuch a Cuſtome might be good to bind the Tenants of the Mannor, becauſe it might begin upon the creation of their Tenures. It was adjudged for the Plaintiff, and afterwards the Judgment affirmed in a Writ of Error brought in the Queens Bench. Trin. 41 Eliz. C. B. *Parker* and *Combſfords* Caſe, *Cro.* 3. Part, 725.

10. In an Action upon the Caſe, The Plaintiffs ſet forth themſelves to be a Corporation of Weavers in *London*, and that the Cuſtome there is, That none ought to intermeddle with their Guild, nor with their Art within *London*, or *Southwark*, but thoſe of the Guild, and that the Defendant being none of the Guild, had bought 40 l. worth of ſilk of one R. to be woven, and had weaved it: The Defendant pleaded, Not Guilty. It was found by Verdict, That the Defendant being a ſtranger, had received of R. 40 l. worth of ſilk to be woven, and had carried it to *Hackney*, and there had woven it and brought it back to *London*, and there received his Wages. It was Reſolved by the Court, That this was no offence: For although it was a good Cuſtome; yet this contracting for it in *London*, and working it in the Country, is not an intermedling with their Trade in *London*. Wherefore it was adjudged for the Defendant. Hill. 43 Eliz. B. R. The Warden and Corporation of *Weavers* and *Browns* Caſe. *Cro.* 3. Part, 803.

11. In Treſpaſs, the Defendant juſtified, that J. S. was Lord of the Mannor of D. within which Mannor the Cuſtome is, That if any man taketh to Wife any Cuſtomary Tenant of the ſaid Mannor, and hath Iſſue, and ſhall overlive his Wife, he ſhall be Tenant by the Curteſy: And pleaded, that he took to Wife one A. to whom, during the Coverture, a Cuſtomary Tenement of the ſaid Mannor did diſcend, and that he had Iſſue by the ſaid A. and ſhe is dead, and ſo, &c. It was adjudged in this Caſe, That the Husband by this Cuſtome, upon this matter, ſhould not be Tenant by the Curteſy; For A. was not a Cuſtomary Tenant of the ſaid Mannor at the time of the Marriage. Trin. 29 Eliz. B. R. Sir *John Savages* Caſe. *Leon.* 2. Part, 109.

12. In Action upon the Caſe, the Plaintiff declared that he was ſeiſed in Fee of a houſe and Meadow, and that he and all thoſe whoſe Eſtate he had in the houſe and Meadow, had time out of mind had a Way from the houſe to the Meadow, and alſo that he had a Way from the houſe to the Kings High Way adjoyning to the ſaid houſe, and then to ſuch a Cloſe, and from ſuch a Bridg forward to the Meadow. The Defendant pleaded, That he held the Cloſe free from ſuch Way, and traverſed, That the Plaintiff had not the Way there; and it was found againſt him. It was moved in ſtay of Judgment, That he preſcribes for a Way to his houſe, and doth not ſay, It is an Ancient houſe, and Declarations ought to be certain to all intents, that the other might take Iſſue thereupon. 2. For the incertainty of the Way, where he ſaith that the Way is from the houſe to the High-Way, and doth not ſhew where the High Way is, or leads. It was anſwered, There is a difference between a Preſcription which is perſonal, and a Cuſtome which is local, and therefore it is ſufficient in a preſcription to ſay, That time out of mind he had ſuch a Way, becauſe it implies that the houſe is an ancient houſe. 2. It was the Opinion of the Court, That the Verdict had mended all the defects in the Declaration, and it was adjudged for the Plaintiff. Hill. 20 Jac. B. R. *Harriſon* and *Peaks* Caſe. *Latch.* 110.

Debt.

1. THE Caſe was: A Woman who was Executrix of her Husband, married with the Debtor of the Teſtator, the Husband dyed, and debt was brought againſt the Woman, who pleaded ſhe had nothing in her hands. It was adjudged, That this Debt was not Aſſets in her hands, for by the Intermarriage, the debt which the Executrix had in *auter droit*, was not extinct, but ſuſpended; And the Action was revived againſt the Executors of the Husband. Mich. 31 Eliz. B. R. *Croſman* and *Readers* Caſe. *Cro.* 3. Part, 114.

2. The Teſtator is endebted to one by Obligation in the ſum of 100 l. he makes his Executor, and dyes. The Executor takes in that Bond, and gives a Bond in his own name, with Sureties to the Obliger. It was holden in this Caſe, That it was an Adminiſtration, and a good payment of the Debt of the Teſtator. Mich. 31 Eliz. B. R. *Martin* and *Shippon's* Caſe. *Cro.* 3. Part, 114. See Mich. 31 Eliz. 3. Debt brought againſt Husband and Wife Executrix of her former Husband. The Husband appeared upon the Exigent, and would have put in a *Superſedeas* for himſelf alone, without appearance for his Wife: but he could not be admitted ſo to do by the Court upon a Preſidere ſhewed 18 Eliz. in one *Summers* Caſe, who would have put ſuch *Superſedeas* for himſelf only, but was not ſuffered ſo to do, but compelled to put in an appearance, Attorney, and *Superſedeas* for his Wife alſo. Mich. 31 Eliz. B. R. *Bilford* and *Foxes* Caſe. *Cro.* 3. Par. 118.

4. Note, It was adjudged by the whole Court, That Debt upon a Contract of the Inteſtate doth not lye againſt his Adminiſtrator. Pa'c. 30 Eliz. B. R. *Hughſon* and *Hobbs* Caſe. Paſc. 30 Eliz. *Cro.* 3. Par. 121.

5. Debt was brought for 7 l. 13 s. 4 d. Upon *Nihil debet* pleaded, The Jury did find that the Defendant did owe 6 l. 13 s. 4 d. but ſpoke not of the other 20 s. It was the Opinion of the Court, That it was Error, and the Verdict not good, nor remedied by the Statute of 32 H. 8. and therefore the Judgment was reverſed. Mich. 31 Eliz. B. R. *Finymore* and *Sankeyes* Caſe. *Cro.* 3. Part, 133.

6. Debt brought againſt an Executor for Rent behind in the time of the Teſtator. The Defendant pleaded, levyed by Diſtreſs, *et ſic non detinet*. It was found by the Jury, That the Aſſignee of the Term paid the Rent to the Plaintiff, which he accepted, but no Diſtreſs was taken for it. In this Caſe it was adjudged, That Judgment ſhould be againſt the Plaintiff, for the ſubſtance of the Plea is found with the Defendant, for it is found the Rent is paid, and ſo *non detinet* the Rent, and not upon the levying by Diſtreſs. Trin. 31 Eliz. C. B. *Sir Thomas Cecill* and *Harris's* Caſe. *Cro.* 3. Part, 140.

7. Debt upon an Obligation, the Condition was, That if J. S. make an Obligation to the Plaintiff before *Mich.* that then, &c. The Defendant pleaded, That J. S. made the Obligation, and ſealed and delivered it to the uſe of the Plaintiff. It was adjudged in that Caſe, That it was no performance of the Condition, for the meaning was, that it ſhould be a good Deed to the Plaintiff, and perhaps the other will not deliver it to him. Trin. 31 Eliz. C. B. *Beſe* and *Draitons* Caſe. *Cro.* 3. Part, 143.

8. Debt for Rent reſerved upon a Leaſe for years. And delared, That he let the Land to the Defendant for 21 years from the Feaſt of St. *Mich.* next enſuing, rendring Rent; And that the Defendant had entred the 29 th of *September*, and had occupied the Land for one year. The Defendant pleaded *Nihil debet*, which was found againſt him. It was ſhewed in ſtay of Judgment, That he had entred upon *Mich.* day, which is a day before his title began, and ſo it is a Diſſeiſin, and ſo no Rent due. It was the Opinion of the Court, That he was a Diſſeiſor by his entry, but yet Debt lyes for the Rent upon the privity of contract. Mich. 31 Eliz. B. R. *Alexander* and *Dyers* Caſe. *Cro.* 3. Part, 169.

9. Debt upon an Obligation to ſave harmleſs againſt J. S. of an Obligation. The Defendant pleaded *Non damnificatus*. The Plaintiff replyed, That J. S. ſued him to the Exigent, and then he appeared, and the ſaid J. S. had Judgment to recover againſt him. It was Reſolved by the Court

for

for the Plaintiff. For immediately upon the Judgment given, he was damnified; for his Body, Goods, and Lands are liable to the Execution; and if he after alienath his Lands, he cannot by reason of this Judgment warrant it to be free from Incumbrances, so that by the very Judgment he is damnified. Trin. 34 Eliz. B. R. *Bush* and *Ridglyes* Case, *Cro.* 3. Part, 261.

10. A Debt came to the Queen by an Attainder of J. S; The Queen granted it to J. D, and all Actions and Demands for it; but there were no words in the Letters Patents to sue for it in the Queens name. Yet the Opinion of the Justices was, That a *Scire facias* lay to have Execution of it in the Queens name Pasch. 36 Eliz. in Ex. *Allens* Case. *Cro* 3. Part, 325.

11. Debt upon an Obligation; The Defendant pleaded, That the Plaintiff did Covenant not to sue the Obligation before *Mich.* and thereupon demanded Judgment if Action; It was thereupon demurred. But the Court Resolved for the Plaintiff, for it is only a Covenant, and it shall not enure as a Release; and it is not to be pleaded in Barr, but the party is put to his Covenant, if he be sued before the time. But if it had been a Covenant that he should not sue it at all, then perhaps it might enure to a Release, and be viewed in Barr. Mich. 37 Eliz. B. R. *Dean* and *Jefferies* Case. *Cro.* 3. Part, 352.

12. Debt upon an Obligation of 300 l. It appeared upon *Oyer*, That it was a Statute Staple of 300 l. acknowledged by the Defendant and two other before the Mayor of *Lincoln*; But because the Seal of L. was not according to the form of the Statute of *Acton Burnell*: It had been Resolved betwixt the same parties, That it was not a Statute; Therefore now the Plaintiff brought a Debt, as upon an Obligation at the Common Law. It was Objected, That Debt could not be brought upon this Statute; for, it being void as a Statute, it cannot be brought as upon an Obligation; It was the Opinion of the Court, That the Action did well lye. For it was said by them, That Debt may be brought upon a Statute-Staple or Morgant; For the words *Obligavit & recognovit* make it an Obligation, although it be not a Statute to some intent; and by the delivery of the party, it is an Obligation, though it be not a Statute till the Mayors Hand and Seal be put unto. Pasch. 37 Eliz. C. B. *Hallingworth* and *Ascue's* Case. *Cro.* 3. Part, 355.

13. Debt for Rent upon a Lease for years; The Defendant pleaded, That before the Lease, a Judgment was given in Debt against the Plaintiff at the Suit of J. S, and that afterwards he made the Lease; and that afterwards the Land was extended, and delivered in Execution upon an *Elegit*; and before the Extent, there was no Rent behind: It was adjudged by the whole Court, To be a good Plea. H. 11. 37 Eliz. B. R. *Dy* and *Keiss* Case. *Cro.* 3. Part, 398.

14. Error of a Judgment in C. B. where G. brought a Debt against R, as Executor of N, for Fees due to him as Attorney of the Common-Pleas, as also for Fees due to him for soliciting Causes in the Kings Bench. The Defendant there pleaded, *N. non*, Executor and found against him, and Judgment for the Plaintiff: Whereupon he brought Error, and assigned for Error, That the Action of Debt lyeth not against him as Executor; for although it lyeth against him for an Attorneys Fees in regard his Testator could not have waged his Law for them: Yet so much as it is brought against him for Fees in soliciting Suits in the Kings Bench, where he was not Attorney, and for which an Action lies not against an Executor; then having there conjoyned them, and Damages being given entirely, the Judgment there was erroneous in all. This Cause was often debated, and afterwards it was Resolved, That this Action of Debt would not have lyen, if it had been brought against the Testator himself for part thereof, viz. For so much as he expended as Solicitor in Suits in the Queens Bench; for those are not allowable by Law for such Fees as he expends in such business, and therefore no Action lies for them. But an Attorney in such Cases where he is Attorney, may lay out Fees, and have Debt for them. But for soliciting Fees in the Kings Bench, Debt did not lie, so the Writ was liable for all. Mich. 37 and 38 Eliz. B. R. *Gennine* and *Falls* Case. *Cro* 3. Part, 425. and 459. See Mich. 4 Car. B. R. *Lords* and *Thirlbies* Case. *Cro.* 1. Part, 140. Lib. 1. Title *Debt*, fol. 570. 15. Detinue of an Obligation; The Case was, That the Plaintiff and one B. as Executors of J. S. had an Obligation, wherein J. D. was endebted to the Testator in 20 l; B one of the Executors, in satisfaction of his proper Debt due to the Defendant by words only, *Dedit & deliberavit* that Obligation to the Defendant, and dyed; The Plaintiff being the surviving Executor brought Detinue of this Obligation: *Quære*, If it lyeth. The Justices were divided in their Opinion, and the Point not Resolved. Mich. 38 Eliz. B. R. *Kefield* and *Nicholsons* Case. *Cro.* 3. Part, 478.

16. In Trespass; The Case was, That by Vertue of a *Fieri facias* out of the Exchequer for the Queens Debt, the Sheriff took the Plaintiffs Beasts, being Levant and Couchant upon the Land of the Debtor, and sold them for the Queens Debt. It was adjudged, That the Sale was not lawful; for they were not to be sold as the Goods of

of the Debtor, but they might have been diſtrained for the Queens Debt. Mich. 38 Eliz. B. R. *Stafford* and *Eatemans* Caſe. *Cro.* 3. Part, 431.

17. Debt brought againſt an Executor, The Defendant pleads, That, pendant the Action, J. S. brought an Action againſt him for a true Debt, and recovered againſt him, and that he had nothing in his Hands; The Plaintiff Replyed, That the Recovery was by Covin. It was the Opinion of the Court, That the Replication was not good, for that, if it was not a true Debt, it could not be a Covinous Recovery. Mich. 38 Eliz. B. R. *Goers* and *Willocks* Caſe. *Cro.* 3. Part. 462.

18. Debt upon an Obligation, and demanded 47 l. 1. s. 8 d. *Monete Flandrie*, *ut inſtrument. ad valorem* 42 l. 6 s. 2 d. and becauſe the Jury did not enquire of the value of the money upon the Verdict, nor by Writ of Enquiry; and the value of Flemiſh money is not known here; the Judgment was reverſed. Mich. 39 Eliz. B. R. *Bigſhaw* and *Pigots* Caſe. *Cro.* 3. Part. 536.

19. J. S. brought a *Scire facias* upon a Recognizance, and had Judgment by default, *Quod habeat executionem*. Afterwards he brought an Action of Debt upon the ſaid Judgment; It was moved once, That he ought to proceed upon the Judgment in the *Scire facias*, and ought to ſue Execution according to that Judgment by *Elegit*, but not by *Capias*; but the Exception was diſallowed. For the Recognizance is a Judgment in it ſelf, and an Action of Debt will lye upon it, without any Judgment in the *Scire facias*; and Debt lyeth as well upon the Judgment, as upon the Recognizance it ſelf, and ſo was the Opinion of the whole Court. Mich. 29 Eliz. C. B. *Levelaces* Caſe. *Leon.* 2. Part, 14.

20. In Debt againſt the Executors of R. F; The Caſe was, A. F, mother of the Teſtator, deviſed Lands to the ſaid R. F, and afterwards deviſed 40 l. to J. upon Condition, that the ſaid A. *cum requiſitus eſſet acquietaret & relaxaret* to the ſaid R. F, *omnes actiones perſonales querelas* (*præter.* 40 l. *per dict. voluntatem exceptis*) A. dyed; R. F. made two Obligations to J, the firſt to pay 20 l. parcel of the ſaid Legacy within a year after the Death of A, ſo as the ſaid J. releaſe according to the Will of the ſaid A; the ſecond Obligation was with the ſame Condition to pay 20 l. reſidue of the ſaid Legacy, within two years after the death of the ſaid A, upon Condition to releaſe *ut ſupra*: R. F. required J. to make the releaſe, which he refuſed; They were at Iſſue upon the Requeſt: It was found, *Quod R. F. non requiſivit*, upon which a Verdict was given, and Judgment, and thereupon Error brought in Exchequer Chamber. The Error aſſigned was, That it appeared upon Record, That the Bill *proferuntur ſuit infra duos annos poſt non tem dict. A.* and ſo before the day of payment. But the Judgment was affirmed; For in this Caſe, It was ſaid, That if I bring my Writ of Error before the day of payment, and it doth depend in ſuit till after the day of payment; my Writ is made good, for that at all times the Defendant was my Debtor. Trin. 29 Eliz. B. R. *Thurkeſtil* and *Tyes* Caſe. *Leon.* 2. Part, 20.

21. The Caſe was; A Debt came to the Queen upon an Attainder of a Creditor, an extent iſſued out againſt one of the Terr-Tenants, lyable to the Debt, and not againſt all of them; It was moved, That upon a branch of the Statute of 33 H. 8. all the Terr-Tenants ought to be charged: It was the Opinion of divers, That ſuch a Debt which came to the Queen by Attainder, is not within the ſaid Statute, for although the Attainder is by a Judgment, yet it cannot properly be ſaid a Debt by Judgment, but where a Debt is rendred by Judgment, and that was ſaid to be the Caſe of the Lord *Norris*, for a Debt due to *Hirne*, who was attainted, Mich. 31 Eliz. Exchequer Chamber; The Lord *Cromwels* Caſe. *Leon.* 2. Part, 33.

22. In Debt for Arrearages of Rent; The Caſe was, The Land out of which the Rent iſſued, was aſſured by Act of Parliament to the Marchioneſſe of *Northampton*, for the Term of her life, the Remainder to the Lady *Baucher* her Daughter, and the Heirs-males of her Body, the Remainder to King *Henry* the 8th. in Fee: It was ordained by the ſaid Act, That all Grants and Leaſes made, or after to be made by the ſaid Marchioneſſe of the Lands *preſcript. ſint nec. dill. Marchioniſſæ, valida in lege tant durante Vitâ ejus, &c.* The Marchioneſſe made a Leaſe for 21 years to J. S, rendring 10 l. Rent, who aſſigned the ſame to the Defendant; The Lady *Baucher* dyed without Iſſue, the Marchioneſſe dyed; If the Leaſe ſhould bind the Queen was the Queſtion. It was Objected, That the Eſtate of the King was bound with the Leaſe, for that all the Eſtates made, upon the Point, but one Eſtate being derived out of one Eſtate: On the other ſide it was ſaid, That the Leaſe ſhould not bind the Queen nor her Patentee; It was obſerved by ſome of the Juſtices, That it is expreſſly provided, That the Rent reſerved by the Marchioneſs ſhould go to the Lady *Baucher*, but no proviſion made, that it ſhould go to the King; and therefore the King not to be bounden. *Quære*, for the Point was not Reſolved. Trin. 29. Eliz. B. R. *Morgan* and *Chandlers* Caſe. *Leon.* 2. Part, 51.

23. Debt was brought by Original Writ againſt an Adminiſtrator in another County then where the Adminiſtrator was dwelling; and before Notice of the Suit, he paid divers other Debts of the Inteſtate

Intestate due by Specialties, so as he had not Assetts to pay the Debt demanded, but had Assetts at the Day of the *Teste* of the Original Writ; and all this matter the Defendant pleaded in Barr: And it was the Opinion of the whole Court, That it was a good Plea. Mich. 32 Eliz. C. B. *Corbets* Case. *Leon.* 2. Part, 60.

24. Debt in *London* against one as Executor upon Fully administred, pleaded, It was found for the Plaintiff, who assigned the same to the Queen; A *Scire facias* issued out of the Exchequer against the Defendant into the County of D. the Sheriff returned *Nulla bona, &c.* which *Scire facias* was upon a *Capias* of Goods in another County: In this Case, It was agreed by all the Barons, That the Debt was well assigned to the Queen; and that the *Scire facias* might issue out of another Court than where the Record of the Judgment remained, and that upon a *Capias* of Goods in another County than where the Writ is brought, or where the party is dwelling, he may well have a *Scire facias* in another County. Trin. 32 Eliz. Exchequer, *Bowes* Case. *Leon.* 3. Part, 61.

25. Debt by M. W. against J. S; The Condition was, That if the said M. W. doth not depart out of the Service of the Defendant, without Licence of the Defendant, nor marry her self without his consent: Then if the Defendant pay to the said M. within twenty eight dayes after Demand made by her of the said J. S, at his House at D. 300 l. that then, &c. The Defendant pleaded, That M. the Plaintiff 4th. *May*, 30 Eliz. departed out of his Service without Licence: The Plaintiff Replyed, That 6th. *Sept.* the same year she departed out of his Service with Licence, and that 4th. *Octob.* after, she demanded the 300 l. at D, and he refused to pay it; *absq; hoc*, that she departed out of his Service 4th. *May*, 30 Eliz. without Licence; The Writ, bare date 8th. of *October* after the demand. It was found for the Plaintiff, and Judgment given, and Error brought by J. S. It was objected, That the Replication was not good, for it was no full Plea, That the Plaintiff did not depart out of the Service of the Defendant 4th. *May*; for if she departed at any other time, she should not recover: But she ought to have pleaded, That she continued in his Service untill such a day, and then she departed with his Licence; But the Court conceived, That the Judgment was well given; For the Defendant was at his liberty to plead the departure without his Licence, and to stand upon the Demand; and now although he pleads the departure, yet the demand is not confessed; wherefore the Judgment was affirmed. Hill. 32 Eliz. B. R. *Wrastley* and *Monings* Case. *Leon.* 2. Part, 99.

26. Debt upon Obligation; The Case was, The parties were bound the one to the other, upon Condition to stand to the Award of B. and C, who award, That the Defendant before such a Feast shall make a Release to the Plaintiff, but no place assigned where the Release shall be delivered to the Plaintiff. The defendant before the Feast sealed a Release according to the Award, and delivered it to J. S, to the use of the Plaintiff, who delivered it to J. N, one of the Servants of the Plaintiff, who two or three dayes offered it to the Plaintiff, and he refused it; It was holden by *Wray*, Chief Justice, That upon this matter the Award was well performed, notwithstand the refusal of the Plaintiff. See 1 Eliz. *Dy.* 167. And *Quære* and see the Case of *Beale* and *Dorton's* before in this Title. Case 7.

27. Debt upon an Obligation; The Condition was, That whereas the Plaintiff and Defendant were jointly seised of the Office of Register of the Court of Admiralty; If the Defendant shall permit the Plaintiff to enjoy the said Office, and to take the Profits of it wholly to his own use, during his life, without interruption done by him, That then, &c. the Defendant pleaded, The Custom of the Realm of is, That the Lord Admiral, for the time being, might Grant the said Office, and such Grant should be good for the life of the Grantee, and that the Lord *Clynton*, Lord Admiral, granted the said Office to the Plaintiff and Defendant, and dyed; and then the Lord *Howard* was appointed Lord Admiral, and he 29 Eliz. granted the said Office to one W, who interrupted him, before which time the Defendant did suffer the Plaintiff to enjoy the said Office, and to take the Profits of it, upon which it was demurred: The Court was clear of Opinion, That Judgment should be given for the Plaintiff; For although the Defendant hath another Title, and the Title of the Plaintiff be determined: yet against his own Bond and Deed he shall not put out the Plaintiff. But the Case was Compounded by Order of the Lord Chancellor. Pasch. 28 Eliz. B. R. *Parker* and *Harfields* Case. *Leon.* 2. Part, 114, 115.

28. Debt upon an Obligation against one as Executor; The Case was, That the Testator by his Will appointed certain Lands, & named them, which should be sold by his Executor; the monies thereof Comming, to be distributed betwixt his Daughters, when they accomplished the age of 21 years. The Lands were sold, and the monies given to the Hands of the Executor; and being in his Hands, If they should be Assetts to pay the Testators Debts, was the Question: It was the Opinion of the Court, That the monies should not be Assetts, for that they said, That that Money is limited to a special use. *Quære* Mich. 30 Eliz. B. R. *Gerings* Case. *Leon.* 2. Part, 119.

29. Debt

29. Debt upon Obligation; The Condition was, To perform Covenants in Indentures: The Covenant upon which the Breach was assigned, was, That if R. W. Brother of the Plaintiff, should make assurance of such a Manner to the Defendant, as Counsel learned of the Defendant should devise: Then, if the Defendant paid to the Plaintiff 50 l. the bond to be void. The Defendant by advice of Counsel, demanded a Lease with warranty; It was holden by two Justices, That this was not an Assurance, but a means to recover in Value, and so the Obligation not forfeited. The Lord *Anderson* said, It was a Collaterall warranty. Pasch. 27 Eliz. C. B. *Pye* and *Thogmorton* Case. *Lent.* 2. Part, 130.

30. Debt upon Obligation; The Condition was, Whereas debates were betwixt the Plaintiff and J. Brother of the Defendant; and the Plaintiff and J. put themselves to the Award of J. S. and the Defendant was bound by Bond to the Plaintiff, to perform the Award of the said J. S. An Award was made, That the said J. should pay to the Plaintiff 30 l. viz. at the Annunciation 20 l. and at *Michaelmas* 10 l. The Defendant pleaded, That J. died before the said Feast of *Michaelmas*, upon which it was demurred. It was the Opinion of the whole Court, That the Bond was forfeited, because the Sum awarded is now become a Duty, as if the Condition of the Bond had been to Payment of it. 2. Day is appointed for the Payment of it. Mich. 29 Eliz. B. R. *Kingwell* and *Orme's* Case. *Lent.* 2. Part, 155.

31. Debt upon Obligation; The Condition was, That whereas the Plaintiff was in possession of such Lands, if J. S. nor J. D. nor J. G. did disturb him by any indirect means, but by due course of Law, that then, The Defendant pleaded, That neither J. S. nor J. D. nor J. G. did disturb him by any indirect means, but by due course of Law; Exception was taken to it, that he hath pleaded, No such, Nor such, Nor such, hath disturbed him by any indirect means, but only by due course of Law, and that cannot be tryed neither by Jury, nor by the Judges: Nor by the Jury, because it is not put to them; whether they had disturbed him by any indirect means, or by the due course of Law: For they shall not take upon them the construction, what is an indirect means, or a due course of Law, for that appertaineth to the Judges to judge of: Nor by the Judge, because he hath not put it in certainty, that it was a due course of Law, by which he disturbed him: And of this Opinion was the whole Court, and the Exception was allowed. M. 29 Eliz. B. R. *Dighton* and *Holt's* Case. *Lent.* 2. Part, 197.

32. Debt upon a Bill of 70 l. to be paid upon demand; It was demurred unto, because the demand was parcell of the Contract, and the Plaintiff had not shewed any actual demand: But it was adjudged to be good enough, because it is a duty prestantly; and is not like the Case where one is bound to levy a Fine upon Request; for that there the Plaintiff hath not any cause of Action till a Request be made: Not so in this Case. Hill. 39 Eliz. C. B. *Cay* and *Lancaster's* Case. *Cro.* 3. Pa. 748.

33. Debt upon Obligation, Conditioned, That if the Defendant came to the *Kingshead* upon 12th. of *October*, and there elect two Arbitrators, who with two others to be elected by the Plaintiff, shall Arbitrate all such sums which the Plaintiff hath disbursed for the Defendant, and promised to be paid to the Plaintiff by the Defendant; That then, &c. The Defendant pleaded, That the 12 h. of *October* he came to the *Kingshead*, and there elected two Inhabitants of the said Town Arbitrators, *ad faciendum Arbitrium* of all sums, and that the Plaintiff was not there; and because he did not shew at what hour of the day, nor how long time he continued there; (for he ought to be there at such a convenient time, that the Arbitrament may be made); and because he doth not shew, that his two Arbitrators were there present: It was adjudged for the Plaintiff. Hill. 39 Eliz. C. B. *Lamond* and *Mouks* Case. *Cro.* 3. Part, 749.

34. Debt against an Executor upon an Arbitrament made in the life of the Testator; It was adjudged, That the Action would not lye, because the Testator might have waged his Law. Pasch. 29 Eliz. B. R. *Hampton* and *Ivers* Case. *Cro.* 3. Part, 557.

35. Debt upon a Bill, which was this: *Memorandum*, That I T. J. do bind my self to J. M. to pay him all such monies as my Brother oweth him. In the Bill, after the (*In witness*) was written, That the Brother owed to the Plaintiff 41 l. and so it was averred in the Declaration: It was adjudged for the Plaintiff; for although his Bill was uncertain at the first, yet by the averment the Debt is sufficient. Pasch. 29 Eliz. C. B. *Morgan* and *Johnson's Case*. *Cro* 3. Part, 561.

36. Debt upon an Obligation, for the performance of the Award of J. S. to be made, &c. The Defendant pleaded, *Nullum fuit Arbitrium*; The Plaintiff shewed, That an Award was made, That he should make an Estate of such Lands to the Plaintiff for life, the Remainder to J. S. a Stranger in Fee: It was the Opinion of the whole Court, That although the Award was void as to the Stranger, yet it was good as to the particular Estate, and ought to be performed. But because the Plaintiff in his Replication did not shew where the Arbitrament was made, which is matter

iſſuable, it was adjudged againſt the Plaintiff. Hill. 42 Eliz. C. B. *Bretton* and *Pratts* Caſe. *Cro.* 3. Part, 759.

37. Debt upon Obligation, to ſave the Plaintiff harmleſs from an Obligation, wherein the Plaintiff as Surety for the Defendant was bound to J. S. to pay 100 l. The Defendant pleaded, That the Obligation made to J. S. was upon an Uſurious Contract, *Et ſic non damnificatus:* It was Objected, That the Plea was good, otherwiſe the Statute of Uſury ſhould be defrauded: For by a Compact the Uſuror would ſue the Surety, and he would pay him, and have his remedy upon his Counter-Bond. But the whole Court held it to be no Plea, becauſe the Surety by intendment cannot know of the corrupt Contract, to plead it in avoidance of the Bond, wherefore the principal ought to take care thereof. Mich. 40 Eliz. B. R. *Robinſon* and *Mayes* Caſe. *Cro.* 3. Part, 588. Trin. 40 Eliz. C. B. *Batton* and *Downhams* Caſe. *Cro.* 3. Part, 643. acc.

38. Debt upon a Bill ſealed for the payment of 42 l. to the Plaintiff, *Cum requiſitus eſſet*; The Defendant pleaded, *Non eſt factum*, and upon the Evidence it appeared, That this Obligation was written in a Book, and in the ſame Leaſe the Defendant put his Hand and Seal to it. It was a Queſtion, if this was a good Deed or not: It was Reſolved by the Court, That it was a good Deed. Trin. 40 Eliz. B. R. *Fox* and *Wrights* Caſe. *Cro.* 3. Part, 613.

39. Debt upon a Bill ſealed, whereby the Defendant acknowledged, That he had received of the Plaintiff 7 l. to buy a pair of Bellows, and other things to the uſe of the Plaintiff. The Plaintiff demurred; becauſe the Plaintiff ought to have Accompt, and not Debt. But it was the Opinion of all the Juſtices, That it was at the Election of the Paintiff, to have either the one or the other; wherefore it was adjudged for the Plaintiff. Mich. 4 Eliz. C. B. The Earl of *Lincoln* and *Topcliffs* Caſe. *Cro.* 3. Part, 647.

40. Debt upon Obligation The Defendant pleaded, *Quod factum prædict.* was made, and delivered without date, and afterwards the Plaintiff put a date to it, and ſo not his Deed. It was the Opinion of all the Juſtices, That the Plea was not good, becauſe the Defendant firſt confeſſeth it to be his Deed; and then concludes it is not his Deed; whereas he might have pleaded, *Non eſt factum* generally. Hill. 42 Eliz. C. B. *Coſpay* and *Tanmans* Caſe. *Cro.* 3. Part, 800.

41. Debt; The Plaintiff declared, That in conſideration of 100 l. paid, the Defendant granted to the Plaintiffs Father an yearly Rent of 60 l. going out of the Manor of D for 60 years, with a *Nomine pœnæ* for non-payment, and that his Father deviſed the Rent to him; and for the Arrearages, and the *Nomine pœnæ*, the Action was brought. The Defendant pleaded the Statute of Uſury, and found againſt him. It was moved, That Debt did not lye for this Rent: But a Writ of Annuity as long as it continues, and that the *Nomine pœnæ* was not deviſed to him: It was the Opinion of the Court, That an Action of Debt well lay; For they ſaid, there is a difference where a Rent for years is granted orginally, and where a Rent or Annuity is granted in Fee, and out thereof a Grant is made for years, there Debt lyes not during the years; but in the principal Caſe, that it well lay. Trin. 49 Eliz. B. R. *Bendiſh* and *Philips* Caſe. *Cro.* 3. Part, 895.

42. Debt upon the Statute of 2 E. 6. for not ſetting forth of Tythes; The Plaintiff ſhewed, That two parts of Tythes did belong to the Rectory, and a third part to the Vicarage; and that he had one Leaſe for years of the Rectory, and another Leaſe of the Vicarage; and for not ſetting forth of the Tythes, he demanded the treble value: Upon *Nos debet*, It being found for the Plaintiff; It was urged in Arreſt of Judgment, That he ought to have brought ſeveral Actions, being grounded upon ſeveral Leaſes, as his Title is ſeveral. But it was the Opinion of the whole Court, That the Action was well brought, in regard he had both Titles in him; and the Action is grounded upon the wronge. Pſach. 3 Jac. B. 43. Debt by S, Executor of A. againſt W, upon a Bill of Debt made by F. to A. by which F. did acknowledge to have received of one J. S. 40 l. to be equally devided between A. and B. and to their uſe. And upon a Judgment given in C. B, W. brought Error, becauſe A. and B. are Tenants in Common, and ſo they ought to have been joyned in the Action; and alſo becauſe that in this Caſe Debt did not lye, but an Action of Accompt; But it was holden, That in this Caſe they were ſeveral Debts, *viz.* 20 l. to the one, and 20 l. to the other; as in Caſe of 10 l. Rent reſerved upon a Leaſe, *viz.* 5 l. at *Mich.* and 5 l. at Annunciation; yet it is one intire Rent to be devided in payment, and for the ſecond point Ruled; That although no Contract be betwixt the parties, yet when Mony or Goods are delivered upon Truſt to the uſe of A. A. may have Debt for the money. Mich. 45 Eliz. B. R. *Wharwood* and *Shaw's* Caſe. *Yel.* 23, 24.

44. G. the Defendant ſealed a Bill thus, *viz. Memorandum*, That I have received of E. T. to the uſe of my Maſter J. S. the ſum of 40 l. to be paid at *Mich.* following, and the Plaintiff declared upon the Bill *Verbatim* as it was. The Defendant demurred, ſuppoſing he received it but as

Servant

Servant to anothers use, and so not to be charged as principal Debtor. But Resolved for the Plaintiff; for although the premises of the Bill doth mention the Receipt to anothers use, yet the latter Clause of re-payment doth not say to be re-paid by his Master; but is generall (to be paid) which of necessity ought to bind him who seals it, for otherwise the party should lose his Debt. Mich. 6 Jac. B. R. *Talbot* and *Godbolts* Case. *Yel.* 137. and 147.

45. The Plaintiff as Executor of J. S, brought Debt against the Defendant of *London* Merchant, *Quod reddat ei*, 303 l. 12 s. For whereas the Defendant the 8th. of *October*, 1598. at *London* by his Bill *cognovit se debere*, to the Testator 1518. *Florens Polish*, which then did amount to 303 l. 12 s. to be paid to the Testator *ad solutionem Festi Purificat. vocat.* Candlemas-day next following, and in *facto* said, *Quod predict. fest. solutionis Purif.* next after the making of the Bill, were *secundum usum Mercatorum* 20. *Feb.* 1598. yet the Defendant had not paid, &c. The Defendant pleaded, *Non est factum*, and found against him. It was moved, That the payment at *Candlemas* was not known what was meant by it in our Law; But the Exception was disallowed by the Court, for that which *prima facie* is unknown in ordinary intendment, is helped and manifested by the averrment in the Declaration, That such a payment amongst Merchants is known by the second of *February*; and the Judges are to take notice of it, that it is so used between Merchants for the maintainance of Traffique, and especially in this Case, because the Defendant doth not deny it, but pleads, *Non est factum*: It was adjudged for the Plaintiff. Mich. 6 Jac. B.R. *Pierson* and *Pountneys* Case. *Yel.* 135.

46. Debt was brought for 5 l. against the Husband and Wife; The Plaintiff declared, That the Wife, *dum sola fuit*, owed him 40 s. and that the Husband owed the rest upon Accompt. It was the Opinion of the whole Court in this Case, That the Action did not lye, for that the Wife shall not be sued for the Debt of her Husband: Mich. 15 Jac. C. B. *Revel* and *Grays* Case. *Noy.* 19.

47. Debt upon a Bill bearing date in the Parish of St. *Mary le Bow*, *London*; and upon Oyer of the Deed, it bare date at *Hamburgh*, and the Writ was in the *Detinet* only. It was said for the Defendant, That *Hamburgh* cannot be said to be in *London*; and the Writ ought to be in the *Debet & Detinet*, and not in the *Detinet* only. It was Resolved in this Case, If the Date in this Case had been at *Hamburgh in partibus transmarinis*, it could not be sued here: But being said to be at *Hamburgh* only, it shall be intended to be within *England*. And for the second Point, It was Resolved, That the Action is well brought in the *Detinet* only, because it is not brought for a certain sum of money, but for 6 l. *Hamburgh*-money, which is English Coyn 40 s; and therefore in this the value of *Hamburgh* money being known to us, and other English by common intendment, therefore it ought to be demanded in the *Detinet* only. 48. A Lease was made of Lands in *Middlesex*; The Lessee assigned it over, the Lessor dyed, the Rent was behind: The Administrator of the Lessor brought Debt in *London* against the Assignee. It was *moved*, That the Action of Debt ought to be brought in *London*, and not in *Middlesex*: It was said by the Justices, That where Debt is brought upon a Lease for years upon the Contract, it may be brought in any place; but where it is brought upon the privity of Contract, as in this Case: It ought only to be brought in the place where the Land is, and so it was said; It was adjudged in *Thorthurn* and *Glethooks* Case. Deeds.

THE Case was, Lesser for years granted his Term by Deed, and sealed it in the presence of divers, and of the Grantee himself; and the Deed at the same time was read, but not delivered, nor the Grantee did not take it, but left it behind them in the same place; In this Case, It was the Opinion of all the Justices, That it was a good Grant, for the parties came for that purpose, and performed all things which were requisite for the perfecting of it, except an actual delivery. But it being left behind them, and not Countermanded, it shall be said a Delivery in Law. Trin. 24 Eliz. C.B. *Sheltons* Case. *Cro.* 3. Part, 7.

2. J. S. made an Obligation, dated and delivered the first of *May*, and upon the first day of *June* following; the Obligee made a Release to the Obligor, bearing Date the first of *March*, and delivered the first of *June*, by which he Released all Actions *ab origine mundi*, untill the Date of the Release. All the Justices in this Case were of Opinion, That the Obligation was not Released, Pasch. 25 Eliz. C.B. Sir *William Dawies* Case. *Cro.* 3. Part, 14.

3. The Case was; The Lord *Stanley* by Indenture lett Land to J. S. for life, *Habendum* to him,

him, and to A. B. and C, his three Sons *successive*; The Question was, If they all took an Estate, because the Sons were not named in the Premisses of the Deed: If they did take, if they took joyntly or severally; and if they took no way, if there should be an Occupant for life of the three others, so as it shall be a Lease to J. S. for his own life, and for the life of the three Sons. It was the clear Opinion of the Court in this Case, That the Sons shall not take in possession, because they are not named in the Premisses of the Deed, nor shall they take by way of Remainder, for that the intent was to give the Lands to them in possession; And it was said, There shall not be an Occupant in the Case, for it being intended to the Father for his life, this is a greater Estate then for the lives of the others; and the three Sons are here named as persons to have an Estate, and not to make a limitation of a Estate, Pasch. 29 Eliz. in B. R. *Windsmore* and *Hubbards* Case. *Cro.* 3. Part, 58.

4. The Case was, A. by Deed Poll recited, That (whereas he was) possessed of certain Lands for a certain term of years; by good and lawful conveyance, he assigned the same to J. S, with divers Covenants in the Deed contained which are or ought to be performed on his part. It was moved, If this Recital (whereas he was) be an Article or Agreement within the meaning of the Condition. It was conceived, That it was; For in such Case, I agree, That I am possessed of it; for every thing contained in the Deed is an agreemen, and not only that which I am bound to perform: Then it was moved, If that Recital be within these words of the Condition, which are or ought to be performed on my part. It was said by *Clench* Justice, That Recital of it self is nothing, but, being joyned and considered with the rest of the Deed, as here, it is material; for against this Recital, he cannot say, That he hath not any thing in the Term. But it was Resolved, That if the party had not that Interest by a good and lawful authority and conveyance, the Bond was forfeited. Trin. 30 Eliz. B. R. *Stern* and *Clarks* Case. *Leon.* 1. Part, 122.

5. Debt upon an Obligation against the Defendant, as Heir to his Ancestor; The Defendant pleaded, That his Ancestor by his Deed did Covenant with W. W. and A. M, to stand seised to the use of himself for life, and afterwards to the use of the Defendant and his Heirs, and so he had nothing by Discent; the Plaintiff said, *Non convenit*. It was found, That such a Deed of Covenant was made by the Ancestor to the Defendant; but the first use was limitted to the Covenantor and his Wife for their lives, and that he delivered the same to J. S, as his Deed to the use of the said W. W. and A. M; if the said W. W. would agree to the same, and take the charge of it upon him; and if he will not agree, then it should not be his Deed: And it was found, That W. W. dyed before any agreement. It was said, That this was not the Deed of the Ancestor, till W. W. had agreed. But it was the Opinion of the Justices, That although W. W. do not agree to it, yet it is the Deed of the Defendant: For although a Deed be upon Condition, *ut supra*; yet because he delivered it as his Deed, and the Condition is subsequent to it, it shall be taken for his Deed; and the Condition after shall be void, because repugnant. Trin. 31 Eliz. C. B. *Digory* and *Pits* Case. *Leon.* 1. Part, 152.

6. In a Replevin, The Defendant made Conusans as Bayliff to *Tho:* Lord *Howard*, and shewed, that the Prioresse of H, was seised of the Manor of D. in Fee, and the 4th of *Nov.* 29 H. 8. by Deed enrolled, sold to the Lord *Audley*, the said Mannor, who dyed, having Issue a Daughter, who took Husband *Thomas* Duke of *Norfolk*, who had Issue the Lord *Howard*; and that after their death, the said Mannor discended, &c. The Plaintiff in Bar of the Conusans shewed, That the said Deed was *primò deliberatum*, the 4th. of *Nov.* 30 H. 8. and that mean between the date and the delivery. *Scil.* the 12th. of *October*, The said Prioresse leased the said Mannor to one A. for 99 years, and conveyed the Term to the Plaintiff *absq; hoc*, that the Prioresse bargained and sold the said Mannor to the Lord *Audley*, *ante dimissionem prædict. dicto. A. fact.* upon which there was a Demurrer. This Case was very learnedly argued by all the great Counsel at the Bar; and it was said, That this averrment of another delivery then the Deed doth import; against the Deed enrolled shall not be received, no more then a man may averr, That a Recognizance was acknowledged at another day, &c. for every Record imports a truth in it, and express averrment shall not be received against it, but a man may confesse and avoid. On the other side, It was said, A Deed enrolled may be avoided by matter which is not contrrary to the Record. The Court inclined to be of Opinion, That as to the matter it self a man shall not have an Averrment against the purport of a Record, but against the operation of a Record, as not put in View, not Compriſed, *Partes finis nihil habuerunt, &c.* also *Nec concessit* is a good Plea against the Kings Letters Patent, for by such Plea it is averred to be a Record, but that *Nil operatur*: The Case was adjourned, and not Resolved. Hill. 31 Eliz. B. R. *Holland* and *Franklyns* Case. *Leon.* 1. Part, 183.

7. Upon a special Verdict, the Case was this, The Father was Tenant for life, the Remainder

to A. and B. his Sons for their lives. B. purchaſed the Reverſion in Fee: The Father and A. ſurrendred to him without Deed. The Queſtion was, If this was a good Surrender. It was ſaid, That the ſurrender was void; For if it be good, it muſt firſt be the ſurrender of him in the Remainder, which cannot be without Deed, and it cannot be the ſurrender of the firſt Tenant for life, becauſe there is no word of ſurrender between them. Hill. 34 Eliz. B. R. *Perkins* and *Perkins* Caſe. *Cro.* 3. Part, 269.

8. The Caſe was, In *Ejectione firme*; Tenant in Fee by his Will deviſed Lands to his Wife for life, and dyed; who took Husband, who made the Leaſe for years: Tenant in Fee before the making of his Will, made a Feoffment to his Son, *Habendum* after the death of the Father in tail, and made Livery *ſecundum formam Chartæ*. It was Reſolved by the Court in this Caſe, That when nothing paſſeth by the Premiſes of a Deed but onely an implyed Eſtate for life, and by the *Habendum* an expreſs Eſtate is limited, this doth controul the implyed limitation; and if it be void, as it is here after the death of the Feoffor, all is void; but if there be an expreſs limitation in the beginning, if the *Habendum* be repugnant, it is void, and the firſt good; and therefore the limitation and the *Habendum* both in the principal Caſe were adjudged void. Trin. 34 Eliz. B. R. *Hedge* and *Croſſes* Caſe. See *Cro.* 3. Part, 254. See *Cook* 2. Part, *Baſkets* Caſe, acc.

9. In Debt, the Caſe was, A Deed was made between C. and P. by which C. Covenanted with P. to aſſure unto him ſuch Lands, and P. by the ſame Deed Covenanted with C. to pay him 40 l. P. delivered the Deed firſt to C. and C. afterwards delivered it to P: C. brought Debt for the 40 l. It was objected, That by the re-delivery of the Deed, it had loſt its force. It was Reſolved, That it was a good Deed to both, for here is writing, ſealing, and delivery, and the delivery thereof to the Defendant is not material: And it was holden in this Caſe, That if a Deed be delivered to the party himſelf, if it be not cancelled, and the other gets it again into his hands, it remains a good Deed. It was adjudged for the Plaintiff. Trin. 38 Eliz. C. B. *Croſs* and *Powells* Caſe. *Cro.* 3. Part, 483.

10. In an *Ejectione* of Lands in *Middleſex*, the caſe was; The Leſſor in the County of *Lincoln* being out of poſſeſſion, made a Leaſe, and delivered the Leaſe by Letter of Attorney to the Attorney of the Plaintiffs uſe. The Leſſor entred into the Land, and according to his Warrant, he delivered it to the Plaintiff upon the Land. It was Reſolved by the Juſtices in this Caſe, That the Leaſe was void, becauſe it was delivered in the County of *Lincoln* when he had nothing in the Land. It was then moved, That the firſt delivery being void, the ſecond delivery by the Attorney upon the Land, was good. But the Court held that to be void; for although the firſt be void to paſs a thing, yet it is his Deed by the firſt delivery; wherefore the ſecond delivery of it is void. Trin. 34 Eliz. C. B. *Stepney* and *Elliots* Caſe. *Cro.* 3. Part, 483.

11. Annuity, The Defendant ſaid, That he delivered the Deed of Annuity to the Plaintiff as an Eſcrow to be his Deed upon a Condition to be performed, otherwiſe not, and that the Condition was not performed. It was adjudged to be no plea, for that the delivery of a Deed cannot be averred to be to the party himſelf as an Eſcrow. Mich. 39 Eliz. C. B. *Whyddons* Caſe. *Cro.* 3. Part, 520. Paſc. 42 Eliz. B. 12. Replevin, The Defendant made Conuſans as Bayliff to the Maſter and Fellows of *Emanuell* College for Rent granted to them in Fee. Upon *Non ceſſit*, the Jury found, That the Grantor granted it by Deed, and delivered that Deed to a ſtranger to their uſe, and they ſealed the Counterpart of the Indenture. The Queſtion was, Whether a ſtranger without a Letter of Attorney might receive the Deed to their uſe. It was holden by the Court, That he might, and that the ſealing of the Counter-part was a ſufficient agreement, and aſwell as if it had bin made by Letter of Attorney. It was adjudged for the Defendant. Trin. 40 Eliz. C. B. *Cooper* and *Goodriches* Caſe. *Cro.* 3. Part, 862.

Demand.

1. THE Caſe was, A. made a Leaſe to the Defendant for years, rendring Rent, upon Condition, That if the Rent were behind at the day, and 10 dayes after (being in the mean while demanded), and no Diſtreſs to be found upon the Land, the Plaintiff to re-enter. The Rent was behind at the day, and 10 dayes after, and that a ſufficient Diſtreſs was upon the Land till three of the Clock afternoon the 10th day, at which hour the Leſſee drove out his Cattle, and at the laſt hour of the 10th day, the Leſſor came and demanded his Rent, and it was not paid, nor any Diſtreſs upon the Land. It was the Opinion of the Juſtices in this Caſe, That the Condition was not broken; For the intent of the words are, If no Diſtreſs be found upon the Land within any of the 10 dayes, then a Re-entry: And therefore if a

Diſtreſs

Diſtreſs be found there at any time within the ten dayes, it is ſufficient; And it was adjudged againſt the Plaintiff, becauſe he made no demand in the mean time. Mich. 30 Eliz. B. R. *Worceſter* and *Stones* Caſe. *Cro.* 3. Part, 63.

2. In Treſpaſs, the Queſtion was upon Condition of avoiding of a Leaſe. The Condition was, That if he do not pay the Rent at the Feaſts in which &c. or within 20 dayes after; That then, &c. Upon the Iſſue, the Queſtion was, If the Plaintiff by J. S. demanded 7 l. 10 s. of Rent due to him for half a year, the 20th day after the Feaſt by the ſpace of half an hour before Sun-ſet; It was found that the ſaid J. S. *petiit* 7 l. 10 s. *pro redditu dimidii anni præfato* the Plaintiff *tunc debit. pro tenementis præd. ſt.* and there remained demanding the Rent by the ſpace of a Quarter of an hour *et non plus* before Sunſet *tanquam ad*, and after, Sunſet, and that no other Rent was due but the half years Rent due at the Feaſt of the Annunciation before. It was the Opinion of all the Court, That although it was not found to be half an hour, but a quarter of an hour, yet it was a good demand, for being demanded well enough for the time. But they held, this demand of the Rent (then due) was not good, becauſe he ought to ſhew preciſely upon his demand, what Rent he demands; for it was due 5 years before it was then due, and therefore he ought preciſely to ſhew what Rent, and for what time he demanded it, for the requeſt muſt be certain. It was adjudged for the Defendant. Mich. 33 Eliz. B. R. *Fabian* and *Winſtons* Caſe. *Cro.* 3. Part, 209.

3. The Caſe was, A. let Land to B. in the County of D. rendring Rent at the Receipt of the Royal Exchange *London*; and for not payment, re-entry. The Rent was not demanded, nor tendred at the day. The Leſſor entred, It was ſaid, That it being to be paid off the Land, there needed no demand. But the Opinion of the Court was, That there ought to be a demand at the place where it is payable, for it remains yet a Rent which is demandable by him who would have it: wherefore it was adjudged, That the entry of the Leſſor was not lawfull. Mich. 38 Eliz. B. R. *Baskin* and *Edmunds* Caſe. *Cro.* 3. Part, 415 & 536.

4. Treſpaſs for entring his houſe, and taking of his goods: The Defendant ſaid, As to the taking of the goods, Not Guilty: As to the reſt, That the Plaintiff was endebted unto him in ſuch a ſum, and by Licenſe of the Plaintiffs Servant, the door being open, he entred to demand his debt. It was adjudged to be no plea, for the ſervants Licenſe is not to any purpoſe, and one cannot enter into anothers houſe by colour to demand his Debt, eſpecially it not being averred, That the Maſter who was Debtor, was then in the houſe. It was adjudged for the Plaintiff. Paſc. 44 Eliz. B. R. *Holdingſhaw* and *Ragg* Caſe. *Cro.* 3. Part, 876, 877.

5. Debt by Husband and Wife for Rent upon a Leaſe made by the Wife, *dum ſola fuit*: The Leaſe was upon Condition, That if the Rent ſhould be behind 30 dayes after any Feaſt day, upon which it was limited to be paid, That the Leſſee, his Executors and Aſſigns ſhould forfeit *pro quolibet die poſt feſtum præd. ſt.* 40 s. The Rent was behind at *Mich.* The Wife demanded and received the rent of the Leſſee. The Attorney of the Husband demanded the Rent, and afterwards he Husband diſagreed to the Receipt of the Wife, and brought Debt for the Rent, and for 40 s. *pro quolibet die* mean between *Mich.* and the Writ brought. The Caſe was ſhortly but this; A Feme ſole makes a Leaſe rendring rent, then takes Husband, and afterwards receives the Rent, if the ſame ſhall bind the Husband, or if he may diſavow the ſame. Quære, for the Caſe was learnedly argued on both ſides, but not Reſolved. Mich. 19 Jac. Sir Paul *Tracy* and *Duttons* Caſe, in B. R. See the Reports annexed to *Bendlowes*, 93, 94.

Demurrer.

1. *Quare Impedit* by the Queen againſt the Archbiſhop of *Canterbury*, the Biſhop of *Chicheſter*, and the Incumbent, and counted, That A. was ſeiſed of the Advowſon, and that he was Outlawed in an Action perſonal at the ſuit of ſuch a one. Exception was taken to the Count, becauſe in ſetting down of the Outlawry, the proceſs is alledged to be retorned by the Sheriff, but the name of the Sheriff is not there expreſſed. The Court as to that held, That the omitting of it doth not make the retorn void. Another Exception was, That whereas the Patron had pleaded one Plea, and the Incumbent the ſame plea by himſelf in barr: The Queen demurred in this manner, *quod ſeparalia placita per dict. &c. ſpecialiter placitat, &c. Dicta Domina Regina neceſſe nec habet, nec per legem terræ tenetur reſpondere.* The Court in this Caſe was of Opinion, That the Demurrer ought to have bin ſeveral, upon the Plea of the Patron by it ſelf, and upon the Plea of the Incumbent by it ſelf. Hill. 30 Eliz. C. B. The Queen and the Archbiſhop of *Canterburyes* Caſe. *Tem.* 1. Part, 139.

2. Debt upon Obligation to perform Covenants: The Defendant pleaded generally perfor-

mance

mance of Covenants, where ſome were in the Negative, and ſome in the Affirmative. It was the Opinion of the Court, That this was but matter of form, and helped by the Statute of 27 Eliz. except the party ſheweth for cauſe of his Demurrer, That ſome of the Covenants are in the Negative, and ſome in the Affirmative, for the Court ſhall judg according to the truth of the matter; but if the Covenants are in the disjunctive, it is otherwiſe. Paſc. 33 Eliz. C. B. *Oglethorp* and *Hides* Caſe. *Cro.* 3. Part, 232.

3. Note, It was holden by the Court, That if the Plaintiff in *Ejectione firmæ* or other Action gives in Evidence any matter in writing, or Record, or ſentence in the Eccleſiaſtical Court; and the Defendant offers to demur thereupon, the Plaintiff ought for to joyn in Demurrer, or waive the Evidence, becauſe the Defendant ſhall not be compelled to put a matter of difficulty to Lay judges. But if either party offers to demur upon any Evidence given by Witneſſes, the other, unleſs he pleaſeth, ſhall not be compelled to joyn, becauſe the credit of the Teſtimony is to be examined by the Jury, but both parties may agree to joyn in demurrer upon ſuch Evidence. Paſc. 42 Eliz. B. R. *Middleton* and *Bakers* Caſe. *Cro.* 3. Part, 751.

4. Trover and Conaetſion of two Oxen; The Plaintiff declared that he was poſſeſſed thereof as of his own goods, and loſt them. The Defendant juſtified, becauſe J. S. was poſſeſſed of them as his goods, and loſt them at ſuch a place, and ſuch a day dyed, and made the Defendant his Executor, and gave colour to the Plaintiff: Upon that plea, there was a Demurrer, becauſe the ſame amounts but to the general Iſſue, becauſe he alledgeth in the Declaration, that the Plaintiff was poſſeſſed of them as his goods, &c. and then the Defendant ſaith, That ſuch a one was thereof poſſeſſed as his goods, which doth amount to Not Guilty: and in all Action of Trover of goods, every plea ſpecial with colour, amounts but to a general Iſſue. For that cauſe it was adjudged the plea was not good, and the Demurrer good. Mich. 2 Car. C. B. *Styles* and *Sutgraves* Caſe. Mich. 2 Car. B. R. *Bellamy* and *Balthorps* Caſe. *Latch.* 185.

Detinue.

1. THE Executors of Viſcount *Bindon* brought Detinue againſt the Widdow of the ſaid Viſcount, and declared upon the Detainer of certain Jewells. The Defendant did juſtify the Detainer of them as her *Paraphrenalia*. It was ſaid in that Caſe by *Manwood* Chief Baron, That *Paraphrenalia* ought to be allowed to a Widdow having regard to her degree, and in this Caſe the Husband of the Defendant being a Viſcount, that 500 Marks is a good allowance for ſuch matter. Paſc. 26 Eliz. in the Exchequer. The Viſcounteſs *Bindons* Caſe. *Leon.* 2. Part, 166.

2. In Detinue of divers parcells of Plate, *viz.* a Baſon and Ewer, a ſilver Bowl, and divers other parcells; It was found, That the Plaintiff was poſſeſſed of them, and by Indenture 16 *Feb.* 36 Eliz. Bargained and ſold to the Defendant divers parcells of Plate; and the Indenture was found *in hæc verba*, and verbatim therein found the Baſon and Ewer, and the ſilver Bowl, and all the other parcells, upon Condition, That if he paid ſuch a ſum upon the 17th of *May* following, the Bargain and Sale ſhould be void. They found payment of the money at the day; But there was then a *Memorandum* endorſed upon the Indenture by the aſſent of both parties, That if the Plaintiff paid ſuch a ſum 1. *June* 36 Eliz. that he ſhould have them again; but the payment of the ſum upon the firſt of *June* was not found. But they found that the Defendant had the goods *ut ſupra*. Exception was taken becauſe the Jury did not find the parcells in the Declaration to be the ſame with the Indenture, but only that he ſold divers parcels, which although they be all one in name, may notwithſtanding be ſeveral, and intendment will not help it, and of that Opinion was the Court; and therefore upon Error brought, the Judgment was reverſed. Mich. 44 Eliz. B. R. *Bateman* and *Elmans* Caſe. *Cro.* 3. Part, 866, 867.

Devaſtavit.

3. DEbt againſt the Defendant as Executor, The Plaintiff had Judgment to recover *de bonis Teſtatoris*. Thereupon a *Scire facias* was awarded. The Sheriff returned *Quod nulla habuit bona Teſtatoris*: and the Plaintiff ſurmiſed, That he had waſted the Teſtators goods; Wherefore he prayed a *Scire facias* why he ſhould not have Execution *de bonis propriis*. It was the Opinion of the Court, That this Writ ſhould not be awarded upon ſurmiſe of the party upon a *Devaſtavit*, not in any Caſe where the Judgment is *de bonis propriis*, unleſs it be upon return of the Sheriff, where he returns *Devaſtavit*. Mich. 39 El. z. C. B. *Aldworth* and *Peels* Caſe. *Cro.* 3. Part, 530.

2. Debt upon a Judgment, the Caſe was, The Plaintiff had Judgment againſt the Husband, and ſued him to Outlawry. He brought a Writ of Error, and removed the Record in the Kings Bench, and reverſed the Judgment for the Outlawry, but the firſt Judgment was affirmed; and then he acknowledged a Statute, and dyed, and his Wife took Letters of Adminiſtration. The Statute was extended upon the Wife, and all the goods which ſhe had of the Inteſtates, taken in Execution. After which the Plaintiff in B. R. ſued a *Scire facias* upon the Judgment againſt the Wife as Adminiſtratrix: ſhe pleaded the Statute in bar, and the extent of the goods; and more then that, ſhe had nothing to ſatisfy. Upon this Plea in bar, the Plaintiff demurred. The Court at the firſt inclined to be of Opinion, That the Plea was not good, but that the Plaintiff ſhould have Judgment, becauſe a Judgment is higher then a Recognizance, or a Statute, and therefore ought firſt to be ſatisfied. But afterwards, *viz.* in 43 Eliz. this Caſe being moved again, The Lord *Popham* ſaid, He had conferred with the other Juſtices at Serjeants Inn, and that the greater part of them held the plea to be good, and that the ſatisfying of the Debt upon the Statute, was not any *Devaſtavit*, becauſe ſhe could not withſtand it, and that ſhe ſhould not be put to her *Audita Querela*. Wherefore it was adjudged for the Defendant. Hill. 42 Eliz. B. R. *Bearblock* and *Reades* Caſe. *Cro.* 3. Part, 822. See *Yelverton* 29. the ſame Caſe.

3. Debt againſt the Defendant Adminiſtrator of the Inteſtate upon an Obligation of the Inteſtates. The Defendant pleaded, That 16 *Sept.* 6 Jac. the Plaintiff brought an Original againſt him, of which he had not notice till 24. *Feb. Anno* 6. before which the Defendant was Outlawed for not appearance, which Exigent was returned in *tres ſeptimanas* next, and that 17 *Feb.* 6. which was before the Notice, his Letters of Adminiſtration were revoked, and granted to the Brother of the Inteſtate, who is yet Adminiſtrator, and ſaid that at the time of the Revocation of his Letters of Adminiſtration, divers goods of the Inteſtates *in ſpecie* were in his hands, to the value of 200 l. which after his Letters revoked, he delivered to the Brother the Adminiſtrator, and that he had adminiſtred all the goods *præter* thoſe goods delivered. The Plaintiff replyed, That the Adminiſtration was revoked by Covin, upon which being at Iſſue, it was ſo found, and the Plaintiff had Judgment to recover the debt and damages of the goods and Chattells of the Defendant in his hands. Whereupon he brought Error, and Aſſigned, That the Judgment ought to have bin conditional, *viz.* to recover the Debt of the goods of the Inteſtate, *ſi tanta in manibus* of the Defendant *exiſtant*, and not abſolutely. But the Judgment was affirmed by the Court; for where the Judgment may be final and certain, it ſhall never be conditional, and it appears by the plea of the Defendant, that he had 200 l. in his hands of the goods of the Inteſtate: And it was ſaid in this Caſe, That if the Sheriff could not levy the Debt in the hands of the Defendant, he might upon the Defendants own ſhewing, return a *Devaſtavit*; and ſo it was ſaid it had bin adjudged, 1 Jac. in C. B. Paſc. 10 Jac. B. R. *Morgan* and *Socks* Caſe. *Yelverton* 219.

Deviſes.

1. IN Debt againſt the Defendant as Heir, he pleaded, That he had nothing by Diſcent but the third part of the Mannor of D. the Plaintiff ſhewed for Aſſets, That he had the whole Mannor of D. by Diſcent. It appeared upon Evidence, That the Mannor was holden by Knight-Service; And that the Auncеſtor of the Defendant by his Will in writing, deviſed the whole Mannor to his Wife, untill the Defendant his Son ſhould come to the age of 24 years, and that at the ſaid age of his Son, the Wife ſhould have the third part of the ſaid Mannor for her life, and his Son ſhould have the reſidue; and that if his Son dye before he come to the age of 24 years without Heir of his body,

dy, that the Land ſhould remain to J. S. The Deviſor dyed, the Son came to the age of 24 years. It was a Queſtion, if the Son had an Eſtate tail, for then for two parts he is not in by Diſcent. It was the Opinion of the Juſtices, That here was not any Eſtate tail, for no tail was to riſe before his ſaid age, and therefore the tail ſhall never take effect, and the Feeſimple doth deſcend and remain in the Son, unleſs he dyeth within the age of 24 years, and then the Eſtate tail veſts with the Remainder over, but now having attained his ſaid age, he hath a Feeſimple, and that by diſcent of the whole Mannor; and therefore a general Judgment ſhall be given againſt him as of his own Debt. Hill. 20 Eliz. C. B. *Hind* and Sir *John Lyons* Caſe. *Leon.* 2. Part, 11.

2. In Treſpaſs by Husband and Wife, and others againſt the Defendant; The Caſe was, A. was ſeiſed in Fee according to the Cuſtome of the Mannor of C. of certain Lands, and ſurrendred them to the uſe of his Will; and by his Will, he deviſed them in this manner, *viz.* I Deviſe to *John* my Son, my houſe and Land in M. called Lacks and Sone. To *Stephen* my houſe and Lands called Stokes and Newmans. To *Roger*, my houſe and Lands called Lakins and Brox; and if the ſaid *John*, *Stephen*, and *Roger*, live till they be of lawfull age, and have Iſſue of their bodies, then I give the Lands to them and their Heirs in manner aforeſaid, to give and ſell at their pleaſure; but if it fortune one of them to dye without Iſſue of his body, then I will that the other brothers or brother have all the ſaid houſes and Lands in Manner aforeſaid: and if it fortune the three to dye without Iſſue, then I will that all the ſaid houſes and Lands be ſold by my Executor, or his Aſſigns, and the money to be given to the poor. The Deviſor dyeth, *John*, *Stephen*, and *Roger*, are admitted. *John* comes of full age, and hath Iſſue J. and ſurrenders all his part of the whole to the uſe of *Stephen* and his Heirs, who is admitted: *Stephen* comes of full age. *John* the Father dyeth. *Stephen* dyeth without Iſſue. J. as Couſin and Heir of *Stephen* is admitted, and afterwards dyeth without Iſſue. The Wives of the Plaintiff are Heirs to him, and are admitted to the Lands called Lacks and Sone, and to the moyty of the Lands called Lakins and Brox, by force whereof they enter: And it is found, That A. ſole Executor dyed Inteſtate; and that the Defendant is Couſin and Heir of the Deviſor, and that he as Heir entred, and did the Treſpaſs. In this Caſe it was agreed, That by the firſt words of the Will, the three Deviſees had an Eſtate but for their lives. 2. It was Reſolved, That no Eſtate tail was created by the Will. But it was ſaid, That by the latter words of the Will, *viz.* If the ſaid *John*, *Stephen*, and *Roger*, live till they be of lawfull age, and have Iſſue of their body, Then I give the Lands and houſes to them and their Heirs in manner as aforeſaid, are referred, not to the eſtate which was given by the firſt words, which was but for life; but to make them to hold in ſeveralty, as the firſt Deviſe would, and not joyntly, as the words of the ſecond Deviſe do import; ſo as the reſidue of the Deviſe was void in all: And Judgment was given for the Plaintiffs. Trin. 27 Eliz. C. B. *Bryan* and *Cawſens* Caſe. *Leon.* 2. Part, 68, 69, 70.

3. The Father ſeiſed of Lands in Fee, bound in an Obligation, deviſed his Lands to his Wife untill his Son came to the age of 21 years, the Remainder to the Son in Fee, and dyed, and no other Lands diſcended to the Son from his Father. It was the Opinion of the Juſtices in this Caſe, That the Son ſhall be adjudged in by diſcent, and that it ſhall not be in his Election to waive the Diſcent, and to be in by the Deviſe. Mich. 27 Eliz. B. R. *Beſpoles* Caſe. *Leon.* 2. Part, 101.

4. *Ejectione firmæ* found, That A. ſeized of Lands by contract, ſold them to T. but no aſſurance was made: afterwards T. before aſſurance made, ſold the ſame Lands to J. S. and afterward T. being ſeiſed, deviſed the Lands to his younger ſon by theſe words, *I bequeath to R. my Son all my Lands which I purchaſed of T.* whereas in truth according to Law he purchaſed them by immediate aſſurance of A. although he did contract with T. for the ſame. It was the Opinion of the whole Court, That the Deviſe was good. But becauſe it was not found by the Verdict, by what Service the Land was held in Socage, or Knight-Service, nor that the Deviſor was dead; Judgment was ſtayed, and a *Venire facias de novo* awarded, the former Verdict being rejected. Hill. 30 Eliz. C. B. *Thorp* and *Tompſons* Caſe. *Leon.* 2. Part, 121.

5. The Caſe was, A. ſeiſed of the Mannor of *Cheſſam*, extending into *Cheſſam*, and the Town of *Hertford*, and alſo of Lands in *Hertford* Deviſed by Will the Mannor of *Cheſſam* to B. his eldeſt Son in tail, and the Lands in *Hertford* to C. his younger Son. It was holden by all the Juſtices, That the younger Son ſhould have all that part of the Mannor of *Cheſſam* which lay in the Town of *Hertford*. Another point in the Caſe was this: Upon the death of A. Office was found without any mention of the Deviſe, for which the Queen ſeiſed the Lands, and leaſed all the Lands ſo deviſed to a ſtranger during the Minority of the Heir. The Heir came of full age, and had Livery of the whole Land, and leaſed the Land for years rendring rent, who entred and paid the Rent to the Heir, the Heir dyed, the Leſſee aſſigned over his Term, the Rent is paid to the Heir of A. the Deviſor: and

then C. the younger Son entred. And it was Reſolved by the Juſtices, That his entry was lawfull; for if the Heir entreth in this Caſe, and many diſcents follow, yet C. the Deviſee might enter at any time, for his entry doth not make any abatement or wrong, but may ſtand with the Deviſe; for if the Deviſee doth defer the execution of the Deviſe, it is but reaſon that the Heir enter and take the profits till the Deviſee entreth. Mich. 30 Eliz. in C. B. Sir *Anthony Denny's* Caſe. *Leon.* 2. Part, 190.

6. The Caſe was; A. ſeiſed of three Meſſuages in N. had Iſſue *Robert* a Son, and C. and J. two Daughters, and Deviſed his three Meſſuages to his Wife for life, the Remainder of one of them to R. his Son and his Heirs, the Remainder of another of them to C. his Daughter and her Heirs; and the Remainder of the third Meſſuage to J. his Daughter and her Heirs; and willed, That if any of his three Iſſues ſhould dye without Iſſue of his or her body, then the other ſurviving, ſhall have *totam illam partem* betwixt them equally to be divided. The Deviſor dyed, the Wife dyed; one of the Daughters dyed having Iſſue, the Son dyed without Iſſue, the Siſter ſurviving entred into the whole part of R. the Son, and dyed; her Husband held the Land as Tenant by the Curteſy: The Queſtion was, If the ſurviving Siſter ſhould have all the part of him who dyed without Iſſue, or ſhe and the Iſſue of the other Daughter. In debate of this Caſe, it was Reſolved, 1. That the words *Totam illam partem* go only to the houſe, and not to the eſtate. 2. If both the Daughters had ſurvived R. they ſhould have Fee in the Meſſuage of R. not by the Will, but by Diſcent; and the Deviſe ſhall not take effect otherwiſe, and the Deviſe as to that is void, and then the Common Law ſhall hold place; that is, to diſcend to the Iſſue of the one Siſter, and to the ſurviving Siſter. And here the Survivor hath but an eſtate for life in the Meſſuage of R. and then by the death of R. the Fee-ſimple accruing to the ſurviving Siſter, the moyety of her Eſtate for life is extinct. And if one of the Daughters had dyed without Iſſue before R. the houſe of ſuch Daughter had come to R. and the other Siſter as Coparceners. Afterwards Judgment was given againſt the Husband of the ſurviving Siſter. Hill. 29 Eliz. B. R. *Prettiman* and *Cooks* Caſe. *Leon.* 2. Part, 193.

7. A. Deviſed that his Lands ſhould diſcend to his Son, but willed that his Wife ſhould take the profits thereof untill the full age of the Son for his education and bringing up, and dyed; the Wife married another Husband and dyed before the full age of the Son. It was the Opinion of the Juſtices in this Caſe, That the ſecond Husband ſhould not have the profits of the Lands till the full age of the Son, for nothing is Deviſed to the Wife but a Confidence, and ſhe is as Guardian or Bailiff for to help the Enfant, which by her death is determined, and the ſame Confidence cannot be transferred to the Husband. Paſc. 16 Eliz. B. R. *Leon.* 2. Part, 221.

8. A. was ſeiſed of 100 Acres of Lands called Jacks, uſually occupied with a houſe, and he let the ſaid houſe and 40 of the ſaid Acres to J. S. for life, and made his Will, by which he deviſed the ſaid houſe and all his Lands called Jacks then in the occupation of J. S. to his Wife for life, and after the deceaſe of his Wife, the Remainder thereof and of all his other Lands belonging to Jacks, ſhould be to R. his Son, &c. It was the Opinion of the Court in this Caſe, That the Wife ſhall not have by implication the reſidue of Jacks, for ſhe had an expreſs eſtate in the houſe and 40 Acres of Land, and he having expreſſed his Will concerning the ſame, it ſhall not be extended by implication to go to other Lands. Trin. 25 Eliz. in C. B. *Highams* Caſe. *Leon.* 2. Part, 226.

9. A man ſeiſed of Lands and houſes in L. in the County of O. and of houſes and Lands in W. in the County of H. let the Lands in W. in the County of H. to the Defendant; and afterwards deviſed all his Meſſuages and Lands in L. in the County of O. and all his other Lands, Meadow, and Paſtures in the County of H. to the Plaintif. The Queſtion was, Whether the Lands in W. paſſed by theſe words, All other my Lands, &c. It was much ſtood upon, That by a Deviſe of his Lands, all his houſes ſhould paſs; and if a houſe only are demanded in Writs, yet the Warrants of Attorny are entred *in placito terræ*. But it was Reſolved by the Court, That the intent of the Deviſor appeared, that he reſtreined the word Land according to the propriety of the word, viz. arrable Land, and that by the deviſing of his Lands, Meadows and Paſtures, he did exclude the general intendment of the word *Terra*, and reſtricts it only to the arrable Land, and exclude the houſes and Woods: Wherefore it was adjudged, That the Lands in W. did not paſs. Trin. 38 Eliz. B. R. *Ewer* and *Heydons* Caſe. *Cro.* 3. Part, 476.

10. A man made a Feoffment to the uſe of himſelf and his Heirs of his body, and for want of ſuch Iſſue to G. D. and to his Heirs Male lawfully begotten, and for default of ſuch Iſſue, to the right Heirs of the Feoffor. G. D. deviſed a Rent out of the Land, and afterwards dyed having Iſſue. It was the Opinion of all the Juſtices in this Caſe, That it was an eſtate in Fee in G. D. although it was by way of uſe; and that it could not be tail, becauſe there was no body from whom the Heir Male ſhould come: And ſo it was ſaid it is in Caſe of a Deviſe. It was adjudged in a Replevin for the

the Avowant. Trin. 38 Eliz. B. R. *Abraham* and *Twigg's* Caſe. *Cro.* 3. Part, 478.

11. A man ſeiſed of a Meſſuage to which a Garden and Curtilage did belong, incloſed with a Wall, and there was no way to the Garden but through the Meſſuage: He deviſed the Meſſuage to his ſecond Son in Fee, not mentioning the Garden nor Curtilage, nor ſaith *cum pertinentiis*: It was adjudged in this Caſe, That the Garden and Curtilage did paſs by the Deviſe; they ſaid a Curtilage is parcel of the Houſe, as a Stable and Dove-houſe; and the Garden ſhall paſs, becauſe it is as well for neceſſity to it, as for pleaſure. Hill. 30 Eliz. B. R. *Carden* and *Tucks* Caſe. *Cro.* 3 Part, 89.

12. A man deviſed Lands to his Wife for life, and when the Son of J. S. comes to the age of 25 years, then he ſhall have it in Fee: The Son of J. S. before he came to the Age of 25 years, levyed a Fine of it to J. D. and dyed after he came to the Age of 25 years. It was adjudged in this Caſe, That his Heir ſhould be barred by this Fine. Mich. 31 Eliz. B. R. *Johnſon* and *Ballamies* caſe. *Cro.* 3. Part 122.

13. A. ſeiſed of Lands in Fee, deviſed the ſame to his wife, untill his daughter came to the age of 19. years, and afterwards to B. in Tail. And further deviſed that his daughter ſhould pay after her age of 19. years 12. pound *per an.* to his wife in recompence of her Dower: and if default were made of ſuch payment that the wife ſhould have the Lands for her life: The wife before the daughter came to the age of 19. years, brought a writ of Dower, and recovered a third part of the Land, and after the daughter came to the age of 19. years, for non payment of 12. pound *per an.* the wife entred: It was adjudged in this Caſe, That the wife having recovered a third part in Dower, ſhe ſhould not have the Rent by the Will, for it was againſt the intent of the Will that ſhe ſhould have both, and her acceptance of the one is the Waiver of the other. Hill. 31 Eliz. B. R. *Gofling* and *Warburtons* Caſe. *Cro.* 3. Part. 128.

14. A. ſeiſed of Lands, had Iſſue two daughters, and deviſed the Lands to the eldeſt and her Heirs, that ſhe pay to her younger Siſter yearly 30l. It was the Opinion of all the Juſtices, That this was a Condition, for ſo was the intent of the Deviſor, for otherwiſe the younger Siſter had no remedy for the Rent. And in this Caſe it was adjudged, That the younger Siſter might enter upon a moyety of the Land for breach of the Condition in not payment of the Rent, for which the Action was brought. Trin. 30 Eliz. B. R. *Crickmere* and *Patrſons* Caſe. *Cro.* 3. Part, 146.

15. Leaſſee for the Term of 70 years, deviſed, that his Son ſhould have his Leaſe, ſaving that his Will was, That his Wife ſhould have half the Iſſues and profits of the Land during her life, ſhe bearing and allowing the half charges thereof; the Queſtion was, If the Wife had any Intereſt in it, or only was to have an account of the profits received. It was the Opinion of the Court, That ſhe had an Intereſt in the Lands, for to have the Iſſues and profits, and to have the Land it ſelf is all one, but if ſhe hath no Intereſt, ſhe can have no Action, for that account lyeth not for want of privity. Mich. 33 Eliz. B. R. *Parker* and *Plummers* Caſe. *Cro.* 3. Part, 190.

16. A. ſeiſed of Lands, deviſed them to J. S. and others, to the uſe of B. her brother, and the Heirs Males of his body, and for want of ſuch Iſſue, to the Heirs Females of his body, with Remainders over. B. the brother dyed, having Iſſue a Daughter, his Wife with child with a Son, which afterwards is born. A. the Deviſor dyed. It was the Opinion of the Juſtices in this Caſe, That neither the Son, nor Daughter ſhould have the Lands, for it being Deviſed to the uſe of B. *ut ſupra*, and he dying before the Deviſor, it cannot veſt in the Heir, for that it never veſted in the Anceſtor, for the words are, Not to give the immediate Eſtate but by way of Limitation; and if it ſhould veſt in the Heir, it ſhould veſt in him as a Purchaſor, which was not the intent of the Deviſor, and ſo ſhall be void. Trin. 33 Eliz. *Cur. Ward. Harvopps* Caſe. *Cro.* 3. Part, 243.

17. A man deviſed, That if his Wife think good to bring up his Children in Learning, and to find them Meat and drink, that ſhe ſhall have his Lands till his Son ſhall come of the age of 24 years. It was Reſolved in this Caſe, That it was not only a Confidence in the Wife, but an Intereſt in the Wife, but tyed with this Condition. Mich. 34 Eliz. B. R. *Smith* and *Havens* Caſe. *Cro.* 3. Part, 252.

18. Tenant in *Capite* was ſeiſed of three Mannors, of two in Fee, and of the third in tail: he deviſed all his Mannors to a ſtranger. It was holden in this Caſe, That the Deviſe was good within the Statute of 32 H. 8. for the whole two Mannors which he held in Fee, and void for the third Mannor. Trin. 34 Eliz. *Cur. Ward. Jerningham* and *Cornwallis's* Caſe. *Cro.* 3. Part, 286.

19. The Caſe was; A. deviſed Lands to B. his daughter for life, and if ſhe marry after my death, and have heirs of her body, then I will that the Heir after my daughters death ſhall have the Land; and to the Heirs of her body begotten. And if my Daughter dye without Iſſue of her body begotten, then J. S. ſhall have it to him and his Heirs. A. dyed, B. married J. D. and had Iſſue. It was agreed by all the Juſtices, That a Deviſe to one and the Heir of his body, is an eſtate tail, and

firſt

ſhall go to all the Heirs of her Body, for that the word [Heir] is *Nomen Collectivum*: But in the principal Caſe, If R. had an Eſtate in Tail, or for Life, was doubted by the Juſtices, and not Reſolved; but the Caſe adjourned. Hill. 36 Eliz. B. R. *Clark* and *Day's* Caſe. *Cro.* 3 Part, 313.

20. Leſſee for years of a Term deviſed it to A. and B. his Executors, till all his Debts and Legacies be paid, and they have levyed all Charges they are put to in the Execution of his Will; the Reſidue of the Term he deviſeth to his Son, and dyeth: The Executors enter generally into the Lands. It was adjudged in this Caſe, That they ſhall not take the Term as Legatees, but as Executors; and their general Entry doth not make them take it as a Legacy; for when a particular Intereſt is given, and the Reſidue is given to another, a generall Entry ſhall not be an Election to take it as a Legacy. Mich. 37 Eliz. B. R. *Pannill* and *Fern's* Caſe. *Cro.* 3 Part, 347.

21. In *Ejectione firmæ*, the Caſe was, A. ſeiſed of Lands in Fee holden in Socage had Iſſue four Sons, and deviſed the Land to R. one of the Sons, and his Heirs for ever; and if R. dye within Age of 21 years, or without Iſſue, That then the Land ſhall be equally divided amongſt his three other Sons. The Deviſor dyed; R. the Deviſee had Iſſue M. a Daughter, and dyed within Age: The three Sons entred, and lett the Lands to the Plaintiff; M. ouſted him. It was in this Caſe, amongſt many other Points, Reſolved, That that part of the Limitation, (If he dy within Age,) was void; for a Remainder cannot depend upon a Fee, and ſo it was all one as if the Limitation had been ſingle, (That if he dyed without Iſſue:) So that R. had an Eſtate Tail which diſcended to his Daughter, and ſo the Entry of the Defendant was lawful: It was adjudged for the Defendant. Mich. 39 Eliz. C. B. *Saul* and *Gerrards* Caſe. *Cro* 3 Part, 525.

22. The Caſe was, A man had Iſſue a Son and a Daughter, and he deviſed his Lands to his Son in Tail; and if he dyed without Iſſue, it ſhould remain to the next of his Name: The Son dyed without Iſſue, the Daughter being then married, If ſhe ſhould have the Land, was the Queſtion: It was Reſolved by the whole Court, That ſhe ſhould not; for that ſhe had loſt her Name by her Marriage: But if ſhe had not been married at the time of her Brother's death, the Daughter ſhould have had it, for ſhe was the next of Name. Mich. 39 Eliz. B. R. *Rex* and *Smiths* Caſe. *Cro.* 3 Part, 532. See Trinit. 39 Eliz. C. B. *Johſons* Caſe. *Cro.* 3 Part, 576. adjudged acc.

23. A. ſeiſed of Lands called *Hayes-Land*, extending in two Towns, C. and D, deviſed all his Lands in C. called Hayes-Land, to J. his younger Son, and his Heirs; and after, in another part of his Will, he willeth, That if his Son J. dyed without Iſſue, that his Wife ſhould have Hayes-Land, and dyed: J. dyed without Iſſue. It was Reſolved by the whole Court, That ſhe ſhould have only that which was in C. becauſe there was no more deviſed to the younger Son: But if the Deviſe had been to the eldeſt Son, and that if he dyed without Iſſue, that the Wife ſhould have Hayes-Land; there ſhe ſhould have all, becauſe the eldeſt Son had all. Trin. 41 Eliz. B. R. *Mallet* and *Osborns* Caſe. *Cro.* 3 Part, 674.

24. A man deviſed an Houſe with the Appurtenances: By the Deviſe, Lands in a Field were claimed. It was ſhewed, That the Houſe was Copy-hold, and that the Lands were Free-hold Lands. It was therefore agreed by the Juſtices, That they could not be appurtenant to the Houſe, and therefore the Lands did not paſs by the Deviſe. Mich. 41 Eliz. B. R. *Yates* and *Cleavers* Caſe. *Cro.* 3 Part, 704.

25. A. ſeiſed of Lands in Fee, deviſed them to his two Sons equally, and their Heirs: If it was a Joynt-Eſtate in the Sons, or that they were Tenants in Common, was the Queſtion. It was ſaid in this Caſe, That the word [equally] had two ſignifications; in the one it reſpecteth the Eſtate; in the other, to the Quantity of the Land. It was ſaid, That in a Deviſe of Lands to two, equally, they are Joynt-Tenants; for there is not any inequality, or loſſe, although the Survivor ſhould have all, for the other can have it but during his life: But if a Deviſe were to two and their Heirs equally, or part and part like, there is a Tenancy in Common, for every one of their Heirs ſhall have it. At laſt, after long debate, it was adjudged in the principal Caſe, That it was but a Tenancy in Common; and ſo it was afterwards affirmed in a Writ of Error brought in the Exchequer Chamber, upon the Opinion of four of the Judges againſt three of them. Mich. 41 Eliz. B. R. *Lewen* and *Cox* Caſe. *Cro.* 3 Part, 695, 696.

26. A. ſeiſed of Lands, deviſed them to his Wife for life, and that after her death the ſame ſhall remain to my Iſſue, and at the ſame time he had two Sons R. and G. and two Daughters E. and J. and deviſed to his two Daughters to either of them 20 l. to be paid at their Ages of eighteen years. R. the eldeſt Son dyed without Iſſue; E. the Daughter dyed without Iſſue: The Wife of the Deviſor dyed, G. and J. D. who married J. entred with him, and brought Partition: It was adjudged for the Defendant, That he did not hold it

in ſpecial, or *proindiviſo*: For it was holden, That this Deviſe of the Remainder to his Iſſue was uncertain, what Iſſue he intended, he having divers Iſſues; and it ſhall not extend to all his Iſſues; for a Will ſhall be conſtrued according to the intent of the Deviſor, where a certain intent may be collected, but where it is incertain, it is void. And therefore a Deviſe to his Son, where he hath two Sons, is void; becauſe it appeareth not which of them he intended; and it ſhall not be conſtrued to the eldeſt more than to the other. It was adjudged for the Defendant. Hill. 42 Eliz. C. B. *Tyler* and *Segers* Caſe. *Cro.* 3 Part, 742, 743.

27. The Caſe was, A man had Iſſue two Sons and a Daughter, and deviſed to his ſecond Son and Daughter Legacies of 20 l. to be paid by his eldeſt Son, and deviſed his Lands to his eldeſt Son after upon Condition, That if he paid not theſe Legacies, that his Lands ſhould be to his ſecond Son and Daughter, and their Heirs; the eldeſt Son failed Payment. It was Reſolved by the Court, That the ſecond Son and Daughter ſhould have the Lands, for that the firſt Deviſe to his Son and Heirs in Fee, being no more than what the Law gives, is void; and it is no more, but as if one had deviſed, That if his eldeſt Son did not pay all his Legacies, that the Lands ſhould be to the Legatees, and there is no doubt but in default of Payment the Lands ſhall veſt in them. It was adjudged accordingly. Trin. 43 Eliz. B.R. *Hinſworth* and *Peters* Caſe. *Cro.* 3 Part, 833.

28. A man had Iſſue a Son and a Daughter by one Woman: And C. and D. Sons, and E. a Daughter, by another Woman, and deviſed Lands to C. and D. and if either of them or their Heirs ſhould ſell the ſame, the Gift to be void, and ſo return to the whole Heirs again; and further, That his Son C. and D. ſhould pay yearly to W. his eldeſt Son and his Heirs 3 l. A. dyed, C. and D. died without Iſſue. 1. It was Reſolved in this Caſe, That it was an Eſtate in Fee in C. and D. and not an Eſtate for Life, or in Tail. 2. It was Reſolved, That the Proviſo, That the ſaid Lands ſhould revert, was void, being annexed to a Fee; and one Fee cannot be limited upon another. Hill. 42 Eliz. C. B. *Bland* and *Barkers* Caſe. *Cro.* 3 Part, 747.

29. A. had Iſſue a Son and a Daughter, and deviſed, That his Son ſhould have his Lands at the Age of 24 years, and gave 40 l. to the Daughter to be paid at her Age of 22 years; and further willed, That J. S. ſhould be his Executor, and ſhould repaire his Houſes, and have the Overſight and doing of all his Lands and movable Goods until the ſeveral Ages aforeſaid and dyed. J. S. the Executor let the Land to C. at Will, *Habend.* from the Feaſt of *Michaelmas*, *quamdiu partibus placuerit*, rendring 3 l. Rent; and after he brought Debt for the Rent, and ſhewed that C. occupied the Land *à feſto die* &c. untill *ad feſtum Michael.* It was the Opinion of the Juſtices in this Caſe, That J. S. did not take any Intereſt in the Land by the Will; for the Overſight and doing of his Lands ſhall be intended in the Right of the Heir, and to his Uſe, becauſe the Teſtator thought not his Son of Diſcretion and Government till 24 years, and therefore appointed the Executor to overſee and order the Land. *Popham*, Chief Juſtice, conceived, That the ſaid J. S. the Executor had an Intereſt in the Lands: *Idem Quære.* Mich. 3 Jac. B.R. *Carpenter* and *Collins* Caſe. *Yelverton*, 73.

30. A. ſeiſed of Copy-hold Lands, parcell of the Manour of D. ſurrendred the ſame to the Uſe of his Will, and by the ſame he deviſed the Lands to his two Sons J. and H. and to their Heirs Males of their Bodies; and Willed, That they ſhould not enter untill their ſeverall Ages of 21 years; and further Willed, That J. S. and J. D. his Executors ſhould have the Lands to perform his Will, till the ſaid Sons came to their ſeverall Ages of 21 years. It was adjudged in this Caſe, That although the Eſtate of J. and H. the Sons, preceded in words and the Deviſe to the Executors followed; yet in Conſtruction, the Eſtate of the Executors did precede in Poſſeſſion, and it is as much as if he had deviſed, That his Executors ſhould have the Lands till his Sons came to their ſeverall Ages of 21 years, and then to them and the Heirs Males of their Bodies. It was Objected, That the Sons were Joynt-Tenants; and if the one entred when he came of full Age, the other being within Age, the ſame ſhould deſtroy the Intent of the Deviſor, for then they ſhould not take jointly. It was anſwered and Reſolved, That the Entry of him who came of full Age did not deſtroy the Joynture, but they ſhould be Joynt-Tenants notwithſtanding that; for the Entry ſhall be conſtrued only as to the Perception of the profits and as to the Poſſeſſion, and not as to the Eſtate in Joynture. Mich. 8 Jac. B.R. *Aylet* and *Choppins* Caſe. *Yelverton*, 183.

31. J. V. ſeiſed of an Houſe in Fee, diſpoſed of his Houſe by his Will in this manner, viz. I give and bequeath my Houſe to A. my Wife, to diſpoſe at her will and pleaſure; and to give it to any of my Sons, whom ſhe pleaſeth: What Eſtate or Intereſt the Wife had in the Lands; If for life, and with a Truſt and Authority to diſpoſe of the Lands to one of the Sons in Fee, was the Queſtion. The Caſe is argued by all the Juſtices ſeveral, and upon Argument the Court was divided in their Opinion: But all the Juſtices agreed

greed in the main Point, That the Wife might by her Eſtate alien the Lands well enough. See the Book at large. Hill. 1 Car. B.R. *Daniel* and *Myers* Caſe. *Latch*, 9, & 39.

Diſcontinuance of Suit, or Proceſſe.

1. IN Accompt, the Defendant was adjudged to accompt, and a *Capias ad Computas ſum* iſſued againſt him to accompt before Auditors at a certain day, at which day he appeared, and entred into Accompt, and the Auditors aſſigned him another day certain to appear before them, at which day the Plaintiff did not proceed. It was moved in this Caſe, If the Plaintiff ſhall be Non-ſuited or barred of Accompt, as if the Action be diſcontinued: The Court demanded the Opinion of the Preignotheries; they ſaid, There can be no Non-ſuit, becauſe it is after Judgment; but that a Diſcontinuance ſhould be entred, and if the Plaintiff will after proceed upon this Accompt, he may have a *Scire facias* upon this Record *ad Computandum*; which was agreed by the Juſtices. Paſch. 25 Eliz. C.B. *Cro.* 3 Part, 19.

2. Error of a Judgment in C. B. in a Replevin: The Defendant avowed for Damage-feaſants, the parties were at Iſſue, and the Plaintiff was Non-ſuit after Evidence, and the Jury aſſeſſed Damages for the Avowant: Error brought, and aſſigned for Error a Diſcontinuance, for that the Plaintiff declared in *Michaelmas* Term, and the Defendant imparled till *Hillary* Term, and from *Hillary* Term to *Eaſter* Term, and there is not any Continuance; and then the Plaintiff declared again, and the Defendant pleads thereunto, and Iſſue there joyned. 1. It was moved, That this now is not to be aſſigned for Error, becauſe it is after Verdict, and helped by the Statute of Jeofails: But it was Ruled by the Court, That it was not helped by the Statute; for here the Plaintiff being Non-ſuited, there is not any Verdict given, but of that wherein the Jury are to enquire of Damages, their Verdict is but an Enqueſt of Office; and no Verdict whereof *&c.* 2. It was moved, That here was not any Diſcontinuance; for the ſecond Declaration is a new Declaration of it ſelf and doth not refer to the firſt, and there ought not to be any Continuance of the firſt: But the Court held it to be a Diſcontinuance, and thereupon the Judgment was reverſed. Mich. 38 Eliz. B. R. *Courtier* and *Barret*'s Caſe. *Cro.* 3 Part, 412.

3. Note, It was Reſolved by the whole Court, That a Writ of Error is a Suit, and the party may be therein Non-ſuit; and it was ſaid, That by Releaſe of all Suits, that the Writ of Error was gone and diſcharged; and it was further ſaid, That if the Writ be Returned, That it is not diſcontinued by the Demiſe of the King. Hill. 29 Jac. B.R. *Coles* Caſe. *Latch* 110.

4. Note, It was ſaid and agreed in the Caſe of a Prohibition, awarded out of the Kings Bench to the Spirituall Court in the time of King *James*, That when a Prohibition iſſueth out of the Kings Bench, if no other Proceſs ſtands there, it is diſcontinued by the Demiſe of the King; but if an Attachment doth Iſſue forth and be Returned, or if the party appeareth and putteth in Bail, then it is become the Suit of the party, and is not diſcontinued by the Demiſe of the King: And it was ſaid, That it had been adjudged upon the Statute *de Scandalis Magnatum*, although it be *tempore Domini Regis quam pro ſeipſo*; yet it is not diſcontinued by the Demiſe of the King, becauſe the Contempt to the King is but Collateral. Paſc. 2 Car. B.R. *Latch*, 114.

5. *Ejectione firmæ* was brought in C. B. in *Ireland*, upon a Leaſe againſt C. the Defendant, and declared *de Caſtro, villa, & terris de K.* It was found upon Iſſue joyned, for the Plaintiff, and he had Judgment there: C. brought Error in the King's Bench in *Ireland*, and aſſigned for Error the Writ of an Originall; to which the Plaintiff rejoyned, and pleaded, That ſuch a day an Originall Writ was delivered to ſuch a one, and concluded to the Country; and the Judgment was reverſed there for want of Original. Thereupon the Plaintiff brought a Writ of Error here in *England*, and he Judgment given in the Kings Bench in *Ireland* was reverſed here, becauſe the matter was diſcontinued; for when the Plaintiff in the Writ of Error in *Ireland*, aſſigned his Errors; and the Defendant Replyed, and concluded to the Country, (whereas in truth the matter of his Plea ſhould be tryed by the Record, whether the Original Writ was delivered or not, for that appears by Record), and then the Plaintiff in the Error there doth not reply or demurr upon the Defendant's Plea; for that Cauſe the whole matter was diſcontinued, for there was not any full Record of the proceedings before the Juſtices of the Kings Bench there, becauſe the Plaintiff had not rejoyned to the Defendant's Barr there. Mich. 5 Jac. B. R. St. *John* and *Cannis*'s Caſe. *Yelverton*, 117.

9. Diſ-

4. Debt upon Obligation againſt the Defendant, as Heir to his Father: The Defendant pleaded, *Riens per diſcent*, but 20 Acres in D. in ſuch a County. The Plaintiff Replyed, That the Defendant had more by Diſcent in S. viz. ſo many acres; and upon Iſſue joyned it was found for the Defendant, That he had nothing by Diſcent in S. for which the Plaintiff recovered, and had Judgment to have Execution of the 20 Acres in D. Upon which Judgment, Error was brought, and aſſigned for Error, A Diſcontinuance in the Record of the Plea, from *Eaſter* Term to *Mich.* Term next following: And becauſe it was after Verdict, If the ſame was helpt by the Statute of 18 Eliz. was the Queſtion. It was in this Caſe adjudged, That it was out of the Statute, and that it was Error; becauſe the Judgment was not grounded upon the Judgment, but only upon the Defendants Confeſſion of Aſſets, and the Verdict here was not to any purpoſe, but made the Defendants Confeſſion the ſtronger: So the Statute of 18 Eliz. is to be intended, when the Iſſue by Verdict is the means and cauſe of the Judgment: Wherefore the Judgment was reverſed. Hill. 37 Jac. B. R. *Mallenux* and *Mallenux* Caſe. *Yelverton*, 169.

5. Three Executors recovered in the Common Pleas in Debt by default: The Defendant brought Error, and aſſigned a Diſcontinuance, *viz.* that the Suit being by three Executors, at the day which they had by the Roll upon a Continuance then; two Executors only appeared, and by the ſame Roll, day was given over to all three, until another day: It was ſaid, That this was not a Diſcontinuance, but only the Default of the Clerk, which was amendable. But the Opinion of the whole Court was, That it was a Diſcontinuance, and could not be amended; for Credit ought to be given to the Roll, and by that it doth not appear but that two only appeared, and that the third made Default, which is a Non-proſecution of him at that day, and goes to all the time of the whole Suit afterwards: The Judgment was reverſed. Trin. 7 Jac. B. R. *Paſton* and *Lefters* Caſe. *Thomas*, 255.

6. A man recovered in the Court of *Shrewſbury* in Trover againſt the Plaintiff here by Default, and a Writ was awarded to enquire of Damages, returnable at the next Court; at which day the Plaintiff appeared, and the Writ returned, ſerved; but *Juratæ ponitur in reſpectu uſq; ad proximum Curiam*, which was put certain: And at that day the Plaintiff appeared again, and the Jury *ponitur in reſpectu*, and further day given till the tenth of *June*, &c. And at the tenth of *June Juratæ* again *ponitur in reſpectu*; but the Plaintiff did not appear at that day, nor had day over; and at the day given to the Jury they appeared, and gave 20 l. Damages, upon which the Plaintiff had Judgment for 20 l. and Coſts. Error was brought, and aſſigned for Error, That the Plaintiff not having day at the laſt Adjournment over, that the whole matter was diſcontinued; for by the firſt Judgment the Defendant was out of Court; yet the Plaintiff ought to attend *de die in diem*, becauſe his Judgment is not perfect till the Damages be enquired of: Then when the Plaintiff had day untill the tenth of *June*, and that day did not appear, the Court *ex Officio*, ought not to have made Continuance of the Jury, for that ought always to be *ex petitione* of the Plaintiff. The Court was of Opinion, That the ſame was Error, and for that the Judgment was reverſed. Hill. 4 Jac. B. R. *Harrington* and *Launſdons* Caſe. *Yelverton*, 97.

9. Note, It was agreed by the whole Court in a Replevin, That the Plaintiff cannot diſcontinue his Suit without the Privity of the Court, becauſe the Entry is *Recordatur per Curiam*; and if the Plaintiff would diſcontinue without moving the Court, the Defendant may enter the Continuance if he will. It was alſo holden, Where an Original is diſcontinued the Defendant ſhall not have Coſts; but if the Plaintiff be Non-ſuit, the Defendant ſhall have Coſts by the Statute of 32 H. 8. but after Diſcontinuance in a *Latitat* the Defendant ſhall have Coſts by the Statute of 8 Eliz. *cap.* 2. And in this Caſe it was holden, That the Plaintiff may be Non-ſuit after a Demurrer. Mich. 30 Eliz. C. B. *Beer* and *Underwoods* Caſe. *Leon.* 2 Part, 205.

Diſmes, or Tythes.

1. A Trachment upon Prohibition for ſuing in the Spiritual Court for Tythes of great Wood, by the name of *Silva Cedua*, againſt the Statute of 45 E. 3. The Defendant pleaded, That for 300 Loads of the ſaid Trees, they were of Birch, of which by Law he ought to have Tythes, as *Silva Cedua*; and as to the reſt, they were Oak and Elm under the growth of 20 years: In this Caſe, it was adjudged for the Defendant, That he ſhould have Tythes of Birch, for it is not ſuch Wood as the Statute intends by the Name of Great Woods; for that is intended Wood for Building and other Uſes of high Nature, and not for Fewell, as the Nature of Birch is: Therefore as to the Birch, a Conſultation was awarded. Hill. 4 Eliz. B. R. *Foſter* and *Leonard's* Caſe. *Cro.* 3 Part, 12.

2. Prohibition againſt a Parſon who ſued for Tythes in the Spiritual Court, and ſurmiſed, that

the Clark of the ſaid Pariſh, and all his Predeceſſors Aſſiſtants to the Miniſter, there *divinis celebrantes* have uſed to have 5 s. of him, for the Tyths of the place where &c. and it was alledged to be a good Preſcription, becauſe the Parſonage was a Parſonage Impropriate; and by Intendment it began by the Act of the Parſon, that he made a Compoſition, That the Tythe of that Land ſhould be paid to the Clark, in diſcharge of himſelf, that he had uſed, time out of mind, to pay to the Clark 5 s. in diſcharge of all Tythes, &c. The Court was of Opinion, That if this ſpecial matter be ſhewed in the Surmiſe, it might be perhaps good, by reaſon of the Continuance; and that by this the Parſon is diſcharged from finding of the Clark, with which perhaps he ſhould be charged: But becauſe ſuch matter was not particularly ſhewed in the Surmiſe, and that by common intendment Tythes are not to be paid to a Pariſh Clark, and he is no party in whom a Preſcription can be alledged. A Conſultation was awarded. Mich. 30 Eliz. B. R. *Sawell* and *Woods* Caſe. *Cro.* 3 Part, 71.

3. Prohibition for ſuing for Tythes in *Barking* Park in *Eſſex*, and ſuggeſted, That the Lands were parcel of the Priory of Chriſt-Church in *Canterbury*, and that the Prior and his Predeceſſors had held it diſcharged of Tythes *tempore Diſſolutionis*, and pleaded the Statute of 31 H. 8. The Defendant pleaded, That the Prior and his Predeceſſors did not hold them diſcharged: It appeared upon the Evidence, That the Prior and his Predeceſſors never paid Tythes; but no Cauſe was ſhewed, by Unity of Poſſeſſion or Compoſition, to be diſcharged. It was the Opinion of the Court in this Caſe, That a Spiritual man may preſcribe in *Non Decimando*, and by the Statute of 31 H. 8. he ſhall hold it diſcharged, as the Prior held it; for it ſhall be intended by a lawfull means. It was found for the Plaintiff. Mich. 83 Eliz. C. B. *Nelſo* and *Molies* Caſe. *Cro.* 3 Part, 206.

4. Prohibition upon a Suit for Tythes of Corn, Wool, and Calves: For the Corn, ſuggeſtion was, That they had uſed in the Pariſh to pay the tenth Sheaf, and ſet them out, and the Parſon had them; and this Plea was refuſed in the Spirituall Court. It was the Opinion of the Court, That it was a good Suggeſtion, That the Parſon would not take them being ſo ſet out, and for that the Prohibition granted. For the other Tythes of Calves, the Suggeſtion was, That they had uſed to pay within the ſaid Pariſh a d. for the Milk of every Cow, in ſatisfaction of Calves; and the Proof was, That there was ſuch an Uſage for all the Land except five Farms, and it was holden, That for that he had failed in his Preſcription; for it may be, that theſe Lands were parcel of the ſaid five Farms: and it is not ſuggeſted, That they were not parcel of them; therefore for that cauſe, Conſultation as to them was awarded. Tr. 30 Eliz. C. B. *Bruner* and *Shoewrights* Caſe. *Cro.* 3 Part, 206.

5. Prohibition for ſuing for Tythes of Cows, Steers, Oxen, Horſes; and ſuggeſted a Cuſtom, That every Parſhioner ſhould pay for every Milch Cow 1 d. *per annum*, for every other Cow ob. *per annum*, in recompence and diſcharge of all other Tythes of Oxen, Cowes, Steers, and Calves; and alſo 1 d. for every Mare, in diſcharge of all Tythes for all Horſes, Mares, and Colts there. It was the Opinion of the whole Court, That this Preſcription was not good to be diſcharged of one Tythe for the Payment of another. Mich. 38 Eliz. C. B. *Goſſmer* and *Lowes* Caſe. *Cro.* 3 Part, 446.

6. Note, It was agreed in a Prohibition for Tythes, That if Land be over-flown with Water, and afterwards gained by Induſtry, Tythes ſhall preſently be paid thereof, although it had been over-flown time out of mind, &c. So if Lands be full of Thorns and Buſhes time out of mind, &c. and it is grubbed up and made Meadow, or arable Land, Tythes ſhall be preſently paid thereof, notwithſtanding the Statute of 2 E. 6. for theſe Lands of their own Nature were not barren, but by negligence or ill Husbandry became ſo, and the Statute doth not intend, That Tythes ſhall not be paid within ſeven years after the Manurance, but of ſuch Lands as were meerly barren, and made good by Foldage, or other induſtrious means. Trin. 38 Eliz. B. R. *Sheringtos* and *Fleetwods* Caſe. *Cro.* 3 Part, 475.

7. Prohibition upon the Statute of 45 E. 3. for that whereas he libelled in the Spiritual Court for Tythes of Timber-Trees: The Defendant ſaid, That thoſe Trees long ſince were *mortua, arida, & putrida*, fit only for Fire-bote, and not for Timber, upon which it was demurred. It was the Opinion of all the Juſtices, That no Tythes ſhould be paid for thoſe Trees, for being over the growth of 20 years, they were once diſcharged of Tythes; and therefore ſhall always be diſcharged. Trin. 38 Eliz. B. R. *Raw* and *Patrſon* Caſe. *Cro.* 3 Part, 477.

8. Prohibition; and ſurmiſeth, That he was Parſon, and the Defendant was Vicar of the ſame Church, and ſued him in the Spirituall Court for Tythes upon an Endowment, That the Vicar ſhould have the Tythes of all the Lands within the Pariſh; and alledged, That he *pleaded* there, that he is Parſon imparſonee there, and that the Lands whereof Tythes are demanded is parcel of his Gleab, and that they of the Spirituall Court would not allow there of this Plea. It was the Opini-

of the whole Court upon this Surmiſe; for they ſaid, *Eccleſia Decimas ſolvere Eccleſiæ non debet*: And it was ſaid, That it was adjudged lately in *Yeary's* Caſe, Parſon of *Feckry*, That no Tythes ſhall be paid of Glebb Lands: But if the Vicear have the ſmall Tythes by Endowment, and the Parſon of his Glebb Lands, the Leſſee ſhall pay Tythes to the Vicear, for the Tythes ariſing of the Glebb Lands. Tr. 38 Eliz. B.R. *Rince* and *Maſſies* Caſe. Cro. 3 Part. 279.

9. Prohibition; and ſurmiſeth in Diſcharge of Tythes. That the Prior of B. was ſeiſed of the Rectory, and of the Lands out of which the Tythes were demanded in Fee *ſimul & ſemel*, time whereof &c. and at the time of the Diſſolution; *& ea ratione* prayed to be diſcharged, &c. The Defendant traverſed the Unity at the time of the Diſſolution. The Juſtices held the Traverſe to be good; for although there was an Unity of Poſſeſſion from time whereof, yet *if* it were not at the time of the Diſſolution it ſhould be charged: But if the Diſcharge had been by Preſcription generally, and not by Unity, then the Preſcription ought to have been averred, and not the Unity; and ſo it was adjudged. Tr. Tr. 34 Eliz. in *Calendy* and *Withers* Cit. Mich. 39 Eliz. B.R. *Barter* and *Longs* Caſe. Cro. 3 Part. 584.

10. Prohibition to ſtay a Suit for Tythes; ſurmiſing, That he ſet forth his Tythes, and that for ſome reaſonable Cauſe he had detained part of them, and that the Parſon ſued him for them in the Spiritual Court; upon which it was demurred, becauſe by the ſetting forth they were Lay-Chattels, for which he had his Remedy at Law. But the Court held, That the Prohibition did not lie; for againſt the party himſelf, who ſetteth forth his Tythes a Suit is maintainable in the Spiritual Court, if he detains them, although he might have Remedy for them at the Common Law; otherwiſe, if they were taken away by a Stranger after they be ſet forth. Paſch. 40 Eliz. B.R. *Leigh* and *Woods* Caſe. Cro. 3 Part. 607. See Tr. 43 Eliz. B.R. *Blackwell's* Caſe. Cro. 3 Part. 140. acc.

11. Debt brought upon the Statute of 2 E. 6. for not ſetting forth of Tythes; and declared, That the Defendant being a Pariſhioner of Land having Corn growing there to the value of 50 l. it did not ſet them forth, wherefore he demanded double value, 100 l. A Verdict was for the Plaintiff: Upon *Nihil dicit*, It was moved, That he ought not to have brought his Action at the Common Law, but in the Spiritual Court, for the Tythes before they be ſet forth. It was Reſolved, That the Action well lay upon the Statute: It was then moved, That the Tythes were Chattels Perſonals, and therefore the Action was to be brought by the Husband alone; and he ought not to have joyned his Wife in the Writ, as he had done in this Caſe: But that Exception was diſallowed by the Court, for the Action is given to the Proprietor or Farmor; and therefore good, brought in both their Names. And upon Error brought the Judgment was affirmed. Paſch. 40 Eliz. B. R. *Redd* and *Sherman's* Caſe. Cro. 3 Part. 608, and 613. See Hill. 34 Eliz. B. R. *Wentworth* and *Criſp's* Caſe, *ibid.* adjudged acc.

12. Prohibition for Tythes claimed of Hay of the latter Mowings: And a Preſcription alledged, That in Conſideration that the Occupiers of that Meadow had uſed to make up the firſt Mowings into Cocks, and to ſet forth the tenth Cock, they had uſed to be diſcharged of Tythes of after-Mowing. The Court held it to be a good Preſcription and reaſonable. Paſch. 41 El z. B. R. *Johnſon* and *Ambrojes* Caſe. Cro. 3 Part, 660.

13. Prohibition for ſuing for Tythe-Pidgeons: The Defendant pleaded Payment in the Spiritual Court, and they refuſed there to allow thereof without two Witneſſes. The Prohibition was granted; for it was ſaid, It would be a great Inconvenience to bring two Witneſſes to prove the Payment of every ſort of Tythes. Paſch. 41 Eliz. C. B. *Maloy* and *Merriet's* Caſe. Cro. 3 Part, 666.

14. The Queſtion upon an Action of Trover brought for twenty Loads of Hay, parcell of Tythes ſeverd, was, Whether Tythes were grantable by Copy: It was ſaid, They were not, in reſpect of the Nature of Tythes, wherein none could have any Property before the Corneell of *Lateran* which was in the time of King *John*; for before that time they might be paid to whom the Party pleaſed, but by thoſe Conſtitutions they were annexed to the Rectory, and then there could be no Cuſtome to demiſe them by Copy. 2. They cannot paſs but by Deed, and then to paſs them by Copy of Court Roll cannot be good. 3. Nothing can paſs by Copy, but that which is parcell of a Manner, but Tythes cannot be parcell of a Manner, as hath been adjudged; for a Manner and Tythes are of ſeverall Natures, although they be united in one man's hands, and then it is not poſſible, That that which is not parcell of a Manner can be *demiſed ſecundum Conſuetudinem Manerii*: Therefore the Opinion of the Court inclined to be, That they could not be parcell of a Manner, and granted by Copy. It was adjudged for the Plaintiff only, becauſe it did not appear upon the Verdict, that it had been granted by Copy, time out of mind; and it was held, there was not any Title found for the Defendant, and there-

fore it was adjudged for the Plaintiff. Paſch. 43 Eliz. B. R. *Sands* and *Drurys* Caſe. *Cro.* 3 Part, 814.

15. The Caſe was, One had a Rectory Impropriate, and by the Statute of 26 H. 8. *cap.* 3. he was to pay an yearly Rent for the ſame, in the name of a Tenth, and ſo to be diſcharged of the Tenth and firſt-Fruits. It was a Queſtion, Whether in ſuch Caſe he ſhould have the Priviledg of the Exchequer: It was ſaid, That he ſhould, and one *Conicrs* Caſe was vouched, Where the King gave a Parſonage to a Priory in Frankalmoign, and the Tythes thereof being withdrawn, the Prior impleaded the party in the Exchequer; and in that Caſe it was holden, That he ſhould have the Priviledge. But it was the Opinion of the Barons, That he ſhould not, for ſo every one who is to pay any Tenths or Firſt-fruits ſhould be drawn hither, which ſhould be a great Prejudice to the Spiritual Courts. Mich. 32 Eliz. in the Exchequer. The Dean and Chapter of *Windſors* Caſe. *Leon.* 2 Part, 146.

16. Note, It was holden by the Barons in the Exchequer, That whereas the Ciſtertians, &c. had a Priviledg, That they ſhould not pay Tythes for their Lands, *quas propriis manibus excolant*, but their Farmors pay Tythes; and now by the Statute of 31 H. 8. they are diſſolved, That the Queen and her Farmors ſhould be diſcharged of ſuch Tythes as the Spiritual Perſons were; for the Queen cannot *excolere*; *Ergo*, her Farmors ſhall be diſcharged; and ſo long as the Queen hath the Free-hold, her Farmors ſhall have ſuch Priviledge, though ſhe leaſeth for years, or at Will. Mich. 29 Eliz. The Counteſs of *Lenox* Caſe. *Leon.* 2 Part, 71.

17. In a Prohibition to ſtay a Suit in the Spiritual Court for Tythes: It was ſuggeſted, That the Abbot of *VALE-ROYALL* was ſeiſed of the Parſonage of W, and of the Grange of D, whereof Tythes was demanded in Fee, in the Right of the Abby, *& ratione inde* ſhewed the Unity of Poſſeſſion, 31 H. 8. The Defendant pleaded, That the Abby was founded within 5 E. 1. (which is within time of memory) and confeſſed the Unity of Poſſeſſion after the time of the Foundation. It was holden by the whole Court, That the Plea in Barr was good, and that in this Caſe he needed not to traverſe the Preſcription, for that the ſhewing of the Foundation to be after time of Memory, is a confeſſing and avoiding. But if the Defendant againſt the Suggeſtion of perpetual Unity, would ſhew how that the Demeſnes before the Statute in the time of the Abbot, were in the hands of the Farmors, there he ought to traverſe the Preſcription; for although the Poſſeſſion was chargeable in other hands, yet when the Fee ſimple is repoſed in the Abbot, it is a Diſcharge in Right. Hill. 45 Eliz. B. R. Gilſon and *Holcroft's* Caſe. *Yelv.* 31.

18. A Suggeſtion in a Prohibition was, That the Plaintiff time out of mind &c. had payed for Tythes of Wool and Lamb, 2 d. In the proof of his Suggeſtion by Witneſſes, they ſpake nothing of the Wool, but only that 2 d. had been paid for Lambs: It was moved to have a Conſultation for both, becauſe the Surmiſe is a Joynt-Preſcription. The Court ſaid, There was a difference between a Suggeſtion to have a Prohibition, and a Preſcription compriſed in it, and a Preſcription made in defence, or by way of Plea in any Original Action; for in the laſt Caſe a Joynt-Preſcription made for two things, and there is a fraier in one, it deſtroyes it becauſe it is by way of Title; but it is otherwiſe in this Caſe, becauſe this Preſcripcion is but to give Juriſdiction to the King's Court: And therefore, although the Plaintiff ſuppoſeth, That the Court ought to hold Plea of the Tythes of Wool and Lamb; and for the Wool, it remains payable in kind; yet for the Lambs, it is a *Modus Decimandi*, and the Cour ſhall have Juriſdiction. Mich. 2 Jac. The Caſe of Prohibition. *Yelv* 55.

19. Note, That if a Parſon grants to a Pariſhioner his own Tythes by way of Retainer, although it be by Word and not by Deed, it is good; and upon Suggeſtion of that Grant, a Prohibition ſhall be. Otherwiſe, where it is ſo long as the parties live, or the like; for although it doth not found in Intereſt by way of Contract, but onely by way of Diſcharge, yet it is good without Deed; for it is in the Nature of a perſonal Compoſition, which may be without Deed, by word onely: But if a Parſon by way of Contract agree, That J. S. ſhall have all his Tythes for three years, by which J. S. takes the Tythes, and the Parſon ſues for them in the Spiritual Court: Upon this J. S. ſhall have a Prohibition; for although it doth not enure by way of Intereſt, to make it a Leaſe of the Tythes, becauſe it is without Deed, yet the Contract betwixt them ſhall bind them as to the perception of the Tythes, of which Contract the Temporall Court ſhall have Juriſdiction. Mich. 4 Jac. B. R. *Hawkes* and *Brathwaits* Caſe. *Yelverton*, 94.

20. B. Parſon of D. lett all the Tythes of 200 Acres of Lands, whereof R was then ſeiſed to him and his Wife, and to the Heirs of R. to R. *Habendum* from Michaelmas next, to him and his Heirs, during the life of B. the Parſon. R. dyed, E. his Wife had the 200 Acres for her Joynture; ſhe took to Husband J. S. who lett the Lands to the Plaintiff; the Heir of R. alſo granted to the Plaintiff the Tythes of theſe Lands at Will, who being

ſued in the Spiritual Court by the Parſon, againſt his own Grant, prayed a Prohibition. The Point was, Whether the Leaſe was void, being to begin at a day to come, and it was for life: It was the Opinion of the Juſtices, That it was void; for although Tythes are Spiritual, and are not extinct in the Land, yet in the Conveyance of them they ought to follow the Nature of the Land, as Rent, and other Inheritances which being in *Eſſe* cannot begin at a day to come. It was alſo holden, That this Leaſe could not enure by way of Diſcharge, becauſe there were not any ſuch words in the Leaſe by which it was intended it ſhould enure by way of Intereſt; for if it ſhould enure by way of Diſcharge only, that is ſuch a Priviledge annexed to the Land that cannot be granted over, otherwiſe if it be by way of Intereſt: And in the principall Caſe it appeareth, That the Wife took upon her to be Owner of the Land, and the Son took upon him to be Owner of the Tythes, which could not be if the firſt Leaſe had been by way of Diſcharge. Trin. 6 Jac. B. R. *Edmonds* and *Booths* Caſe. *Yelv.* 131, 132.

21. Note, It was ſaid by *Hutton*, Juſtice, That by the Civill Law the Pariſhioner ought to give Notice to the Parſon, when the Tythes are ſet forth. But it was adjudged, That by the Common Law, a man was not bounden ſo to do. Trin. 15 Jac. C. B. *Spencer's* Caſe. *Noy*, 19.

22. A Parſon libelled for the Tythes of Hay, and ſet forth, That the Cuſtom of the Pariſh was, That he who hath Corn within the Pariſh, ought to reap the Corn, and alſo the Tythe of the Parſon, and to make them into Cocks, and to preſerve them untill the Parſon ſhall carry them away: In this Caſe a Prohibition was granted; for although the Pariſhioner ought *de jure* to reap the Corn; yet he is not bound to guard the Tythes of the Parſon, but if that the Parſon doth not carry them away in convenient time, an Action upon the Caſe lyeth againſt him; and ſo it was ſaid, It was adjudged 22 Jac. in B. R. in *Wiſemans* Caſe, for not accepting of his Tythe Cheeſe, but leaving of them in the Pariſhioners Houſe to his Annoyance and Damage. Mich. 2 Car. B. R. Dr. *Bridgmans* Caſe. *Noy*, 31.

23. A Prohibition was prayed upon a Suit in the Spiritual Court; for Tythes in kind of a Park now converted into Tillage upon a Surmiſe of a *Modus Decimandi* to pay a Buck and a Doe for all Tythes: It was granted, and it was agreed in this Caſe, 1. That although they are *feræ Naturæ*, yet they may be given for Tythes. 2. Although they are not tytheable of themſelves, yet they may be given for *Modus Decimandi*. 3. That this is a Diſcharge of the very Suit, and the Park is not but a Liberty, and the Owner may furniſh it with Game when he pleaſeth: And ſo it was ſaid, It was adjudged. Hill. 6 Jac. in C. B. in the Vicar of *Clare's* Caſe. See *Sharp* and *Sharps* Caſe. *Noy*, 148.

24. In Debt upon a E. 6. for not ſetting forth of Tythes, the Caſe was, Corn was ſet forth for Tythes, the Owner of the Land took the Corn Damage feaſant, but in his Declaration did not ſhew how long the Corn remained upon the Land. Therefore it was holden by the Court, That it was not good; and it was ſaid, That the uſual Courſe in ſuch Caſes is, That if Tythes be ſet out, and the Parſon doth not take them away in due time, the party may have an Action upon the Caſe againſt him; and alſo agreed, That after the Tythe is once ſet out, and the Parſon doth not take them away in due time, the party may have an Action upon the Caſe againſt him; and alſo agreed, That after the Tythe is once ſet out, that the Parſon may have an Action of Treſpaſs if any one taketh them away: But if a Stranger ſeiseth out the Tythes, that gives not ſuch a Property in the Parſon that he can have an Action for the taking of them. And in this Caſe it was agreed, That one cannot diſtrein Sheaves of Corn, contrary of a Sheaf of Corn Damage-feaſants. Hill. 1 Car. B. R. *Stillman* and *Charnis* Caſe. *Latch*, 8.

25. Note, It was the Opinion of the Juſtices, That whereas the Defendant in Trover and Converſion of certain Loads of Fetches juſtified under the Lord *Clare*, by a Demiſe of the Tythes of Grain for a year, That the ſame cannot be good as a Leaſe. But it was ſaid, That a Parſon might diſcharge his Pariſhioners of Tythes by word, or let the Rectory conſiſting of Gleab and Tythes by word for years. Mich. 2 Car. B. R. *Bellamy* and *Bilthops* Caſe. *Latch*, 176.

26. A Parſon ſued a Pariſhioner *per modum Decimandi*, and alledged in his Libell a Cuſtom to have 2 s. in the pound upon every Houſe and Shop in the Town: In that Suit the Defendant anſwered there, *Quod non credit eſſe verum*; and to have a Prohibition, alledged, That he was a Butcher who ſet up an open Stall in the Market, to ſell Fleſh in the Market only; and that he had not any Shop or Houſe. It was agreed by the Court, That a Parſon might ſue *per modum Decimandi* in the Spiritual Court; but if it be denyed, he can go no further there, for that they cannot try matter of Preſcription there; and if they do proceed, that a Prohibition lyeth. But it was ſaid, That no Prohibition lay in the principall Caſe, becauſe Power is given to the Spiritual Court to examine the Cauſe; becauſe it is not a Denyall of the Preſcription, but the Denyal of a Preſcription is by way of Allegation, and not otherwiſe.

Diſtreſs.

1. NOte, It was the Opinion of the Juſtices of C. B. That if a man by Deed granteth a Rent unto another in Fee out of his Land, payable yearly at a day; and further grants by the ſame Deed, That if it happen the ſaid Rent to be behind at the ſame day, *&c.* and no Diſtreſs in the ſame Land then being, that then it may be lawful for the Grantee to enter into the ſame Land, and to diſtein it: That yet by theſe words, *ſcil.* No Diſtreſs in the Land being found; That the ſaid Grantee cannot diſtrein for the ſame Rent, becauſe the words are words of Implication only, and are not preciſe words of Clauſe of Diſtreſs. Mich. 29 H. 8. *Bendlowes*, 12.

2. The Collector of Fifteens diſtreined one who was aſſeſſed to a Sum for Fifteens, who refuſed to pay it, and ſold the Diſtreſs, for which he brought Treſpaſs. The Collector exhibited his Bill into the Exchequer againſt the party, who ſhewed to the Court, That by the Statute of 29 El. which enacted this Fifteenth: It is provided, That the Fifteenth ſhall be levyed of the moveable Goods, Chattels, and other things uſuall to ſuch Fifteens and Tenths, to be contributary and chargable; and ſhewed, That the Cattell diſtreined were *tempore diſtrictionis* upon the Gleab Lands of a Parſonage Preſentative which he had in Leaſe, which Gleab Land is not chargeable uſually to Fifteenths granted by the Temporalty, nor the Chattels upon it. It was the Opinion of the whole Court in this Caſe, That although the Parſon himſelf payeth Tenths to the King, yet the Lay Farmor ſhall pay Fifteens, and his Cattel are diſtreinable for it even upon the Gleab Lands of the Parſonage; and therefore it was adjudged, That in the principall Caſe the Diſtreſs and Sale was good. Mich. 32 Eliz. Exchequer, *Steds* Caſe. *Leon.* 2 Part, 146.

3. Treſpaſs for breaking of his Cloſe: The Defendant pleaded, That the Dean and Chapter of P. were ſeiſed of the Mannor of C. in the right of their Church, and that King *Edw.* 4. by his Letters Patents granted them all Fines, *pro licentia Concordandi*, of all their Homagers, Tenants, and Reſients within their Fee; and that 29 Eliz. a Fine was levyed in C. B. betwixt the Plaintiff, and one A. of Lands whereof the place where is parcell, and the *poſt fine* was aſſeſſed to 15 s. and that J. S. the Forreign Oppoſer did allow to them the ſaid 15 s. becauſe the Land was within their Fee; and that in behalf of the ſaid Dean and Chapter, he demanded the ſaid 15 s. who refuſed to pay it; wherefore in the right of the Dean, *&c.* he took the Diſtreſs as Bailiff for the ſaid 15 s. and afterwards ſold it. It was the Opinion of the whole Court in this Caſe, That the Dean and Chapter could not diſtrein for this matter, but they ought to ſue firſt in the Exchequer: And it was further ſaid, That this Grant doth not extend to the *poſt fine*, for the Fine, *pro licentia Concordandi*, is the Queens Silver and not the *Poſt fine*. It was adjudged for the Plaintiff. Paſch. 32 Eliz. B. R. *Strait* and *Bragg's* Caſe. *Leonard*, 1 Part, 249.

4. Note, It was ſaid, That if a man taketh too little a Diſtreſs for Rent, and afterwards he taketh another Diſtreſs for the ſame Rent, that this is not good; for he cannot avow two Diſtreſſes for the ſame Rent, and it was his folly that he took not a better Diſtreſs at the firſt: But note, It is ſaid in the Abridgment of the Aſſiſes, That if there be not ſufficient Diſtreſs when he diſtreined, that he may diſtrein again. Hill. 25 Eliz. C. B. *Cro.* 3 Part, 13.

5. Replevin, A Clothier put certain Wool to a Spinner to ſpin, and afterwards comes with an Horſe to bring back the Yarn; and becauſe there were not any Beam nor Weights in the Spinner's Houſe to weigh it, the Clothier and Spinner, by the Leave of one of the Neighbours, who had a Beam and Weights in his Houſe, brought his Horſe thither and entred therein, and whil'ſt they were there, the Lord of the Houſe diſtreined that Horſe and the Yarn for his Services. It was the Opinion of the Court, That they were not diſtreinable, for the Trade of a Clothier is *pro bono publico*, who ought to be allowed all neceſſary means; and Cloth put to a Weaver to be Woven, and Yarn in an Houſe to be ſpun, are not diſtreinable; and the weighing is neceſſary, and therefore the Yarn brought thither, and the Horſe which brought it, are priviledged and not diſtreinable: Wherefore it was adjudged, That the Diſtreſs was not lawfull. Mich. 40 Eliz. C. B. *Rede* and *Barlys* Caſe. *Cro.* 3 Part, 546.

6. Treſpaſs for taking 100 Sheep *in via Regia*. The Defendant pleaded, That J. S. was ſeiſed of the Mannor of M. in M. and that all thoſe whoſe Eſtate time out of mind had uſed to have 1 d. Toll for every 20 ſheep of any ſtranger *b* ought or driven *per et trans* the ſaid Town by any ſtranger. And if he were denyed, then they had uſe, time whereof, *&c.* to diſtrein for the ſaid Toll, one ſheep ſo driven; and alledged, That 120 ſheep of the

the Plaintiffs, a ſtranger were driven by one L. *per et trans* the ſaid Town; and becauſe he refuſed to pay this Toll, he took one of the ſheep *cepit et abduxit* untill the Toll was paid. It was ſaid in this Caſe, That Toll-Thoroughs may be well taken by Preſcription, and a Diſtreſs might be taken for it, but then it ought to be for ſome reaſonable cauſe, viz. that he is to maintain a Cawſey, repair a Way, a Bridg, or ſuch like. But in the principal Caſe, becauſe it doth not appear to the Court to have a lawful beginning, the Court conceived the Plea to be ill. Mich. 41 Eliz. B. R. *Smith* and *Shepheards* Caſe. *Cro.* 3. Part, 710, 711.

7. Treſpaſs for taking of Raw Hides, The Defendant juſtified as Bayliff of *Ipſwich* by a Cuſtome there, That if any Butcher kill any Beaſts within that Town, and ſells the fleſh within the Market, he is to pay 1 d. for every Hide, and that he may diſtrein the Hide for the 1 d. if denyed. The Plaintiff replyed, That after the Diſtreſs the Defendant tanned the Hides. The Defendant rejoyned, they tanned them becauſe otherwiſe they would have rotted. It was Reſolved by the Court, That it was no good plea; for although in ſome Caſes one may meddle with a Diſtreſs and uſe it where it is for the Owners benefit; yet here this Tanning is not for his benefit, for it takes away from him the notice of the thing, and ſo is a means of taking away the thing it ſelf, for that he cannot have any knowledg to have it again, and therefore the Preſcription and plea upon it not good, and adjudged for the Plaintiff. Mich. 42 Eliz. B.R. *Duncomb* and *Reeves* Caſe. *Cro.* 3. Part, 783.

8. Note, It was adjudged that a Bayliff of a Court Baron upon a Judgment there given; and upon a *Levari facias* awarded, cannot ſell the goods and ſo levy the money without a ſpecial Cuſtome ſo to do. Hill. 3 Jac. B. R. *Try* and *Burgis* Caſe, *Noy* 17.

9. Trover and Converſion of Cattel, The Defendant juſtified by reaſon of a Rent granted to A. his Executors and Aſſigns for the life of B. out of Black Acre, and ſhewed that A. is dead, and that he as Adminiſtrator of A. diſtreined for the Rent in Black Acre after the death of A. and averred the life of B. It was holden that the Juſtification was not good, for that by the death of A. the Rent was determined, and could not come to the Executor or Adminiſtrator, for it was not a thing Teſtamentary, but a Freehold. Yet it was agreed by the Court, That if a Rent be granted to A. for the life of another, the Remainder to B. that although A. dyeth, by which the Rent is determined in Intereſt as to the perception of it; yet foraſmuch as the Ter-Tenant holdeth the Land during that time diſcharged of it, it is ſufficient to ſupport the Remainder. It was further holden, That if the Rent had continued, the taking of a lawfull Diſtreſs for it, had not bin a Converſion, otherwiſe where the Diſtreſs was not lawfully taken. Mich. 45 Eliz. B. R. *Salters* Caſe. *Yelverton* 11.

10. Trover of Goods, the Defendant ſhewed, That he was Bayliff of the Mannor of D. whereof the King was ſeiſed; and that a Plaint of Debt was affirmed by J. S. againſt the Plaintiff, upon which Proceſs came to the Defendant being Bayliff, to diſtrein the Plaintiff to be at the next Court to anſwer the Plaint aforeſaid, by force of which he diſtreined the Plaintiff by the goods, &c. which becauſe he appeared not at the Court, were forfeited to the King as Lord of the Mannor; and the Defendant had accounted for them to the King. It was adjudged for the Plaintiff, for that in a Court Baron no goods can be forfeit upon default of appearance upon a Diſtreſs: For a Diſtreſs is but in nature of a Pledg to be ſafely kept; and in a Court Baron lyes nothing but Diſtreſs infinite, but no Attachment of goods. Mich. 8 Jac. B. R. *Gomerſall* and *Midgates* Caſe. *Yelverton* 194.

11. This Caſe was moved to the Court, If one takes Beaſts damage feaſant, and impounds them in an houſe, and leaves the door open, ſo that the Owner may ſee them and give them ſuſtenance; and afterwards for want of ſuſtenance they dye in the Pound, Whether he who diſtreined them ſhall be charged or not. It was the Opinion of the Juſtices, When one takes Beaſts damage feaſants in his Lands, it is at his election if he will impound them in an open place, or in ſome place in his own Land. And if he impound them in the common Pound, and the Beaſts dye, the Owner hath no remedy. But if they be impounded upon the ſoil where they did the damage, or in the houſe of him who diſtreined them, and they dye for want of food, he who took them ſhall be charged. In the Principal Caſe, it was ſaid, That when the beaſts dyed in the Pound, the very taking of them was a Treſpaſs *ab initio*. Hill. 3 Jac. C. B. *Perkins* and *Butterfields* Caſe. *Hetley* 75.

Diſſeiſin,

Diſſeiſin, Diſſeiſor, *and* Diſſeiſee.

1. THis Caſe was moved to the Court, If the Tenant of the King, of Lands holden in *Capite*, be diſſeiſed; and the Diſſeiſor aliens the Land, and after the Diſſeiſee doth re-enter. If the Land ſhall be charged with a Fine for alienation without Licence. It was ſaid by *Manwood*, That the Land ſhall not be charged, becauſe the Title of the Allience grew under the wrong of the Diſſeiſor, but the Diſſeiſor ſhall be charged with ſuch Fine. Tenant of the King in *Capite*, makes a Leaſe for life. The Leſſee for life makes a Feoffment in Fee without Licenſe, the Leſſor entreth, neither his perſon nor land ſhall be charged. But if my Feoffee upon Condition maketh a Feoffment in Fee without Licenſe, and I reenter for the Condition broken. Now my Land ſhall be charged with a Fine upon Alienation, for the Feoffee was in by my good and lawful title, becauſe he had power to make a Feoffment over, though ſubject to the Condition. So if Tenant in tail, or the Husband ſeiſed in the right of his Wife, make a Feoffment in Fee, and after the Land is re-continued; the Fine accruing for Alienation ſhall bind the Land; and if Tenant for life loſeth Iſſues and dyeth, the Land ſhall be charged with the ſame. Trin. 29 *Exchequer*, *Goddards* Caſe. *Leon.* 2. Part, 55, 56.

2. The Diſſeiſee maketh an Indenture, purporting a Leaſe for years, and delivers it to a ſtranger out of the Land as an Eſcrow, and commands him to enter into the Land, and deliver the ſame upon the Land as his Deed to the Leſſee, who doth it accordingly. It was adjudged in this Caſe, That it was a good Leaſe: and this Rule was put when the perſon at the firſt delivery who hath not power and ability in Law to make a Leaſe and contract, and before the ſecond delivery he attains to it, there the Leaſe or contract is void; but when at the firſt delivery he hath power and ability to contract, but cannot perfect it untill an impediment be removed, if that the impediment be removed before the ſecond delivery, the contract is good. And it was adjudged in the principal Caſe, That the ſecond delivery ſhould have no relation to the firſt, for then it ſhould be done by one who was out of poſſeſſion, and avoid the Leaſe; and therefore it ſhall not have relation, but according to the truth to be a Deed at the time of the ſecond delivery, *ut res magis valeat quam pereat*. Mich. 37 Eliz. C. B. *Jennings* and *Braggs* Caſe. *Cro.* 3. Part, 446. See *Cook* 3. Part, in *Butlers* Caſe, this Caſe vouched to be adjudged accordingly. See Trin. 38 Eliz. C. B. *Croſs* and *Powells* Caſe. *Cro.* 3. Part, 483. acc.

3. Treſpaſs for breaking his Cloſe, with a *Continuando*. The Defendant pleaded, That long before, J. S. was ſeiſed in Fee, and lett it to him for years. The Plaintiff replyed, That he himſelf was ſeiſed untill by the ſaid J. S. Diſſeiſed, and let to the Defendant, and that after he re-entred, and the Treſpaſs mean betwixt, &c. upon which the Defendant demurred. It was Objected, That the Defendant is in by Title (*viz.* by a Leaſe from the Diſſeiſor) and that the Diſſeiſee after his re-entry ſhall never puniſh him for occupying the Land, for he never was a Treſpaſſor to him. But the Opinion of the Court was to the contrary. For by this re-entry of the Diſſeiſee, he is remitted to his poſſeſſion, and then all who occupy in the mean time by what title ſoever they come in, ſhall anſwer him for their time. It was adjudged for the Plaintiff. Hill. 39 Eliz. B. R. *Holcomb* and *Rawlins* Caſe, *Cro.* 3. Part, 540.

4. Note, It was agreed by the whole Court, That if Tenant at Will makes a Leaſe for years, and the Leſſee entreth, he is only the Diſſeiſor. And a Releaſe or a Confirmation to the Tenant at Will afterwards is void, becauſe the privity is deſtroyed. Paſc. 43 Eliz. C. B. *Shaw* and *Barbors* Caſe, *Cro.* 3. Part, 830.

5. *Ejectione firmæ*, the Caſe was, A Tenant in tail of certain Lands, made a Leaſe for years to B. who aſſigned it over to the Father of the Plaintiff. A. dyed, W. his Son and Heir entred upon B. W. demiſed the Land to P. for life, the Remainder to J. his Wife for life, the Remainder to the Son of P. for life, and made a Letter of Attorney to enter and deliver Seiſin. P. dyed before the Livery was executed, and afterwards the Attorney made Livery to J. W. dyed, E. his Son and Heir entred upon the Wife. It was ſaid in this Caſe, That when P. entred upon W. the Iſſue in tail, he was a Diſſeiſor, and by his death the Land diſcending to his Heir, the entry of W. the Iſſue in tail was taken away. But it was holden by the whole Court, That P. by his entry was not a Diſſeiſor, but at the election of W. for when P. accepted ſuch a Deed from W. it appeared that his intent was not to enter as a Diſſeiſor, and it is not found that P. had any ſon and Heir at the time of his death, and if not, then no diſcent, and there is not any Diſſeiſin found, That P. *expulit* W. out of the Land. And this Caſe was put and cited to be adjudged, Grandfather Tenant in tail, Father and Son, the Grandfather

father dyed; the Father entred and paid the rent, and dyed in poſſeſſion. It was adjudged no diſcent, for the payment of the Rent doth explain by what title he entred, and ſo he ſhall not be a Diſſeiſor but at the election of another. It was adjudged for the Plaintiff. Trin. 30 Eliz. B. R. *Piers* and *Leverſages* Caſe. *Leon.* 1. Part, 121.

6. Note, it was ſaid by *Jones* Juſtice, That if Leſſee at Will makes a Leaſe for years, and the Leſſee entreth, That the ſame is a Diſſeiſin at the election of him who hath the Freehold, and not otherwiſe. See Hill. 19 Jac. B. R. *Pouſley* and *Blackmans* Caſe. Reports annexed to *Bendlowes* 130. And ſee, that Leſſee for years was only the Diſſeiſor as it was adjudged. Mich. 7 Car. C. B. in *Binnſdens* Caſe. *Latch.* 53.

Dower.

1. A Woman recovered Dower of a Copyhold, according to the Cuſtome of the Mannor, in a Court Baron upon a Plaint there, becauſe her Husband dyed ſeiſed, and had Judgment there, and 50 l. damages. And for the 50 l. ſhe brought Debt in B. R. and declared upon the matter aforeſaid. The Queſtion in the Caſe, Whether ſhe might recover damages to 50 l. there, where they cannot hold plea above 40 s. It was the Opinion of the whole Court, That the damages were well awarded there, and that ſhe might recover ſo much there, for that as they may hold plea of the Land, ſo they may for damages ſo far as the Demandant is damnified. Mich. 33 Eliz. B.R. *Shaw* and *Tompſons* Caſe. *Cro.* 3. Part, 426.

2. In Dower brought, the Defendant pleaded; That he by Deed indented, granted a Rent out of the Land to the Demandant in recompence of her Dower, which ſhe accepted of: The Demandant confeſſed the Grant of the Rent, and her acceptance, but ſaid that there was a Condition in the Deed, That if the Rent was not payed within a Month, that the Rent ſhould ceaſe, and the Deed ſhould be void, and ſaid that the Rent was behind and not paid; upon which the Defendant did demur in Law. It was the Opinion of the Juſtices in this Caſe, That Dower ought to be abſolute for the Rent comes in lieu thereof, and ſhall be of the ſame nature; and the annexing of a Condition to an Aſſignment of Dower is void: Alſo in this Caſe here, it is not any aſſignment, but a Grant, and there needs not any demand to be made in this Caſe, becauſe the Woman is not to defeat any eſtate by the not payment, The Condition alſo is not annexed to the Land, but to the Grant, and for the Condition broken, ſhe is not to have the Land, but only to be reſtored to her Action, to demand her Dower. It was adjudged for the Demandant. Mich. 38 Eliz. C. B. *Wentworth* and *Wentworths* Caſe. *Cro.* 3. Part, 451, 452.

3. A Writ of Dower was brought of Lands in the County of *Northumberland*; The Pariſh, Church where the Land lay, was within *Newcaſtle* where the Proclamation of Summons ſhould be by the Statute of 31 Eliz. was the Queſtion. It was the Opinion of the Court, That it ought to be at the Pariſh Church door, though it were in another County then where the Land lyeth. Paſc. 38 Eliz. C. B. *Ragſters* Caſe. *Cro.* 3. Part, 472.

4. *Scire facias* by an Executor of a Woman Tenant in Dower to have Execution of damages recovered in a Writ of Dower. The Defendant pleaded, That he had brought a Writ of Error upon the Judgment againſt the Demandant in the Writ of Dower, and aſſigned for Error, becauſe the Recovery was againſt him by default being an Enfant; and that the ſame depending, the demandant in the Writ of Dower dyed; Whereupon he brought a new Writ of Error *Coram vobis reſidet* againſt the Plaintiff as Executor, and demands Judgment *ſi pendente hoc vide Errore indiſcuſſo, Executionem h beri debet.* It was the Opinion of the Juſtices in this Caſe, That a Writ of Dower is much favoured; and it is not reaſon that the Demandant ſhould be prejudiced by the Tenants Infancy: For if thereby the Demandant ſhould be delayed, Weomen ſhould never recover their Dowers to have the benefit thereof, for the Tenancy might be in an Enfant who never would appear, but ſuffer the Judgment paſs againſt him by default, and have it afterwards reverſed for this cauſe. And it was ſaid by *Popham*, That there was not any difference betwixt a Writ of Dower and another *Precipe*, for a Recovery againſt an Enfant by default, is good in both Caſes. Trin. 39 Eliz. B.R. *Williams* and *Williams* Caſe. *Cro.* 3. Part, 567. See Hill. 3 Jac. B. R. *Smith* and *Smiths* Caſe. *Cro.* 2. Part, 111. where it was holden, That in the like Caſe of Dower demanded againſt an Enfant, that he ſhould not have his age, and that his default ſhould prejudice himſelf, but not the Plaintiff in Dower, becauſe Dower is much favoured in Law. See Mich. 40 Eliz. B. R. *Herby* and *Wroths* Caſe. *Cro.* 3. Part, 638 acc.

5. In Dower, the Tenant made default after default: J. S. prayed to be received for his Term made unto him before the Coverture, he was re-

ceived, and his Term ſaved. Then the Queſtion was how the Judgment and Execution ſhould be; For if it ſhould be, That *ceſſat Executio* during the Term, ſhe ſhould not then have the rent upon the Leaſe. It was agreed by the Juſtices, That the Judgment ſhould be entred generally, That ſhe ſhould recover Seiſin of the moyety of the Land (the Land being Gavelkind); and that the Writ of Execution ſhould be ſpecial: That the Sheriff ſhould not ouſt the Termor, but that he ſhould come upon the Land, and demand Seiſin for the Woman, and thereby ſhe ſhould have the moyety of the Land with the Rent; and ſo it was ſaid it had bin adjudged and done in 3 Eliz. Paſc. 39 Eliz. C. B. *Wheatley* and *Boſts* Caſe. *Cro.* 3. Part, 564.

6. Husband and Wife brought Dower againſt the Son and Heir of the firſt Husband of the Wife, and demanded Dower of Lands in A. and B. The Defendant pleaded *Ne unque* ſeiſed *que Dower*: The Jury found that the firſt Husband was ſeiſed during the Coverture *de omnibus tenement. infra ſcript. præterquam* the Tenements in, &c. *ſic ut dicta* the Wife *dotari potuit*: Exception was taken to the Verdict, becauſe it doth confound the Verdict. It was the Opinion of the Court, That the (*præterquam*) was idle and ſurpluſage, for it is of another thing then that which is in demand, and the Seiſin of the firſt Husband of Lands in A. and B. is confeſſed: and the (*præterquam*) operates nothing. It was adjudged, That the Verdict was good, and Judgment was for the Plaintiff. Mich. 30 Eliz. C. B. *Baker* and *Ayres* Caſe. *Leon.* 1. Part, 92.

7. A. ſeiſed of Lands, deviſed them thus, *viz.* I give my Lands to M. my Wife, untill ſuch time as E. my Daughter ſhall accompliſh her age of 19 years, the Reverſion to the ſaid E. and the Heirs of her body, upon Condition, That ſhe pay to my ſaid Wife, during her life, in recompence of her Dower of all my Lands 12 l. *per annum*; and if default of payment be made, then I Will, that my Wife ſhall enter and have my Lands during her life, the Remainder *ut ſupra*. A. dyed, M. the Wife entred, E. being within the age of 14 years. M. took Husband J. D. the Husband and Wife came and demanded the 12 l. and none was ready to pay it. Afterwards the Husband and Wife brought a Writ of Dower, and recovered. It was the Opinion of all the Juſtices in this Caſe, Were the 12 l. either a Rent, or a ſum in groſs, That by the bringing of the Writ of Dower, the Wife of the Deviſor had loſt all the benefit which was to come to her by the Deviſe, for the Rent was Deviſed to her in recompence of her Dower, and it was not the intent that ſhe ſhould have both. Mich. 30 Eliz. C. B. *Geſſin* and *Warburtons* Caſe. *Leon.* 1. Part, 137.

8. Dower brought by a Woman of the third part of Lands. The Defendant pleaded, That the Lands were Gavel-kind, and that by the Cuſtome Dower ought to be demanded of the moyety of it. It was the Opinion of the Juſtices, That ſuch a Woman might at her election demand her Dower either by the Cuſtome, or by the Common Law. But the Preignothories ſaid, it had bin adjudged otherwiſe, 16 Eliz. in *Gellibrand* and *Hunts* Caſe, *Ideo Quære*. Mich. 30 Eliz. C. B. *Leon.* 1. Part, 62. See Hill. 30 Eliz. C. B. *Leon.* 133. the Caſe Reſolved.

9. In Dower by Husband and Wife, The Caſe was, J. S. was ſeiſed and enfeoffed J. D. and others, of two parts of the Lands to the uſe of himſelf and the Defendant his Wife and their Heirs; with Condition, that if his Wife ſhould ſurvive him, ſhe ſhould pay ſuch ſums of money not exceeding 200 l. to ſuch perſons as the Feoffor ſhould by his Will appoint. Afterwards he made his Will, and did appoint certain ſums of money to be paid to divers perſons amounting to 150 l. and by his Will deviſed the reſidue of his Lands to divers of his kindred, having no Iſſue, and dyed. The Wife married the Plaintiff, and they brought Dower againſt the Deviſees, who pleaded the Feoffment aforeſaid, and averred the ſame was made for the Joynture of the Demandant. In this Caſe, becauſe no matter or Circumſtance was produced to verify the averment; the Court incited the Jury to find for the Demandant, which they did accordingly. Mich. 32 Eliz. C. B. *Tracy* and *Ives* Caſe. *Leon.* 1. Part, 311.

10. Note, in Dower it was Reſolved by the Court, That a Divorce *Cauſa adulterii* is no cauſe of bar of Dower, becauſe it is but *à Menſa et thoro*, and not *à vinculo Matrimonii*: And in this Caſe it was ſaid, That an Elopement is not a bar of Dower *ad Oſtium Eccleſiæ*. Mich. 2 Jac. C. B. The Lady *Powel* and *Weeks* Caſe. *Noy* 108.

Dona-

Donative.

1. PRohibition, ſuppoſing that the Church of B. was a Donative, and that King *Henry* the 8th was ſeiſed of the Advowſon thereof, and granted it to C. B. from whom he conveyes Title; and that A. pretending it to be Preſentative, and that he as Patron Preſented F. who ſued in the Spiritual Court to have Induction, and cited W. G. who had it of the Donation from the Plaintiff, who appeared and appealed to the Delegates, and dyed: And the Plaintiff *pro inter eſſe ſuo* pleaded this Title, That he had the Church as a Donative; and becauſe this Plea was refuſed, he had a Prohibition. A Conſultation was now prayed, and was granted by the Court, becauſe the Defendant claimed nothing but Induction, which cannot any way be prejudicial to the Plaintiff; For if it be a Donative, the Induction is to no purpoſe; and if it be Preſentative, the other can have no remedy for the Profits untill Induction, nor try his right, and therefore no reaſon to prohibite it. A Conſultation was awarded. Hill. 41 Eliz. B. R. *Quarles* and *Fairchilds* Caſe. *Cro.* 3. Part, 653.

Ejectione firme.

1. IN *Ejectione firme*, the Plaintiff declared upon a Leaſe for years made to him by the Defendant himſelf. Upon Not Guilty pleaded, the Jury found, That the Defendant had nothing in the Land when he made the Leaſe to the Plaintiff. The Court ſeemed to incline, That the Jury had found for the Plaintiff, for that the Jury may find matter of Eſtoppel as well as other matter, and that they are bound to do it upon penalty of Attaint. Quære, for the Book ſeems to be, that the Court was divided in Opinion, and therefore would adviſe of it. Mich. 31 Eliz. C. B. *Suttons* Caſe. *Cro.* 3. Part, 140.

2. In *Ejectione firme*, It was moved in Arreſt of Judgment, That the Declaration was incertain, viz. *de uno Meſſuagio ſive tenemento*, and four Acres of Lands. It was the Opinion of the Court, That as to the Meſſuage, no Judgment could be given for the incertainty. But the Court was of Opinion, That though for the firſt it was void, yet for the four Acres of Land it was good; thereupon the Plaintiff releaſed his damages, and for the four Acres had Judgment, and ſo it was ſaid it was adjudged. Mich. 27 Eliz. in *Whitton* and *Roberts* Caſe. Mich. 32 Eliz. B. R. *Wood* and *Payns* Caſ. *Cro.* 3. Part, 186.

3. *Ejectione firme* of 11 Cloſes, one called Greer-mead, and gave ſeveral names to the other. Upon Not Guilty found for the Plaintiff, it was ſaid, That he ought to have declared of a certain number of Acres, for that no Writ of Execution can be awarded to put him in poſſeſſion. But the Court held it well enough; for when a name is given to every Cloſe, although the Acres are not mentioned, viz. ſo many of Land, ſo many of Paſture, &c. it is ſufficient, though it had bin better to have expreſſed the Acres; and ſo it was ſaid it had bin divers times adjudged. Paſc. 33 Eliz. *Exchequ. Jones* and *Hoells* Caſe. *Cro.* 3. Part, 235.

4. In *Ejectione firme*, the parties being at Iſſue; It appeared upon the Evidence, That the Plaintiff was Leſſee for three years of a Copyhold; and that the Cuſtome of the Mannor was proved to be, That a Copyholder there might let the Lands for three years. *Anderſon* Chief Juſtice conceived, That the Leſſee of a Copyholder cannot maintain *Ejectione firme* in any manner. But if he might, he ought to ſhew the Eſtate of his Leſſor, and his Licence, or the ſpecial Cuſtome to warrant the Leaſe; for otherwiſe being a general Declaration, it ſhall be intended of a Leaſe at the Common Law, which a Copyholder cannot make. Hill. 38 Eliz. C. B. *Wells* and *Partridges* Caſe. *Cro.* 3. Part, 469. See *Goodwyn* and *Longhurſts* Caſe. *Cro.* 3. Part, 535.

5. In an *Ejectione firme*, the Plaintiff declared of a Leaſe by Husband and Wife, and did not ſhew that it was by Deed, and without a Deed it cannot be the Leaſe of the Wife. But upon divers Preſidents ſhewed, viz. Paſc. 33 Eliz. *Aſſiſe* and *Guil-*

berts Case, in C. B. and of *Diggs* and *Withers* Case in B. R. where the Declaration was of a Lease by Husband and Wife, and it did not mention any Deed; yet adjudged good upon these Presidents. It was adjudged for the Plaintiff. Trin. 38 Eliz. B. R. *Child* and *Westcotts* Case. *Cro.* 3. Part, 481.

6. In *Ejectione firme*, It was found upon a Special Verdict, That a Copyholder made a Lease for years, excepting one day, which was warranted by the Custome. The Lessee being ousted by a stranger, brought *Ejectione firme*. It was holden by the Court it did well lye, and *Popham* said, If there were not any Custome, yet it should be good against all but him who had the Inheritance and the Freehold, and so he said it was, if Lessee at Will at the Common-Law had made a Lease for years. But if a Copyhold be granted for years by Copy, he shall not maintain *Ejectione firme* at the Common Law. Trin. 41 Eliz. B. R. *Sparks* Case.

7. *Ejectione firme* was brought of a Cottage. After Verdict, it was moved, That it lay not there of no more then a *Precipe quod reddat*, but the Exception was disallowed by the Court, and adjudged for the Plaintiff. Pasc. 43 Eliz. B. R. *Hill* and *Giles* Case. *Cro.* 3. Part, 818.

8. In Trespass, the Plaintiff declared of a Trespass done in an Acre of Land in D. and abutted it East, West, North, and South. The Jury found the Defendant Guilty *in diminio Act. infra script.* It was moved, That no Trespass was found, for that there is no such moyety bounded as the Plaintiff hath declared. It was the Opinion of the Court, That the Plaintiff should have Judgment: For if the Plaintiff layeth the Trespass in an Acre, and the Jury find it in a foot only of the Acre, it is good; and here they have found the Trespass in the moyety of the Acre bounded. But it was said by the Court, That if it had bin in an *Ejectione firme*, the Verdict had not bin good, because it is not certain in which part of the Acre the Plaintiff should have an *Habere facias possessionem*. Mich. 5 Jac. in B. R. *Winkworth* and *Mans* Case. *Yelverton* 114.

9. In *Ejectione firme*, the Plaintiff declared of a Messuage, 10 Acres of Land, 20 Acres of Meadow, 20 Acres of Pasture by the name of *unius Messuagii* 10 Acres *Prati* be it more or less. Upon Not Guilty pleaded, the Plaintiff had a Verdict, but he could not have Judgment, for upon the matter disclosed by the Plaintiff himself, he could not have Execution of the quantity found by the Verdict; for in the Lease there is but 10 Acres demised; and the words (more or less) cannot in Judgment of Law extend to 30 or 40 Acres, and the rather, because the Land demanded by the Declaration, is of another nature then that which is mentioned in the *per nomen*, for that goes only to the Meadow, and the Declaration to Arrable and Pasture. Mich. 7 Jac. B. R. *Yelverton* 166.

10. In *Ejectione firme*, the Plaintiff declared of a Lease made by J. S. 6. *Maii*, *Anno* 7 Jac. of a Messuage, &c. in D. and that the Plaintiff entred and was possessed, *quousque postea* the Defendant, 6 *die ejusdem mensis Maii Anno* 6. *super dict.* did eject him. It was said, That the Declaration was not good, because the Ejectment is supposed to be a year before the Lease made for the Lease is *Anno septimo*, and the Ejectment supposed to be *Anno sexto*. But the Court was of Opinion the Declaration was good, and the word (*sexto*) to be void, for the day of the Ejectment being *ejusdem mensis*, cannot be intended but to be the same year the Lease is supposed to be made. Mich. 8 Jac. B. R. *Davis* and *Pardy's* Case. *Yelverton* 182.

11. Error was brought of a Judgment in C. B. in an *Ejectione firme* of one Messuage or Tenement, and it was reversed because of the incertainty. Note *Dyer*, 264. Mich. 4 Jac. in C. B. Waste was *in Messuagio sive tenemento*; and yet it was holden to be good, by reason of the certain assignment. But in the principal Case, the Court said, that it was void being in the disjunctive. Hil. 1 Car. B. R. *Rotchester* and *Kechbowst* Case. *Noy* 86.

12. *Ejectione firme* was brought of an house, Barn, *et de coquina Anglice* a Kitchin. After Verdict, it was moved, That it was not good, for the demand is incertain, for that any Room by usage might be made a Kitchin. It was in that Case said, That a Frankcenement might be in an upper Room: And that Pasc. 13 Jac. It was adjudged, That an *Ejectione firme* was maintained *pro Cubiculo*. Also Trin. 2 Jac. B. R. rott. 649. *Peck* and *Fords* Case was vouched, That an *Ejectione firme* did lye *pro Coquina*, but notwithstanding that, the Court was of Opinion, That it did not lye for the incertainty. Trin. 2 Jac. C. B. *Ford* and *Lucy* Case. *Noy* 109.

13. An *Ejectione firme* was brought *De Pomario*, and it was holden by the Court to be good, for it needs not to be demanded by the name of a Garden, as a *Precipe* ought to be. It was said *Ejectione firme* lyeth *de Domo*; but in a *Precipe* it must be *de Messuagio*: and it was said that it was adjudged 18 Eliz. the *Ejectione firme* did lye *de Pomario*, and so it was holden in this Case. *Wright* and *Wheatleyes* Case. *Noy* 37. See *Sanders* and *Partridges* Case, That *Ejectione firme* was brought of a Boylary of Salt, and the Court doubted of it. *Noy* 135.

14. It was said by the Court, That *Ejectione firme* doth not lye *de una pecia terræ*, although it was

was averred containing half an Acre of Land *vocat. &c.* For that the party ought to shew the longitude and latitude of it. But it is otherwise in an Assise by reason of the view. Tr. 7 Car. C.B. *Hetley* 170.

15. In *Ejectione firmæ*, the Plaintiff declared, That the Defendants *intraverunt, et ejecit expulit et amovit* the Plaintiffs: Upon Not Guilty pleaded and found against the Defendants, the matter aforesaid was shewed in stay of Judgment, because the Declaration was incertain in the point of the Action, because it is not known which of the Defendants Ejected the Plaintiff, and the Jury cannot find them all guilty, because by the supposal of the Plaintiff, one only did Eject him. But notwithstanding, the Opinion of the Court was, That the Plaintiff should have Judgment, and that the Declaration should be amended in that point, because it was only the default of the Clerk. Mich. 10 Jac. B. R. *Odingsell* and *Jackson* Case. *Yelverton* 224.

16. *Ejectione firmæ* was brought of the Manor of F. the Plaintiff declared of a Lease of the Manor, and that the Ejectment was of the Manor. The Jury found the Defendant guilty of a Messuage and Curtilage parcel of the Manor. It was said in Arrest of Judgment, That the Plaintiff could not have Judgment, for he ought recover the Manor which is in demand, or nothing at all. And the Case was put of an *Ejectione firmæ* of a Rectory, and Not Guilty pleaded. It was given in Evidence, That the Defendant took the profit, but the Plaintiff could not prove that the Defendant entred into the Gleab Lands; and in that Case it was Resolved, That the taking of the profit of the Tythes, was not any Ejectment of the Rectory. *Doddridge* Justice said, That no Case did more resemble a Manor then a Rectory, because as a Manor is entire, so is a Rectory, and the Gleab resembles the Demesnes of the Manor, and the Tythes the Services. The Case was not Resolved: But the Court said, The Case had bin the stronger for the Defendant if the especial matter had bin found, because the Manor in Question was but a Manor in Reputation, and a Manor in Reputation cannot be demanded by the name of a Manor. Hill. 22 Jac. B. R. *Hems* and *Strands* Case. *Latch.* 61, 62.

17. In *Ejectione firmæ*, the Case was, A man had several Closes, some of Arrable, some of Pasture, and some of Meadow; and he who pretended right to them, entred into them all, and made a Lease. After which, some of the Defendants Servants came with his Carts into one Close. In this Case, the Court directed the Jury to find the Ejectment of the whole, although there was not any Actual entry proved into any of the other Closes: And it was said, That Ejectment of part of a Great Close, is the Ejectment out of the whole Close. Trin. 22 Jac. B. R. *Caly* and Sir *William Fishers* Case. *Latch.* 82.

Elegit and *Extent*.

1. NOte, it was the Opinion of all the Justices of the Common Pleas, That if upon a Writ of *Elegit*, or other Writ of Execution sued upon a Judgment, the Extenders extend the Land or goods too high, That now the Plaintiff hath no remedy by the Statutes of *Acton Burnell*, or *Mercatoribus*, or otherwise to pray, That the Extendors themselves may have the Lands *in Firme*, or that they take the goods, or paid the monies which were appriz'd for them, because those Statutes were penal Laws, and do not extend to other Writs of Execution, but only upon a Statute, Merchant, Staple, or Recognizance. Mich. 4 & 5 *Phil.* & *Mar.* Bendlowes 15.

2. An Extent was sued upon a Statute Merchant, and the Sheriff put the Conusee in possession of parcel of a house, and of the Lands, and suffered the Defendant to continue the possession of the rest of the house and Lands, who thereupon held the Conusee out. The Conusee, to the intent he might have a full possession of the whole, caused the Sheriff that he did not return the Writ of Extent; upon which it was entred upon the Roll, *Quod vicecomes nihil fecit nec misit breve*, whereupon issued an *alias Extendi facias* to the new Sheriff, who did return, That in the time of the old Sheriff, a Writ of Extent issued forth, and that the Sheriff had extended the Lands; wherefore he could not extend them upon the new Writ. It was moved by the Conusee, That although the Lands were extended by the first Writ, yet that not being returned, it was no Execution; this Return was made by a Devise of Councel: but the Court held it to be an insufficient Return, for that it appeareth upon Record, That no Execution was done. Mich. 10 Eliz. C. B. *Colfill* and *Hastings* Case. *Leon.* 2. Part, 13.

3. A. became bound in a Statute of 1020 l. to B. A. died, the Executors of B. sued Execution against A. An *Extendi facias* issued forth. And the Manor of D, and the Lands of A. were delivered to the Executor, but the Writ of *Liberate* was not returned: It was said, That the Execution was not good, because the *Liberate* was not returned: It was resolved, That there was a difference betwixt a *Li-*

a *Liberate*, and a *Capias ad ſatisfaciendum* and a *Fieri facias*, for that theſe Writs are Conditionall. *Ita quod habeas denarios*, &c. but contrary in the Writ of *Liberate* and *Habeas facias ſeiſinam*, for in ſuch Writs there is not any ſuch Clauſe; and therefore if in ſuch Writs, the Execution be not returned, yet it is good enough. Trin. 28 Eliz. B. R. *Peeuuldock* and *Newmans* Caſe. *Chron.* 2. Part, 49.

4. R. was endebted to the Queen in 200 m. An Extent iſſued out againſt him out of the Exchequer to levy the ſaid ſum to the Sheriff of S. It was found by Inquiſition, That R. 22 *June*, 22 *Eliz.* was poſſeſſed of a Leaſe for the Term *quorundam annorum, adhuc ebcurturorum*; and that the debts did begin 12 *Feb.* 17 *Eliz.* Exception was taken to this Inquiſition, becauſe the certainty of the Terme was not found, but generally *quorundam annorum*. It was ſaid to that, that ſuch preciſe form was not requiſite in the Caſe of an Office; as in Caſe of pleading, for alledging the certainty: But the Court was of Opinion, that the Inquiſition was void, for the incertainty and a new Commiſſion was awarded. Mich. 33 Eliz. Exchequer. *Kyſbeans* Caſe. *Lron.* 2 Part 121.

5. Note, It was reſolved, That the Sheriff by vertue of a *Fieri facias*, may ſell a Houſe of the Defendants, and in his Writing the true Commencement & Term of the Leaſe muſt be expreſſed, or elſe if he ſelleth all the Intereſt which the Defendant hath in the Term or Land, he needs not to make any mention in the Return, but generally, *Quod fieri fecit de bonis et catallis*. 2. Reſolved, That an Execution by *Elegit*, which ought to be by Inquiſition, If the Terme be miſtaken in the Inquiſition, the Sheriff cannot ſell the Terme; and if he make ſuch ſale, the ſame is void. Hill. 39 Eliz. B. R. *Paluey* and *Humphries* Caſe. *Cro.* 3. Part 584. See *Cook.* 4. part 74. ac.

6. In a Replevin the Avowry was, That J. S. ſeiſed of Lands for the life of *Sibyl* his Wife, the Reverſion in Fee to the Husband, that he and his Wife made a Leaſe for years, without Writing, reſerving 4 l. Rent. The Husband being endebted by Obligation, made his Wife his Executrix, againſt whom debt was brought by the name of *Iſabell*, and upon a *Fieri facias* a Deed was returned, and hereupon *Elegit* awarded, & the Sheriff returned that *Iſabel* had Rent 4 l. iſſuing out of the Land upon a Leaſe made by her & her Husband, & that he delivered the moyety of that Rent, and hereupon he avowed for the ſame; It was adjudged to be ill, becauſe the Leaſe for years was void being made by Husband and Wife without Deed as to the Wife. 2. That the Recovery againſt *Iſabel*, was void againſt *Sybil*. And 3. Becauſe the Sheriff delivering the Rent without the Land, it was but a Rent ſeck: and a bare Rent cannot be delivered at *Tenementum*: It was adjudged for the Plaintiff. Mich. 40 Eliz. B. R. *Wiſal* and *Heaths* Caſe. *Cro.* 3. p. 656.

7. Two perſons recovered ſeverally againſt one in Debt. He who had the firſt Judgement had firſt an *Elegit*, and had the moyety of the Land delivered in Execution; afterwards the other ſued an *Elegit*. The Sheriff prayed the advice of the Court what he ſhould do in this Caſe; It was the Opinion of the Court, that he ſhould deliver but the moyety of that moyety in Execution, which he had at the time of the Writ brought. See 19 E. 2. title Execution, that the entire moyety ſhall be delivered in Execution. *Idem* P. M. Tr. 38 Eliz. C. B. *Huit* and *Cogats* Caſe. *Cro.* 3. p. 483.

8. Action upon the Caſe, where the Defendant recovered in C. B. in debt, and the Plaintiff had brought a Writ of Error in B. R. and the Record was removed, That notwithſtanding the Defendant knowing the ſame, That he had taken forth a *Capias ad ſatisfaciendum* to the Sheriff of B. by reaſon whereof, the Plaintiff at D. in the County of D. was taken in Execution. The Defendant pleaded to Iſſue, and found againſt him. In ſtay of Judgment, It was ſaid, That the Action was not well, brought in *Middleſex*, becauſe the wrong did ariſe by the taking of him at D. in the County of D. 2. It was ſaid, The Action did not lie, becauſe it is not alledged that it was purchaſed in an undue manner by fraud between the Defendant and others, and without notice of the Court; for if it was agreed by the Court that it is not puniſhable. But the Court held, firſt, It was well brought in *Middleſex*. And 2. That the Action was well laid; For that it is alledged, That he maliciouſly intending to charge him, had purchaſed the Writ Tr. 34 Eliz. C. B. *Wilks* and *Stouds* Caſe. *Cro.* 3. Part 574.

9. A, is endebted to B, in a Recogn. of 1000 l. and to C in another Recogniſance of 1000 l. The Land of A is extended by B, at 40 l. *per Annum*, and delivered in Extent. The Recogniſance of C. came to the Queen by Outlawry; and upon proceſs of extent, it is found, That the Land is of 60 l. *per Annum*, more then the firſt extent; It was holden by the Court in this Caſe, That the Queen ſhould not have the ſurpluſage, for the firſt Creditor by the Extent, have an Intereſt in the Land which ſhall not be deveſted by the finding of ſurpluſage. *Mich.* 34 *Eliz.* B. R. The *Queen* and *Wilks* Caſe. *Cro.* 3. part 246.

10. In a Replevin, the Defendant avowed for a Rent-Charge, That the Plaintiffs Father was ſeiſed in Fee of the place where, and granted a Rent-Charge to J. S. younger Brother of the Plaintiff of 100 marks *per annum* in Fee. And that he granted

granted it in Fee to L. C. to which the Tenant attorned; and that L. C. was endebted to the Awarant by Judgment, and that two parts of the Rent were extended by a *Fieri facias*, and delivered to him in Execution for two parts of the Rent. The Plaintiff replyed, that L. C. was poſſeſſed of the whole Rent, The Queſtion was, Whether an Extent of two parts of the Rent was good: It was the Opinion of the whole Court, that it was; For although, that by the act of the party, the Tenant ſhall not be liable to two Diſtreſſes: yet by act of Law he may; and this act of the Sheriff is an act of Law; and his delivery of two parts was good. *Hill.* 41 *Eliz.* C. B. *Tatton* and *Shirts* Caſe. *Cro.* 3. part 742.

11. Conuſee of a Statute-Staple purchaſed part of the Lands, and the Plaintiff another part, and yet he cauſed the Plaintiffs Land to be extended and delivered in Execution: It was holden in this Caſe to be a good Cauſe for an *Audita Querela*: It was then moved to have a *Superſedeas* to ſtay the Execution; for although they were extended, yet they were not delivered by *Liberate's*. The Court doubted of it, becauſe it was upon a Statute Staple not returnable in this Court but in the Chancery: But the Prothonotories ſaid, an *Audita Querela* lies well in this Court, & that a *Superſedeas* ſhould be awarded. And ſo it was ſaid it was ſo adjudged in the Lord *Dudleys* Caſe; whereupon a *Superſedeas* was awarded; *Mich.* 37 *Eliz.* C. B. *Charnock* and Sir *Thomas Gerrards* Caſe. *Cro.* 3. p. 364.

12. A man had a *Scire facias* in *Chancery* upon a Recognizance taken there; and ſued forth an *Elegit* upon it, yet it was holden in that Caſe that this *Elegit* ſued forth upon it, the Plaintiff might waive that Execution, and have a newer Action of debt upon it. *Hill.* 40 *Eliz.* B. R. *Langworthy* Caſe. *Cro.* 3. p. 608.

13. *Audita Querela* was brought to avoid an Execution upon a Statute wherein was ſurmiſed, That the Conuſees Father was ſeiſed of certain Lands in Fee, and levied a Fine of them to the uſe of himſelf for life, and after part of them to the Plaintiff in tail, and of the reſidue to the Conuſee in Fee, and dyed; and becauſe the Conuſee afterwards ſued an Execution, he brought the *Audita Querela*. In this Caſe it was adjudged, that this purchaſe in this manner made was a ſufficient diſcharge of the Statute. *Mich.* 40 *Eliz.* C. B. *Hamſey* and *Harwoods* Caſe. *Cro.* 3. p. 756.

14. M. as Adminiſtrator of J. S. extended a Statute upon the Land of R. and before his acceptance, he prayed that the Land might be delivered to the Extendors: proceſs iſſued forth accordingly; and before the return of the Writ, the Court was moved, that the Extendors could not have the Land: becauſe after the Extent R. dyed, his Heire within age and in Ward to the King. So as the King is now in poſſeſſion, and the Land in another plight then it was at the time of the Extent; but the Court would not allow of the ſame, but ſaid, That the Extendors ought to ſue in the Court of Wards to be relieved concerning the ſame. *Mich.* 2 *Jac.* B. R. *Mallineux* and *Rigs* Caſe. *Yelverton* 55.

15. In Treſpaſs upon not guilty, a ſpecial Verdict was, That the Plaintiff was in under an *Elegit* by which the Land was extended. The Judgment being given *Craſtino Trinit.* 15. *Jac.* which was 20 *Junij*. The Defendant claymed by an Extent of a Statute as of the ſame Term before the Judgment: It was ſaid, That in this Caſe, it was adjudged, That the Plaintiff had the better right, becauſe that he claymed in under a Judgment, and all the Terme is but one day in Law. *Tr.* 1. *Car.* B. 16. A man had Lands delivered him in Execution upon *Elegit*, upon which he came and ſurmiſed, that the party had other Lands, and prayed a new Writ of *Elegit*. It was holden in that Caſe, That if he hath accepted of the firſt Lands upon the delivery of the Sheriff, he cannot afterwards have a new Extent; but if at the firſt day of the return of it, he waive it, he may then have a new Extent. *Mich.* 36 *Eliz.* B. Emblements.

THe Opinion of the Court was demanded in this Caſe, viz. Tenant in Fee-ſimple ſowed the Lands, and before the Corn was ſevered, deviſed the Lands to A. for life, the remainder to B. for life, and dyed. A. dyed before the Emblements were ſevered, The Queſtion was, Whether the Executors of the Tenant for life, or he in the Remainder ſhould have the Emblements. *Clouh* Juſtice conceived that the Executor of the firſt Tenant for life ſhould have them as Chattels veſted in him, and ſaid, If Lands be ſowed, and then is deviſed to J. S. for life only, and before ſeverance, the Deviſee dyeth, that his Executors ſhould have the Corn; But the Opinion of the other Juſtices was, that he in the Remainder ſhould have them: For that by deviſe of the Land they paſſe with it, and when they paſſe by reaſon of the Land, and come not by the manurance of the firſt Tenant for life, they ſhall go with the Land, but if the firſt Tenant for life had granted them to another, then it had been otherwiſe, for that by the grant they are *quaſi* Chattels ſevered from the Land. Mich. 30 Eliz. B. R. *Cro.* 3. Part, 61.

2. A man seised of Lands *exposuit eos* to three men to sow by halfes, he to find the half of the Seed, and the other the other moyety, and to Manure the Lands, and he to have the half of the Corn when reaped, and the other the other moyety. A stranger entred and spoyled part of the Corn, and all of them brought and joyned in an Action of Trespass. It was holden in this Case. 1. That this was no Lease of the Land. 2. That they were Tenants in Common of the Emblements. But, 3. That the joyning of them all four in the Action of Trespass was not good. H. P. 30 Eliz. C. B. *Hare* and *Celeyes* Case. *Cro.* 3. Part, 143.

Endictment.

1. A Man was Endicted, for that he *vi et armis* had enclosed certain Lands in which J. S. and others had Common time out of mind. Exception was taken to it, because it concerned the Interest only of particular persons, and no common Nusance to the Queens people, and that parties grieved are to have their Action upon the Case: and for a private commodity, remedy shall not be by Endictment, as it was said it was adjudged in *Medlers* Case. 2. Because it was *vi et armis*, and a man cannot enclose his own ground *vi et armis*. 3. Because the *Teste* of the Endictment was at the Goal delivery in the County of N. before A. and B. and other Justices of the Peace of the Queen in the said County; for this cause only the Court conceived it was void; for at a Goal delivery, they have no power to take Endictments. The Court would advise of it. Hil. 30 Eliz. B. R. *Willoughbyes* Case. *Cro.* 3. Part, 99.

2. E. and others were Endicted upon the Statute of 8 H. 6. of Forcible Entry, for that the said E. and others *de S. in Com. prædict. apud S. prædict. in Com. prædict.* one Close being the Freehold of the Countess of W. with force and arms had entred, and her *expulerunt diffisivit*. Exception was taken to it, because it is not alledged in what County S. is in which the Lands are supposed to lye, and there are two Counties named, *scil. G.* and *Midd.* and if it be referred to that which was last named, it is uncertain, as it is most proper then it is to M. and an Indictment taken in the County of G. of Lands in M. is void. Wherefore it was holden to be insufficient. Trin. 32 Eliz. B.R. *Elsors* Case. *Cro.* 3. Part, 184.

3. A. was Endicted, for that he at such a day, and divers dayes before and after was a common Barretor, *et Pacta batur pacis*, but no place nor cause was shewed; Yet the Endictment was holden good by the Court, for that the place is not material, for it is every place, and the Tryall shall be *de Corpore Comitatus*. Mich. 33 El. B. R. *Powells* Case. *Cro.* 195.

4. A. was Endicted, for that he being Culpable of the Hundred of H. Arrested one for Burglary, and after at D. in the same County let him to escape. The Endictment was quashed, and held void, because no place was alledged where the Arrest was made; and if he should plead Not Guilty, the Visne was to come as well from the place where the Arrest was, as where the Escape was. Mich. 33 Eliz. B. R. *Bouches* Case. *Cro.* 3 Part, 200.

5. Divers were Endicted for entring G. Forrest, and hunting in a place there, called *Dunsden* Wood. The Endictment being traversed, the *Venire facies* was *de Vicineto de G.* It was in this Case holden, That where a thing is supposed to be done in a place which is a Village in the Forrest, the *Venire* shall be *de Vicineto* of the same Village, but if it doth not appear that it is a Village, then it shall be *de Vicineto* of the Forrest. Mich. 33 El. B. R. *Cro.* 3 Part, 200.

6. A. was Endicted upon the Statute of 5 Ed. cap. 4. for drawing his Dagger in the Church of B. against J. S. and doth not say to the intent to strike him. It was holden by the Court it was void in all, For being Endicted upon a Statute it is void as to an Offence at the Common Law; and then it shall not be good as for an Assault. Pasch. 33 Eliz. in B. R. *Pentallos* Case. *Cro.* 3. Part, 231.

7. L. was Endicted within the County of the City of *Norwich* for the Felonious stealing of a piece of Linnen Cloath. And amongst other things, the Endictment was, *Quod felonice furatus fuit quandam peciam Panni lineo cujusdam Johannis Nixon. prædicti Draper. ad valentiam &c.* and doth not say *de bonis Catallis cuiusdam Johannis Nixon.* Wherefore the Indictment was holden to be ill, for an Endictment ought to be certain to every intent without intendment to the contrary, but here it may be intended that this piece of Linnen was not the goods and Chattells of *Nixon*, but at the time of the taking of them, but by him lent out, or delivered, or pledged to another, and ought to have bin shewed *whose bona et catalla* they were, which the Court held to be a materiall exception: and restitution was awarded to the party of his goods seised for that cause. Mich. 33 El. B. R. *Longs* Case. *Cro.* 3. Part, 439.

8. J. F. was Endicted by the name of J. F. *Aldrington, alias dict.* J. F. of *Aldrington* Yeo-

Quod felonice & burglariter fregit domum &c. and because there wanted Yeoman in the first name, which is not till after in the *ide dictus*, the Indictment was holden ill, and also because he did not say *Nullatenus in it*, wherefore the party was adjudged: And it was said, That so were all the Precedents. Mich. 40 Eliz. B. R. *John Fuffis* Case. *Cro.* J. Part, 583.

9. One was Indicted upon the Statute of 5 Eliz. for Forgery, before A. and B. Justices of Peace, *ac certas ad diversas Felonias, &c. audiend. & terminand. assignat.* It was holden by the Court, That they had not any Power to take his Indictment; for the Statute, which appoints, That the Offences shall be enquired of before Justices of Assise, or Justices of Oyer and Terminer, intends those who have generall Commissions, and not those who have but a special Commission only, as the Justices of Peace. Mich. 40 Eliz. B.R. *Wilsons* Case. *Cro.* 3 Part, 601.

10. E. D. was Indicted upon the Statute of 13 Eliz. of Recusancy: Exception was taken to it, because the words, *viz. Non habens aliquam rationabilem Causam*, were omitted in the Indictment. But the Chief Justice said, That upon Conference with the rest of the Justices, It was Resolved, That those words need not to be put into the Indictment, but are to come on the other side. 2. Exception was, That the being of the Age of 16 years, refused to come to any Church, *Contra formam Statuti* 1 Eliz. *& in malum Exemplum, &c. & contra formam Statuti in hujusmodi Casu habiti & provis*; and the Statute of 1 Eliz. doth not speak of 16 years, but the same is mentioned in the Statute of 23 Eliz. *Fenner* was of Opinion, That the last *contra formam Statuti* should be referred to 23 Eliz. *viz.* That it should be referred to 1 Eliz. It was disputed. Trin. 32 Eliz. B.R. Eliz. *Downes* Case. Lon. 2 Part. 5.

11. W. S. was Indicted upon the Statute of 13 El. of Recusancy, by the Name of *William Scot* of *Scotswood* Gent. and Judgment for the Queen: He brought Error, and assigned for Error, That in the Indictment he is not named of any Parish, but generally of *Scotswood*, and within *Scotswood* there are divers Parishes; and the penalties accruing by the Statute ought to be applyed to the Relief of the Poor resident in the Parish where the Offence was committed, and therefore it ought to appear of what Parish the party Indicted is: But the Opinion of the Court was, That the Indictment was good enough; for all the penalty which accrues by the Statute first belongs to the Queen, and the Inhabitants of the Parish are to sue in the Exchequer for the third part of the Penalty, and further, That the Offence was committed within the Parish: Wherefore the Error was disallowed. Pasch. 28 Eliz. B.R. Scots Case. Lon. 2 Part, 167.

12. J. *Hooper*, alias *Bartholmew*, was Indicted upon the Statute of 8 H. 6. of Forcible Entry: Exception was taken to it, for default of Addition of the place; for the Addition here was after the *alias dictus*; and upon that the party was discharged. In that Case, It was holden by the Court, That *nuper* is a good Addition; and where the Husband and Wife are Indicted, and the Husband be Indicted of such a place, though the Wife have no Addition, it is good enough. Mich. 32 Eliz. B. R. *Hoopers* Case. *Lon.* 2 Part, 183.

13. A. was Indicted, for not repairing a Bridg in such a High-way, which A. is bound to repaire by reason of Land adjoyning: The Indictment was, That the Bridge was so ruinous. *Quod legis Domina Regina per eam transire non possunt*, and concluded, *ad nocumentum omnium*, &c. It was challenged, because it doth say, *Ad nocumentum omnium Subditorum*; for otherwise, it might be a private way, for which an Action upon the Case lay. But Resolved, That the Indictment was good enough; for the words are *Sic quod legis Domina Regina illac transire non possunt*, i. e. All the Leige People of the Queen; and then *ad nocumentum eorund.* amounts to as much as *Commune Nocumentum*. It was holden, That the Indictment was good. Mich. 32 Eliz. B. R. *Leonard*, 2 Part, 183.

14. *Hamper* was Indicted upon the Statute of 5 Eliz. of Perjury. The Record was, That he *falsa Deseripsit deposuit*; whereas the Statute is, Wilfully: And although in the perclose of the Indictment the Conclusion is, *Et sic commisit voluntarium Perjurium*: Yet it was the Opinion of the Court, That that did not help the matter; and therefore the party was discharged. Hill. 32 Eliz. B.R. *Hampers* Case. *Lon.* 2 Part, 211.

15. *Eden* was endicted upon the Statute of 8 H. of forcible Entry, for that he and divers others in the Endictment named, forcibly entred and disseised A. B. An Exception was taken to the Endictment, because the Statute is, If any Feoffment or discontinuance thereof be made, &c. And the Statute reciting the word [thereof] was enterchanged; And for this Cause, the Court held it to be ill, for there is not any such Statute, and the misrecital of a Statute is a Cause to avoid. It was then moved, That it was a good Endictment for the Ryot, although it was void upon the Statute of 8 Hen. 6. But the Court was of opinion, being void for the principal, it cannot be good for the Ryot. Mich. 42 Eliz. B. R. *Edens* Case. *Cro.* 3. p. 697.

16. *Plowman* was endicted, for that being a Constable he arrested J. S. for Felony, and voluntarily let him go at large. Exception was taken to it, because he doth not shew for what Felony, for the other may traverse it, nor doth shew when the Felony was committed; for it may be it was before the general Pardon, and then the permitting him to go at large is no Felony. The Indictment was held to be insufficient. *Pas.* 42 *Eliz.* B. R. *Plowmans* Case. *Cro.* 3. part. 752.

17. A. and B. were endicted *Eò quod felonicè duas centenas Casei cepit et asportaverit*; and because the word *Centenas* is uncertain what weight, whether Ounces, Pounds, or any other, and because it was also in the singular number *Cepit*; for both these Causes the Endictment was holden to be naught. *Pasc.* 42 *Eliz.* B. R. *Lanes* Case. *Cro.* 3. part 754.

18. A man was endicted, For that a Burglary was committed in the night by persons unknown, and J. S. gave notice to him being Constable, and required him to make *Hue and Cry*, and he refused: Exception was taken unto it, because it had been adjudged, That an Hundred shall not be charged with a Robbery committed in the night, because they are not bound to give attendance; no more ought a Constable to do, in the night: But it was holden that the Indictment was good, notwithstanding that; because it is the Constables duty upon notice given to him presently to pursue: and it was said, That in every Case, where a Statute prohibits any thing, and doth not limit a penalty, the party here offending may be endicted for a Contempt against the Statute; But for another Cause, viz. because he did not shew the place where the notice was given, the party was discharged. *Hill.* 31 *Eliz.* B. R. *Crowthers* Case. *Cro.* 3. part 654.

19. The Lord *Cromwel* was endicted upon the Statute of 8 H. 6. for forcible entry in an House and Lands of A. and expulsing and disseising the said A, but in the conclusion of the Endictment, it was, *Si dominus prædict. non fuit in possessione Dominæ Reginæ nec pro Domina Regina*, then the Jurours found *Billa vera*: It was the opinion of the whole Court, that this was no Indictment at all, for it is as a Condition precedent to the Verdict, and as if they had found, That if the Freehold be in A, then *Billa Vera*, which is all one, as if they had found nothing. The Lord *Cromwels* Case. *Mich.* 45 *Eliz.* B. R. *Yelverton* 15.

20. Sir *Ed. Winter* and divers others were endicted for erecting a Weare upon the River of Wye, by which the passing of the Subjects with Boats was stopped and hindered; the same was layed to be 43 *Eliz.* with a Continuance *ad Nocumentum* of the Subjects of the King that now is; and so the Jurours concluded, That the said Weare was erected and continued *contra pacem Regis nunc.* The Indictment was adjudged void, because it was not as well *Contra pacem nunc Reginæ*, as *Contra pacem Regis nunc*: for the beginning of the wrong was in the time of the Queen and that was an offence to the Crown at that time; for although the parties might be well endicted for the continuance of that wrong only, without alledging speciality *in facto*, where the wrong began; yet the scope of the Endictment is not to make the offences several, as they are in themselves: for although the Jury have concluded upon both, yet they have found the peace of the King only to be broken. *Tr.* 3 *Jac.* B. R. Sir *Edward Winters* Case. *Yelverton* 67.

21. An Endictment of Forcible Entry was quashed, because it is said, that they entred such Land or House *existens liberum tenementum* of such a one, and *did not say, tunc existens liberum tenementum.* 8 Hil. 20. Jac. B. R. *Latch* 109.

22. A. was endicted before a Justice of the Peace in the Country, because that he being of ill fame and dishonest Conversation, *fuit male vagans*, and further that such a day, &c. he frequented a Brothel-house. The Indictment was removed into the Kings Bench, and there A. pleaded Not guilty: and a Verdict was found for the King: It was prayed, that the Endictment might be quashed; because it appeared, that the said House was out of the Liberty of the Justice; and the latter part of the Indictment is as if it was only for Night-walking, and Night-walking is not a Crime; for a man may have an occasion to walk in the Night. *Dodridge*, Justice said, That the Indictment was good for that part, because it is said, that A. being of ill fame, &c. *fuit male vagans*, and that shall be intended *communiter vagans*: and by the Common Law every one might arrest a Night-walker, although he was not a common Night-walker. The Court was of that Opinion wherefore A. was fined 40 s. Tr. 2. Car. B. R. *Willmots* Case. *Latch.* 173.

23. A. was endicted. *Quod apud K. cum quodam muro cælisi obstipavit regiam viam ducentem Londonam* ad K. And the Indictment was holden to be insufficient, because the stopping is alledged in K. and the way is alledged to be from London to K. so as K. is excluded. And by another Indictment he was endicted, and the stopping alledged *in alta via regia* in K. but did not alledge from what Town to what Town, nor any abuttals; it was agreed, if it was for the stopping of another Common way, it ought to be so alledged; contrary where it is a High way. Tr. 2 *Car.* B. R. *Hoskyns* Case. *Latch.* 183.

24. A man was endicted because he was a Common Barretor, and stirred up divers Suits be-

tract his Neighbours: and it was quashed, because no place was shewed where he was a Barrister, as stated up the Statute. Hil. 2 Car. B. R. *Mans* Case. Latch. 194. See Part 3. before, *contra*.

25. A man was inclined for setting into the moyety of a Manner, and could not say *mens satis*; but holden good, for it is sufficient, *si extra tenuit mensalis*. It was holden by the Court, that the Inducement, that he entred into the Moyety of a Manner was good; It was said, there was difference between *divided* and *Moyety*, and *Medietas* Familiæ, is of a thing before division, as between Tenants in Common and Joynt-Tenants; but *Medietas*, is the half-part and separate; and one partition, each part is of a Manner. And yet it may be alledged in such Case, that the Entry was in the Moyety of a Manner, because that which is now a Manner, was but the Moyety of a Manner. Hill. 2 Car. B. R. *Beverlys* Case. Latch. 224.

Enfant.

AN Enfant sued by his Attorney, and recovered, whereas he ought to have sued by his Guardian: It was said, because it was for his Benefit, and no prejudice in appearance by Attorney, that it should not be Error. But the Court upon advise of it, Resolved, It was Error; and therefore upon Error brought upon the Recovery, the Judgment was Reversed. Mich. 33 Eliz. B. R. *Bartholomew and Leighton* Case. Cro. 3. Part, 424. But if an Enfant be Executor, there he may sue by Attorney, and not by Guardian, because he sueth in *autre droit*. Trin. 38 Eliz. B. R. *Bade* and *Starkeys* Case, Cro. 3. Part, 141. See Trin. 39 Eliz. B. R. *Stallenough* and *Knot's* Case. Cro. 569. acc.

2. In Covenant, The Plaintiff declared, That the Defendant by Indenture bound himself Apprentice to the Plaintiff for seven years, and had Covenanted, That he would not depart within the time, and shewed, that he departed within the term. The Defendant pleaded, That he was within age at the time: The Plaintiff Replyed, That the Custom of *London* is, That an Enfant above the age of twelve years may bind himself to be an Apprentice, &c. It was the Opinion of the Justices, That, notwithstanding this Custom, a Collateral Covenant should not bind an Enfant. Hill. 41 Eliz. B. R. *Walker* and *Nicholsons* Case, Cro. 3. Part, 652.

3. Debt upon an Obligation made to the Testatrix, the Defendant pleaded a Release made by one of the Plaintiffs: It was Replyed, That the Release was made without any Consideration, and that he who released, was within age at the time of the Release made. It was the Opinion of the Court, That it was a void Release, being by an Enfant without Consideration. Pasch. 41 Eliz. C. B. *Kent* and *Bathurst* Case. Cro. 3. Part, 671.

4. The Case was, An Enfant being bound in an Obligation for the payment of 17 l. at his full age, in consideration that the Obligee would stay the Suit which he had against him by Original, and cause him thereupon not to be Arrested, that he would pay the 17 l. at a certain day. It being found for the Plaintiff, it was the Opinion of the Court, That the bond not being sufficient to bind him, there is not any Consideration to make the Assumpsit good. Mich. 41 Eliz. B. R. *Manning* and *Kings* Case. Cro. 3. Part, 700.

5. Error brought, for that judgment was given by default against the Defendant being an Enfant; Issue was taken, if he was of full age; It was moved, Whether the Tryal should be in N. where the Land was, or in *Middlesex* where the Action was brought: It was the Opinion of the Court, That the Tryall should be where the Land lay; and so it was said, It was adjudged in *Throgmortons* Case. Pasch. 43 Eliz. B. R. *Green* and *Rose's* Case. Cro. 3. Part, 818.

6. In Action upon the Case, The Case was, The Plaintiff had payed certain money for the necessary Meat and Drink of the Defendant, being an Enfant, and took an Obligation in double the sum for the payment of it; It it were good or voidable, was the Question. It was the Opinion of the Court, That it was void; but if he had taken an Obligation of the very sum which he had layed out for his necessary maintainance, it had been otherwise. Mich. 45 Eliz. B. R. *Agliff* and *Archdale's* Case. Cro. 3. Part, 92.

7. R. Enfant, entred a Recognizance to W. of 300 l. and within age brought *Audita Querela* in C.B. and upon inspection was adjudged within age, and a *Scire facias* awarded against W; and upon one *Nihil* only returned, the Judgment was, That the Recognizance should be cancelled. Thereupon W. brought Error in B. R. and Assigned Error, that there ought to be either two *Nihils* returned, or a *Scire facias*; for two *Nihils* amount to Garnishment, and without Garnishment the Recognizance ought not to be cancelled, and for that cause the Judgment was Reversed. Now R. of full age brought a new *Audita Querela* in B. R. containing all the matter; and shewed, that the first Judgment was Reversed only for the Error

in the proceedings, and not in the principal matter: It was the Opinion of the Juſtices, That the *Audita Querela* did not lye, becauſe the reverſall of the Judgment is general, and not for any particular cauſe; and becauſe the Inſpection is not of any forte but in the ſame Court where the Inſpection was, and ſhould not conclude the Judges of this Court; but that they ſhould have Re-inſpection, which now the Plaintiff being of full age they cannot have. Paſch. 4 Jac. B. R. *Randall* and *Wal s* Caſe. *Yelv.* 88.

8. M. was Bail for J. S. in an Action brought by T, and was within age, Judgment paſſed againſt J. S, who did not render his Body upon two *Scire facias* returned againſt M. Judgment was given againſt him, It was moved to have an *Audita Querela* for the Bail, becauſe he was yet within age, for otherwiſe great miſchief would be to M, for perhaps there was no Error in the Judgment; and upon the *Scire facias*, the Bail could not plead his Enfaney, but the Error of the Enfancy yet remains. It was the Opinion of the Court, *De bene eſſe*, to allow the *Audita Querela*; for that they ſaid, To deny it, if it did lye by Law, were injuſtice, and it was allowed. Trin. 7 Jac. B. R. *Markham* and *Turners* Caſe. *Yelverton* 155.

9. Note, upon an Evidence in an *Ejectione Firmæ* It was agreed by the Court, That a grant of a Copyhold by an Enfant was good; for that the Copyholder is in by the Cuſtom, and ſhall bind the Enfant, as a preſentation by an Enfant to a Church is good, Paſch. 43 Eliz. B. R. *Reench* and *Martins* Caſe, *Noy* 41.

10. In an Action upon the Caſe, The Plaintiff declared, That the Defendant put Cloth to the Plaintiff, being a Taylor, to make him a Suit of Cloaths; and promiſed to pay him as much as he deſerved for the making of it, and for the Neceſſaries thereof. The Defendant pleaded, That he was an Enfant at the time of the promiſe: It was adjudged for the Plaintiff, and there needed not any averrment that it was neceſſary Apparrell, or convenient for the Enfant; for the promiſe extends only to the making of it, and petty neceſſaries. But it was holden, That an Obligation with a penalty for the ſame was void. See *Delavall* and *Clares* Caſe. *Noy* 85.

11. An Enfant by his Gardian brought an Action upon the Caſe for Words; The words were, [I Charge thee with Felony.] Upon Not guilty, being found for the Plaintiff: It was moved in ſtay of Judgment, becauſe it is not averred, that the Plaintiff is of ſuch an age, that he might commit Felony. But the Court diſſallowed of the Exception; and if in truth he be not of ſuch an age, the ſame ought to be pleaded by the Defendant, and not averred by the Plaintiff for avoyding of his own Action. See *Bayly* and *Childs* Caſe, *Noy* 124. And ſee that an Action upon the Caſe lyeth againſt an Enfant, who is of the Age of 17 years, for that there *Militia ſuppkt ætatem*. See *Chriſtopher Hoſmans* and *Griſſells* Caſe. *Noy* 129.

12. In an Action againſt the Defendant; The Plaintiff declared, upon an Aſſumpſit, upon an *Inſimul Computaſſent*: The Defendant pleaded, Enfancy; The Plaintiff Replyed, That it was for Neceſſaries: It was ſaid, That an Action upon the Caſe did not lye, becauſe in it Damages are to be recovered, but an Action of Debt; but that Exception was diſſallowed. Then it was moved, That the Action is grounded upon an Accompt, in which the Enfant might be miſtaken, and for that cauſe the Action did not lye; & ſo it was ſaid, it was adjudged, 19 Jac. in B. R. in *Stirrell* and *Homedays* Caſe: The Caſe was not Reſolved. Trin. 2 Car. B. R. *Wood* and *Withericks* Caſe. *Latch.* 189.

13. The Caſe was, An Enfant Copyholder in Fee, without Licence of the Lord, made a Leaſe for years rendring Rent, and at his full age accepted the Rent, and afterwards put out his Leſſee. It was ſaid, He might well do it, becauſe the Leaſe ſhould be a Diſſeiſin to the Lord, and a forfeiture of his Eſtate. It was agreed in this Caſe, That the Leaſe made by the Enfant was no Diſſeiſin to the Lord; and being argued again at another Day, It was adjudged, That the Leaſe was not void, but ſtood good againſt the Enfant; and Judgment was given againſt him. Trin. 2 Car. B. R. *Aſhfield* and *Aſhfields* Caſe. *Latch.* 199.

14. Difference being between the Father and his Daughter of the one part, and K. on the other part; They ſubmitted themſelves to an Arbitrament of all Quarrells, &c. the Daughter being within Age: The Daughter and Father was bound to K, that he and his Daughter would perform the Award. The Arbitrators Award, That K. ſhould pay to the Daughter ſo much, who ſhould releaſe all Actions to him; and that the Father and Daughter at another Day ſhould releaſe all Actions to K: K. did not pay the money at the Day. The Daughter brought Debt upon the Bond; In this Caſe, It was agreed by all the Juſtices, That if the Submiſſion be void, the Arbitrament is void; and then the Obligation is void, becauſe the Obligation is to perform a void Award. But, 2. It was holden by them, That the Submiſſion of the Enfant was good, becauſe the Submiſſion is for the benefit of the Enfant; and if it ſhould not be good, an Enfant ſhould be in worſe caſe then a man of full age, who might ſave Charges of Suit by an Arbitrament, whereas an

an Infant should be bound to ſtand to the hazard of the Law. 3. It was holden in this Caſe, That the Arbitrament here to the Daughter only was not good, that K. ſhould pay ſo much yearly to the Daughter. Hill. 2 Car. B. Entry, and *Entry Congeable*.

IN Treſpaſs, The Caſe was, A Diſſeiſor of Lands lying in three Towns, levyed a Fine, with Proclamations of the Lands lying in one of the ſaid Towns to another in Fee; and within five years next following the Diſſeiſee entred into the Lands in the two other Towns, being only in the poſſeſſion of the Leſſee of the Diſſeiſor, in the name of all the Lands in the three Towns. It was adjudged in this Caſe, That this Entry did not gain to him the Land in the third Town, whereof the Fine was levyed; without an actual Entry into the ſame, becauſe the Conuſee was in by Title. Mich. 15 Eliz. B. R. *Brook* and *Maſons* Caſe. *Bendloes* 14.

2. Note; It was the Opinion of all the Juſtices of the Common Pleas, That if Tenant in tail hath iſſue two Sons, and diſcontinueth the tail to the younger Son in Fee, and after dyeth; and the younger Son after dyeth, his Wife with Child with a Son; and after the eldeſt Son entreth as Heir, as he may, and after the Son is born; That in this Caſe the eldeſt Son is remitted to the ſame Land by his Entry, becauſe his Entry was Congeable; and there was none againſt whom at the time of his Entry he could have brought his *Formedon*. Hill. 1 and 2 Phil. and Mary. *Bendloes* 22.

3. If there be Father and three Sons, and Land is given to the Father for life, the Remainder to the middlemoſt Son in tail, the Remainder to the eldeſt and youngeſt Son in tail, the Remainder to the middle Son in Fee; and afterwards the middle Son doth releaſe to the Father with warranty to the Father his Heirs and Aſſignes, againſt him and his Heirs for ever, and afterwards the Father deviſeth the Lands to a Stranger in tail, and dyeth, the middle Son dies without Iſſue, the youngeſt Son dyeth without Iſſue in the life of the Deviſee; and then the eldeſt Son entreth upon the Deviſee: It was the Opinion of the Court in this Caſe, That the Entry was Congeable for the whole during his life; for that the warranty was but Collateral to him, becauſe his Remainder was not diſcontinued. Trin. 16 Eliz. *Bendloes* 28.

4. Note, It was agreed by the Juſtices, That if there be Leſſee for years rendring rent, and for not payment, a Re-entry; and he payeth the Rent before the day to the Leſſor, and hath his Acquittance, and at the day when the Rent is due, the Leſſor demands it, and there is none to pay it, the Condition is broken, for the payment before the day is not the payment of the Rent, but of a ſum in groſs. 2. Where a Rent is to be paid at *Mich.* between the hours of one and five in the Afternoon, and a Re-entry, &c. the Leſſor commeth at two of the Clock, and continueth demanding till five, and the Rent is not paid, he may re-enter although he was not there at one of the Clock, when perhaps the Leſſee was there and tendred it. Paſc. 25 Eliz. C. B. The Lord *Cromwell* and *Andrewes* Caſe. *Cro.* 3. Part, 15.

5. The King grants Lands, reſerving a Fee-Farm Rent, with Condition of re-entry for non-payment of it: and afterwards the King Grants the Rent to J. S. in Fee, then the Rent is behind. It was holden in this Caſe, That the King ſhall not now re-enter for not payment of the Rent, and ſo defeat his own Grant. Mich. 29 Eliz. B. R. *Cranmers* Caſe. *Cro.* 3. Part, 69.

6. A Leaſe is made of Lands for years, from the Feaſt of S. *Michael*, rendring Rent; the Leſſee entreth upon *Mich.* day, which is before his Title begins. It was holden, That in this Caſe he is a Diſſeiſor; and yet an Action of debt lyeth againſt him for the rent by reaſon of the privity of contract. Mich. 31 Eliz. B. R. *Alexander* and *Dyers* Caſe. *Cro.* 3. Part, 196.

7. In *Ejectione firmæ*, the Caſe was; A. Tenant for life, the Remainder to B. her Son in tail, they two let the Land by Indenture to E. B. for life, the Remainder to W. B. for life, rendring 10 l. Rent. A. dyeth, B. who was her Son in Remainder accepts the Rent of E. B. and dyeth. F. the Iſſue of B. accepts the rent of the ſaid E. B. and after enters and makes a Feoffment, and levyeth a Fine to J. S. E. B. re-enters, and dyeth. W. B. as in his Remainder, enters. The Queſtion was, If J. S. the Purchaſor might avoid this Leaſe in Remainder. It was adjudged in this Caſe, That the Leaſe and Eſtate in Remainder was good, and not to be avoided by the Purchaſor J. S. Mich. 34 Eliz. B. R. *Jeffery* and *Coytes* Caſe. *Cro.* 3. Part, 251.

8. The Caſe was, Leſſee for life makes a Leaſe for years rendring rent, and after ſurrenders to the Leſſor upon Condition; the Leſſee for years takes a new

a new Leaſe for years of the Leſſor; the Leſſee for life performeth the Condition, and puts out the Leſſee for years, who re enters; and the Leſſee for life brings debt for the firſt rent reſerved. Adjudged, It doth not lye, for that the Leaſe out of which it was reſerved, is gone and determined. Mic. 34 El. B. R. *Brewſter* and Sir *Tho. Parrats* Caſe. *Cro.* 3. Part, 264.

9. A. made a Leaſe of Lands to B. for life, the Remainder to C. for life. Provided, That if the Leſſor had a Son who ſhould live to the age of five years, That the Remainder limited to C. ſhould ceaſe, and the Land remain to the Son. The Leſſor had iſſue a Son who attained to the age of five years. It was adjudged in this Caſe, That the Remainder depending upon a Condition precedent, was void, and that the Eſtate of Freehold cannot ceaſe without an entry. Paſc. 38 Eliz. C. B. *Cogan* and *Coggins* Caſe. *Cro.* 3. Part, 360.

10. Treſpaſs for entring into his houſe and taking of his goods: the Defendant pleaded as to the Goods, Not Guilty: To the reſt, That the Plaintiff was endebted to him in ſuch a ſum, and that by Licenſe of the Plaintiffs ſervant, the door being open, he entred to demand his Debt. It was the Opinion of the Court, That a man cannot enter into a mans houſe by colour to demand a debt, unleſs it be averred that the debtor was in the houſe, which was not averred in this Caſe. But if it had bin averred that the Maſter was then in the houſe who was the Debtor, then ſuch plea had bin good. Trin. 43 Eliz. B. R. *Holdrinſhaw* and *Raggs* Caſe. *Cro.* 3. Part, 876, 877.

11. A. lett Lands for years rendring Rent upon Condition, That the Leſſee ſhould not parcell out the Land, nor any part thereof from the houſe, &c. The Leſſee Granted all his Term in the houſe, and part of the Land; and afterwards, he leaſed the part of the Land which was reſerved for half a year; the Rent was arrear, and he demands it, after which he accepted of a Rent, due at another day after the Title of entry, and afterwards he re-entred; and in this Caſe it was adjudged, That his Entry was lawful. See *March* and *Curties* Caſe. *Noy* 7.

12. J. S. had Iſſue four younger Sons, *viz.* B. C. D. and E. and deviſed to each of them 20 l. a piece to be paid them when they ſhall ſeverally come to the age of 21 years: And deviſed his Lands to A. his eldeſt Son, and his Heirs, upon Condition, That if he refuſe to pay theſe Legacies, that then the Land ſhould remain to the younger Sons, &c. A. payes the Legacies to B. and C. and refuſed to pay them to D. and E. D. enters into the Land in his own right, and the right of E. upon the Heir of A. who is in by diſcent. It was in this Caſe Reſolved, 1. That the younger ſons may enter upon the refuſal, &c. by way of limitation. 2. That although he paid the Legacies to two of the Sons, yet their entry was lawful. 3. That the Diſcent doth not take away their entry. And 4. That by the entry of D. in his right, and the right of E. the Eſtate is veſted in all the four ſons, becauſe they take joyntly, and the Eſtate of the Heir deveſts from him in all. Hill. 41 Eliz. B. R. *Ayneſworth* and *Battyes* Caſe. *Noy* 51.

13. In an *Ejectione firme* where three ſeveral parcells of Lands lay in one County; It appeared upon Evidence to the Jury, That the Lady *Argoll* having right (as ſhe ſuppoſed), lett all the parcells to the Plaintiff, who brought the Action, and the Lands were in the hands of three ſeveral Leſſees of the Defendant: and that the Lady *Argoll* made a Deed of Leaſe, and delivered the ſame as an Eſcrow to J. S. and made a Letter of Attorney to J. S. to enter in her name into the whole, and to deliver the Deed to her Leſſees as her Deed. One Witneſs proved, That ſhe entred upon one Leſſee in the name of the whole Land. It was conceived, That ſhe might well do it, becauſe if the Freehold be in one, although that there be ſeveral Leſſees for years, the entry into one Acre in the name of the whole, is good enough. It was ſaid, ſhe ought to prove the entry of the Leſſees into all the Acres. It was proved fully, That the Entry of the Attorney, and of the Leſſees was all one. Hill. 22 Jac. B. R. The Lady *Argoll* and *Cherys* Caſe. *Latch.* 71.

Entendment.

1. AVowry for Rent; the Avowant made Title to it as Couſin and Heir of R. C. that is to ſay, Son of A. daughter of R. C. and for Rent Arrear for 16 years after the death of A. he avowed: And becauſe he made title immediately as heir of R. C. and after avowed for Rent after the death of A. which cannot be (for it ſhall be intended that ſhe dyed in the life of R. C. and Iſſue being joyned upon other matter) the parties were awarded to re-plead. Hill. 26 Eliz. C. B. *Chamberlaines* Caſe. *Croke*, 3. Part, 32.

2. Debt upon Recogn. taken in *London*. And declared, That the Mayor there had uſed to take Recogniſances by Cuſtom of all except Infants and Feme Coverts upon any day, except Sundayes and ſpecial Holidayes; and that this Recogniſance was taken before the Mayor there: Exception was

was taken, that it is not averred, that the Defendant was not an Enfant, or that the day upon which it was taken was none of the dayes excepted: But the Exception was disallowed; for it shall be intended, if the contrary be not shewed by the Defendant: and so is the Law taken at this day upon the Statute of 1 R. 3. to plead a Feoffment by *Cestuy que. use.* Tr. 32 Eliz. B. R. *Chamberlain* and *Tharps* Case. *Cro.* 13. Part, 187.

3. *Assumpsit.* For that in Consideration he had sold and delivered 1000 Couple of Newland Fish *ad usum proprium* of the Defendant; and had shipped the said Fish, and agreed to transport them from *Bristoll* to S^t. *Lucas* in *Spain*, and to re-transport from hence the value of the Fish to *London* or *Bristoll*, *Secundum usum mercatorum*, the Defend. promised to pay to him 120 l. upon the arriving of the Ship *in portum* S^t. *Luc.* and alledged, That he rendred them *ad portum* S^t. *Lucar*, and had re-transported thence goods to the value of the Fish at *London*, *secundum usum Mercatorum*. Being found for the Plaintiff, it was moved, That here was no Consideration, because he sheweth, that he presently delivered them to the use of the Defendant, but sheweth not to whom; so as the property was altered by the sale. 2. Because he saith, he agreed to transport, but sheweth not with whom; and it may be with a stranger which doth not binde the Defendant. 3. Because he sheweth, he brought goods of that value to *London*, but sheweth not to whom the property of the goods doth belong, so as they might be the goods of strangers. The Court was against all the Exceptions; For it shall be intended, that they were sold and delivered to the Defendant; and that he re-transported the goods of the Defendant, for it is *secundum usum Mercatorum*, which implyeth both; and also it shall be intended, that he agreeth with the Defendant himself; and if it was with a stranger to his use, it is all one. It was adjudged for the Plaintiff. *Pasc.* 33 Eliz. B. R. *Hopkins* and *Stapes* Case. *Co.* 3. Part, 229.

4. Avowry for Amercement in a Leet. For that King E. 6. granted the Hundred of H. in which was a Leet, to G. *Owen* in Fee, who dyed seised, and that it discended to J. O. his Cosen and Heir, who by Deed enrolled granted to F. in Fee; and brought it by mean-conveyance to the Lord *Norris*: and that the Defendant was a Resient within the Hundred, and appeared not at the Leet holden 23 *April.* 32 Eliz. for which he was amerced; for which Amercement he avowed. It was demurred upon the Avowry, for many Causes: one was this; because he pleaded that G. *Owen* dyed, and that it descended to J. O. as his Cosen and Heir; but doth not shew that G. O. dyed without Issue. But, that Exception was disallowed by the Court, for that it shall clearly be intended, that he dyed without Issue. But for other Causes, the Avowry was holden to be insufficient; and Judgment was given for the Plaintiff. Mich. 34 Eliz. B. R. *Porter* and *Grays* Case. *Cro.* 3. Part, 245.

5. Error of a Judgment in B. R. The Error, That the Plaintiff in the Action declared, That whereas the Defendant was endebted to him in 10 l. He did promise, that if the Plaintiff would forbear him one week, that he would pay it, and alledged *in facto*, that he did forbear him one week, but saith not [for one week following:] The Court said, It was no Error; for that it cannot be otherwise intended, but that he did forbear him one week following. Hill. 34 Eliz. B. R. *Tracy* and *Browns* Case. *Cro.* 3. p. 272.

6. *Assumpsit.* The Declaration was in this manner. *Robertus* Law: *Queritur de* Thomas Sanders, *in Custodia Mariscalli*, &c. *pro eo debet. in Consideratione*, that *Idem* the Plaintiff should take to Wife the Daughter of the said T. *super se Assumpsit et eidem præfato promisit*, to pay to him 100 l. The Defendant pleaded *Non Assumpsit*, and found for the Plaintiff; In stay of Judgment it was moved, that the Declaration was not good, because it was not alledged, That the Defendant assumed; It was said at Barre, that it was necessarily intended, because it is *Queritur versus*, &c. and he is there named; And in Consideration the Plaintiff would marry his Daughter, *super se Assumpsit*, It is necessarily intended, That the Defendant did assume; And the Jury have found that he did assume it. But it was the Opinion of the Court, that the Declaration was not good. For a Declaration ought to contain the substance, otherwise it is not good; and no matter of substance shall be implyed by intendment, nor shall the Verdict help it. It was adjudged against the Plaintiff. Hill. 45 Eliz. B. R. Law and *Sanders* Case. *Cro.* 3. Part, 913.

Error.

Error.

1. ASsise of *Novel Disseisin* was brought against J.S. and three others. The Tenants pleaded *Nul Tenant d'l Franktenement nosme en le breve*, and further, &c. Upon which they were at Issue. It was found by Verdict, That the four were Joynt-Tenants of the Freehold, &c. and that they all four were Disseisors. Upon this Verdict, the Justices of the Assise adjourned the Assise in C. B. and there one of the four who were Joynt-Tenants, said that one of them who was Joynt-Tenant with him, was dead since the Verdict. It was the Opinion of the Court, That it was no plea, but that matter would help him in a Writ of Error brought if Judgment were given, for that now, by his death, the Writ is abated. Pasc. 2 & 3 Ma. *Grenfield* and *Stredies* Case. *Bendlowes* 2.

2. F. recovered against D. as Administrator of T. the Defendant put in Bail, and after Judgment was given against the Defendant in this manner, *scil. Ideo videtur Justiciariis quod querens recuperet debitum suum versus, &c.* And thereupon a *Scire facias* was sued against the Bail, and a good and lawfull Judgment given against them. They brought a Writ of Error to reverse the Judgment against them, and assigned for Error, because Judgment was entred against them before a good and lawfull Judgment was given against the Defendant himself. The Court was of Opinion, That the Judgment given against the Bail ought to be reversed, and that the other Judgment stood, neither affirmed, nor dis-affirmed, but the Bail should not cause the said Judgment for their discharge to be entred. Mich. 33 Eliz. B.R. *Thacker* and *Damports* Case. *Leon.* 2. Part, 1.

3. A Writ of Partition was awarded. The Court was informed, That at the time of the Partition made, the Sheriff was not in person upon the Lands. It was the Opinion of the Justices, That in all Cases where the words of the Writ are, That the Sheriff shall go in his own person, as in an *Accedas ad Curiam*, Waste, Rediffeisin, if Exception be taken before the Retorn of the Writ, that the Sheriff was not there in person, the same may be examined by the Court. But if the Sheriff in such Writs retorneth, and the Writ is filed, then the Court cannot examine it, for the Retorn is good, and the party cannot aver against it, nor can he have a Writ of Error upon it. Mic. 25 El. C. B. *Clugs* Case. *Cro.* 3. Part, 9.

4. In Action upon the Case upon *Assumpsit*, it was found by *Nisi Prius* for the Plaintiff; and afterwards before the day in Bank, one of the Defendants dyed; and after Judgment given, the other Defendant brought a Writ of Error in the same Court where the Judgment was given, and assigned this Error in fact, *scil.* the death of one of the Defendants. It was said by the Court, This is not like the Case of an Action of Trespass, for every Trespass done by many, is several to each of them, but every *Assumpsit* is joynt and not several. Then it was moved, If the Court could reverse their own Judgment. Quære Mich. 29 Eliz. B. R. *Megas* and *Davies* Case, *Leon.* 2. Part, 54.

5. Note in the Exchequer Chamber before the Lord Chancellor, the two Chief Justices, and the Chief Baron, A Writ of Error was cast in upon a Judgment given in the Court of Exchequer. It was agreed in that Case, *Quod propter absentiam Domini Thesaurarii Angliæ*, That they ought not, nor could receive the Writ; and it was said, That the Statute of 31 Eliz. did not help the matter, for that extends but to Discontinuances, which before the Statute many times happened for the not coming of the Chancellor, or Treasurer; and not to give Conusans in a Writ of Error in the absence of the Treasurer. Mich. 32 Eliz. *Exchequer Chamber. Leon.* 2. Part, 59.

6. The Case was, Lessee for 99 years, by Will devised his Lands in these words, *scil.* I Devise my Lease to my Wife during her life, and after her death, I Will that it go to her Children unpreferred, and made his Wife his Executrix, and dyed, the Wife entred, and afterwards she entermarried with J. S. and afterwards 40 l. debt was recovered against J. S. and upon a *Fieri facias* the said Term was sold by the Sheriff. Afterwards the Judgment was reversed by Error; and after, the Wife Executrix dyed, having Issue a daughter unpreferred. It was in this Case upon the Writ of Error, and the Judgment, moved, That the sale of the Term might be avoided, and the party restored to what he lost. But it was Resolved, That notwithstanding the reversal of the Judgment, yet the sale of the Term by the Sheriff should stand, because the Sheriff had a lawful Authority to sell; and therefore the same being but a collateral act to the Judgment, should not be avoided. Mich. 26 Eliz. B. R. *Anmer* and *Luddingtons* Case. *Leon.* 2. Part, 92.

7. Note, If a Record be removed out of the Common Pleas into the Kings Bench by a Writ of Error, and the Plaintiff will not assign Errors; then a *Scire facias* shall issue forth *Quare Executionem habere non debet.* And upon summons, and two

two *Nihils* returned, the Plaintiff ſhall have Execution; yet the Plaintiff may aſſign Error. And to ſuch a *Superſedeas* Exception was taken, becauſe the Writ was *coram nobis apud Weſtm.* whereas it ſhould be *ubicunque fuerimus in Anglia*: And for that cauſe a *Superſedeas* was granted. In this Caſe it was holden, That although a Writ of Error doth not lye here upon a Judgment given in *London*; Yet upon a Judgment given at *Newgate*, which is upon a Commiſſion in their Seſſions, Error lyeth here. Paſc. 32 Eliz. B. R. *Leon.* 2. Part, 107.

8. Error brought upon a Judgment in a Writ of Partition. The Error aſſigned was, That the Writ of Partition was not ſufficient, for it is there ſet forth, That the Plaintiffs *inſimul et pro indiviſo tenent cum defendente, &c.* and do not ſhew, Of what Eſtate, or of whoſe Inheritance. It was the Opinion of the Court, That in ſuch a Writ it is not neceſſary to ſhew the Eſtate, but that Tenants in Common ought to ſhew it in their Court. The Judgment was affirmed. Hill. 30 Eliz. B. R. *Yates* Caſe. *Leon.* 2. Part, 118.

9. A. and B. recovered in a Writ of Account againſt R: R. brought a Writ of Error, and aſſigned for Error, That whereas the ſaid Writ of Account was brought againſt the Defendant as Receiver of moneyes, for to render Account *quando ad hoc requiſitus fuerit*, the Writ ought to have bin more ſpecial. And 2. For that the Jury had aſſeſſed damages which ought not to be given in an Action upon Account. It was the Opinion of the Court, That the Writ in the generality was good. And the Court was further of Opinion, That damages ſhould be given in an Account. See Book *Entries*, fol. 22. Hill. 30 Eliz. B. R. *Collet* and *Robſons* Caſe. *Leon.* 2. Part, 118.

10. Error of a Judgment in Treſpaſs of Aſſault and Battery, becauſe the Judgment was *Quod ſit in miſericordia*; whereas it ought to be *Quod Capiatur*. It was ſaid it was but the default of the Clerk, and not to be aſſigned for Error; but the Opinion of the Court was, That it was Error, and the Judgment was reverſed. Hill. 30 Eliz. B. R. *Crawes* Caſe. *Cro.* 3. Part, 84.

11. Error, for that S. the Defendant recovered againſt W. in Debt; and afterwards W. enfeoffed the Plaintiff of his Land; and then S. ſued an *Alegit* upon the Judgment, and the Plaintiff before Execution made, ſued this Writ of Error, and aſſigned Error in the Judgment. It was the Opinion of the Court, That the Writ of Error did not lye. 1. Becauſe the Feoffee cannot have a Writ of Error, unleſs it be for Error in ſuing the Execution. 2. That till Execution ſued, he is not a party grieved; and that is the cauſe that he in the Reverſion or Remainder ſhall not have a Writ of Error in the life of Tenant for life upon a Judgment given againſt the Tenant for life, becauſe he is not a party grieved, but he might have it after the Tenant for life before the Statute. Mich. 33 Eliz. B. R. *Charnock* and *Sherringtons* Caſe. *Cro.* 3. Part, 289.

12. Error againſt the Queen upon a Judgment given for the Queen in the County Palatine of *Cheſter*. It was moved, That Error did not lye againſt the Queen, but he ought to ſue by Petition. 5 c 23 E. 3. 22. It was the Opinion of the Juſtices, That there needed not any Petition; for that in this Caſe both the Pattentees claim from the Queen. And whether there be Error or not, the Queen is not prejudiced: And it was ſaid, If that in the Exchequer an Erronious Judgment be given for the Queen in a Writ of Intruſion, the party ſhall have a Writ of Error againſt the Queen without any Petition. And *Wray* Chief Juſtice ſaid, That many Outlawries have bin reverſed by Error without any Petition; and yet in ſuch Caſe the Queen hath an immediate Intereſt. Hill. 29 Eliz. B. R. The Queen and *Harleſtons* Caſe. *Leon.* 2. Part, 194.

13. The Caſe was, J. S. Tenant in tail having iſſue two Sons, R. and J. dyed ſeiſed: R. his Son and Heir levyed a Fine thereof, and afterwards levyed another Fine thereof, and dyed without Iſſue. J. brought two ſeveral Writs of Error to reverſe both Fines. The Tenant to the Writ of Error brought upon the firſt Fine, pleaded the ſecond Fine in bar of it: And in bar upon a Writ of Error brought upon the ſecond Fine, he pleaded the firſt Fine. The Court adviſed him in this Caſe to plead, That the Fine pleaded in bar was Erronious. Hill. 31 Eliz. B. R. *Moultons* Caſe. *Leon.* 2. Part, 211.

14. Error of a Judgment in C. B. The Error aſſigned was, becauſe the *Venire facias* was awarded upon the Roll retornable *Die Mercurii proximè poſt Craſtin. Trinitatis*. But the Writ it ſelf was retorned *die Veneris prox. poſt Craſtin. Trinitatis*, which was the firſt day. It was holden by the Court clearly, That it was erronious; for that the Roll is that to which the Court gives credit, and not the Writ; for if the Writ be ill, it ſhall be reformed by the Roll: And it was ſaid, That in this Caſe it is not helped by the Statute; but if it doth not appear that any Writ was awarded, then it is helped by the Statute, but not an ill Writ. Mich. 38 Eliz. B. R. Sir *Walter Hungerford* and *Vipſics* Caſe. *Cro.* 3. Part, 433.

15. Error upon a Judgment in Debt in C. B. becauſe the Record is, *Quod obtulit ſe in placito debiti de* 10 l. and when he declared, he declared upon a Debt of 20 l. It was holden by the Court to be a manifeſt Error, and the Judgment was reverſed.

16. In Error, the Caſe was; J. B. ſeiſed of Lands, made a Feoffment to the uſe of himſelf for life, and after to the uſe of ſuch Iſſue and Iſſues Males of the body of M. L. from eldeſt to eldeſt, and who by common ſuppoſition ſhould be adjudged or reputed to be begotten by the ſaid J. B. upon the body of the ſaid M. L. where the ſaid Iſſue and Iſſue Males ſo born of the ſaid M. and reputed to be begotten upon her by the ſaid J. B. *fiat per legem regni Angliæ adiudicat. legitimè*, and mulierly begotten, or unlawfully and immulierly begotten betwixt the ſaid J. B. and the ſaid M. and to the Heirs of the bodyes of ſuch Iſſue, or Iſſues Males *de ſeniore in ſeniorem exiſtent. nat. de prædict. M. in forma prædict.* Afterwards J. B. had Iſſue by the ſaid M. R. B. the Plaintiff. The Defendant recovered againſt J. B. in an Aſſiſe. J. B. dyed: R. B. brought a Writ of Error as he in the Remainder; and averred, That he was the Iſſue begotten of the body of the ſaid M. and was alwayes ſince his Birth, and yet is reputed to be begotten by the ſaid J. B. It was ſaid in this Caſe, That the Plaintiff hath not well entituled him to have any Remainder, and then he cannot have a Writ of Error; for a Remainder ought to be limited to a perſon in *eſſe*, or who by intendment ſhall come in *eſſe* during the particular Eſtate: but the Law hath not any expectancy of a Baſtard to be born which is not in *eſſe* at the time of the limitation. And here it doth not appear by his averment, that he is the lawful Iſſue; and of that Opinion the Court ſeemed to be: for they ſaid, That although a Limitation of a Remainder to a Baſtard in *Eſſe* is good, for that he is a perſon known, and may be in time reputed for the Son of another. Yet it cannot be ſo of a Baſtard before he be born; For the Law hath not any expectancy that any ſuch ſhould be, nor will give liberty or ſcope to provide for ſuch before they be. And the Juſtices ſaid, That they had conferred with the reſt of the Juſtices, and that the greater Opinion of them was, That a Remainder to his firſt reputed Son or Baſtard is not good, becauſe the Law doth not favour ſuch a generation, nor will ſuffer ſuch a Limitation for inconveniencies which may ariſe thereupon. Wherefore becauſe the Plaintiff was in truth a lawfull Son begotten between the ſaid J. B. and the ſaid M. L. the Plaintiff perceiving the Opinion of the Juſtices to be as aforeſaid, diſcontinued his Writ of Error, and brought a new Writ of Error *Coram vobis reſidet.* Mich. 39 Eliz. B. R. *Blodwill* and *Edwards* Caſe. *Cro.* 3. Part, 509.

17. Error of a Judgment in a Writ of Entry *Sur diſſeiſin*; The Error aſſigned was, becauſe the Sheriff returned not the names of the Summoners or Veyors: It was holden by the Court to be a good cauſe of Error; for if there be no Summons made, the party cannot have a Writ of *Deceipt*, and *non conſtat de Record*, againſt whom he ſhould have it; The Judgment was Reverſed. Paſch. 39 Eliz. B. R. *Meryll* and *Rabyns* Caſe. *Cro.* 3. Part, 557.

18. Error of Judgment in C. B. in a Writ of Partition; upon the firſt Judgment, *Quod Partitio fiat*, before the Return thereof; and a ſecond Judgment, *Quod Partitio ſtabilis ſit*; a Writ of Error was brought, and it was alledged, That there was not any perfect Judgment yet given till the ſecond Judgment; and therefore the Writ did not lye. And it was ſaid, It was agreed in *Roſſill* and *Batts* Caſe, That in caſe of Accompt, No Writ of Error lyes untill the ſecond Judgment: And in the principal Caſe, the Court was of the ſame Opinion. Mich. 40 Eliz. B R. The Lord *Barkley* and the Counteſſe of *Warwicks* Caſe, *Cro.* 3. Part, 635.

19. Error was brought by ſix of a Judgment in C. B. againſt them in a Replevin; Where one of them avowed in his own Right for an Amercement in a Leet, and the others made Conuſans as his Servants; Judgment was againſt the ſix, and Damages and Coſts given; and, to be diſcharged of the Damages and Coſts, the ſix brought Error. And the Releaſe of one of the others, which was, hanging the Writ, was pleaded in Barr: And it was the Opinion of the whole Court, That it was not any Bar, and Day was given to examine the Errors. Hill. 41 Eliz. B. R. *Raſing* and *Ruddocks* Caſe. *Cro.* 3. part, 649.

20. Error of a Judgment in C. B; It was, For that the Defendant appeared by J. S. *Attornat. ſuum*, and there was not any ſuch J. S. *in rerum natura*: The Defendant pleaded *in Nullo eſt erratum*, and ſo confeſſed it; Yet the Court held it to be no Error, for that it is againſt the Record. But it was ſaid by them, That he might have aſſigned, That J. S. had not any Warrant of Attorney: The Judgment was affirmed. Paſch. 41 Eliz. B. R. *Croſs* and *Tynes* Caſe. *Cro.* 3. Part, 665.

21. Error by the Bail, upon a Judgment in B. R. The Lady *Hawkins* recovered againſt H, and upon a *Scire facias* againſt the Bail, and two *Nihils* returned, had Judgment to recover againſt them. They aſſigned for Error that there was not any *Capias ad ſatisfaciendum* awarded againſt the Principal, before the *Scire facias*: It was ſaid, That by the Statute of 27 Eliz. Error lay not, becauſe a *Scire facias* is not with the Statute. But it was holden by the Judges and Barons, That a Writ of Error well lay for the Bail; for that the Suit againſt

againſt them is within the Equity and Intent of the Statute, and is in the nature of an Action of Debt. Mich. 41 Eliz. Ex. Chamber. *Cockyn* and Lady *Hawkins* Caſe. *Cro.* 3. Part, 730.

22. Error in Exchequer Chamber of a Judgment in B. R. aſſigned for Error, that one of the parties was dead before the Judgment. It was moved, If they had authority there to examine ſuch Errors: It was holden by all the Judges and and Barons, That they had; and if it were denyed, it ſhould be tryed by a Jury in the Exchequer Chamber. But it was agreed in that Caſe, That they had not any authority to let the party there to Bail, becauſe they had authority only *ad examinandum Errores.* Mich. 41 Eliz. Ex. Chamber, *Prices* Caſe. *Cro.* 3. Part, 731.

23. Error of a Judgment in *Lynn*, becauſe the Court was holden before J. S. Mayor, and J. H, and two other Capital Burgeſſes. And the parties being at Iſſue, it was tryed by Verdict, and found for the Plaintiff; and the ſaid J. H, who was one of the Judges, was one of the Jurors. It was the Opinion of the whole Court, That it was Erronious; wherefore afterwards by the aſſent of the Defendant, in the Writ of Error, the Judgment was Reverſed. Mich. 43 Eliz. B. R. *Mitchell* and *Woodroffs* Caſe. *Cro.* 3. Part, 850.

24. Error of a Judgment in a Replevin, That whereas there were two Avowants, one of them was within age, ſo he ought to have appeared by Gardian, and not by Attorney; but in the Aſſignment of the Error, It is not concluded to the Court, *Et hoc paratus eſt verificare, &c.* and the Defendant in the Error pleaded, *In nullo eſt erratum.* It was the Opinion of the whole Court, That the Judgment ſhould be affirmed; For when a man aſſigns Error in Fact, he ought to put himſelf upon the Country, for the Jurors only are Tryers of that, and not the Judges, and then here not concluding to the Contrary; this is an Error not Tryable by the Court, and ſo cannot be adjuged; wherefore it is as if no Error had been at all. Hill. 2 Jac. B. R. *King* and *Goſpers* Caſe. *Yelverton* 58.

25. The Earl of *Rutland* recovered againſt A. and B. in the County of B, in an Action upon the Caſe for diſturbing of him to hold Court in ſuch a Mannor, &c. Upon which they brought Error in B. R, and before the Errors diſcuſſed, one of the Plaintiffs in the Writ of Error, *ſcil.* B, dyed; The Queſtion, If upon his Death the Writ ſhould abate. It was adjudged in this Caſe, That by his Death the Writ of Error was abated, and that the Plaintiff was put to a *Scire facias* againſt the Executor of him who was dead. Mich. 9 Jac. B. R. *Spencer* and the Earl of *Rutlands* Caſe. *Yelv.* 209.

26. In a *Scire facias* againſt the Bail, who upon the ſecond *Scire facias* was condemned for not having the Body of the Principal: Judgment was given, that the Plaintiff ſhould recover *ſuper Recuperationem prædict.* whereas it ſhould be *ſuper Recognitionem prædict.* It was moved thereupon to have a Writ of Error: It was the Opinion of the Court, That No Writ of Error did lye in the Exchequer Chamber, becauſe the Judgment is in a *Scire facias*, which is a judicial Writ not named in the Statute of 27 Eliz. and alſo here, the Error is in the point of Judgment, *viz. Recuperationem* for *Recognitionem:* It was then moved, That the party might be bailed; for that there is No Judgment at all given upon the Recognizance, upon which Execution might be demanded, *Ad quod non fuit reſponſus.* Trin. 7 Jac. B. R. *Prowſe* and *Turners* Caſe. *Yelverton* 157. See before 41 Eliz. *Cockyns* Caſe.

27. A man recovered in C. B. in Debt upon *Inſimul Computaſſent:* The Defendant brought Error in the Kings Bench; He who recovered prayed, that he might, according to the Statute of 3 Jac. put in Sureties by Recognizance to pay the Condemnation, if the Judgment were affirmed: It was the Opinion of the Court, That this Caſe was out of the Statute, becauſe that the Debt recovered did not accrue by any Contract, or other duty certain at the firſt, but meerly upon an Accompt betwixt the parties; ſo that becauſe that the Original Cauſe of the Action is grounded upon an Accompt, which is altogether incertain; It is therefore out of the Statute: and it was ſaid, So the Law is in Debt upon an Arbitrament: when the Arbitrators have reduced divers Controverſies to be recompenced by a ſum, the ſame is a Debt, but not ſuch a Debt which is intended within the Statute. Hill. 10 Jac. B. R. *Girlings* Caſe. *Yelv.* 227.

28. E. the Wife of G. L. recovered Dower in the County of B. by default, and had a Writ of Seiſin to the Sheriff of S, and a Writ of Enquiry; If the Husband dyed ſeiſed, and of what Eſtate; If Fee, or Fee-Tail? The Jury found the Husband dyed ſeiſed, but of what Eſtate, *Ignoramus*; and found the value of the Land, &c. *Et quantum tempus &c. bitur, &c.* Upon which Judgment was given, that ſhe ſhould recover, and Damages to 60 l. Upon which Judgment, Error was brought. After the Record removed, E. dyed; whereupon the Plaintiff ſued a *Scire facias* againſt T. C, Executor of E, againſt whom two *Nihils* were returned; for which Cauſe the Plaintiff proceeded and aſſigned Errors, *viz.* That no Judgment ought to have been to recover Damages, becauſe the Jury had not found any Dying ſeiſed of any Eſtate of Inheritance in G. L, according to the purport of

the Writ; for without Dying-seised of such an Estate, the Wife shall not have Dower; That was adjudged Error. Then it was moved, If by the Death of E. the Writ of Error was not abated, and whether a new Writ should be sued against the Executors. It was the Opinion of the Court, That the Writ should not abate: And it was holden also, That the Executors by their *Scire facias* and two *Nihils* returned (which amount to a Garnishment), they are made parties to the Writ of Error well enough. Mich. 5 Jac. B. R. *Brooly* and *Littletons* Case. *Yelverton* 112, 113.

29. Note, If two recover in Debt, &c. and before Execution one of them dyes; if Execution be sued in both their Names, it is not Error. *Brownl. Inv.* Prothonotary said, That in such Case the Survivor ought to sue a *Scire facias* before that he can sue Execution. But *Coke* and all the Court said, That he might sue Execution without a *Scire facias*, because he is part and party to the Judgment. See *Noy's* Reports 150.

30. Note, It was said by the Court, That if a Writ of Error be brought in this Court, the delay of the Return is long, to delay the party, as if it be more then the next Term, That the Court may award Execution. Pasch. 3 Car. C. B. *Hedly* 17.

31. In a Return in a Writ of false Judgment, in an Action upon the Case brought in an inferiour Court, The Judgment there was, *Ideo cessetur per Curiam*, where it ought to have been, *Ideo consideratum est*. And for that cause the Judgment was Reversed. Hill. 22 Jac. B. R. *Horn* and *Wardeas* Case. *Latch.* 83. See Trin. 11 Car. B. R. *Slocombs* Case. *Lib.* 1. Title *Error*, Fol. 831. Case 9. acc.

32. The Plaintiff in a Replevin in C. B. had Judgment, and a Writ of Enquiry of Damages issued out; The Defendant brought a Writ of Error in B. R. and then the Writ of Enquiry of Damages was returned in C. B. The Court inclined to be of Opinion, That the Writ did not lye before the Judgment in C. B. was given; For that the words of the Writ are, *Si Judicium inde redditum sit*; and that before the Writ be returned, the Record is not removed. Trin. 2 Car. B. R. *Colomore* and *Hobs* Case. *Latch.* 133.

33. Judgment was in an *Ejectione firme* in C. B. Error brought, and the Error Assigned was, That there was Variance between the Plea-Roll, and the Imparlance-Roll, the last was of an Ejectment 10. *Junii*, 22 Jac. and the Plea-Roll 12. *Junii*, 22 Jac. The truth was, the Plea-Roll was entred the 10th. of *June*, but the same was razed and made the 12th. of *June*. By the Opinion of the whole Court, The Writ was amended, notwithstanding the Record removed hither, and Error Assigned in the same Point. Hill. 1 Car. B. R. *Foster* and *Taylors* Case. *Latch.* 152.

34. Judgment being given in *Ejectione firme* in C. B. a Writ of Error was brought before the Writ of Enquiry of Damages was returned: The Court was of Opinion, That it did lye, because upon that Judgment there, it was so perfect, that the Plaintiff there might maintain an *habere facias possessionem*, the Judgment being *Quod recuperet Terminum*; and if the Writ should not lye, then the Plaintiff there having obtained possession upon an Erronious Judgment, would perhaps never sue forth a Writ of Enquiry, and so the party grieved should be without remedy. Pasch. 2 Car. B. C. *Smith* and *Aymis* Case. *Latch.* 212. See *Colamores* Case before.

35. A man recovered in the Court of *Verge*; Error brought, and assigned for Error, because the Plaintiff there declared of a Trespas done in St. *Martins*, *Infra jurisdictionem*; and upon Not guilty, pleaded, The *Venire facias* was de St. *Martin praedict.* And did not say, *Infra jurisdictionem*: It was holden Error, for that the limits of their Court varying upon the remove of the King; It might be that St. *Martins* was within their Jurisdiction at the time of the Writ brought and Declaration, and not at the time of the *Venire facias* awarded; wherefore the Judgment was Reversed. Mich. 3 Car. B. R. *Thair* and *Folletts* Case. *Latch.* 214.

Escape.

1. DEbt upon an Escape against a Sheriff, he pleaded, *Nil Debet*: The Case was, The Plaintiff recovered against J. S. in Debt, and after the year passed, had a *Capias ad satisfaciendum* against him, and the Sheriff by force of it took him, and he escaped. It was adjudged, That the Action did well lye against the Sheriff; for although the process was erroniously Awarded, yet it was sufficient for the Sheriff to Arrest him; and he might just fie in a false Imprisonment, and therefore cannot lett him at large. Trin. 32 Eliz. B. R. *Eustoes* Case. *Cro.* 3. Part, 188.

2. In false Imprisonment; The Defendant pleaded, That a *Capias ad satisfaciendum* issued to the Sheriff at the Suit of J. S. against the Plaintiff, who made his Warrant to the Defendant to Arrest him, by vertue whereof he Arrested him. The Plaintiff Replyed, That after the Writ awarded

ful, and before the Taking and Imprisonment, he shewed the Sheriff the Monies; whereupon the Sheriff made his Warrant, directed to all his Bayliffs, That they should cease the Execution, and that delivered to the Plaintiff; and that the Defendant Arrested him, and, presently after the Arrest, he shewed him this Discharge, and yet he detained him in prison for the space of an hour. It was the Opinion of the Justices, That in regard it was but a Writ of Execution, and to have the Money in Court; he having received the Money, ought not to have Arrested the party, but might well discharge him. But because the Plaintiff in his Replication departed from his Declaration; for that is, That after this Warrant of Supersedeas delivered unto him, he detained him in Prison, and complains of a tortious Imprisonment; but he speaks nothing of his Exception which he complained of in his Declaration: It being a departure, it was adjudged for the Defendant. Trin. 37 Eliz. B.R. Stringer and Stanlacks Case. *Cro.* 3. Part, 94.

3. Debt upon an Escape; The Case was, That upon a Recognizance in Chancery, the Conusee sued Execution by *Capias ad satisfaciendum*, by which the Conusor was taken and escaped, and Debt brought: The Court held, That the *Capias ad satisfaciendum* was erroniously awarded; yet the party being taken by force thereof, it was a good Execution for the party as long as it continues unreversed, and the Sheriff is chargeable for the Escape, Trin. 39 Eliz. C.B. *Caisers Case. Cro.* 3. Part, 576.

4. Action upon the Case, The Plaintiff declared, That J. B. was endebted to him in three several Obligations of, &c. and that he sued forth a *Latitat* against him, to the intent that being Arrested, he might exhibit his Bill of Debt upon the several Obligations directed to the Sheriff; by force of which he Arrested him at Y. and afterwards to defraud him from taking advantage of his Writ, he suffered him to escape. It was the Opinion of the Court, That the Action did lye, because it was Negligent suffering of an Escape in the Sheriff without Bail; and here the party is prejudged in his Suit, and therefore it is reasonable, that the party should have this Action. Mich. 40 Eliz. B. R. *Simon* and *Watsons* Case. *Cro.* 3. Part, 615. See Pasch. 40 Eliz. *Bonner* and *Stukeys* Case. *Cro.* 3. Part, 652. acc.

5. Error of Judgment in C. B. in Debt upon an Escape; The Error was, For that the Original Writ had not the Sheriff's name to the Return thereof, according to the Statute of *York*, 12 E. 2. The Court was of Opinion, That in regard the Defendant had appeared, and the Plaintiff had declared against him upon the Record of the recovery; and the Defendant had pleaded, *Nul tiel Record*; he shall never take advantage after appearance and pleading, of such a Misprision, nor of his Misawarding of the main process. The Judgment was affirmed. Mich. 42 Eliz. B. R. *Dalton* and *Thorps* Case. *Cro.* 3. Part, 767.

6. Error of a Judgment in C. B. in an Action upon the Case *tam pro Domina Regina quam pro seipso*. The Case was, The Plaintiff had Judgment to recover a Debt against J. S, and upon a *Capias ad satisfaciendum*, he was Outlawed; and upon a *Capias utlagatum*, the Defendant being Sheriff, took him, and after suffered him to escape, the Plaintiff not satisfied. Two Errors assigned, 1. Because the Action was brought by him and the Queen, whereas it ought to have been brought by him only. This Error was over-ruled, because being Outlawed and escaping, it is a Contempt as well to the Queen, as a prejudice to the party, and therefore the Action brought by them both, warrantable. 2. Error, The Action is brought in S. against the Sheriff of S, for Arresting of the Defendant in the first Action upon the *Capias utlagatum*; and the Defendant in the first Action is named of S, in the County of N, and the Arrest is supposed *apud S. praefat.* So as the Arrest is supposed in the County of N, and then it is tortious, and there cannot be an Escape thereupon: This the Court held to be an incurable Error, and for this the Judgment was Reversed. Pasch. 44 Eliz. B. R. *Estos* and *Lloyds* Case. *Cro.* 3. Part, 877.

7. A. was in Execution at *Plymouth* for 31 l. at the Suit of D, which was recovered there before the Mayor; B. came to the Plaintiff the Goaler, and promised, That in Consideration that he would suffer A. to go at Liberty, that the 31 l. should be brought into Court there by such a day to satisfie D, and that he would keep the Plaintiff being Goaler harmless; D. recovered against the Plaintiff, for an Escape; and thereupon the Plaintiff brought an Action of Assumpsit against B, and declared upon the whole matter aforesaid. In this Case, It was adjudged against the Plaintiff, because the Consideration was against Law, to suffer one who was in Execution to Escape. See 19 Eliz. *Dyer, Owyes* Case. Hill. 8 Jac. B.R. *Martin* and *Matthews* Case. *Yelv.* 197.

8. Note, It was holden by the Court of Common-Pleas, That if a Sheriff removes his Prisoners out of the County without being commanded, that it is an Escape; But if he removes them from one place to another in his County, if he changes his Goal, it is no escape: But if he removeth Prisoners for their ease and delight in the same County, it is an Escape. And the Case was put, Where one went with his Prisoner to a Bear-baiting

baiting in the ſame County; and it was adjudged an Eſcape: So if the Sheriff permit his Priſoner to go to work for his b n fit, it is an Eſcape, Mich. 3 Jac. in C. B. *Hetl y* 34.

9. D. was in Execution upon a Statute-Merchant, and his Body and Goods were taken; and the Conuſee agreed, That the Conuſor ſhould go at large: If it was a Diſcharge of the Execution, was the Queſtion; It was ſaid, It was: for his Impriſonment is for his Execution. On the other ſide, It was ſaid, That it was a Releaſe of the Impriſonment only; and but a Liberty given by the Conuſee to the Conuſor to go at Liberty, and that it doth not Releaſe the whole Execution. *Quære*, The Caſe was not Reſolved. Hill. 2 Car. C. B. *Wiggons* and *D. yes* Caſe. *Hetl y* 79.

Eſtoppel.

1. A Man made a Leaſe of Lands by Indenture to begin after the expiration of a Leaſe thereof made to one D. In an Action of Covenant brought by the ſecond Leſſee againſt the leſſor, the leſſor ſaid, there was no ſuch D. in *rerum natura*, at the time of the ſuppoſed Leaſe made to D. It was ſaid, that this Plea doth not lie for the leſſor, for he is eſtopped againſt the Indenture that there is no ſuch D. and alſo if no ſuch perſon then the Leaſe was void, and then the ſecond Leaſe was to begin preſently: It was the Opinion of the Juſtices, that the Defendant ſhall be eſtopped by the recital of the firſt Leaſe, to ſay, that there is no ſuch D. and although the common ground is, that a Recital is not an Eſtoppel; yet where the Recital is material (as it is here) it is otherw ſe. Hill. 20 Eliz. C. B. *Leon.* 2 Part 11.

2. Second Deliverance, the parties were at Iſſue, If it was the Free-hold of the Plaintiff, or of the Defendant: It was found, That J. S. was ſeiſed of the Land and enf. offed J. G. in Fee, who dyed ſeiſed, and the ſame diſcended to the Plaintiff. And that afterwards the Defendant let the Land to the Plaintiff by Indenture for 21 years, and that the 21 years are expired: and the Jury prayed the Adviſe of the Court: It was the Opinion of the Court, that this Eſtoppel ſhould endure no longer then the Leaſe, for after the Terme expired, the Indenture is but an Eſcrow, and as a Peer of Parliament: And it was ſaid that the difference which hath alwayes been before an Eſtoppel by Record, and by Indenture. For if one brings an Action of Waſte againſt Tenant in Fee-ſimple, and ſuppoſeth he had of him between an Eſtoppel by Record, and by Indenture. For if one brings an Action of Waſt againſt Tenant in Fee-ſimple, and ſuppoſeth he holds of him for years, &c. And the Tenant pleads *Nul Waſt fait, &c.* This Eſtoppel, remaineth after the years expired: and it was ſaid in this Caſe, That the Jury are not bound to find Eſtoppels, and ſo it was ſaid it was adjudged in *Bridges* Caſe. Note. It was ſaid in this Caſe, That if one taketh a Leaſe of his own Lands of an Enfant, or of a Feme Covert by Indenture, this is no Eſtoppel, for that in Eſtoppels both parties are to be eſtopped: which the Enfant, or Feme Covert, are not. Hill. 27 Eliz. C. B. *Jones* and *Landers* Caſe. *Cro.* 3. Part 36. 37.

3. *Audita Querela*, Becauſe Execution was ſued upon a Statute acknowledged in the City of *Lincoln*, as a Statute-Merchant which had but one Seal, whereas it ought to be with two Seals, according to the Statute *de Mercatoribus* 13 E. 1. Iſſue was joyned if it was ſealed with a Seal of two years, and tryed for the Plaintiff by a Jury of the City of *Lincoln*, 1. It was alledged in ſtay of Judgment, that the Iſſue ought to have been tryed by the Certificate of the Mayor, and not by the Country; but that was over ruled by the Court. 2. It was ſaid, That this ſhall be taken as a Statute acknowledged according to the Statute of *Acton Burnell* 11 E. 1. and not according to the Statute *de Mercatoribus*, ſo it is good for the Goods and the Body. But the Court was againſt that; For, that it is a Statute-Merchant, he ſhall not now be received to ſay; but that it was acknowledged, according to that Statute: and thereupon Judgment was given for the Plaintiff. And after in a Writ of Error brought, the Judgment was affirmed. *Poſt.* 33 Eliz. C. B. *Aſcue* and *Falcath* Caſe. *Cro.* 3. p. 233. and 319.

4. Debt by Husband and Wife againſt the Defendant for Arrerages of Rent upon a Leaſe for years made by the Wife and her firſt Husband by Indenture. The Defendant pleaded, That the Anceſtor of the firſt Husband was ſeiſed in Fee, and condeſcended to the firſt Husband, and he was ſole ſeiſed, and ſo the Wife had nothing at the time of the Leaſe made. Upon which the Plaintiff demurred. It was ſaid, that this was no ple: for the Leaſe being by Indenture, the Wife hath the Reverſion by Eſtoppel againſt the Leſſee, and the Defendant cannot contradict it, and ſay She had nothing. See 11 H. 41. But it was reſolved by the whole Court, that the Plea was good. For they ſaid, There is a difference betwixt this Caſe and the Caſe in the Book of 11 H. 4. For when two joyn in a Fine, or matter of Record, he that

ſtopped of them is eſtopped, but to ſay that both of them gave it, but where it is by Deed it is otherwiſe. For that cannot enure one by way of Intereſt, and from the other by way of Eſtoppel. And when two joyn in a Deed, and the one only hath the Intereſt, it enures by way of Confirmation only from the other, and not by way of Eſtoppel. But in this Caſe it enures neither by way of Confirmation, nor by way of Eſtoppel; for that the Deed is utterly void, ſhe being a Feme-Covert. And a Deed of a Feme-Covert cannot eſtop her. Mich. 41 Eliz. B. R. *Everſon* and *Evans* Caſe. Co. 3. Part 700. 701.

5. Treſpaſs for chaſing of his Cattel in ſuch a Caſe. The Defendant juſtified, Damage feaſans in his Free-hold, The Plaintiff replyed and ſhewed a Grant of Common in the place where, and how the Defendant had erected here after the grant a Stack of Common, and the Plaintiff put in his Cattel to uſe the Common; and the Defendant drove them out: It was holden by the Juſtices, that the driving out of the Cattel by the Defendant is not lawful; for by ſuch meanes it ſhould prevent his own grant: for by the grant of Common in ſuch a place, the Grantee may uſe the whole place for Common, and then when the Grantor erects a Stack of Corn upon part of that place, it tends to the diminution and enfeebling of his Grant, which ought not to be; and therefore he ſhall be eſtopped thereby. Hill. 3. Jac. B. R. *Farmer* and *Hales* Caſe. *Yelverton* 121.

6. Debt againſt Sir *G. Baxter* of S. B. upon a Bond made by S. B. The Defendant pleaded *Quod ſcriptum predict non eſt factum ſuum*. It was moved that it was not good, becauſe (*ſuum*) refers to the Defendant, and it is not alledged to be the Deed of the Defendant, and there is no mention of the Teſtator on the whole Barre, and therefore (*ſuum*) cannot be referred to him; But all the Juſtices were of a contrary Opinion; for here ſhall be taken no reference, to that which may reaſonably relate to make the Plea good; and Judgment was given for the Plaintiff. Tr. 2 *Car.* B. R. *Bakers* Caſe. *Latch.* 125.

Eſtrepment.

1. A Writ of Partition was depending in C. B. betwixt two perſons being Tenants in Common in Fee upon the Statute of 31 H. 8. The Demandant in the Writ cut down Trees growing upon the Lands, pendant the Writ: It was moved to the Court for a Writ of Eſtrepment. 2. The Court denyed to grant it, becauſe both parties were in poſſeſſion of the Trees, and every of them might take the Trees there. *Paſc.* 33 H. 8 *Bendlowes* 113.

2. A. brought *Formedon* againſt B; and, pendant the Writ, the Plaintiff had a Writ of Eſtrepment againſt the Defendant prohibiting him not to commit Waſt and Eſtrepment *pendente Placito predict indiſcuſſo*. Notwithſtanding which, the Defendant, pendant the Writ, did cut down Trees in the Lands; For which the Plaintiff declared againſt him in the Writ of Eſtrepment, the Defendant being attached upon it, ſhewed the purchaſe of his Writ of *Formedon*, and of the Writ of Eſtrepment, and that he delivered the ſame to the Defendant: againſt which prohibition, he had committed Waſt and Eſtrepment, *pendente Placito predict*. The Defendant pleaded, That he had committed no Waſt or Eſtrepment againſt the Prohibition. Upon which being at Iſſue, it was found for the Plaintiff, and he recovered dimmages to 10 l. and his Coſts, although that it did not yet appear that the Plaintiff had any good title to the Land; but only had brought his Writ of *Formedon*, to which the Defendant had pleaded preciſe. It was adjudged for the Plaintiff. *Paſc.* 15 Eliz. C. B. *Bendlowes* 41.

3. *Waſt.* The Plaintiff prayed a Writ of Eſtrepment againſt the Tenant and his Servants. It was doubted, If it did lie, becauſe the Plaintiff therein was to recover Dimmages. But the Opinion of the Juſtices was, that it did lie, for it may be, the dimmages are more then the Tenant can recompence, if he hath deſtroyed the Houſe and Woods. *Barlow* Pelgrothory ſaid, That there was not any Preſident as he remembred, that it had been awarded in a Writ of Waſt; but that it had been awarded in Writ of Entry *Sur Diſſeiſin*. The Court ſaid they were all one, for their Dimmages are recoverable. Afterwards, it was awarded both againſt the Tenant and his Servant.

4. Error to reverse a common Recovery in *Lancashire* in a Writ of Entry; and, whilest that was depending, Estrepement was awarded, and an Attachment thereupon; It was moved, that the Estrepement was not grantable in this Court upon the Writ of Error brought. But the Court held that it was well granted. For more Dammages may be done by the Wast then may be answered. 2. Error, that in a Writ of Error Estrepement lyeth not, for he is here retorned to what he left. 3. For that he comes in by continuance of the party; for a common Recovery is accounted but a conveyance in Law. Of the two least Errors the Court would advise, Mich. 42 Eliz. B. Evidence.

1. *Fellowe* *versus*. The Plaintiff declared of an Ejectment of 100 Acres of Land; and shewed his Lease in Evidence only of 40. Acres. It was said, That he had failed of his Lease. For there was no such Lease as that upon which he declared. But it was the Opinion of the Court to be good for as much as was compriſed within his Lease, and for the residue, that the Discovery might finde the Defendant not guilty. H. 11. 25 Eliz. C. B. *Guy* and *Reads* Case. *Cro.* 1. Part 13.

2. The Jury were gone from the Barre to confer of their Verdict, One Witness who was before sworn in the Defendants part, was called by the Jurors, and he recited his Evidence to them, and after they gave their Verdict for the Defendant: this misdemeanor being complained of to the Judge of Assize, he examined the matter of the Enquest, which was confessed; and that the Evidence was the same in effect, which was given before. This matter being retorned upon the Postea, The Court here were of Opinion, that the Verdict was not good, And a *Venire facias de Novo* was awarded. Tr. 32 Eliz. B. R. *Metcalf* and *Deans* Case. *Cro.* Part 259.

3. Debt for Rent reserved upon a Lease for years, The Issue was, If the Rent was paid, or not, The Defendant gave Evidence, that for part of the Rent, the Plaintiff was by Covenant to repair the House and did not, and thereupon he expended part of the Rent in repairing of it. The Justices as to that part said that the Defendant had liberty to expend the Rent in Reparations, but then he ought to have so pleaded it, and not to give it in Evidence: As to the rest of the Rent, the Defendant shewed, That he had paid it to others that had Rent-Charges out of the Lands, which the lessor had Covenanted to pay; and that by the Commandment of the lessor, he had paid the Rent in discharge of those Rents; and this the Court held to be good; For that payment to another by the Plaintiffs command, is payment to himself. *Pasch.* 33 Eliz. B. R. *Tyler* and *Neals* Case. *Cro.* 3. Plant 212.

4. In Trespass, the Parties were at Issue at the Tryal by *Nisi Prius in Com. D.* to prove the Nonage of the Plaintiff at the time of the Lease made. A Church-Book was given in Evidence; And after the Juries departure from the Barre, and before they agreed upon their Verdict, the Plaintiffs re-delivered to the Jurors the said Church-Book; and afterward they found for the Plaintiff. This matter was enquired by the Judge of *Nisi Prius*, and retorned upon the *Postea*: It was moved, that the Verdict was not good, and *Metcalfs* Case was vouched, and one *Pickerings* Case, where Letters Patentes were given in Evidence to the Jury, and afterwards, when they were conferring in their Verdict, the Plaintiff without the Courts direction, delivered to them the Letters Patent, and that Judgment was for that cause stayed: But that Case was denyed; and it was said by the Court in the principal Case, The Justices of Assize might have refused this Verdict; And it is clear, That Writings and Books which are not under Seal cannot be delivered to the Jurors, without assent of both parties, but being delivered by the Court without assent of the parties, neither of the parties can avoid the Verdict, in regard they were given in Evidence before, and the Court had given direction to the Jury concerning their validity: and it differs from *Metcalfs* Case: for there the Evidence given was only by parell; It was adjudged afterward for the Plaintiff, That the Verdict was good. Mich. 38 Eliz. B. R. *Vicary* and *Farthings* Case. *Cro.* 3. Part 411.

5. J. D. and J. S. Knights, brought Action upon the Case against the Defendant: and shewed, that they are seised of the Manner of D. to which the Aduation of the Church is appendant, and that they and their Ancestors, and all the whole Estate they have in the Manner, their Wives, Children and Servants, time out of minde, &c. have set and kneel'd to hear Divine Service in the Church

Church of D. in an Ile in the upper end of the Church, and that no others had uſed to ſit there; and that the Defendants ſuch a day diſturbed them, &c. The Defendants traverſed the Preſcription. A Jury appeared to try the Iſſue in B. R.: and it was given in Evidence for the Plaintiffs, That they were Tenants in Common of the Manor to which, &c. It was the Opinion of the Court, That this was a departure from their title ſet forth in the Declaration: For by the Declaration they are intituled Joynt-Tenants, and now by the Evidence, it appeareth, That they were Tenants in Common. The Plaintiffs ſeeing what the Opinion of the Court was, were afterwards Nonſuit. Paſc. 18 Jac. B. R. *Dalton* and others againſt *Dograve* and others. See the Reports annexed to *Bendloes* 14.

Executors.

1. NOte, It was the Opinion of the Juſtices of the Common Pleas, That if a man by his Will deviſeth his Lands to his Executors to be ſold, or Wills that his Executors ſhall ſell his Lands; If one of the Executors refuſe the Adminiſtration of the goods of the Teſtator before the Ordinary, now the other Executors cannot ſell the ſame Land to the ſame Executor who refuſed: For that Executor who refuſed, is yet party and privy to the Will, and one of the Executors at his pleaſure. Trin. 27 H. 8 *Bendlowes* 14.

2. A Woman and another perſon were made Executors; the Woman took Husband, and the Husband did not alter the property of the goods of the Teſtator, and then the Wife dyed. It was adjudged in B. R. that the other Executors might have an Action of Detinue againſt the Husband for the ſame goods. Paſc. 1 Eliz. B. R. *Bendlowes* 10.

3. Debt againſt the Defendant as Executor of J. S. he pleaded, That he had taken Letters of Adminiſtration, and demanded Judgment of the Writ. The Plaintiff replyed, That the Defendant adminiſtred of his own wrong; upon which it was demurred. It was ſaid, That now the name of the Executor was lawfully changed, and therefore he ought to be ſued as Adminiſtrator. It was the Opinion of the Court, That the Writ was good againſt him as Executor, and that he anſwer over; For when by his tortious Adminiſtration he hath given advantage to be ſued as Executor, he cannot by his own act purge this wrong, and cauſe the Plaintiff to ſue him by another name. And it was ſaid in this Caſe, That if Judgment be given againſt an Executor upon Demurrer, and Execution be awarded; The Sheriff cannot return *Nulla habet bona Teſtatoris*, but is to return a *Devaſtavit*, as if it had bin found againſt an Executor by Verdict, for that he hath charged himſelf by his own Plea. Trin. 30 Eliz. B. R. *Stubbs* and *Rightwiſe* Caſe. *Cro.* 3. Part, 92.

4. A. Covenanted with B. to put his Son an Apprentice to C. or elſe that his Executors ſhould pay B. 20 l. A. doth not put his Son Apprentice to C. and dyeth. Debt was brought againſt the Executors of A. It was adjudged, That it doth not lye. 1. Becauſe it cannot be a Debt in the Executor where it was no Debt in the Teſtator. And 2. The Action doth not lye, becauſe the firſt part ſounds only in Covenant, and then the ſecond part ſhall be of the ſame nature and Condition. Paſc. 33 Eliz. C. B. *Perrot* and *Auſtins* Caſe. *Cro.* 3. Part, 232.

5. *Aſſumpſit* againſt a Woman: The Plaintiff declared, That her Husband was endebted to him 6 l. for Beer, and dyed Inteſtate, and Adminiſtration was committed to her, and that ſhe afterwards in conſideration the Plaintiff would deliver her ſix Barrells of Beer, promiſed the Plaintiff to pay him aſwell the 6 l. due by the Inteſtate, as for the ſix Barrells delivered to her ſelf. It was Objected, One cannot joyn in one Action two *Aſſumpſits*, ſcil. an *Aſſumpſit* of the Teſtator, and of her ſelf: And alſo, for that in this Caſe, the damages was aſſeſſed entire. It was moved, That it was not good, for if the Debt of the Husband, it ſhould have bin *de bonis Teſtatoris*; and for her own debt *de bonis propriis*. But the Opinion of the Court was, That the Judgment ſhould be given *de bonis propriis* generally, for it is a charge by her own act, and by her *Aſſumpſit* as Adminiſtrator, it is become her own proper Debt. It was adjudged for the Plaintiff. Trin. 37 Eliz. B. R. *Wheeler* and *Colliers* Caſe. *Cro.* 3. Part, 406.

6. In *Aſſumpſit*, upon a Special Verdict, the Caſe was; A. made his Wife his Executrix, and dyed; the Wife proved the Will and adminiſtred, and made J. S. her Son of the age of 13 years her Executor, and the Defendant Overſeer, and dyed. The Enfant proved the Will. The Defendant with the conſent of the Enfant, ſold goods to the value of 140 l. to the uſe of the Enfant; And if this was an Adminiſtration, was the Queſtion. It was the Opinion of the Court, That this was not an Adminiſtration, but a good ſale by the Executor; For an Infant Executor is to pay,

Debts, and then he muſt ſell goods to pay them; and therefore as the ſale by the Enfant himſelf is good, ſo is the ſale by another with his conſent, eſpecially where it is no prejudice to the Enfant; and therefore the doing of it here as ſervant to the Enfant, is no Adminiſtration. It was adjudged againſt the Plaintiff. Trin. 34 Eliz. B. R. *Clark* and *Hopkins* Caſe. *Cro.* 3. Part, 254.

7. Detinue of an Obligation, the Caſe was; The Plaintiff and one B. as Executor of J. S. had an Obligation wherein A. B. was obliged unto their Teſtator in 20 l. B. one of the Executors in ſatisfaction of his proper debt to the Defendant by words only *dedit et deliberavit* that Obligation to the Defendant, and dyed: The Plaintiff being the ſurviving Executor, brought Detinue for it. It was the Opinion of the Court in this Caſe, That in regard the Executor B. might have releaſed the Debt ſo he might give and diſpoſe of the Inſtrument of the Debt, and then the Detinue will not lye. Mich. 39 Eliz. B. R. *Kelſack* and *Nicholſons* Caſe. *Cro.* 3. Part, 496.

8. Debt againſt an Executor who pleaded, That he had nothing in his hands but certain goods diſtreined and Impounded. It was adjudged, That they were no Aſſets to charge him. Mich. 25 Eliz. C. B. *Cro.* 3. Part, 23.

9. Debt againſt an Executor upon Obligation made by his Teſtator; the Plaintiff was Nonſuit, and by the Order of the Court, the Defendant had Coſts; Otherwiſe it is where an Executor is Plaintiff, and is Non ſuit; for it cannot be intended, That the Action was conceived upon malice by him. Mich. 39 Eliz. B. R: *Fetherſton* and *Allybons* Caſe. *Cro.* 3. Part, 503.

10. Debt againſt one as Executor; The Defendant pleaded, That the Teſtator dyed inteſtate, and that certain of his goods came to the Defendants hands, and that Adminiſtration was committed to J. S. to whom he delivered the goods. It was adjudged no plea, in regard he had once made himſelf chargeable to the Plaintiffs Action as Executor of his own wrong, he ſhall never diſcharge himſelf by matter *ex poſt facto*. Paſc. 34 Eliz. C. B. *Bradbury* and *Reynells* Caſe. *Cro.* 3. Part, 565.

11. Error of a Judgment in C. B. in Trover and Converſion; the Plaintiff there declared, That whereas he was poſſeſſed of 40 l. *in quadam Crumena exiſtent. ut de bonis propriis* that the Defendant found them, and converted them to his own uſe *in retardationem Executionis Teſtamenti* to his damage of 40 l. The Plaintiff upon Not Guilty, had Judgment, and damages 40 l. Error brought, Error aſſigned, becauſe it is alledged, That he was poſſeſſed of 40 l. *et de bonis propriis*, and that the Defendant converted them *in retardationem Executionis Teſtamenti*, which is contrary in it ſelf, the goods being his proper goods. It was objected, That it was void for the ſaid repugnancy. But the Juſtices were of Opinion it was not, for the Executor is poſſeſſed of the Teſtators goods *ut de bonis propriis*; and yet the Converſion of them is *in retardationem Executionis Teſtamenti*. The Judgment was affirmed. Trin. 39 Eliz. B. R. *Rivers* and *Godſkirts* Caſe. *Cro.* 3. Part, 568.

12. In an Action brought againſt Executors; They pleaded an Outlawry of the Teſtator not reverſed. It was the Opinion of the Court, That it was no plea, for that the Teſtator might have debt due upon a Contract; or it might be that the Teſtator deviſed Lands to his Executors to be ſold, which are ſold, and the money is Aſſets in their hands; in which Caſes they are not forfeited by Outlawry; alſo the Executors may have Aſſets to ſatisfy over and above the goods forfeited to the Queen by the Outlawry. Trin. 39 Eliz. C. B. *Wolley* and *Bradwells* Caſe. *Cro.* 3. Part, 575.

13. Debt againſt the Defendant as Adminiſtrator of J. B. The Defendant pleaded a Recovery againſt him in Debt in *London, Et quod nihil, &c. præter ad ſatisfaciendum* that Judgment. The Plaintiff ſhewed, confeſſing the Recovery, That before this Action, the Plaintiff had confeſſed ſatisfaction upon Record. It was thereupon demurred, becauſe he doth not alledg, That the Judgment is entred upon that confeſſion: nor that he had goods over, beſides thoſe which ſatisfyed the Recovery: And it was adjudged for the Plaintiff; for ſatisfaction being acknowledged, he cannot plead that he hath nothing, becauſe the Judgment is diſcharged by this ſatisfaction acknowledged, without any other Judgment. Mich. 41 Eliz. C. B. *Hampton* and *Bartholmews* Caſe. *Cro.* 3. Part, 726.

14. *Scire facias* againſt Executors upon a Judgment againſt their Teſtator in Debt. They pleaded, That before they had knowledg of this Judgment, they had fully Adminiſtred all the Teſtators goods in payment of Debts upon Obligations. It was adjudged no plea, for they at their peril ought to take knowledg of Debts upon Record, and ought firſt of all (unleſs Debts due to the Queen) ſatisfy them. It was adjudged accordingly. Mich. 43 Eliz. C. B. *Littleton* and *Hibbins* Caſe. *Cro.* 3. Part, 793.

15. Debt upon an Obligation of 100 l. One of the Defendants was Outlawed, the other pleaded, That he who was Outlawed, was made Executor, and ſolely proved the Will, and that the Defendant as ſervant to him, took divers of the Teſtators goods by his delivery, and by his appointment had ſold them *Abſque hoc*, that he Adminiſtred

ſtrad, or in other manner; and adjudged no Plea, becauſe he doth not ſay, That he refuſed before the Ordinary, or confeſſeth any Adminiſtration, for that which he confeſſeth is not an Adminiſtration: Judgment was for the Plaintiff. Mich. 43 Eliz. C. B. *Godfrey* and *Woodwards* Caſe. *Cro.* 3. Part, 158.

16. A man made a Leaſe for life, and afterwards leaſed to A. for 99 years, if he ſo long lived, to begin after the death of the Leſſee for life, and if A. dyed during the Terme of 99 years, or the Terme otherwiſe determined; and after the death of the Leſſee for life, the leſſor granted for him and his Heirs, that the Lands ſhould remain to the Executors of A. for 20 years. The Leſſee for life dyed. A. leaſed for 20 years and dyed inteſtate. B. took Adminiſtration, and brought Debt for the Rent; It was adjudged, That it did not lie, becauſe this contingent for 20 years never veſted in A. and it was but a poſſibility. Mich. 45 Eliz. B. R. *Spark* and *Sparks* Caſe. *Yelverton* 9.

17. In Trover and Converſion, the Defendant juſtified by reaſon of a Rent granted to A. his Executors and Aſſignes, for the life of B. out of black Acre; and ſhewed that A. is dead, and he as Adminiſtrator diſtreined for the Rent in bl. Acre; and averred the life of B. It was adjudged in this Caſe, That the Juſtification was not good, for that by the death of A. the Rent is determined, and cannot come to the Executors or Adminiſtrators; for it is not a thing Teſtamentory, but a Free-hold. But it was the Opinion of the Court, That if the Rent had continued, then the taking of a thing lawful for a Diſtreſs had not been any Converſion. Mich. 45 Eliz. *Sellors* Caſe. *Yelv.* 9.

18. J. S. had a Debt owning to him by the Teſtator, upon a ſingle Contract; and he came to the Defendant being Executor, and ſignified the ſame unto him: who thereupon ſaid, That if the Plaintiff would forbear Suit againſt him for a time, he promiſed to pay him. It was the Opinion of the Court, That this was a good promiſe in Law; for although the Defendant might have waged his Law in an Action brought againſt him, becauſe it was of the Contract of another: yet in Law ſuch a Debt upon a ſimple Contract remains a Debt, and is not gone by the death of the Teſtator; and Debt lies againſt the Executor for it: and if he pleads to it, and doth not demurr to the Declaration, Judgment ſhall be given againſt him, and the Court *Ex officio* ſhall not abate the Writ, without Challenge of the Party. Mich. 2 Jac. B. R. *Fiſh* and *Richardſons* Caſe. *Yelverton* 55, 56.

19. Judgment was given againſt B. in Debt for 100 l. in C. B. after the Judgment he entred a Statute to J. S. and dyed Inteſtate, his Wife took Adminiſtration, and removed the Record by Error in B. R. and depending the Suit, paid the Debt upon the Statute to J. S; and after the firſt Judgment was affirmed, in a *Scire facias* againſt the Adminiſtrator to have Execution, ſhe pleaded payment of the Statute, *ultra* which ſhe had not Aſſets. It was the Opinion of the greater part of the Juſtices, That it was a good Plea, and that the payment of the Statute was no *Deraſtavit* in her, becauſe at the time of the Execution of the Statute ſhe could not have pleaded the Judgment in C. B. becauſe then it was in doubt whether it ſhould be affirmed or not. Hill. 45 Eliz. B. R. *Rede* and *Baſſblacks* Caſe. *Yelv.* 29.

20. G. was endebted to C. in 20 l. who dyed Inteſtate, his Wife took Adminiſtration, and recovered by Judgment againſt G; but before Execution, dyed Inteſtate: K. the Plaintiff took Adminiſtration of the Goods of C, and brought a *Scire facias* againſt G. upon the Judgment. It was the Opinion of all the Juſtices, That it did not lye, for one Adminiſtration is not privy to another; and this *Scire facias* being grounded upon a Record, it behooves him who will have an Action upon the Record, to make himſelf privy to him, who was before party to the Record, which cannot be done in this Caſe; for every Adminiſtrator claims by Commiſſion, and as it were by a Collateral authority to another. Paſch. 1 Jac. B. R. *Yates* and *Goughs* Caſe. *Yelv.* 33.

21. Note, It was agreed by the Juſtices, That if a man Leaſes Lands to J. D. by Indenture for years, rendring Rent; and J. D. dyes, and makes A. his Executor, that the Leſſor may have Debt againſt the Executor for the Rent reſerved, and the Arrears after the Death of the Leſſee, although the Executor never entred nor agreed; for the Executor repreſents the perſon of the Teſtator; and the Teſtator by the Indenture was eſtopped, and concluded during the Term to pay the Rent upon his own Contract; and in ſuch Caſe, although the Rent be more then the Profits of the Lands: yet the Executor cannot waive the Land, but ſhall be charged with the Rent. Mich. 5 Jac. B. R. *Hauſy* and *Mibers* Caſe. *Yelv.* 103.

22. A. made K. his Wife, and J. his Son an Enfant of the age of one year; his Executors, K. only proved the Will, and took Husband the Plaintiff; The Plaintiff brought Debt as Executor againſt the Defendant, leaving out J. the Son; The Defendant pleaded in abatement, That J. was made Executor with K. and is yet alive, not named in the Writ. The Plaintiff Replyed, That J. was but of the age of one year, and that K. proved the Will, and had Adminiſtration during the Minority of J. who is yet under 17 years. In

this Caſe, It was adjuged for the Defendant, becauſe both of them are in truth Executors, and ought to be named in the Action; and though K. during the Adminiſtration had full power, yet the Action ought to be brought in both their Names, and the Adminiſtrator *durante minore ætate* affirms him to be Executor. Trin. 6 Jac. B. R. *Smith* and *Smiths* Caſe. *Yelv.* 130.

23. To have a Prohibition to the Eccleſiaſtical Court; It was ſuggeſted, That whereas he was endebted to J. S. 30 l. that J. S. afterwards in his life time gave all his Goods and Chattells to A, and afterwards made the Plaintiff and B. his Executors, and deviſed, That the Plaintiff ſhould pay out of the 30 l. which he ought to him 10 l. to the Defendant for a Legacy, and the Defendant had drawn the Plaintiff into the Spiritual Court for the Legacy; whereas by the Law the 30 l. Debt was extinct, by making of the Plaintiff Executer. It was Reſolved by the whole Court in this Caſe, That a Conſultation ſhould be granted, For although the Joynt-Executor had no remedy to recover this 30 l. againſt the Plaintiff his Co-executor, nor any Action brought for the ſame in the life of the Plaintiff; yet the Debt was not extinct, but remains Aſſetts to any other Creditor; and therefore he ſhall ſatisfie the Legacy in this Caſe, becauſe the expreſs intent of the Teſtator was ſuch, he having preciſely appointed the Legacy to be paid out of the Debt of 30 l. Mich. 7 Jac. B. R. *Flud* and *Rumcys* Caſe. *Yelverton* 160.

24. Aſſumpſit; The Plaintiff declared, That G. S. his Father was poſſeſſed of divers Goods, and by his Will deviſed 7 l. as a Legacy to the Plaintiff, and made C. his Wife his Executrix, and dyed, and that the Defendant married with C, and how that ſuch a day in Conſideration that the Goods of G. S. came to the Defendants hands ſufficient to ſatisfy Debts and Legacies; and in Conſideration the Plaintiff at the requeſt of the Defendant, would forbear the 7 l. till *All Saints*, promiſed to pay the 7 l. The Defendant pleaded, That C. the Executrix of G. S. dyed Inteſtate, before the Promiſe made; upon which it was demurred: It was in this Caſe adjudged againſt the Plaintiff, For the Demurrer confeſſing the death of the Executrix before the Promiſe, thereby it appeareth to the Court, that there was not any Conſideration ſufficient to Charge the Defendant; for the thing which the Plaintiff would have advantage of by his Action, is a Legacy which ought to be ſued for in the Spiritual Court; and by the Death of his Wife, the Defendant is not Chargeable with the Legacy; for he is not Executor, nor privy to the Will of G. S: and although he hath poſſeſſion of Goods, yet becauſe he comes to them lawfully, by the inter-marriage with the Wife the Executrix, he ſhall not be charged neither in the Spiritual Court, nor at the Common Law; and ſo there is no Conſideration to Charge him. Mich. 8 Jac. B. R. *Smith* and *Jones* Caſe. *Yelv.* 184.

25. W. brought Debt againſt R. as Executor, and had Judgment *de bonis Teſtatoris*, and a *Scire facias* was awarded, the Sheriff returned *Nulla bona*; upon which the Plaintiff ſurmiſed, That the Defendant had waſted the Goods, and prayed a *Scire facias* againſt him, to ſhew cauſe why he ſhould not have Execution *de bonis propriis*. It was adjudged in this Caſe, That he ſhould have No Execution, untill the Sheriff had returned a *Devaſtavit*. See *Williams* and *Roberts* Caſe. *Noy* 7.

26. B, Adminiſtrator of A, made C. his Executor, and dyed; C. was ſued in the Spiritual Court, to make an Accompt of the Goods of A, the firſt Inteſtate. Whereupon he moved for a Prohibition, and it was granted, for an Executor ſhall not be compelled to Accompt; but an Adminiſtrator ſhall be compelled to Accompt before the Ordinary. Mich. 15 Jac. C. B. *Sparrow* and *Norfolks* Caſe. *Noy* 28.

27. Note, In an Action of Debt brought againſt A. as Executor in his own wrong; He pleaded, *Ne unq.* Executor, and it was found againſt him, and Execution was averred againſt him for the whole Debt, *viz.* 60. for his falſe Plea, although in truth he had not entermedled but with one Beaſtead of ſmall value; and ſo it was ſaid, It was adjudged, 40 Eliz. in C. B. in *Kitchin* and *Divens* Caſe. See *Noy* 69.

28. R. brought Debt againſt A. as Executor, and upon pleinment Adminiſtred, pleaded Aſſetts are found and Judgment for the Plaintiff, and upon a *Teſtatum* Execution was Awarded to a Sheriff of another County where the Tryal was: It was holden in that Caſe, That the Sheriff might return *Nihil*, and is not eſtopped by the Verdict and Judgment, but otherwiſe it is of the Sheriff of that County where the Action was brought. See *Robbins* Caſe. *Noy* 69.

29. Note, In the Caſe of a Prohibition, It was agreed by the Juſtices, That if a man makes his Will, and makes his Wife his Executrix, and deviſeth the reſidue of his Goods after Debts and Legacies paid to his Executrix, His wife dies before probate, that now becauſe the Executor had an Election to have them, and died before he did ſo, all the Good left go the Adminiſtrator of the firſt Teſtator, otherwiſe; if there were a Legacy of a particular thing. Trin. 4 Car. C. B. *Denn* and *Boroughs* Caſe. *Hetly.* 105.

30. Leſſee

30. Lafleo for 99 years made a Leaſe for 40 years, rendring Rent, and made his Executor, and dyed; A. proved the Will, and made B. his Executor, the Rent encurred: A. dyed, B. proved the Will, and Avowed for the Rent *in jure propria*. It was Reſolved by the Court, That by the Common Law he might diſtrein for the Rent, for that makes a privity; although it was Objected, That he Rent Arrear in the time of the Teſtator, Debt lay, and not diſtreſſe. 2. It was holden, That the Avowry was good, although it was *in jure propria*, by the Executor. Mich. 22 Jac. *Wade* and *Kaſhes* Caſe. *Latch.* 211.

Executions.

O. And J. were bound as Sureties with one A. to B, who recovered againſt B. in *London*, and had Execution againſt him: Now J. ſued O, to have him Contributory to the ſaid Execution, *ut utroq; eorum exoneretur pro rata*, according to the Cuſtom of *London*; O. removed the Cauſe by priviledge into the Kings Bench. Whereupon J. came and prayed a *Procedendo*; and becauſe upon this matter No Action lyeth by the Courſe of the Common Law, but only by Cuſtom in ſuch Cities; the Cauſe was remanded, for otherwiſe the Plaintiff ſhould be without remedy. See Book *Entries* 160. Paſch. 26 Eliz. B. R. *Oſey* and *Johnſons* Caſe. *Leon.* 2. Part, 166.

2. Note; It was agreed by the Juſtices in an *Audita Querela*, That if a man be in Execution by his Body and Lands upon a Statute-Staple; and the Sheriff ſuffereth the Conuſor to go at large, yet Execution of the Land is not thereby diſcharged; but if he go at large by the Aſſent of the Conuſee, there the whole Execution is diſcharged, and in ſuch Caſe the Conuſor ſhall have his Lands again preſently. Trin. 31 Eliz. C. B. *Linacre* and *Rhodes* Caſe. *Leon.* 2. Part, 96.

3. *Audita Querela*, upon a Statute acknowledged good by one within age, in C. B. It was a Queſtion if the Suit made might be in the Court, or if it ought to be in the Chancery; divers Preſidents were ſhewed, that Suits had been upon a Statute-Staple in this Court: It was therefore Ruled, That it lyeth here, for the Chancery hath no more Record of it then this Court; and the Book of *Entryes* is, That Suit hath been here, and there is a Writ for it in the Regiſter; and therefore it was Reſolved, That the Suit might be in this Court, or in the Kings Bench as well as in the Chancery: Then it was moved, That in the Record, the Inſpection of the Infant is not mentioned; and ſo he is now of full age, ſo as he cannot be Inſpected, The Preignothories ſaid, That the Entry is, *Quod venit in propria perſona*, and prayeth an Inſpection; and the Court would adviſe of the proof of his age: The Court ſeemed to doubt of it, and would adviſe. 4. In Action upon the Caſe againſt the Defendant, Sheriff of E; The Plaintiff declared, That he had recovered againſt P. 100 l. and had a *Fieri facias*, and the Defendant by Vertue thereof levyed 28 l. and had not returned the Writ, nor paid the money to the Plaintiff; The Defendant pleaded Not guilty, upon the Evidence, It was proved, That the Writ was delivered to C, the Defendants Under-Sheriff the 9th. of *Nov.* 34 Eliz. and the ſame day he made Execution, and the ſame day a Writ of Diſcharge was delivered to him, dated the 6th. of *Nov.* 34 Eliz. But becauſe he did not prove that he had Notice of this Writ of Diſcharge before the Execution ſerved, the Court was of Opinion, That he was yet Sheriff, and chargeable to the Plaintiffs Action. 2. It was alledged, That it was no due Execution; for that P. had made a Deed of his Goods before, and the Deed was dated the ſame day as the Writ of Execution. It was the Opinion of the whole Court, although that the gift was made *bona fid*, yet Execution might be taken of thoſe Goods: For by the ſuing forth of Execution, all the Defendants Goods are lyable, ſo as no Gift of Goods the day of the date of the Writ, or after, can ſtop the Execution. Mich. Mich. 38 Eliz. C.B. *Butchier* and *Wſemans* Caſe. *Cro.* 3. Part, 440.

5. Two perſons recovered againſt one in Debt ſeverally; He who had the firſt Judgment ſued an *Elegit*, and had the moyety of his Land delivered in Execution. Afterwards the other ſued an *Elegit*; The Sheriff prayed the Adviſe of the Court. The Opinion and direction of the Court was, That he deliver but the moyety of that moyety which he had at the time of the Writ awarded. Trin. 38 Eliz. C. B. *Hyet* and *Cogans* Caſe. *Cro.* 3. Part, 482.

6. Trover and Converſion of Goods at D, in the County of *Nott.* The Defendant ſaid, That he recovered againſt the Plaintiff a Debt of 200 l. in B. R, and thereupon had a *Fieri facias* to the Sheriff of Y, who at *Wakefield* in Common Election ſeized thoſe Goods, and delivered them to him in ſatisfaction of this Execution: Amongſt other Points it was Reſolved in this Caſe, That the Sheriff upon a *Fieri facias* cannot deliver the Defendants Goods to the Plaintiff in ſatisfaction of his

his debt. Mich. 39 Eliz. B.R. *Tompſon* and *Clarks* Caſe, *Cro.* 3. Part, 504.

7. The Sheriff took the Defendant's Goods by force of a *Fieri facias*, in Execution upon a Judgment in B. R; before Sale, the Record was removed by a Writ of Errour into the Exchequer-Chamber, and a *Superſedeas* awarded. The Sheriff retorned upon the *Fieri facias* a Seizure of the Goods, and that they remained in his hands *pro defectu Emptorum*. He alſo Retorned, That a *Superſedeas* was awarded. It was prayed, That the Defendant might have Reſtitution of his Goods. It was holden by the Court in this Caſe, That although the Record be removed, and notwithſtanding the *Superſedeas* awarded, in regard they came not to the Sheriff before he began to make Execution, That a *Venditioni Exponas* ſhould be awarded to perfect it: And although the Record be removed, yet if it be awarded upon the Retorn of the *Fieri facias* filed in the Office, it is good. Hill. 40 Eliz. B.R. *Charter* and *Potter's* Caſe, *Cro.* 3. Part, 597.

8. Aſſumpſit; The Plaintiff Declared, That B. was endebted to him, and he had Judgment againſt him, and ſued forth a *Capias ad ſatisfaciend.* and an *Exigent*, and thereupon B. was Outlawed; And that the Defendant in Conſideration that the Plaintiff would forbear to ſue and proceed upon the *Capias utlagatum*, promiſed, That if B. did not pay the debt, he would. It being upon *Non Aſſumpſit* found for the Plaintiff, It was moved, That this Conſideration was againſt the Law, and alſo void, becauſe the Proceſs is at the Queens Suit, and not the parties. But the Court held the Conſideration to be good, for it is the parties Suit as well as the Queens; for the party is the means to entitle the Queen thereunto, and the party hath the eſpecial carriage thereof; Judgment was entred for the Plaintiff. Mich. 44 Eliz. B.R. *Jennings* and *Hartley's* Caſe. *Cro.* 3. Part, 909.

8. In a Falſe Impriſonment, the Caſe was; One Recovered in Debt, and had a *Capias ad ſatisfaciend.* delivered to the Sheriff, who made a Warrant to his Bayliffs to do Execution. Afterwards, a *Superſedeas* was delivered to the Sheriff. The Defendant being Bayliff, not having Notice of that *Superſedeas*, 19 *Junii* Arreſted the Plaintiff by vertue of the *Capias ad ſatisfaciend.* who afterwards Eſcaped; and upon the 20th of *June*, the Defendant retook him, and detained him in Execution. Whether this ſecond Impriſonment was lawful or not, was the Queſtion? It was Reſolved by the Court, That it was not: For although the firſt Impriſonment was legal; yet the ſecond Impriſonment and detainment of him after, was a wrong; for he being the Sheriff's Servant, and by intendment having time given him to have Notice from his Maſter, ought at his perill to take Notice thereof; and therefore his act afterwards is not excuſable. Whereupon, upon all this matter d ſcloſed, It was adjudged for the Plaintiff. Hill. 45 Eliz. B.R. *Prince* and *Allington's* Caſe, *Cro.* 3. Part, 918.

9. A *Fieri facias* iſſued to levy a Debt for J. S. againſt A; The Sheriff by force ſeiſed his goods, but did not retorn the Writ: Afterwards the Sheriff was diſcharged, and a new Sheriff made; The old Sheriff after his diſcharge, ſold the goods of A. the Defendant, againſt the Defendant: Againſt whom A. brought Action of Trover; and all the matter aforeſaid being found by Verdict, It was adjudged for the Plaintiff; For that the Sale made by the old Sheriff after his diſcharge, was void; for that his Authority ceaſed with his Office. And in this Caſe it was ſaid, That where the Sheriff ſeizeth goods by vertue of an Execution, and afterwards is diſcharged, he ought to turn over the Goods with the Priſoners; and by the ſeizure of the goods only, the property is not altered; for ſeizure is no Execution, but only the beginning of it. Hill. 1 Jac. B.R. *Ayer* and *Edens* Caſe. *Yelverton*, 44.

10. The Plaintiff recovered againſt the Defendant upon a Bill of Debt, and had a *Capias ad ſatisfaciend.* to the Sheriff of *Middleſex*, who made a Precept to the Baily of the Liberty of the Dutchy, *viz.* the *Savoy*: And the Command was, *Quod capiat H. ad reſpondend.* the Plaintiff; whereas in truth it ſhould have been *ad ſatisfeciend.* The Baily retorned the Precept executed. The Sheriff retorned to the Court, *Cepi Corpus ſecundum exigentiam brevis.* It was moved, That the Plaintiff might have a new *Capias ad ſatisfaciend.* againſt the Defendant; for although that the Sheriff by his retorn hath charged himſelf as to the Plaintiff, ſo as he may demand Execution againſt him; yet becauſe the party was in truth never taken in Execution for the debt, the Court was of Opinion, That he might have new Proceſs of Executinn againſt him. Mich. 2 Jac. B. R. *Wood* and *Holburns* Caſe, *Yelverton*, 52.

11. J. S. recovered 120 l. in C. B. againſt G. *in Craſtino Animarum*, 6 Jac. and 28 Nov. the ſame Term, being the laſt day of the Term, the Plaintiff prayed an *Elegit* to the Sheriffs of *London*, and to the Sheriff of *Iſanc.* where the Action was brought, which was granted. Afterward the Plaintiff took an *Elegit* to the Sheriff of *Iſanc.* and by the Courſe, it is firſt directed to the Chancellor of the County Palatine, and this *Elegit* in the end of it, appeared to be grounded upon a *Teſtatum* firſt made by the Sheriff of *London*, that the Defendant had nothing in *London*, whereas in truth they made no ſuch retorn. And upon this *Elegit*, the

the Jury before the Sheriff of *Lanc.* extended a Leaſe of Tythe for 59 years to come but to the value of 100 l. which the Sheriff delivered to the Plaintiff as the Chattells of the Defendant. Upon this, the Defendant brought Error, and aſſigned for Error *in adjudicatione Executionis, viz.* that no Return was made by the Sheriff of *London*, nor filed in the Court of Common Pleas. This by the Court was adjudged to be Error: For although according to the preyer of the Plaintiff he might have taken his *Elegit* immediately into *London*, and into *Lanc.* yet when he waived the benefit of it, and would ground his Execution upon a *Teſtatum* by a former Sheriff of *London* which is falſe, that makes Error in the Execution. And note, That in this Caſe it was adjudged, That the Defendant ſhould be reſtored to his Term again; and although it was valued by the Jury but at 100 l. and delivered to the Plaintiff to hold *ut bona et catalla*: Yet againſt the Plaintiff he ſhould have his Term again. Mich. 8 Jac. B. R. *Junce* and *Goodyers* Caſe. *Yelv.* 179, 180.

13. The Caſe was, That upon a *Fieri facias* the Sheriff took part of the goods into his hands, and the Plaintiff gave him a Releaſe, and the goods were afterwards taken out of his poſſeſſion by the Defendant: And if the Plaintiff might have a new Execution, was the Queſtion. The Court was of Opinion, That he might, for it was no full execution, for he ought either to ſell the goods, or return *quod non invenit Emptores*; and upon that he ſhall have a *Venditioni Exponas*: Otherwiſe if he hath taken the body alſo in Execution. Mich. 2 Car. B. R. *Strids* Caſe. *Hetley* 117.

14. A. recovered in debt againſt B. A. brought a *Scire facias*. B. pleaded, That A. is Outlawed. It was holden it is a good plea if he be ouſted after the plea in bar pleaded in the Action of Debt, but otherwiſe it is if he be Outlawed before, for then B. might have pleaded that in bar to the firſt Action. It was ſaid in this Caſe, That the money being in Court, If the Kings Serjeant will pray to have the money for the King, He muſt firſt ſhew the Outlawry *ſub pede ſigilli*. And the party ought alſo to confeſs that he is the ſame party which is Outlawed. See *Noyes* Reports, 143. acc.

15. W. had a Judgment in Debt in C. B. againſt Sir *William Fiſh*. There after the Heir without a *Scire facias* he took a *Capias* againſt him, and arreſted him; and upon that he brought Error in the Kings Bench, and the Judgment affirmed upon it. Sir *William Fiſh* was diſcharged, and then W. took him again by a *Capias ad ſatisfaciendum ſive alias* without any *Scire facias* out of the Kings Bench; and upon that the Sheriff returned a *Capias*. It was moved, That he might be diſcharged. 1. He being once taken in Execution in C. B. and let at large here upon Sureties, upon a Writ of Error, That no new Execution can be againſt him if he will not agree to render his body for the Indempnity of his Sureties. But that exception was diſallowed by the Court; For it was ſaid, That one being once in Execution, and diſcharged by priviledg, might be in Execution again. 2. Exception, becauſe there iſſued a *Capias ſicut alias*, whereas there was no *Capias* awarded before; but to that no anſwer was given. 3. It was ſaid, That he was taken by a *Capias* after the year, and in another Court. The Court agreed the Reſolution in *Gregories* Caſe. The Common Pleas cannot award a *Capias* being after the year; The Clark ſaid, The Preſidents are, That he might be taken without a *Scire facias*. The Court agreed, for in truth there was no Execution. Trin. 2 Car. B. R. *Wiſeman* and Sir *William Fiſhes* Caſe. *Latch.* 192, 193.

Exchange.

1. IN Treſpaſs, the Defendant pleaded an Exchange betwixt him and the Plaintiff of certain Lands: and that *Agreatum fuit* betwixt them, that the Plaintiff ſhould make the Fences betwixt them, and ſhould alwayes maintain them; and that the Fences of a certain Cloſe called C. was in decay *per quod, &c.* Upon which the Plaintiff demurred. It was the Opinion of the Juſtices, That the Defendants plea was not good, for that this Agreement cannot be a bar in this Action, but the Defendant is put to his Action upon the Caſe upon the Promiſe if he perform it not: And if the Agreement had bin by Deed, yet it had not bin good. Mich. 41 Eliz. B. R. Sir *Andrew Nowell* and *Smiths* Caſe. *Cro.* 3. Part, 709.

2. Husband and Wife ſeiſed of the Moyety of the Mannor of J. to them, and to the Heirs of the Husband, the Husband levyed a Fine to J. S. who ſuffered a Common Recovery in which the Husband only was vouched; and the Recovery was to the uſe of the Conuſee and his Heirs. The Conuſee made a Feoffment to A. who thereof enfeoffed B. and C. in Fee: And after an Exchange was had between A. B. and C. and is executed; and the Exchange was of the moyety of the Mannor of J. for the fourth part of the Mannor of D. B. and C. Exchanges of the fourth part, and en-

ter

ter into the ſame, and thereof enfeoff E. the Huſband dyeth; the Wife entred into the moyety of the Mannor of J. A. re-entred into the fourth part of the Mannor of D. E. entred upon him, and A. brought Treſpaſs. It was Reſolved by all the Juſtices in this Caſe, That the Exchange was altogether defeated by the eviction of the Eſtate for life, and that aſwell where the Eſtate in parcel of the Land is defeated, as where parcel of the Land it ſelf is defeated. Excommunication.

1. THe Wife of J. S. was Excommunicated for Adultery before the High Commiſſioners; they ſent out a Purſevant with Letters Miſſive to apprehend her, and bring her before them; by colour of which, he with the Conſtable in the Night, brake open the houſe where the Woman was. If it was juſtifiable, was the Queſtion. In this Caſe, It was Reſolved by the Court. 1. That neither upon a *Capias Excommunic.* nor for any other Cauſe, unleſs for Felony or Treaſon, it is not lawfull for any to break an houſe in the Night. 2. Reſolved, It was not juſtifiable, for that they of the Spiritual Court, by reaſon of Excommunication, or by reaſon of any other matter, are not to meddle with the perſon of any man, or to ſend any proceſs to have the body before them; and therefore if any for any cauſe whatſoever be Excommunicated, and ſo continues in contumacy for 40 dayes, they ought to certify it into the Chancery, and from thence to have an *Excom. Capiendo*, but they themſelves cannot award proceſs to take him. Hill. 42 Eliz. C. B. *Smith* and *Smiths* Caſe. *Cro.* 3. Part, 741.

2. Action upon the Caſe, whereas an Excommunication was againſt H. the Inſtrument thereof was delivered to the Defendant, being Curate of the Pariſh where the ſaid H. and the Plaintiff Inhabited, to publiſh in the Church, That he malitiouſly razed out the name of H. and put in the Plaintiffs name, and read it in the Church: where. upon he was enforced to abſent himſelf from Divine Service, and to be at the expenſe to procure a diſcharge for himſelf. It was ſaid, That the Action lay not for this matter, becauſe it is Spiritual. But it was Reſolved, That the Action was maintainable: For although the Excommunication be Spiritual, and ſo is the denouncing thereof; yet the razing and alteration thereof is meerly Temporal, for which an Action lyeth at the Common Law. It was adjudged for the Plaintiff. Trin. 43 Eliz. B. R. *Kenton* and *Wallingers* Caſe. *Cro.* 3. Part, 838.

3. Treſpaſs of Battery, the Defendant pleaded Excomengement of the Plaintiff *ipſo facto*, for that he had ſtrucken in the Church yard, by the Statute of 5 E. 6. without ſhewing any Excomengement by the Ordinary under his Seal: And for that cauſe it was holden by the Court to be ill: For although the Statute ſaith, That he ſhall be Excommunicated *ipſo facto*, yet it is to be intended after a Sentence Declaratory, or Conviction, otherwiſe there were not any means for his abſolution. Hill. 44 Eliz. B. R. *Sonham* and *Trundles* Caſe. *Cro.* 3. Part, 919. See Paſc. 4 Car. C. B. *Viner* and *Eatons* Caſe. *Hetley* 86. acc. And there it was ſaid, That if the party be a Miniſter, he ought to be ſuſpended for an Offence againſt that Statute, and ſo to be Excommunicated: And in that Caſe it was alſo agreed, That an Excommunication cannot be pleaded, unleſs it be under Seal.

4. A man was ſued for defamation in another Dioceſs then where he dwelt, and being cited for his not appearance, he was Excommunicated; and upon a *ſignificavit*, an *Excom. Capiendo* was awarded. It was moved for a *Superſedeas* upon the Statute of 23 H. 8. becauſe he was ſued out of his Dioceſs. It was ſaid by the Juſtices, That the Biſhop had not power to cite out of his Dioceſs, but yet being out of his Dioceſs, he might abſolve. 2. It was ſaid, That the Caſe of Defamation was not within the Statute of 5 Eliz. cap. 23. And then the Excommunication was void: The Court ſaid that muſt be avoided by way of plea. It was then moved, That the party might be diſcharged, becauſe it was not the intent of the Law to enable the Eccleſiaſtical Judges with the Temporal power in ſuch petit Caſes as Defamations, &c. but only in great Caſes of Hereſies. The Court was of Opinion; That the Impriſonment was not diſcharged by the ſaid Statute. Hill. 2 Car. B. R. *Browns* Caſe. *Latch.* 174, & 204.

Excep-

Exception.

1. A Writ of Right was brought; and divers Exceptions were taken to the Writ. 1. The Writ was *Meſſuagium et 200 Acr. jampnor. et brueræ.* The Exception was, becauſe *jampnor. et brueræ* were coupled together, whereas they ought to be diſtinctly ſevered, as ſo many *Acr. jampnor.* and ſo many *Acr. brueræ.* But that Exception was not allowed of by the Court, for that it may be that *Jampnæ et brueræ* lye ſo promiſcuouſly that they cannot be divided. See 11 Eliz. *Dyer*, 283. 2. Exception to the Writ was, becauſe the Demandant demanded by the Writ *duas partes Cuſtodiæ de Hay*, in the Forreſt of C. The Exception was holden to be good by the Court; For that it ought to be *Officium Cuſtodiæ duarum partium de Hay*; as *Advocatio duarum partium Eccliſiæ*, and not *duas partes Advocationis.* 3. Exception, becauſe the Writ was *duas partes* in three parts to be divided: whereas it ought to be *diviſæ*, and not *dividend.* That was holden alſo to be a good Exception, for that *Dividend.* is not in any Writ, but in a Writ of Partition. 4. Exception was, becauſe in the Writ it is not ſet down in what Town the Forreſt of C. is, ſo as the Court doth not know from whence the Viſne ſhall come; for no *Venire* ſhall be *de Vicineto Forreſtæ*; and that was holden to be a very material Exception. 5. Exception was, becauſe a Writ of Right doth not lye of an Office, for it was not *Liberum tenementum* by the Common Law, but the party grieved was put to his *Quod permittat*; and of that Opinion was the whole Court. Mich. 31 Eliz. in C. B. *Salway* and *Luſons* Caſe. *Leon.* 2. Part, 36.

2. Waſte was brought in the *tenuit* againſt the Grantee of a Term by the Aſſignee of the Reverſion. The Defendant pleaded, That A. the firſt Leſſee had digged and opened a Mine of Coles, and afterwards granted unto him all his Intereſt in the Land, excepting to him and his Aſſigns, all the benefit and preſit of the Cole-Mines there, and of all Trees there. It was the Opinion of the Court, That the Exception was void, being of a thing whereof he had not any power to meddle. And it was compared to the Caſe of 28 Eliz. which was cited to be adjudged in this Court, where Leſſee for years granted all his Eſtate, excepting the Trees; and the firſt Leſſee cut down the Trees, and Waſte was brought againſt the Aſſignee, and adjudged maintainable, for that the exception was adjudged void, for the Trees were not let at firſt, but the ſoil, ſo as he excepted a thing which he had not to except, and therefore void. Hill. 41 El. *Sanders* and *Norwoods* Caſe. *Cro.* 3. Part, 683. See *Cook* 5. Part, 12.

3. Debt upon an Obligation, the Defendant pleaded a Releaſe of all Actions and demands in bar. The Plaintiff demanded *Oyer*, and one Bond was excepted therein. The Plaintiff replyed, That that was the Bond put in Suit, and the ſum and the perſon mentioned to be excepted were all one: And thereupon the Defendant demurred; for Actions and Suits being releaſed, although he excepts the Obligations, it is to no purpoſe. But it was Reſolved by the Court, That the Obligation it ſelf being excepted, all Suits and Actions concerning it alſo are excepted, and that the Defendant having pleaded a Releaſe generally without any exception, and upon *Oyer* demanded, a Deed is ſhewed with an exception, the Defendant might have pleaded *Non eſt factum* generally. Hill. 41 Eliz. B. R. *Brook* and *Wheelers* Caſe. *Cro.* 3. Part, 726.

4. Debt upon an Obligation, it was Conditioned, That if he were ſeiſed in his Demeſne as of Fee, the day of the date of the Obligation made of ſuch Copyhold Lands in S. D. and if the ſaid Lands ſhall be diſcharged of all incumbrances made by him, except the Eſtate and title of Joynture of his Wife *Eliz.* then, &c. The breach aſſigned was, That the Defendant before the Obligation made, had ſurrendred thoſe Lands *apud S. prædict.* to the uſe of his Wife for life. The Defendant pleaded, That he did not ſurrender *modo et forma.* The Plaintiff *ſur* rejoyned *Quod ſurſum reddit apud prædict. S. modo et forma.* An exception in this Caſe was taken in Error brought, That there is not any breach aſſigned, for the ſurrender to the uſe of his Wife is excepted, and ſo no breach. It was ſaid, That this exception doth not extend to the firſt clauſe, but only to the diſcharging of incumbrances. But the Court held, That it extended to both, and ſo it appears it was the intention of the parties: Wherefore the Judgment was reverſed. Paſc. 42 Eliz. *Exchequer-Chamber. Woodyard* and *Dannocks* Caſe. *Cro.* 3. Part, 761.

5. Debt for Rent reſerved upon a Leaſe for years, ſuppoſing that *apud* C. he demiſed ſuch Lands, excepting one Acre, *jacent. et exiſtent. in P. in Com. prædict. Hobend.* from the Annunciation laſt paſt for years, *virtute cujus intravit et habuit Tenementa prædict.* from the ſaid Annunciation. After Verdict, it was moved in ſtay of Judgment, That the Declaration was not good, for that there was not any Town named where the Land

lay; for the *jacens. in eſſe*, extended only to the Acre excepted. And 2. That it is alledged *Quod habuit et occupavit* from the Annunciation laſt, &c. which was before the beginning of the Leaſe; and he was thereby a Diſſeiſor, and ſhall not be ſaid to be in by the Leaſe. But it was the Opinion of the Court, That it was well enough. For it ſhall be intended, That he Occupied before the Leaſe by Agreement. It was adjudged for the Plaintiff. Mich. 44 Eliz. B. R. *Waller* and *Campions* Caſe. *Cro.* 3. Part, 905.

6. In *Ejectione firmæ*, the Caſe was; The Earl of O. was ſeiſed of the Manor of H. in which were divers Copyholds; and leaſed the ſaid Manor to J. S. for 21 years to begin two years after, Except all Caſualties and profits of Courts which ſeverally did paſs the value of 6 s. 8 d. And afterwards he bargained and ſold the Reverſion to A. C. Afterwards a compoſition was made betwixt A. C. and the Leſſee, By which the Leſſee did Grant and Covenant with the ſaid A. C. That he would permit the ſaid A. C. peaceably to hold the Courts, and to take the profits to his own uſe. Proviſo, That the ſaid Leſſee ſhould have the Rents of the Copyholders and Freeholders. Afterwards the Leſſee granted over the Intereſt of the ſaid Term. It was moved, That by the Exception the Court Baron was not ſevered from the Manor, nor deſtroyed, for it is incident to the Manor: And that the Covenant betwixt the Leſſee and A. C. amounted to a Grant of the Courts to the ſaid A. C. 2. It was ſaid, That when the Leſſee being in poſſeſſion, doth continue it after the two years; and before any entry, the Leſſee Aſſigns his Intereſt, That the ſame is not a good Grant, but only a Right. But the whole Court was of Opinion, That the Grant was good notwithſtanding the ſaid Exception: And that the Covenant was void: For although that A. G. hath Authority to hold the Courts; yet it ought to be in the name of the Leſſee. Trin. 30 Eliz. B. R. *Wheeler* and *Toogoods* Caſe. *Leon.* 1. Part, 118.

Extinguiſhment.

1. IN a Prohibition for Tythes; the Suggeſtion was, That he and all his Predeceſſors were ſeiſed of the Manor of which the Tythes were demanded, diſcharged of Tythes during the time that it was in their poſſeſſion, and ſhewed, That in the time of E. 6. the Manor was conveyed to the Duke of *Somerſet*, and was afterwards re-granted, and came to the Biſhop again. It was Reſolved in this Caſe. That the Preſcription for a Spiritual perſon to be diſcharged of Tythes, was good; and that the Preſcription in this Caſe was not determined when the Tythes came again to the Biſhop, for that Tythe is not a thing iſſuing out of Land; and Unity of Poſſeſſion doth not extinct them, nor a Releaſe of all the right to the Land. Hill. 33 Eliz. B. R. The Biſhop of *Lincoln* and *Coopers* Caſe. *Cro.* 3. Part, 276.

2. A Leaſe was made to Husband and Wife for years, who entred: The Leſſor enfeoffed the Husband, who dyed ſeiſed. The Wife ſurvived and claimed the Term; and if it was extinguiſhed, was the Queſtion. It was Reſolved by the whole Court, That by the acceptance of the Feoffor, the Husband had ſurrendred the Term, and that it was extinguiſhed; but if the Conveyance had bin by Bargain and Sale enrolled, or by Fine, it had bin otherwiſe. Mich. 45 Eliz. B. R. *Downing* and *Seymours* Caſe. *Cro.* 3. Part, 912.

3. Action upon the Caſe, the Plaintiff declared, That he was poſſeſſed for a certain Term to come of the Rectory of M. in the County of B. of which a Curtilage was parcel; in which Curtilage there had bin a watering place time out of mind for all thoſe who had bin ſeiſed of the ſaid Rectory, for them, their Tenants and Leſſees for watering their Cattel, and other Uſes there, and that it flowed from ſuch a Stream of Water, and run over a Hopyard of the Defendants to the ſaid watering place, and the Curtilage aforeſaid, and that the Defendant knowing the ſame, filled and ſtopt the ſaid Water-Courſe with Land and ſtones, and built a Wall upon it to the Plaintiffs damage. The Defendant pleaded, That King H. 8. was ſeiſed of the ſaid Manor, and of the Rectory and Hopyard aforeſaid: and ſo ſeiſed, granted the ſame to one F. in Fee, and F. ſo ſeiſed, one S.

entred

entred, and thereof enfeoffed the Defendant, who being ſo ſeiſed, built the ſaid Wall in the ſaid Hoppard, as was lawfull for him to do: Upon which the Plaintiff demurred. The Queſtion was, If by the Unity of Poſſeſſion the Water-courſe was extinguiſhed. It was Reſolved by all the Juſtices in this Caſe (amongſt other things), That the Water-Courſe was not extinguiſhed by the Unity of Poſſeſſion, and that the Preſcription was not gone, and that the Action brought by the Plaintiff did well lye. Hill. 1 Car. B. R. *Sary* and *Piggots* Caſe. *Latch* 153. See Popham 166. the ſame Caſe.

Feoffments, and *Feoffments to Uſes.*

1. A Man ſeiſed of three Acres in Fee in one County, enfeoffed A. of one of the ſaid Acres to the uſe of the Feoffor in Fee; and of another Acre he enfeoffed B. to the ſame uſe; and of the third Acre he enfeoffed C. and afterwards *Ceſtuy que uſe* of the ſame Acres enfeoffed other perſons in Fee with a Letter of Attorney to D. to deliver Seiſin to the ſaid Feoffee in the name of all the three Acres. In this Caſe it was adjudged by all the Juſtices in B. R. That it was a good Feoffment and Livery, and that by the ſame all the three Acres paſſed, and that it was within the Statute of 1 R. 3. Paſc. 25 H. 8. *Bendlowes* 15.

2. T. C. Archbiſhop of *Canterbury* made a Feoffment in Fee to the uſe of himſelf for life, without Impeachment of Waſte; and after his deceaſe, to the uſe of his Executors for 20 years; and after the 20 years, to the uſe of his Son and Heir in tail. Afterwards he was Attainted of Treaſon, and dyed, ſo as he could make no Executors; and dyed in eſtate without any Aſſignment. Queen *Mary* claimed the Term limited as aforeſaid, and granted the ſame over; the Heir in tail entred, and Leaſed the ſame for 3 years; the Patentee entred, and the Leſſee of the Heir, Tenant in tail, brought *Ejectione firmæ*. The Chief Queſtion in the Caſe was, If T. C. had ſuch a power in the Term that he might forfeit it. It was the Reſolution of the Court, That the future power was not forfeit by the Attainder of T. C. for that the Executors in this Caſe take the Term as Purchaſors, and he hath it not as a Chattel of the Teſtator, but as his own Chattel: And in this Caſe T. C. limits all the Uſes, and then he ſhall not have that which he hath limited to another, and it is in the nature of a Reſervation, which ſhall be taken ſtrictly and ſtrong againſt him that makes the Reſervation. 3. The Lord *Audley* 12 H. 7. enfeoffed J. S. and others of Lands; and afterwards by Indenture reciting the Feoffment and the date of it, and that it was to the intent his Feoffees ſhould perform his Will, to this effect, viz. *My Will is, That my ſaid Feoffees ſhall ſtand ſeiſed, That the ſaid J. S. ſhall receive the yearly Profits of the ſaid Lands 100 l. which he bad lent to the ſaid Lord; and alſo ſtand ſeiſed to pay all his Debts upon Bill ſigned with his hand: And after the debts paid, That the Feoffees make Eſtate unto him the ſaid Lord of the Eſtate of the ſaid Lands, and E. his wife, and to the Heirs of their bodies, with divers Remainders over.* The Lord had Iſſue by the ſaid E. his Wife, a Son and a Daughter. The Feoffees made an Eſtate to the ſaid Lord and his Wife. It was the Opinion of the Juſtices, and other Sages of the Law in this Caſe, That upon this matter, no uſe was changed, for it is not a laſt Will, but an Intent: And although the Feoffees ſhall be ſeiſed to the uſe of the Feoffor and his Heirs, becauſe that no conſideration was for which they ſhould be ſeiſed to their own uſe; yet the ſame cannot make a new uſe to the Lord and his Wife in tail, without containing an Eſtate, for the Wife is a ſtranger to the Land, and alſo to the other Uſe. And it cannot be a Teſtament or laſt Will for the Eſtate mentioned in the ſaid Writing, ought to be made by the ſaid Lord and his Wife, who cannot take by his own Will: And ſo it was Reſolved, That by this writing, no uſe was changed or Eſtate veſted in the Lord or his Wife. Mich. 21 Eliz. in *Cancell.* The Lord *Audleyes* Caſe. *Leon.* 2. Part, 159.

4. In a Replevin, the Caſe was, The Earl of A. was ſeiſed in Fee of the Manour of B. whereof the place where [illegible] Demiſe by

[illegible] Coſtome

Customes in Fee, whereof the Defendant was a Copyholder in Fee. The ſaid Earl enfeoffed diverſ perſons of the ſaid Mannor to the uſe of himſelf for life, and afterwards to the uſe of the Lord *Lumley*, and *Eliz.* his Wife Daughter of the ſaid Earl, and the Heirs of their two bodies begotten; who made a Leaſe of the ſaid Cuſtomary Lands by Indenture unto the Plaintiff for 100 years. The Queſtion was, If by this Leaſe the Lands be ſo ſevered from the Mannor, that the Copyhold is extinct. It was Objected, That by the Leaſe the Cuſtome was gone, and then by conſequence the Cuſtomary Tenure as to that Land is determined. For the Eſtate of the Copyholder is *ſecundum Conſuetudinem Manerii ad voluntatem Domini*; and now by this Leaſe, the Copyholder cannot hold *ſecundum Conſuetudinem*, for now the Services reſerved upon the Copy, and the advantages of Waſte, and other forfeitures are extinct. But it was the Opinion of the whole Court, That the Copyhold did remain, for otherwiſe by ſuch practiſes of the Lords, all the Copyholders in *England* might be defeated; and if any prejudice be grown to the Lord by this his act, it is his own doing, and againſt his own act he ſhall not be relieved. Some of the Juſtices in this Caſe were of Opinion, That the Lord by making this Leaſe, had deſtroyed the Cuſtome as to the Services, but not to the Cuſtomary Intereſt of the Tenant. Trin. 29 Eliz. C.B: *Beal* and *Langl yes* Caſe. *Leon.* 2. Part, 208. See *Cook* 4. Part, *Murrell* and *Smiths* Caſe.

5. The Caſe was, J. S. ſeiſed of the Mannor of W. leaſed the ſame to A. and B. his Wife for the life of the Wife, the Remainder to the right Heirs of the Husband. The Husband made a Feoffment in Fee to the uſe of himſelf and his Wife for their lives, the Remainder to his right Heirs; the Husband dyed, the Wife held in and committed Waſte in a Park parcel of the Mannor. It was moved in this Caſe, If in an Action of Waſte, the Writ of Waſte ſhall ſuppoſe, That the Wife holdeth *ex dimiſſione J. S.* or *ex dimiſſione Viri*. It was the Opinion of the Juſtices, That upon this matter, the Writ ought to be general, *viz.* that ſhe holds in *de hæreditate J. S. hæredis, &c.* without ſaying *ex dimiſſione hujus vel illius* for ſhe is not in by the Leſſor, nor by the Feoffment, but by the Statute of Uſes, and therefore the Writ ſhall be *ex hæreditate*. Alſo in this Caſe, It was Reſolved by the Juſtices, That the Wife was not remitted, but that ſhe is in according to the form of the Feoffment. Hill. 16 Eliz. C. B. *Vavaſors* Caſe. *Leon.* 2. Part, 222.

6. In Treſpaſs upon an Evidence, It was moved, That where an Indenture of Bargain and Sale between J. S. of the one part, and J. D. of the other part; and in the end thereof, a Letter of Attorney to J. N. to make Livery was produced in Court, That it ſhould be void, becauſe the Attorney was not party to the Deed. It was the Opinion of the whole Court, That it was good enough: For in many ſuch Indentures are ſuch Letters of Attorney made; and it is a Common Aſſurance, and therefore good. Mich. 44 Eliz. B. R. *Moil* and *Ewers* Caſe. *Cro.* 3. Part, 905.

7. The Husband ſeiſed of Lands, made a Feoffment upon Condition to enfeoff him and his Wife for life, the Remainder over to a ſtranger in Fee. It was demanded if the Feoffee ſhould be bounden to make the Feoffment before requeſt. The Juſtices conceived, That a Requeſt ought to be made by the Husband, becauſe the particular Eſtate, which is the foundation of the Remainder limited to the ſtranger, ought to be made to the Husband who is party to the Condition. But if the Husband dyes, then it behoves him to make the Feoffment to the Wife without requeſt, becauſe ſhe is a ſtranger to the Condition; and where ſhe dyes before the Feoffment, the Eſtate ought to be made to him to whom the Remainder is limited without requeſt. Mich. 2 Car. in C.B. *Wilkinſons* Caſe. *Hetley* 56.

8. A. made a Feoffment to the uſe of L. in Fee, to the uſe of another in tail, the Remainder to his right Heirs in Fee, *Ceſtuy que uſe* in tail dyed; the firſt Feoffees enter for to re-continue the uſe. It was ſaid, That when Tenant in tail in uſe makes a Feoffment, nothing paſſes but for his own life: For it was ſaid it had bin agreed, where *Ceſtuy que uſe* for life makes a Feoffment in Fee, nothing paſſed but for his life: Then when the Feoffee dyes during the life of *Ceſtuy que uſe* in tail, that cannot be any diſcent of the Fee, but as an Eſtate for life which determines by the death of *Ceſtuy que uſe* in tail; all which was agreed by the Juſtices, for the Diſcent was when he had not any Title of entry: For by the Feoffment he had a Title during the life of *Ceſtuy que uſe* in tail: Wherefore during his life they could not enter, nor make continual claim. But if the diſcent had bin after the death of *Ceſtuy que uſe* in tail, then it ſhould be otherwiſe, for they had a Title to enter before the diſcent. And in this Caſe, the Juſtices ſaid, That *Ceſtuy que uſe* in tail had no other remedy unleſs by the entry of the Feoffees. Mich. 2 Car. C.B. *Waterman* and *Loadmans* Caſe. *Hetley* 56.

9. A man ſeiſed of Lands in Fee, made a Feoffment in Fee to his uſe; and afterwards he made his Will: By which he Deviſed, That the Feoffees ſhould make an Eſtate of the ſame Lands to all his ſons, except H: And if all his ſons dye without Iſſue, that then the Remainder ſhould be to a ſtranger. It was ſaid by *Hutton*, Juſtice, in this Caſe, That becauſe H. was not excepted in the

the laſt Clauſe, that he had an Eſtate tail. Mich. 3 Car. C. B. *Harris* and *Martes* Caſe, *Hetley*, 57.

Fines *levied.*

1. TEnant in tail diſcontinued in Fee, and diſſeiſed the Diſcontinuee, and levied a Fine with proclamation to a ſtranger, and took an Eſtate to himſelf in the ſame Fine in Fee. The Diſcontinuee before all the proclamation paſſed, entred, and made continual claim upon the Lands; and after, the Proclamations paſſed, and within the year after, he entred, and claimed the Lands. And afterwards, the Tenant in tail dyed ſeiſed. The Queſtion was, If the heir in tail was remitted by the Dying ſeiſed, notwithſtanding the Fine levied by his Father? Or if the Entry of the Diſcontinuee was good upon the Iſſue? The Opinion of the Juſtices in this Caſe was, That the heir was not remitted to the ſaid Lands, and that was by the Statute of 32 H. 8. which was a Barr unto him and his heirs by the ſaid Fine. Trinit. 4 Eliz. C.B. *Bendlowes*, 30.

2. A Fine was levied by C. and D. his Wife, to the uſe of A. of a Mannor in Fee, and he by the ſame Fine reuſed the ſame Mannor to the ſaid C. and D. *habend. et tenend. eiſdem C. et D. et eorum alterius dictis viventis, abſq; impetitione waſti, &c.* And *the deceaſſon ipſorum C. et D. prædict. Maneriam, &c. integrè remaneve hæredibus maſculis* of the body *ipſius C. et D. procreatis, &c.* It was the Opinion of the Juſtices in this caſe, That the ſame was a ſpecial tail executed at the beginning in the husband and wife, and not an Eſtate for life, and a remainder to their heirs males of their bodies, as the words did import. *Temps.* Eliz. Sir *John Mordant's* Caſe, *Bendlowes*, 31.

3. *Ejectione Firmæ*; The Caſe was; J. S. ſeiſed of Lands in Fee, by his Will Deviſed the ſame to E. his Wife for life: And further Willed, That when R. his brother ſhould come to the age of 25. years, that he ſhould have the Lands to him and the heirs of his body lawfully begotten: J. S. dyed, who having Iſſue of his body who is his heir; E. F. before he had attained the age of 25. years, levied a Fine of the ſaid Lands with proclamations in the life and during the Seiſin of E. to J. D. If this Fine ſhould barr the Eſtate in tail, was the Queſtion? It was the Opinion of the Juſtices, That it ſhould, And the Lord *Zouch's* Caſe, Mich. 29 & 30 Eliz. was vouched, Where Tenant in tail diſcontinued to E. in Fee; and afterwards levied a Fine to B: In that caſe, although the parties *nihil habuerunt*, yet the Fine ſhould bind the tail. It was Objected, That the principal Caſe differed from that Caſe, for in that Caſe, the Fine was pleaded in Barr; but in this caſe, it is only found by Verdict. But the Court held, The ſame was no difference; For the Fine by the Statute is not any matter of Eſtoppell or Concluſion, but by the Statute doth bind and extinguiſh the Eſtate-tail, and the right of it. And Judgment was given, That the Eſtate Tail by the Fine, was utterly barred. Hill. 31 Eliz. C. B. *John Bellamy's* Caſe. *Leon.* 2. Part, 36, 37.

4. Note: It was agreed by all the Juſtices, That if the Diſſeiſor levieth a Fine, and the Diſſeiſee in preſervation of his right againſt the Fine, entreth his Claym in the Record of the Foot of the Fine, that the ſame is not ſuch a Claym as ſhall avoid the Statute of 4 H. 7. of *Fines*. Mich. 29 Eliz. C. B. *Bafer's* Caſe. *Leon.* 2. Part, 53.

5. Note; It was agreed by the whole Court, That if Tenant for life being of full age, and he in the Remainder within age levy a Fine, and afterwards the Enfant reverſeth the Fine as to him for the Inheritance; That in that caſe, he ſhall not Enter for the Forfeiture, becauſe he joyned in the Fine, and ſo aſſented to it. Trin. 30 Eliz. C. B. *Piggott* and *Raſtell's* Caſe. *Leon.* 2. Part, 108.

6. The Caſe was, A woman Tenant in tail within the Statute of 11 H. 7. accepted of a Fine *Sur Conuſans de Droit come ceo, &c.* And by the ſame Fine, rendred back the Land to the Conuſee for 100 years. It was moved, If this Conveyance and Diſpoſition were within the penalty of the Statute; for the Statute ſpeaks of Diſcontinuances? It was the Opinion of the whole Court, That it was within the Statute; for by ſuch practice, the meaning of the Statute might be defeated: And if ſuch Render for 100 years ſhould be good, it might be for 1000 years, which ſhould be as miſchievous to him in the Reverſion, as a Diſcontinuance. Mich. 30 Eliz. C. B. *Barker* and *Tyſon's* Caſe. *Leon.* 2. Part, 168.

7. Error of a Judgment given in an *Aſſiſe* of a Rent-Charge, in which the Title was, J. S. and A. his Wife were ſeiſed of the Mannors of H. and F; and by Fine conveyed the ſame (*Inter Alia*) to W. by the name of two Mannors, and 50 Meſſuages, and 300 Acres of Land; who by the ſame Fine rendred the Rent of 50 l. to them, and the heirs of A; and rendred the Mannors and Tenements aforeſaid to them for their Lives, the Remainder to G. their ſon in tail; the remainder to the heirs of A: J. S. and A. dyed, and the Rent

diſcended

discended to the Plaintiff as ſon and heir of A; and that G. entred in his Remainder, and thereof enfeoffed the Plaintiff who was Tenant in the Aſſiſe. And upon *Nul tort, &c.* pleaded, It was found for the Plaintiff, and he had Judgment to recover. Upon which, Errour was brought, and divers Errours aſſigned: 1. That the Fine is pleaded of theſe Mannors (*inter alia*) ſo it may be intended, that other Lands paſſed by the Fine, and ſo an Aſſiſe brought againſt him who was only Tenant of the Mannors, was not good; for all the Tenants of the Land ought to be named. This the Court held to be a good Exception. 2. Errour, That the Fine by the grant of the Rent, and of the Land to the ſame perſon by the Fine, is repugnant for the Rent, and ſo void; For ſhe cannot take the Land and Rent at the ſame time. To this the Court ſeemed of Opinion, That the Rent granted by the ſame Fine as the Land was granted, was good: for the Law ſhall marſhall them, and the Grant of both ſhall be good: for firſt the Rent ſhall paſſe, and then it ſhall be as a purchaſe of the Land by A, who was ſeiſed in Fee of the Rent; and the purchaſe of the Remainder in Fee ſhall not extinguiſh the Rent, but it ſhall be in *eſſe* during the particular Eſtate; for by this the poſſeſſion is only charged. And the difference was taken, Where one hath a Rent-ſervice, and he purchaſeth the Remainder or Reverſion in Fee, all the whole Seignory is extinct: for the entire Tenancy is held, but the purchaſe of a Reverſion or Remainder in Fee, doth not extinct a Rent-charge, for it is chargeable upon the poſſeſſion; for he ſhall avow as in Land chargeable to his Diſtreſs. Paſc. 33 Eliz. B.R. *Garnons* and Sir *Henry Weſton*'s Caſe. *Cro.* 3. Part, 226.

8. Errour to reverſe a Fine, 1. Becauſe the Caption of the Conuſans was before R. M. Chief Baron, 27. *Martii*, 27 Eliz. and the Writ of Covenant and *Dedimus Poteſtatem* bore date 9. *Aprilis*, ſo as the Conuſans was taken without Warrant. But the Court ſaid, It was good enough; otherwiſe they ſhould Reverſe divers Fines. 2. Errour, That upon the Caption of the Fine upon the *Dedimus Poteſtatem*, the Land was given to W. and his wife, and to the heirs of the body of the Husband and of the body of the wife begotten; and the Fine engroſſed, was to the Heirs of the body of the Husband upon the Wife begotten; ſo is variant. But all the Juſtices ſaid, That that was not material; for in both caſes the wife had but an Eſtate for life, and the husband an Eſtate tail; and the words are of the ſame ſenſe. 3. Errour, For that the Caption was, *Quod ſi contingat*, the Husband to dye without Iſſue, that it ſhould remain over; and the Fine engroſſed was, *Si contingat*, that the Husband and Wife dye without Iſſue. But the Court held the ſame to be all one; for the Eſtate in Remainder is always limited upon the more long Eſtate, which is the Eſtate tail, yet it was all one in ſenſe. The Fine was affirmed. Paſch. 34 Eliz. C.B. *Argentas* and *Viſtowers* Caſe. *Cro.* 3. Part, 275.

9. *Ejectione Firmæ*, The Caſe was, Tenant in tail of Lands in A, levied a Fine with Proclamation, with the Remainder to himſelf in Fee; The Fine was afterwards reverſed by a Writ of Diſceit; It was thereupon holden by the Court, That the Iſſue in tail was remitted, and ſhould avoid all Eſtates made by him, for that the Fine is void between the parties. But the Tenant in tail after that Fine levied, and before it was reverſed, had made a Leaſe for years, the Remainder over for life: And, Whether the Iſſue might enter and avoid this Leaſe, was the Doubt? It was the Opinion of the Court, That he could not, without a *Scire facias* ſued againſt him who had the Freehold; For he who is to defeat a Record, is always to commence his Suit againſt him who is privy to the Record. But when he hath Reverſed it againſt him, he ought to have a *Scire facias* againſt him who is Terr-Tenant; for it may be that he hath ſome matter to barr him of Execution. Paſch. 38 Eliz. B.R. *Cary* and *Dawyes* Caſe. *Cro.* 3. Part, 471.

10. Note: In an *Ejectione Firmæ*, It was holden by all the Juſtices, That where a Fine was levied with Proclamation, and a friend of him who had right, entred to his uſe to avoid a Fine without his appointment; And the Conuſee re-entred, and the 5. years paſſed; That this Fine is not avoided, but ſhall bind. But the Agreement of him who had the Right within the 5. years after ſuch Entry made in his name, would perhaps ſerve; but an Agreement to it after the 5. years, paſſed not. Paſch. 39 Eliz. B.R. The Lord *Audley* and *Pollard*'s Caſe, *Cro.* 3. Part, 561.

11. Upon a Demurrer, the Caſe was, Tenant in tail of the Guift of the Queen is diſſeiſed; The Diſſeiſor levies a Fine with proclamations, and 5. years paſſe; the Tenant in tail dyes; Whether the Iſſue were bound or not, was the Queſtion? *Anderſon* held, That the Iſſue ſhould be bound, for that he is not helped by the Statute of 34 H. 8. Although it hath been conceived, That his Iſſue may be aided by this Statute: Which the other Juſtices agreed unto. The Court conceived, It was a Caſe to be adviſed upon; for if it ſhould not be remedied by the Equity of the Statute, The Donee of Tenant in tail would ſuffer a Diſſeiſin, and the Diſſeiſor ſhould levy a Fine, and bear the Iſſue. Wherefore it was adjourned. Mich. 40 Eliz. C. B. *Stratfield* and *Divers* Caſe. *Cro.* 3. Part, 595. See afterwards, 612. upon the matter.

state of pleading, without respect had to the matter in Law. It was *Adjudged* for the Defendant.

12. Errour to reverse a Fine; For that the Fine was levied of a Reversion of divers Tenements in *London* in *Golding-Lane*; The Conusee brought a *Quid juris clamat*, and, hanging that, died: The Heir brought a new *Quid juris clamat*, and the Defendant in part claimed Fee; and in the other part, was ready to Attorn; And the Plaintiff accepted thereof, and to the Remainder, *Quod Defendens est sine die, &c.* And the Fine for was engrossed, and proclamations made. The Error assigned was, For that the Conusee is only to have the Election, Whether he will levy the Fine with proclamations, or not; and, he being dead, the Fine ought not to be with proclamation at the Heir's Suit. But the Court Resolved to the contrary; For the Heir hath as well Election to have it with proclamation, as the Ancestor, for it is for his benefit, and the Statute doth not restrain it. 2. Errour, Because the Judgment in the *Quid juris Clamat* is, That the Fine be engrossed for part only; and here it is engrossed for the whole. But the Court Resolved, That was well enough for the bringing of the *Quid juris Clamat* is not material, for the Conusee might have had the Fine engrossed without suing a *Quid juris Clamat*, and the suing thereof is only for his advantage; for without suing thereof, his Fine could not have had any Attornment: Wherefore although the Judgment thereby is, That the Fine be engrossed in part, yet the party if he will, may have all the Fine engrossed, and the proclamations at the time of the Heir after the Fine engrossed, it will enough. Mich. 42 Eliz. B. R. *Stukeley* and *Hedges* Case. *Cro.* 3. Part, 692, 93.

13. In *Replevin*, the Case was, That A. and G. levied a Fine of the place where, *Sur Conusans de Droit come ceo, &c.* And the Conusee rendred *Tenements predict.* to A. in tail, Reserving a Rent, and by the Fine granted it, *Quod Tenementa predicta* remain to G. in Fee; A. died without issue of his body; Whether the Reversion and Rent passed, being by one Fine? Resolved, That they passed, and that it should enure as several Fines. But if one makes a Guift in tail, rendring Rent, the Remainder over in Fee, this being by Deed, is a good Reservation of Rent to the Donor, and the Remainder only shall go to the stranger. It was adjudged for the Avowant. Mich. 41 Eliz. C. B. *White* and *Gerish*'s Case. *Cro.* 3. Part, 77.

14. Note: It was said by *Popham*, Chief Justice, That there are two manner of Conusans of Fines, *viz.* by Commission by *Dedimus Potestatem*; Or in the Court of Common Pleas. And if a *Dedimus Potestatem* be awarded to two, and one of them takes the Conusans of the Fine, and this Fine is afterwards drawn up in the Common-Pleas, Yet the party may well have a Writ of Errour upon that Fine, *viz.* That the Conusans was without Warrant, for it is not contrary to the Record: for the *Dedimus* is parcell of the Record, and the Assignment of Errour agrees with the same. But if such an Erronious Conusans upon *Dedimus Potestatem* be taken, and the Fine is drawn up as a Fine acknowledged in Court; Now no Misprision in the *Dedimus* shall avoid it; For it shall be adjudged as a Fine acknowledged in Court only. Pasc. 1 Jac. B. R. *Arundell* and *Arundell*'s Case. *Yelverton*, 33.

15. In *Ejectione Firmæ*, the Case was this; J. S. seised of Lands in Fee, gave the same to A. his second son, and to the Heirs males of his body, and died: A. is a E. 6. made a Lease for two Lives, the Remainder to the Tenant for life with Warranty: 16 Eliz. A. levied a Fine with proclamation to M. to the use of T. in Fee; who conveyed it to M, and 5. years passed: A. died without Issue; E. his Daughter married J. D, and had Issue the Lessor, and died. All the Tenants for lives died; The eldest son of J. S. survived A, and died without Issue; and the said E. was his Heir. And, If the Entry of R, Son and Heir of J. D, and Heir of E. within 5. years after the death of the Lessees for life, were Congeable or not, was the Question? This Case was often argued, and many Points stirred, but none of them Resolved, nor any Judgment given in the Case. See for the principal Case, and the Arguments at large, Trin. 2 Car. B. R. *Saul* and *Clinks* Case. See the Reports annexed to *Benloe*, 174. *Latch*, 64. & 72.

Fines

Fines *Impoſed, Aſſeſſed, and Granted: And,* Fines *to the* King.

1. THe Queen granted to the Lord *North* and his Heirs, the Fine *pro Licentia Concordandi*; and one would not pay him the Fine: For which the Lord *North* brought an Action upon the Caſe againſt him, and declared upon *Inhabitatus Aſſumpſit*. It was moved to the Court, If ſuch Action would lye for it, or not? It was ſaid, it was a real Fine; and there is no Contract betwixt the parties, but the ſame is given by the Law, and therefore *Aſſumpſit* did not lye for it. *Gawdy*, Juſtice, conceived, That the Action doth well lye for it; And alſo, That Debt lyeth for it, although it be an Inheritance. But the Opinion of *Wray*, Chief Juſtice, was, That this Action did well lye for it, Becauſe he hath not any other remedy for it. Trin. 30 Eliz. B. R. The Lord *North*'s Caſe. *Leon.* 2. Part, 79.

2. Upon a Special Verdict, the Caſe was, A Copyholder in Fee, ſurrendred to the uſe of one for life, the Remainder to another in Fee: Tenant for life is admitted; Afterwards he in the Remainder ſurrendred to the uſe of J. S. in Fee: Of which Surrender the Lord accepted, and admitted J. S: The Tenant for life dyes; the Heir of the firſt Copyholder enters, and J. S. ouſts him. It was moved, That J. S. ſhould have this Land; For firſt, the Admittance of Tenant for life is ſufficient for him in the Remainder, to veſt the Remainder in him. 2. The Lord's Acceptance of the Surrender, is *Quaſi* an Admittance of him; for he allowes him to make a Surrender; and thereby he admits him to have a Remainder whereof to make a Surrender. The Reaſon againſt it is, That then the Lord ſhould loſe his Fine of him in the Remainder. But *Popham*, Chief Juſtice, did contrive. That there is one Fine only due by him upon this Surrender, which the Tenant for life ſhall pay before his Admittance. As where the Queen's Tenant in *Capite* aliens for life, the Remainder over, there is but one Fine due for this Alienation; So in this caſe, unleſs there be a ſpecial Cuſtome, that two Fines ſhall be due. It was not Reſolved, but Adjourned. Mich. 33 Eliz. in B. R. *Gyppis* and *Bassy*'s Caſe. *Cro.* 3. Part, 504.

3. Debt for an Amercement in a Leet; And Declared, That he had a Leet within the Manor of F, of all R. ſtants within the Manor; And that at ſuch a Court holden there before J. S. his Steward there; The Steward telling the Defendant, That he was a Suitor there, and that he ought to be ſworn to Enquire, &c. The Defendant contemptuouſly anſwered him, *It ſeems ſo, Sirrah.* For which the Steward impoſed a Fine of 20 s. upon him; and for it brought Debt. Upon *Nihil dicit*, it was found againſt the Defendant. It was moved, That this was not ſuch a Contempt for which a Fine was to be impoſed. But the Court held it to be an apparant Contempt and an Abuſe unto him being a Judg, and in his Authority; and that he himſelf might aſſeſſe the Fine for ſuch Contempt, and therefore that the Action did lye. Mich. 39 Eliz. B. R. The Earl of *Lincoln* and *Fiſher*'s Caſe. *Cro.* 3. Part, 581.

4. Error of a Judgment in Debt upon an Obligation in C. B. Where the Earl pleaded, *Non eſt factum*, and Judgment againſt him *Quia Capiatur*. Upon Error brought, that was aſſigned for Error, Becauſe he was a Peer of the Realm, againſt whom, a *Capias* lyeth not. But *Non allocatur*; For by this Plea found againſt him, a Fine is due to the Queen; therefore *Capiatur pro fine* lyes well. And the Judgment was affirmed. Mich. 39 Eliz. B. R. The Earl of *Lincoln* and *Elmer*'s Caſe. *Cro.* 3. Part, 503.

5. A. brought a *Habeas Corpus*; for that he was committed to the *Gate-Houſe* by the High Commiſſioners, becauſe before that time he had been Sentenced and enjoyned Penance for Incontinency, and was Fined to the King, and that he ſhould pay Coſts. And for not performing all this he was committed. It was the Opinion of the whole Court in this Caſe, That the High-Commiſſioners cannot impriſon any man for a Fine Impoſed, nor take an Obligation for it to the uſe of the King; but they ought to Eſtreat it into the Exchequer: But for the Penance, or the Eccleſiaſtical Cenſure lawfully made, they might commit the party to priſon, till they conform themſelves to their Sentence. Hill. 2 Jac. B. R. [illegible] 17.

6. Note, by *Popham*, Chief Juſtice, which was alſo agreed by *Yelverton*, Upon the Tryal of W. [illegible] the death of P; That if two be fighting, and the [illegible] are more looking on, who do not endeavour to [illegible] them: If one be killed, That the Lookers on [illegible] be Indicted, and Fined to the King. Paſch. 44 [illegible] B. R. *Williams* Caſe, *Noy*, 50.

7. *Norris* and others of a Jury in the Kings-Bench, were fined to the King, for acquitting one Indicted and Arraigned of Robbery, contrary to their Evidence, and the direction of the Court. It was moved, That the Fine was not duly Impoſed, becauſe it is not ſaid in the Record, That they found for the Defendant *contra evidentias factas*. It was the Opinion of the Juſtices, That the Court of Kings Bench might impoſe Fines upon Jurors, who found againſt the direction of the Juſtices. But it was ſaid, That Juſtices of Aſſize could not Fine upon a Verdict; but only upon a Miſdemeanour for eating and drinking, or the like. Mich. 1 Car. B. R. *Norris*'s Caſe. Forfeiture.

1. IN *Ejectione Firmæ*, upon a Special Verdict found, That Sir R. B. was ſeiſed of Lands in Fee, and thereof enfeoffed one W. and others, upon Condition, That they ſhould regrant it to him and his wife in tail, the Remainder to the right heirs of Sir R. B. who regranted it accordingly: Sir R. B. and F. his Wife had Iſſue A. B. their ſon; Sir R. B. dyed; A. B. levied a Fine with proclamations to Sir G. B. the Leſſor and his heirs, to the uſe of him and his heirs; The Mother afterwards lent it to the Defendant for life, and dyed: Sir G. B. afterwards entred upon the Defendant, pretending his Entry to be lawful by the Statute of 11 H. 7. and lett the Lands to the Plaintiff, upon which the Defendant re entred, and ouſted him. It was in this Caſe, amongſt other Points Reſolved, 1. That Sir G. B. in this caſe was ſuch a perſon, who might well enter for the Forfeiture within the Statute: For it is clear, That by this Fine levied by A. B. being Iſſue in tail in the life of his Mother, the Eſtate tail is barred thereby, And it is *quaſi* a giving of the Eſtate tail to the Conuſee; and as the leaſtwiſe, the Remainder in Fee paſſed by that Fine to Sir G. B. ſo as he had the Remainder at the time of the Diſcontinuance made, and the wrong is done to him, and then he is within the words and Intent of the Statute to enter for the Forfeiture: For the Statute is, That all Diſcontinuance ſhall be void, and that it ſhall be lawfull for him, to whom the Reverſion or Remainder is to enter. Mich. 38 Eliz. B.R. *Lynch* and *Spencer*'s Caſe. *Cro.* 3. Part, 513. See *Cook* 3. Part, 50. Sir *George Browne*'s Caſe, the ſame Caſe, and the Reſolution there.

2. Tenant for life, the Remainder for life; He in the Remainder for life reciting, that he had the Eſtate in Fee, levies a Fine *Sur Conuſans de droit come ceo &c.* The Conuſee brings a *Scire facias* Againſt the Tenant for life made default, whereby he was adjudged to Attorn: which afterwards he did. The Queſtion was, Whether both their Eſtates were forfeited, the one by the Fine, the other by the Attornment thereupon. It was agreed by all the Court in this Caſe, 1. That the firſt Eſtate was not forfeited, becauſe the Attornment was by the Compulſion of the Court, upon his default of appearance, and not upon his meer Motion. 2. And the ſecond Eſtate is not forfeited by this Fine, becauſe the Fine is not any Diſcontinuance; and nothing paſſed thereby, but what he might lawfully paſs. And of that Opinion for the ſecond Point, was *Walmſley* and *Kingsmill*. But the Lord *Anderſon* and *Glanvil*, contrary for the ſecond Point, becauſe the forfeiting is not only where there is a diſcontinuance, but where he doth any Act in Court of Record, whereby he may appear to diſenherit him in the Reverſion, as where he prayes in Aide of a ſtranger: Or in Waſte brought by a ſtranger, he pleads, *Nul Waſte fait*, and ſo admits the Reverſion in him. Quere this ſecond Point, the Court divided in Opinion. Paſc. 42 Eliz. C.B. *Holt* and *Lyſter*'s Caſe. *Cro.* 3. Part, 731.

3. This Caſe was moved to the Court; Land was given to A. for life, the Remainder to B. for life, the Remainder to *Braybrook* in Fee; B. being in poſſeſſion, levied a Fine to a ſtranger *Sur Conuſans de Droit come ceo*; H. dyed; If now *Braybrook* might enter for the Forfeiture, was the Queſtion? It was in this Caſe agreed by the whole Court, That by that Fine, the Remainder in Fee was not touched, nor diſcontinued; but becauſe B. had done as much as in him lay for the diſpoſing of the Fee-ſimple by the Fine, and hath taken that upon him, that the ſame amounts to a Forfeiture. And it was alſo agreed by the Juſtices in this Caſe, That if Tenant for life in poſſeſſion levieth a Fine, &c. If the Leſſor doth not enter within the 5. years after he ſhall be bounden, by the Opinion of *Periam* and *Anderſon*. But *Wrightham* was of a contrary Opinion; For he ſaid, It was in the Election of the Leſſor to re-enter immediatly for the Forfeiture; or elſe at his pleaſure for to expect the death of the Leſſee. Grants and Conceßions of the King; And Grants and Gifts of Common Perſons.

THE Caſe was, The Abbot and Covent of the Monaſtery of E. by Indenture made between them and R. C. reciting, That whereas the ſaid R. C. held a Cloſe of Land in D. at their Will. They by the ſaid Indenture do now Grant the ſaid Cloſe to the ſaid R. C. for the Term of his Life, rendring the ancient Rent, &c. and alſo by the ſame Indenture they do grant the Reverſion of the ſaid Cloſe to one L. M. for his life; That in this Caſe, It was holden by the Juſtices, That the ſaid Indenture ſhould enure unto the ſaid R. C. by way of Confirmation; and that the grant to the ſaid L. M. dependant upon the ſame, ſhould be a good Grant by way of Remainder, and not a Grant of the Reverſion thereof unto the ſaid L. M. Mich. 14 Eliz. *Bendlowes* 18.

2. The Queen ſeiſed of the Rectory of D, Granted *Advocationem Eccleſiæ de D*; If by this Grant the Advowſon paſſeth as Diſappendant, or the Rectory paſſeth as Appropriate, or nothing at all paſſeth, was the Queſtion. It was holden in this Caſe by *Manwood* Chief Baron, That the Advowſon doth not paſs, but doth remain appropriate, as it was before; for the Church as it was appropriated by a judicial Act, ſo without ſuch an Act it cannot be diſappropriated; alſo by the Act of the Advowſon, the Retorn doth not paſs; for by the Appropriation, the Advowſon is gone, and not in *Eſſe*, and ſo by conſequence cannot be granted: And he ſaid, That this Grant was not within the Statute of 4 and 5 *Mariæ*, of Confirmation of Grants of the King; for that Statute doth help but miſ-recital, miſ-naming, or miſ-taking: but here in this Caſe, there is no ſuch thing in *rerum natura*, as is pretended to be paſſed by the Grant, and therefore the Grant is not good. Trin. 26 Eliz. Ex. The Queen and the Lord *Lumley*s Caſe. *Leon.* 2. Part, 80.

3. King *Henry* the 8th. ſeized of certain Lands in the Right of his Dutchy of *Lancaſter*, granted them unto another Tenant in Fee-Farm; *Reddendo dicto Domino Regi & hæredibus ſuis, aut illi cui de jure reddi debet* 10 l. And if this Land ſhould be holden of the King in *Capite*, or holden of the Dutchy, was the Queſtion; and, If the Rent ſhall be in the King as parcell of his Crown, was alſo a Queſtion. It was argued in this Caſe, That this Rent being a thing newly created, and not parcell of the Poſſeſſion of the Dutchy in 1 H. 4. nor ever diſcended from any Anceſtor of the King, being Duke of *Lancaſter*, ſhall be accompted to be in the King in the Right of his Crown, and cannot paſs under the Dutchy-Seal. Mich. 24 Eliz. in the Kings Bench. *Leon.* 162. *Quære*, for the Caſe was not Reſolved.

4. A. took a Wife, and afterwards married E. S. living his firſt Wife, and by Deed gave part of his Goods to the ſaid E. S, and made her his Executrix, and dyed; ſhe refuſed the Executorſhip, whereupon the Ordinary committed Adminiſtration of his Goods to B: It was demanded of the Court, Againſt whom in this Caſe an Action of Debt ſhould lye; for if the Creditor impleadeth the Adminiſtrator, he hath not Aſſets; if the Executrix, ſhe will plead, She hath renounced the Executorſhip, and, that Adminiſtration is granted to B: It was the Opinion of the Juſtices in this Caſe, That the Gift is void, both by the Common Law, and alſo by the Statute of 13 Eliz. and then if the Gift be void any way, the Creditor may have an Action of Debt againſt the ſaid E. S. as Executor of her own wrong. Hill. 16 Eliz. C. B. *Stamfords* Caſe. *Leon.* 2. Part, 323.

5. Note; It was ſaid, That it had been adjudged in *Cranmers* Caſe, That whereas the Queen had granted Lands, reſerving a Fee-Farm Rent, with a Condition of Re-entry for non-payment; and after the Queen granted the Fee-Farm Rent to J. S. in Fee, and then the Rent was behind; that in ſuch Caſe the Queen ſhould not re-enter, for that by that means, ſhe ſhould defeat her own Grant, which would be a wrong to the Grantee of the Rent. Mich. 30 Eliz. B. R. *Cranmers* Caſe. *Cro.* 3. Part, 69.

6. *Quo warranto*, Wherefore he claimed to be diſcharged from the Queens Purveyor; The Defendant pleaded, That King *Edw.* the 4th. granted to the Dean and Chapter of *Pauls* divers Liberties within the Mannors of A. and B; one was to be diſcharged of Purveyance, *Non obſtante aliquo Statuto*: Afterwards, thoſe Mannors came to the

King

King by Surrender, and that King *Edw.* the 6th. granted thoſe Manors with all thoſe Liberties and Priviledges as the Dean and Chapter had by reaſon of any Charters or Preſcription, *Non obſtante aliquo Statuto, & ea warranto* he claimed them. The Statute of 27 Eliz. of Reſignation, was alledged by way of Replevin: It was holden in this Caſe, That the Clauſe being general of all Liberties and Priviledges, it ſhall be intended of ſuch Liberties and Priviledges which the Dean and Chapter had, and were not reclaimed by any Statute; and theſe Liberties were reſumed by 27 H. 8. wherefore they ſhall not be revived by general Words, but by a ſpecial Grant of thoſe Liberties, with an Exprès *Non obſtante* of that Statute. Mich. 39 Eliz. B. R. The Lord *Darcy's* Caſe. *Cro.* 3. Part, 513.

7. King *Henry* the 8th. gave a Manner, with an Advowſon appendant to *Charles Brandon* Duke of S. and the Heirs-Males of his Body, who by Deed enrolled, re-granted it to the King his Heirs and Succeſſors, after the Statute of 34 H. 8. was made; and then the King granted the Advowſon to T. in Fee, which by mean Conveyances came to the Defendant. C. B. dyed without Iſſue-male, The Church being void, the Queen preſented, and the Defendant diſturbed Her, and She brought a *Quare Impedit*; afterwards there were three Preſentments made by the Patentees, under whom the Defendant claimed. There were many Points in this Caſe; 1. Whether this Grant by Tenant in Tail, it being good to bind the Iſſue, the King hath a baſe Fee in him, a Reverſion expectant thereupon; or, If he be in, as in point of Reverter. To that, it was Reſolved, That the King was not ſeiſed of any baſe Fee, but had an abſolute Eſtate given unto him, and was in, in point of Reverter. 2. Whether the Grant to T. the King not reciting his Eſtate, be good. Reſolved, That, admitting the King had two Fees in him, that the Grant by Patent was good, without reciting of the Eſtate. 3 Point, If this double uſurpation ſhould bind the King. Reſolved, That two or three Uſurpations ſhould not put the Queen out of Poſſeſſion, or gain any Title againſt her. Mich. 39 Eliz. C. B. The Queen and *Huſſies* Caſe. *Cro.* 3. Part, 519.

8. Note upon an Evidence in *Ejectione firmæ*; It was cited to be Reſolved by the Judges, upon advice in a Caſe in the Court of Wards, *Bridgewaters* Caſe. That where the Queen had lett Lands, and granted the Reverſion to one, miſreciting the Name of the Tenant, and afterwards made a new Grant to another, with a true recital of the Name of the Tenant, and after that the Statute of 18 Eliz. Of Patents was made; That in that Caſe, It ſhall not receive the firſt Grant, becauſe it was utterly defeated before the Statute. Hill. 43 Eliz. C. B. *Child* and *Lowes* Caſe. *Cro.* 3. Part, 208.

9. Error of a Judgment given in C. B. in Treſpaſs, for taking of Corn; The Defendant pleaded, a ſpecial Juſtifying as his proper Goods; The Plaintiff made Title to them by ſeiſure, for the King. *Philip* and *Mary* by their Letters Patents enrolled, *dederunt & conceſſerunt* to the Town of L. Liberty of a Market, and ſhewed a Cauſe of Seiſure, as an Officer there; Upon which, It was demurred, and Judgment for the Plaintiff, and Error brought and aſſigned, That he pleaded, That the King and Queen by Letters Patents did Grant, but did not ſay *Sub magno Sigillo confertur*; It was holden by the Court to be a good Error; for if it be not Under the Great Seal, it is not good, although the Grant be enrolled: For any Patent may be enrolled. Mich. 31 Eliz. B. R. *Kingdon* and *Bun's* Caſe. *Cro.* 3. Part, 117.

10. A houſe in *Southwark*, holden of the Arch-Biſhop of *Canterbury*, as of his Borough of *Southwark*, came unto King *Hen.* 8th, who granted the ſaid Houſe, and other Lands in *London* and *Middleſex*, to J. S. and his Heirs, to hold of him *in Libero Burgagio*: Queen *Mary* granted the Manor and Borough of *Southwark*, to the Mayor and Comminalty of *London*. The Tenant dyed without heir. It was the Opinion of the Juſtices in this Caſe, That the Queen ſhould have the Eſcheat, and not the Patentees; for that the firſt Patentee held it of the Queen in Socage in *Capite* as of a Seignory in groſs, and that the words (*in libero burgagio*) are void; and Land out of a Borough cannot be holden in *Libero Burgagio*. Mich. 31 Eliz. B. R. *May* and *Ruſſiters* Caſe. *Cro.* 3. Part, 120.

11. The Queen having the Advowſon of the Vicarage of D. granted the Vicarage to J. S; The Queſtion was, If the Advowſon paſſed? It was holden by the Juſtices, That it did not paſs; for by the Queens Grant, nothing ſhall paſſe, but what ſhe intends to paſſe; and the Vicarage is another thing then the Advowſon; and every thing muſt paſſe by its proper name. And it ſhall not paſſe in the Caſe of a Common perſon. Mich 32 Eliz. C. B. *Cro.* 3. Part, 163.

12. The Incumbent of a Church is created a Biſhop; And the Queen grants unto him to hold his Benefice *in Commendam*. It was holden by the Court, That the Grant was good, and that the Queen had this Prerogative by the Common-Law, and the ſame is not taken away by the Statute of 25 H. 8. Hill. 39 Eliz. B. R. *Arniger* and *Holland's* Caſe *Cro.* 3. Part, 542.

13. Note: It was holden by the Juſtices, That Toll is not of neceſſity incident to a Fair. But it

was holden, That the King may grant a Fair; and may grant that Toll ſhall be paid, although it be a charge to the Subject: but then it muſt be of a petit ſum; as 1 d. &c. Trin. 33 Eliz. B. R. *Heddy* and *Wheelers* Caſe. *Cro* 3. Part, 559.

14. A Biſhop is Lord of a Mannor, and the Temporalties of the Biſhoprick are in the Kings hands; during which time, a Copyhold Eſcheats; and the King grants it in Fee. It was the Opinion of the Court in this Caſe, That the Grant of the Copyhold Eſcheated by the King, was good. Paſc. 42 Eliz. C. B. *Coverts Cro.* 3. Part, 754.

15. Debt upon a Leaſe for years, the Plaintiff declared, That R. was ſeiſed in Fee, and lett to the Defendant for years, rendring 40 l. *per annum* Rent, and held it of the Queen by Knight-Service in *Capite*; and that he Deviſed it, and dyed, his Heir within age. Whereupon the Queen under the Seal of the Court of Wards, granted to him the third part of the Reverſion and Rent *durante minore ætate* of the Heir. It was Demurred, Whether this Leaſe for years *durante minore ætate* made under the Seal of the Court of Wards, was good. It was holden by the Court, That it was good; and that ſuch alwayes had been the practice ſince the Erection of the ſaid Court. And in this Caſe, It was holden, That ſuch Leaſe was good before Office. Mich. 43 Eliz. B. R. *Weſt* & *Laſſells* Caſe. *Cro.* 3. Part, 851.

16. In Action upon the Caſe for taking of Toll for paſſage over the Bridg of W, the Plaintiff made Title by Letters Patents of 20 H. 6. to the Colledg of All-Souls in *Oxford*, For them, their Tenants, and Fermors, to be quit of Toll; And ſhewed, That he was a Fermor to the Colledg, and yet the Defendant againſt the form of the Patent had taken Toll of him. The Defendant pleaded in Barr the Statute of Reſumption of all Liberties and Franchiſes granted by King *Hen.* 6. The Plaintiff pleaded the Statute of 4 H. 7. by which all Letters Patents granted to *Hen.* 6. to the Colledg, are made good, notwithſtanding the ſaid Act of 28 H. 6. Upon which the Defendant Demurred. The Queſtion was, If the ſame was a Departure; It was adjudged, That it was not; for there is no new matter compriſed in the Replication, than was in the Declaration; for the Plaintiffs Title ſtill remained upon the Letters Patents. And in this Caſe, It was agreed by the Court, That although the Grant of King *Henry* the 6th. to be diſcharged of Toll, was *tantum pro ſeipſo*, and not for Him, his Heirs and Succeſſors; yet it was good againſt his Succeſſor, as well as in Caſe of Grant of an Intereſt: In the Caſe of Sir *Thomas Wyat*, In *Plow. Comm.* is agreed to be good. Mich. 45 Eliz. B. R. *Wood* and *Hamſheads* Caſe. *Yelv.* 13, 14.

17. In Trover and Converſion of Tythes, It was found, That the Prior of W. was ſeiſed of the Rectory of L, and by Indenture 12 H. 8. leaſed the Tythe-Corn and Hay to M, for 81 years rendring 4 l. *per annum*; and by the ſame Deed granted to the Leſſee and his Aſſignes *dare & reddere* yearly 3 s. 4 d. for Portage. The Priory being diſſolved, it came to the Queen, who 37th. of her Reign, lett the Rectory with the Appurtenances, *Et omnes domos, terras glebales, cum pertin. ad Rectoriam ſpectant. & cum eâdem Rectoria uſualiter dimiſſ. locat. vl occupat. antehac pro annuli redditus*, 3 l. 16. s. 8. d. *per annum*, to J. S. *Habendum* from *Mich. Simulla dimiſſio tunc de Rectoria fuit in eſſe*, and rendring 3 l. 16 s. 8 s. *per annum*. They found, That J. S. granted his Intereſt to the Plaintiff, and that only 3 l. 16 s. 8 d. was only paid in the time of H. 8. Queen *Mary*, and Queen *Elizabeth*; and that the Leaſe by the Prior to M. ended 43 Eliz. It was ſaid in this Caſe, That the Leaſe made by the Queen was not good; For there not being any Conſideration expreſſed, wherefore the Queen ſhould make ſuch Leaſe; It ſhall be intended, That ſhe meant to depart with no other Poſſeſſion than the Abbot had lett before, and to have the ſame Recompence as the Abbot had; and in this Caſe it appears, that the Queen hath lett the Rectory, whereas the Prior lett but part of the Fruit of the Rectory, *viz.* The Tythe of Corn and Hay. 2. The Queen was induced to lett the whole Rectory with the Appurtenances for 3 l. 16 s. 8 d. ſuppoſing the ſame had been the uſual Rent formerly reſerved by the Prior, whereas in truth the Rent was 4 l. and ſo in thoſe things the King was deceived in her Grant; all which was granted unto by the Court; and ſo the Leaſe made by the Queen was void. 18. A. gives Lands to B. his Son, and E. his Wife, *Et eorum primogenit. proli ſucceſſivè*, they having no Iſſue at the time, but after they had Iſſue: It was holden in this Caſe, That after the death of B. and E. the Iſſue ſhould take nothing, becauſe not *in eſſe* at the time of the Grant; and by the Grant the Iſſue was to take joyntly with them. Mich. 30 Eliz. B. R. *Stevens* and *Lawtons* Caſe. *Cro.* 3. Part, 121.

19. In a *Quare Impedit*, the Caſe was, The next avoydance of a Church was granted to A. and B. afterwards A. releaſed to B. the Plaintiff, and after that the Church became void, and Whether B. ſhould Preſent only; or upon a diſturbance have a *Quare Impedit* in his own Name, was the Queſtion. It was holden by the whole Court, That he ſhould; For the next Avoydance is a thing in Intereſt, and is grantable to a Stranger;

ſtranger, wherefore it might be Releaſed the one to the other. But if the Church was void at the time of the Releaſe made, it were otherwiſe; for then it is a thing in Action, which cannot be conveyed over. Mich. 40 Eliz. B. R. *Bennet* and the Biſhop of *Norwich*'s Caſe. *Cro.* 3. Part, 600.

20. A man made a Leaſe at Will, rendring 6 l. *per annum* Rent; and by another Deed reciting this Rent, granted *eundem redditum* for life; The Leaſe at Will ended: It was holden by the Court, That the Grantee ſhould have the Rent for his life; for that *eundem redditum* ſhall be taken for *conſimilem redditum*, or *talem redditum*. Trin. 33 Eliz. B. R. *Kinder* and *Leverſages* Caſe. *Cro.* 3. Part, 241.

21. Husband and Wife poſſeſſed of a Term in the right of his wife Executrix; The husband granted the Term to J. S. for the uſe of the husband and wife for their Lives, and after to the uſe of J. S: The husband is ſued for his debt, and upon a *Fieri facias* ſued, the Sheriff ſells the Term. It was holden in this Caſe, That this Grant is not within the Statutes to defraud Creditors, for it was not extendable for the debt of the husband, and fraud ſhall not be intended, except it be expreſly found. Hill. 35 Eliz. B. R. *Ridler* and *Pauters* Caſe. *Cro.* 3. Part, 291.

22. In a *Quare Impedit*, the Caſe was; The Dean and Chapter of H. granted the next Avoidance of a Church to B; And whether it was a good Grant to bind the Succeſſor by the Statute of 13 Eliz. was the Queſtion? Two of the Juſtices held, That it was not; for although it is not a thing whereof any profit can be made, nor any Rent reſerved; Yet it is an hereditament, whereof the Statute intends that no Grant ſhall be made. And ſo it was ſaid, It was adjudged in the Biſhop of *Litchfields* Caſe. But *Anderſon* held the contrary, for that the Statute doth not reſtrain them, but for ſuch things which are for profit, and by reaſon whereof prejudice might accrue to the Succeſſor; which cannot be in this Caſe. *Ideo Quære.* Mich. 39 Eliz. 23. In Dower, the Defendant pleaded, That *dedit et conceſſit* to her a Rent in Recompence of her Dower; which ſhe accepted of, upon Condition, That if the Rent ſhould not be paid within a moneth, the Deed ſhould be void. It was in that caſe holden by the Court, To be no good Barr of her Dower; But if ſuch a Grant had been good, it ought to have been pleaded, *Quod aſſignavit et non conceſſit*; and in this caſe, the Plaintiff was reſtored to her Dower, without any demand of the Rent. Mich. 38 Eliz. C. B. *Wentworth* and *Wentworths* Caſe. *Cro.* 3. Part, 451.

24. Note: It was holden by the Juſtices, That Common Appendant or Appurtenant being once extinguiſhed by unity of poſſeſſion, can never be revived again. But yet it was holden, That by the words of a Leaſe, *Of all Commons and Profits uſed and occupied with the Meſſuage*, It is a good Grant of a New Common for the time. Hill. 39 Eliz. B. R. *Bagſhaw* and *Eyres* Caſe. *Cro.* 3. Part, 570.

25. In a *Quare Impedit*, the Caſe was; The Corporation of B. was ſeiſed of an Advowſon, and granted the firſt and next Preſentation to S; And afterwards granted *primum et proximum Advocationem* to the Earl of *Bedford*, who granted it to the Plaintiff; The Church afterwards became void; S. preſented his Clerk, who was Admitted, Inſtituted, and Inducted, and then the Church became void again, and the Plaintiff preſented: It was Reſolved in this Caſe by all the Juſtices, That this ſecond Grant was void, ſo as the Plaintiff had not any Title; for when they had granted *primum et proximum præſentationem* to one, they had not any authority to grant it afterwards to another. But if the firſt Deed had been loſt before he had taken benefit thereof, and that it could not be pleaded, the ſecond Grant might have been good. It was adjudged for the Defendant. Mich. 42 Eliz. C. 26. Debt upon Obligation to perform Covenants in an Indenture; which Recited, That whereas the Archbiſhop of *York* had Demiſed by Indenture to the Defendant and one W. ſuch Lands and a Mill for a year, and that W. dyed, whereby he had all by Survivour, That he granted, bargained, and aliened the ſaid Land and Mill *et totum jus, et titulum ſuum in præmiſſis* to the Plaintiff, to hold during the years; and aſſigned breach, That W. in his life-time had granted his Eſtate to a ſtranger; who after this Grant entred, and evicted him out of a moyety. The Queſtion was, If this word (*Grant*) did imply an expreſſe Warranty againſt this Title, without any other expreſſe words of Warranty? It was the Opinion of the Juſtices, That they did not. Habeas Corpus.

1. AN *Habeas Corpus* was to the Warden of the Fleet, to bring the body of one H, who Retorned the Writ, That the ſaid H. was committed to the Fleet *per Mandatum Franciſci Walſingham, Militis, unius Principalium Secretariorum Dominæ Reginæ.* And becauſe the Warden did not ſhew, in his Retorn, for what cauſe the ſaid H. was committed. The Court gave him day to amend his Retorn; or otherwiſe the Priſoner ſhould be delivered. Trin. 29 Eliz. C. B. *Hillyards* Caſe. *Leon.* 2. Part, 175.

2. *Habeas Corpus* out of the Kings-Bench, to have the body of one S. committed to the Marſhalſey by the Judge of the Admiralty: And upon the Retorn, the Cauſe appeared to B, for abetting of one E, who was Indicted of Piracy, to eſcape out of Priſon, and aſſiſting him with Ropes and other Engines to break open the Priſon. It was holden by the Court, That although the Fact was committed by S. upon the Land, and within the body of the County; yet becauſe it depended upon the Piracy committed by E, with whom the Temporal Judges have nothing to do; for this cauſe they demanded the Priſoner: for this is *quaſi* an Acceſſory to the firſt Piracy, and determinable by the Admiral. 3. *Habeas Corpus* was directed to the Biſhop of *Durham*, to bring a Priſoner unto the Kings-Bench; He made no Retorn of the Writ: Wherefore another Writ was prayed, with a Peyn in it; And 43 E. 3. vouched, an *Habeas Corpus* retorned from *Burdeaux*. And the Clerks of the Crown ſaid, That many times a *Certiorari* had been retorned from *Durham*. Heir.

NOte, by the Opinion of the Common-Pleas, That if a man hath Iſſue a Son and a Daughter by one woman, and a Daughter by another woman, and he makes a Leaſe for life of Land without any thing reſerved, and the Father dyeth, and the Reverſion diſcendeth to the ſon; and the ſon hath Iſſue a ſon, and dyeth, and the Reverſion diſcends to his ſon, who dyeth without Iſſue; and after, the Leſſee for life dyeth; That now both the ſiſters by the ſeverall Women ſhall have the Lands as heir to their Father, and not the daughter of the firſt Woman only. Mich. 7 Eliz. *Bendlowes*, 22.

2. A. Deviſed Lands to D. and 3. others in Fee, to the uſe of J. S. her brother, and the Heirs males of his body; and for want of ſuch Iſſue, to the Heirs females of his body, with divers Remainders over: J.S. dyed, having Iſſue a Daughter; his Wife with Child with a Son, which is afterwards born: And afterwards A. dyed. The Queſtion was, If the Son or Daughter, or neither of them, ſhould have the Land. It was Reſolved by the Juſtices, That neither of them ſhould have the Land: for it being deviſed to the uſe of J. S. *ut ſupra*; and he dying before the Deviſor, this cannot veſt in the Heir, for it never veſted in the Auncеſtor; for the words (Heirs) are not to give the immediate Eſtate but by way of Limitation: and if this ſhall veſt in the Heir, it ſhall veſt in him as a Purchaſor, which was not the Intent of the Deviſor: and ſo it ſhall be void. Trin. 33 Eliz. *Cur. Ward. Hartopp's* Caſe. *Cro.* 3. Part, 243.

3. Errour: For that in Debt againſt the Heir, upon an Obligation made by his Father, the Judgment being againſt him by *Nihil dicit*, Execution was awarded againſt him by a *Capias ad ſatisfaciend.* whereas the Lands, only diſcended unto him, ought to have been put in Execution, and

and not his body, nor his other Lands. And therefore the Errour was assigned, *Tam in reddition Judicii, quam in redditione Executionis.* The Court held it not to be Error; For the Judgment and Execution shall be general, unlesse the Heir acknowledgeth the Action, and sheweth that he hath so much by discent. But when the Heir will not shew, that he hath so much by discent, and so loseth the benefit which the Lawes give him, It shall be intended, that he hath Assets to satisfie. And it was said, That it had been adjudged, 19 Eliz. in *Lyons* Case, That in this Case, Execution should be awarded against the Heir as for his proper debt. *Gawdy*, Justice, said, If there be Errour in this Case, it is only in the Judgment, and not in the Execution. Mich. 42 Eliz. B. R. *Barker* and *Browns* Case. *Cro.* 3. Part, 692.

Heriot.

1. NOte by the Justices of the Common Pleas, That where a man in a Replevin justifies for Heriot-Custome, It is no Plea for the Plaintiff to say, That the place where is out of his Fee, because he claims the Heriot as his proper Chattel, which he may seize in any place where he shall find it. But for Heriot-Service he ought to distrein, and not to seize. Pasc. 35 H. 8. C. B. Sir *John Gresham* and *Gosfords* Case. *Bendlowes* 18.

2. In Trespass, the Case was; In the Manner of E. within the County of W. there was this Custome, That if the Lord of the Mannor for the time being, after the death of any Tenants of any Lands or Tenements aswell Freehold as Copyhold within the said Mannor, That the Tenant should pay to the Lord of the Mannor for the time being some Rent more or less for the said Tenements; and if the Tenants dyed seised, they used to have the best Beast which was the Tenants, or any others Inhabitants, or dwellers upon the said Tenements at the time of the death of the said Tenant in name of a Heriot, and that they might seize, take, and lead away the said Heriot: And that, as it appears by the Record, was adjudged to be a void Custome. For the Defendants took a Beast of the Plaintiff who was an Inhabitant upon the Tenements within the Mannor at the time of the death of the Tenant. And Judgment was given for the Plaintiff, That he should recover his Damages. Pasc. 1 Eliz. *Bendlowes* 39.

3. In Debt, the Plaintiff demanded 200 Marks upon the Statute of 13 Eliz. of Fraudulent Deeds and Gifts, and declared upon the second branch of the said Act. And shewed, That A. held 12 Acres of Customary Lands of the Plaintiff, and dyed seised; and that by the Custome of the Mannor, the Lord was to have for a Heriot the best Beast, whereof his Tenant dyed possessed. And further shewed, That the said A. in his life time, and a little before his death being possessed of 30 Horses of the value of 200 Marks, gave the said Horses to the Defendant, with an intent for to defraud the Plaintiff and other Lords, of their Heriots; and that after the death of his Tenant, he went to the Defendants house to seize his Heriot; and the Defendant then took the said Horses by reason of the said gift. The Defendant pleaded, That the Plaintiff had seised one of the Horses *Nomine Herioti*; and as to the rest, he did demur in Law. It was said, That the Plaintiff should recover the whole 200 Marks although he was defrauded but of one Heriot only: As if a man be endebted to me in 20 l. and he makes a fraudulent Deed of his Goods, being of the value of 2000 l. although I be defrauded but of the 20 l. yet he shall forfeit the whole value of the goods so conveyed. But the Court was of Opinion, That the Plaintiff should recover but the value of one of the Horses. And the gift by the first branch of the Act is void as to the Plaintiff but for one of the Horses only, and not for all the Horses contained in the gift; for no more then one horse was fraudulently given, and as by the first branch the gift is void but for one horse, so by the second branch the penalty extends but to one horse, and no further: Wherefore the Court said to the Plaintiffs Councel, Set a price upon any of the 30 Horses, as the best horse in your Election, and demand the value of that horse as forfeit by the Statute. Mich. 19 Eliz. C. B. *Crefwell* and *Cokes* Case: *Leon.* 2. Part, 8.

Hostler.

Hoſtler.

1. ACtion upon the Caſe, the Plaintiff declared, That he was an Hoſtler, and that the Defendant brought his Horſe to him, and agreed to give 6 d. Livery for day and night, and becauſe the Horſe had bin there ſo many dayes and nights as amounted to 20 l. he brought the Action, and declared *licet ſæpius requiſitus*, without alledging any eſpecial requeſt, and it was adjudged good; for where the ground of the Action is a Debt, in which Caſe the Law inducetth a promiſe, there the requeſt is not iſſuable, nor any part of the conſideration; otherwiſe where the Action is grounded upon a collateral matter: And it was Reſolved, That though the Plaintiff hath joyned ſo many dayes and nights together, and demands recompence upon the promiſe accordingly; yet the ſame is good, and he is not bound to bring his Action for every 6 d. but the promiſe is entire in it ſelf, all which the horſe ſhall take day and night. And in this Caſe, it was agreed, That if a man brings his horſe to an Inn, and leaves the ſame in the Stable there, without any ſpecial agreement to pay, the Inn-keeper is not bound to deliver the Horſe till the Owner hath defrayed his charge for the Horſe, but he may juſtify the detaining of the Horſe. And if the Horſe eat out as much as he is worth, the Inn-keeper upon a reaſonable praiſement may ſell the horſe, and it is a good ſale in Law. Trin. 3 Jac. B. R. The Caſe of the Hoſtler. *Yelverton 66, 67.*

2. Action upon the Caſe, the Plaintiff declared upon the general Cuſtome of the Realm, That all Inn-keepers ſhould ſafely keep the goods of their gueſts, ſo as they be not loſt in default of them and their Servants; and that the Defendant before 20 *Dec.* 6 Jac. kept, and yet doth keep a common Inn at D. in the County of W. and that the Plaintiffs ſervant came the ſaid 20. *December*, to his Inn, having in his keeping 70 l. of money of the Plaintiffs goods, and that perſons unknown in default of the Defendant and his Servants, took and carried away his money to his damage of 100 l. Upon Not Guilty found for the Plaintiff, It was moved, That the Action did not lye for the Maſter upon a Robbery of his Servant. But the Exception was diſallowed, becauſe the loſs is the Maſters. and he only ſhall have an Appeal of the Robbery. 2. Objected, That it doth not appear that he was his Servant at the time of the money loſt. But *Non allocatur* for that it is expreſly alledged, That he was his Servant when he lodged in the Inn. And the Court ſaid, It was not material whether he was his Servant or not: For if he was his friend by whom the party ſent his money, if he be robbed of it, the very Owner ſhall have the Action. Mich. 7 Jac. B.R. *Bedle* and *Morris's* Caſe. *Yelverton 162.*

3. Note, It was ſaid by *Doddridge* Juſtice, That if a Paſſenger lodgeth three dayes together in a common Inn, then the Hoſtler is not anſwerable for the goods if they be ſtollen out of the Chamber. Hill. 22 Jac. *Gulielms* Caſe. *Latch*, 88.

4. A Maſter brought an Action upon the Caſe; and declared upon the general Cuſtome of the Realm, That Inn-keepers ſhould keep the goods of their gueſts ſafe: and ſhewed, That R. his Servant lodged in the Inn, being a common Inn, and had ſuch goods of his Maſters with him, which by negligence were ſtolen. It being found for the Plaintiff. In ſtay of Judgment it was moved, That it is not alledged, That the Servant was (*tranſient*) travelling. And it was ſaid, That it was adjudged, Paſc. 4 Jac. in *Kelly* and *Clarks* Caſe. A ſervant came to an Inn, and left his goods there, and ſaid he would return in two or three dayes; and went away, and his goods were ſtolen: and an Action did not lye againſt the Inn-keeper: Otherwiſe if he had ſaid he would return at night. But the Opinion of the Court in the principal Caſe was, That the Action did lye: For it was ſaid it had bin oftentimes adjudged, That if the Servant be robbed of his Maſters goods, the Maſter ſhould have the Action againſt the Hundred upon the Statute of *Winchester*: which is a ſtronger Caſe then this is. And it was ſaid in this Caſe, That Clothiers who come to *London* with Cloaths to ſell, ſtay commonly a Week, and if they be robbed of their goods in the Inn, the Inn-keeper ſhall anſwer for them. Trin. 1 Car. B. R. *Drope* and *Thaires* Caſe. *Latch*, 126.

Huy-and-Cry.

1. IN an Action brought againſt an Hundred; The Plaintiff declared upon the Statute of *Winton*, 13 E. 1. and ſhewed, That he had performed the Limitations and Ordinances within the Statute of 27 Eliz. and concluded *contra formam Statuti prædict.* And the Iſſue being found for the Plaintiff, It was alledged, That the Declaration was not good, becauſe he having declared upon two Statutes, he ought to have concluded *Contra formam Statutorum.* But the ſame Exception was diſallowed by the Court, becauſe in this Caſe, the Action is grounded only upon the Statute of *Winton.* And the Statute of 27 Eliz. is rather in reſtraint and hinderance of the Action then otherwiſe; for whereas the party might have his Action before generally againſt the Hundred, Now by the Statute of 27 Eliz. certain Circumſtances are to be performed before he can charge the Hundred: And therefore it is ſufficient to conclude *Contra formam Statuti*, which of neceſſity ſhall have reference to the Statute of 13 E. 1. of *Winchester.* And the Court was clear of Opinion, That if the Plaintiff had concluded *contra formam Statutorum*, That it had not bin good. Mich. 5 Jac. B. R. *Andrew* and the Hundred of *Lewknors* Caſe. *Yelverton* 116. See *Noy* 125. the ſame Caſe.

Feofailes.

1. NOte, It was the Opinion of the Juſtices of the Common Pleas, That notwithſtanding the Statute of 32 H. 8. cap. 30. Of Jeofails, That if a Verdict paſſeth againſt the Vouchee, yet he ſhall have a Writ of Error. And alſo note, That if any default be in any Original, or in the Retorn thereof, or in the Verdict, or in the Judgment, or in the Declaration; ſo as it appears fully to the Court, That the Plaintiff hath not cauſe of Action. If Judgment be given upon ſuch like Originalls for the Plaintiff, the Defendant in the Caſes aforeſaid ſhall have a Writ of Error notwithſtanding the ſaid Statute, and theſe defects are not medied by the ſaid Statute. Mich. 1, & 2. Ma. *Bendlowes* 12.

2. Note, It was Reſolved, That where an Iſſue is put to be tryed *per Aſſiſam*, where it ſhould be tryed *per Patriam*, and the point of the Iſſue is to be tryed by a Forrein County, that the ſame is not good, nor remedyed by the Statute of 32 H. 8. of Jeofailes, as it was adjudged. Mich. 11 Eliz. B. R. in *Butler* and *Crowches* Caſe. *Bendlowes* 40.

3. Error of a Judgment in *Ejectione firmæ*; The Plaintiff declared of a Leaſe of W. Y. 13. *April*, 36 Eliz. The Defendant ſaid, That long before W. Y. had any thing, *Th. C.* was ſeiſed in Fee, and 25 *Martii*, 24 Eliz. let the Land to J. Y. for 21 years, which J. Y. 32 Eliz. let them to W. Y. for 8 years, if one A. Y. ſhould ſo long live, That the ſaid W. Y. being ſo poſſeſſed, that J. Y. 11 *July*, 33 Eliz. dyed Inteſtate, and that the Adminiſtration of the goods of the ſaid J. Y. were committed by the Biſhop of C. to H. B. That W. Y. ſo poſſeſſed, let as is in the Declaration, That afterwards 36 Eliz. A. Y. dyed, whereupon the Defendant as Servant to H. B. and by his command, Arreſted him, *et hoc*, &c. The Plaintiff replyed, confeſſing the Leaſe to J. Y. but ſaid, That the ſaid J. Y. 30 *Junii*, 30 Eliz. granted all his Intereſt to A. Y. and that the ſaid A. Y. 31 *July*, 35 Eliz. dyed Inteſtate, That the Biſhop of *Cant.* 27 *Aug.* 35 Eliz. committed the Adminiſtration of all the goods of A. Y. to the ſaid W. Y. who by force hereof entred and made a Leaſe *prout*, in the Declaration. And traverſed, That the ſaid J. Y. let it to W. Y. for 8 years *prout* in the bar. Upon which Iſſue was joyned, and found for the Plaintiff, and Judgment. The Error aſſigned was, That he had traverſed that Eſtate which was an Eſtate determined, and by him in his Replication avoided before; for he in his Replication affirms, That the ſaid J. Y. 30 Eliz. had granted all his Eſtate

to A. Y. under whom he made Title; then, although afterwards he makes the Leaſe to W. Y. It is not material, and then the traverſe is idle, and the Judgment Erronious. But all the Juſtices held, That although it be an ill traverſe, yet being tryed, and Verdict given, it is aided by the Statute of Jeofailes, and the Judgment thereupon is well given. Mich. 38 Eliz. *Exchequer Chamber. Bingham* and *Smithweeks* Caſe. *Cro.* 3. Part, 456.

4. Replevin, the Defendant avowed for damage Feaſants. The Plaintiff replyed, That he had a Cloſe adjoyning to the Defendants Cloſe, and that the Defendant and all the Occupiers of the ſaid Cloſe, time whereof, &c. had uſed to repair the Fences between the Cloſes. Iſſue was taken upon the Preſcription, and found for the Avowant. It was moved in ſtay of Judgment, That the Preſcription was too general, for that Tenant at Will at ſufferance, and Diſſeiſors, are Occupiers. It was the Opinion of the Court, That the Preſcription was not good. But yet in regard Iſſue is taken upon the Preſcription, and a Verdict hath found it, it is not any cauſe for ſtaying of Judgment, but it is helped by the Statute of Jeofailes. Mich. 38 Eliz. C. B. *Auſty* and *Fawkners* Caſe. *Cro.* 3. Part, 445, 446.

5. Error of a Judgment in C. B. becauſe the *Venire facias* bore date 24 *December*, which was out of Term. It was ruled to be no Error, but helped by the Statute of Jeofailes. Another Error, That the Writ was made returnable *coram Juſticiariis noſtris*, and doth not ſay *apud Weſtm. ſed non allocatur*, for that ſhall be intended. 3. The Writ was, *Et habens ibi nomina*, and leaves out *Juratorum*. That was holden to be only the Miſpriſion of the Clark, and awarded it ſhould be amended, and the Judgment was affirmed. Paſc. 38 Eliz. B. R. *Willoughly* and *Grey's* Caſe. *Cro.* 3. Part, 467.

6. *Aſſumpſit*, the Defendant pleaded, Not Guilty found for the Plaintiff. It was moved in ſtay of Judgment, That this was not an Iſſue in this Action. It was holden by the Court, That although it be not a proper Iſſue, and the Plaintiff might have demurred upon it: yet becauſe in this Action there is a Diſceit alledged to charge the Defendant, Not Guilty is an anſwer thereunto: and that it is but an Iſſue miſ-joyned, which is aided by the Statute of Jeofailes, being after Verdict; and it is an Iſſue, but an imperfect Iſſue, and the Statute aids miſ-joyning of Iſſues, or other faults: Wherefore it was adjudged for the Plaintiff. Paſc. 38 Eliz. B. R. *Corbyn* and *Brownes* Caſe. *Cro.* 3. Part, 470.

7. Error of a Judgment in *Plymouth* in *Aſſumpſit*, where the Defendant pleaded *Non Aſſumpſit*, and found againſt him. The Error aſſigned was, becauſe the ſtyle of the Court is *Burgis Domine Regine Burgi de Plymouth, Tent. ibid. apud Guild-hall, coram J. P. Majore ejuſdem Burgi 18 April*, 36 Eliz. and ſhews not in the ſtyle of the Court by what Authority it was holden, *ſcil.* by Preſcription, or by Charter; and in inferiour Courts their Authority to hold Pleas ought to be ſhewed. That was holden to be Error, and for that the Judgment was reverſed. A ſecond Error was, becauſe it appeared not upon the Record, That the Defendant came in by Attachment, or that he declared againſt him *ſub Cuſtodia*, &c. But the Record is certified in this manner, *viz. W. C. Queretur verſus G. H. de placito tranſgreſſ. ſuper Caſum*, &c. *Et ſunt pledgii de proſequend. J. D. et R. R. Et unde idem W. Queritur, Quod cum*, &c. ſo he ſhews not that any proceſs was awarded againſt the Defendant, nor that he came in by proceſs, nor that he was *ſub Cuſtodia* of any, which is the uſual courſe. It was doubted, Whether that was not aided by the Statute of Jeofailes being after Verdict. 3. Error, becauſe here was a Diſcontinuance after Verdict, and before Judgment. And the Statute did not aid Diſcontinuances after Verdict, but only Diſcontinuances before Verdicts, whereof the party might have advantage before Tryall. It was to that ſaid by the Juſtices, That the Statute aided all Diſcontinuances, aſwell after Verdict, as before Verdict. Mich. 39 Eliz. B. R. *Holman* and *Collins* Caſe. *Cro.* 3. Part, 489.

8. Waſte againſt the Defendant and his Wife, late Wife of G. G. the Writ was general, That the Wife held the Lands *ex dimiſſione* G. G. and the Count was ſpecial, That G. G. enfeoffed divers others, to the intent a Recovery ſhould be ſuffered againſt them, wherein they ſhould vouch G. G. who ſhould vouch the common Vouchee, which ſhould be to the uſe of G. G. for life; and after to the uſe of A. his Wife (now Defendant) and after to the uſe of G. G. in tail, the Remainder to his right Heirs, which was executed accordingly. After *Nul waſte* pleaded, It was found for the Plaintiff. It was moved in ſtay of Judgment, That the Writ did not Warrant the Count, for the Writ ought to be ſpecial and have recited all the matter. or it ought to have ſuppoſed the Deviſe of the Feoffees. For this is the Caſe, The Land and the uſe are in the Feoffees untill the Recovery, which is a limitation to the uſe by them, and not by the Vouchee: and although this being moved after Verdict, it was ſaid it was helped by the Statute of 18 Eliz. which helps where there is not any Writ. Yet the Opinion of the Court was, That this was not helped by the ſaid Statute, for that helps but where there is not any Writ at all, but where there is a good Writ, as here, but if it warrants not the Count,

Count, it is otherwiſe; for if it be an ill Writ, it is not holpen by the Statute. Mich. 41 Eliz. C. B. *Greenfield* and *Dennis's* Caſe, *Cro.* 3. Part, 721.

9. Replevin. Avowry, That E. E. was ſeiſed in Fee of three Acres of Lands in D. and took T. P. to Husband, by whom he had Iſſue T. E. dyed, the Husband was in by the Curteſy. T. the Heir in Reverſion granted a Rent of 10 s. out of the three Acres to the Defendant, and for ſo much he avowed. The Plaintiff ſaid, That before E. had any thing, J. S. was ſeiſed in Fee, and gave the Land to J. E. in tail. J. had Iſſue E. the Avowant, who after the death of his Father had entred, and was ſeiſed in tail, who took to Huſband *ut ſupra*, and had Iſſue T. *ut ſupra*, and dyed, and T. being in the Reverſion in the life of the Tenant by the Curteſy, granted *ut ſupra abſque hoc*, that E. E. was ſeiſed of the three Acres, and upon that Iſſue was joyned, and found for the Avowant. It was moved in ſtay of Judgment, That in effect there was no Iſſue joyned, for the Traverſe of the Seiſin of E. E. is idle, for no Title of the rent is derived from him; but he ought to have traverſed the Seiſin of *Tho.* the Grantor, and the Iſſue ought to be of ſuch a nature as might make an end of the matter of doubt, which is not done in this Caſe. It was holden by the Court, That although an apter Iſſue might have bin taken, and that the Traverſe is not good: Yet the ſame is helped by the Statute of Jeofailes; for the Eſtate of E. E. was in a ſort and by Circumſtance material, for if ſhe was ſeiſed in tail, the ſame diſcended to T. the Grantor, then by his death the Rent is determined; but if the Feeſimple diſcended to T. from E. then the ſame enabled the Eſtate of T. to be ſuch, that he might grant a ſufficient charge. It was the Opinion of the Juſtices, That it was aided by the Statute. Mich. 2 Jac. B. R. *Pigot* and *Pigots* Caſe. *Yelverton* 54.

10. Error of a Judgment in C. B. In Debt upon an Obligation againſt the Defendant as heir to his Father; the Defendant pleaded nothing by Diſcent but 20 Acres in D. in ſuch a County. The Plaintiff replyed, That the Defendant had more by Diſcent in S. viz. ſo much, and upon that they were at Iſſue, and found for the Defendant, That he had nothing by Diſcent in S. for which the Plaintiff had Judgment to have Execution of the 20 Acres in D. Upon which Error was brought, and aſſigned for Error a Diſcontinuance in the Record of the Plea, from *Eaſter* Term to *Mich.* Term following: And if the ſame was aided by the Statute of 18 Eliz. being after Verdict, was the Queſtion. It was adjudged, That it was Error, and out of the Statute, becauſe the Judgment was not founded upon the Verdict, but only upon the confeſſion of Actions, and the Verdict here was not to the purpoſe, but only made the confeſſion of the Defendant the ſtranger. And the Statute of 18 Eliz. is to be intended where the Tryal by the Verdict is the means and cauſe of the Judgment. The Judgment was reverſed. Hill. 7 Jac. B. R. *Molineux* and *Molineux's* Caſe. *Telv.* 169.

11. Debt upon an Obligation, the Condition was to pay 100 l. 31 *Sept.* The Defendant pleaded payment at the day; Upon which they were at Iſſue, and found for the Plaintiff. It was moved in ſtay of Judgment, becauſe every Iſſue ought to be poſſible to be found for the Plaintiff or Defendant, but here it is not poſſible, becauſe *Sept.* hath but 30 dayes. *Doddridge* Juſtice ſaid, That the payment being at a day impoſſible, it ſhould be preſently, and when the payment is not found at the day, it ſhall be intended unpaid upon the day. It was the Opinion of the Court, That here was a good Action, and a good Declaration, the fault only is in the Iſſue, which after Verdict is helped by the Statute of 18 Eliz. The Court would not ſtay Judgment. Hill. 2 Car. B. R. *Gibbon* and *Purchaſe* Caſe. *Latch* 152.

12. In an Action upon the Caſe for words in C. B. Upon the general Iſſue it was found for the Plaintiff, and Judgment. Error brought, becauſe the Plaintiff being within age appeared by Attorney. The Defendant in the Writ of Error, and the Plaintiff in C. B. replyed, That he was of full age at the time of his appearance, and upon that a *Venire facias* awarded of H. where the words were ſpoken; where it was found, That the Plaintiff was of full age. It was ſaid, That that was a Miſ-Tryal not helped by any Statute, which the Court agreed, The Statute of 21 Jac. doth not help it, for that is where the *Venire facias* is of one place, where it ſhould be of another; but in this Caſe it was of no place, for here is no place from whence the *Venire* ſhould be: And *Doddridge* Juſtice ſaid, That the Statutes of Jeofailes are alwayes to be expounded according to the Letter. Hill. 2 Car. B. R. *Taylor* and *Tolwins* Caſe. *Latch* 193.

Indictments. See *Endictments.*

1. ELiz. D. was Indicted upon the Statute of 23 Eliz. of *Recusancy*; Exception was taken to the Indictment, Because that these words of the Statute were omitted out of the Indictment, viz. *Non habens aliquam rationabilem Causam.* But the Exception was disallowed by the Court. For *Wray*, Chief Justice, said, That upon Conference betwixt him and all his Companions, It was Resolved by them, That those words are not to be put into the Indictment, but are to come in on the other side. Trin. 32 Eliz. B. R. *Dormer's* Case. *Leon.* 2. Part, 5.

2. W. and two others, were Indicted; That whereas the Parson of the Church of D. and all his Predecessors have used to have Common in such a place, the said W, *vi et Armis*, had inclosed it, and the Inclosure was upon their own Lands. It was moved, That upon this matter they ought not to be Indicted, but the party grieved was put to his Action. And it was said, It was *Mordants* Case, 29 Eliz. Upon the stopping of a Way upon his own Lands. And it was said, It was but an hinderance from taking of Common, which cannot be *vi et Armis*. It was further said, That the Indictment is recorded and certified as found before Justices of Assise, and Gaol-Delivery; and they cannot take such Presentments: And although the said Justices of Assize and Goal-Delivery, were also Justices of the Peace, *in vi veritate*: yet the Indictment being recorded and Certified to be taken before them in quality of Justices of the Peace, will not help it; for the Court shall not respect any other authority but that which appeareth upon Record. Wherefore the parties were discharged by the Court. Mich. 30 Eliz. B. R. *Willoughby's* Case. *Leon.* 2. Part, 117.

3. A man was Indicted at *Oxford* in the Sessions there; For that he was a Common Barretor; And upon a Motion made in B. R. the Indictment was reversed, because that no time was alledged when he was a Common Barretor, and stirred up strifes: and yet the Indictment was, That he was, and is a Common Barretor: And also there was no place alledged where he was a Common Barretor. Informations.

1. IN Information upon the Statute of 32 H. 8. of Maintenance, the Case was, J. B. was seised, and gave Lands to T. B. and the Heirs of his body; the Remainder to R. B. and the heirs males of his body: The Remainder to the right heirs of J. B: T. B. dyed, having Issue a daughter: R. B. made a Lease for years of the Lands: It was holden by the Court, To be no Maintenance within the said Statute; for he in the Remainder might make a Lease for years. Then it was given in Evidence, That a Common Recovery was had against the husband and wife, with a single voucher; and so the Remainder limited to R. B. destroyed; And that after that Recovery, R. B. made the Lease. To which it was said, That the said Recovery was never executed, and no Discontinuance of the Remainder, and then the Lease made by R. B. was void. And the truth of the Case was, That such a Recovery was had, and an *Habere facias seisinam* awarded, and returned; but no Execution was, in truth, had upon it, nor the Recoveror never Entred. And, if R.B. who is a stranger to the Recovery, shall be admitted against the Recovery to say, that no Execution was thereof, was another Question? Which was not spoken to by the Justices. It was also given in Evidence, That the Land was given to T. B. and the heirs of his body; and then when the Daughter, which is in truth the heir Inheritable, Entreth, If that Entry, she being Privy in blood to R. her Uncle, shall be a Disseisin, or an Abatement? The Court doubted of that Point: But *Anderson* conceived, That when the Daughter entred, and took husband, who leased for years, and the Lessee entred, that the same is a Disseisin. Trin. 33 Eliz. 2. Information in the Exchequer against the Defendant a Merchant-stranger, upon the Stat. of 18 H. 6. Cap. 6. concerning the gageing of Vessells of Wine: And shewed, That the Defendant had sold to such a one so many Vessels of Wine; and that none of them did contain as they ought 126 gallons; and although they were so defective, yet the Defendant had not defaked the price, &c. according to the wane of measure; for which he had forfeited to the Queen all the value of all the Wine so defective. Exception was ta-

ken

ken to the Information, becauſe there is not ſet down how much Wine in every Pipe was wanting, as one or two gallons, &c. ſo as a Rateable defalcation might be made according to the proportion of the want of Meaſure. In this Caſe, Judgment was given againſt the Informer, becauſe he did not ſhew in the Information, in how many Veſſels there was want: but if he had alledged but the want of one pinte, it had been good for the value of all the Wine. And *Manwood* ſaid, That might have been well enough known by the Gageing, how much every Veſſell wanted. Trin. 30 Eliz. Exchequer, *Martin* van *Herberts* Caſe. *Leon.* 2. Part, 38.

3. Information in C. B. upon the Statute of uſury, the parties were at Iſſue, and the matter depended four Terms after Iſſue joyned, untryed. The Defendant for his own Expedition prayed, That he might have *Niſi Prius*, with Proviſo, as the Courſe in the Exchequer is in ſuch caſe, to ſend Commiſſioners into the Country where the Information is layd, for the Tryall of the Iſſue joyned in the ſaid Court at the ſuit of the Defendant. It was doubted, If the Court might grant ſuch *Niſi Prius*, Becauſe the Queen is *quodam modo* a party to the Suit? It was Informed by *Flatwood*, Serjeant, That the Courſe was ſo. But *Nelſon* the Preignothory ſaid, He never ſaw ſuch a Precedent. See *Fitzh. N. B.* 241. Where it is ſaid, That *Niſi Prius* ſhall never be granted where the King is party, without a ſpecial Warrant from the King; or the Aſſent of the Kings Attorney-General. Trin. 29 Eliz. C. B. *Kerrit* and *Taylors* Caſe. *Leon.* 2. Part, 110.

4. In an Information upon the Statute of 27 Eliz. Cap. 4. by the party grieved; which Statute gives to the Queen one moyety of the value, and the other moyety to the party grieved. The Plaintiff was Nonſuit. It was holden by the Court, That he ſhall not pay Coſts and Damages, by the Statute of 18 Eliz: For the Statute (as the Title of the ſame doth imply) is to Redreſſe Abuſes in Common Informers, and ſo is the Preamble. And the words alſo of the Clauſe of Coſts and Damages, are, (*Every ſuch Informer*) And it was ſaid by the Secondary of the Crown-Office, An Action given to the party grieved, is not a popular Action: and the Statute of 18 Eliz. meanes only to popular Actions. Paſch. 30 Eliz. B. R. *Dighards* Caſe. *Leon.* 2. Part, 116.

5. In Information upon the Statute of 5 E. 6. Cap. 7. for buying of Woolls contrary to that Statute, The Defendant pleaded to all, Except 50 Stone of Wooll, Not guilty; And to that he pleaded, That there is an Information depending againſt him in C. B. at the Suit of L: and averrs, they are for the ſame offence; and demands Judgment, If to them he ſhall anſwer. Upon which It was Demurred. It was Objected, That it was no Plea; for that it is not alledged, That any Writ or Proceſs is ſued forth upon the Information: and then it cannot be ſaid, Depending. All the Court held the Plea to be good; For immediately when the Information is brought into Court, it is entred upon Record, and therefore ſhall be ſaid immediately depending, although no Writ or Proceſs be ſued upon it; and it is a good Plea without Averment. And it was adjudged for the Defendant. Mich. 34 Eliz. B. R. The Queen and *Harris*'s Caſe. *Cro.* 3. Part, 261.

6. Information upon the Statute of buying of Leather, brought in the Court of Pipowders of D; the Defendant was there condemned, and in Execution; and brought in C. B. by *Habeas Corpus*. It was moved, That the Judgment was void, *et Coram non Judice*. For although it be the King's Court, yet Suit ſhall not be there upon any penal Law. The Court was of Opinion, That the Suit is not maintainable there: But becauſe they have power to hold Pleas in Actions of Debt, and had colour to hold Plea in this Action, the Judgment is not void, but only voidable by Errour. Mich. 39 Eliz. C. B. *Wilkinſon* and *Netherſalls* Caſe. *Cro.* 3. Part, 532.

7. Information brought in *London*, upon the Statute of 13 Eliz. Cap. 5. for juſtifying *apud I*, of a fraudulent Guift of Goods made by H. to the Defendant, to defraud the Plaintiff of his debt. The Defendant ſaid, That H. gave thoſe goods to him *ex Concenty, bona fide*; and juſtified the guift there, and traverſed the juſtifying at *London*. It was by the Court holden to be no Plea; For although the Statute of 31 Eliz. reſtrains Common Informers to bring their Action only in the proper County where the offence was done; yet that doth not extend to a party grieved, but that he may Inform in what County he pleaſeth; for he is not a Common Informer. Mich. 40 Eliz. C. B. *Allen* and *Stears* Caſe. *Cro.* 3. Part, 64.

8. Error of a Judgment in *Bury*, upon an Information upon the Statute of 5 Eliz. Cap. 4. for exerciſing of a Trade wherein he was not an Apprentice for 7. years. The Error was, Becauſe an Information upon a penal Law, ought to be within one of the principal Courts at *Weſtminſter*, and not elſewhere, unleſs it be otherwiſe expreſſly provided by ſome Statute. And of that Opinion was the whole Court. And ſo, it was ſaid, it was adjudged in *Gregory* and *Hoſkards* Caſe; and therefore the Judgment was Reverſed. Hill. 42 Eliz. B. R. *Brewſter* and *Gaudals* Caſe. *Cro.* 3. Part, 737.

9. Infor-

9. Information *tam pro Domina Regina quam pro seipso*, upon the Statute of Liveries, for retaining into his service 12 Men who were not his Domestique Servants, nor Officers, giving to every one of them a Livery; And that he retained them in his Service for 12 months, from 12. Decemb. 42 Eliz. to 10. Decemb. 43: Upon Not guilty, the Jury found him guilty for 12. Moneths. In stay of Judgment, it was said, That the Moneths shall be accounted at 28 dayes, and then within the time of the Information are 13. moneths; and the Jury have found him guilty but for 12 Moneths, and it appears not for which of them they excuse him; so there can be no Judgment: And if the Months should be accounted according to the Kalender, then there was two days of the year wanting, and so the Information is Insufficient. The Court held, It should be taken according to 28 dayes to the Moneth; and so there be 13. months in the year, but it is not material, in which of the moneths he offended. But it was not adjudged, but the Court would advise, *et Adjornatur*. Trin. 43 Eliz. B. R. *Dormer* and *Smiths* Case. *Cro.* 3. Part, 835.

10. Information upon a penal Law for the Queen and himself; before any plea pleaded, the Informer dyed. It was moved by the Attorney-General, Whether he might proceed for the Queen? It was holden by the Court, That he might; and if the Informer be Nonsuit, or Release, the Queen may proceed. And so it was said, It was adjudged in *Stretton* and *Taylors* Case. Wherefore it was Ruled accordingly. Mich. 40 Eliz. B. R. *Hannes* and *Griffith's* Case. *Cro.* 3. Part, 583.

11. R. Informed against V. for Extortion, and the *Venire facias* was awarded to the Sheriff; Whereas it ought to have been to the Coroners. It was moved in this Case, That although the Verdict passed for the Defendant, yet the Plaintiff should pay no Costs, because the Jury was ill awarded. But the Court held the contrary; For by that means they said, an Informer might trouble the whole Country, and take Composition of them; and yet pay no Costs. Mich. 21 Jac. B. R. *Rotheram* and *Vincents* Case. See the Reports annexed to *Bendlowes*, 141. And see there the same Term, Where a Judgment for an Informer against an Ingrosser was Reversed, because the Judgment was, *Quod* the Defendant *sit in misericordia*; where it ought to have been *Quod Capiatur*.

12. Note: It was moved to the Court, That in such a place, at a Leet there holden for the King, One of the Jurours sworn to Inquire for the King, was Arrested by one of the Officers of the Marches of *Wales*; and because the Kings Court was disturbed, and because the Kings Bench was the Fountain of all Leets, the Aide of this Court was prayed for to punish the Offence; and an *Affidavit* was made of the matter: And an Attachment against the party was prayed: But the Court denyed that. But if the Officer of this Court had so done, then they said, they had had Ground to ground an Attachment. But the Court advised the party to exhibit an Information against the Officer for that disturbance at the Leet. So he said he would so do. Pasch. 3 Car. B. R. *Lees*, 198.

13. Information upon the Statute of Usury, by an Informer, *Qui tam pro Domina Regina quam pro seipso*. The Queens Attorney-General entred *Non vult ulterius prosequi*; and the same was pleaded in Barr against the Informer. It was the Opinion of the whole Court, and so adjudged, That the said Entry by the said Attorney-General, was no Barr against the Informer. And so it is, If the Queen be Nonsuit. And it was said, That such was the Opinion of the Lord *Anderson*, and *Gawdy*, Justices. Trin. 30 Eliz. B. R. *Sutton* and *Taylors* Case. *Leon.* 1. Part, 119.

Joynt-Tenants.

1. NOte: It was the Opinion of *Montague*, Chief Justice of the Common-Pleas, That if a man by his last Will in Writing, Deviseth his Lands holden in Socage, to his two Sons equally to be divided between them, that now after the death of the Devisor, the Devisee are Joynt-Tenants of the Lands untill division be made; for these words, *shall be divided*, are words of future time. Trin. 6 E. 6. *Bendlowes*, 19.

2. It was holden by the Justices, That if two Joynt-Tenants be of a Term, and the one grants parcell of the Term to a stranger, by this the Joynture is severed: But yet, if a man be possessed of a Term in the right of his wife, and grants parcel of it to another; yet after the death of the husband, the wife shall have the residue of the Term that was not granted, and it shall be only an alteration of what was granted. Trin. 26 Eliz. B. R. *Symms* Case. *Cro.* 3. Part, 33.

3. Tenant for life, the Remainder to 4. others for their Lives; The Lessor in Reversion levies a Fine *Sur Conisans de Droit come ceo, &c.* to the Tenant for life, and to one of those in the Remainder, to the use of the Tenant for life for his

his life, and after to the use of the other in Fee. The Tenant for life dyes; He in the Remainder who took the Fine, dyes. It was Resolved by all the Court in this Case, That that part should descend to his Heir, and should not survive. Trinit. 38 Eliz. B. R. *Child* and *Wescotts* Case. *Cro.* 3. Part, 481.

4. A man having two daughters being his heirs, Devised his Lands to them and their heirs, and dyed: And, Whether they should take as Joynt-Tenants by the Devise, or as Coparceners by discent, was the Question? It was holden by all the Justices, That they should hold the Lands as Joynt-Tenants, for the Devise giveth it them in another degree then the Common Law would have given it them, for the benefit of the Survivorship between them. Mich. 38 Eliz. B. R. *Cro.* 3. Part, 431.

5. A man and a woman Joynt-Tenants in Fee of a Manner, entermarried; and after levied a Fine thereof to a stranger, who rendred it to them in tail: They have Issue 3. daughters, the husband dyes, the wife takes a second husband, and they levy a Fine, and remainder in special tail; the wife dyes without Issue by the second husband; the Daughters enter: A Lessee for years of the second husband distrains a Copyholder for Rent, who brings *Replevin*: the other avowes, and did not prove the life of the second husband. And for this cause it was holden to be ill. Mich. 39 Eliz. C. B. *Laughter* and *Humphrey's* Case. *Cro.* 3. Part, 524.

6. A. and B. Joynt-Tenants of a House in *London*, wherein B. had divers goods: and being outlawed to S, and Judgment given against him in the debt, dyed possessed of the said goods within the house: A. continued in possession of the house by Survivor: S. took Execution for the goods of B; and the Sheriff of *London* taking with him a Jury to praise the Goods of B, came to the house to have served the Execution; which A. perceiving before the Sheriff had entred the house, he shut the door, and would not suffer the Sheriff to enter, and view, and praise the Goods: Whereupon S. brought an Action upon the Case against A. for disturbing him in the Execution. It was the Opinion of the Justices, That the Action did not lye; For A. did nothing but that which he might lawfully do; *scil.* shut his own door: And if the Execution had been for the debt of A. himself, yet before the Entry of the Sheriff into the house, he might lawfully have shut his door. And in this Case, It was holden, That if the Sheriff himself might have entred lawfully, yet he could not carry with him a Jury to praise the goods, for that perhaps might be a prejudice to the Plaintiff for the loss of his Goods. Mich. 43 Eliz. B. R. *Semaine* and *Greshams* Case. *Cro.* 3. Part, 28.

7. The Custome of a Manner was, That upon Surrender made to one and his heirs, If 3. proclamations passe, and he doth not come in to be admitted, that the Lord shall have the Land as forfeited. A Surrender was made of Land to the use of A. for life, the Remainder to B. in Fee: A. suffered 3. proclamations to passe, and did not come in to be admitted. It was adjudged in this Case, That it was no forfeiture of the Estate of him in the Remainder, and that the Lord should not have the Land upon this default of the Tenant for life; for that here, the Estate of A. and B. are divided Estates, and the Custome shall be intended of an entire Estate in Fee-simple given to one person; and the Custome being in barr of an Estate, shall be taken strictly. There it is said, and put for a Quæry, That if such an Estate be made to A. and B. and their heirs, and A. comes in within the time of the proclamations; but not B: If now A. shall have the whole; or that the moyety shall be forfeited. It is not Resolved, Pasch. 44 Eliz. B. R. *Bispole* and *Longs* Case. *Yelverton*, 1.

8. In *Ejectione Firmæ*, the Plaintiff declared upon a Lease of Land made for a year, by J. A: The Defendant pleaded, That the Land was Copyhold parcel of the Manour of D; and that the Father of the Lessor was thereof seised in Fee according to the Custome of the Manour, and surrendred the same to the use of his Will, and thereby divised the Land in Question to J. A. the Lessor, and to H. his sons, and to their heirs males of their bodies; and Willed, That they should not enter till their several ages of 21. years: And further Willed, That J. S. and J. D. his Executors should have the Lands to perform his Will, untill his said sons J. and H. should come to their ages of 21. years. The Plaintiff confessed the Will, but said, That such a day and year before the Lease, J. the Lessor came to his age of 21. years, and Entred, and lett to the Plaintiff. Upon which the Defendant Demurred. It was in this Case adjudged for the Plaintiff; For although the Estate of J. and H. precede in words, and the Devise to the Executors followeth, Yet in Construction, the Estate of the Executors shall precede in possession: and it is as much as if he had said, That his Executors shall have the Lands untill his sons J. and H. shall come to their severall ages of 21. years; and afterwards to them and their heirs males: So as the Executors have a limited Estate determinable in time when each of the Sons several shall come to his full age. And although it was Objected, That the Brothers are Joynt-Tenants by the Will; and if one enter when

when he comes at his full age, the other being within age, the ſame ſhould deſtroy the intent of the Deviſor, for then they do not take joyntly: Yet it was Reſolved, That the Entry of him who comes of full age, ſhould not deſtroy the Joynture, but they ſhould be Joynt-Tenants notwithſtanding that Entry. Judgment.

1. *Aſſumpſit*; In Conſideration of a Marriage had between the Plaintiff's Son, and the Defendant's Daughter, the Defendant promiſed to pay to the Plaintiff 400 marks in 7. years then next following; *ſcil.* at certain Feaſts by equall portions; And becauſe the 400 marks were not paid, the Action was brought. Upon *Non Aſſumpſit*, It was found for the Plaintiff. It was ſhewed in ſtay of Judgment; That it appeareth by the Plaintiff's own Declaration, That one of the 7. years was to come, when the Plaintiff brought his Action; ſo as then the Plaintiff had not cauſe of Action. And for that cauſe, Judgment was ſtayed by the Court, although it was after Verdict. Trin. 5 Ma. *Joſſelin* and *Sheltons* Caſe. *Bendlowes*. 3.

2. Three Men were bound in a Recognizance joyntly and ſeverally; againſt all which, the Conuſee ſued forth Execution by *Scire facias*; And upon Iſſue joyned, it was found for the Plaintiff in B. R. and Execution awarded by *Capias ad ſatisfaciend.* And becauſe the ſame *erroneè emanavit*, it was drawn off the File; and now, the Conuſee brought an Action of Debt upon the Judgment againſt one of them. And it was the Opinion of the whole Court, That the Action would not lye, Becauſe the Judgment was joynt againſt them all three. Paſch. 16 Eliz. B. R. *Leon.* 2. Part, 220.

3. In an Action for words, at the *Niſi Prius*, the Defendant pleaded a Concord after the *Dernein Continuance*, and demanded, Judgment if to the Enqueſt, &c. It was holden by the Juſtices, To be no Plea; but he ought to conclude, Judgment if Action. Then it was moved, If Judgment ſhould be given upon this; or a new *Niſi Prius* granted? And upon good Advice, Judgment was given by the Court for the Plaintiff; for that it was a confeſſion of the matter in Iſſue. Trin. 28 Eliz. B.R. Sir *Tho. Cockeys* and *Witnams* Caſe. *Cro.* 3. Part, 49.

4. *Aſſumpſit*; The Plaintiff declared, That the Defendant did aſſume to do ſuch a thing: Upon *Non Aſſumpſit*, it was found, That he did aſſume to do that and another. It was in this Caſe Reſolved againſt the Plaintiff; For the Juſtices ſaid, That where the Plaintiff declareth, That in Conſideration of one thing, the Defendant aſſumed, and the Jury find, that in conſideration of that and another thing, the Defendant aſſumed, the Plaintiff hath failed of his Aſſumpſit. Mich. 29 Eliz. B. R. *King* and *Robinſons* Caſe. *Cro.* 3. Part, 79.

5. The Caſe upon a Demurrer was; A *Scire facias* was brought in Chancery upon a Recognizance; There the Defendant pleaded to Iſſue, which was ſent in B. R. to be tryed, and found for the Plaintiff, and Judgment here given for him. Afterwards he brought Debt in C. B. upon this Judgment, and had Judgment there to Recover; And afterwards brought a *Scire facias* here to have Execution upon the Judgment in this Court. And the Defendant in Barr of that Execution, pleaded this Recovery. Upon which it was Demurred. It was Reſolved by the whole Court, That it was no Plea, Becauſe the one Judgment cannot determine another Judgment which is of Equal nature; no more then one Obligation can determine another. Paſch. 43 Eliz. B. R. *Preſton* and *Penton* Caſe. *Cro.* 3. Part, 817.

6. *Scire facias* of a Judgment; The Defendant pleaded, That before the Judgment, pendant the Suit, the Plaintiff Covenanted with him by Deed, That if he obtained Judgment, and the Defendant upon ſuch a day paid him 100 l, that he would not ſue Execution, and the Judgment ſhould be void: And pleaded, That he had paid the 100 l: It was the Opinion of the Court, That it was no Plea; For that a man cannot make a defeaſance of a Judgment before that it be given; but his remedy is by Writ of Covenant upon the Indenture. Trin. 43 Eliz. B.R. *Gage* and *Sturlands* Caſe. *Cro.* 3. Part, 837.

7. Error of a Judgment in Debt, for that the Defendant pleaded the Plaintiff's Releaſe, and the Plaintiff denyed it to be his Deed. It was found to be none of his Deed, and the Judgment was, *Quod ſit in miſericordia*; where it ought to be *Quod Capiatur*. But it was holden by all the Judges and Barons in the Exchequer Chamber, That the Judgment ſhould be affirmed, becauſe it was the Deed of another which he pleaded; which although it be falſe, he ſhall not be Impriſoned; but, where he denyes his own Deed, it is otherwiſe. Trin. 43 Eliz. Exchequer Chamber, *Hancocks* Caſe. *Cro.* 3. Part. 844.

8. *Scire facias* upon a Judgment of 240 l; The Defendant pleaded, That he borrowed of the Plaintiff

Plaintiff 100 l. and contracted, That he was to give 20 l. for the Loan for a year; and for the payment of that 120 l. the Plaintiff would have the Defendant to confeſſe that Judgment, and pleaded the Statute of Uſury to avoid it. It was the Opinion of the whole Court, That it was no Plea; and ſaid, That Judgments ſhall not be avoided upon ſuch ſurmiſes; For if there had been any ſuch matter, the Defendant might have pleaded it upon the Action brought, and not have ſuffered a Judgment; and although it may be a practiſe to avoid the Statute, yet it ſhall be rather tolerated, then to avoid Judgments upon ſuch ſurmiſes. Mich. 44 Eliz. *Middleton* and *Hall's* Caſe. *Cro.* 3. Part, 588.

9. H. brought *Auditâ Querelâ* againſt P, to whom he had acknowledged a Recognizance of 50 l. upon a Defeaſance, that if H. paid to J. B. 100 l. in ſix Months, viz. by 50 l. *per annum* at ſuch place, that then, &c. and pleaded, That he was ready every day at the place in which, to have paid the 50 l. to B, but B. was not there, *ad exigendum & recipiendum*: P. ſaid, by that he ought not to be barred, becauſe (by proteſtation that H. was not ready to pay to B. *pro placito, Idem J. B. dicit*, that he was ready at the place in which, &c. to have received the 50 l. according to the Indenture, *abſque hoc* that H. was ready to have paid it; Upon which Plea, H. demurred, and for cauſe ſhewed, That where he had offered a ſufficient Iſſue tryable by the Country, viz. That he was ready to have paid the 50 l. if B. had been ready there to have received it; P. did not ſay, That B. was there ready to receive it *& de hoc ponit, &c.* but traverſed, that H. *non ſolvit* to pay, and upon that Demurrer joyned, it was adjudged for the Plaintiff in C. B. and upon Error brought in B. R. the Judgment was affirmed. For although it was Objected, The Judgment in C. B. ought to have been upon *Nihil Dicit*, and not upon the Barr; yet it was anſwered, That the Barr being entred as the Plea of P, and the demurrer drawn up upon that between the parties, the Judgment is upon an ill Barr, and in pleading, it is not all one, *Nihil dicere* & *inſufficienter dicere*; for then upon every inſufficient Barr, judgment ſhould be upon *Nihil dicit*, which is not ſo; divers other Exceptions were taken. See *Libroms*; but the Judgment was affirmed for the Plaintiff. Paſch. 1 Jac. B. R. *Hughes* and *Phil ps* Caſe. *Yelv.* 38.

10. L. recovered in Trover againſt H. in the Court of S. by default, and a Writ of Enquiry, if Damages returned at the next Court; at which day the Plaintiff appeared, and the Writ was returned Served: but the Jury were reſpited till the next Court, and at that day the Plaintiff appeared again, and the Jury *ponitur in reſpectu*, and day given over till the 10th of *June*, and at that day, *Jurata* again *ponitur in reſpectu*; but the Plaintiff appeared not at that day, nor had day over; and at the day given to the Jury they appeared, and gave 20 l. Damages. Upon which the Plaintiff had Judgment for the 20 l. and Coſts: It was Objected, That the Plaintiff not having day at the laſt Adjournment, that all the matter was diſcontinued; for by the firſt Judgment, the Defendant was out of Court; yet the Plaintiff ought to attend *de die & diem*, becauſe his Judgment is not perfect untill the damages be enquired: and then the Plaintiff had day till the 10th of *June*, and at that day did not appear; wherefore the Court *ex officio*, without prayer of the party, ought not have made continuance of the Jury, for that is always done *Ex petitione Querentis*; and for that Cauſe the Judgment was reverſed by the Opinion of the whole Court. Hill. 4 Jac. B. R. *Herrington* and *Lanſdoni* Caſe. *Y lv.* 97.

11. Error of a Judgment in an Action upon the Caſe, in which the Judgment was after Verdict for the Plaintiff, and it was entred in this form, *Idem ad petitionem Querentis, Conſiſſum & adjudicat. & aſſeſſ. per Curiam, Quod Querens recuperet dimas*, by the Jurors taxed, *Nomine ex incremento dimas, &c.* It was adjudged, That it was Error, becauſe Judgment ſhould be *idem Conſideratum*, and the Judgment is the Act of the Court; and the ſhorter it is, the better it is. 2. It was Error, becauſe Damages are increaſed without the aſſent and requeſt of the Plaintiff, for there is no Requeſt alledged; and there needed not to have been any Requeſt for Judgment, for Damages aſſeſſed by the Jurors. Mich. 2 Car. B. R. *Good* and *Lawrences* Caſe. *Latch.* 177.

12. In an Action upon the Caſe, the Plaintiff recovered but ſmall Damages; and thereupon the Defendant came and prayed, that the Judgment might be entred againſt him: but the Plaintiff prayed that the Judgment might not be entred: And *Taylor* and *Sowers* Caſe was Vouched, where the Plaintiff may waive his Judgment, and begin again. *Duddridg* Juſtice, ſaid, That the Courſe was, That the Defendant might enter Judgment againſt himſelf, and becauſe the *Poſtea* was brought in; if the Plaintiff might begin Suit *de Novo*, the Defendant might be infinitely vexed. It was the Rule of the Court, That the Defendant might enter the Judgment, or compel the Plaintiff to be Nonſuit. Mich. 2 Car. B. R. *Stockland's* Caſe. *Latch.* 216.

King.

1. NOte by *Popham*, Chief Juſtice, If the Queen Grants me free Warren within my Mannor of D. J. ſhall have it within my own Demeaſnes only. For if otherwiſe, the Queen ſhould impoſe a Charge upon another perſon, which the Law will not ſuffer. But if the Queen Grants unto me Felons Goods, or Waifes, and Eſtrays, within my Mannor, I ſhall have it in the Lands of the Free-holders; for it is a Liberty due to the Queen, which She may Grant; and it is not any Charge to the Subject, for She hath it in every mans Lands, and therefore may Grant it to any other. Trin. 37 Eliz. B. R. In *Hipham* and *Beſts* Caſe. *Cro.* 3. Part, 463.

2. Information of Intruſion, It was found, That the Prior of K. in Com. H. 31 H. 8. ſurrendred the ſcite of his Priory, and all his Lands to the King by Deed enrolled. Afterwards King *Henry* 8. *Anno* 31. granted the ſcite of the Monaſtery to the Suffragan of D. for his life, who 38 H. 8. dyed; the ſcite came to the Queen *Elizabeth* afterward. *Anno* 8. of her Reign, a Commiſſion iſſued to enquire in what eſtate and reparations the Houſe was, and thereby it was found to be ruinous; and the Lord *Tiover* and others by Commiſſion ſold the Stone of the Priory to G, with a Proviſo, That if the ſaid Lands, or Tenements, or Profits thereof, were not concealed, ſubſtracted, or unjuſtly detained from the Queen her Father, Brother, or Siſter, before 14 Eliz. That the Patent ſhould be void. They found, That the Queen was not anſwered any Rents or Profits thereof, beſides the ſaid Stone and Lead before 14 Eliz. In this Caſe, It was adjudged for the Queen: for there is not any Land conveyed by that Patent, but that which is concealed from the Crown. But the Priory and the ſcite cannot be concealed; for it was by the Priors Surrender expreſſly mentioned, and ſo revealed to the King: But the King's Grant alſo is revealed being therein mentioned by expreſs words; Then if once it be revealed by expreſs words at the time of his Title accrued, it can never be concealed, as long as the Crown hath not another Title thereunto. But if it be afterward deveſted from the Crown by the King's Grant in Fee, and afterwards comes again to the Crown by Attainder of Felony, becauſe it is by a new Title, it may be concealed. For this and other Cauſes, It was adjudged for the Queen. Mich. 39 Eliz. B. R. The Queen and *Vaughans* Caſe. *Cro.* 3. Part, 507, 508.

3. *Quare Impedit* by the Queen, for diſturbing of Her to preſent to the Church of A, as in the Right of the Dutchy of *Lancaſter*; and declared, whereas *Hen.* 8. was ſeiſed and preſented R, *Hen.* 8. dyed, and ſo by Diſcent it came to the Queen; and the Church became void. The Defendant pleaded, That his Predeceſſor was ſeiſed of the Advowſon as in groſſe, and collated J. S. his Clark, who was admitted, inſtituted, and dyed ſeiſed; and ſo pleaded three ſeveral Collations, and demanded Judgment if Action by the Queen; and the Incumbent pleaded the ſame Plea. The Queſtion was, If this double or treble Uſurpation put the Queen out of Poſſeſſion of an Advowſon, which She had in the Right of her Dutchy of *Lancaſter*; and it was adjudged, It did not; For She hath Her priviledge in it, as if it had been in the Right of the Crown, and for ſuch double Uſurpation it did not put Her out of Poſſeſſion; and here is no Uſurpation, but a Collation which ſhall not put a common perſon out of Poſſeſſion. It was adjudged for the Queen, and a Writ to the Biſhop awarded, Trin. 33 Eliz. C. B. The Queen and the Archbiſhop of *York's* Caſe. *Cro.* 3. Part, 240, 241.

4. Information in the nature of a Treſpaſs, for taking and cutting certain Trees, whereof the Queen was poſſeſſed: The Caſe was, A. and twelve others were poſſeſſed of divers Trees by the Grant of the Owner of the Soil; the ſaid A. in ſatisfaction of a Debt which he did owe to the Queen, aſſigned to Her by Deed enrolled all the Trees; If the Queen by this Deed ſhould have all the Trees, was the Queſtion. This difference was put, and agreed, That where the King comes to any thing by Act of Laws, as of Attainder, or ſuch other Act in Law, the King ſhall by his Prerogative have the whole; but where He cometh to have part of a Chattel by the Grant

Grant of a common perſon, he by his Grant ſhall not prejudice his Companion; and therefore in ſuch a Caſe, the King ſhall not have Prerogative. The Barons in the principall Caſe were ſtrong againſt the Defendant, but they ſaid, They would adviſe. Mich. 34 Eliz. Exch. The Queen and *Fairclough*: Caſe. *Cro.* 3. Part, 265.

5. The Caſe was: J. S. was bound to G. in a Statute of 400 l. and his Land was extended for this Debt, and delivered in Execution the value of 5 l. *per annum*; and he was bound alſo in a Statute to J. D, who aſſigned it to the Queen for his Debt, and thereupon *Extendi facias* being awarded: It was found, That the Land delivered to G. in extent was worth 12 l. *per annum*; and thereupon a *Scire facias* was awarded againſt them, to anſwer the Surpluſage of the Profits above the 5 l. *per annum* to the Queen; The Queſtion was, If it was duly awarded: It was holden by all the Barons, That it was; For it being found, That there was a Surpluſage above that which would ſerve a common perſon, the Queen ſhould have the Reſidue at another day; the Caſe was debated again, and then the Barons ſeemed to differ in Opinion; and at laſt, Judgment was given for the Defendants. Mich. 34 Eliz. in Ex. The Queen and *Wall* and *Greens* Caſe. *Cro.* 3. Part, 265.

6. The Caſe was: D. Incumbent of the Church of A, was created Biſhop of St. *Aſaph*. The Queen preſented the Defendant to that Church; the Plaintiff Patron, brought a *Quare Impedit*; and Whether the Queen by Her Prerogative, or the Patron ought to preſent, was the Queſtion: It was argued for the Plaintiff, and many Books cited; and eſpecially the Book 6 Eliz. *Dyer* 228. where the Opinion of the Court is expreſſive, That the Queen hath not any Prerogative in this Caſe. To thoſe Books ſeveral Anſwers were made, and eſpecially to the Book of 6 Eliz. *Dyer* 228. where the Plaintiff did not demurr upon the Kings Prerogative, but took iſſue, That the Church was void by Reſignation before the Creation: And whereas it was Objected, That this Prerogative cannot be proved. To that it was ſaid, That is not material, nor ought there any reaſon to be given, or enquired about the Queens Prerogative. For in regard She is the Head of the Weal-Publique, and defends Her Subjects and their Poſſeſſions; the Law attributes unto Her many Prerogatives, for which no reaſon can be yeilded, as to have the Tythes of Lands lying out of any Pariſh. To have Primer ſeiſin of all Lands, as well of others as of thoſe which are holden of Her in *Capite*, to have the Temporalties of the Biſhops; yet there is great reaſon for this ſpecial Prerogative: For the Queen hath advanced the Incumbent to a greater Dignity, and it is Her great loſſe to part with the Temporalties of Biſhopricks; She was alſo the means and cauſe of the Avoydance againſt this Benefice: And it is an uſual practiſe, That the Queen for the moſt part, upon creating of Biſhops, Grants to them to hold their Benefices *in Commendam*; which is good againſt Patrons, becauſe the Preſentations belonged unto her; and that is as great a prejudice to the Patron, as if the Queen her ſelf had preſented thereunto. The Caſe is not Reſolved in the Book: Mich. 39 Eliz. in C. B. *Wentworth* and *Wrights* Caſe. *Cro.* 3. Part, 527. See *Cook* 4. Part, *Hollands* Caſe.

7. *Quare Impedit*, ſuppoſing that his Anceſtor was ſeiſed in Fee of the Advowſon, and preſented, and afterwards granted the next Avoydance to M; that the Church became void, and M. preſented H; that the Church became void by the Death of H, and ſo it belonged to him to preſent. The Defendant pleaded, That H. was created a Biſhop in *Ireland*, whereby it appertained to the Queen to preſent; who preſented him, the Defendant. In this Caſe, It was Ruled no Plea, without traverſing the Avoydance by death. And this creation of the Incumbent a Biſhop in *Ireland*, was admitted to be a Cauſe of Avoydance, and that the Queen ſhould have it by Her Prerogative: And it was holden by the whole Court, That if the Queen doth not take the benefit of the firſt Avoydance, but ſuffers a Stranger to preſent, and the Preſentee dyes: She ſhall not have Prerogative to preſent to the ſecond Avoydance. Mich. 42 Eliz. C. B. Sir *Robert Baſſett* and *Gees* Caſe. *Cro.* 3. Part, 790.

8. The Lord *Paulett*, Tenant for life of an Advowſon, the Remainder in Fee to A, Tenant for life, preſented D, who was admitted and inducted; but, for want of reading the Articles, the Benefice was void; but D. continued in the Church, and, in Reputation, was choſen for his life. The Lord *Paulett* dyed. The Queen after the death of D, reciting Her title, preſented C, who was inſtituted and inducted: He in the Remainder preſented J. S, who was admitted, and inducted, brought Treſpaſs againſt C, the Incumbent of the Queen: And it was adjudged for the Plaintiff, and that the preſentation of the Queen was meerly void, as if She had preſented to a Church which was full; For as to the Patron it is full, untill he hath ſurceaſed his title after Notice given: And the Court held in this Caſe, That the preſentation of him in the Remainder was good; although it it was Objected, That it did belong to the Executors of the Tenant for Life; becauſe as to the Tenant for life himſelf, the Church was full till Notice. Trin. 34. Eliz. B. R. *Greadit* and *Bakers* Caſe. *Yelv.* 7.

9. Note in this Caſe, It was ſaid by the Juſtices, That if a man be in Execution for the Debt

of another man in the Fleet, the King cannot take him into his protection into the Wars out of Priſon untill the Debt be paid; becauſe he is in Execution for the ſaid Debt, and to let him out of Priſon, is to let him out of Execution, which the Law will not ſuffer: But if he was in Execution in the Fleet, or other Priſon for the Debt to the King, there He may diſcharge him, and take him into his protection, or into his Wars; for He may well diſcharge His own Debt. Leaſes.

1. THE Caſe was, A Leaſe was made unto Two, *Habendum* to them, and to two others for their lives, and the longer liver of them: It was Reſolved by the whole Court, That the two named in the *Habendum* did not take any thing; and if the firſt Two in the Premiſſes of the Deed dye, there ſhall be no Occupancy. For the lives of the Two in the *Habendum* was intended an Eſtate to them, and not a limitation of the Eſtate of the firſt Two; and ſo it was ſaid, It was Reſolved, 28 Eliz. in B.R. In *Hulbord* and *Windſmore* Caſe. Mich. 30 Eliz. C. B. *Kickman* and *Reignolds* Caſe, *Leon.* 2. Part, 1.

2. *Ejectione firme*; The Caſe was: A. was ſeiſed, and Leaſed for years with clauſe of re-entry, for non-payment of Rent; In the Indenture there were divers Covenants on the part of the Leſſee, afterwards A. by his Will deviſed, That the Leſſee ſhould retain the Land for 31 years (reckoning the firſt years, not-expired, as parcell) yeilding like Rent, and under ſuch Covenants as the Leſſee held the former Leaſe; and by the Will, deviſed the Inheritance to another. The firſt Point was, If the Deviſee ſhould hold over the Land, for the term encreaſed as he held before, or if the Law ſhall conſtitue the words of the Will to be a Condition: It was the Opinion of the whole Court, That the words of the Deviſe cannot make a Condition, for a Condition is a thing odious in Law, which ſhall not be created without ſufficient words. The ſecond Point, If the Fee-ſimple ſhould paſſe by this Leaſe in point of Reverſion or Remainder. The better Opinion of the Court was, That it ſhould paſſe in point of Reverſion; for if it ſhould be a Remainder, then the Rent which is reſerved upon the Leaſe by the Will ſhall not be incident to ſuch Remainder. The third Point, admitting the words of the Will *ut ſupra*, are a Condition, If here be a Grantee of Reverſion intended within the Statute of 32 H. 8. becauſe it never was in the Deviſor as a Reverſion: It was the Opinion of the Court, That as this Caſe is, the Deviſee of the Fee-ſimple ſhould take advantage of the Condition, if it were a Condition. Hill. 29 Eliz. C. B. *Michel* and *Duntons* Caſe. *Leon.* 2. Part, 33.

3. Upon the Statute of 31 H. 8. Of Monaſteries; The Caſe was this, The Abbot and Covent of A. 29 H. 8. made a Leaſe of Lands for three lives, to begin after the death of F, if they ſo long live; and 30 H. 8. within a year before the diſſolution, they make a Leaſe to J. S: Now, If the firſt Leaſe in the life of the ſaid F. be ſuch an Eſtate and Intereſt, that by vertue of the ſaid Statute, ſhall make the ſecond Leaſe void, was the Queſtion; for it is not in *Eſſe*, but a future Intereſt. The words of the Statute are, *viz.* If any Abbot, &c. within one year, before the firſt day of this preſent Parliament hath made, or hereafter ſhall make, any Leaſe or Grant for years, life or lives of any Mannors, &c. whereof, and in which, any Eſtate or Intereſt for life or years, at the time of the making of any ſuch Leaſe or Grant, then had his being or continuance, or hereafter ſhall have his being or continuance, and then was not detained, &c. ſhall be void. It was the Opinion of all the Juſtices and Barons in the Exchequer Chamber, that here in this Caſe there was an Intereſt, and that not determined at the time of the making of the Leaſe to J. S. Trin. 29 Eliz. Ex. *Farrington* and *Fleetwoods* Caſe. *Leon.* 2. Part. 55.

4. Note; It was holden in this Caſe by the Barons of the Exchequer, That if Leſſee for years of a Meſſuage, Grants *totum Meſſuagium ſuum*, that the Grantee hath but at will; but if he granteth all his Intereſt and Eſtate in ſuch a Meſſuage, then the whole Leaſe paſſeth; and ſo it was ſaid, It had been lately adjudged in B. R. in *Wiſdibanks* Caſe. Trin. 31 Eliz. Ex. *Griffins* Caſe. *Leon.* 2. Part, 78.

5. J. S.

5. J. S. ſeiſed of Lands, deviſed them to his Wife, till W. his Son ſhould come to the age of 22 years, and then the Remainder of part of his Lands to his two Sons, A. and J; the Remainder of other part of his ſaid Lands to two other of his Sons; upon Condition, That if any of his Sons, before W. ſhould come to his age of 22 years, go about to make any ſale *prout, &c.* he ſhall for ever loſe the Lands, and they ſhall remain over. Before W. came to the age of 22 years, one of the other Sons leaſed that which to him belonged for 60 years, and ſo from 60 years to 60 years, unto 240 years ended. It was Objected in this Caſe, That here is not any Sale, nor any Leaſe, for the Leſſor hath not any thing in the Land deviſed: But it was the Opinion of the whole Court, and ſo adjudged, That the ſame was a Leaſe, and that the Leaſe, made as before, was a Sale within the intent and meaning of the Will of the Deviſor; and ſo it was ſaid by them, If the Deviſee had entred into a Statute to the value of the Land deviſed, it had been a Sale within the intent of the Will, and ſo a forfeiture of his Eſtate. Mich. 29 Eliz. B. R. *Larges* Caſe. *Leon.* 2. Part, 82.

6. In *Ejectione firme*, The Caſe was, The Dean and Chapter of E. leaſed Lands to J, rendring Rent, to be paid at their Chapter Houſe in E, and for want of payment ſuch Leaſe to be void; J. conveyed his Intereſt to the Defendant: the Rent was demanded at the Chapter-Houſe, and not paid. Afterwards the Dean and Chapter made an Indenture of Leaſe for 40 years in their Chapter-Houſe to W, and there to put their Seal in the Chapter-Houſe; and made a Letter of Attorney to another to enter, and make Livery of the ſaid Deed, which was done accordingly: It was Objected, That the Leaſe was not good; for when they make this Indenture of Leaſe in their Chapter-Houſe, and put their Seal, it is their Deed preſently without other delivery; and J. being in poſſeſſion at the time of their putting their Seal to it, they were out of poſſeſſion at the time of the making of it, for no delivery is neceſſary to the Deed of a Corporation, but the date and the ſealing of it make it a perfect Deed; and then the delivery of it by the Attorney is to no effect. The Opinion of the Court was, That the Leaſe was good enough for the manner; and there is not any other form or means for a Corporation to make a Leaſe than is here: And it was alſo holden, That the Leaſe was good, without an Entry made by the Dean and Chapter; and although it was further Objected, That the Attorney had not purſued his Warrant, which was to enter into the Land, and claim it in the Right of the Dean and Chapter, and then to deliver the Leaſe; but it is not found, That he entred and claimed as aforeſaid: Yet the Court held the ſame to be good enough, becauſe in a ſpecial Verdict every particular circumſtance needs not to be found; and in delivery of the Deed upon the Land, the hath purſued his Authority in all. Hill. 31 Eliz. B. R. *Willis* and *Fermins* Caſe. *Leon.* 2. Part, 97.

7. Note; It was holden by the Juſtices, That if a Leaſe for years be made by Deed indented, with the words *Demiſi & tradidi ad firmam*; That upon that, a Writ of Covenant lyeth againſt the Leſſor, if he entreth upon the Leſſee; contrary, if a Stranger entreth, if he hath not clauſe of Warranty: For when Covenant is brought upon the word *Demiſi*, the Plaintiff ſhall recover the Term it ſelf, but not Damages; and that cannot the Plaintiff do when a Stranger Enters. Paſch. 32 Eliz. B. R. *Andrewes* Caſe. *Leon.* 2. Part, 104.

8. The Caſe was, A man ſeiſed of Lands in Fee, took a Leaſe by Indenture of the Herbage and Pawdnage of the ſame Lands: It was the Opinion of the whole Court, That the ſame was no Eſtoppel to him, to claim the Soil or the Freehold; and in this Caſe, It was agreed by the Court, That if Father and Son be Joynt-Tenants for an 100 years, and the Son takes a Leaſe of his Father for 15 years, to begin, &c. the ſame ſhall conclude the Son to claim the whole Term, or parcell of it by Survivor. Mich. 21 Eliz. B. R. *Pleadalls* Caſe. *Leon.* 2. Part, 159.

9. The Warden and Fellows of New Colledge in *Oxon*, 8 Eliz. leaſed a Manſion Houſe in S, to J. S. for 21 years, and afterwards 25th. of *Octob.* 21 Eliz. they demiſed the ſame Houſe to J. S. for 21 years, to begin the *Mich.* after; and the Statutes of 14 Eliz. *Cap.* 11. and 18 Eliz. *cap.* 11. were found; and if the ſecond Leaſe ſhall be ſaid a Leaſe in Reverſion, and ſo void by the Statute of 14 Eliz. was the Queſtion: It was ſaid, It is a Leaſe in Reverſion, for the Leaſe doth continue untill *Michaelmas*. On the other ſide, It was ſaid, That when he accepted the ſecond Leaſe, it was a preſent Surrender of the former Leaſe; for he giveth power to the Leſſor for to Contract for the Houſe preſently; and to that purpoſe *Corbets* Caſe, 8 Eliz. was citted, that it was a preſent Surrender, for that the Term cannot be apportioned. Trin. 22 Eliz. B. R. *Tompſon* and *Treffords* Caſe. *Leon.* 2. Part, 188.

10. Husband and Wife made a Leaſe for 30 years, and if they dyed, that the Land ſhould remain to A. their Son, during the Term aforeſaid. It was holden by *Wray*, Chief Juſtice, in this Caſe, That if the Husband and Wife dye within the Term, that the Son ſhould have the Land *de novo* for 30 years. *Gawdy* contrary, That he ſhould have it but for ſo many years, which after their death ſhould be expired. Quære, Mich. 26 Eliz. B. R. *Leon.* 2. Part, 200.

11. The Mannor of B. was by Act of Parliament by the Earl of S. aſſured to the Counteſs his Wife for her Joynture, the Reverſion in Fee to the Earl, with a Proviſo for the Earl to make Leaſes for 21 years, rendring the ancient Rent. The Earl made a Leaſe for 21 years rendring rent, and before the end of it, he made a Leaſe by Indenture to the Leſſee for 21 years, bearing date 30 *Martii*, to begin at *Mich.* following. It was adjudged, That this ſecond Leaſe was void, becauſe for the time it is a Leaſe in Reverſion; and if he might make a Leaſe to begin at *Mich.* following, he might make it to begin 20 years after; and the Act gave him not that liberty, and being a liberty and power only, it muſt ſtrictly be obſerved: and the Land being aſſured to the Counteſs for her Joynture, if he might make Leaſes one after the other, ſhe ſhould never have benefit of her Joynture which the Act intended to her. Paſc. 21 Eliz. B. R. The Counteſs of *Suſſex* and *Wroths* Caſe. *Cro.* 3. Part, 5. See *Cook* 5. Part, 33. the ſame Caſe.

12. J. S. makes a Leaſe for years to begin after the death of Tenant for life, or after the end of a Leaſe for years in being. A ſtranger after the death of the Tenant for life, or the end of the Leaſe for years, enters. It was the Opinion of the Court, That notwithſtanding the entry, that the Leſſee may grant over his Term. But if he had entred, and bin afterwards put out, he cannot Grant his Term till he re-entreth. Paſc. 25 Eliz. C. B. *Bruerton* and *Rainsfords* Caſe. *Cro.* 3. Part, 15.

13. Note, It was holden by the Juſtices, That if a Man doth demiſe a Manor to which an Advowſon is appendant, and ſaith not *cum pertinentiis*, the Advowſon doth not paſs. In the principal Caſe, the Plaintiff claimed by a Leaſe made by R. S. Parſon of S. 11 Eliz. and that J. S. being Patron in Reverſion in Fee, confirmed the Leaſe, and after the Statutes of 13 and 14 Eliz. the Ordinary confirmed it; and afterwards 23 El. he which had the Patronage in the right of his Wife, together with his Wife confirmed the Leaſe; all which were ſhewed: and it was averred, That the Patroneſs for life was living. The Juſtices were of Opinion, That the Confirmations of the Ordinary and Patrons were good, for the Statute doth ſpeak of Alienations by Incumbents, &c. but doth not make void Confirmations made of a Leaſe made before the Statutes: And in this Caſe it was holden, That where in this Caſe the Plaintiff ſhewed a Confirmation of the Patron, but did not ſhew how the Patron came to the particular Eſtate, that he needed not to ſhew the ſame; but when he doth ſhew that he had but an Eſtate for life, he ought then to ſhew how he came by it. Paſc. 25 Eliz. C. B. *Higgins* and *Grants* Caſe. *Cro.* 3. Part, 18.

14. A Leaſe is made to A. B. and C. for their lives, *Habendum* to A. for life, the Remainder to B. for life, the Remainder to C. for life. It was adjudged a good limitation, and they ſhall take according to the *Habendum*; for in the Premiſes, a Joynt Eſtate is only given by Implication, which is controlled by the expreſs limitation in the *Habendum*. Paſc. 26 Eliz. B. R. *Dowſes* Caſe. *Cro.* 3. Part, 25.

15. Note, If one ſaith, you ſhall have a Leaſe of my Lands in D. for 21 years paying 10 s. *per annum*, make ſuch a Leaſe, and I will Seal, That this is a good Leaſe by paroll for the intent of the Leſſor is ſufficiently expreſſed, and the making it in Writing is but further aſſurance. Trin. 26 Eliz. B. R. *Maldons* Caſe, *Croke*, 3. Part, 33.

16. In *Ejectione firme*, the Caſe was: A. ſeiſed of Lands, made a Leaſe to B. C. and D. *Habendum* to them for their lives, and the life of the ſurvivor of them. Provided that it was Covenanted betwixt the parties, That the ſaid C. and D. ſhould not occupy the Land during the life of B. and that D. ſhould not occupy the Land during the life of C. B. occupied all, and dyed, D. entred and made a Leaſe to the Plaintiff, who was put out by the Defendant. The Queſtion was, If this Proviſo be a limitation of the firſt Eſtate, and ſevereth the Eſtate which was given to the three joyntly, and maketh each of them in Remainder one after the other, or it be only a bare Covenant. In this Caſe, amongſt other things, it was Reſolved, That the Office of the *Habendum* is to limit and explain the Eſtate in the Premiſes: And in this Caſe, their *Habendum* hath done its Office, and made it a Joynt-Eſtate, and therefore the ſubſequent clauſe comes too late, and is repugnant and utterly void: And in this Caſe it is not that any take in Remainder, but that any do not Occupy, nor take the profits during the life of the other. It was adjudged for the Plaintiff. Mich. 31 Eliz. B. R. *Scovel* and *Cabells* Caſe. *Cro.* 3. Part, 89, 107. See *Cro.* 2. Part, acc. and *Leon.* 317. acc. the ſame Caſe.

17. Debt upon a Leaſe for years, the Caſe was, A Parſon made a Leaſe for 21 years after 13 Eliz. of Lands uſually let, rendring the ancient Rent; the Patron and Ordinary confirmed the Leaſe: the Leſſee let part of the Term to the Defendant. The Parſon dyed, the Succeſſor entred, and leaſed to the Defendant, againſt whom the Leſſee brought Debt upon the former Leaſe, who pleaded the Statute of 13 Eliz. which made all Leaſes void where the Patron is not reſident, or abſent for 80 dayes. Upon this Plea, the Plain-

tiff demurred: It was adjudged in this Caſe, That the Leaſe was void by the death of the Incumbent. For the Juſtices ſaid, That the Statute doth provide againſt Dilapidations, and for the maintenance of Hoſpitality: and therefore provideth, That Leaſes ſhall be void, not only for Non-reſidency, but by death or Reſignation, for otherwiſe Dilapidations ſhould be in the time of the Succeſſor, and he cannot maintain Hoſpitality. Hill. 31 Eliz. B. R. *Mott* and *Hales* Caſe. *Cro.* 3. Part, 123.

18. The Caſe in *Ejectione firme* was, S. was ſeiſed of two Cuſtomary Meſſuages and Lands to them belonging, and H. was ſeiſed of two other Meſſuages and Lands, and W. W. was poſſeſſed of certain Lands containing 10 Acres called N. (which were the Lands in Queſtion). All theſe Lands were parcel of the poſſeſſions of the Abby of G. The Abbot and Covent let to J. V. the ſaid 4. Meſſuages and Lands *Nec non* the ſaid Lands called N. *Habendum, et tenend.* the ſaid Meſſuages and Lands *Nec non* the ſaid 10 Acres of Land *à tempore mortis, ſurſum redditionis forisfact. ſive determinationis ſtatus et Termini prædict.* S. H. W. and W. for years rendring rent, the Eſtate for years in N. ended. The other Eſtates in S. and H. were in being. The Queſtion was, when the Leaſe ſhould commence for N. It was ſaid, That it ſhould not begin till all the Eſtates were determined. But the Opinion of the Juſtices was, That it ſhould preſently commence for N. and ſaid, That a Term in Reverſion ſhall commence, not when the Term is run out in time only, but alſo when it is expired by ſurrender or otherwiſe. And this Caſe is ſtronger then *Cook* 5. Part, Juſtice *Windhams* Caſe: For here is ſeveral *Habendums* by reaſon of the word *Necnon*; and it was adjudged accordingly. Mich. 33 Eliz. B. 19. A Leaſe was made for 21 years, if the Leſſee ſo long lived, and continued in the Leſſors Service: The Leſſor dyed, If the Term was determined, was the Queſtion. It was the Opinion of all the Juſtices, That the Leaſe did continue, for there is not any Lacheſs in the Leſſee, that he did not ſerve, but it is the Act of God, that he cannot ſerve any longer. *Walmeſly* was ſtrongly againſt it, becauſe it is a limitation to the Eſtate, and that it ſhall continue no longer then he ſerves. Quære. Mich. 40 Eliz. C. B. *Wrexford* and *Giles* Caſe. *Cro.* 3. Part, 643.

20. *Ejectione firme.* the Defendant pleaded, That the Leſſor of the Plaintiff was a Copyholder in Fee of that Land, parcel of the Manor of H. in the Queens poſſeſſion by the Wardſhip of B. and that the Leſſor ſurrendred to the uſe of the Defendant in Fee, who was admitted: And that afterwards the Leſſor entred upon him, and let the Land to the Plaintiff *prout*, and that the Defendant entred as lawfully he might. Upon which the Plaintiff demurred. It was adjudged, That the Plea was not good, for there is not any confeſſing and avoiding of the Leaſe alledged by the Plaintiff: For the Action is brought as of a Leaſe of Land at the Common Law, and the plea proves the Land is Copyhold; and a Copyhold cannot make a Leaſe for years, but by Cuſtome or Licenſe of the Lord, which is not ſhewed. Alſo the Defendant hath pleaded a Leaſe by an Intruder upon the Queens poſſeſſion, which is not good. It was adjudged for the Plaintiff. Mich. 41 Eliz. *Kenſey* and *Richardſons* Caſe. *Cro.* 3. It was objected, That this was but a Leaſe at Will, determined by his death. But the Opinion of the Juſtices was, That although at the firſt it was a Leaſe certain but for two years, yet when he occupied and enjoyed it for part of the third year, it is then a Leaſe certain for that year alſo. 22. Treſpaſs, the Defendant pleaded a Feoffment from the Plaintiff: The Plaintiff ſhewed it was upon Condition, That if he paid 200 l. at ſuch a day, and 10 l. for every Fodder of Lead which ſhould be delivered to him by the Feoffee or his means, and ſhould make a ſufficient Leaſe for 21 years of Black Acre, that the Feoffment ſhould be void; and ſhewed the payment of the 200 l. and that the Feoffee had delivered ſo many Fodders of Lead, and that he had paid 10 l. for every Fodder, and that Black Acre was parcel of the Land whereof the Feoffment was made, wherein the Feoffee yet continued in poſſeſſion, and ſo he could not make a Leaſe thereof. Upon which it was demurred, becauſe it is not alledged, That the Leaſe of Black Acre was made; for although he cannot make a good Leaſe, yet he ought to make a Leaſe by Indenture, which ſhould be good by way of Eſtoppel. It was the Opinion of the Juſtices in this Caſe, That he needed not to alledg the performance of that part of the Condition which is impoſſible to be performed. Alſo here he cannot make a ſufficient Leaſe, for the Feoffee is alwayes ſeiſed; and it is not intended that he ſhould make a Leaſe by Eſtoppel, the words being, that he ſhould make a ſufficient Leaſe. Wherefore for the firſt point, it was adjudged againſt the Plaintiff.

23. A Leaſe was made to W. S. for 99 years if he lived ſo long, and if he dyed within the Term, that it ſhould be to his Executors and Aſſigns for 40 years. It was holden in that Caſe, That this Term for 40 years ſhall not veſt in W. S. but in his Executors by purchaſe, becauſe it is a Conditional limitation, and a meer poſſibility to veſt; And in this Caſe, a Caſe was vouched by *Popham* to be adjudged 17 Eliz. where a Leaſe was made to two for life, the Remainder to him who ſhould ſurvive of thoſe two, and to his Executors for 40 years. They both joyned in a grant of this Leaſe; yet the grant was holden to be meerly void, becauſe the Term was not veſted in any of them, and it was to be to the Executors as a purchaſe. 24. Debt for Rent upon a Leaſe; It was found thus, Articles of Agreement were ſealed betwixt the parties *in hæc verba, viz.* It is Covenanted and agreed, That the Plaintiff doth let Land to the Defendant for five years, from and after the Feaſt of St. *Mich.* next. Provided, and it is agreed, That the Leſſee ſhall pay therefore yearly at two Feaſts of the year (*viz.* ſuch a time, and ſuch a time) by eaven and equal portions 120 l. and there is another Covenant that the Leaſe ſhall be made and Sealed before the Feaſt of *All-Saints* next, according to that agreement; and, If that may be ſaid a Leaſe, or a Reſervation, was the Queſtion. Some conceived, That by the words of the laſt Covenant, that the Leſſor ſhould make a Leaſe according as thoſe Articles, did declare, and that thoſe Articles was no Leaſe. But the Court was of a contrary Opinion; for by the Articles, the Leaſe is to begin at *Mich.* next, and by the Covenant he may make the Leaſe at *All-Saints*, which is after the firſt Leaſe commenced; ſo it appears, that that was but for further aſſurance, and not to deſtroy the Leaſe precedent. Alſo the Court held, That the Covenant that the Leſſee ſhall pay yearly, made a Reſervation by reaſon of the word, Yearly. It was adjudged for the Plaintiff. Mich. 38 Eliz. B. R. *Harrington* and *Wiſes* Caſe. *Noy* 57.

25. Note, *per Curiam*, If a man makes a Leaſe for life, and the Leſſee for life makes a Leaſe for years, and afterwards purchaſeth the Reverſion, and dyeth within the Term, yet the Leaſe for years is determined, and the Heir in Reverſion may ouſt him, and avoid it. But if one make a Leaſe for years where he had nothing, and afterwards purchaſeth the Land, and the Leſſor dyeth. If it be by Deed Indented, the Heir ſhall be Eſtopped to avoid it. Paſc. 4 Car. C. 26. B. made a Leaſe to C. for 40 years by Indenture. And by the Indenture Covenanted and granted to the Leſſee, That he ſhould take convenient Houſe-boot, Fire-boot, and Cart-boot, *in toto boſco, ſuo vocat.* S. Wood, within the Pariſh of S. and thoſe Woods were not parcel of the Leaſed Lands, but other Lands. It was demanded of the Juſtices, If that Grant of Eſtovers out of another place then the Leaſe, was good; and what Eſtate the Grantee ſhould have thereby. It was the Opinion of the Juſtices, That the Grant was good, and that the Grantee ſhould have it during the Term, and that the words do not reſtrain him, but that he ſhall have the Eſtovers in the Lands leaſed alſo. 27. Two Coparceners in tail, the Husband of the one being Tenant by the Curteſy joyned in a Leaſe, rendring a Rent to one of them and their Heirs. It was holden, That the ſame was not a good Leaſe by the Statute of 32 H. 8. of Eſtate tails, becauſe it is not reſerved to the Donee and his Heirs, but to the Tenant by the Curteſy joyntly with the other, becauſe the Rent ſhall go ſtrictly as it is reſerved by the Leſſor, and not otherwiſe. Hill. 1 Car. B. R. *Thomſons* Caſe. *Latch* 45.

28. Debt upon a Leaſe for years, *Habend. & reddend.* 38 l. yearly, to be paid every half year. Afterwards the Leſſor bargained and ſold the Reverſion to the Plaintiff, who for half a years rent, brought an Action of Debt, and declared upon that matter, and averred that the Deed was enrolled within the ſix Moneths according to the Statute; and the Deed bore date before the Rent day, but the Rent day encurred before the ſix Moneths expired. Exception was to the Declaration, becauſe it was not ſhewed whether the Enrolment was before or after the Rent day. The Court was of Opinion, That it was well enough, becauſe it is pleaded according to the Statute, and if it was not enrolled before the Rent day, it is to be ſhewed on the other ſide. 2. They ſaid, That if the Bargainee ſhould not have the Rent before the Enrolment, it would make but ill ſtir, becauſe the Law hath bin taken to be ſo, and ſo they ſaid it was adjudged in *Alſops* Caſe. 29. *John Style* made a Leaſe for years, rendring rent *præfat. J. S. durante vita et aſſign. ſuis.* See that it was adjudged in this Caſe, That the Reſervation is good, and the rent ſhall go with the Reverſion. Hill. 1 Car. B. R. *Cole* and *Smyes* Caſe. *Latch* 265, 266, 267.

Leet.

Leet.

1. IN a *Quo Warranto* brought; It was holden by all the Juſtices, That a man might preſcribe to hold a Leet oftner then twice in the year, and at other dayes than are ſet forth in the Statute of *Magna Charta*, cap. 35. becauſe the ſaid Statute is in the affirmative. But it was agreed, That in a *Quo Warranto* it is not ſufficient for the Defendant to ſay, That ſuch a Subject hath lawful intereſt to hold Leets without making title to himſelf, for that the Writ is *Quo Warranto* he claims them. Trin. 30 Eliz. B. R. The Queen and *Patridges* Caſe. *Leon.* 2. Part, 28, 166.

2. In Replevin, the Defendant avowed for a Leet-Fee, and ſhewed that he, and all thoſe whoſe Eſtate he hath in the Hundred of C. have uſed to hold a Leet every year, and that at each time as ſuch Leet hath bin holden, the Inhabitants within the ſaid Leet have uſed to pay to the Lord 16 d for a Leet Fee, and that the Lords of the Leets have uſed to diſtrein for the ſame; and ſhewed, That 5 *July*, 26 Eliz. he held a Leet there. The Plaintiff replyed *abſque hoc* that they uſed to diſtrein; and Iſſue being joyned, it was found for the Defendant. It was moved in ſtay of Judgment, becauſe the Defendant hath intended himſelf to a Leet by an Eſtate in an Hundred, and did not ſhew a Deed of it, which was ſaid he ought to have done. It was ſaid by the Juſtices, *Periam* and *Rhodes*, That the Defendant need not ſhew a Deed, but if the Hundred it ſelf had bin in Queſtion, then a Deed ought to be ſhewed. But here the Avowant entitles himſelf to one thing, *ſcil.* a Leet, and a Leet Fee, by reaſon of an Hundred, and it is ſufficient for him to ſay, That he is ſeiſed of the Hundred, &c. although it be by Diſſeiſin; for if he hath poſſeſſion of the Hundred, be it *de jure*, or by Diſſeiſin, he ſhall have all things incident thereunto; for the poſſeſſion of the Hundred draws to him the Leet, and the Leet Fee. Another Exception was taken, becauſe it is layed in the Avowry, That the Leet was holden 5. *Julii*, and then it was void; for the Statute of *Magna Charta* requires, That the Leet be holden within one Moneth after *Michaelmas* or *Eaſter*. But that Exception was diſallowed, for that by force of the Preſcription, the Lord might hold his Leet, what day he pleaſed, and that is not reſtreyned by the Statute: And it was ſaid by them, That the Statute doth not extend but to Sheriffs *Turnes*, and not to other Leets. And in this Caſe it was agreed by the Juſtices, That if the King Grants to one a Leet to hold *ſemel quolibet anno*, and doth not ſay *ad libitum* of the Grantee, yet the Grant is good, and the Grantee may hold it at what day he will. Trin. 28 Eliz. C. B. *Lawſon* and *Harts* Caſe. *Leon.* 2. Part, 74.

3. Note by the Juſtices of the Common Pleas, If three Coparceners be ſeiſed of a Mannor in Fee, to which a Leet is appendant, and the King purchaſeth two parts of the ſame Mannor with the appurtenances, that the Leet yet remains appendant to the third part of the Mannor. Hill. 28 H. 8. *Bendlowes* 41.

Letters-Pattents.

1. THE Queen ſeiſed in Fee of the Mannor of D. made a Leaſe under the great Seal of divers parcells thereof, rendring rent; and after the Queen, without making any recital of the Leaſe, by her Letters Pattents Granted the ſame Mannor to another in Fee-Farm. And in the Letters Pattents were theſe words, *Ex certa ſcientia et mero motu noſtro, &c.* and alſo the Letters Pattents had the words, *Non obſtante, non recitando vel male recitando aliquas diminiones.* And it was the Opinion of the Juſtices, That theſe Letters Pattents were good, notwithſtanding the not recital of the Leaſe. Trin. 17 Eliz. C. B. *Bendlowes* 33.

2. The Lord of *Northampton* had by ancient Letters Pattents *Bona et catalla felonum et fugitivorum* within the Iſle of *Ely*: One dwelling within the Iſland was Attainted of Felony, to whom another was endebted by Obligation, and the money by the Condition of the Obligation was to be paid at the Mannor of the Defendant, who alſo had *bona et catalla felonum*; and at the payment of the money, the Defendant claimed the money. It was the Opinion of all the Barons in the Exchequer, That the Defendant could not have the money, for the place of payment *nihil operatur*; but the Obligation is the Subſtance which came to the Plaintiff within the Iſle of *Ely*. Then the Queens Attorney claimed the Money for the Queen, for that the Plaintiff cannot have it; for that by the general words of *Bona et Catalla Felonum*, this in Action do not paſſe, but by expreſſe they will

paſſe; otherwiſe not. And therefore day was given to the party, to produce and ſhew his Letters Patents. Trin. 29 Eliz. Exchequer, The Earl of *Northampton* and the Lord *St. Johns* Caſe. *Leon.* 2. Part, 56.

3. A Writ was awarded out of the Court of Admiralty againſt Sir *Tho. Bacon*, to ſhew cauſe, Whereas the Earl of *L.* late High Admiral of *England*, had granted to them to be Vice-Admirals in the Counties of N. and S, why the ſaid Letters Patents ought not to be Repealed and Annulled? So the Writ was in the Nature of a *Scire facias*. It was now moved to this Court, That the Admiral had but an Eſtate for life in the place of Admiralty; Yet his Grants did continue in force after his death. As the Juſtices here in C. B, although they have their Places but for life; yet they may grant Offices which ſhall be in force after their deaths. And becauſe for this cauſe, the matter is determinable at the Common Law, a Prohibition was prayed, for that in the Admiralty they will judge according to the Civil Law. Hereupon the Court, adviſing of the matter, gave day to the other ſide, to ſhew good cauſe to the contrary, or otherwiſe a Prohibition ſhould be awarded.

4. The Caſe was: King *Henry* 8th was ſeiſed of certain Lands, and of the Scite of the Hoſpital of St. *Johns* in W; and demiſed the Lands to A. for 21. years; and afterwards granted the Reverſion of them (*inter alia*) to the Biſhop of W. in Fee; and afterwards, the Biſhop granted thoſe Lands (*inter alia*) to E. 6. which diſcended and came to Queen *Mary*, who demiſed thoſe Lands to A. for 60. years, not reciting the Leaſe made to A: This Leaſe for 60 years was adjudged void, for not reciting the Leaſe for 21. years: for although by the taking of a ſecond Leaſe, the firſt was drowned; yet at the inſtant time of the taking of the ſecond Leaſe, it was in *eſſe*, and therefore ought to be recited, eſpecially being a Leaſe upon Record; but of a Leaſe by matter of fact, it was agreed, There needed no recital. The Objection againſt it was, Becauſe the Reverſion had been conveyed to the Biſhop, ſo as in his time the Leaſe might have determined without any matter of Record; and therefore when it came to the Queen, it needed not to be recited. But it was holden by the Court, For that A. might have knowledg of it, if it had been ſo done, and no ſuch thing is done, when the Reverſion was in the Queens hands, It is as if it never had been granted from the Crown. Legacies.

1. A Prohibition was prayed by the Wardens of the Company of Tallow-Chandlers in *London*, upon a Surmiſe that they were ſued in the Spiritual Court for a Legacy of 200 l. given by the Teſtator, of the Plaintiffs there; And the Defendants pleaded there, That the Teſtator was Keeper of *Ludgate*, and was poſſeſſed of goods to the value of 300 l; and was Obliged in an Obligation of 100 l. to the Sheriffs of *London*, that he ſhould ſafely keep the Priſoners committed to his Charge, and ſhould ſave the Defendants harmleſs from all Eſcapes: and that one H. was taken upon a *Capias utlagatum* after Judgment in Debt, and eſcaped; and Debt was brought upon the Eſcape againſt the Sheriffs, and Judgment againſt them, and ſo the Bond was forfeited, ſo as they had nothing in their hands to ſatisfie; And becauſe the Eccleſiaſtical Court would not allow of this Plea, a Prohibition was prayed. It was the Opinion of the Juſtices in this Caſe, That this was no Plea; and that the Spiritual Court which are to take notice of our Law, are not to allow of it; For the Judgment in Debt in this Caſe, was *Anno* 20 Eliz. and the *Capias utlagatum* was 25 Eliz; ſo as the Plaintiff could not take benefit thereof, for he was not in Execution for him; and then the Obligation is not forfeited, for it is not any Eſcape: and it is clear, this Legacy ſhall firſt be paid. But it was ſaid, That the Legatory by the Civil Law ſhould enter into Bond to make Reſtitution, if the Obligation ſhould afterwards be recovered; wherefore a Conſultation was awarded. Hill. 38 Eliz. 2. A man by his Will deviſed 20 l. to his Daughter; The Executor entred Bond to the Daughter of 40 l. for the payment of it: The Daughter took husband; who ſued in the Spiritual Court for the Legacy; The Executor pleaded payment according to the Bond: and they would not allow of the Plea there. Wherefore upon a Surmiſe of the matter aforeſaid, a Prohibition was granted. It was moved for a Conſultation, becauſe the Suit was for a Legacy which is Spiritual: and although payment be a good plea there; yet if they will not allow of it, he ought not to have a Prohibition; for he might

Appeal

Appeal to a ſuperior Judge thereto: and if ſuch Prohibition ſhould be granted in ſuch Caſes, the Spiritual Courts ſhould try nothing. But the Opinion of the Juſtices was, That it was a good Surmiſe for to have a *Prohibition*; For the Executor by entring of Bond to the Daughter for payment of the Legacy, hath extinguiſhed the Legacy, and made the Deviſe of the 20 l. meerly a debt at the Common Law, and not ſuable there. Libell.

1. ONe Libelled in the Spirituall Court againſt another for the Tythes of two pecks of Apples; and for feeding of Cattel upon the ground. As for the Apples, the Defendant Anſwered, That there were two pecks only growing in his Orchard, and that they were ſtollen, and never came to his uſe. And for the feeding, That they were old Milch Beaſts; and that for a moneth they depaſtured with other Heifers; and that after he put them into a Meadow of which the Hay was carried away; and afterwards, that he fed them with Hay in his houſe. And becauſe the Anſwers were not admitted there, a *Prohibition* was prayed. It was the Opinion of the Court for the firſt, That if I ſuffer one to pull my Apples, the Parſon ſhall have Tythes of them. But if they be taken by perſons unknown, the Parſon ſhall not have Tythe of them; for they are not tytheable before gathering. But if he ſuffer them to hang ſo long by negligence, after the time, that they are imbezelled; He ſhall pay Tythes of them. For the ſecond matter, It was agreed by the Court, That for the depaſturing in the Meadow, and for the Hay with which they were afterwards fed, Tythes ſhould not be paid, becauſe the Parſon had Tythes of them before. But if the Queſtion be for the Tythes when they were with the Heifers, although it was for ſo ſmall a time, yet for the Time that they were with the Heifers, he ſhall pay Tythes. Trin. 4 Car. C. B. *Hetley*, 100.

2. T. Libelled againſt G. in the Spiritual Court for Tythes of Milk and Calves; A *Modus Decimandi* was ſurmiſed, to have a *Prohibition*: Which was, That every Inhabitant ſhould pay 4 d. for every Cow, and 2 d. for every Calf. And they proved, That there was never Tythe paid in kind; But proved, Every Inhabitant ſhould pay 6 d. and ſome 7 d. And becauſe that was not a proof according to the Suggeſtion, A *Conſultation* was prayed. And it was granted by the Court. But in that Caſe, It was agreed, That if the *Modus* was alledged to have been 20 s. and they proved 40 s. there it is good. But in the principal Caſe, no *Modus* was proved; for that which was offered, was meerly incertain. And therefore a *Conſultation* was awarded. Trinit. 4 Car. C. Livery, and *Livery* and *Seiſin.*

1. THe Caſe was: Grandfather, Father, and Son; Lands holden of the King in *Capite*, were given to the Grandfather for life, the Remainder for life to the Father, the Remainder to the Son for life, the Remainder to the right heirs of the ſaid Grandfather, Father and Son; The Grandfather dyed; The Queſtion was in this Caſe, If the Father ſhould ſue Livery? It was the Opinion of the Juſtices, That the Father ſhould not ſue Livery; becauſe he hath a ſon, who ſhall have the Feeſimple by way of Survivorſhip by purchaſe, and not by diſcent. Trin. 6 El. 2. C. B. *Bendlowes*, 29.

2. The Caſe was, J. O. and A. S. made a Leaſe of the Manner of F. to J. H. and his Aſſigns for 20. years; And by the ſame Indenture they further Covenanted, Accorded, Bargained, and Agreed, That after the Expiration of the ſaid 20 years contained in the ſaid Indenture, That the ſaid J. H. and E. his wife, and T. their Son, ſhould have the Lands to them for the Term of their Lives, and the longer Liver of them yielding ſuch a Rent, &c. And a Letter of Attorney was made to two joyntly and ſeverally to take poſſeſſion; and afterwards peaceably for to deliver poſſeſſion to them three. It was the Opinion of the whole Court in this Caſe, That the ſame was a good Leaſe for years, the Remainder to the three for their Lives, if the Deed was delivered by the Attorneys, and Livery and Seiſin made at one time. But if the Deed was delivered firſt by the Leſſors to the Leſſee, and then the Attorneys delivered Seiſin afterwards, then ſuch Livery of Seiſin was void. Hill. 2 Eliz. C. B. *Bendlowes*, 39.

3. The Case was; It was found by Office, That J.S. who held Lands of the King, dyed without heir; W. S. as heir to J. S. traverseth this Office; and was at Issue with the Queen, That J. S. did not dye without heir: and, hanging this Issue, He made a Feoffment of the Land with a Letter of Attorney to make Livery: And after the Issue was tryed, and Judgment was given against the Queen; And after Judgment, and before, the Writ of *Amoveas Manum* was executed, the Attorney made Livery according to the Deed. And, If it was a good Feoffment, or not, was the Question, because at the time of the making of the Feoffment, he had nothing; and because at the time of the Livery executed the Queens hands were not amoved, and so the Livery was during the Queens possession. And it was said, That the Deed being void at the first, cannot be made good by a subsequent act: As if I make a Deed of Feoffment of Lands which I have not, in such a Letter of Attorney, and afterwards I purchase the Land; yet this Deed is void. But afterwards in the principal Case, upon Advise, It was Adjudged, That the Livery was good; For that by the Judgment, the Queens hands were immediately removed, and he had authority to execute Livery upon the Land. 4. The Sheriff made a Warrant to four men, *et cuilibet eorum quod capercnt.* J. S; two of them took him; and J. S. promised J. D, at whose Suit he was Arrested, That if he would discharge him of the Arrest, that he would pay him 10 l. *quando requisitus*: J. D. discharged him of the Arrest, and brought *Assumpsit* for the 10 l. And found for the Plaintiff. It was said, in stay of Judgment, That the Arrest was not lawful, being made by two only. But the Opinion of the Justices was, That the Arrest was good; For that Warrants of this kind are not to be resembled to other Warrants of Attorney, either to make or take Livery; for if a Letter of Attorney be made to three *Conjunctim & Divisim*, to make Livery, two of them cannot make Livery. London.

1. NOte, upon a Case of Disfranchisement of a Citizen of *London*, *Periam*, Justice, said, That he had seen a President in the time of King *Henry* the 8th, Where a Citizen of *London* sued another in the Common Pleas; And the Mayor and Aldermen of *London* would have had him put the matter to Compromise; which he refused. Wherefore they did disfranchise him. And this matter being shewed unto the Court, They directed their Writ to the Mayor, &c. to restore the party to his Franchise; And they affessed a Fine of 100 Marks upon every one of them that were parties to the Disfranchisement; Which they paid, as appeareth by the Record; and the Citizen was restored to his Franchise. Trin. 26 Eliz. C. B. *Cro.* 3. Part, 33.

2. Error of a Judgment in C. B. in Debt upon Confession; The Error assigned was, That the Defendant brought Debt as Successor of B. Chamberlain of *London*, upon an Obligation made to him, *Salvendum* to him and his Successors; And alledged the Custome of *London*, That the Chamberlain there hath used time out of mind, &c. to take Bonds to him and his Successors; and their Successors to sue all such Bonds; And that all their Customs are Confirmed by Parliament, 7 R. 2. And the Plaintiff had thereupon Judgment: Whereas by Law, this Obligation being a Chattel, cannot go in succession; and therefore it was Error, and Judgment ought to be reversed. But the Opinion of the Court was, That in regard it is alledged to be a Corporation for that purpose to take Obligations, it may be well allowed, and shall go to the Successor, and not to the Executors. And so it was said, it was adjudged, Pasch. 21 Eliz. in *Mabb* Case. And in one *Taylor's* Case in the *Exchequer*, Where Debt was brought by the Successor in the Mayor's Court upon such an Obligation, and a Recovery, and Error thereupon brought. And before *Maynard* and others, especiall Commissioners for that purpose, the Judgment was affirmed. And so it was said to be adjudged in the very like case as this is, Mich. 43 and 44 Eliz. in B.R. upon a Recognizance acknowledged to the said B. then Chamberlain of *London*, *Wilford* and *Hattons* Case. Wherefore in the principall Case, the Judgment was affirmed, Pasch.

3. J. S. a Citizen, called one *Garrett* Alderman of *London*, *Fool* and *Knave*, upon the Exchange, and was therefore committed by the Mayor to *Newgate*; He removed himself by *Habeas Corpus* in C. B. where the Cause of his Commitment was Certified: And the Customs was, upon such a Misdemeanor to commit any Citizen to prison. It was the Opinion of the Justices, That in private discourses one shall not be Imprisoned. And a man may be Imprisoned for a Contempt done in Court, but not done out of Court. Therefore the Court was clear of Opinion, That he ought not to have been committed for such a gross abuse; And by the assent of the whole Court, he was discharged. Trin. 44 Eliz. C. B. 4. *Ejectione Firme* of an House in *London*; the Case was this: Tenant in tail of divers Messuages in *London*, 7 *Jan.* 44 Eliz. bargained and sold them to J. S. and delivered the Deed of the Land; 8. *Jan.* Indentures of Covenants were made to have a Common Recovery suffered of those Messuages: 9. *Jan.* a Writ of Right for those Messuages was sued in *London*, returnable at a day to come. And 10 *Jan.* the same year, Tenant in tail made *Livery of Seisin* to J. S. of one house, in the name of them all; whereas all the other houses were in Lease for years, and the Lessees did not Attorn. The Question was, If the Messuages passed by the Bargain and Sale, or by the Livery. It was the Opinion of the Justices in this Case, That by the delivery of the Deed of Bargain and Sale, the Lands did passe by the Customs of *London* without Inrollment; and then the same being executed, and the Conveyance perfected by the delivery of the Deed, the Livery and Seisin afterwards came too late; and a possession executed, should hinder a possession Executory. Also it was the intent of the parties, that the Lands should passe by Bargain and Sale, for it was to make a perfect Tenant to the Precipe; and all the subsequent acts upon the same should be frustrate, if the Livery of Seisin should be effectual. Wherefore Judgment was given, That the Defendant who claimed the Bargain and Sale, should hold and enjoy the Land. Hill. 5 Jac. B. R. *Darby* and *Bats* Case. *Yelverton*, 123.

Maintenance.

NOte: It was Resolved by the whole Court, That if a man assigneth an Obligation to another for a precedent debt due to him the Assignee; there the same is not Maintenance. In a Bill exhibited into the Star Chamber, against *Townsend*, for unlawful Maintenance, in causing a Partial Jury to be returned; The Case was: F. was a Copyholder of the Lord *Cromwell*; the Lord pretending, that F. had forfeited his Copyhold, caused *James Cromwell*, to make an Entry in the right of the Lord: Upon which Entry, F. brought Trespass against J. C; and the parties being at Issue upon the Forfeiture, before any *Venire facias* issued forth, F. hearing that one J. S. was Bayliff of the Franchise under the Earl of *Arundell*, who ought to make the Pannel, was purposed to have made the said Pannell not duly; viz. to Return great Men of the County; went to the Defendant one of the principal Servants and Agents of the said Earl, and shewed him, That if those persons, and Lords of Mannors be returned for the Tryal of that Issue, that perhaps they would not so easily appear, as people of lesser Condition; and prayed his Order to the said J. S. for

for the making of an Indifferent Pannel. Whereupon, and upon ſhewing the matter aforeſaid, F. the Copyholder exhibited a Petition, which was delivered by the Defendant to the Earl: Upon which the Earl did return the matter to three of his chief Agents, viz. A. B. and C. and delivered to them the Book of Freeholders, who according to the Commiſſion made a Pannell, which was Returned: and the Jury paſſed with. J. C. in the right of the Lord *Cromwell*. And, If this intermeddling of T. the Defendant with this matter as aforeſaid, was Maintenance or not, was the Queſtion? It was delivered for Law, by the Lords Chief Juſtices, *Anderſon* and *Wray*, That becauſe the Defendant was in manner a Servant to the ſaid Earl, who had return of Writs, and one of his principal agents, and, hearing *ex inſtantiâ* of the ſaid F. the miſdemeanor of the Bayliffs of his Lord, he could not do better, then to ſhew the Bayliff his duty; For it concerned the Honour of his Lord, and the Inheritance of his Franchiſe, and therefore it was no Maintenance in him. But if the Defendant had been a meer ſtranger to the Earl, ſo as no ſuch privity had been betwixt them, it had been clearly Maintenance in the Defendant. And ſo they ſaid, it had been adjudged in *Giffords* Caſe in this Court. Mich. 28 Eliz. *Cam. Stellat.* The Lord *Cromwell* and *Tate ſmith*'s Caſe. Lib. 2. Part, 133.

Maſter *and* Servant.

1. THe Plaintiff in Aſſumpſit declared, That whereas at the ſpecial Inſtance of the Defendant, he had procured Credit for one F. for two Tun of Wine, amounting to 51 l; and F. upon the Credit, and by the means of the Plaintiff, at the Defendant's Requeſt, had bought of J. S. two Tun of Wine for 51 l: and thereupon the Plaintiff with F. entred Bond of 100 l. to J. S. for payment of the ſaid 51 l. at a day, which was not paid; and thereupon the ſaid J. S. ſued the Plaintiff upon the ſaid Bond; and recovered and had Execution againſt him; by which he was compelled to pay J.S. 67 l: All which he notified to the Defendant, who in Conſideration of the premiſſes, promiſed to pay the Plaintiff the ſaid 67 l. at a day certain; which he had not paid. Being found againſt the Defendant, upon Non *Aſſumpſit*, It was ſaid, That the Action did not lye, Becauſe the Conſideration was executed and gone, and the Defendant had not any avail by it, but F. who was a ſtranger. It was the Opinion of the Juſtices in this Caſe, That although upon the Requeſt an Aſſumpſit did not lye, yet the promiſe coming after, ſhall have reference to the firſt Requeſt; And although the Requeſt was but for two Tun of Wine, amounting to 51 l; yet when J.S. who ſold the Wine would not take ſecurity but by Bond of 100 l, and all this matter is ſignified to the Defendant, who agreed to it, and promiſed to pay the 67 l, he ſhall be charged thereafter, becauſe it hath its eſſence from the firſt Requeſt. And in this Caſe, It was ſaid, That if I do intreat one to be Bail for my Servant, who thereupon becomes bail, and is Condemned, and ſues the ſame to me, and I promiſe to ſave him harmleſs; it is a good promiſe, and the party ſhall recover his Damages againſt him *in toto*. Mich. 1 Jac. B.R. *Boſden* and Sir *John Tayns* Caſe. *Yelverton*, 44. 45.

2. In Battery, the Plaintiff declared, That the Defendant ſuch a day aſſaulted and beat his Wife. It was moved, That the Declaration was not good, becauſe brought by the Plaintiff for the Battery of his Wife, it being a perſonal wrong; and now the Wife being dead, the Action did not lye: and if ſhe had been living, he could not have the Action; for that the Damages ſhould be given to the Wife, for the wrong done to her. All which was granted by the Court. And in this Caſe, It was ſaid, That if a man beats the ſervant of J.S. ſo as he dyeth of the Battery, the Maſter ſhall not have an Action againſt the other for the Battery and loſſe of ſervice, becauſe the Servant dying of the Extremity of the Battery, it is now become an Offence to the Crown, being converted into Felony; which drowns the particular offence, and wrong offered to the Maſter before; and his Action is thereby loſt. Trin. 4 Jac. B. R. *Higgins* and *Butcher*'s Caſe. *Yelverton*, 89. 90.

3. In Debt, the Caſe was; G. the Defendant ſealed a Bill in this form; *Memor* 9d. I have received of E. T. to the uſe of my Maſter J. S. the ſum of 40 l. to be paid at Mich. following: In Debt the Plaintiff declared as the Bill was, and demanded the 40 l: Upon which it was Demurred. In this Caſe, it was Objected, That the Defendant was not to be charged with it, becauſe he is not the principal Debtor, but the Maſter. But the Opinion of the Court was, That the Action did well lye againſt the Defendant; for although

although the premiſſes of the Bill mentioned the Receipt to be to anothers uſe, yet in the latter Cauſe of payment, he doth not ſay, To be repaid to his Maſter; for then it had not charged him. The Clauſe is general (*to be paid*) which of neceſſity muſt bind him who ſealed the Bill; otherwiſe the party ſhould loſe his debt. Mich. 6 Jac. B. R. *Talbot* and *Godbolts* Caſe, *Yelverton*, 177.

4. Action upon the Caſe againſt an Inn-keeper, and declared upon the generall Cuſtome of the Realm, of the ſafe keeping by them and their ſervants of the goods of their Gueſts: And ſhewed, That 2. *Decemb.* 6 Jac. the Defendant *Cuſtodivit*, and yet *Cuſtodit* a Common Inne, at D. in the County of U; And that J. S. the Plaintiff's ſervant, the 2. *December*, was the Defendant's Gueſt in the ſaid Inn; then and there having in his Cuſtody in a bagg or purſe of 76 l; and that certain *Malefactors*, unknown to the Plaintiff, the ſaid 2. *December*, the ſaid bagg or purſe, and the money therein, then and there, took and carried away, againſt the Cuſtome aforeſaid, to his damage of 100 l: It was found for the Plaintiff, And moved in ſtay of Judgment, That the Action did not lye for the Maſter, for the Robbery of his Servant. And alſo it doth not appear in this Caſe, That he was his Servant when he loſt his purſe. But it was Reſolved by the Juſtices in this Caſe, That none could have ſatisfaction in this caſe, but the party who ſuſtained the loſſe; and that was the Maſter: and that in this Caſe he might have had and maintained an Appeal of Robbery. And it was ſaid, That it is expreſſly alledged, That he was his Servant at the time he lodged in the Inn: But if he were or not, the Court held it not material; For if it was a Friend, by whom the party ſent the money, yet if he was robbed of it in the Inn, the Owner of the money might maintain an Action for it againſt the Inn-Keeper. It was Adjudged for the Plaintiff, Mich. 7 Jac. B. R. *Hale* and *Morris's* Caſe, *Yelverton*, 162.

Mannor.

1. THe Opinion of the Juſtices of the Common Pleas was demanded in this Caſe; viz. A man ſeiſed of a Mannor in Fee, made a Leaſe for years of the Scite, and the Demeſnes, of the ſame Mannor to another; And afterwards, the Leſſor granted the Reverſion of the ſame Mannor to another in Fee by Deed, and the Leſſee Attorned; And if by that Grant and Attornment the Reverſion paſſed, he prayed the Opinion of the Court. And all the Juſtices ſaid and agreed, That the Grantee took nothing by the ſaid Grant; for that Grantor had not any Reverſion of the Mannor; becauſe the Scite and the Demeſnes are not the Mannor. Paſch. 29 H. 8. *Rendlawes*, 16.

2. In a *Quare Impedit*, It was holden by the Juſtices, That if two Coparceners be of an Advowſon, and they ſeverally grant their parts to ſeverall men; the advantage which was between the Coparceners, doth hold place betwixt the Grantees; ſo as the firſt preſentment ſhall go to the Grantee of the eldeſt, and ſo of the others; and an uſurpation of the one, ſhall not put the others out of poſſeſſion: Otherwiſe, perhaps, if they were Tenants in Common, and did not derive their Eſtate from Coparceners. And in this Caſe, It was further holden by the Juſtices, That if a man hath a Mannor which doth extend unto two Towns, and he grants the Demeſnes and Services in one Town, That the Grantee hath a Mannor in that Town, and he may keep a Court there; and ſo hath the Grantor a Mannor in the other Town, and may keep Court there. Paſch. 25 Eliz. C. B. *Harris* and *Nicholl's* Caſe, Cro. 3 Part, 19.

3. In a *Replevin*, the Caſe was; A. was ſeiſed in Fee of the Mannor of C. which did extend into the Towns of *North-Kelſey*, *South-Kelſey*, *Hilton*, and *Grisby*; and in every of the ſaid Towns he had Demeſne Lands, and ſeverall Freeholds which he held of him as of the ſaid Mannor; and the Plaintiff was ſeiſed of the Lands in which, &c. which lay only in the Town of *North-Kelſey*, holden as of his Mannor of *North-Kelſey* by Fealty and Suit of Court; And the ſaid A. ſo ſeiſed by his Indenture enrolled, bargained and ſold to R. B. *Totum illud ſuum Maneriam ſive Dominium de North-Kelſey in North Kelſey*, and all his Lands, Rents, Reverſions

Reversions and Services, *Et omnia alia sua Regalitates, Consuetudines, Hereditamenta*; scituate and *existent. in North-Kelsey.* To which Grant, the Tenants Freeholders in *North-Kelsy* attorned. And, If R. B. had a Mannor in *North Kelsey* to hold a Court, was the Question? It was Objected, That A. had no such Mannor, but his Mannor was the Mannor of C: And if I have a Mannor in two Counties, and have Demesnes and Services in both; and I grant my Mannor in one County, the Grantee hath no Mannor, for I had no such Mannor; and in the Conveyance, things cannot passe by their proper names; and a Mannor cannot be made at this day, neither in the case of a Common person, nor by the Queen. The Opinion of the Justices was, That the Conveyance in substance was good; yet the form of it might have been more Consonant to Law. If the Grant had been *Totum Manerium suum de C. in North Kelsey:* And here the Grant is of all the Mannor, and of all his Hereditaments in *North Kelsey*; And by this word (*Hereditament*) the Mannor shall passe. And they agreed, That a Mannor cannot be made at this day; and that the Queen cannot make a Thing parcell of a Mannor. And it was holden, That the words, *de North Kelsey*, were void; and a Mannor is such a thing as may be divided: And, as the Court Baron there said, There needs not any Erection of a new Court, because before the Grant, the Court might in Law be holden in any place within the Mannor; and therefore every part of the Demesnes is capable of a Court to be holden there. Pasch. 27 Eliz. in C.B. *Morris* and *Smiths* Case. *Cro.* 3. Part, 38. See *Leon.* 1. Part, 26, 27. the same Case.

4. Note: It was holden in Tresposs, by the whole Court, That a Mannor in Reputation which is not a Mannor in truth, will not passe by the name of a Mannor in a Fine or Common Recovery, for they shall not be taken by Intendment. But it is otherwise in a Conveyance, for there the Intent of the parties will help it. Mich. 39 Eliz. C. B. *Mallet* and *Malletts* Case. *Cro.* 3. Part, 524.

5. *Quo Warranto* brought against the Defendant, for holding a Court-Leet, and a Court-Baron within the Hundred and Mannor of W. in the County of B; the Defendant disclaymed as to the Court-Leet: but as to the Court-Baron pleaded, That J. S. was seised of a Mannor of which the Mannor W. within the Hundred of W. whereof the Mannor of N. within the Mannor of W. is parcell and Copyhold, and demiseable by the Lord of the Mannor of W. or his Steward in Fee: and that the Mannor of N. is known as well by the name of a Messuage, and 7. Yard-Land, Customary, &c. and 20 s. Rent, and by that name had been demised by Copy, according to the Custome of the Mannor of W: and that J. S. 18 Eliz. let the said Mannor of N. to him by the name of a Messuage, and 7 Yards-Lands, and 20 s. Rent in Fee, by reason whereof he entred, and kept a Court within the Mannor of N: Upon which Plea, the King Demurred. It was Resolved in this Case; 1. That one Mannor might be parcel of another, and holden by Copyhold. But it was holden, That by these words, *A Messuage and seven Yards Lands, and 20 s. Rent*, did not passe a Mannor, and therefore he could not have a Court-Baron as incident thereunto. Mich. 8 Jac. B. R. The King and *Staffertons* Case, *Yelverton*, 190, 191.

6. B. was Indicted for the entring into the moyety of a Mannor; Exception was taken to it, That he cannot enter a moyety of a thing which is entire, but the Indictment ought to have been, That he entred into the whole. *Doddridg*, Justice, said in this Case, That before Partition, One Parcener hath *dimidium Manerii*; afterward, *Medietatem*; because *Dimidium* is of an entire thing before *divisus*: but *Medietas* is half part divided and separated. And the Exception was disallowed, because now after Partition, that which was before but the moyety of a Mannor, is now but the moyety of a Mannor, and so the Judgment good. Hill. 2 Car. B. R. *Latch.* Reynes Case. *Latch*, 224.

Marriage.

1. A Man married the Daughter of the Sister of his first Wife; and was questioned for it in the Spiritual Court. It was adjudged by the whole Court, upon Consideration had of the Statute of 32 H. 8. Cap. 38. That it was a good marriage, and not prohibited by the Levitical degrees. Trin. 2 Jac. C.B. Rott. 1032. *Parsons* Case. See *Cok.* 1. Part, *Institutes*, 235.

2. Note, in the like Case as before; A man married his Wives Sisters Daughter, for which he was sued before the High-Commissioners; For although this was not prohibited within the Degrees of the Levitical Law, yet because Degrees more Remote are forbidden, they gave Sentence of Divorce. Whereupon he grounded a Prohibition upon the Statute of 32 H. 8. Cap. 38. And a Con-

a Conſultation was thereupon prayed, and granted; becauſe the Prohibition is not to be, if it be not within the Levitical Laws; and here it was general, and therefore not good. Paſch. 33 Eliz. B. R. *Mans* Caſe. *Cro.* 3. Part, 228.

3. Action upon the Caſe, And ſuppoſed, That 24 Eliz. the Plaintiff put his ſon and heir apparant to the Defendant, to be an Apprentice in the Art of a Taylor for 7. years; and that the Plaintiff was ſeiſed of Lands in B. in the County of D. in Fee, of the value of 20 l: which Lands after his deceaſe are to diſcend to his ſaid ſon; and that the Defendant 1. *May*, 28 Eliz. aſſaulted his Son, and ſtruck him with a Spade upon the back; by which he became lame and decrepit; by reaſon of which, he loſt his Marriage: and could not marry him as before, to his damage of 200 l: Upon this Declaration, the Defendant did Demur. It was adjudged for the Defendant, for the Juſtices ſaid, It doth not appear by any Book, That the Father ſhall have an Action for the loſſe of the marriage of his ſon and heir apparant, except when a ſtranger takes him by force, and marrieth him; But if the ſon marrieth himſelf, or a ſtranger procureth him to marry one, the Father hath no remedy: And for battery of the Son, the Action lyeth not by the Father. Paſch. 29 Eliz. in B. R. *Gray* and *Jefferies* Caſe. *Cro.* 3. Part, 55.

4. A Communication of Marriage was between J. S. and A; J. S. being poſſeſſed of a Term for years, and of certain goods, promiſed to A, That if ſhe would be married unto him, and they had a ſon, that he ſhould have the Term for years, if they had a Daughter, That ſhe ſhould have the moyety of the Goods. They afterwards entermarried, and had Iſſue B. a daughter. The husband dyed; and B. brought an Action upon the Caſe againſt the Adminiſtrator of J. S. for the Goods. It was the Opinion of the Court, That ſhe could not have the Action, but in the name of A, or as Adminiſtratrix of A; And *Stafford*'s Caſe was put, which was, There was a Communication between him and a Woman, That if ſhe would marry him, that he would leave her at his death worth 200 l; And after the Intermarriage and death of the Husband, an Action was brought by the Wife; And the Queſtion was, Whether the Promiſe was extinguiſhed by the Intermarriage? And in that caſe, It was Reſolved, That the Intermarriage was but a ſuſpenſion of the Promiſe; and that the Action did well lye. See Paſch. 3 Car. C. B. *Hetley*, 12. See Mich. 3 Car. C. Misnosmer.

1. NOte, by all the Juſtices of the Common Pleas, That Abbot and Covent, Dean and Chapter, and all other Corporations ought to be named by the true names of their Corporation or Foundation, according to the form of it, without leaving out any material part thereof in all their Leaſes and Grants, and in all Actions where they are Defendants or Plaintiff; otherwiſe their Leaſes and Grants ſhall be void; and their Writs ſhall alſo abate, becauſe the name of a Corporation is as the name of Baptiſm of a man, which cannot be changed. Paſch. 4 & 5 Mar. *Bendlowes*, 2.

2. *Adrian Stokes* Eſquire, being married to the Dutcheſs of S; they brought a *Quare Impedit* againſt the Biſhop of Ex. and J. S. by the name of *Adrian Stokes* Eſquire, and Dame *Francis* Dutcheſs of S. his Wife, &c. The Defendants pleaded, That the ſaid Dutcheſs by her Intermarriage with the ſaid *Stokes*, had loſt her name of Dignity of Dutcheſs; and that ſhe ſhould have named *Franciſca uxor prædict. Adriani, et Domina Franciſca Ducissa S:* and upon that matter ſhewed, the Plaintiffs diſcontinued their Suit, and durſt not proceed in the *Quare Impedit*. Trin. 4 & 5 Mar. *Bendlowes*, 37.

3. The Caſe was; A man did Deviſe Lands to A. his Wife for life, the remainder to his ſon in tail; and if he dyeth without Iſſue, or be unthrifty, that it ſhould remain and be to the Maſter and Wardens of the Myſtery of Cordwainers of *London*; whereas they were incorporated by the name of Maſter, Warden, and Commonalty, &c. The Queſtion was, If, by reaſon of this *Miſnomer* of the Corporation, the Deviſe was void? It was the Opinion of the Juſtices in this Caſe, That the Deviſe was good; for by Intendment, the Deviſor had not any counſel here, nor had knowledg of their name; and being known by that name, there is a ſufficient intendment, what Corporation ſhould have the Lands. Trin. 30 Eliz. B. R. *Foſter* and *Walters* Caſe. *Cro.* 3. Part, 106.

4. In Treſpaſſe, the Caſe was; The Preſident and Schollers of *Corpus Chriſti* Colledg in *Oxford*, ſeiſed in Fee, lett the Land, 10 Eliz. by Indenture for 30 years; Provided, That the Leſſee and his Aſſigns ſhould not alien the premiſſes,

misses or any part thereof, without special Licence of the Lessors. Afterwards, they gave special Licence to the Lessee to alien or demise the Lands to any person or persons whatsoever; the Lessee assigned his Interest to J. S. who by his Will Devised the same to his son. Afterwards, in 38 Eliz. the said President and Schollers, by the name of President and Schollers of *Corpus Christi* Colledg in *Oxon. in Comitatu Oxon.* made a Lease thereof to the Plaintiff, rendring Rent. There were many Points in this Case; which are Resolved in *Cook* 4. Part, 119. One amongst the rest was this; If that this Lease made 38 Eliz. were void or not? It was Objected to be void, by reason of the *Misnamer* of the Corporation, by the Additions; *scil. in Comitatu Oxon.* But the Opinion of the Court was, That notwithstanding that Variance in the Name of the Corporation, that the Lease was good. Pasch. 40 Eliz. B. R. *Dumper* and *Syms* Case. *Cro.* 3. Part, 815.

5. In a *Replevin*, the Case was; J. S. seised of Lands in the Right of his wife for the life of the wife; he and his wife made a Lease for years by Writing, reserving 4 l. Rent *per annum*. The husband being indebted, made his wife his Executrix: Debt was brought against her by the name of *Isabell*; whereas her name in the Lease was *Sibill*. Upon Execution awarded, the Sheriff Returned, That *Isabel* had 4 l. Rent out of the Land, upon a Demise made by her and her husband; and that he had delivered to the Defendant the moyety of that Rent. Upon which it was Demurred. And it was adjudged ill, for divers Causes; One was for this, For that the Recovery against *Isabell*, was void against *Sibell*, and the Sheriff could not extend her Land. Hill. 41 Eliz. B. R. *Walsal* and *Heaths* Case. *Cro.* 3. Part, 656.

6. Covenant, for not performing certain Covenants in an Indenture, Between the Plaintiffs Master of the Ship called *R*, whereof *Robert Pitman* was Owner of the one part, and the Defendant of the other part. The Conclusion of the Indenture was, *In cujus rei Testimon. &c.* the Parties aforesaid to these Indentures have set their hands and seals; and the Plaintiffs and *Robert Pitman* set their hands and seals to one part, and the Defendant to the other. In the Indenture there were divers Covenants to be performed by the Plaintiffs, and by the said *Rob. Pitman* to the Defendant: and Covenants *è Converso* of the other part. The Defendant pleaded, That the said Indenture was delivered to the Plaintiffs and to the said *Tho. Pitman*, (and so mistakes *Tho.* for *Robert*) and pleaded the Release of *Tho.* of all Covenants. Upon which the Plaintiff Demurred, for two Causes. 1. Because he Release is pleaded by *Tho. Pitman*, where as no such man was named in the Indenture. 2. Admitting the name had been right, and that *R. P.* had Released; That it was not good. But in this Case, it was adjudged for the Plaintiffs; and the Cause of Judgment was the Misnosmer: Which the Court held, could not be amended. And *Wray*, Chief Justice, said, That they conceived, That the matter in Law also was for the Plaintiffs. Pasch. 29 Eliz. B. R. *Fast, Sudmore*, and other Plaintiffs, against *Vande Steven* Defendant. *Cro.* 3. Part, 57.

Murder.

1. APpeal of Murder; the Defendant pleaded, Not Guilty. The Evidence was clear, That he was guilty of Manslaughter; but doubtful for the Murder. The Jury found, he was not guilty of the Murder; And being demanded, If he was guilty of Manslaughter? They answered, They had nothing to do to enquire of it, It was the Opinion of the Justices in this Case, That by the Law, the Jury are not compellable to enquire of the Manslaughter: And gave their Verdict as before. Pasch. 34 Eliz. B. R. *Wyth* and *Wiggs* Case. *Cro.* 3. Part, 276. See Hill. 38 Eliz. B. R. *Penrys* and *Corbetts* Case, adjudged accordingly. *Cro.* 3. Part, 464.

2. Appeal of Murder against divers; one as Principal, the rest as Accessories: Some Accessories, before the fact; some, after. The Principal was found guilty of Manslaughter only. It was the Opinion of the Justices in this Case, That as to the Accessories before the fact, that they ought to be discharged; but the Accessories after, that they should answer. It was then moved, That the Principal after Conviction, had his Clergy, and was never Attainted, and therefore the Accessory ought to be discharged. And of that Opinion was the whole Court. And it was said by the Court, If the Principal had his Clergy, or his Pardon, before the Judgment, although it were after Conviction, the Accessory shall be discharged. But if he prayes his Clergy after he hath had his Judgment (as he may) or if he be Pardoned, yet the Accessory shall be arraigned. Hill. 39 Eliz. B. R. *Gof* and *Bykyes* Case. *Cro.* 3. Part, 540.

3. Appeal of Murder was brought against *Coffe*, by the Wife, of the death of her Husband; The proof was, That divers were together present in a Tavern, when her Husband was killed by a blow upon the Head with a Quart-Pot, and drinking together; but it was not proved which of them gave the blow. And the others were appealed, and pleaded,

preſent, and abetting. It was ſaid and Objected by ſome, That the Abettors were as principal Murderers as the party which gave the blow or ſtroke, and ought to be Endicted as Principal Murderers; ſo as it was not material if *Caſſett* gave the blow, or not, if he was preſent, and Abetment. It was then moved, That they ought to be Indicted *de Novo*; For in an Appeal of Murder, they cannot find the Defendant guilty of Manſlaughter, as they may upon an Indictment. The Jury went from the Barr, and found the Defendant neither guilty of Murder nor Manſlaughter. Paſch. 2 Car. B. R. *Caſſetts* Caſe. See the Reports annexed to *Readlowes*, 172. See 1 Car. B. Name.

1. ERrour of a Judgment in Aſſumpſit in C. B: The Caſe was, F. brought Aſſumpſit againſt P, and declared, That whereas J. S. by his Writing Obligatory, ſealed with his Seal, 20 Eliz. *in forma et natura ſcripti Obligat. ſive recognitionis ſecundum formam Statuti ſtapulæ apud Weſtm. de debitis pro Merchandizis in eadem emptis recuperand. ordinat. et proviſ. d bito modo confect. coram Chriſtoph. Wray Capit. Juſticiar. &c. recognovit et conceſſit ſe tenere in mille libris juxta formam dicti Statuti.* And that afterwards upon the 28th day of *March*, 27 Eliz. at *London*, at the Requeſt and Inſtance of the Defendant, he had delivered the ſaid Writing Obligatory to him *ad inſpiciend.* and ſafely to keep and redeliver to the Plaintiff within ſix dayes after; That in Conſideration thereof, the Defendant did aſſume to him, That if he did not redeliver it within the ſaid time, he would pay him, when required, 1000 l; and *Licet* the Plaintiff after the ſix dayes paſſed, at ſuch a day required the ſaid P. to pay the ſaid 1000 l. according to his promiſe, he had not paid the ſame. Upon which the Defendant Demurred. And afterwards upon the Demurrer, it was adjudged for the Plaintiff, That it was a good Conſideration to charge him, and Judgment given, and Damage 100 l. and Coſts. And thereupon Error was brought, and divers Errors aſſigned; One was out of the Record, viz. That the Plaintiff *quarto die Obtulit ſe* againſt the Defendant *per Attornatum ſuum*; but ſhewed not who was his Attorney: and if he had no Attorney, it was Error. And a Preſident ſhewed, Where the Entry was, That one appeared by *Cutting*, *Attornatum*, and ſhewed not his Chriſtian name; and for that cauſe, the Judgment was Reverſed. Which Caſe, the Court agreed. But the Court was of contrary Opinion in the principal Caſe, becauſe it is not the Courſe of the Common Pleas, to enter the name of the Attorney, till after the Declaration. And in the Declaration in the principal Caſe it is ſaid, That he appeared *per Thomam Warren, Attornatum ſuum.* And therefore notwithſtanding that Error, and other Errors alledged, all which were were over-Ruled by the Court, the Judgment was affirmed. Mich. 30 Eliz. B. R. *Preſton* and *Tooleys* Caſe. *Cro.* 3. Part, 75.

2. D. was Indicted upon the Statute of 5 E. 6. for ſtriking in St. *Paul's* Church-Yard. It was moved, That it being a Church-Yard of a Cathedral Church, that it was not within the Statute; But the Court over-Ruled that. Then he pleaded, That he was by the Queens Letters Patents created *Garter* King of Arms, and demanded Judgment, becauſe he is not ſo named. It was the Opinion of the Court, That becauſe it was a parcell of his Dignity, and not of his Office only; And alſo becauſe the Patent is, *Creamus, conſtituimus, et nomen imponimus de Garter. Rex Heraldorum*, that therefore in all Suits to be brought againſt him, he ought to be named by this name. And for this cauſe he was diſcharged of the Indictment. Paſch. 33 Eliz. B. 3. Errour of a Judgment in *Ludlow*; In debt upon Obligation, the Condition was; for payment of 70 l; *ſcil.* 35 l. at one day in the Temple Church *London*, and 35 l. at another day. The Defendant pleaded payment of the 35 l. at *Ludlow*, *ſecundum formam Conditionis.* And Iſſue is taken upon it, and found againſt him, and Judgment for the Plaintiff, and Error brought and aſſigned,

Becauſe that the Names of the Jurors did not appear upon Record. But the Error was diſallowed by the Court. But the Court ſaid, It was good enough, for that that never appeareth when the Jury is full of the principall Pannel; but where the Enqueſt is of part of the principal Pannel, and part of the *Tales de Circumſtantibus*; there the names of both ſhall be entred upon Record. The Judgment was affirmed. Trin. 34 Eliz. B. R. *Fox* and *Lees* Caſe. *Cro.* 3. Part, 281.

Notice.

1. ONe was Indicted for entring with force upon a Copyhold, contrary to the Statute of 8 H. 6. The force was removed, and he was reſtored to the poſſeſſion by the Juſtices of Peace: Afterwards, the Indictment was removed in B. R, and the party traverſed it, and it was found for him. In the mean time, a ſtranger recovered the Land by a Claym in the nature of a Writ of *Droit Cloſe* in the Court of the Lord of the Mannor, and was put in poſſeſſion. The Point was, If the party for whom the Traverſe of the Indictment was found, ſhould be reſtored to his poſſeſſion againſt him that had recovered in the Lords Court. It was adjudged, That he ſhould be reſtored to it; for otherwiſe he ſhould not have the effect of his Suit. And it was ſaid by the Juſtices, That this Court ſhall take no Notice of, or have regard to, the Recovery in the Lords Court, being of later time, of which they have no Record before them. See Trin. 26 Eliz. B. R. *Cro.* 3. Part, 31. adjudged.

2. C. was Indicted; For that a Burglary was committed in the Night by perſons unknown, and that J. S. gave Notice to him being Conſtable, and required to him to make Huy and Cry; which he refuſed. It was Objected, He was not to do it in the Night. But it was Reſolved, That the Indictment was good, becauſe it is the Conſtables duty upon Notice given unto him, preſently to purſue. But becauſe in this Caſe, the party did not ſhew the place where the Notice was given to the Conſtable, It was holden to be a material Exception; and the party was diſcharged. Hill. 44 Eliz. B. R. *Crowthers* Caſe. *Cro* 3. Part, 655.

3. Error of a Judgment in Aſſumpſit; The Plaintiff in it declared, That there was a Communication between him and the Defendant concerning the ſale of certain Lands to be made by the Defendant unto him Whereupon he delivered to the Defendant 20 l: In conſideration whereof, the Defendant promiſed to the Plaintiff, That if he liked not of the Land that he would repay that 20 l. within a fortnight; And *infacto* alledged, That he did not like the Land, and the Defendant had not paid him the 20 l: Being adjudged for the Plaintiff, Error was brought and aſſigned, becauſe it is not alledged, That he gave notice of the diſlike within a fortnight. But the Court held that to be no Error, for it is a thing of which he ought to take Notice at his perill, for that he hath bound himſelf thereunto by his expreſs promiſe, And ſo it was adjudged. Trinit. 43 Eliz. B.R. *Eſt* and *Thorowgoods* Caſe. *Cro.* 3. Part, 834.

In Aſſumpſit, the Plaintiff declared, That the Defendant promiſed him 60 l. if he would marry his daughter, upon the day of Marriage, or within 10 dayes after upon Requeſt: And ſhewed, That he married his daughter, and that he had not paid the money, though he was required ſo to do. In Arreſt of Judgment, It was moved, That there was no Notice layd. But the Court was of Opinion, That the ſame was good enough, and that the Requeſt implyed that: And ſuch, they ſaid, the Preſidents were. Wherefore it was adjudged for the Plaintiff. Hill. 1 Car. B. R. *Alfred* and *Blackamores* Caſe. See Reports annexed to *Bendlowes*, 149. See Hill. 22 Jac. B.R. *Hodges* and *Moyes* Caſe, *Latch.* 15. adjudged accordingly. 5. Debt upon an Obligation; which was, That the Obligor ſhould pay 300 l. in Conſideration of a Marriage between the Plaintiff and his daughter; Which 300 l. was to be paid within 3. moneths after ſhe ſhould come to the age of 18 years, or within 18. dayes after the Marriage after notice given which of them ſhould firſt happen. It was the Opinion of the Juſtices in this Caſe, That the Notice ſhould relate to both dayes, becauſe it is incertain which of them ſhall firſt happen. Yet it was ſaid, *ad proximum antecedens fiat Relatio*; but the Court was of Opinion, as before is ſaid, Hill. 1 Car. B. R. *Read* and *Bullingtons* Caſe, *Latch*, 158.

Nuſance.

1. ACtion upon the Caſe, the Plaintiff declared, That he was poſſeſſed of Land adjoyning to a River, from 29. *Maii*, 29 Eliz. till the bringing of the Writ; and that the Defendant the laid 29 h day of *May*, had ſtopt the River with Loads of Earth, and ſo it continued untill the 14th day of *Feb.* by which his Land was drowned, ſo as he had loſt the profits of it by that time. In ſtay of Judgment, it was moved, That it appeareth by the Declaration, That the Plaintiff hath no cauſe of Action, for the Plaintiff hath made Title to the Land drowned, from the 29.h of *May*, ſo as that day is excluded, and the Nuſance is layed to be the 20th day of *May*, ſo as the Nuſance was before the poſſeſſion of the Plaintiff, and then he cannot complain of a wrong done before his time. But it was anſwered and Reſolved, That although the ſtopping was made before his poſſeſſion, yet the continuance of the ſame is after, and ſo a new wrong for which the Action lyeth. It was adjudged for the Plaintiff. Mich. 31 Eliz. B. R. *Weſtbourn* and *Mordants* Caſe. *Leon.* 2. Part, 103.

2. Action upon the Caſe, and declared, That whereas he was ſeiſed of 16 Acres of Land in D. and by reaſon of it after Harveſt, had Common in another parcel of Land of 20 Acres adjoyning, every year, the Defendant had ploughed the Land, by which he was diſturbed of his Common. In Arreſt of Judgment, it was ſaid, That he having a Freehold in the Land to which he claimed Common, he was to have an Aſſiſe, and not an Action upon the Caſe. But it was the Opinion of the Court, That he might have the one or the other. It was then moved, That it is not expreſſed when the diſturbance was made, and ſo it might be before the Harveſt, and then no cauſe of Action. But the Court ſaid it was well enough, for the diſturbance is layed in Ploughing of the Land, which was a Nuſance, and would continue alwayes ſo. Mich. 33 Eliz. B.R. *Leveret* and *Townſends* Caſe. *Cro.* 3. Part, 199.

3. In Treſpaſs, the Caſe was, J. S. erected a Mill-dam, part upon his own, and part upon the Land adjoyning, the Owner of the Land adjoyning pulls down the Dam upon his Land, by which all the Dam falls down, and the Water run out. It was the Opinion of the Court, That this act of the Defendant was juſtifiable; and ſo it is if one erects a Wall upon his own Land, and the Land of another man, and thereupon the other pulls down a Wall upon his Lands, ſo as all the Wall falls, this is lawfull; and ſo it was adjudged. Hill. 34 Eliz. B. R. *Wigford* and *Gills* Caſe. *Cro.* 3. Part, 269.

4. A man levied a Dam in ſuch a River ſuch a day, wher by it drowned the Land of J. S. who afterwards made a Feoffment in Fee of his Land; and the Defendant afterwards *malitioſe Cuſtodivit* the ſaid Dam. It was objected, That the Action did not lye, becauſe the Feoffee had no thing in the Land at the time of the Dam levyed. But after long arguing the matter, it was at laſt Reſolved, That the Action did well lye, and Judgment was given for the Plaintiff, in an Action upon the Caſe by him brought. Trin. 35 Eliz. B.R. *Reſwi* & *Cundens* Caſe. *Cro.* 3. Part, 402.

5. Note, It was Reſolved by the Juſtices, That for ſtopping of a common Way which is a common Nuſance, a man ſhall not have an Action upon the Caſe, unleſs he hath a particular damage by it, but the ſame ſhall be redreſſed and remedied by Preſentment in the Leet. Paſc. 41 Eliz. B. R. *Fincux* and *Hovendens* Caſe. *Cro.* 3. Part, 664. acc. But where men by Antient Cuſtome have had a common watering place for their Cattel in ſuch a place, which is ſtopt; there an Action upon the Caſe lyeth for it, becauſe ſuch a Nuſance is not Preſentable in the Leet or Torn. See *Cook* 5. Part, *Williams* Caſe. And *Cook* 1. Part, *Inſtitutes* 57. acc.

Obligation.

1. THe Bayliff of a Liberty being Plaintiff: The Sheriff directed a Warrant to him to Arreſt the Defendant upon a *Latitat* returnable in B. R. The Defendant Arreſted, was bound in an Obligation; the Condition of which was, That if the Defendant perſonally appear in the Kings Bench at *Weſtminſter*, and, there to anſwer, &c. It was ſaid, That the Obligation was void by the Statute of 23 H 8. For the Statute preſcribes Obligations to be taken by the Sheriff to be according to theſe words, *viz.* appear at the day contained in the Bill, Writ, or Warrant, and in ſuch a place, and all Bonds taken in other form to be void. As to the word (perſonally) the Juſtices were of Opinion, That that Obligation was well enough, becauſe as the Caſe is, the appearance of the Defendant ought to be in perſon, being upon a *Latitat*, becauſe the Defendant is ſuppoſed to be *in Cuſtodia Mariſchalli*. But as to the other words (there to anſwer) this difference was put; where the words are (there to anſwer) the Bond is well enough, for it is no more in effect, but that he ſhall appear *eo animo ut reſpondeat*, but if the words had been (appear and anſwer), the ſame is a void Condition, for it may be the Plaintiff will never declare againſt him. But the Court was of Opinion, That the Obligation was void by reaſon of the words aforeſaid. Paſc. 26 Eliz. B. R. *Serjeſord* and *Wolverſtons* Caſe. *Leon.* 2. Part, 78.

2. Mrs. *P.* was bound with Sureties for her appearance before the High-Commiſſioners, That ſhe ſhould not depart without Licenſe under the hands of three of them. She pleaded the general Pardon at the laſt Parliament, in which there is an Exception of all Bonds and Recognizances, except only ſuch Bonds and Recognizances as are for appearance. It was moved, That by the Exception ſhe ought to be diſcharged; for although the departure without Licenſe be not ſpecially named, yet it is within the ſenſe. It was the Opinion of all the Barons in this Caſe, That the not departure is purſuant to the appearance; and therefore that the Pardon did not extend to it. Trin. 31 Eliz. *Excheq.* Mrs. *Peſcalls* Caſe. *Leon.* 2. Part, 179.

3. A Black-ſmith of M. in the County of *Middleſex*, took a Bond of another Black-ſmith of the ſame Town, That he ſhould not exerciſe the Trade or Art of a Black-ſmith within the ſame Town, or within a certain precinct of it. Debt was brought upon that Obligation; depending which, the Obligor complained to the Juſtices of the Peace of the County of the matter; which being found by Examination, the Juſtices committed the Obligee to Priſon. The Court was of Opinion, That although this Court, *viz.* C. B. being a High Court, might puniſh ſuch Offences appearing before them on Record: Yet it did not follow, That Juſtices of Peace might ſo do; for that by the Laws, Juſtices of Peace have no Conuſans of ſuch Offences, nor could meddle with them, for that their power is limited by their Commiſſion. But as to the Bond it ſelf, the Court was clear of Opinion, That it was void, being againſt Law. Tr. 29 Eliz. C. B. *Leon.* 2. Part, 210.

4. Debt upon an Obligation, the Iſſue was, *Non eſt factum*. The Jury found, That the Defendant did Seal and deliver it as his Deed, but that after the day of the Iſſue joyned, the Seal was pulled off from the Obligation. It was adjudged in this Caſe for the Plaintiff; For it was a good Bond, and the Defendants Deed at the time that the Iſſue was joyned, and the Tryal ſhall relate to it, although the Bond was cancelled afterwards. Mich. 31 Eliz. B. R. *Michael* and *Sotkwiths* Caſe. *Cro.* 3. Part, 120.

5. Debt upon an Obligation of 200 l. The Defendant pleaded, That after the Obligation made, The Plaintiff by his Indenture, Covenanted, That if he paid 100 l. at ſuch a day, That the Obligation ſhould be void; and alledged, That he paid it at the day. Upon which it was demurred. It was ſaid, That the Indenture could not be pleaded in bar, but the party ought for to take advantage thereof by way of Covenant. But all the Court held the contrary. That it may well be pleaded in bar, and he ſhall not be put to his Writ of Covenant by Circuit of Action: and therefore they all held, That the Plaintiff ſhould be barred. Mich. 40 Eliz. B. R. *Hodges* and *Smiths* Caſe. *Cro.* 3. Part, 623.

6. Debt

6. Debt upon an Obligation, The Condition was to pay 29 l. at a day certain; The Defendant pleaded, That in reſpect of a Treſpaſs done by the Plaintiffs Beaſts upon the Defendants Lands, the Defendant gave him a longer day of payment, which is not yet come. It was the Opinion of the whole Court, That it was no Plea: For that an agreement by parcel, cannot diſpenſe with an Obligation. Mich. 41 Eliz. B. R. *Hayſted* and *Andrewes* Caſe. *Cro.* 3. Part, 697.

7. Debt upon an Obligation of 8 l. a ſingle Obligation; The Defendant pleaded, That after the Obligation made, he entred into another Obligation of penalty of 14 l. for the payment of 7 l. at ſuch a day, which the Plaintiff had accepted of, in diſcharge of the Bond of 8 l; And by the Opinion of the whole Court, holden to be no Plea in Barr, and the Plaintiff had Judgment. Mich. 41 Eliz. C. B. *Maſwood* and *Cricks* Caſe. *Cro.* 3. Part, 716.

8. Debt upon Obligation conditioned; If the Defendant in *Michaelmas* Term next following, in the Prerogative Court, or the Biſhop of *Cante bury* or *London* ſhould give to the Defendant, his Executors or Adminiſtrators, ſuch a Releaſe and Diſcharge from and againſt him, as his Children for receipt of 100 l. as the Judge of the Court ſhould then think meet, &c. The Defendant pleaded, That the ſame Term ſuch a one was Judg there, and that the ſaid Judge did not deviſe or appoint any Releaſe or Diſcharge: Upon which it was demurred, and it was holden to be no Plea; for that it is not alledged, That he cauſed a Releaſe to be drawn, and tendred it to the Judge to be allowed; for it is on his part in Diſcharge of the Obligation to draw ſuch a Releaſe as the Judge ſhould allow. Mich. 41 Eliz. C.B. *Lamb* and *Brownrealls* Caſe. *Cro.* 3. Part, 716.

9. Debt upon Obligation, the Condition was: Whereas E.W. hath before commenced divers Suits in the Kings Bench at *Weſtminſter*, againſt W. H; If the ſaid W. H. ſhall without delay by his lawful Attorney appear, and make anſwer to all his Actions and Declarations againſt him, That then, &c. The Defendant pleaded, That *poſtea*, by ſuch a day W. H. appeared, *Et fuit paratus reſpondere*; but there was not then any Actions there depending. Upon which it was Demurred; And adjudged to be no Plea: For that the Obligation eſtops him from ſaying, That there were not any Actions there depending: It was adjudged for the Plaintiff. Paſch. 42 Eliz. C. B. *Willoughbies* and *Ayres* Caſe. *Cro* 3. Part, 756.

10. A *Scire facias* was brought in Chancery upon a Recognizance, the Defendant pleaded to the Writ, which was ſent in B. R, and tryed for the Plaintiff, and Judgment for him there: Afterwards he brought Debt in C. B. upon the Judgment, and there had Judgment to Recover, and afterwards he brought a *Scire facias* to have Execution upon the Judgment in B. R, and the Defendant in Barr of the Execution pleaded that Recovery: It was the Opinion of the whole Court in this Caſe, That it was no Plea, becauſe one Judgment cannot determine another Judgment which is of equal Nature. But it was ſaid, That if a man be covereth upon an Obligation in Debt, during the Judgment in force; he cannot have a new Action of Debt upon that Obligation, becauſe it is reduced into *rem judicatam*: It was adjudged for the Plaintiff. Paſch. 43 Eliz. B. R. *Preſton* and *Preſtons* Caſe. *Cro.* 3. Part, 817.

11. Debt upon Obligation of 300 l. the Condition was to perform all Covenants, Payments, and agreements contained in a Deed Poll of the ſame date, made between the parties, Plaintiff and Defendant. The Defendant ſhewed the Deed-Poll, in which was contained a Grant, Bargain, and Sale, of certain Lands to be made by the Plaintiff to the Defendant for 100 l paid, and 200 l. to be after paid: In which Deed there was a Proviſo, That if the Defendant did not pay for the Plaintiff to J. S. 40 l. and to J. D. 40 l. at ſuch a day, that then the Grant, Bargain, and Sale, ſhould be void; and upon Plea pleaded by the Defendant, That he had performed all Covenants, &c. compriſed in the Deed. The Plaintiff aſſigned a Breach, in not payment of 40 l. at the day according to the Proviſo: Upon which the Defendant demurred. It was by the whole Court adjudged for the Defendant; for the Condition of the Bond doth not bind the Defendant to perform other Payments, then ſuch as the Defendant is bound by the Deed to perform; for the Bond was made for the ſtrengthing of the Deed: and the Deed did not require any Compulſory payment to be made, but left that to the will of the Defendant, or to make ſuch payments comprehended within the Proviſo; and in default thereof, to forfeit the Land to the Plaintiff; So as it was not the Intent of the Parties to make the Bond and Condition of it repugnant to the Deed-Poll of Bargain and Sale. But the word (payments) in the Obligation ſhall have relation only to ſuch payments compriſed in the Deed Poll, which ſhould be compulſory to the Defendant, and not otherwiſe; and becauſe the neglect of payment of the 40 l. to J. S, which is aſſigned for a Breach, is in its own nature voluntary to be paid by the Defendant or not; the Condition of the Obligation cannot extend to it: It was adjudged for the Defendant. Trin. 9 Jac. B. R. *Priſtoe* and *King's* Caſe. *Yelverton* 206.

12. Note;

12. Note; This Case was put and agreed, If an Obligation be made to three, to pay money to one of them, all of them ought to joyn in the Suit, for they are all but as one Obligee; and if he who ought to have the monies dyeth, the other of them who survive, ought to sue, although they have not any Interest in the sum contained in the Condition: The principal Case was, Indentures of Covenants were made between A. and B. of the one part, and Y. of the other part; and it is agreed, That Y. enter a Bond to pay B. 160 l. at such a day; B. dyeth, A. his Administrator brought Covenant against Y. for not payment of the 160 l. to B. in his life-time; and it was adjudged, It did not lye. For the 160 l. payable to B. in his life, being to be obtained by Suit upon that Indenture, none can have an Action upon it, but only those who were parties during their Lives; and after their death, No Executor or Administrator of the Survivor of them. Trin. 8 Jac. B. R. *Rolls* and *Yates* Case. *Yelv.* 177.

13. The Plaintiff Marshall of B. R. had E. the Defendant in Execution, and upon *Habeas Corpus* suffered him to go into the Country, and took a Bond of him, That he should be a true Prisoner; and he had a Keeper with him as far as *Charing-Cross*, and afterwards he went from his Keeper, which was adjudged an Escape. For which the Plaintiff brought Debt upon the Bond against E: He pleaded the Statute of 23 H. 6. upon which the Plaintiff took issue, and it was found for the Plaintiff. It was said in this Case, That an Obligation made for ease and favour to the Marshall is void, although it be coloured with pretence of being true Prisoner. But it is lawful to take Obligations of one who is a Prisoner, to be a true Prisoner to the Marshal; and the Sheriff notwithstanding may take Obligations for a true Debt. But if the Sheriff hath one in Execution for another man, and the Prisoner is also endebted to him. If he take a Bond, That the Prisoner pay his own Debt to him; and also that he shall be a true Prisoner, and that is for ease and favour, the illegal thing makes the whole Bond to be void; and to that difference, *Dodderidg* Justice agreed. Hill. 1 Car. B. R. Sir *Gregory Reynell* and *Elmerthys* Case. *Litch* 143.

14 Debt upon Obligation, The Condition was, To have free ingress, egress, and regress in the House of J. S; the Plaintiff having right to part of the House, viz. Chambers in it: The Defendant pleaded, That he had egress, ingress, and regress; but did not say, free ingress, &c. The other Replyed, That he had shut all the outward Gates; In this Case, It was said by *Dodd.* Justice, That if one be bounden to suffer J. S. to have ingress into his House, he ought to have common entrance by the usual Gates or Door, and shall not be put to enter in at a Hole, Back-door, or Chymney; and if he leave open the common Door, yet if the party makes a Ditch, so as he cannot enter without Stipping, the Condition is broken; *Jones*, Justice, said, A man is not bound to leave open his Door at Mid-night, so he might be in danger of his life; but upon Request he ought to suffer the party to come in, although it be at Mid-night, The Case was not adjudged, but the parties agreed. Occupant.

1. THe Case was: The Lord *Sturton* by Indenture between him and J. S, lett Land to J. S. for life, *Habendum* to him and A. B. and C. his three Sons *successive*. There were these Questions moved, 1. If they took any Estate, because the Sons are not named in the Premises of the Deed. 2. If they take. Whether they take joyntly or severally. 3. Whether there shall be an Occupant for the lives of the other three. It was Resolved clearly, That the Sons took not in possession, because they were not named in the premises of the Deed, nor in Remainder, because the intent was to give them the Land in possession. The doubt was, If there shall be no Occupant; It was adjudged, That there was no Remainder, and so no Occupant. Trin. 27 Eliz. B. R. *Windsmore* and *Hobbards* Case. *Cro.* 3. Part, 57.

2. Tenant by the Courtesie granted over his Estate, the Grantee Devised it, and dyed. In that Case, It was held a void Estate, and out of the Statute of Wills. And in that case it was holden, That although the Grantee doth Enter after the death of the Devisor, yet he shall not have the Land as an Occupant; for that there shall be no Occupancy of an Estate of Tenant by the Curtesie or in Dower, which are Estates created by the Law, 17 Eliz. *Delabins* Case. *Cro.* 3. Part, 58.

3. In *Ejectione Firme*, It was found, That the Earl of B. was seised in tail of the Rectory of D, and of the Tythes thereof, and lett the same to J. W. and his assigns for the Lives of C. and E. his Wife, and C. W; And that the said J. W. demised the said Rectory and Tythes to one J. N. and his heirs, to the use of C. B. the Plaintiff for 99. years, if any of the *Cestuy que vie* should so long live; by force of which the Plaintiff was possessed, It was moved for the Defendant, That the

the Verdict was not good, becauſe he doth not ſhew the beginning of the Eſtate tail; which the Court held to be ill for that cauſe. 2. Becauſe the uſe is limited the Plaintiff but for years only, ſo as the remainder of the Uſe is in J. N, and the life of J. N. is not averred: and if he be Dead, C.B. is in an Occupant, and then no *Ejectione Firmæ* lyes. It was the Opinion of the Court in this Caſe, That there is not any uſe limited but for years, becauſe the reſidue of the Eſtate is in W. the Grantor, and not in J. N: And clearly there cannot be an Occupancy, becauſe it is granted to J. N. and his Heirs, which excludes the Occupancy. Trin. 37 Eliz. C. B. *Baker* and *Searles* Caſe. *Cro.* 3. Part, 407.

4. *Replevin*, The Caſe was; A Rent was granted to two during the life of J.S. to his Uſe: Whether if they two dye, living J. S. the Rent was gone or not, was the Queſtion? For it was agreed, There cannot be an Occupancy of a Rent. It was holden by the Court, That it was not gone, as this Caſe is; For the Rent being granted to the uſe of J. S. it veſted in him by the Statute of 27 H. of Uſes; ſo as he had abſolute Eſtate during his life; And the Lives of the Grantees is not material, the Eſtate being transferred from them. Mich. 41 Eliz. C. B. *Crawleys* Caſe. *Cro.* 3. Part, 721.

5. Trover and Converſion of Goods in *London*; The Defendant juſtified, That *R. Buſh* was ſeiſed in Fee of 20 Acres of Land in *Stanſted* in *Com. H*, and granted a Rent to T. B. his Executors and Aſſigns, of 16 l. *per annum*, during the life of T. B, who dyed Inteſtate, and F. his Wife was Adminiſtratrix to him; and the Defendant as her Servant took the *diſtreſſe* in the 20 Acres by command of the ſaid F, and traverſed the Taking and Converſion of them in any other place. Upon which it was Demurred. It was holden by the Court, to be an ill Plea; For the Inducement to the Traverſe, is not a ſufficient cauſe of Juſtification for the taking of the Diſtreſſe. For this Rent was determined by the death of T. B; becauſe he cannot be an Occupant of a Rent; and the Wife is not Aſſignee by taking Adminiſtration. For none can make Title to have a Rent againſt the Terr-Tenant, unleſs he be party to the Deed, or Conveys a ſufficient Title under it. Mich. 44 Eliz. B.R. *Slater* and *Butlers* Caſe. *Cro.* 3. Part, 901.

Outlawry.

1. A Man was Outlawed in the Court of *Huſtings* of *London*; and the *Huſtings* in which the Outlawry was, was holden two Weeks after the laſt *Huſtings*: ſo as there is but two Weeks betwixt the *Huſtings*; whereas commonly the *Huſtings* is holden every 3. Weeks. The Sheriffs doubted, If they might return the Outlawry, without danger of an Action upon the Caſe brought againſt them by the party Outlawed. But it was holden by the whole Court, That they ought, and might return the Outlawry. For *Dyer* ſaid, That there is a Record in the time of *R.* 2. whereby it appeareth, That in *London*, They might hold their *Huſtings* every Week. And afterwards, he commanded the Outlawry to be Returned, Mich. 28 Eliz. C.B. *Leon.* 2. Part, 14.

2. Treſpaſs; Proceſs continued till the Defendant was Outlawed. To avoid the Outlawry, It was moved to the Court, That the Original Writ, and all the Judicial proceedings thereupon, are directed *Vice-Com. Wigorn.* and in the Filazers Roll in the Margent, it is written, *Herefordſ*; and in the body of the Roll it is written, *Et prædict. G.* the Plaintiff *Obtulit ſe quarto die Paſ, et Vicecomes modo mandat. Quod. prædict. S.* the Defendant *non eſt inventus. Ideo præcept. eſt Vicecom.* And at the *Capias* returned, it is entred in the Roll, *Herefordenſ.* before; whereas the *Capias* is directed *Vicecom. Wigorn.* as it ought to be. The Roll was peruſed by the Court; and it was ſo, without any ſuſpition of Raſure. Wherefore the Court gave day to the Queens Serjeants, to adviſe themſelves to maintain the Outlawry. The Defendant prayed a *Recordatur* to be made, in what eſtate the Roll now is for doubt of Amendment by way of Raſure, or otherwiſe. Which was granted by the Court. Hill. 30 Eliz. C. B. *Grove* and *Spurs* Caſe. *Leon.* 2. Part, 120.

3. In a *Replevin*, the Defendant pleaded nothing in barr of the ſaid Action; Wherefore Judgment was given againſt him; And thereupon iſſued a Writ of Enquiry of Damages: Now the next Term at the time of the Return of the Writ, the Defendant pleaded, That the Plaintiff was Outlawed at the time of the firſt Action brought. It was adjudged by the Court, That he could not have the Plea, becauſe he had not now day to

plead it, for that it is after Judgment given. Paſc. 14 Eliz. *Puttenham* and *Norris* Caſe, *Bendlowes*, 37.

4. An Outlawry was pleaded againſt one by the Record of the Coroners, where the Writ of *Exigent* was never Returned in Court: The Court did not take any regard of the Plea; as appeareth by the Book, 28 Aſs. p. 49. And ſo it was ſaid, that it happened in *Proctors* and *Lamberts* Caſe, Mich. 4 and 5 Eliz: For the Juſtices ſaid, That the party is not Outlawed by Law, unleſs he be Returned Outlawed, and the Writ of Exigent be Returned of Record in Court. Mich. 4 & 5 Eliz. *Bendlowes*, 27.

5. Errour to Reverſe a Judgment and Outlawry againſt Husband and Wife in Debt; And becauſe it was to Reverſe an Outlawry, it was holden, That they could not aſſign Errour but in perſon: And becauſe the Husband could not bring in his Wife, It was holden, That they could not aſſign Errour. And ſuch was the Rule of the Court. And the Courſe of the Court was ſaid to be ſuch; and it cannot be otherwiſe. Paſch. 40 Eliz. B. R. *Wade* and *Smiths* Caſe. *Cro.* 3. Part, 611.

6. Debt was brought againſt A. and B. upon an Obligation in C. B; and Judgment was there given againſt them both, and a *Capias ad ſatisfaciend.* iſſued againſt B. only. Whereupon, he being Outlawed, brought a Writ of Errour: And becauſe it ought to have been awarded againſt them both; and alſo becauſe it did not appear by the Return of the Exigent, that the Judgment of the Outlawry was by the Coroners as it ought to be: For theſe cauſes the Judgment was reverſed. Hill. 41 Eliz. B. R. *Beverley* and *Beverleys* Caſe. *Cro.* 3. Part, 648.

7. In Action brought againſt the Executor, the Defendant pleaded Outlawry in the Teſtator; Upon which it was Demurred. It was holden by the Juſtices to be no Plea; becauſe (admitting it ſhould be a plea) it ſhould be in regard the Teſtator being Outlawed, could not have goods, but they did appertain to the King, and the Executors might not have Goods to ſatisfie. But becauſe that is not ſo, But the Teſtator might have debts owing to him upon Contracts which are not forfeited by Outlawry; Or that the Teſtator might have deviſed Land to be ſold by his Executors: upon ſale of which, the moneys for ſale thereof are Aſſets in their hands. For theſe Cauſes, it was holden by the Court, to be no plea. Trinit. 39 Eliz. C. B. *Woolley* and *Bradwells* Caſe, *Cro.* 3. Part, 575.

8. Debt againſt an Adminiſtrator upon a Judgment had againſt the Inteſtate in C. B: The Defendant pleaded, That after the Judgment, the Plaintiff ſued there a *Capias ad ſatisfaciend.* againſt the Inteſtate, and thereupon an *Exigent*, ſo as the Inteſtate was Outlawed; and that afterwards he ſued a *Capias utlagatum*, and thereby he was taken, and dyed in priſon. Upon which the Plaintiff Demurred. It was urged, Whereas the Inteſtate being taken upon a *Capias utlagatum*, Whether it ſhould be ſaid an Execution for the Plaintiff, without the Plaintiffs prayer of it. It was ſaid by the Juſtices, That it was not; For it is a Writ for the King, and is *Ad recipiendum Quod Curia Conſideraverit*; ſo although the Plaintiff ſues it out, yet it is not any Election in him to have the party in Execution untill he pay it, and the Court award it. But in the Principal Caſe, it was Reſolved, That in regard the Paintiff had elected this Execution, (which is the higheſt Execution) and the Defendant dyed therein, The Law will adjudg it as a ſatisfaction, when there is but one who is taken. But where two be condemned, the taking of one in Execution, and his death, is no diſcharge for the other. Mich. 43 Eliz. B. R. *Shaw* and *Curtis's* Caſe. *Cro.* 3. Part, 870. See *Cook* 5. Part, *Bromfields* Caſe.

9. In Debt, the Defendant ſaid, That he is Attainted of Felony; and that the Attainder yet continues, and demanded Judgment if he ſhould be put to Anſwer: for it was ſaid, It was in vain to put any man to anſwer in any reall or perſonall Action, who hath in truth nothing to be taken in Execution. But it was adjudged, That he ſhould anſwer, and may be taken in Execution, and that ſhall not be prejudicial to the King, for notwithſtanding the Execution of the party, the King may have him executed when he will. And in this caſe it was ſaid, That men Outlawed ſhall be put to anſwer in any Action brought againſt them: but they ſhall not be anſwered in any Action brought by them. See *Haſtings* and *Blakes* Caſe. *Noy* 1.

Pardon.

1. A Parſon being ſick, The Father of the Plaintiff came with his ſon to the Patron, and contracted with the Patron, in the preſence of his ſon, for the next Avoidance of the Church; and agreed to give him for it 100 l; who thereupon made a Grant to him of it: The Parſon dyed; The Father preſented his ſon, who was Inſtituted and Inducted, and was ſued in the Spiritual Court, to be deprived for Symony. He thereupon brought a Prohibition, and alledged the General Pardon of 35 Eliz. which is after the Preſentation and Induction, wherein Symony is not excepted. Upon which it was Demurred. It was Reſolved in this Caſe, 1. That although the General Pardon diſcharges its puniſhment of Symony; yet if the Parſon comes in by Symony, it is examinable by the Ordinary; For he ought to provide, that the Church be not provided and ſerved with Corrupt perſons; and if he find Symony in any, he may well deprive him for ſuch cauſe. But, 2. In this Caſe, It was Reſolved, That in this Caſe, there is not any Symony; For the Father might buy the Advowſon, and preſent his ſon; and it is not Symony in any to buy an Advowſon: and although the ſon was here privy thereunto, it is not material; for it being no offence in the Father, who was the Principal, it cannot be an Offence in the ſon who was but Acceſſary: and the Father is by nature bound to provide for his ſon; and therefore his buying of an Advowſon, with an intent for to provide for him, is no Symony; and the Prohibition ſtood. Paſch. 43 El. C. B. *Smith* and *Sheires* Caſe. *Cro.* 3. Part, 685.

2. Sir *H. L.* being Endicted of Treaſon, was brought to the Barr, and demanded, Whether he could ſay any thing, Wherefore the Court ſhould not proceed upon the Indictment which was before Commiſſioners of *Oyer* and *Terminer*? He produced the Queens Pardon, without any Writ of Allowance thereof. And hereupon the Secondary of the Crown informed the Court, That the Preſidents were, That in caſe of Treaſon, it was uſuall for to allow of the Pardon, without a Writ of Allowance; but not in caſe of Felony. Whereupon the Pardon was allowed by the Court. Paſch. 43 Eliz. B. R. Sir *Henry Linleys* Caſe. *Cro.* 3. Parte 814.

3. T. brought Treſpaſs againſt S. *Quare Clauſum fregit*, 20. *Junii*, Anno 3. *Jac.* with a *Continuando*, untill 6. *Novemb.* after. Upon Not Guilty found for the Plaintiff, and Judgment given: but it was entred, *Nihil dicit ſine, quia perdonatur.* Upon Error brought, he aſſigned, That the Judgment ought to be, *Quod Capiatur*, becauſe by reaſon of the Pardon of the King by Parliament, *Anno* 3. which pardoned all Offences before 25. Sept. before, he alledged, That but part of the Offence was pardoned, *viz.* à 20. *Junii*, to 25. Sept. after; but that the Treſpaſs from 25. Sept. till 6. Novemb. is not pardoned. But it was the Opinion of the Court, That the Judgment was well entred; For the firſt Entry in Treſpaſs being only *Vi et Armis*, that being pardoned, all which depends upon it is pardoned: for the firſt Entry only makes the Treſpaſs. Paſch. 6 Jac. B. R. *Strickland* and *Thorps* Caſe, *Yelverton*, 126.

4. B. a Parſon was ſentenced in the Spiritual Court for Adultery, and deprived, and then came the General Pardon, which pardoned the Offence of Adultery. It was adjudged in this Caſe, That the fault being pardoned, the Judgment upon it ſhall be pardoned and deſtroyed, and then the Deprivation void: and that although it was the laſt day of the Parliament, becauſe a Pardon by Parliament may overthrow a Judgment: but it is otherwiſe of a Pardon of Grace, or a ſpecial Pardon: And a Pardon by Parliament ſhall relate to the firſt day of the Parliament; but a pardon of Grace, and a ſpecial Pardon, ſhall relate only from the ſeal and date of it. Hill. 1 Car. B. R. *Baſſets* Caſe, *Litch.* 22.

5. A. was Indicted at W. upon the Statute of *uſury*, for taking of 12 d. for the uſe of 20 s. in the Pound, and Judgment there given. The ſame being Removed by *Certiorari* in B. R. the Defendant here pleaded the Coronation-Pardon, by which all Uſurious Takings and Contracts are pardoned. If the Judgment was pardoned thereby, was the Queſtion? It was ſaid, That it

was; For when a Pardon hath relation to a time before the Act made, there although the Judgment be intervenient between the fact and the pardon; yet the Pardon ſhall take place: And here the Pardon hath not relation to any time certain, and ſo ſhall not Relate before the Pardon. And it was ſaid, That a Coronation Pardon is but in the nature of a particular Pardon, and differs from a general; and a particular pardon is not of effect untill it be ſued out, and not like to a general pardon. The Caſe was not Reſolved. But *Curia adviſare vult.* Hill. 1 Car. B. R. *Davis* Caſe. *Latch*, 141.

6. Sentence was given againſt one in the Spiritual Court, for words of Defamation, at the Suit of the party; The Defendant Appealed to the Arches: Then came the Pardon of 21 Jac. which Related beyond the time of the words ſpoken; by which the Offence was pardoned. Whereupon the Appealant deſerted his Appeal; and the Court of Arches taxed Coſts againſt him. It was agreed by the Court in this Caſe, That after the pardon, thoſe in the Inferiour Court could not tax Coſts, becauſe the reaſon of the taxing of Coſts is the vexatious Suit, and here that fails, for there is no reaſon to proſecute his Appeal, when the Original Offence is pardoned. Hill. 1 Car. B.R. *Lewis* and *Whittors* Caſe, *Latch.* 155.

7. A Suit was in the Spiritual Court between two Church-Wardens, Who of right ſhould be the Church-Warden? And Sentence was given for the Plaintiff in the Suit there, and the Defendant condemned; and a year after, Coſts were taxed; And then came the General Pardon of 21 Jac. which Related to a day Mean between the Sentence and the Taxation of Coſts. Then in diſcharge of the Coſts, the Pardon was pleaded, and allowed. It was the Opinion of the Juſtices in this Caſe, That the Coſts if they were taxed before the Relation of the Pardon, they were not diſcharged: But in this Caſe, the Pardon came before the Coſts were taxed; and therefore the ſame had diſcharged them. Hill. 2 Car. B. R. *Palmer* and *Warners* Caſe, *Latch*, 190.

Partition.

1. NOte: That a Writ of Partition was brought upon the Statute of 32 H. 8. by Joynt-Tenants, and Tenants in Common for years; and the Writ awarded good. Mich. 3 & 4 Mar. *Tenduers*, 30.

2. A Writ of Partition was brought againſt Y. and others, who all appeared, and confeſſed the Action: And afterwards brought Error; which was Entred, Paſch. 27 Eliz. Rott. 43. and they Aſſigned Errors; And the Opinion of the Court was againſt them: And they ſeeing it, did diſcontinue their Writ of Error, and now ſued a new Writ of Error out of the Chancery, directed to the Lord *Anderſon*, (Chief Juſtice) bearing date 19. *Novemb.* 31 Eliz. Containing, That whereas a Writ of Error had been directed to him, to remove ſuch a Record, That all the Record is not yet removed, wherefore this Writ was to remove the reſidue of the Record. Upon which Writ, a parcell of the Record was ſent. Upon which, the Plaintiffs ſued a new Writ of Error out of the Chancery, *Coram vobis reſidet*; and that was, Hill. 31 Eliz. and it was entred upon a new Roll of the ſame Term, and not upon the old Roll: And thereupon new Errors were Aſſigned in the Judicial proceedings and proceſs out of the body of the Record; 1. That the Plea was diſcontinued, for the *Poſt* was awarded againſt three of the Defendants; and *Idem dies* not given to the other two, there being 5. Defendants. 2. Becauſe there was not 15. dayes betwixt the date of the *Poſt*, and Return of it. 3. Becauſe Judgment was, That the Defendants ſhould be amerced; whereas, they appeared upon the firſt Proceſs. And thereupon the Plaintiff ſued a new Writ of Diminution. And now came the Defendants and ſhewed all the matter aforeſaid; and demanded Judgment if the Plaintiffs ſhould have a new Writ of Diminution? This Caſe was long debated: And it was ſaid, That this Writ directed to the Juſtices, was not a Writ of Diminution, but a Writ to inform the Juſtices: And that upon the whole matter, the Writ of Error did well lye. But the matter was not Reſolved, but adjourned. Trin. 32 Eliz. B.R. *Windham* and *Yates* Caſe, *Lem.* 2. Part, 2. See more of this Caſe, *Cro.* 3. Part, 64.

3. A Writ of Partition being awarded, The Court was informed, That at the time of the Partition made, the Sheriff was not upon the Land; and therefore prayed, that it might not be received; but a new Writ awarded. It was the Opinion of the Justices, That they might well examine this matter before the Return and filing of the Writ, and thereupon examined the Sheriff; who confessed, he was not there in person. Wherefore the Return of that Writ was stayed, and a new Writ of Partition awarded. But if the Sheriff had Returned the Writ, and the same had been filed, then the Justices could not have examined the matter, because the Return had been good, and no Averment could be had against it. Mich. 25 Eliz. C. B. *Cro.* 1. Part, 9. & 10.

4. *Ejectione Firmæ*, The Case was, Two Tenants in Common of a house and Land, made Partition within the house by word without Deed. It was the Opinion of the Court, That a Partition between Tenants in Common upon the Land, was good without Deed; for that it amounts to a Livery in Law: but it is not so between Joynt-Tenants, for they cannot make Livery the one to the other: But in this Case, the Partition was on the House, and not on the Land; and it is not found that the Land was within the View, and so it cannot amount to a Livery in Law. And for that cause, it was adjudged for the Defendant, That the Partition was not good for the Land. Pasch. 32 Eliz. B. R. *Dolton* and *Priest's* Case, *Cro.* 3. Part, 95. See *Leon.* 1. Part, 103. The same Case.

5. In Partition, the Case was; A. levied a Fine to J. S. which by Indenture was declared to be to the use of B. for life; and after, to the use of the Children of C. *præcreatis*: C. at the time of the Limitation, had two Sons; and before the death of B, had Issue two Daughters. And, If the Daughters should take, was the Question? In this Case, It was Resolved by the Court, That the Daughters should not take; but only the Children which were in *Esse* at the time of the Limitation; For they shall not take as Joynt-Tenants, nor as Tenants in Common, or by way of Remainder, no more then they could take an Estate executed by other Conveyances. And it was said, That it was Resolved in the Earl of *Bedford's* Case in the Court of Wards, by the Advise of all the Justices, That where he made a Conveyance to the use of himself for years, the Remainder to his eldest Son in tail, the Remainder to the heirs of the Earl; (although his meaning was) that his heir should take as a Purchasor; yet it was Ruled, That he should take it as a Fee executed in himself. And in this Case, it was said, That if a Limitation be to the Right heirs of J. S, and he hath Issue a Daughter, and dyeth, his Wife with Child with a Son, who is afterwards born, that yet the Daughter shall retain the Land; for she was in, of an Estate executed. Trin. 36 Eliz. B. R. *Frederick* and *Fredericks* Case, *Cro.* 3. Part, 334. Adjudged against the Daughters.

6. In Partition, the Case was; A. Father of the Plaintiff and Defendant, was possessed of a Lease for years, of an House called P, and of divers other Leases, and had Issue the Plaintiff and Defendant, and T. a Daughter; And by his Will Devised, The Daughter should have the said House for her life; and if she chanced to dye before S, (which was the Defendant) *Then I will my said Son shall have it upon such reasonable Compositions as shall be thought fit by my Overseers, allowing to my other Executors such reasonable Rates as shall be thought meet by my Overseers.* And Devised all his other Leases and Goods to his Executors; and made his said two Sons his Executors; and J. S. and J. D. his Overseers. T. Entred by the assent of the Executors, and dyed. During the Term, S. the Defendant Entred, clayming it as a Legacy, without any Composition made with the Overseers; and brings a *Writ of Partition* against the other Executors, supposing that they held it joynly as Legatees. And upon *Non tenet pro indiviso*, all this matter was found. There were divers Points in the Case, 1. If T. the daughter by this Devise had the intire Term, so as it should go to her Administrator; Or, Whether the Remainder of the Term to give it him to S, were good? 2. If the Estate limited to S. be upon a Condition precedent; so as first he is to Compound with the Overseers, and procure them to set down what rate he should pay; or it were a Condition subsequent, that if he had not what they set down, it should be a determination of his Estate? It was the Opinion of the whole Court in this Case, That the whole Term was to the Daughter; and then if the Daughter hath the intire Estate, the Devise of the Remainder to S. the [redacted]dant, was void. And they agreed in this [redacted] that the Estate is precedent, and that the Overseers might make Agreement with him at any time. And it was said by them, That the Partition did not lye. Hill. 42 Eliz. C. B. *Wardock* and *Wadocks* Case, *Cro.* 3. Part, 791.

7. In Partition, the Writ was general upon the Statute of 31 H. 8. That they did hold *I simul et pro indiviso Mauritium de D. et terras, et tenuras Frankplegii de D:* and that the Defendant denyed Partition *contra formam Statuti*. The Declaration was according to the Writ. The Defendant pleaded, *Quod non tenuit insimul, prout, &c.* The Jury found, That the Plaintiffs held in Fee, and that the Defendant was Tenant in Tail, the Remainder

mainder to his right Heirs of the other moyety. It was moved, If this general Writ was good, or if the Writ ought not to be ſpecial: It was the Opinion of the Juſtices, That the general Writ was good; for that the Statute doth not preſcribe a form, but leaves that to the Clerks in Chancery; and they have deviſed this general Writ, adding only the words, *Contra formam Statuti*; and it hath been the practiſe ever ſince the Statute, that ſuch Writs between Joynt-Tenants and Tenants in common of Inheritances have been allowed. Another Exception was, becauſe Partition is demanded of a View of Frankpledge, which is not ſeveral; yet it was not good enough: for though it be not ſeverable of it, yet the Profits thereof may be divided, and it may be entirely allotted to the one, and the Land to another. Hil. 41 Eliz. C. B. Sir *George Moor* und *Onſlowes* Caſe. *Cro.* 3. Part, 759.

8. A Writ of Partition was brought, and Judgment *quod Partitio fiet*. And before, It was executed in the Country by Sheriff. Error was brought, It was ſaid by the Court, That it did not lye upon ſuch Judgment before the Partition was made and returned to the Sheriff, and Judgment be given *Quod partitio Stabilis ſit et removeat*. For this is not like other Actions real, where Error lyes before the *Habere facias ſeiſinam* is returned; for that is a final Judgment, and no other to be given: and in a Writ of Partition, there needs no *Habere facias ſeiſinam* to be returned, for that the Recovery may execute their Judgment preſently by Entry. See *Dyer* 67. and ſee the Counteſſe of *Warwick* and the Lord *Berkleys* Caſe, *Noy* 71. And it was further holden in this Caſe, That in a Writ of Partition, No Damages ſhall be Recovered, nor no Enquiry of them; and yet the Writ and Count is *ad damnum*, &c. But ſee Mich. 3 Car. C. B. where it was adjudged, That in a Writ of Partition, after the Summons returned. Eſtrepement generally againſt the party and his Servants d[illegible]e. *Hetley* 36.

9. In [illegible] of *Partitione faciendâ*, the Defendant prayeth in Aid, and the Plaintiff Counterpleads the Aid; upon which Counter-plea, they are at Iſſue; and it is found for the Plaintiff. In that Caſe, It was adjudged, That it is peremptory to the Defendant, and the Judgment ſhall be *Non quod reſpondeat, ſed quod Partitio fiet*. Mich. 29 Eliz. C. B. *Leon.* 2. Part, 52.

Perjury.

1. ACtion upon the Caſe, The Plaintiff declared, That he was poſſeſſed of a Fountain of Gold, to the value of 500 l. and delivered it to J. D. to tranſport beyond Sea, and there to ſell it, and render accompt to the Plaintiff, which J. D. brake, and converted to his own uſe: Upon which the Plaintiff brought his Action againſt him, and they were at Iſſue; and the Defendant being adjudged as a Witneſs on the part of J. D. ſwore falſely, That the Fountain was not worth above the value of 180 l. whereas in truth it was worth 500 l. by reaſon of which Oath, the Jury gave to the Plaintiff but 200 l. Damages, whereas he would have given more Damages, but for that Oath; Being found for the Defendant. It was moved in ſtay of Judgment, That the Action did not lye; For that the Law intends the Oath of every man to be true, and there was not any puniſhment for any falſe Oath of any Witneſs at the Common Law; and now there is a form of puniſhment by the Statute of 5 Eliz. and if this Action ſhould be allowed, he might be double puniſhed; and there is not any Preſident to be found, that any ſuch Action brought was maintainable: And by the Common Law there was no puniſhment for perjury, but only in Caſe of Attaint; and the Court was of the ſame Opinion, and further ſaid, That if this might be ſuffered, every Witneſs might be drawn in Queſtion. Wherefore, and for the Reaſons aforeſaid, It was adjudged, that the Action did not lye. Mich. 39 Eliz. C. B. *Dampert* and *Sheſton* Caſe. *Cro.* 3. Part, 520, 521.

2. Action the Caſe for words; That whereas J. S. was ſworn in the Leet *juratus*, a Leet holden in ſuch a Manor ſuch a day. The Defendant pleaded, That the Plaintiff the ſame day with others were ſworn before the Steward to preſent, &c. and they preſented, That ſuch a Ditch was not ſcowred *ad nocumentum*, &c. which was falſe, and ſo juſtifies; Upon which it was demurred. In this Caſe, It was the Opinion of the Court, That for that it is not alledged, That the Ditch was within the Leet; and if it be not, the Preſentment thereof is out of their Charge, therefore it is not perjury; wherefore it was adjudged for the Plaintiff. Mich. 39 Eliz. B. R. *Wild* and *Cockmans* Caſe. *Cro.* 3. Part, 402.

2. A.

3. A. was Plaintiff in a Bill in Chancery against B; the Lord-Keeper made an Order there, That one L. should be made a party to the Bill against B; and afterwards a Commission issued forth between L. and B. to examine Witnesses; upon which Bill the Defendant O. was examined *ex parte* L, and deposed directly for L. against B; Whereupon a Decree was made in Chancery against B, and thereupon B. brought an Action against O. upon the Statute of 5 Eliz. as a party grieved by the Oath and Deposition of O: Upon which O. demurred in Law. It was the Opinion of the Justices, That the Action did not lye in this Case: For the words of the Statute are, *Where a man is grieved and damnified by a Deposition in a Suit, between Party and Party*, &c. And in this Case L. was no party to the Suit, but came in later by an Order, and no Bill depending either against him or by him, so as he is out of the Statute; and the Statute being Penal, shall be taken strictly. Mich. 45 Eliz. B. R. *Brade* and *Ondres* Case. *Yelverton* 22.

4. Note; It was said by *Williams* Justice, That it was Resolved by all the Judges of *England* in one *Payne* Case, in the Star-Chamber, who was sued there for a Perjury in the Court of Requests upon his Deposition, in a Case there depending, where Conveyance, and title of Land, and Freehold came in Question. That such Perjury was not punishable, for that it is but a vain and idle Oath, and not a corrupt Oath, because the Court of Requests hath not to do, nor can examine Titles of Land which are Real, and do appertain to be discussed and determined in the Kings Court. Pleas and *Pleadings*, and *Conusans* of *Pleas*.

H. Brought a Writ of Entry, in the Nature of an Assize, against the Mayor and Burgesses of the Borough of *Taston*, of Lands & Tenements within the Borough. The Attorney of the Mayor and Burgesses demanded Conusans of the Plea, and shewed their Charter to the Court, which is, *Quod nullus Burgensis, habitans, infra Burgum placit. vel implacit. de terris Tenementis tentallis, &c.* being within the same Borough elsewhere: It was the Opinion of the Court, That the whole Body of the Corporation being impleaded in this Action, could not have Conusans of this Plea; wherefore they were Ousted of the Conusans. Pasch. 3 Eliz. C. B. *Hanslop* and the Mayor and Burgesses of *Bastons* Case. 3 *Eliz.* 16.

2. H. an Attorney of the Common Pleas was impleaded by Bill there of an Assault and Battery made upon B. in the City of *Wells*. The Bishop of *Wells* by his Attorney demanded Conusans of Plea, and shewed the Charter of King E. 4. Of Conusans of all Pleas of Lands and Tenements in *Wells*, and also all personal Pleas of Debt, Trespass, &c. to the Bishop of *Bath* and *Wells* and their Successors; and also shewed the Patent of the Queen, of Confirmation of the said Patent made by King *Edward* the 4th; and a close Writ was directed to the Justices from the Queen, to permit him to enjoy his Liberties; and the Conusance was allowed of by the Court. Trin. 29 Eliz. C. B. *Bendlowes* 31.

3. Note; If an Act of Parliament give Power to any one to hold Conusance of Pleas within his Mannor, yet he shall hold no Plea therein any matter, in which himself is a party. Cro. 3. Part, 18. in Dr. *Bonhams* Case.

4. A Grant was made to the Mayor and Cominalty of *London*, That the Mayor for the time being should have *plenam et integram scrutinium, gubernationem, & correctionem omnium & singulorum mysteriorum*; without granting them any Court, in which there should be any legal proceeding: In this Case, It was Resolved, That the Grant was good for search, for which discovery might be made of Offenders, which might be punished by the Law in any Court; but the same did not give them any absolute or irregular power to correct or punish any of the Kings Subjects at their pleasures, as it was Resolved. 5. *Ejectione Firmæ* of a Messuage in *Oxon*; The Defendant pleaded, That he being a Scullar in *Oxford*, and a priviledged person, ought to be sued there before the Vice-Chancellor of *Oxon*, *secundum modum statutorum*, according to the Charter granted to the University, 3 H. 2. 14 H. 8. Confirmed 33 Eliz. and shewed, That they had Conusance of all Suits, Contracts, Covenants, Quarrels; except concerning Free-hold. And shewed an old Record, 22 E. 1. where a Plea of Covenant was in the Court of the Vice-Chancellor of the University of *Oxford*, by reason of a Covenant made before that time. And the Covenant

was

was, That they ſhould enjoy ſuch a houſe for a year: And becauſe the Court of Common Pleas granted a Prohibition to ſtay their proceedings in that Suit, this Charter being ſhewed, and it appearing in the Charter, That the Suit there was upon the Contract, and not *pro domibus*, a Conſultation in that Caſe was granted. But it was Reſolved, That in the Principal Caſe, No Conſultation ſhould be granted: For that, the Juſtices ſaid, That the Vice-Chancellor had not any Juriſdiction, nor might hold plea thereof, becauſe in the *Ejectione firmæ* he ſhall recover the poſſeſſion, and ſhall have an *Habere facias poſſeſſionem*, and thereby he who hath a Freehold may be put out of his poſſeſſion. And it was ſaid by the Juſtices, That this Caſe is not like to the Record ſhewed; For there it is only an Action of Covenant where damages only are to be recovered. Mich. 3 Car. C. B. *Cro.* 1. Part, 62. *Hilley's* Caſe.

6. Debt upon Obligation, the Caſe was, J. S. Sheriff of C. by vertue of an Attachment under the Privy Seal of the Court of Requeſts, Arreſted the Defendant; who for his Enlargement, made the Obligation, with Condition to attend before the Queens Councel attending in the Court of Requeſts at *Weſtm.* It was the Opinion of the Juſtices, That the proceſs was not any Warrant to the Sheriff to arreſt the body, nor to take the Obligation. For that, that Court hath not any ſuch power by any Commiſſion; by Statute, or by Common Law: Wherefore the Opinion of the Juſtices was, That the Obligation was taken by Dureſſe, and ſo avoidable. Trin. 40 Eliz. C. B. *Stepney* and *Lloyds* Caſe. *Cro.* 3. Part, 646.

7. Treſpaſs, *Quare pedibus ambulando et cum ſpadonibus, &c.* The Defendant juſtified, and ſhewed, That a Writ iſſued to the Sheriff of *Worceſter* to chooſe two Knights for the ſaid County to be at the Parliament: And that the next County Court for the ſaid County after the Receipt of the ſaid Writ, was holden at the Caſtle of *Worceſter*: And becauſe the ſaid Caſtle was too ſtreight, and not large enough for the receiving of the Freeholders aſſembled to make the ſaid Election. The ſaid County Court *debito modo* was adjourned from the ſaid Caſtle to the place where, &c. And the Defendant ſhewed, That he at the time of the ſaid Court holden and adjourned, was an Inhabitant in the County of *Worceſter*, ſeiſed of Freehold Lands of the value of, &c. and that his dwelling was diſtant from the place in which, ſix Miles. And that in obedience of the ſaid Writ and adjournment, he came *prædict. tempore quo* from his ſaid dwelling houſe to the place in which, riding upon his Gelding, one Servant waiting upon the Defendant riding upon another Gelding, to the end that he might give his voice for the Election of two Knights according to the command of the ſaid Writ. Upon Plea, the Plaintiff did demur in Law. And in this Caſe, it was Reſolved by the Court, theſe points following. 1. That the County Court as to the Election of Knights to the Parliament, is the Sheriffs Court, and the Sheriff is the Judg of it, and the adjournment of it his act; the Writ being in nature of a Special Commiſſion, (*Eligi facias*) although in all other Caſes the Suitors are the Judges there. 2. That if the Sheriff adjourn the Court to another place, and the Suiters do not attend, they are amerciable by the Sheriff. 3. That they by their attendance are not Treſpaſſors by reaſon of the neceſſity to make Election. 4. That if the Sheriff maliciouſly adjourn to an unfit place, as to a Field of Corn, &c. that an Action lyeth only againſt him, and not againſt the Freeholders. 5. That the Defendant living at ſuch diſtance from the place of adjournment, might come there on Horſeback. 6. That the Defendant being an Eſquire, might juſtify the comming thither with one Servant on Horſeback attending upon him. Hill. 13 and 14 Car. 2. C. B. Rot. 1884. *Lechmers* Caſe. I have thought fit to mention this Caſe, though not Printed, becauſe it ſhews the power and Conuſance of the Sheriff in the County Court, for Election of Knights to the Parliament.

8. Treſpaſs for entring his houſe, and cutting of ſix Poſts of it. The Defendant pleaded, That as to the breaking of the houſe, and all the Treſpaſs, except cutting of three Poſts of the ſaid houſe, Not Guilty; And as to the cutting of the three Poſts, That it was the Freehold of J. S. and that he by his command entred, and cut the ſaid Poſts, which is the ſame Treſpaſs. Exception was taken to it; For that the Defendant pleads as to all the houſe, Not Guilty; and afterwards juſtifieth as to the three Poſts, and ſo pleads Not Guilty to one thing, and juſtifies for the ſame thing, which is no good pleading. To that it was anſwered and Reſolved, That although the Defendant pleads Not Guilty generally to the whole houſe, yet he may after juſtify as to parcel, for he hath pleaded Not Guilty to all except this parcel. Hill. 30 El. B. R. *Higham* and *Reynolds* Caſe. *Cro.* 3. Part, 87.

9. In an Action upon the Caſe for words. At the *Niſi Prius*, the Defendant pleaded a Concord after the Darrein Continuance; Judgment *ſi* at Enqueſt. It was the Opinion of all the Juſtices, That it was no plea, but he ought to conclude Judgment *ſi actio &c.* and ſo in all Pleas pleaded ſince the Darrein Continuance. Then it was moved, That if Judgment ſhould be given upon this, or a new *Niſi Prius* granted: And upon a Deviſe of the Juſtices, Judgment was given for the Plaintiff, for it was a confeſſion of the matter in Iſſue.

10. Treſpaſs for entring his houſe, and breaking up a Pack of Cloaths, and taking one Cloath out of it. Not Guilty to entring his houſe; and as to the Pack of Cloaths, he juſtifies; for that the Queen granted the Office of Alnage with the moyety of the profits of it to W. O. who by his Deed dated at ſuch a place, made him his Deputy, and becauſe the Defendant did offer to ſell this pack of Cloaths, not having the Alnage Seal to it, he ſeized it as forfeited. Divers Exceptions were to the Plea. 1. The Plaintiff declares of the breaking of a pack of Cloaths, and taking of one Cloath out of it: and he anſwers to the taking of the pack but not to the taking of one Cloath out of it, which is ſpecially mentioned. 2. He juſtifies by a Deputation from O. but ſheweth not that the Office was granted to him to exerciſe by Deputy, for this is an Office of Truſt, and otherwiſe he cannot make a Deputy. For theſe cauſes, the plea was holden inſufficient, and it was adjudged for the Plaintiff. Trin. 32 Eliz. B. R. *Watkins* and *Johns* Caſe. *Cro.* 3. Part, 187.

11. Treſpaſs of Aſſault and Battery and wounding. The Defendant ſaid, That he was Conſtable of D. and for ſuch a miſdemeanor of the Plaintiff, he layed his hands on him, and carried him to the Stocks *quæ eſt eadem Tranſgreſſio*. Upon demurrer it was adjudged for the Plaintiff; for the Defendant did not plead Not Guilty to the wounding, nor juſtified it. But if one pleads that the hurt which the Plaintiff had was of his own Aſſault, this is a good Plea and anſwer to all. Hill. 34 Eliz. B. R. *Pendlebury* and *Elmots* Caſe. *Cro.* 3. Part, 268.

12. Debt upon Obligation, Conditioned to perform all Covenants, Conditions, Articles, Agreements, and Clauſes in an Indenture. The Defendant pleads the Indenture, which was a Leaſe for years of certain Lands, and of a ſtock of Cattel to the Defendant, and one T. rendring 20 l. rent *per annum*, and all the Covenants and other Clauſes in it were concerning Land: And pleads, That before the Leſſor had any thing, One C. was ſeiſed in Fee, and acknowledged a Statute to J. S. and that after the Leaſe made, the Conuſee ſued Execution, and that all the Land was delivered in Execution; and that after the Indenture, until Execution, he and T. had perform'd all the Covenants, Conditions, Agreements, and Clauſes in the Indenture; upon which it was demurred, becauſe the Condition is firſt, If the Defendant and T. and their Aſſigns perform, and he pleads, That he and T. had performed, but ſaith not, That he and T. and their Aſſigns had performed. 2. The Condition is, Covenants, Conditions, Agreements and Articles, and leaveth out the word Articles. But it was Reſolved, The Exceptions were not good. The firſt is not material, for it appeareth not that there is any Aſſignee, and it ſhall not be intended, except it be ſpecially ſhewen, and a bar is good to a common intent. To the ſecond, Agreemenes is all one with Articles, and if many words contain one thing in ſignification, if he anſwereth to them in ſubſtance, it is ſufficient. Trin. 34 Eliz. B. R. *Elmott* and *Coles* Caſe. *Cro.* 3. Part, 255.

13. Error of a Judgment in L. in Debt upon Obligation. The Condition was for payment of 70 l. *ſcil.* 35 l. at one day in the Temple Church *London*, and 35 l. at another day. The Defendant pleaded payment of the 70 l. at L. *ſecundum formam & effectum Conditionis*. Upon Iſſue being found for the Plaintiff, and judgment, and Error brought, That he had alledged the payment of the 70 l. according to the Condition, whereas he ought to have pleaded ſeveral payments of 35 l. at each day, and not have coupled them together. 2. That the names of the Jurors did not appear of Record. But the Court held the plea good; For when he pleads payment *ſecundum formam Conditionis prædict.* this *reddendo ſingula ſingulis*, is as if he had pleaded, That he had payed them ſeverally at the ſeveral dayes. And to the ſecond, It was good enough, for that never appeareth where the Jury is full of the Principal Pannel. Trin. 34 Eliz. B. R. *Fox* and *Lees* Caſe. *Cro.* 3. Part, 281.

14. Debt upon an Obligation of 50 l. Conditioned, That if he from time to time ſerve the Cure at F. and not depart without Licenſe: And if he ſhould make ſuch a Leaſe of the Parſonage of K. as the Plaintiff ſhould require: and if he did not any Act by Reſignation or otherwiſe, whereby the Leaſe ſhould be void, that then, &c. The Defendant pleaded, That the Rectory of K. was a Benefice with Cure, whereof he was Parſon. And further recites the Statute of 13 Eliz. That no Leaſe of any Benefice with Cure ſhould continue longer then the Parſon ſhould be reſident upon his Benefice, without abſence for 80 dayes. And further recites the Statute of 14 Eliz. That all Bonds made to permit any to enjoy any Leaſe, ſhall be of ſuch effect as the Leaſe; and alledgeth, That the Bond was made for the enjoyment of that Leaſe. It was Reſolved in this Caſe, That the Plea was inſufficient for two Cauſes. Firſt, Becauſe the Statute is miſ-recited. But 2. For that it is not alledged, That he was abſent; for otherwiſe, neither the Leaſe, nor the Bond be void; wherefore it was adjudged for the Plaintiff. Mich. 39 Eliz. B. R. The Earl of *Lincoln* and *Hoskins* Caſe. *Cro.* 3. Part, 490.

15. Debt upon Obligation, the Condition was, Whereas E. T. had bargained and ſold to the Plaintiff a Cloſe of Paſture, called O. And whereas the ſaid E. T. hath by Indenture already Mortgaged to J. S. divers Lands in G. whereby the Cloſe of Paſture above mentioned, is either Mortgaged, or ſuppoſed to be Mortgaged upon Condition for the payment of mony at a day to come. If therefore the ſaid Cloſe of Paſture at the day mentioned in the ſaid Indenture of Mortgage be redeemed and ſet free from all Incumbrances and Titles by reaſon of the ſaid Mortgage, That then, &c. The Defendant pleaded in bar, That the Cloſe mentioned in the Condition was not Mortgaged to J. S. and ſaith, That the ſaid Cloſe was *redempt. liberat. et exonerat. &c.* The Plaintiff replyed, That the Cloſe was Mortgaged to J. S. which upon Iſſue joyned, was found for the Plaintiff. It was in ſtay of Judgment ſaid, That the Replication was not good: For the Plaintiff ought to have replyed, That it was Mortgaged to J. S. and not redeemed. But the Opinion of the Court was, That the Replication was good, becauſe the Mortgage is ſuppoſed to be made between a ſtranger and the Defendant, to which the Plaintiff is not Privy: and therefore he ſhall never ſpeak of any Redemption, for by Preſumption he cannot have notice of any Act done between the Defendant and J. S. a ſtranger. Mich. 34 Eliz. B. R. *Yelverton* 25.

16. Appeal brought in B. R. by Original of a Murder in *Sandwich* in the County of *Kent*. The Original was directed to the Sheriff of *Kent*, who brought in the Defendant upon a *Capi Corpus*. The Defendant pleaded, That *Sandwich*, within which the Murder is ſuppoſed, is parcel of the Cinque Ports, *ubi brev. Regis non currit, qui quidem Portus de* Sandwich *non eſt in Com. Kanciæ*. And demanded Judgment of the Writ, and pleaded over to the Felony. It was adjudged by the whole Court, That the Plea was not good: For although that the Cinque Ports have divers great Liberties, yet the reaſon of the Grant of the Liberties, was for the eaſe and benefit of the Inhabitants, and not to their prejudice. 2. Here the Defendant having done the Murder within the Cinque Ports, and flying out of them; if the pleading in this Caſe ſhould be good, there ſhould be a failer of Juſtice, for thoſe of the Cinque Ports cannot try him, becauſe he is not there. But it was ſaid, That if the Defendant had ſhewed, That at the time of the Murder ſuppoſed, and ever after, he had bin Inhabitant and Commorant within the Cinque Ports, by which, by his Plea, he had given Juriſdiction to the Court there, and they as Judges, That the Defendant, if he was guilty, might receive a ſatisfactory Judgment, *viz.* by death, then the Plea had bin good: but the Defendant hath not ſhewed any ſuch thing, by which it appeareth that the Court had Juriſdiction: therefore it was adjudged, That the Plea was not good. Mich. 44 Eliz. B. R. *Criſpe* and *Virells* Caſe. *Yelverton* 12, 13.

17. Debt upon an Obligation; Judgment *pro Quer.* and Error brought and aſſigned, That there was no Declaration; For it was R. H. *Queritur de H. F. de placito quod reddat ei* 20 l. *quas ei debet et injuſte detinet. et unde idem quer. per M. Attornatum ſuum*, becauſe it wanted the word (*dicit*) and the ſenſe is imperfect. It was objected, the (*quer.*) being Writ ſhort, ſhall be taken *Queritur*, which is as much as *dicit*; but that being (*idem Queritur*) is as incertain as the firſt, becauſe the *Idem* refers no more to the Plaintiff then to the Defendant, and it ſhall be taken rather to refer to the Defendant, *quia proximè antecedens*; therefore matter of ſubſtance wanting, the Declaration was not good, and ſo adjudged, and the Judgment reverſed. Mich. 5 Jac. B. R. *Field* and *Hunts* Caſe. *Yelverton* 103.

18. Debt by an Executor for Arrearages of Rent, aſwell Copyholds as Freehold Rents belonging to the Mannor of D. whereof the Teſtator was ſeiſed, and the Rents not payed in the life of the Teſtator. It was Reſolved in this Caſe, The Action being brought upon the Statute of 32 H. 8. of Rents, That for the Arrearages of the Copyhold Rents, the Action did not lye. And 2. It did not lye in this Caſe for the Freehold Rents, becauſe the Plaintiff hath not declared, That the Defendant attorned to the Teſtator in his life time. And it was ſaid, That although in pleading it is good to alledg a Feoffment of a Mannor, without alledging a Livery, or Attornment of the Tenants; yet when the Rent of any Freeholder comes in debate, the Owner of the Mannor, or his Executor who demands it, ought to convey privity between the Tenant and the Lord, which ought to be by Attornment, for that the Rents and Services do not veſt without Attornment. Mich. 6 Jac. B. R. *Appleton* and *Daily's* Caſe. *Yelverton* 135.

19. Treſpaſs for entring his Cloſe, and ſpoiling his graſs with Cattel. The Defendant pleaded, That the Freehold *tempore quo* was in J. S. and he as his Servant put in the Cattel. The Plaintiff ſaid, True it is, that the Freehold was in J. S. but long before, &c. the ſaid J. S. lett the Cloſe to the Plaintiff at Will, for which he entred and was poſſeſſed till the Defendant did the Treſpaſs *abſq; hoc*, that the Defendant by the command of J. S. entred, and put in the Cattel. Upon which, the Defendant demurred. It was adjudged againſt the Plaintiff becauſe his Replication was not good, becauſe

becauſe being by way of Title, he doth not entitle himſelf to any good Leaſe at Will; for that he doth not alledg any Seiſin or poſſeſſion in J. S. out of which the Leaſe at Will might be derived. And here the Defendant having made a good Juſtification in Law, the ſame ought to be anſwered by the Plaintiff by a good Title, *viz.* That J. S. was ſeiſed, and leaſed to him at Will. Mich. 6 Jac. B. R. *Witham* and *Barkers* Caſe. *Yelverton* 146, 147.

20. Treſpaſs of Battery ſuch a day; The Defendant pleaded, That *tempore quo, &c.* he was ſeiſed of ſuch a Rectory in Fee, and that the Corn was ſevered from the 9 parts, and that the Plaintiff came to carry away the Corn, and the Defendant in defence of his Corn, and to keep the Plaintiff from taking of it, ſtood there to defend it; and if any hurt came to the Plaintiff, it was of his own wrong. The Plaintiff replyed *de injuria ſua propria abſque tali cauſa*; upon which the Defendant demurred. In this Caſe, it was adjudged for the Plaintiff, becauſe the Plaintiff by his Action doth not claim any thing in the ſoil or Corn, but only damages for the battery, which is meer Collateral to the Title. But where the Plaintiff makes Title by his Declaration to any thing, and the Defendant will plead another thing in deſtruction of it, or of the Plaintiffs Action, there the Plaintiff ought to reply ſpecially, and ſhall not plead generally *abſque tali cauſa*. It was adjudged for the Plaintiff. Trin. 7 Jac. B. R. *Taylor* and *Markhams* Caſe. *Yelv.* 157.

21. *Ejectione firmæ*, the Plaintiff declared of a Leaſe made by one C. 6. *Maii*, 7 Jac. of a Meſſuage in D. and that he entred and was poſſeſſed *quouſque poſtea*, ſcil. 18 *die ejuſdem Menſis Maii, anno ſexto ſupradict.* the Defendant did eject him. It was ſaid the Declaration was inſufficient, for that the Action is grounded upon two things, the Leaſe, and the Ejectment; and the Ejectment is ſuppoſed before the Leaſe; and ſo it was objected it was adjudged in the very like Caſe, *ſcil.* Ter. Paſc. 7 Jac. *Powre* and *Hawkins* Caſe. Notwithſtanding which, the Court was of Opinion, That the Declaration was good, for the day of Ejectment being 18 *ejuſdem Menſis*, cannot be intended but to be the ſame year in which the Leaſe is ſuppoſed to be made. Mich. 8 Jac. B. R. *Davis* and *Pardy's* Caſe. *Yelv.* 182.

22. Treſpaſs for chaſing his Cattel at B. The Defendant juſtified in a Cloſe called M. in S. which is his Freehold Damage feaſants. The Plaintiff replyed, That J. S. was ſeiſed of a Cloſe called C. in D. in Fee, and let the ſame to the Plaintiff for years; and that the Defendant was ſeiſed of another Cloſe called F. in Fee, which lay *contigue* the Cloſe of C. and that the Defendant and all thoſe whoſe Eſtate he had in F. Cloſe, had uſed time out of mind, &c. to repair the Fence and Hedges betwixt the ſaid Cloſes, next adjoyning to the ſaid Cloſe called M. where the Chaſing was, and that the Plaintiff put his Cattel in C. Cloſe, which by default of Incloſure of F. Cloſe, eſcaped into it, and from thence to M. Cloſe. The Defendant rejoyned, and confeſſed the Seiſin of both parties *ut ſupra*. But ſaid, between the Cloſes of C. and F. there was a Brook adjoyning to the ſides of each of the ſaid Cloſes, which had Banks, and that the Leſſor of the Plaintiff and his Anceſtors time out of mind, had uſed to repair the Bank of the Brook on the Cloſe ſide; and becauſe the Plaintiff had not repaired it, his Beaſts eſcaped into the Defendants Cloſe, and from thence into M. Cloſe; and that the Defendant chaſed them, &c. as was lawfull for him to do; upon which the Plaintiff demurred. In this Caſe, It was adjudged for the Plaintiff, becauſe the Defendants Rejoynder doth not confeſs and avoid the Replication, but perplex the matter, by adding a point of Preſcription on the Plaintiffs part, that he ought to repair the bank between C. and F. Cloſe, upon which Iſſue cannot be taken, for that then two Preſcriptions ſhould be in Iſſue together, which cannot be. Alſo the matter in the Rejoynder doth not anſwer the matter in the Replication, but only by way of Argument, and if it be true, it is good matter in Evidence againſt the Plaintiff. But the Defendant in this Caſe ought to have traverſed the Preſcription alledged by the Plaintiff, and that had ended the whole matter. It was adjudged for the Plaintiff. Hill. 9 Jac. B. R. *Durrant* and *Childs* Caſe. *Yelv.* 217.

23. Debt upon a Leaſe for years of Lands in E. rendring rent. The Defendant pleaded, That *tempore quo*, the Plaintiff *nihil habuit in Tenementis prædict. unde dimiſſionem prædict. facere potuit.* The Plaintiff replyed *Quod tempore dimiſſionis habuit bonum & ſufficient. ſtatum, in Tenementis prædict. unde, &c.* being found for the Plaintiff, and Judgment. Error brought, and aſſigned the defect in the Replication, for that the Plaintiff ought to have ſhewed in ſpecial what Eſtate he had in the Tenements, ſo as it might appear to the Court, That he had a ſufficient Eſtate to make the Leaſe; and ſuch was the Opinion of the Court: and yet the Court held, That this defect was helped by the Statute of Jeofails; for although the Iſſue was not ſo formally joyned as it ought to have been: Yet it is found, That the Plaintiff had an Eſtate in the Land, whereof he might make the Leaſe. Hill. 10 Jac. B. R. *Glaſs's* Caſe. *Yelverton* 227.

24. Debt upon Obligation to perform Covenants in an Indenture. There was a Covenant,

the Defendant ought to do ſuch acts, things, &c. as the Plaintiff or his Councel ſhould adviſe for the better aſſuring of certain Lands to the Plaintiff. And ſaid, that the Counſellor adviſed him to have a Fine. Upon which it was demurred. It was the opinion of the Court, That it ought to have been pleaded, That a Writ of Covenant was ſhewed forth; and the Tender of the Note of the Fine is not ſufficient: But the breach of the Covenant ought to be layed after the *Dedimus poteſtatem* ſued by the Plaintiff. Tr. 4 Car. C. B. *Newton* and *Suttons* Caſe. *Hetley*. 105.

25 *Aſſumpſit* for 34 l. which accrued by ſeveral promiſes. 1. That one was endebted unto him in 12 l. and that he would truſt him more; the Defendant came and prayed the Plaintiff to truſt him, and if he would, he would pay him the old Debt; and, whatſoever ſhould be in arreare more, if it did not exceed 100 l. he would pay; and ſhewed, that afterwards he ſold him divers peeces of fleſh at reaſonable rates, and that he lent him 3 l. and then he came and requeſted him to pay him the whole 3 l. but he would not pay the 19 l. for the Fleſh; nor the 12 l. Upon *Non Aſſumpſit* it was found for the Plaintiff; becauſe he doth not alledge before, that the Fleſh that he ſold amounted to the price of 19 l. And alſo becauſe he makes but one Requeſt for the ſeveral Debts, whereas there ought to be ſeveral Requeſts. But the Court held, it had enough: for the firſt, becauſe he refuſed to pay the 19 l. *pro precio*, &c. but it had been better, if it had been alledged that the Fleſh did come to a price: but for the demand, it was the opinion of the Court, that it was ſufficiently made. Paſc. 4. Car. C. B. *Gammon* and *Malbarns* Caſe. *Hetley*. 34.

26 Note. If a man be bound to give to me all the money in his purſe, or to enfeoffe me of all his Lands; He cannot plead, that he hath given to me all the mony, or Land; but he ought to ſhew in certain, what Land or money he had; and that he hath given the ſame to me. Hill. 22 Jac. B. R. *Wilkinſon's* Caſe. *Latch* 16.

27 In *Ejectione firme* the Defendant imparled, and afterwards pleaded that the Land was Antient *Demeſne*; and ſo demanded Judgment if Action. Upon which the Plaintiff demurred; It was ſaid firſt that a man cannot plead ancient Demeſne after imparlaus, and it was adjudged: Paſc. 4. Jac. B. R. *Clark* and *Hamſtons* Caſe. *Dodd.* ſeemed *Contr.* Quære, for the Caſe is not adjudged. Hill. 22 Jac. B. R. *Marſhall* and *Allens* Caſe. *Latch* 83.

28 Action upon the Caſe the Plaintiff declared, That he was ſeiſed in his Demeſne as of Fee of a Houſe and Meadow, and that he and all thoſe whoſe Eſtate, &c. time out of minde have had a way from his Houſe and Meadow, and a way from his Houſe over the Kings high way, adjoyning to the Houſe, and then to ſuch a Cloſe; The Defendant pleaded, that he held the Cloſe free from ſuch a way, and traverſed that the Plaintiff had not a way there which was found againſt him: In Arreſt of Judgment, divers things were moved, 1. That he doth not ſhew that it was an ancient Houſe. 2. Becauſe he ſhewes not where the High way is, or whither it leads to: It was the opinion of the Court, that the Declaration might have by a better. The matter is, if the Verdict hath made it good: which they conceived it had done; and Judgment was given for the Plaintiff. Hill. 20 Jac. B. R. *Harriſon* and *Pecks* Caſe. *Latch* 110.

29 *Replevin*: Defendant avoweth, That the Dean and Chapter of *Weſtminſter* were ſeiſed *in jure Collegii* (but did not ſhew of what Eſtate) and Leaſed for 99 years to one W; who let part of the Terme to the Plaintiff, rendring Rent. W. made his Wife his Executrix and dyed: ſhe for Rent behind after his death, avowed. Upon which the Plaintiff demurred generally. 1. Becauſe not ſhewed of what Eſtate the Dean and Chapter was ſeiſed, for they might be ſeiſed but for the life of another, and then the ſame ought to be ſhewed. It was the opinion of the whole Court, that the pleading was not good; but if it had been pleaded, That the Dean and Chapter was ſeiſed *in jure Collegii*, to them and their Succeſſors: there it ſhall be intended, that they were ſeiſed of an Eſtate in Fee: It was adjudged againſt the Avowant. Trin. 22 Jac. B. R. *Wood* and *Newmans* Caſe. *Latch* 121.

30 Treſpas for taking a Load of Fitches: Defendant ſaid, that part grew upon White Acre, and part upon Black Acre, and derived a Title to J. S. to the Fitches in Black Acre: and to P. in the right of part U. his Wife; and juſtified the taking of the load by the Command of P. and U. his Wife. To which the Plaintiff made an ill Replication, upon which the Defendant demurred: becauſe a Gentleman cannot have a Lady to his Wife; But the Court ſaid, That that was a good Exception to the Writ, but not here. 2. Becauſe he did not ſhew how many Fitches grew upon the Land of J. S. and how many upon the Land of P. and his Wife; and that was allowed for a good Exception by the Court: and a Rule for Judgment given *niſi*. &c. Trin. 1 Car. B. R. *Sherwoods* Caſe. *Latch* 174.

31. Action upon the Caſe upon ſeveral Aſſumpſits of 9. particular ſums; which ſeverall ſums *attingunt* to 52 l. which was more then in truth

with the total ſum was. Upon the general Iſſue, it was found for the Plaintiff. But the Jury found but 40 l. damages, which was leſſe then all the particular ſums. Alſo the Requeſt was alledged, *Quod Licet ſæpius requiſitus, non ſolvit* the 52 l: It was the Opinion of the Court, That the ſumming of the particulars was but Surpluſage; and that the Requeſt was not neceſſary: but if the Requeſt had been neceſſary, then the Declaration had not been good. Mich. 2 Car. B. R. *Risby* and *Hynes* Caſe, *Latch.* 175.

32. Debt upon a Leaſe for years, to begin *in futuro*; *virtute cujus* the Leſſee entred, and the Leaſe was, rendring Rent. It was ſaid, That the Declaration was not good, becauſe it is not ſhewed, when the Defendant entred: and therefore it ſhall be taken ſtrong againſt him, that the Leſſee entred before the Leaſe began. But it was the Opinion of the Court, That that cannot be intended, becauſe it is, *virtute cujus* the Leſſee entred; and he cannot enter by virtue of the Deniſe, but after the day. And a difference was taken between *Ejectione Firme*, and Action of Debt; becauſe *Ejectione Firme* is not maintainable but upon a poſſeſſion of the Leſſee: But debt lyeth againſt him upon the privity of Contract. It was adjudged for the Plaintiff. Paſch. 2 Car. B. R. *Green* and *Moody's* Caſe. *Latch*, 196.

33. Error of a Judgment in Action upon the Caſe. The Caſe was; A. brought debt againſt B; and J. S. promiſed to A, That if he would forbear to ſue B, that he would pay him 200 l. at the Feaſt of St. B. next, and another 100 l. at any time after the ſaid Feaſt when he ſhould be reaſonably required. The Plaintiff alledged a failer of the payment of the 100 l. *Licet poſtea, viz.* 18 *October* ſuch a year; which was in truth before the day of payment. In this Caſe it was agreed by the Court, 1. That the Requeſt was iſſuable, and ought to be ſpecially ſhewed, and certainly alledged, becauſe there was no duty before being upon a promiſe of a ſtranger: but if it had been upon a promiſe of the party himſelf indebted, There, *Licet ſæpius Requiſitus* had been ſufficient. 2. That in this Caſe, the (*videlicet*) was meerly void; for that it was contrary to the premiſſes. The Judgment was affirmed. Mich. 2 Car. B. R. *Alcock* and *Blofields* Caſe. *Latch*, 209.

Preſcription.

1. TReſpaſſe, for breaking of his Cloſe; The Defendant juſtified, to have a Way by *Preſcription* over the Land in which, &c. for carrying of ſuch Tythes, *uſq; ad Rectoriam de D*, from ſuch a place. It was holden by the whole Court, That the Plea was not good; For in pleading ſuch a Way, there ought to be ſet forth, *Terminus à quo ad quem*: And this Rectory which ought to be *Terminus ad quem*, is uncertain; For a Rectory is ſuch a thing as conſiſts of Glebe Tythes, &c. Afterwards it was ſhewed, That the Rectory did conſiſt but of Tythes, ſo there was not any place certain as Parſonage-Houſe, Barn, &c. to which the Tythes have uſually been carried; for the Tythes have uſually been lett to Farm to divers perſons, who have carried ſuch Tythes to their own Houſes, and the Defendant is one of the Farmers of the Tythes. The Court upon that directed how the Plea ſhould be; *viz.* That J. S. is ſeiſed in Fee of the Rectory of D; and that time out of mind hee, and all thoſe, &c. have uſed for them and theirs, to have a Way to carry their Tythes from ſuch a place over the Land where, &c. unto ſuch a High-Way, and name it; which is the next to the place where the Treſpaſs is done. And the Defendant pleaded, according to ſuch direction of the Court. Mich. 20 Eliz. B. R. *Leon.* 2. Part, 10.

2. A Parſon did Libell in the Spiritual Court againſt a Pariſhioner for Tythes of [illegible] Lands within his Pariſh. The Defendant ſ[illegible]d, That he and all thoſe whoſe Eſtate he hath in the Lands out of which the Tythes are demanded, Have uſed to pay every year 5 s. to the Clerk of the ſame Pariſh, for all the Tythes out of the ſame place. It was ſaid, That the *Preſcription* was not good; For a Pariſh-Clerk is not a perſon incorporate, nor hath Succeſſion: but if they had preſcribed to have uſed to pay to the Pariſh-Clerk to the uſe of the Parſon, there perhaps it might be good. In this Caſe, It was agreed by the Court, That of Common Right the Parſon is not bound to find the Pariſh-Clark. But if the Parſon be tyed to find ſuch a Clark, and ſuch a ſum of money hath been uſed to be paid to the Pariſh-Clark in diſcharge of the Parſon and Tythes, the ſame had been a good *Preſcription*, and ſo by way of Compoſition good. But the Court held, That

That Tythes were to be paid to Spiritual perſons, and a Pariſh Clark is but a Lay-man, and therefore no Prohibition would lye, and a Conſultation was awarded. Mich 3 Eliz. B. R. *Sewell* and *Woods* Caſe. *Cro.* 3. Part, 71.

3. Treſpaſſe; The Defendant Juſtified as in his Freehold. The Plaintiff ſaid, That the Land was parcell of the Mannor of D, demiſeable time whereof,&c. by Copy in Fee, in tail, for life or Lives; and that this Land was lett to him by Copy in Fee; and the *Preſcription* was traverſed: and found, that it had been demiſed and demiſeable time out of mind,&c. in Fee, but never in tail; and that it was granted to the Plaintiff in Fee. It was holden by the Court, That it was found for the Plaintiff; For the alledging, that it had been conveyed in Fee, or in tail, was but Conveyance to his Title: and for that it was found it was demiſeable in Fee, and demiſed to him in Fee, it is the effect and ſubſtance of his Title, which is found for him. It was adjudged for the Plaintiff. Mich. 38 Eliz. B. R. *Doyle* and *Woods* Caſe. *Cro.* 3. Part, 431.

4. Treſpaſſe, for carrying away 30 Load of Clay in B. Green, digged there for the Plaintiff. The Defendant pleaded, That he is Tenant and Inhabitant of B, whereof the place is parcell; and that there is a Cuſtome there, That every Tenant and Inhabitant there may digg and Convey away Clay in B. Green for his neceſſary uſe; and that the Plaintiff not being a Tenant, had digged the Clay, and laid it upon the Land, and that he took it for his neceſſary uſe. Upon which, it was Demurred. The Court was of Opinion, That the Juſtification was not good; For by the Preſcription, it appears, That the Tenant might dig: then he can have but what he himſelf digges, and not that which is digged by a ſtranger; who peradventure [illegible]d digg it lawfully, by the Lords Licence. [illegible] was adjudged for the Plaintiff. Mich. 38 Eliz. B. R. *Stile* and *Batts* Caſe. *Cro.* 3. Part, 434.

5. *Replevin*; The Defendant avowed for Damage-Feaſants. The Plaintiff Juſtified, For that he had a Cloſe adjoyning to the Defendant's Cloſe, and that the Defendant and all the Occupiers of the ſaid Cloſe, time whereof, &c. had uſed to make the Fences between the ſaid Cloſes; and for want of Fencing, his Beaſts eſcaped,&c. Iſſue was upon the Preſcription, and found for the Avowant. In Arreſt of Judgment, it was moved, That the Preſcription, [That every Occupier] was too general; for that it might extend to Tenant at Will, Sufferance, Diſſeiſor,&c. for they are all Occupiers. It was agreed by the whole Court, That the Preſcription was not good; but it ought to have been, That he and all thoſe whoſe Eſtate, &c. But ſuch a Preſcription to pay ſo much in diſcharge of Tythes by the Occupiers of Lands, hath been allowed to be good, for that goes in diſcharge and benefit of the Land; and Tythes ariſe by the Occupying of the Land. But becauſe a Verdict in the Principal Caſe was found upon this Preſcription, it was holden, The ſame was not any good Cauſe to ſtay Judgment; but the ſame was helped by the Statute of *Jeofails*. Mich. 38 Eliz. C. B. *Anſty* and *Lenrknors* Caſe. *Cro.* 3. Part, 445.

6. *Preſcription* by a Pariſhioner, to pay the 10 part of Corn *modo Decimand.* for the Hay alſo that growes upon the Head-Lands, is not good, becauſe the 10 h part is due for the Corn. But ſuch a *Preſcription* for the Corn and after-Rakings, is good with an averment, That they are *Spontanea voluntaria*: So *Preſcription* of the 10th part of Hay and After-graſſe. Mich. 38 Eliz. *Bayard* and *Adams* Caſe; Where it was holden, That ſuch a *Preſcription* as in the firſt Caſe, was adjudged good. But note; That in the Principal Caſe, Judgment was given againſt the party, for that he had not well pleaded the *Preſcription*. Mich. 2 Jac. B. R. *Parcy* and *Chauceys* Caſe. *Noy*, 15.

7. *Replevin*, The Defendants juſtified the taking as Bayliff to the Lord G, for an Amercement at the Court-Baron, of one that was Tenant of the Mannor, for three ſeveral defaults; one, 2 s. The ſecond, 20 s: The third, 40 s. Exception was taken to the Avowry; for that he pleads the Lord G. had a Mannor, and that he had uſed time out of mind to keep a Court-Baron; and ſo preſcribes to have a Court-Baron, the which is a thing incident to every Mannor of Common right. 2. He preſcribes to diſtrain for the Amercement in any place within the Mannor, although it be out of the Tenancy of him who offended. 3. He preſcribes to hold a Court-Baron before the Steward; which is not good. All the Juſtices agreed to the firſt Exception; For a man ſhall not preſcribe in that which the Law of Common Right gives. 2. It was Obſerved, That the Amercement was grievous, which ſhould be *ſecundum quantitatem delicti*. And it was alſo agreed, That the Beaſts of ſtrangers found upon the Land, cannot be diſtrained for Amercements, as they may be for Rents and Services. To the third Point, It was ſaid, That ſometimes Pleas are holden before the Suitors and Bayliffs of the Lord; but that is intended with this difference, *viz.* When it is held *per Breve*, it is *Coram Ball. & Sectatoribus*: But when it is without a Writ, it is *Coram Sectatoribus* only. Judgment was entred for the Plaintiff. Hill. 35 Eliz. *Pell* and *Towns* Caſe, *Noy*, 20.

8. Note, It was agreed by the Court, That the Court of Chancery may be by Preſcription, as the Counties Palatine, and the Mayor's Court of *London*, which is called the *Mark-Court*, becauſe the Mayor may mark any Cauſe in the Sheriffs Court before Judgment, although it be after Verdict, and may examine it. But the Court of Chancery or Equity cannot here by the Kings Grant, becauſe it took its birth-right from the Subject. See *Andrews* and *Webbs* Caſe. *Noy*, 147.

9. The Parties were at Iſſue upon a Preſcription, to have Common in certain Lands called H. in the County of W: It was holden by the whole Court, and delivered to be their Opinion to the Jury, That where one preſcribes to have Common Appurtenant to his own Houſe, and 20 Acres of Lands; and upon Evidence it appears, That he hath but 18 Acres, or a leſs number, yet he hath not failed of his Preſcription: But if he had 20 Acres, and 10 Acres are Freehold, and the other Copy; there he fails of his Preſcription, for he cannot make one Preſcription for both. So it is, If it appears upon the Evidence, that part of the Lands was 100 years paſt Copyhold, and now is Free-hold; he fails in his Preſcription. Mich. 34 Eliz. B. R. *Gregory* and *Hills* Caſe. *Cro.* 3. Part, 531.

10. Treſpaſs; The Defendant preſcribeth to have Common, the Jury found the Defendant had Common there by Preſcription *prout*, paying for it every year 1 d. to the Plaintiff: It was Objected, That he had failed of his Preſcription, which ought to be alledged entirely. But it was anſwered, That he had alledged of the Preſcription, as much as did ſerve for his turn; and the Non-payment of the 1 d. ſhall be ſhewed on the other part, and the not alledging thereof is not materiall. See *Grays* Caſe. *Crook* 5. Part, 79. Then it was moved, Whether the paying of this 1 d. be a Condition precedent or ſubſequent? It was Opinion of the Court, That if it be a Condition, it is a Condition ſubſequent, and need not be ſhewed, no more then where an Annuity is granted *pro conſilio impendendo*: It needed not be ſhewed, that he gave Counſel, as it was adjudged in *Poultrells* Caſe in this Court. And it was the Opinion of the Court in the principal Caſe, That the Verdict was found for the Plaintiff. Hill. 39 Eliz. C. B. *Lovelace* and *Reynolds* Caſe. *Cro.* 3. Part, 546. 563.

11. A Prohibition for Tythes of Wood, and ſurmiſed, That in the Pariſh is a Cuſtom, That all the Parſons of the ſaid Church, time out of mind, &c. *habuerunt et gaviſi fuerunt* ſuch Land parcel of the Mannor of F, in recompence of all Tythe-Wood within the ſaid Pariſh, upon which it was demurred: It was the Opinion of all the Juſtices, That the Preſcription was good; and although it was Objected, That it is not averred that the Lands are parcel of the Mannor; and then it cannot be ſaid to be a Recompence for all the Land within the Mannor. Yet it was anſwered and ſaid, That it may be, That at the Bargaining all the Land within the Pariſh was parcell of the Mannor, and then this allowance of the Profits of this Land was allotted in diſcharge of all the Tythes of all the Wood within the ſame Pariſh; It was adjudged for the Plaintiff. Mich. 40 Eliz. B. R. *Somerton* and Dr. *Cottons* Caſe. *Cro.* 3. Part, 587.

12. The Lord of the Mannor of B, in the Pariſh of D, preſcribes, That he and his Anceſtors, and all thoſe whoſe Eſtate, &c. had uſed from time to time whereof, &c. and to pay the Parſon of D, the now Plaintiff, and his Predeceſſors 6 l. for all manner of Tythes growing within the ſaid Pariſh; and that by reaſon thereof, he and all thoſe whoſe, &c. Lords of the ſaid Mannor had uſed time whereof, &c. to have *decimam gerbam, ſive decimum cumulum garbarum* of all his Tenements within the ſaid Mannor. It was the Opinion of the Juſtices, That it was a good Preſcription, and that a *Modus decimandi*, by the Lord for himſelf, and all the Tenants of his Mannor from barring the Parſon to demand Tythes in kind is good, for that it might have a lawful beginning. 2. Reſolved, That it was a good Preſcription to have the tenth Shock; for he hath it as a profit appurtenant to his Mannor, and not as Tythes. 3. It was Reſolved in this Caſe, That if the Queen was Lady of a Mannor, ſhe might preſcribe to have Tythes, for that ſhe is capable of them, although they be Spiritual; and ſhe is *mixta perſona, et capax Civitatis juriſdictionis*. Mich. 40 Eliz. B. R. *Piggot* and *Heaths* Caſe. *Cro.* 3. Part, 599. See Trin. 41 Eliz. *Piggot* and *Simpſons* Caſe. *Cro.* 3. Part, 763. acc.

13. In Avowry for Rent, the Caſe was: J. S. was ſeiſed of the Rent in Fee, and preſcribed, That he and all his Anceſtors had uſed to diſtrein for the Rent in this Land; and ſo preſcribes in the Diſtreſs, and not in the Rent it ſelf; and it was the Opinion of the Juſtices in this Caſe, That the Avowry was not good: For the Preſcription ought to have been in the Rent, and it was cited to have been adjudged, 14 Eliz. That the Preſcription in the Diſtreſs was not good. Paſch. 41 Eliz. C. B. *Stephen* and *Lewis* Caſe. *Cro.* 3. Part. 673.

14. For a Prohibition; It was ſurmiſed, That the Biſhop of *Winton* was ſeiſed in Fee of the Mannor of D, whereof the Plaintiff is a Copyholder, and that he and his Predeceſſors time whereof, &c. had

That Tythes were to be paid to Spiritual perſons, and a Parish Clark is but a Lay-man, and therefore no Prohibition would lye, and a Conſultation was awarded. Mich 3 Eliz. B. R. *Sevell* and *Woods* Caſe. *Cro.* 3. Part, 71.

3. Treſpaſſe; The Defendant Juſtified as in his Freehold. 4. Treſpaſſe, for carrying away 30 Load of Clay in B. Green, digged there for the Plaintiff. bee

been Patrons of the Church of E, whereof the Defendant is Parſon; and that he and his Predeceſſors, &c. time whereof, &c. and all his Farmors and Copy-holders of the ſaid Mannor had been diſcharged of Tythes; and that the Land of which Tythes is demanded, is ancient Copy-hold of the Mannor, upon which it was demurred: It was pleaded, That the Preſcription was not good; for that the Copy holders were before the Councel of Lateran, and might give their Tythes to whom they pleaſed. But it was Reſolved, That the Preſcription was good: For that all Copy-holds are derived out of the Mannor, and it ſhall be intended, That this Preſcription had its Commencement at ſuch time, when all was in the Lords hands. 15. But the Opinion of the Court was, That the Preſcription was good, for that *Equus* is a general name, and compriſeth as well Horſes as Geldings: But for Mares it is not ſo, wherefore the Declaration was well maintained by the preſcription; and it was adjudged for the Plaintiff. 16. For that he alledgeth a Preſcription in himſelf, and in all his Predeceſſors, Parſons of the ſaid Pariſh, but ſheweth not that he was Parſon there. But it was Reſolved, That notwithſtanding that, the Preſcription was good, becauſe it is alledged, That he is Clark, and ſeiſed of the Parſonage *jure Eccleſiæ*; for none can be ſeiſed *jure Eccleſiæ*, unleſs the Parſon. 2. Exception, becauſe it is not alledged in what Town the Meſſuage was, to which he claimed the way. But Reſolved, Good enough, becauſe it ſhall be intended, That the Parſonage-Houſe is in the Town, where the Pariſh is alledged to be, viz. in M: It was adjudged for the Plaintiff. Trin. 44 Eliz. B. 17. The Defendant, Vicar of A, Libelled in the Spiritual Court againſt the Plaintiffs, for ſmall Tythes, and alſo for Herbage, Wood, The Plaintiffs joyned in a Prohibition; and Surmiſed for all (except the ſmall Tythes) a Cuſtome of Tything. It was the Opinion of the Court, That the Prohibition brought in all their Names, was not well done; for the Suit being upon ſeveral Libells, they could not joyn in one Prohibition. Yet in this caſe, The Court did not grant a Conſultation, becauſe the matter being upon a Cuſtome tryable at the Common-Law, thoſe in the Spiritual Court were juſtly prohibited, although not in ſuch due form as they ought to be. 18. A Chaplain who was under the Vicar of H, Libelled in the Spiritual Court againſt him for his Salary; And preſcribed, That the Vicar ought to pay to the Chaplains 4 l. *per annum*. The Vicar prayed a Prohibition, Becauſe that Chaplain was not elected by him; and alſo becauſe the Preſcription was for a Sallary, which is tryable at the Common Law. It was Objected, That the Salary is Spiritual, as the Cure is. But notwithſtanding, the Court granted a Prohibition, till it was determined to whom the Election did of right appertain. Mich. 3 Car. C.B. The Vicar of *Halifax* Caſe, *Hetley*, 36.

19. In Action upon the Caſe brought concerning the Office of Poſt-Maſter; The Plaintiff declared, That the Office was an Ancient Office, and that there were divers Fees belonging unto it, for carrying of Letters as well from *Ireland* the parts beyond Sea; as from the parts beyond Seas to *London*. But did not Preſcribe in it, Time out of mind; for which cauſe, Exception was taken to the Declaration. But it was the Opinion of the Juſtices, That it being an Ancient Office, and that ſuch Fees did appertain to the Office, that he needed not to preſcribe in the ſame. Hill. 22 Jac. B.R. The Lord *Stanhope* and *Sequeſters* Caſe. *Latch*, 87.

20. H. had ſate in the Upper Seat of the Church during his life; his Son after his death claymed the ſame place: C. diſturbed him; and upon Complaint to the Biſhop, the Biſhop granted an Inhibition to C. till the matter was determined by him; and Excommenged him for his diſobedience to it: C. claymed the place by Preſcription, and prayed a Prohibition. It was the Opinion of the Court, That the Inhibition was well

well granted, for the ſtilling of the Diſturbance in the Church; and the Excommengement upon it, was only for the Contempt of it. But the whole Court agreed, That the Claym of a Seat in the Church by Preſcription, and the priority in ſitting in it, was tryable only at the Common-Law, and not in the Spiritual Court. And the parties afterwards agreed, That the ſon of H. ſhould keep the poſſeſſion he had till the Preſcription was determined. Paſch. 2 Car. B.R. *Hattons* Caſe, *Latch*, 116.

Preſentation, *and* Preſentment.

1. G. Preſented C. to the Church of B; To which Church J.S. alſo preſented his Clerk: by which ſeveral Preſentments the Church became Litigious. The Biſhop of Y. Ordinary of the place, awarded *Jure Patronatus*; Depending which, the ſaid Biſhop admitted B: Whereupon C. brought his Action in the Spiritual Court againſt the Biſhop, becauſe the ſaid Biſhop *plus æquo ſuæ admiſit diſt. 8. præd. jure Patronatus*; in which caſe, by the Law of the Church, the Admittance is void. The Biſhop, upon the whole matter ſhewed, prayed a Prohibition; which was granted by the Court, becauſe the right of the Patronage came in debate. Afterwards came C, and prayed a Conſultation, becauſe he *did* not meddle with the Right of Patronage, but only with the tortious Admittance. It was ſaid by the Court in this Caſe, That the awarding of the *Jure Patronatus*, is not a thing of neceſſity, but at the Will of the Ordinary for his better Inſtruction; but if he will at his peril take notice of the Right of Patronage, he may admit which of the parties he pleaſeth, without a *Jure Patronatus* awarded. And the Juſtices ſaid, That after the Awarding of the *Jure Patronatus*, and before any Verdict given upon it, it appeared, That the Biſhop was ſatisfied of the Right of the Patron in the Prohibition; and thereupon he admitted his Clerk; and the Conſultation was denyed. And if the Biſhop was deceived, it was ſaid, A *Quare Impedit* did lye againſt him. Paſch. 26 Eliz. C. B. *Gerrards* Caſe. *Leon.* 2. Part, 168.

2. In a *Quare Impedit* againſt the Arch-Biſhop of *Canterbury*, for the Church of B. in the County of B, It was Reſolved by the Juſtices, That if two have Title to preſent by Turn, and the one preſents, whoſe Clerk is Admitted, Inſtituted, and Inducted; and afterwards is deprived for Crime, as Hereſie, &c. That that Patron ſhall not preſent again; but that ſhall ſerve for his Turn. And ſo if he doth preſent a meer Lay-man, who is Admitted, Inſtituted, and Inducted, although it be declared by Sentence, That he was uncapable, and therefore void *ab initio*; yet, becauſe the Church was full till the Sentence declaratory be denounced, that ſhall ſerve for his Turn. But when the Admiſſion and Inſtitution are meerly void, it ſhall not ſerve for his Turn. As if a Preſentee be Admitted, Inſtituted, and Inducted, and hath not read the Articles, &c. according to the Statute of 13 Eliz. by which the Admiſſion, Inſtitution, and Induction are void. *See Coke* 5. Part, 102. Trin. 41 Eliz. C.B. *Wiſe* and the Arch-Biſhop of *Cant.* and *Lovedays* Caſe, *Cro.* 3. Part, 686.

3. *Quare Impedit*: The Defendant declared That L. was ſeiſed in Fee *de medietate Eccleſiæ de S. ad preſentationem ad eandem Eccl'am, quoties prima vacat. in groſſa*; And that B. was ſeiſed of the other moyety *Eccleſiæ prædict. ingroſſa.* And that L. preſented his Clerk in the firſt Turn, who was Admitted, Inſtituted, and Inducted, and afterwards the Church became void. And B. preſented in his Turn, whoſe Clerk was Admitted, Inſtituted, and Inducted, and afterwards deprived; and that the Biſhop without giving notice, Collated. And afterwards L. granted the Advowſon to J.S. in Fee, who granted it to the Plaintiff in Fee; That the Clerk collated by the Biſhop dyed, and the Defendant in the right of B. claimed the Turn, and preſented and diſturbed the Plaintiff. Upon which, it was Demurred. It was adjudged in this Caſe for the Defendant; For when L. had right to preſent, upon the Deprivation as in his Turn, (although the Collation of the Biſhop was not good) or cuſted him; yet it was but a thing in Action: and when he had granted the Advowſon over, the Grantee cannot have this thing in Action, nor the Grantor cannot have it, for he hath deſt oyed it; and ſo none can now have it. 2. Reſolved. That although this Grant is ſufficient to paſſe the Advowſon in Fee; Yet this Collation by the Biſhop is good enough againſt all but againſt the very Patron, ſo as he might have removed the Incumbent by a *Quare Impedit* but when he doth not remove him, ſo as he dyes Incumbent; this is as a ſerving of his Turn, and as a Preſentment in his Turn; and it is a good plenarty and Incumbency againſt him. Hill. 41 Eliz. C.B. *Leak* and the Biſhop of *Coventry* and *Lichfields* Caſe. *Cro.* 3. Part, 811.

4. J. S. being seised of the Mannor of B. with the Advowson appendant in Fee, presented J. D. to the Church, being void, who was Admitted, Instituted, and Inducted. Afterwards J. S. by Deed granted the next Avoidance of the same Church to A. B. C. and D. *et eorum uni, conjunctim et divisim, &c.* And afterwards the said J. S. levied a Fine of the Mannor to which, &c. to J. N. in Fee; and afterwards the Church became void by the death of J. D; and the said A. solely presented the said D, who was Admitted, Instituted, and Inducted: upon which, the said J. N. brought a *Quare Impedit*; It was the Opinion of all the Justices in C. B. in this Case, and so adjudged, That the said Writ should abate; for that they held, That the presentation of the said A. solely was good; although that D. his Presentee was one of the Grantees of the said next Avoidance. Trin. 31 H. 8. Sir *Ralph Langfords* Case. *Bendlowes*, 34.

5. Trespasse; The Case was; J. S. Tenant for life of an Advowson, the Remainder to A. in Fee, Tenant for life, presented J. D, who was Admitted, Instituted, and Inducted; but for want of Reading the Articles, the Benefice was void, by the Statute of 13 Eliz. but J. D. continued Parson during his life: J. S. dyed; The Queen after the death of J. D. reciting her Title to be by Lapse, presented C, who was Instituted and Inducted: A. in the Remainder presented J. N. who was Admitted, Instituted, & Inducted, and brought a *Quare Impedit* against C. the Incumbent of the Queen. It was in this Case adjudged for the Plaintiff, and that the Presentment of the Queen was meerly void, as if she had Presented to a Church which was full. And the Court held in this Case, That the Presentation of A. in the remainder was good; Although it was Objected, That it did appertain to the Executors of the Tenant for life to Present. Trin. 44 Eliz. B.R. *Greedit* and *Bakers* Case. *Yelverton*, 7.

6. A Lay-Patron having the next Avoydance of a Church after the death of J. S. Father of the Plaintiff, then Incumbent, after the death of the Father, Presented B. the Son of J. S; whom the Bishop refused, because by the Canon Law, *Filius Patri non potest in Ecclesia succedere*: Whereupon the Patron presented J. D; the Son of J. S. obtained a Dispensation *Non obstante* the Canon. Notwithstanding, the Ordinary Instituted J. D, and caused him to be Inducted. The Son sued J. D. and the Ordinary in the Delegates: A Prohibition was prayed, and granted by the Court. And such Prohibition, was said by the Justices, had been often granted. And in this Case, It was holden, That a Patron before Institution, may revoke his Presentation; and that if the Patron doth presente one, and the Ordinary doth admit him, but will not Institute him, that *duplex querela* lyeth against the Ordinary, for to compell him to do his duty: But if both Parsons claim from one Patron, and the one sues *duplex Querela*, that a Prohibition will not lye before Induction. Priviledg.

1. L. An Attorney of the Common Pleas, was endebted to B. in 34 l. payable at a day to come: B. was endebted to D. in 40 l; D. according to the Custome of *London*, attached in the hands of L. 34 l. to be paid him at a day in part of his debt of 40 l: L. brought a Writ of Priviledg, directed to the Mayor and Sheriffs of *London*, That every person who had cause of Action against L. *sequatur ad Communem Legem*. Upon the Return of which Writ, a *Procedendo* was prayed, and that the priviledg might not be allowed, because that the Attachment is by Custome: and if L. should have the Priviledg, then the other party should be without remedy. But it was the Opinion of the Justices. That the Priviledg should be allowed; For according to Common Law, L. owed nothing to D, but is his debtor by a Custome: and in this Case, D. who is a stranger, vexes L, who owes him nothing, having remedy against his proper debtor. And it was further said, That the Priviledg of this Court ought not to be impeached by any Custom. And the *Prejudentories* cited one *Lamberts* Case, and one *Underhills* Case, to have been adjudged in the Point, where such a Priviledg was allowed. Mich. 20 Eliz. C. B. *Lalges* Case. *Leon.* 2. Part, 156.

2. E. brought an Action of Debt against A. and his Wife, the Wife being Executrix to the debtor. The Husband came in upon the *Exigent*, and prayed his Priviledg, because he is a Servant to the Lord Keeper. But the Court was clear of Opinion, That he should not have it, because the Wife was joyned within the Action, and she can have no priviledg. Trin. 39 Eliz. B. R. *Ethwington* and *Ashtons* Case, *Noy*, 68.

3. Sir *Francis Evers* made his Wife and his Son his Executors; and Devised all his Goods: And for a breach of Trust, the Son being Attorney of the Queen there, sued the Wife in the Marches of

of *Wales*; and a Prohibition was prayed, becauſe it was not within their Inſtructions to ſue there for Legacies. But the Juſtices were againſt that, becauſe it is a breach of Truſt, for which there is not any other Remedy by Law. 2. Againſt the Prohibition, it was Objected, Becauſe the Plaintiff here, was the Queens Attorney there, and was bound to Attendance there, and therefore he ſhould have the Priviledg. But the Court ſaid, He ſhould not have the Priviledg, becauſe he ſued there as Executor. Paſch. 2 Car. B.R. Sir *Francis Ivers* Caſe, *Latch.* 199.

4. The Defendant being a Burgeſs of the Parliament, brought to the Court of Kings Bench, a Letter from the Speaker of the Parliament, for the ſtaying of their proceedings in a Suit there brought againſt him. The ſame was diſallowed of by the whole Court. And it was ſaid by them, The Defendant ought to have brought a Writ of Priviledg, and to be helped that Way. And it was ſaid by them, That the Parliament had Priviledg for the perſon, but not for the proceedings by any Letter. And in this Caſe, the Lord Chief Juſtice ſaid, That he would ſtand upon the Juſtice of the Court; and as they ſtood upon their Priviledges, ſo will We. And it was ſaid by them, That in ſome caſes, They might reſtrain the Councel of the party, or the parties themſelves, but not the Court, who is not bound to take Notice without a Special Writ. 5. King *James* was ſeiſed of the Manor of *B*, in which Manner were Copyholders. In the Manor there was a Cuſtome, That the Lord of the Manor might digg for Coles, open Cole-Mines, and make Pits for draining without Licence, and ſell them. He granted the Manor to the Queen for life for her Joynture, with the Liberty aforeſaid. She made a Leaſe to J. S. for 21. years, rendring Rent; and in the Indenture was a Proviſo, That if the Leſſee or any of his Aſſigns digg or ſearch within any Ingrounds of any Copyholders, without giving them ſatisfaction at their reaſonable content, that then the Leaſe ſhould be void: J. S. aſſigns it over to G, who digs for Coles in a great Field, in which were divers Copyhold Lands, and Freehold Lands; every one knew his own Lands, but they did not encloſe them. The Aſſignees of the Liberties, proffer reaſonable money to the Copyholders; which they refuſe. It was in this Caſe Reſolved by the Juſtices, That theſe grounds of the Copyholders were Ingrounds, although they were not incloſed: But, What remedy the Aſſignee had againſt them, was the Queſtion? Which was not Reſolved. It was put as a Quere in this Caſe, 1. If this Liberty could be granted over? And, 2. If the Leſſee for years of the Manor might uſe this Liberty to digg and open Mines in the Lands of the Copyholders? Which was not Reſolved. Hill. 2 Car. in the Dutchy-Chamber, *Goodrick* and *Gaſcoignes* Caſe, *Latch*, 189.

Prohibition.

1. NOte; It was Reſolved by all the Juſtices, as well of the Kings Bench, as of the Common-Pleas, That if a man by his laſt Will and Teſtament gives a Legacy to another of 20 l. &c. to take the ſame out of the Profits and Revenues of his Lands, &c. and deviſeth his Lands to his Executors for a Term, to levy the ſaid Sum of his Lands, and to pay it to the Deviſee; and the Executors levy the Sum after the death of the Deviſor, and doth not pay the ſame to the Deviſee, for which he impleads them in the Spiritual Court; that in this Caſe the Executors ſhall have a Prohibition, becauſe the Legacy comes of the Profits of the Lands which is a Temporal thing, and not Teſtamentary; and ſo it is if the Deviſee is, That his Executors ſhall ſell the Land, and that the monies ariſing by the Sale thereof, ſhall be deviſed between his Daughters; they ſell the Land for money, and do not diſtribute the mony according to the Will, but the Daughters ſue them in the Spiritual Court for the ſame; they ſhall have a Prohibition, becauſe the money comes of the Land which is not Teſtamentary. Mich. 4 & 5 Mar. *Paſchal* and *Kettniches* Caſe. *Bendlowes* 21.

2. The Caſe where a Prohibition was prayed to the Court of Admiralty, was this: The Defendant ſued in the Admiralty, for the moyety of a Ship, and Prize taken by them upon Letters of Reprizal: For that the Civil Law is, That if two Ships meet at Sea together, although they do not go forth as Conſorts, and the one Ship in the preſence of the other takes a Ship with Goods in it, the other Ship which was preſent ſhall have the moyety, or half of the Ship and Goods taken; for although he did not take the Ship, yet the preſence thereof there at the time of the taking, was a Terrour to the other Ship which was taken, *ſine qua* the other Ship could not be ſo taken: And the Plaintiff did ſurmiſe, That after they were arrived in *England*, that they did agree amongſt themſelves, That the Plaintiff ſhould have four parts of the Ship and Goods ſo taken, and the other Ship the other fifth part: And this, he ſaid, he had plea-

ded in the Admiral Court, and they would not allow of the Plea, and upon that a Prohibition was granted. Afterwards it was moved on the other ſide, That the Court ſhould allow of the Plea; and thereupon a Conditionall Conſultation was granted, ſo that the Court there allow that Plea, and try it there; but if they allow it not, then they ſhould encurr the Contempt of this Court, and the party ſhould have a Prohibition. Mich. 32 Eliz. *Somers* and Sir *Richard Buckleys* Caſe, *Lou.* 2. Part, 181.

3. A prohibition was prayed and ſurmiſed, That the Defendant ſued him, being an Executor, in the Spiritual Court for a Legacy, whereas the Plaintiff had a Releaſe, but had only one Witneſs to prove it: In this Caſe, the Court refuſed to grant a Prohibition, but a Conſultation was awarded. But the Court ſaid, That if he had ſurmiſed, That he had pleaded the Releaſe in the Spiritual Court, and produced his Witneſs, and that they would not allow of it, becauſe he had not two Witneſſes; that had been a good ſurmiſe to ground a Prohibition: And the Court ſaid in this Caſe, That the Plaintiff was at no miſchief, for that he may have a Prohibition after a Sentence given in that Court. Hill. 30 Eliz. B. R. *Bynal* and *Stokes* Caſe. *Cro.* 3. Part, 88.

4. The Parties were at Suit in the Spiritual Court for Incontinency, and the Judges there would have Examined them upon their Oaths, if they did it not: But becauſe in ſuch Caſes of Defamation *Nemo tenetur ſeipſum prodere*, and they are not examinable but only in Cauſes Teſtamentary and Matrimonial, where no diſceit can be to the party by his Oath: Upon a motion made to the Court, a Prohibition was granted to the Spiritual Court in that Caſe. Mich. 33 B. R. *Cullier* and *Culliers* Caſe. *Cro.* 3. Part, 201.

5. Prohibition upon a Suit for Tythes of Corn, Wool, and Calves: For the Corn, the Suggeſtion was, That they had uſed in the pariſh to pay the Tenth Sheaf in ſatisfaction of all Tythes of Corn to the Parſon, and that they ſet them out, and the Parſon had them; and this Plea they offered in the Spiritual Court, who would not allow it. It was the Opinion of the Court, the ſame was a good ſurmiſe for a Prohibition. For the Calves they ſuggeſted, that they uſed to pay within the ſaid Pariſh, *viz.* For the Milk of every Cow, 2. And the proof was, there was ſuch an Uſuage for all the Lands except five Farmes; this was ſaid to be a failer of the Preſcription, becauſe perhaps thoſe Lands were part of the 5 Farms excepted; and therefore for the Calves, Conſultation was granted. Mich. 33 Eliz. C. B. *Rewel* and *Shortwrights* Caſe. *Cro.* 3. Part, 206.

6. Prohibition for ſuing [for Tythes, was prayed; For that he pleaded in the Spirituall Court, That the party who ſued there, was not lawful Incumbent, but one J. S, which Plea they would not allow the Pariſhioner to plead to the right of the Incumbency; and a Prohibition was granted by the Court. For the Court ſaid, That he being Tenant of the Land, might plead it, or elſe he might be twice charged for his Tythes. Paſch. 33 Eliz. B. R. *Grees* and *Penildins* Caſe. *Cro.* 3. Part, 228.

7. Prohibition, and ſurmiſed, That the Defendant being the Proprietor of the Parſonage of S, and ſued one C. in the Spiritual Court for Tythes of certain Lands in the Pariſh of S: The Plaintiff being Parſon of H. in the ſame County, came and *pro Intereſſe ſuo* alledged, That here is a Cuſtom within the ſaid Pariſh of S, That the Parſon of H. ſhould have 13 Cheeſes for the Tythes of theſe Lands in S; and that in Recompence thereof the Parſon of S. had 13 Cheeſes for the Tythes of ſuch Lands in H; and upon this matter he prayed a Prohibition, ſhewing, that he had pleaded this matter in the Spiritual Court, and it would not be received. It was Objected againſt it, that it is prayed by one who is not ſued; and it is not reaſon that he ſhould ſtay the Suit of a Stranger, alſo the Right of Tythes is to come in debate. But it was the Opinion of the Court, That the Right of the Tythes doth not come in debate, but a *Modus Decimandi*, and ſo tryable here. And ſecondly, That which the Pariſhioner may plead, he who came in *pro Intereſſe ſuo* may plead: But the Court was clear of Opinion, That if the Right of the Tythes did come in debate, the ſame was only Tryable in the Spiritual Court. Mich. 34 Eliz. C. B. *Dallingham* and *Rytelys* Caſe. *Cro.* 3. Part, 251.

8. Prohibition upon a Suit for Tythes in the Spiritual Court, the Party grounded his Prohibition upon the Statute of 31 Eliz. ſuppoſing that the Party had Committed Simony in coming to the Parſonage, and thereby the Church was void, and the Tythes not belonging to him: But the Court denyed the Prohibition, for that the Simony might aptly be tryed in the Spiritual Court. Mich. 40 Eliz. C. B. *Riesby* and *Wentworths* Caſe. *Cro.* 3. Part, 642.

9. If Leſſee for years be ſued in the Spiritual Court for Tythes, he in the Reverſion may have a Prohibition. Paſch. 29 Eliz. B.R. *Love* and *Piggots* Caſe, *Cro.* 3. Part, 55.

10. Suit for Tythes in N. by the Parſon; A Surmiſe was, That the Defendant was Inhabitant in S; and that time out of mind every Inhabitant of S. that had Lands in N. had paid Tythes for them to the Vicar of S. and a Prohibition granted. Trin. 31 Eliz. B.R. *Coleford* and *Peaſe* Caſe, *Cro.* 3. Part, 136.

11. Upon

11. Upon a Suit in the Spiritual Court, for Tythes of Green Tares eaten by their Cattel; A Prohibition was granted upon a ſurmiſe, That the Tares were given to their Cattel, for that they had not ſufficient Meadow and Paſture within the Pariſh for their Draught-Cattel. For it was holden by the Court, To be a good ſurmiſe to ground a Prohibition. Mich. 31 Eliz. B. R. *Perry* and *Sumes* Caſe. *Cro.* 3. Part, 139.

12. An Agreement was betwixt a Pariſhioner and the Parſon, That in Conſideration of 20 s. paid, he ſhould hold the Lands diſcharged of Tythes during the life of the Parſon. It was holden by the Court, To be no good ſurmiſe for to ground a Prohibition upon it, for that a Grant of Tythes cannot be without a Deed. Trin. 32 Eliz. B. R. *Bagg* and *Woodwas* Caſe. *Cro.* 3. Part, 188.

13. Two Incumbents were of one Church, one ſued the other for to deprive him for not Reading of the Articles, and giving his aſſent to them according to the Statute of 13 Eliz. The Jury found, That he gave his aſſent to them, for ſo much as they agree with the Word of God. It was agreed in this Caſe, That it was not ſuch an aſſented aſſent as the Statute intended; and ſo a Prohibition did not lye upon it. Mich. 34 Eliz. B. R. *Smith* and *Clarkes* Caſe. *Cro.* 3. Part, 252.

14. If One anſwereth to a Suit in the Spiritual Court, and ſufferth a Sentence there to paſs againſt him, he ſhall never have a Prohibition in that Caſe. Mich. 40 Eliz. C. B. *Sancret* and *Mathews* Caſe. *Cro.* 3. Part, 595.

15. A Pariſhioner ſecreth forth his Tythes, and afterwards he ſecretly takes them away again, the Parſon may ſue for them in the Eccleſiaſtical Court; and No Prohibition lyeth in ſuch Caſe. Paſch. 40 Eliz. B.R. *Leigh* and *Woods* Caſe. *Cro* 3. Part, 607.

16. A man by his Will deviſed 20 l. to his Daughter, the Defendant entred into a Bond of 40 l. to the Daughter, for the payment of it according to the Will: She took Husband, who ſued for it in the Spiritual Court as for a Legacy, the Executor pleaded payment according to the Bond, which Plea the Spiritual Judge would not allow there. It was the Opinion of the Juſtices, That it was a good ſurmiſe; and that a Prohibition ſhould be awarded for the Executor, by entring of his Bond to the Daughter, for the payment of the mony, the Legacy was thereby extinct; and the ſame had made the 20 l. deviſed a meer Debt at the Common Law. Mich. 1 Jac. B. R. *Goodman* and *Goodwins* Caſe. *Rep.* 38.

17. A Suit was in the Spiritual Court for Tythe-Lamb and Wooll, and for Paſturing of Sheep in ſuch a Cloſe. The Plaintiff prayed a *Prohibition*, and ſuggeſted, That the place where had always paid 10 s. in diſcharge of all Tythes of Wooll and Lamb, It was moved for a Conſultation, Becauſe the ſame Suggeſtion had been made before in four ſeveral Prohibitions in the ſame Caſe, and the ſame manner of Tything; and always a Conſultation had been granted. Yet the Court was of Opinion, That the ſame being only for want of proof, and not upon the right or tryal of the Cuſtome; and alſo being for Tythes of an year which was not in demand before. The Court held it to be a good Suggeſtion; and a Prohibition was awarded. Mich. 5 Jac. B. R. *Cox* and *Scimors* Caſe. *Yelverton*, 104.

18. C. ſued for a Prohibition in C. B. againſt H. Parſon of D, and Suggeſted a *Modus Decimandi*, as to part of the Tythes demanded in the Spiritual Court; and to the reſt, Suggeſted a Contract executed betwixt the Parſon and him in ſatisfaction: and becauſe he did not prove his Suggeſtion within 6. moneths, the Parſon had a Conſultation, and Coſts were aſſeſſed 40 s; whereas in truth there was no Judgment given for to recover them (the words *Ideo Conſideratum quod recuperet*, being omitted); Yet the Parſon thinking, that all had been well, brought debt in C.B. for the Coſts; and declared upon the whole matter: Upon which it was adjudged, *Quod recuperet*: C. brought Error, as well in the Record and proceedings in the Prohibition, as in the Debt for the Coſts; becauſe there was not any Judgment in the Prohibition to recover the Coſts, for that the Aſſeſſment of them was only the Office of the Court, but no Judgment of the Court to bind. 2. That no Coſts in this Caſe ought to have been aſſeſſed, becauſe the Prohibition was grounded as well upon the *Modus Decimandi*, as upon the Contract of the parties, which needed no proof; and the Suggeſtion being entire, and part needing no proof, they ought not to have Aſſeſſed Coſts at all. Both Judgments were reverſed by the Court for the Errors aforeſaid. Hil. 5 Jac. B. R. *Cobb* and *Hunts* Caſe. *Yelverton*, 119.

19. In a Prohibition, the Caſe was: A. and B, Church-wardens of D, in the County of L. libelled againſt the Plaintiff, before the Biſhop of C, for a Tax aſſeſſed upon the Plaintiff, for not repairing the Church. The Plaintiff had a Sentence there, the Church-wardens appealed to the Metropolitan of *York*; pendant the Appeal, B. one of the Church-wardens, releaſed to the Plaintiff all Actions, Suits, and Demands. Afterwards A. in his own name, and in the name of B. ſued to reverſe the Sentence given at C, and proſecuted the Appeal: Upon which S. the Plaintiff brought a

Prohibition,

Prohibition, ſuppoſing the Releaſe had diſcharged the Appeal; upon which A. appeared and demurred in Law, but B. made default. It was the Opinion of the whole Court, That the Prohibition did not lye upon the Suggeſtion; becauſe the Temporal Court had not to do with the Tax, becauſe the ſame was Spiritual, and meerly to be determined in the Eccleſiaſtical Court. 2. Becauſe the Suit for the Tax was in the behalf of the Pariſh; and was maintained at their charges, and the coſts were to go to the Pariſh, and therefore the Releaſe of the Guardiers was not good, and a Conſultation was awarded. Hill. 7 Jac. B. R. *Starkeys* and *Baron* and *Geres* Caſe. *Yelv.* 173.

20. A. libelled againſt B. before the High Commiſſioners for an Aſſault made upon him being a Spiritual Perſon. It was moved for a Prohibition, becauſe it was not within the Statute of 1 Eliz. which giveth them Juriſdiction, though it was within their Commiſſion: It was Objected, That the Suit there was *pro reformatione morum*, which they have power of by their Commiſſion. But it was Reſolved by the whole Court, That the High Commiſſioners cannot meddle for a Stroke in the Church-yard, *nec pro ſubſtractione Decimarum*; and yet they have an expreſſe Authority by their Commiſſion ſo to do: for by that courſe, all the Ordinaires of *England* ſhould be to no purpoſe: Wherefore in the principal Caſe, upon much debate, a Prohibition was awarded. 21. T. a Parſon libelled in the Spirituall Court, for dilapidations againſt the Executors of his Predeceſſors: It was moved for a Prohibition, for that he is not Incumbent; for his Preſentment was by the King, *ratione minoris ætatis* of one C, and the King had not any Title to Preſent; for where the King miſtakes his Preſentment, it is void: But the Court denyed to Grant a Prohibition, becauſe he is now Incumbent, and the Judges would not take Notice of the ill Preſentment of the King. But in Caſe of Simony, the Statute makes the Church void, and then the Judges may take Notice of that, and grant a Prohibition, if the Parſon ſues for Tythes. But if a *Quare Impedit* be brought, and it appears, that the King had not any Cauſe of Preſentment: It was the Opinion of all the Juſtices, That a Prohibition might be granted. Mich. 3 Car. C. B. *Thomſons* Caſe. *Hetly*, 51.

22. J. libelled againſt H, Vicar of N, in the High Commiſſion Court at Y; becauſe he was non-Reſident, and lived at D, and neglected to ſerve his Cure. For that divers times when the High Court viſited, he ſpoke ſo loud, that he was offenſive to many; and being reproved for that, he gave a ſcorntul Anſwer, That where one W. in the Pariſh had a Seat in the Church, That the Vicar would ſpit in abundance in the Seat, when W. and his Wife were there. That in Divine Service, He thruſt open W. Seat, and ſaid, *That he and his wife would ſit there in diſturbance of Divine Service*: A Prohibition in this Caſe was prayed, and was granted by the Court; For they ſaid, *The High Commiſſioners cannot puniſh Non-Reſidence, nor breaking of the Seat in Divine Service*; And that for the other matters, upon Complaint made, he might be bound to the good behaviour. Trin. 4 Car. C. B. *Howſons* Caſe. *Hetly*, 104.

23. A. lived apart from his Wife; upon a Petition of the Wife to the Juſtices of Aſſize, they referred it to the Biſhop of *Bangor*; who ordered, he ſhould pay to his Wife 10 l. *per annum*, which was confirmed by Decree in the Councel of the Marches of *Wales*. A. diſobeyed the Decree, and did not pay the 10 l. *per annum*; the Councel ſent a Meſſenger to apprehend him, and cauſed his Goods and the profits of his Lands to be ſequeſtred. A Prohibition was prayed, and granted by the Court; For the Sequeſtration of the Lands they could not do that, and they have no power to ſell the Goods; and the Eccleſiaſtical Court is the proper Court for Alimony: And if the perſon will not obey that Court, they have power only for to Excommunicate him, and a Prohibition was granted. Mich. 3 Car. C. B. *John Owens* Caſe. *Hetly* 69.

24. Note by the Juſtices, That by the Courſe of the Court, A Prohibition ſhall never be granted the laſt day of the Term, nor any motion ought to be made for it. But the Court ſaid, That upon a motion made the laſt day of the Term, a Rule might be made for ſtaying of Proceedings till the next Term. Paſch. 1 Car. B. R. *Latch*, 7.

25 Note. It was ſaid by the Court, That it is the uſual Courſe in the Admiralty, to allege in the Libell, and ſurmiſe a Contract to be made *ſuper altum Mare*. But in ſuch Caſe, If the ſurmiſe be not true, a Prohibition ſhall be granted. And in this Caſe it was ſaid, That if a Ship lies at Anchor and wants Victuals; and ſends to J. S. at Land to ſend Victuals: and then the Contract is made in the Ship; then it is a Contract made upon the Sea, and it ſhall be tryed in the Court of Admiralty; but contrary if the Contract be wholly made upon the Land, and the Victuals be after put into the Ship. Hill. 1. Ca. B. R. *Godfreys* Caſe. *Latch* 11.

26 An Executor of an Executor was ſheued for a Legacy in the Spiritual Court; And he pleaded, That he had no Aſſets, which Plea was refuſed by the Spiritual Court. Wherefore a Prohibition was granted out of the Kings Bench in the time of the late King: It was the Opinion of the Court

Court, that by the Demiſe of the King it was diſcontinued: And in this Caſe, The Court took a difference between Prohibitions granted out of the Common Pleas, and granted out of the Kings Bench: Out of the Common Pleas a Prohibition ſhall not be granted, without a Suggeſtion upon Record, becauſe it is there the Suit of the party, But out of the Kings Bench it may be granted without any Suggeſtion upon Record; Alſo, when a Prohibition iſſueth out of the Kings Bench if there be no other proceſs depending there, it is diſcontinued by the Demiſe of the King: But if an Attachment iſſueth, and is returned: Or if the party appeareth and putteth in Bail, then it is become the Suit of the party, and then it is not diſcontinued by the Demiſe of the King. Paſc. 2 Car. B. R. *Watkins* Caſe. *Latch* 114.

27 An Adminiſtrator accompted before the Ordinary. A Creditor took Exceptions to the Accompt, He proved his Accompt by one Witneſs, which the Court there would not allow of. And for this cauſe, a Prohibition was awarded. And in this caſe it was ſaid by the Juſtices, That the Ordinary ought not to hold Plea upon Accompt, nor could do any thing in it, nor try payment or not payment, nor adminiſter Interrogatories to Witneſſes; but they muſt take the accompt ſo as it is offered unto him. Paſc. 2 Car. B. R. *Bellamy* and *Alders* Caſe. *Latch*. 117.

28 A man was ſued out of his Dioces, *ſcil.* in the Arches, and thereupon had a Prohibition. It was moved for a Conſultation, becauſe the Inferior Court had remitted their Juriſdiction to a Superior Court. The Court denyed to grant the Conſultation; but ſaid, That that matter ought to be pleaded upon the Prohibition. Trin. 2 Car. B. R. *Latch* 180.

29 A brought a *Quare Impedit* againſt B. and depending that, B. was Inſtituted and Inducted into the Church; A. ſued B. in the Spiritual Court to remove him; and becauſe the Suit there was after Induction, the Court Granted a Prohibition; Trin. 20 Jac. B. R. *Oliver* and *Hoſſies* Caſe. *Latch* 205.

30. Articles were exhibited before the Commiſſioners Eccleſiaſtical againſt Dr. *Sutton* becauſe he was a Divine, and having a Benefice with Cure, & never brought up in the Science of the Civil or Canon Law, nor having the knowledg of them, took upon him the Office of Chancellor of the Biſhop of *Glouceſter* againſt divers Eccleſiaſtical Canons and Conſultations and directions from the King, That none ſhould be admitted to the Office of a Chancellor of the Biſhop, unleſs he was learned in the Civil and Canon Laws. He being examined, confeſſed himſelf to be a Divine, and that he had a Benefice. But ſhewed, That the ſaid Office was granted to him by ſuch a Biſhop of *Glouceſter* for life, which Grant was confirmed by the Dean and Chapter; and therefore he prayed a Prohibition. But it was denyed by the Court to be granted: For if he be a perſon unskilfull in thoſe Laws, and by Law ought not to enjoy it, they may examine that there: For although a Lay perſon by his Admiſſion and Inſtitution to a Benefice, hath a Freehold: Yet he may be ſued in the Spiritual Court to be deprived, and for that cauſe the Prohibition was denyed. But it was ſaid by the Juſtices, That if the Suit were brought in the Spiritual Court for the profits of the Office of Chancellor; Or if they would there deprive a man for a Temporal cauſe; as in the Caſe of Dr. *Barker*, pretending that the Grant of the Predeceſſor-Biſhop did not bind the Succeſſor; there in that Caſe, becauſe we may try it, a Prohibition will lye, but in the principal Caſe we cannot try the ſufficiency of the Doctor for the Execution of the ſaid Office; and therefore we cannot Grant a Prohibition in this Caſe. Trin. 2 Car. B. R. Dr. *Suttons* Caſe. *Latch*. 228, 229.

31. The ſurmiſe to have a Prohibition to the Spiritual Court was, That the Inhabitants of D. of which he is an Inhabitant, have paid a *Modus Decimandi*. Upon which they were at Iſſue. It was proved only, That he himſelf had paid it, and yet it was holden good, and no Conſultation could be obtained; for every particular is included in the general, and proved by it. 2. It was agreed in this Caſe, That where the Statute appoints proof of the ſurmiſe to be by two, It was ſaid to be ſufficient, if two affirm that they have known it to be ſo, or that the common fame is ſo. Mich. 15 Jac. C. B. *Noy* 28.

32. W. ſued P. in the Spiritual Court for not ſetting out of the Tythes of two Acres: P. prayed a Prohibition, for that a party unknown had taken them, he having ſet out the Tythes of one Acre in *ſpecie*: And for the other, he ſuggeſted a *Modus Decimandi*. And upon that, Iſſue was joyned, and the Witneſſes ſaid, That for a long time they had heard ſay, The Occupiers of that Farm, whereof the Acre, &c. had uſed to pay yearly to the Parſon 3 s. for all Tythes. In this Caſe, it was agreed by the Court, That for the firſt, a Prohibition ſhould ſtand: For after the Tythes are ſevered, If a ſtranger takes them away, the Parſon hath his remedy againſt him at the Common Law, and ſhall not ſue the Pariſhioner in the Spiritual Court for the ſame. For the ſecond, it was agreed, That a Proof by hear-ſay, was good enough to maintain the ſurmiſe within the Statute of 2 E. 6. Paſc. 43 Eliz. B. R. *Wilde* and *Potts* Caſe. *Noy* 44.

33. A Prohibition was prayed to the Spiritual Court upon a ſuggeſtion, That he was ſued there for a Legacy given to the Wife, where he pleaded a Releaſe to the Husband. They appear, and the Wife ſaid, ſhe ſued a Divorce *à Menſa et Thoro* for the Adultery of the Husband before that he made that Releaſe. Yet it was the Opinion of the Court, That that Releaſe did bind the Wife, for that doth not diſſolve the Marriage *à vinculo Matrimonii*. But yet afterwards, upon hearing Arguments of the Civilians, *Popham* ſaid, That a Conſultation ſhould be granted (ſo as they in the Spiritual Court do admit that plea): And then the Doctor of the Civil Law ſaid, It is clear that the Wife there ſhould recover. Trin. 42 Eliz. B. R. *Stephens* and *Totty's* Caſe. *Noy* 45.

34. A. Libelled in the Spiritual Court for the Tythes of Pilchards taken in the Sea. The party had a Prohibition upon a ſurmiſe, That the Cuſtome there is, That the Owner of the Fiſher-boat hath one moyety of the Fiſhes, and the Fiſherman the other moyety, and that the Owner had uſed to pay the 10th of his moyety in diſcharge of all Tythes. It was in that Caſe holden by the Court to be a good ſurmiſe: For by the Common Law the Parſon cannot have the Tythe of Fiſhes taken in the Sea, becauſe it is not within any Pariſh: and then when the Parſon by the Cuſtome ought to have the Tythes of them, he ought to take them according to the Cuſtome: And it was holden, That the 10th of the moyety might be a good diſcharge of the whole by the Cuſtome. Hill. 1 Car. B. R. *Holland* and *Heales* Caſe. *Noy* 108.

35. Note, It was Ruled in full Court, That if a Sentence be given in the Spiritual Court, and Coſts be taxed; and the Defendant brings an Appeal: yet if the Suit did not appertain Originally, or properly unto them, as if it was for Tythes of Trees ſpent in fewel: A Prohibition ſhall be awarded as well to the Coſts, as to the Principal Suit. Notwithſtanding that the Statute of 32 H. 8. cap. 7. ſayes, That the Eccleſiaſtical Judg ſhall compel the Appellant forthwith to pay Coſts: For that is to be taken when the Caſe properly appertains to the Spiritual Court. Paſc. 8 Jac. C. B. *Noy* 137.

36. The Vicar of A. libelled ſeverally againſt the Plaintiffs in the Spiritual Court for ſmaller Tythes, and alſo for Herbage, Wood, &c. The Plaintiffs joyned in a Prohibition, and ſurmiſed for all (but the ſmall Tythes) a Cuſtome of Tything. It was the Opinion of the Court, That one Prohibition could not be brought in both their names, becauſe the Suit being for ſeveral Tythes, they could not joyn in one Prohibition; For the vexation of the one did not extend to the other. Yet in that Caſe the Court would not Grant a Conſultation, becauſe the matter being upon a Cuſtome tryable at the Common Law, the Spiritual Court had no Juriſdiction of it. Trin. 6 Jac. B. R. *Burges* and *Dixon* and *Aſhtons* Caſe. *Yelverton* 129.

Property.

THe Caſe was: C. was endebted to A. by Obligation, and afterwards ſhe delivered to J. S. certain Hogſheads of Wine to ſatisfy A. *de debito prædict.* Afterwards the Obligation was aſſigned to the Queen, for the Debt of A; and If the property of the ſaid Hogſheads of Wine were allowed by the delivery of them to J. S. before the Aſſignment, was the Queſtion. It was Objected, It was not allowed; for the Baylor might have an Action of Accompt againſt J. S, before he hath delivered them over according to the Bailment; but if he hath delivered them over, the ſame is a good Barr in an Accompt. But in the principal Caſe, It was, That C. was Executrix to her Husband, who was endebted to A; and ſhe delivered the Goods to J. S, to ſatisfy A, and all before the Aſſignment; and then the property of the Goods is altred: For as this Caſe was, J. S. was ſurety for C, and had a Counterbond of C. to ſave him harmleſs. It was ſaid in this Caſe, If I borrow money, and deliver Plate for the ſecurity of it, the general property is in Me; yet the Baylee hath a ſpecial Intereſt in it till the money be paid: And in this Caſe, It was ſaid, That J. S. might by virtue of the Baylment ſell the Goods, and with the money pay the Debt to A: Afterwards it was adjudged, That the property of the Goods was altred. Mich. 31 Eliz. Exchequer, *Clarks* Caſe. *Leon.* 2. Part, 30, 21, & 38.

2. A. being Defendant, in Debt at the Suit of J. S, a *Scire Facias* iſſued to the Sheriff to levy the Debt for J. S; the Sheriff by virtue thereof ſeiſed the Goods, but did not return the Writ. Afterwards the Sheriff was diſcharged, and a new Sheriff made; the old Sheriff after his Diſcharge ſold the Goods to the Defendant, againſt whom the Plaintiff brought Trover and Converſion. In this Caſe, It was adjudged for the Plaintiff; For the ſale made by the old Sheriff after his Diſcharge, was void, for his Authority ceaſed with his Office: And it was holden in this Caſe, That by the Seiſure of the Goods by the Sheriff, the property of the

the goods was not altered; for the ſeizure is not any Execution, but the beginning of it, and the Sheriff after ſuch a ſeizure ought to have retorned the Writ *in tanto*, and could not deliver them in the Countrey to the party. Hill. 1 Jac. B. R. *Ayer* and *Adens* Caſe. *Yelv.* 45.

3. Treſpaſs for breaking his Cloſe called B. in L. and taking of two Conyes. The Defendant as to all but the Entry, pleaded Not Guilty: And as to that, he juſtified, That he had Common in the ſaid Cloſe, and that he had five Cowes ready to put upon the Common to uſe his Common; and becauſe many Coneyes were the ſpoyling the Common; in preſervation of his Common he entred to drive away and kill the Coneyes: Upon which Plea the Plaintiff demurred. It was adjudged in this Caſe, That the Juſtification was not good; For the Commoner may not enter and chaſe and kill the Coneyes; for although the Owner of the ſoil hath not a property in the Coneyes: Yet as long as they are in his Land, he hath a poſſeſſion of them, which is good againſt the Commoner. Alſo Coneyes are matter of profit to the Owner of the ſoil for houſe keeping; therefore becauſe it appeared, That the cauſe of Entry was to chaſe and kill, which acts were unlawful as to the Lord the Plaintiff; for that cauſe the Court held, That the Juſtification was not good. Mich. 5 Jac. B. R. Sir *Chriſtopher Hoddeſton* and *Griffith's* Caſe. *Yelv.* 104.

4. Trover and Converſion of a Gelding: The Caſe was, One A. had ſtolen the Gelding from the Plaintiff, and ſold him to the Defendant in open Market by the name of B. It was entred in the Toll Book, That B. ſold him. The Queſtion was, If this alteration of his name ſhould alter the property, although that the ſale was in open Market. It was the Opinion of the Juſtices in this Caſe, That this was no good ſale to bar the Plaintiff; and they grounded their Opinions upon the Statute of 2 and 3 *Phil.* and *Mar.* cap. 7. which provides, That no property of ſtolen goods ſhall be altered unleſs the Name and Sir-name of the party be written in the Toll Book: And it was the Opinion of the Juſtices, That the Gelding ſhould be in the Market and walked there for an hour together, otherwiſe the property is not altered. Mich. 30 El. B. R. *Gibbs* and *Baſtitts* Caſe. *Owen* 27.

Proviſo.

1. *Feoffione firme*, the Caſe was; A. made a Leaſe to B. C. and D. by Indenture, To have and hold to them for the Term of their lives, Proviſo, and it is Covenanted and Granted between them, That the ſecond ſhall not occupy the Land during the life of the firſt; and the third ſhall not occupy during the life of the ſecond; the firſt occupied all, and dyed, the third entred and made the Leaſe. It was ſaid in this Caſe, and ſo after adjudged, That by the Premiſes of the Deed, the parties to whom and the Land Demiſed being expreſſed; and in the *Habendum* the Eſtate being limited, as the Office of the *Habendum* is, the Proviſo that commeth after ſhall not avoid it; and therefore it was adjudged, That it was a joynt Eſtate, and that the Proviſo ſhould not ſever it. It was adjudged for the Plaintiff. Mich. 31 Eliz. B. R. *Stovell* and *Cabells* Caſe. *Cro.* 3. Part, 89, & 107.

2. *Ejectione firme*: A. let the Land to B. for years: Provided always, and it is further Covenanted, That the Leſſee ſhall not aſſign his Term to any other, Except to the Leſſor, paying as much as another; and if the Leſſor will not have it, then he may allien it to none except his Mother, or his Son. The Leſſee alliened it to his Mother; the Leſſor entred and let it to the Plaintiff. The Queſtion in the Caſe was, If the words were a Condition, or a Covenant only: All the Judges held, That it was a good Condition to defeat the Eſtate; and it was ſaid, That the word Proviſo always imployeth a Condition, if there be not words ſubſequent which may peradventure change it into a Covenant: Wherefore it was adjudged, That the entry of the Plaintiff was lawful. Mich. 33 Eliz. B. R. *Simpſon* and *Titterell's* Caſe. *Cro.* 3. Part, 242.

3. The Caſe was, A. makes a Leaſe to B. for life; and further Grants unto him, That it ſhall be lawfull for him to take Fewel upon the Premiſes. Proviſo, That he do not cut any great Trees. It was holden by the whole Court in this Caſe, That if the Leſſee cutteth any great Trees, he ſhall be puniſhed in Waſte; but in ſuch Caſe the Leſſor ſhall not re-enter, becauſe that Proviſo is not a Condition, but only a Declaration and Expoſition of the Extent of the Grant of the Leſſor in that behalf. It was then alſo holden by the

Court, That Leſſee for life, or for years by the Common Law, cannot take fewel but of Buſhes and ſmall Wood, and not of Timber Trees. But if the Leſſor in his Leaſe granteth Fire-bote expreſly, if the Leſſee cannot have ſufficient fewell, as above, &c. he may take great Trees. Mich. 14 Eliz. C. B. *Leon.* 3. Part, 16.

4. *Ejectione firme*, the Caſe was; A. let Lands for years, rendring 50 s. rent at the four Feaſts, *viz. Mich. &c.* Proviſo, That if the Rent be behind by the ſpace of a year after the day of payment, it being lawfully demanded, and no diſtreſs to be found there *per tempus prædict.* he might reenter. The Rent was arrear for a year; The Jury found a demand, and that there was no Diſtreſs upon the laſt day of the year upon the Premiſes, and that the Leſſor entred, and let to the Plaintiff. It was adjudged in this Caſe for the Defendant, That the Condition was not broken if there be a Diſtreſs at any time of the year; and a Condition ſhall be taken moſt favourable for the Leſſee. Trin. 42 Eliz. B. R. *Grigg* and *Meyſes* Caſe. *Cro.* 3. Part, 764.

Quare Impedit.

1. *Quare Impedit* againſt the Biſhop of H. and others. The Plaintiff counted, That J. S. was ſeiſed of the Advowſon in groſs, and granted the ſame to the Plaintiff and others, to the uſe of himſelf for life, and after to the uſe of R. S. his Son, in tail. Proviſo, That if the ſaid J. S. dyed, his Heir being within the age of 23 years, That then the Grantees and their Heirs ſhould be ſeiſed to themſelves and their Heirs untill the ſaid R. S. ſhould have accompliſhed the ſaid age. J. S. dyed, R. S. being but of the age of 14 years, by force of which the Grantees were poſſeſſed of the ſaid Advowſon, and afterwards the Church became void, and ſo it appertained to them to preſent. Exception was taken to the Count, becauſe the Plaintiff had not averred the life of R. S. upon whoſe life the Intereſt of the Plaintiff did depend. But to that it was ſaid, That the Count was good enough; for although the life of R. S. be not expreſly averred, yet ſuch an averment is ſtrongly implyed for the Count is *Quod dict. J. S. obiit dict. die R. S.* being of the age of 14 years *et non amplius*, by force of which the Plaintiff was poſſeſſed of the ſaid Advowſon; *qui quidem ſic poſſeſſionatus.* the Church became void, and poſſeſſed he could not be if that the ſaid R. S. had then bin alive. And in this Caſe it was holden by the Juſtices, That there was an Intereſt in the Grantees determinable upon the death of R. S. within the Term, for that if R. S. dyeth within the Term, the Remainder is limited over to a ſtranger. Mic. 29 Eliz. C. B. *Baſkerville* and the Biſhop of *Herefords* Caſe, *Leon.* 2. Part, 50.

2. *Quare Impedit*, the Caſe was; J. S. being Parſon or the Rectory of S. of the value of 10 l. took the Church of R. without any Diſpenſation, and was Inducted, and ſo continued 12 years. B. Preſented J. D. who was Inſtituted and Inducted, and ſo continued divers years, and dyed; The Queen Preſented C. the Defendant *ratione Lapſus* in the time of J. S. who was Inſtituted and Inducted. B. the Plaintiff brought a *Quare Impedit* againſt the Biſhop and C. and in that Caſe it was adjudged, That the Writ did lye, for that *Tempus occurrit Regi*; and Judgment was given, That C. the Defendant ſhould be removed. Afterwards another Queſtion did ariſe between the ſame parties. B. depending the *Quare Impedit*, was Outlawed at the Suit of J. N. and being Outlawed, and Judgment being given for him in the *Quare Impedit* (as before), the Defendant C. reſigned and took a new Preſentation from the Queen by reaſon of the Outlawry, and was Inſtituted and Inducted. B. reverſed the Outlawry, and afterwards brought a *Scire facias* to have Execution of the Judgment. C. pleaded this Preſentation by reaſon of the Outlawry, and demanded Judgment if Action, for the Preſentation was veſted in the Queen, and executed before the Outlawry was reverſed. But notwithſtanding it was adjudged, That the Plaintiff ſhould have Execution, for that upon a Recovery in a *Quare Impedit*, any Incumbent that comes in *pendente placito* ſhall be removed. Mich. 27 Eliz. in C. B. *Beverly* and *Cornwallis* Caſe. *Cro.* 3. Part, 44, 45.

3. Error of a Judgment in a *Quare Impedit* brought by the Queen, in which the Biſhop pleaded,

ded, That he claimed nothing but as Ordinary, &c. The Queſtion was, If the Writ lay, being brought in both their names, or ought to be brought only in the name of S? It was objected, That the Biſhop ought not to joyn in the Writ, for that he had no loſs. But it was adjudged, That the Writ was well brought, for the Biſhop hath loſs by the Judgment, and the Writ ſhall be to the Archbiſhop for Admiſſion and Inſtitution, and ſo he hath loſs, and therefore ſhe ſhall joyn in Error to reverſe that Judgment. Mich. 30 Eliz. B. R. The Biſhop of *Glouceſter* and *Sauſeres* Caſe. *Cro.* 3. Part, 65.

4. *Quare Impedit* by the Queen for diſturbing to Preſent to the Church of A. as in her right of the Dutchy of *Lancaſter*; and counted, That King *Henry* the 8th was ſeiſed, and dyed, and that the Advowſon came by Diſcent to the Queen, and that the Church became void, &c. The Archbiſhop pleaded, That H. his Predeceſſor was ſeiſed of the Advowſon in groſs, and collated to it. J. S. who was Admitted, Inſtituted, and Inducted, and dyed ſeiſed, and ſo pleaded three ſeveral Collations the one after the other, and the Defendant pleaded the ſame plea; upon which it was demurred. It was adjudged in this Caſe, That a double or treble Uſurpation did not put the Queen out of poſſeſſion, for ſhe ſhall have it as if it had bin in the right of her Crown. Then an Exception was taken to the Writ, That it was general, and did not mention that the Queen had it in the right of her Dutchy; but it was ſaid, That the Count was ſpecial, and ſhewed it, and therefore the Writ was awarded good. Trin. 33 Eliz. C. B. The Queen and the Biſhop of *York*, and *Bucks* Caſe. *Cro.* 3. Part, 240.

5. In a *Quare Impedit*, The Defendant pleaded, That he demanded of J. S, the Preſentee of the Plaintiffs to ſee his Letters of Orders, and he would not ſhew them; becauſe he was not certain whether he was a Deacon or not, and alſo he demanded of him his Letters Miſſive or Teſtimonial, teſtifying his ability; and becauſe he had not his Letters of Orders, nor Letters Miſſive, nor made proof of them to the Biſhop; he deſired leave of the Biſhop to bring them: He gave him a week, and he went away and came not again, and the ſix Months paſſed, and the Biſhop collated by Lapſe. It was adjudged in this Caſe for the Plaintiff, and that theſe were No Cauſes for to ſtay the admittance of the Clerk; For the Clerk is not bound to ſhew his Letters of Orders, and Letters Miſſive to the Biſhop; but the Biſhop muſt try him upon Examination: and therefore it was adjudged for the Plaintiff. Trin. 33 Eliz. B.R. *Peline* and Biſhop of *Peterboroughs* Caſe. *Cro.* 3. Part, 241.

6. *Fitton* and the Counteſs of *Northumberland* his Wife, Sir *Thomas Cicill* and *Dorothy* his Wife, *William Cornwallis* and the Lady *Lucy* his Wife, and others the Daughters and Heirs of the Lord *Latimer* brought a *Quare Impedit* againſt *Hill*. The Defendant pleaded a Releaſe of *Cornwallis*, pendant the Writ; It was adjudged, That that ſhould go in bar only of him and his Wife, and that the Writ ſhould ſtand good for the other. Then it was alledged, That the Declaration was not good; becauſe there is not alledged any Preſentment in the Father of the Plaintiff, nor in any who had the Inheritance; but in the Grantee of the next Avoidance, which is not any Title: But all the Juſtices held, That the Declaration was good enough. For this Preſentment by the Grantee is in the Right of the Grantor, and gives unto him ſufficient ſeiſin. Mich. 39 Eliz. C. B. The Counteſſe of *Northumberlands*, and others, and *Halls* Caſe. *Cro.* 3. Part, 518.

7. Error to reverſe a Judgment in a *Quare Impedit*: For that the Plaintiff declares, That a Stranger was ſeiſed for years, and deviſed it to the Plaintiff, and ſo by the aſſent of the Executor he had it, and doth not ſay, *Virtute Legationis prædict.* 2. Becauſe he doth not ſhew how the Church became void by deprivation of the Incumbent, nor for what other cauſe; For it may be a cauſe for which the Queen ſhall have Preſentation as if it was for Simony, by the Statute of 31 Eliz. But notwithſtanding theſe Exceptions, the Judgment was affirmed by the whole Court. Trin. 41 Eliz. B.R. The Biſhop of *Glouceſter* and *Veals* Caſe. *Cro.* 3. Part, 676.

8. The King ſeiſed of a Mannor, to which an Advowſon was Appendant: A ſtranger preſented, and his Clerk was in by ſix Months. The King granted the Mannor, with all Advowſons appendants to it to B, the Incumbent dyed. In this Caſe, It was holden by the whole Court, That the Grantee might Preſent; for the Advowſon was always Appendant, and the Inheritance of the ſame paſſed to the Grantee; for it was not made diſappendant by the Uſurpation. But in this Caſe, It was holden, That the Patentee ſhould not have a *Quare Impedit* for the firſt diſturbance; for that Preſentment did not paſs unto him, being a thing in Action, without mention of it in his Grant: And if the Plaintiff bring a *Quare Impedit* of the ſecond Avoydance, he ſhall make Title by the Preſentment of the King, not making mention of the Uſurpation: Yet if the Biſhop Preſent for Lapſe in the Caſe of a common perſon, he ought to make mention of it. Mich. 18 Eliz. C. B. *Leon.* 3. Part, 61.

9. In a *Quare Impedit*, the Plaintiff declared, That he was ſeiſed in Fee of the Mannor of *Orchard*,

chard, alias Lidcott's Farm, to which the Advowſon is Appendant, and preſented ſuch a one; and afterwards leaſed to the Plaintiff the ſaid Manor *per nomen* of the Manor of *Orchard, alias Lidcot's* Farme, with the Appurtenances for 21 years, and the Church became void, &c. The truth of the Caſe was, That there was the Manor of *Orchard*, and, within the ſaid Manor, the ſaid Farm called *Lidcott's* Farm, parcel of the ſaid Manor, and the Leaſe was of the ſaid Farm, and of the ſaid Manor, and ſo the Advowſon remained to the Leſſor as Appendant to the Manor. It was moved to the Court in this Caſe, What thing the Defendant ſhould Traverſe. The better Opinion ſeemed to be, That the Defendant ſhall ſay, That the Advowſon is Appendant to the Manor of *Orchard*, and that the Farme of *Lidcott's* is parcel of the Manor, and that he leaſed to the Plaintiff the ſaid Farme, with the Appurtenances, *abq; hoc* that the Manor of *Orchard*, and the ſaid Farm are all one. For if he traverſe, the Appendancy to the Farme of *Lidcott's*; then he confeſſeth, That the Manor and Farme are all one. But *Quære*, Mich. 29 Eliz. C. B. *Leon.* 3. Part, 66.

10. *Quare Impedit*, to preſent to the Church of B: The Caſe was, The Corporation of B, was ſeiſed of the Advowſon, and granted the next Avoidance to J. S, and afterwards granted *primam & proximam Advocationem* to the Earl of *Bedford*, who granted it to the Plaintiff. The Church became void, afterwards J. S. preſented his Clerk, who was admitted, inſtituted, and inducted; and then the Church became void again, and the Plaintiff pleaded, and being diſturbed, brought a *Quare Impedit*. It was Reſolved by the Juſtices in this Caſe, That the ſecond Grant was void, ſo as the Plaintiff had not any Title; for when he had granted *primam & proximam Advocationem* to one, he had not any Authority to grant it afterwards to another; but perhaps if the firſt Deed had been loſt before he had taken benefit thereof; and that it could not be pleaded, the ſecond Grant might have been good: But he can never have the ſecond Preſentment, becauſe it is againſt the expreſſe words of the Grant. *Williams* and the Biſhop of *Lincolns* Caſe. Quo Warranto.

1 *Quo Warranto* by the Queen againſt the Defendant, who claymed certain Wrecks in the County of *Y*: The Defendant pleaded, That *Ed.* Duke of *Buck.* was ſeiſed of the Manor of D, to which he had Wreck appurtenant, and that he was *de alta prodit* or *debito modo attinctus*: Which was found by the Eſcheator; And ſhewed, That the Manor came to Queen *Mary*, who granted the ſame to the Earl of *Weſtmerland*, who granted the ſame to the Defendant. Upon which it was Demurred. Exception was taken to the Plea, becauſe the Attainder is not certainly, nor fully pleaded. And it was ſhewed, That the Wreck is appendant to the Manor; and then if the Defendant hath the Manor, he hath the Wreck alſo: and if he hath the Manor, it is not material how he hath it; for the Queen doth not claim the ſame, but impeacheth the Defendan for his uſing ſuch a Liberty. But if the Heir of the Duke had demanded the Manor againſt him, the Attainder ought to have been pleaded certainly. In this Caſe, It was ſaid, That the Intereſt of the Queen in the Sea, extends unto the middeſt of the Sea betwixt *England* and *Spain*: But the Queen hath the whole Juriſdiction of the Sea between *England* & *France*, becauſe ſhe is Queen of *England*, *France*, &c. Hil. 29 Eliz. B.R. The Queen and Sir *John Conſtables* Caſe, *Leon.* 3. Part, 72.

2. *Quo Warranto* was brought for claiming a Leet in the Manor of B: The Defendant pleaded, That he was ſeiſed in Fee of the ſaid Manor, and claimed the Leet there by Preſcription. Iſſue was joyned upon it. And the *Viſne* was *de Maneriis de B*; and not, Of the Village of B: for there was no mention of Village in the Record, and then the *Venire facias* might be *de Maneriis*: It was then moved, That the *Poſtea* might be ſtayed, becauſe there was a Miſ-tryall, It being for the Queen: for if the Defendant might have it certified, he might exemplifie the Verdict as duly tryed; which would be an Evidence againſt the Queen. Wherefore by Rule, the *Poſtea* was ſtayed. Mich. 36 Eliz. B. R. *Nevill* and *Payns* Caſe, *Cro.* 3. Part, 502.

3. In a *Quo Warranto*, It was Reſolved, That a man may preſcribe to hold a Leet other, and at other times, then are mentioned in the Statute

de Magn: Charta, Cap. 11. for that is in the affirmative. And further Resolved, That in a *Quo Warranto* of Liberties, it is not sufficient to derive an Interest to them in a stranger from the King or Queen, for making Title to himself; for that the Writ is, *Quo warranto* he himself useth them. Hil. 31 Eliz. B. R. *Partridges* Case. *Cro.* 3. Part, 125.

4. *Quo Warranto* by the King, against R. S. for holding of a Court-Leet, and a Court-Baron within the Hundred and Mannor of W. in *Com.* B; As to the Leet, the Defendant disclaymed; but as to the Court-Baron, pleaded, That J. S. was seised of the Mannor of W. within the Hundred of W, whereof the Mannor of N. was parcell, and Copyhold; known as well by the name of a Messuage, and 7. Yard-Lands, Customary, as by that Name of a Mannor. And that the said J. S. Leased to him the said Mannor of N. by the name of a Messuage and 7. Yard-Lands, and 20 s. Rent, and that he Entred, *et ea ratione*, *et virtute Concessionis praedict.* he held a Court-Baron within the said Mannor of N: Upon this Plea, the King Demurred in Law. In this Case, It was Resolved by the Justices (amongst other things), That a *Quo Warranto* is a Writ of Right in its nature which ought to be answered in Chief, which the Defendant in respect of the smallness and weakness of his Estate, could not do, *à fortiori*, he cannot enable himself in his own right to hold a Court-Baron, which is a Court of Justice; and if a Franchise be claymed by any but by him who hath a Freehold, it shall be seized into the Kings hands. And therefore, the Judgment given in this Case, was for the King, That the Defendant should be ousted from holding of any Court; and, That the Defendant's Plea was not good. Mich. 8 Jac. B. R. The King and *Stafferton's* Case. *Yelverton*, 190, 191.

Recognizance.

1. DEbt upon a Recognizance taken in *London*; the Plaintiff declared, That the Mayor there had used to take Recognizances by Custome, of all persons, except Infants and Feme Coverts, upon any day, except Sundays, and other days specially named: And Judgment being given for the Plaintiff; It was moved in stay of Judgment, 1. That it was an unreasonable Custome; for it may so extend to men of *Non sanae Memoriae*, and bind them, for which they have no remedy. 2. Objected, That none can take Recognizances but Justices of Record; and the Mayor is not a Justice of Record. But it was Resolved, That the Custome was good; and the Customes of *London* being Confirmed by Act of Parliament, though strange, are good; and extends as well to Recognizances taken of Strangers, as of Citizens. Trin. 32 Eliz. B. R. *Chamberlain* and *Thorps* Case. *Cro.* 3. Part, 187.

2. A. was bound in a Recognizance to his good behaviour, upon which the Queen brought a *Scire facias*, and Surmised, That after the said Recognizance acknowledged, A. was Arrested and taken by a Constable, upon suspition of Felony, and escaped of his own wrong. It was Objected, That the Recognizance was not forfeited, because it was not alledged, that any Felony was committed. But it was the Opinion of the Court, That that was not material if Felony were committed or not; For, if a Subject be Arrested by a lawfull Officer, it is not lawful for him to escape, but he ought to stand to answer the matter with which he is charged; and by his Escape he had forfeited his Recognizance. Pasch. 26 Eliz. B. R. *Crabtrees* Case. *Leon.* 2. Part, 166.

3. Assumpsit; Declared, That J. S. was seised of Lands, and was bound in a Recognizance of 1000 l. to the Plaintiff, and enrolled the Defendant of his Land; That the Defendant, in Consideration that the Plaintiff would assign to him his Recognizance, promised to pay the Plaintiff 80 l. before such a day: and he assigned over his Recognizance. Upon *Non Assumpsit*, It was found, That at the time of the Recognizance made, J. S. was seised of the Land sold to the Defendant, and also of a Close called W; and enrolled one J. D. of the said Close called W; and the Plaintiff Released to J. D. all his Right, Interest, and Demand in the Land called W: And afterwards J. S. enrolled the Defendant; and that the Defendant promised, *ut supra*; and that the Plaintiff assigned the

the *Recognizance* to the Defendant. In this Caſe, It was ſaid, That a Conſideration to aſſign a *Recognizance*, is illegal, and Maintenance; and ſo no good Conſideration. 2. That by a Releaſe of al his right and demand in the Land to J. D, who had part of the Land charged with the *Recognizance*, the whole *Recognizance* was diſcharged, and then it could not be aſſigned over. It was Reſolved by the Juſtices, 1. That an Aſſignment of a Debt or a Recogn zance to a Stranger, is an illegall and void Conſideration. But for to aſſign it to the Terr-Tenant by way of diſcharge of his Land, is good. 2. Reſolved, That this Releaſe to J.D. of all his right and demand in the Land, was not any diſcharge of the *Recognizance*; for at the time of the Releaſe made, he had no right nor cauſe of demand of the Land, for the Land is the debtor, and not the perſon; and here at the time of the Releaſe before Execution ſued, he had not any right nor demand in the Land. It was adjudged for the Plaintiff. Paſch. 39 Eliz. B. R. *Barrow* and *Gr.ys* Caſe, *Cro.* 3. Part, 551.

4. *Aſſumpſit*; In Conſideration, that the Plaintiff had entred into a *Recognizance* of ſuch a Sum, upon Condition, That the Defendant ſhould make his appearance at the next Aſſizes to be holden before the Juſtices of Goal-Delivery for the County of S: The Defendant promiſed to appear at the ſaid Goal-Delivery, and to ſave the Plaintiff harmleſs of his *Recognizance*; and that the Defendant did not appear, nor ſave him harmleſs, to his damage, &c. The Defendant pleaded, That before the next General Goal-Delivery, he delivered a *Certiorari* to remove the *Recognizance*, directed to one of the Juſtices of the Aſſize; and ſaid, That the Plaintiff was not damnified by that *Recognizance*. In this Caſe, It was adjudged for the Plaintiff; For the Defendant ought to have ſhewed expreſly, that he appeared at the Aſſizes; for otherwiſe the *Recognizance* was forfeited: and the removing of the *Recognizance* by a *Certiorari*, did not diſperce with the Defendant's appearance, although the Writ by which the Recognizance is removed, be the Kings Writ, and is the Commandment of the King: yet the purchaſe of the Writ is the Act of the party the Defendant, and by no ſuch ſlight can he ſave his Recognizance. Trin. 9 Jac. B. R. *Roſſe* and *Pics* Caſe. *Yelverton*, 207.

Releaſe.

1. NOte; By the Chief Juſtice of the Common-Pleas, That if a Leaſe be made to one for Term of years, the Remainder over for life, the Remainder over to another for life, That if he in the Reverſion by his Deed Releaſes to them all three; *et à four heires*, yet the firſt Leſſee ſhall have the ſole poſſeſſion of the Lands as he had before, and the others ſhall not have any poſſeſſion with him, and that every one of them hath gained a Reverſion in Fee in the ſame Land. Trin. 7 E. 6. *Bendlowes*, 23.

2. If a joynt Eſtate be made to Husband and Wife, and to a third perſon; and the third perſon doth Releaſe all his right which he hath to the Husband; That in ſuch caſe, the third perſon ſhall have the moyety which the third perſon had, and the wife ſhall have nothing of that; and the Husband hath a Feeſimple in the Land, notwithſtanding that he doth not Releaſe to him and his Heirs for ever: By the Opinion of all the Juſtices of the Common-Pleas, Hill. 10 Eliz. *Bendlowes*, 32.

3. The Caſe was; The Lord granted the Freehold of a Copyhold to a ſtranger, the Copyholder being in poſſeſſion, Releaſed to the Grantee all his right in the Land. The Queſtion was, If it did extinguiſh the Copyhold? The Lord *Anderſon*, Chief Juſtice, was of Opinion, That it did not; And ſaid, It was adjudged, That if Tenant for life releaſeth to him in the Reverſion, it is void; for it cannot enure as a Releaſe, for he is in poſſeſſion; nor can it enure as a Surrender, for want of fit words. Trin. 25 Eliz. C. B. *Cro.* 3. Part, 21.

4. *Audita Querela*, for ſuing Execution upon the Manor of W, upon a Statute which one J.S. did acknowledg to him; And ſhewed, That the ſaid J. S. at the time of the Statute acknowledged, was ſeiſed of the ſaid Manor, and afterwards ſold it to the Plaintiff; and the Plaintiff being thereof ſeiſed, the Defendant by his Deed *Remiſit et relaxavit* to the Plaintiff *totum et quodlibet jus, titulum, intereſſe et demand. quæcunq;* the Defendant *habuit, habet, vel habere debuit de et in Maneriam prædict. Necnon omnes Actiones, Sectas, Executiones, et Demanda, prædict. ipſe vel hæred. &c. habere poſſint*, againſt the Plaintiff, *pro vel concernent.*

aliquam

ſuper matrimonium contract. præmiſſorum. Upon which it was Demurred. It was in this Caſe Reſolved, That it was a good Barr of the Execution upon the ſaid Statute. Mich. 27 Eliz. C. B. *Hide* and *Jenkyns* Caſe, *Cro.* 3. Part, 40.

5. Debt againſt an Executor, who pleaded fully Adminiſtred: It was found, That J. S. made the Defendant his Executor, being within age: Adminiſtration was granted to A. and B, who adminiſtred, and that they had in their hands, when the Defendant came to his full age, Goods of the Teſtator, to the value of 600 l. and that the Defendant when he came of age, proved the Will, and releaſed to the Adminiſtrators all Actions. It was a Queſtion, if it was Aſſets in the Executors hands? becauſe it was incertain what he releaſed, and for that an Accompt only lyeth: But it was adjudged, That it was Aſſets; for that here the certainty appeareth by the Verdict. But it was ſaid, That if an Executor doth releaſe an Accompt, and it is not certain what he ſhall recover, it is not Aſſets; but if it can appear, or be proved, that ſo much is due, it is Aſſets; for, the Law preſumeth, that he hath received ſo much as he doth releaſe: It was adjudged for the Plaintiff. Mich. 29 Eliz. C. B. *Brigham* and *Knight's* Caſe. *Cro.* 3. Part, 43.

6. Treſpaſs, The Defendant pleaded, That J. S. was ſeiſed in Fee, and lett the Land to him at Will, and after Releaſed to him all Accompts, Suits, and Demands, *ab origine mundi*, to the day of the date of the Releaſe, by which he was ſeiſed for life. It was Reſolved in this Caſe, That by this Releaſe the Eſtate of the Defendant was not enlarged; and Judgment was for the Plaintiff. Hill. 34 Eliz. B.R. *Seymor* and *Okeley's* Caſe. *Cro.* 3. Part, 268.

7. The Caſe in a *Quare Impedit* was: The next Avoydance of a Church was granted to A, and B; Afterwards A. Releaſed to B. the Plaintiff, and after that the Church became void. The Queſtion was, If B. ſhould Preſent only, or, if he was diſturbed, ſhould have a *Quare Impedit* in his own name? It was adjudged, That he ſhould; for, the next Avoidance is a thing in Intereſt, and granable to a Stranger; and therefore it might be Releaſed the one to the other. But if the Church was void at the time of the Releaſe, it was otherwiſe; for then it is a thing in Action, which cannot be conveyed over. Mich. 40 El z. B. R. *Bennet* and Biſhop of *Norwiches* Caſe, *Cro.* 3. Part. 600.

8. Debt upon an Apprentice bound; The Condition was, That if J. S. did become the Apprentice of the Obligee, and tranſport his Merchandizes beyond the Seas, and make a Return of them; and make an Accompt to the Obligee, and pay the money upon his Accompt within a certain time, that then, &c. Afterwards the Obligee did by Deed Releaſe to the Servant the Apprentice, and not to the Obligor. And in Debt brought againſt the Obligor, he pleaded the Releaſe. It was the Opinion of the whole Court in this, That by the Releaſe to the Servant, the Obligation was ſaved; if the Releaſe were made before any forfeiture, or that the Servant or Apprentice had broken any of the Covenants, or any payment according to the Covenants; but, if it was made after any of them was broken, then ſuch Releaſe to Servant did not diſpence with the Obligation which was made by the Stranger; becauſe an Obligation once forfeited, cannot be ſaved by an Act or Releaſe made or done to Stranger. Mich. 15 Eliz. C. B. *Leon.* 3. Part, 45.

9. Error by ſix of a Judgment in C. B. in a Replevin; Where one of the ſix avowed in his own Right, for an Amerciament in a Leet; the other five made Conſiſance as his Bayliffs. Judgment was given againſt the ſix, Damages and Coſts: The ſix brought a Writ of Error, and, hanging the Action, the Releaſe of one of the five was pleaded in Barr. It was Objected, That it was a Barr, for the Writ is to be reſtored to a perſonal Duty, *ſcil.* Damages and Coſts which they had loſt; which being perſonal, the Act of the one ſhall prejudice the other. This difference was put, Where many are Actors by way of Charging another, the Act of the one ſhall prejudice the other; But otherwiſe it is, where they are Plaintiffs to diſcharge themſelves; for in the firſt, the Law preſumes a folly to joyn with one who might diſcharge all. But otherwiſe it is, on the part of the Defendant; for it is not in him to appoint, Who ſhall be joyned with him in the Action: and when they are compelled to joyn in a Writ of Error or Attaint, for to defeat a Judgment, it is not reaſon that the Act of one ſhould prejudice his Companion: Wherefore it was adjudged, That it was not any Barr. Hill. 41 Eliz. B. R. *Riſley* and *Ruddock's* Caſe. *Cro.* 3. Part, 649.

10. Debt upon an Obligation, The Defendant pleaded a Releaſe of all Actions and Demands in Barr. The Plaintiff demanded Oyer of it, and an Exemplification of one Bond was therein: The Plaintiff Replyed, That that was the Bond in Suit; upon which the Defendant did demur. It was Reſolved by the Court in this Caſe, That the Obligation it ſelf being excepted, all Suits and Actions concerning it are alſo excepted; and that the Defendant having pleaded a Releaſe generally, without any Exception; and a Deed upon Oyer demanded, is ſhewed with an Exception; It was ſaid, That the Plaintiff had pleaded, *Non eſt factum* generally. Mich. 43 Eliz. C. B. *Brook* and

and *Whitlers* Caſe. *Cro.* 3. Part. 716.

11. In *Ejectione Firmæ* upon a Leaſe of one T, it was found, That it was Covenanted by Indenture, That a Fine ſhould be levyed of ſuch Land to the uſe of T; upon Condition, That if he paid not ſuch a ſum upon ſuch a day, that it ſhould be to the uſe of C. and his Heirs; the Fine was levyed, and before the day of payment, C. Releaſed to T. all his Right in the Land, and all Demands: but the Deed of Releaſe it ſelf was not ſhewed to the Jury, but a Copy thereof. It was the Opinion of the whole Court, That this Releaſe might be found in manner as it is, to defend a Poſſeſſion; another Queſtion was, Whether the Releaſe by C. before the Condition broken, was a ſufficient diſcharge of the future uſe to C? *Quære*, for that Point was not Reſolved. Mich. 43 Eliz. C. B. *Irone* and *Carrs* Caſe. *Cro.* 3. Part, 863.

12. *Scire facias* upon a Judgment in Debt; The Defendant pleaded in Barr, That the Plaintiff upon that Judgment had another time brought a *Scire facias* againſt the Bail, and that afterwards he Releaſed to the Bail all Actions and Demands. Whether this Releaſe to the Bail ſhall be a diſcharge to the Principal? *Quære*, for it was not Reſolved. Trin. 41 Eliz. B.R. *Elofeld* and *Grymes* Caſe. *Cro.* 3. Part, 890.

13. The Caſe was: The Defendant was Divorced from her Huſband *Cauſa Adulterii* of the Huſband; The Defendant the Wife, ſued the Plaintiff in the Spiritual Court, for a Legacy given her by a Stranger: He pleaded the Releaſe of the Huſband made after the Divorce; which being diſallowed in the Spiritual Court, he brought a Prohibition. It was holden by the Juſtices in this Caſe, That in regard this ſeparation doth not avoid the Marriage abſolutely, but that they ſhall ſtill remain Man and Wife; that this Releaſe of the Huſband was good to extinguiſh the Duty. Mich. 44 Eliz. B. R. *Stapleas* and *Tottys* Caſe. *Cro.* 3 Part, 909.

14. An Action was brought for taking of a Horſe. The Defendant pleaded, That the now Plaintiff was at another time barred in Treſpaſſe for the ſame thing. It was by the whole Court holden to be a good Plea; for that a Barr by Judgment, amounts to a Releaſe in Law: otherwiſe Suits would be infinite. Mich. 38 Eliz. B. R. Sir *Humfrey Ferrers* and *Wignalls* Caſe. *Noy*, 58.

15. Debt upon Arbitrament, the Plaintiff Declared, How that the Plaintiff and Defendant, 10. Feb. 7 Jac. ſubmitted themſelves to the Award of J. S; who awarded, They ſhould be friends, and that the Defendant ſhould pay to the Plaintiff 100 l. at Midſommer after, at ſuch a place: and for the money not paid, he brought the Action. The Defendant pleaded in Barr a Releaſe made by the Plaintiff, of all demands which was made 10. *April* before Midſommer, in which the Debt was to be paid, and it was of all Demands *ab initio Mundi uſq;* 10. *Aprilis*. Upon which the Plaintiff Demurred. It was adjudged againſt the Plaintiff; For although the ſum of money given by the Arbitrament, is not grounded upon any precedent Debt or Contract, betwixt the parties, yet it lyeth in demand preſently, and may be aſſigned by the Will of the Plaintiff to another, and the Executors ſhall have it; and in the Spiritual Law it is a Credit, of which Adminiſtration may be granted before the day of payment, if the Plaintiff dyeth before: although no Action lyeth for it before Midſommer; yet it is a duty by the very Award: and therefore by the Releaſe of all demands, it is gone. Hill. 9 Jac. B. R. *Bridges* and *Eissons* Caſe, *Yelverton*, 214.

16. Debt upon an Obligation, for the payment of 7 l. at the birth of the Plaintiff's Child. The Defendant pleaded, That before the birth of it, it was agreed betwixt them, That whereas the Plaintiff was to have a Load of Lime of the Defendant, for which he ſhould be endebted unto him, that the Defendant ſhould acquit him thereof, and accept of that debt in ſatisfaction of the Obligation; and that the Plaintiff at ſuch a day and place accepted of the ſaid Load of Lime in ſatisfaction of the ſaid Obligation. Upon which Plea, the Plaintiff Demurred. Two Exceptions were taken to the Plea: 1. That nothing can be taken in ſatisfaction of the 7 l. it not being a duty, but a ſum payable *in futuro*, and upon a Contingency: But of that, the Court ſeemed to doubt. 2. The Defendant pleaded, That the Plaintiff accepted the Load of Lime in ſatisfaction of the Bond; which cannot be, for it ought to have been pleaded in ſatisfaction of the Sum mentioned in the Condition of the Obligation; for the Bond it ſelf cannot be diſcharged without a Specialty. That, the Court held to be a material Exception; and ſo the Plea was not good, and adjudged for the Plaintiff. Trin. 8 Jac. B. R. *Neal* and *Sheffields* Caſe, *Cro.* 2. Part, 254. See *Yelverton*, 192. the ſame Caſe.

17. B. and A. his Wife brought Aſſumpſit againſt the Defendant; and declared, That in Conſideration A. *dum ſola fuit*, would marry T. M. at the requeſt of the Defendant, the Defendant promiſed after the death of T. M. to pay A. 40 *s. per annum* during her life: And ſhewed, that ſhe married T. M. who after dyed; and that ſhe took Husband B. the Plaintiff; and for 4 l. behind after the death of T. M. the Action was brought. The Defendant pleaded in Barr, a Releaſe,

ſelf made unto him by T. M. during the Marriage with A. by which he Releaſed to the Defendant all Actions, Quarrels, Controverſies, and Demands whatſoever which he had or might have againſt the Defendant. Upon which Plea, the Plaintiffs Demurred. It was adjudged by the Court, That this Releaſe did not diſcharge the promiſe; For although the promiſe was preſent, yet the execution of it was *in futuro*; and ſuch, as he who releaſed, could never have an Act on upon it. But if he had Releaſed, by expreſs words, All promiſes, or all Actions and Quarrells, which he or his wife had or might have, then the promiſe had been releaſed: for the promiſe could not be releaſed untill it came in *Eſſe*, no more then a Covenant could be. It was adjudged for the Plaintiff. Trin. 7 Jac. B. R. *Miller* and *Hallſons* Caſe. *Yelverton*, 156.

18. Debt upon an Obligation; The Defendant pleaded, That the Plaintiff, after the Obligation made, had Releaſed to him, All and all manner of Errors, and all manner of Actions, Suits, and Writs of Error whatſoever; Which I the ſaid, &c. for any matter or thing, &c. And I the ſaid, &c. am by theſe preſents excluded of Writs or Suits, Actions of Error or Suits againſt him the ſaid, &c. Upon the Plea, the Plaintiff Demurred in Law. It was ſaid, That the Obligation makes the duty, and a Releaſe of all Actions ſhall hurt him. But it was Reſolved, That the Releaſe was but ſpecial; and that it extends only to Errors, *Et ex Præcedentibus & Conſequentibus optima fit interpretatio*; the precedent clauſe is only a Releaſe of Errors: And the laſt Clauſe, *Actions and Suits of Error*, before: and there is not any word of debt in the Releaſe. And it was ſaid, That it was adjudged in this Court in a Writ of Annuity, A Releaſe was pleaded, That the Plaintiff acquitted him of one payment for half a year, and Releaſed to him all Actions, Suits, and Demands; And it was adjudged, That the Releaſe did not hurt him but of the Arrearages for that year. Remainder *and* Reverſion.

1. TEnant for life, the Remainder in tail; the remainde in Fee: Tenant in tail in Remainder is attainted of Felony. The Queſtion was, If the King during the life of the Tenant in tail ſhould have the Fee? It was conceived, That he ſhould; for that it ſhall not be in abeyance, and it cannot be in any other; For when he is Attainted, he is dead, as unto the King. The Chief Lord cannot have it, for Tenant for life is alive; alſo he in the Reverſion in Fee, &c. the Donee ſhall not have it, for the Tenant in tail in Remainder is not naturally dead, but civilly; and the Land cannot revert before Tenant in tail be dead without Iſſue, but if there were any other in whom the Freehold might veſt and reſt, then the King ſhould not have the Freehold, but the profits of the Lands. Mich. 29 Eliz. B. R. in *Wankles* and *Harris* Caſe. *Leon.* 2. Part, 123.

2. W. Tenant in tail ſuffered a Recovery, and afterwards took an Eſtate to himſelf, and E. his Wife, for the Term of their Lives, the Remainder *ſeiuni filio de Corpore prolibil.* W. in tail; and if he had not any ſon, the Remainder to the Heirs of the body of W; the remainder to J. and A. his wife, and to the Heirs of J: Afterwards the ſaid W. and E. his wife levied a Fine with proclamations, to the uſe of himſelf, and to the ſaid Wife for their lives, the remainder to the eldeſt Child of the body of the ſaid W. in tail, the Remainder to the ſaid J. in Fee: E. dyed, 5. years paſſed; W. took another Wife, and had Iſſue a Daughter, and after a Son, and dyed. Other 5. years paſſe after his death, the ſon and daughter being both within age: J. dyes, living A. his wife. The Opinion of the Juſtices of the Common Pleas in this Caſe was, That the Son ſhould have the Land, and not the Daughter, by reaſon of the firſt Remainder *ſeiuni filio*. Mich. 12 Eliz. C. B. *Bendlowes*, 29.

3. The Lord *Vaux* levied a Fine to the uſe of himſelf for life, and after his deceaſe, to the uſe of his two Daughters, till A. his Son returned from beyond the Seas, and came to his full age, or dyed; which of the ſaid times, dayes, or hours firſt came, and then it ſhould remain to A; he returned from beyond

11. In *Ejectione Firmæ* upon a Leaſe of one T, it was found, That it was Covenanted by Indenture, That a Fine ſhould be levyed of ſuch Land to the uſe of T; upon Condition, That if he paid not ſuch a ſum upon ſuch a day, that it ſhould be to the uſe of C. and his Heirs; the Fine was levyed, and before the day of payment, C. Releaſed to T. all his Right in the Land, and all Demands; but the Deed of Releaſe it ſelf was not ſhewed to the Jury, but a Copy thereof. It was the Opinion of the whole Court, That this Releaſe might be found in manner as it is, to defend a Poſſeſſion; another Queſtion was, Whether the Releaſe by C. before the Condition broken, was a ſufficient diſcharge of the future uſe to C? *Quære*, for that Point was not Reſolved. Mich. 43 Eliz. C. B. *Evans* and *Carrs* Caſe. *Cro.* 3. Part, 863.

12. *Scire facias* upon a Judgment in Debt; The Defendant pleaded in Barr, That the Plaintiff upon that Judgment had another time brought a *Scire facias* againſt the Bail, and that afterwards he Releaſed to the Bail all Actions and Demands. Whether this Releaſe to the Bail ſhall be a diſcharge to the Principal? *Quære*, for it was not Reſolved. Trin. 41 Eliz. B.R. *Elofield* and *Geynes* Caſe. *Cro.* 3. Part, 890.

13. The Caſe was: The Defendant was Divorced from her Husband *Cauſa Adulterii* of the Husband; The Defendant the Wife, ſued the Plaintiff in the Spiritual Court, for a Legacy given her by a Stranger: He pleaded the Releaſe of the Husband made after the Divorce; which being diſallowed in the Spiritual Court, he brought a Prohibition. It was holden by the Juſtices in this Caſe, That in regard this ſeparation doth not avoid the Marriage abſolutely, but that they ſhall ſtill remain Man and Wife; that this Releaſe of the Husband was good to extinguiſh the Duty. Mich. 44 Eliz. B. R. *Stephens* and *Tittys* Caſe. *Cro.* 3 Part, 909.

14. An Action was brought for taking of a Horſe. The Defendant pleaded, That the now Plaintiff was at another time barred in Treſpaſſe for the ſame thing. It was by the whole Court holden to be a good Plea; for that a Barr by Judgment, amounts to a Releaſe in Law: otherwiſe Suits would be infinite. Mich. 38 Eliz. B. R. Sr *Humfrey Ferrers* and *Wignalls* Caſe. *Noy*, 58.

15. Debt upon Arbitrament, the Plaintiff Declared, How that the Plaintiff and Defendant, 10. Feb. 7 Jac. ſubmitted themſelves to the Award of J. S; who awarded, They ſhould be friends, and that the Defendant ſhould pay to the Plaintiff 100 l. at Midſommer after, at ſuch a place: and for the money not paid, he brought the Action. The Defendant pleaded in Barr a Releaſe made by the Plaintiff, of all demands which was made 10. *April* before Midſommer, in which the Debt was to be paid, and it was of all Demands *ab initio Mundi uſq; 10. Aprilis*. Upon which the Plaintiff Demurred. It was adjudged againſt the Plaintiff; For although the ſum of money given by the Arbitrament, is not grounded upon any precedent Debt or Contract, betwixt the parties, yet it lyeth in demand preſently, and may be aſſigned by the Will of the Plaintiff to another, and the Executors ſhall have it; and in the Spiritual Law it is a Credit, of which Adminiſtration may be granted before the day of payment, if the Plaintiff dyeth before: although no Action lyeth for it before Midſommer; yet it is a duty by the very Award: and therefore by the Releaſe of all demands, it is gone. Hil. 9 Jac. B. R. *Bridges* and *Eisons* Caſe, *Yelverton*, 214.

16. Debt upon an Obligation, for the payment of 7 l. at the birth of the Plaintiff's Child. The Defendant pleaded, That before the birth of it, it was agreed betwixt them, That whereas the Plaintiff was to have a Load of Lime of the Defendant, for which he ſhould be endebted unto him, that the Defendant ſhould acquit him thereof, and accept of that debt in ſatisfaction of the Obligation; and that the Plaintiff at ſuch a day and place accepted of the ſaid Load of Lime in ſatisfaction of the ſaid Obligation. Upon which Plea, the Plaintiff Demurred. Two Exceptions were taken to the Plea: 1. That nothing can be taken in ſatisfaction of the 7 l. it not being a duty, but a ſum payable *in futuro*, and upon a Contingency: But of that, the Court ſeemed to doubt. 2. The Defendant pleaded, That the Plaintiff accepted the Load of Lime in ſatisfaction of the Bond; which cannot be, for it ought to have been pleaded in ſatisfaction of the Sum mentioned in the Condition of the Obligation; for the Bond it ſelf cannot be diſcharged without a Specialty. That, the Court held to be a material Exception; and ſo the Plea was not good, and adjudged for the Plaintiff. Trin. 8 Jac. B. R. *Neal* and *Slingſields* Caſe, *Cro.* 2. Part, 254. See *Yelverton*, 192. the ſame Caſe.

17. B. and A. his Wife brought Aſſumpſit againſt the Defendant; and declared, That in Conſideration A. *dum ſola fuit*, would marry T. M. at the requeſt of the Defendant, the Defendant promiſed after the death of T. M. to pay A. 40 *s. per annum* during her life: And ſhewed, that ſhe married T. M, who after dyed; and that ſhe took Husband B. the Plaintiff; and for 4 l. behind after the death of T. M, the Action was brought. The Defendant pleaded in Barr, a Releaſe,

leaſe made unto him by T. M. during the Marriage with A, by which he Releaſed to the Defendant all Actions, Quarrels, Controverſies, and Demands whatſoever which he had or might have againſt the Defendant. Upon which Plea, the Plaintiff Demurred. It was adjudged by the Court, That this Releaſe did not diſcharge the promiſe; For although the promiſe was preſent, yet the execution of it was *in futuro*; and ſuch, as he who releaſed, could never have an Act on upon it. But if he had Releaſed, by expreſs words, All promiſes, or all Actions and Quarrells, which he or his wife had or might have, then the promiſe had been releaſed: for the promiſe could not be releaſed until it came in *Eſſe*, no more then a Covenant could be. It was adjudged for the Plaintiff. Trin. 7 Jac. B. R. *Baker* and *Harſons* Caſe. *Yelverton*, 156.

18. Debt upon an Obligation; The Defendant pleaded, That the Plaintiff, after the Obligation made, had Releaſed to him, All and all manner of Errors, and all manner of Actions, Suits, and Writs of Error whatſoever; Which I the ſaid, &c. for any matter or thing, &c. And I the ſaid, &c. am by theſe preſents excluded of Writs or Suits, Actions of Error or Suits againſt him the ſaid, &c. Upon the Plea, the Plaintiff Demurred in Law. It was ſaid, That the Obligation makes the duty, and a Releaſe of all Actions ſhall bar him. But it was Reſolved, That the Releaſe was but ſpecial; and that it extends only to Errors, *Et ex Præcedentibus et Conſequentibus optima fit Interpretatio*; the precedent clauſe is only a Releaſe of Errors: And the laſt Clauſe, *Actions and Suits of Error*, before: and there is not any word of debt in the Releaſe. And it was ſaid, That it was adjudged in this Court in a Writ of Annuity, A Releaſe was pleaded, That the Plaintiff acquitted him of one payment for half a year, and Releaſed to him all Actions, Suits, and Demands; And it was adjudged, That the Releaſe did not bar him but of the Arrearages for that year. Remainder *and* Reverſion.

1. TEnant for life, the Remainder in tail; the remainde in Fee: Tenant in tail in Remainder is attainted of Felony. The Queſtion was, If the King during the life of the Tenant in tail ſhould have the Fee? It was conceived, That he ſhould; for that it ſhall not be in abeyance, and it cannot be in any other; For when he is Attainted, he is dead, as unto the King. The Chief Lord cannot have it, for Tenant for life is alive; alſo he in the Reverſion in Fee, &c. the Donee ſhall not have it, for the Tenant in tail in Remainder is not naturally dead, but civilly; and the Land cannot revert before Tenant in tail be dead without Iſſue, but if there were any other in whom the Freehold might veſt and reſt, then the King ſhould not have the Freehold, but the profits of the Lands. Mich. 29 Eliz. B. R. in *Wankles* and *Harris* Caſe. *Leon.* 2. Part, 123.

2. W. Tenant in tail ſuffered a Recovery, and afterwards took an Eſtate to himſelf, and E. his Wife, for the Term of their Lives, the Remainder *ſoinni filii de Corpore præhibi*. W. in tail; and if he had not any ſon, the Remainder to the Heirs of the body of W; the remainder to J. and A. his wife, and to the Heirs of J: Afterwards the ſaid W. and E. his wife levied a Fine with proclamations, to the uſe of himſelf, and to the ſaid Wife for their lives, the remainder to the eldeſt Child of the body of the ſaid W. in tail, the Remainder to the ſaid J. in Fee: E. dyed, 5. years paſſed; W. took another Wife, and had Iſſue a Daughter, and after a Son, and dyed. Other 5. years paſſe after his death, the ſon and daughter being both within age: J. dyes, living A. his wife. The Opinion of the Juſtices of the Common Pleas in this Caſe was, That the Son ſhould have the Land, and not the Daughter, by reaſon of the ſaid Remainder *ſoinni filii*. Mich. 12 Eliz. C. B. *Bradlawes*, 29.

3. The Lord *Vaux* levied a Fine to the uſe of himſelf for life, and after his deceaſe, to the uſe of his two Daughters, till A. his Son returned from beyond the Seas, and came to his full age, or dyed; which of the ſaid times, dayes, or hours firſt came, and then it ſhould remain to A; he returned from

beyond the Sea: The Queſtion was, If this Remainder was good? And if it be, When it ſhould commence in him? It was the Opinion of all the Juſtices, That the Remainder was good; For although his coming from beyond Seas, or his full age, be incertain, yet his death is certain; and ſo it doth not merely depend upon incertainties. And it was further agreed by the Juſtices in this Caſe, That the Daughters had an Eſtate for their lives conditionally. Hil. 34 Eliz. B. R. The Lord *Vaux* Caſe. *Cook* 3. Part, 269.

4. Land was Deviſed to the Father for life, the Remainder to the next Heir male of the Father, & to the Heirs males of his body; The Deviſor dyed; The Father enfeoffed J.S. with Warranty. In this Caſe, theſe Points were Reſolved; Firſt, That the Father had only an Eſtate for life, for that he had an expreſs Eſtate for life Deviſed unto him, and the Remainder is limited to his next heir male in the ſingular number, and his right heir male may not enter for the forfeiture in his life, for he cannot be heir ſo long as he liveth. 2. Reſolved, That the Remainder to his right heir male, is a good Remainder, although he cannot have a right heir during his life; but it ſufficeth that it veſt *eo inſtante*, as the particular Eſtate determines. 3. It was Reſolved, That by the Feoffment of the Tenant for life, the Remainder was deſtroyed; for every contingent Remainder ought to veſt either during the particular Eſtate, or *eo inſtante*, that the particular Eſtate determines; and by the Feoffment of the Father, his Eſtate for life was determined by a Condition in Law. Mich. 38 Eliz. C.B. *Baldwin* and *Smiths* Caſe. *Cro.* 3. Part, 453. See *Cook* 1. Part, *Archers* Caſe.

5. The Caſe was; A Copyholder in Fee ſurrendred to the uſe of one for life, the Remainder to another in Fee; Tenant for life was admitted: Afterwards he in the Remainder ſurrendred to the uſe of J. S. in Fee; which Surrender, the Lord accepted, and admitted J. S: The Tenant for life dyed; the heir of the firſt Copyholder entred, and J. S. put him out. It was ſaid in this Caſe, That he ſhould have the Land; for firſt, the Admittance of the Tenant for life, is the admittance of him in the Remainder, to veſt the Remainder in him. 2. The Acceptance of the Lord of the Surrender, is *quaſi* an Admittance, and thereby he admits him to have a Remainder. Mich. 39 Eliz, B.R. *Gyppin* and *Bunney's* Caſe, *Cro.* 3. Part, 504.

6. In Errour; A. ſeiſed of Lands in Fee, made a Feoffment to the uſe of himſelf for life, and after to the uſe of ſuch Iſſue and Iſſues males of the body of M. L. from eldeſt to eldeſt, who by common ſuppoſition or intendment, ſhould be adjudged or reputed to be begotten by the ſaid A. upon the body of the ſaid M. L; whether the ſaid Iſſue & Iſſue, Males ſo born of the ſaid M. *ſint per legem Angliæ adjudicati Legitimi & maliarum* begotten, or unlawfully & immediately begotten betwixt the ſaid A, & the ſaid M.L; and to the heirs of the body of ſuch Iſſue, or Iſſues males, *de feodo in ſeiſinam exiſtent. nat. de prædiſt. M. in forma prædiſt.* Afterwards, A. had Iſſue by the ſaid M. B. the Plaintiff: E. the Defendant recovered againſt A. in Aſſiſe 12 Eliz. A. dyed; B. brought a Writ of Error as he in the Remainder, and averred, That he was the Iſſue begotten of the body of the ſaid M, and was ſince his birth, and yet is reputed to be begotten by the ſaid A: In this Caſe, It was the greater Opinion of all the Judges, upon a Conference had amongſt them at Serjeants-Inn, upon this Caſe, That a Remainder to his firſt reputed ſon or baſtard, is not good, Becauſe the Law doth not favour ſuch a generation, nor expect that ſuch ſhould be, nor will ſuffer ſuch a Limitation for the Inconveniency which might ariſe thereupon. Wherefore, becauſe the Plaintiff was in truth a lawful ſon begotten between the ſaid A, and the ſaid M.L. after they were married together: and the Conveyance was made in this manner only, to avoid ſcruple which might happen, becauſe A. was married to a former wife, and was divorced from her, if this Divorce ſhould be Repealed. The Plaintiff ſeeing the Opinion of the Juſtices for this Cauſe diſcontinued his Writ of Error. Mich. 39 Eliz. B. R. *Hodwell* and *Edwards* Caſe, *Cro.* 3. Part, 509.

7. In avowry for Rent; upon a Demurrer, the Caſe was: A. the Grandfather made a Feoffment to the uſe of K. his Wife for life, the Remainder to R. his Son for uſe; and after to his eldeſt Iſſue, which ſhould be at the time of his Death, the Remainder in Fee to J. S: R. had Iſſue J. his eldeſt Son, the Grandfather dyed; K. lett the Land for years to R: R. and J. S. made a Feoffment, and levyed a Fine with warranty and proclamation to the Defendant. K. dyed within five years after: R. dyed, J. being his eldeſt Son at the time of his death, entred as in his Remainder. Whether the Remainder was deſtroyed by theſe Acts, or J. now might enter, was the Queſtion? It was the Opinion of the whole Court in this Caſe, That by the Feoffment, the Remainder being in Contingency, was deſtroyed. Mich. 40 Eliz. B. R. *Smith* and *Belays* Caſe. *Cro.* 3. Part, 630. See *Cro.* 1. Part, *Chudleighs* Caſe acc.

8. The Abbot of C, before the Statute of Diſſolutions, by Indenture leaſed Lands to W.D, and J. his Wife, and F. his Daughter, for their lives; and by the ſame Indenture Covenanted, Granted, and Confirmed to the three Leſſees, That the

the Land ſhould remain to the Aſſignees of the Survivor of them for 99 years; F. ſurvived, and took Husband H, who 2 Eliz. granted her Eſtate to J. S, and all her Intereſt in Remainder, and all her power, and all the Term; the which by mean Aſſignments, came to the Defendant: and whether any Intereſt paſſed in Remainder by the Leaſe of the Abbot, was the Queſtion: It was the Opinion of the whole Court, That although the Remainder is not limitted to any of the three Leſſes, but to the Aſſignee of the Survivor; yet the ſame is not a bare Nomination in the Survivor, to appoint what perſon he ſhall pleaſe, but it is a Term and Intereſt. But the Opinion of the Juſtices further was, That whether the ſame was an Intereſt or a power of Nomination only, yet it was ſaved to the party by the Statute of 31 H. 8. of Monaſteries, which gave the Houſes diſſolved to the King, but in the ſame degree and quality as the Abbot had; and the Abbot himſelf was charged by this power given by himſelf, and therefore ſo ſhould the King be. Paſch. 4 Jac. B. R. *Clark* and *Sir John Sydenhams* Caſe. *Yelv.* 85.

9. In *Ejectione Firmæ*, upon a ſpecial Verdict, the Caſe was: A Tenant in tail to his Heirs-males of a Meſſuage in *London*, the Remainder to B. in Fee: B. by Deed enrolled, granted his Eſtate, Right, and Remainder, to the Queen in Fee, during the life of A, and after his death as long as any iſſue male of A. ſhould live; A. ſuffered a common Recovery, under which the Plaintiff claimed; A. dyed without iſſue, the Defendant as Servant to B. entred. It was adjudged in this Caſe, That the Common Recovery ſhould barr the Remainder of B, notwithſtanding his Grant to the Queen; for the Grant to the Queen was void, becauſe it could never come in Poſſeſſion, and a Remainder is but *quaſi terra remanens*; for by the death of a Tenant in Tail without Iſſue, the Eſtate of the Queen was determined; ſo as ſhe had not any benefit by the Grant, but a dry Remainder without profit. But if there had been ſuch a Grant of the Reverſion to the Queen, it had been good, becauſe, during the firſt tail, there ſhould be an Attendance for the Services and Wardſhip, &c. of the Iſſue of the Doner, &c. Mich. 6 Jac. B. R. *Poole* and *Nedhams* Caſe. *Yelv.* 149.

10. A man Leaſeth for life, and after leaſeth for years to begin after the death of Leſſee for life, rending Rent; the Reverſion is granted: Tenant for life dyes, Leſſee for years doth not attorn. It was conceived, That the Reverſion paſſed without Attornment, and that he ſhould have debt, or ſhould avow. Hill. 3 Car. C. B. *Beatons* Caſe. *Hetley*, 73.

Remitter.

1. NOte; It was the Opinion of all the Juſtices of the Common Pleas, That if Tenant in Tail hath Iſſue two Sons, and diſcontinueth the Tail to the youngeſt Son in Fee, and after dyeth, and the younger Son after dyeth, his Wife privy with Child with a Son; and afterwards the eldeſt Son entreth as Heir, as he may do, and after the Son is born; that now the eldeſt Son is remitted to the ſame Land by his Entry, becauſe his Entry was lawful, and there was none at the time of his Entry, againſt whom he could have brought his Writ of Formedon. Hill. 1 & 2 *Mar. Bendlowes* 22.

2. If a Gift be made in Tail, the Remainder in Tail, the Remainder in Fee, and the firſt Tenant in Tail diſcontinueth, and dyeth without Iſſue; and afterwards he in the Remainder in Tail enters, and dyeth ſeiſed, and the Land diſcends to his Iſſue; the ſame Iſſue ſhall be in his Remitter, and ſhall hold the Land. But otherwiſe it is, If he in the Remainder in Tail, after his Entry, had dyed ſeiſed without Iſſue; becauſe then the Entry of the Diſcontinuee was congeable, and he in the Remainder in Fee could not then enter: and if Tenant in Tail hath Iſſue two Daughters, and diſcontinueth the Lands, and dyeth, and one of the Daughters after his decease entreth into all the Lands, and dyeth ſeiſed, and the Lands do deſcend to her Iſſue, the ſaid Iſſue is remitted to the moyety of the ſaid Lands, and the other Siſter who did not Enter, ſhall have her Formedon againſt the ſame Iſſue, for the other moyety; for the other Siſter who did not Enter, was not remitted by ſuch diſcent. Paſch. 29 H. 8. *Bendlowes* 22.

3. The Caſe was this: Grandfather, Father, and Son; Lands were given to the Grandfather for life, the Remainder to the Son in Tail; The Grandfather and the father joyned in a Feoffment with Warranty: The Feoffee made a Leaſe for years, and afterwards conveyed the Land to the Grandfather for life, the Remainder to the Father in Fee; the Grandfather and the Father dyed, the Son Entred, and put out the Leſſee. It was the Opinion of *Weſton*, Juſtice, That the Entry of the Son was lawful; For it was the Feoffment of the Grandfather, and the Confirmation of the Father; and the Warranty of the Grandfather was Collateral to the Father and his Eſtate: but

when the Land is re-assured, as above is ſaid; and afterwards the Son Entreth after the death of the Grandfather and Father, now he is Remitted, and the Warranty gone by taking back the Eſtate, and the Son is now ſeiſed of as high an Eſtate as his Anceſtor was at the time he departed with the Land, by which the Warranty is determined. *Dyer*, Juſtice conceived, That againſt a warranty Collaterall one cannot be remitted; and ſaid, *That during the Poſſeſſion of the Grandfather, the Warranty was only ſuſpended*; And if it was determined by the Death of the Grandfather, yet having reſpect to the Leſſee, it is in being, for that his Eſtate is derived out of that which was warranted, which deſcends with the Warranty. Mich. 7 Eliz. C.B. *Leon.* 3. Part, 10.

4. Note upon an Evidence to a Jury; It was ſaid by the Court, That if Tenant in Tail, the Remainder in Fee doth diſcontinue, and retakes an Eſtate in Fee, and deviſeth it to his Wife for life, the Remainder to B. for years, the Remainder in Fee to him, who had the Remainder in Fee before, and dyeth without Iſſue, the Wife entreth and dyeth. That he in the Remainder in Fee is remitted, and may enter upon the Deviſee for years, and well avoid his Leaſe, although that his Remainder be created by the ſame Will. And ſee 9 H. 6. 43. Remitter avoids a Leaſe for years without Entry. Mich. 42 Eliz. C. B. *Rooke* and *Spratts* Caſe. *Noy* 48.

5. The Queſtion was: If a man ſeiſed in the right of his Wife, leaſeth for life, the Remainder over in Fee; And afterwards he and his Wife recovereth the Land in a Writ of Entry in the Poſt againſt the Leſſee for life, if the Wife by that ſhall be Remitted. It ſeemed to *Hutton*, Juſtice, That ſhe ſhould be remitted, as well as where a Feoffment is made to Husband and Wife; for that a Recovery countervails a Feoffment, and no Lacheſſe ſhall be adjudged in the Wife, for the Purchaſe of the Writ ſhall be adjudged the Act of the Husband alone, and not the Act of the Wife. But the Court ſaid, They would adviſe of it, for that perhaps ſhe ſhall be eſtopped by the Record. Trin. 4 Car. C. B. *Dixon* and *Blythes* Caſe. *Hetly* 110.

Rents.

1. THe Prebendary of D. lett his Prebend to B. for years, reſerving Rent to him and his Succeſſors Prebends of D, payable at Mich. &c. with Condition of Re-entry, for him and his Succeſſors, if the ſaid Rent be lawfully demanded of the ſaid B; the Prebend was after aſſured to J. S, who after was attainted of Felony, and the Prebend given to the King by Act of Parliament; and if the King by the word Succeſſors might Re-enter for the Condition broken; and, If he ought to demand the Rent of B, as J. S. ought to have done; and, If it be demandable, if it ought to be demanded at the laſt inſtant of the day, or when the King pleaſes, was the Queſtion? It was the Opinion of all the Juſtices of the Common-Pleas, That the King ſhould have the Rent; and that without any Demand of it. Mich. 16 Eliz. C. B. *Bendlowes* 29.

2. The Caſe was: A. ſeiſed of Lands in Fee, granted a Rent-charge out of them to another, and afterwards he alliened the Lands to a Stranger. The Grantee in a Replevin, avowed for the Rent; The other Party pleaded, That nothing paſſed by the Deed. In this Caſe, It was holden by the whole Court, To be no Plea, nor can any Iſſue be joyned upon it; but the Plaintiff ought to have ſaid, That he did not Grant by the Deed: For the ſame is Rent newly created, and which had not his Eſſence before the Grant; and it cannot properly be ſaid, That nothing paſſed by the Deed, but of a thing that is in *Eſſe*, but not of things not in *Eſſe*: That he did not Grant it, as the moſt natural Iſſue; for a thing not in *Eſſe*, *non poteſt tranſire*. Mich. 19 Eliz. C. B. *Stwards* Caſe. *Leon.* 2. Part, 13.

3. The Caſe was: The Earl of *Weſtmerland*, ſeiſed of a Mannor, whereof the Demeanes were uſually lett for three Lives by Copy, according to the Cuſtom of the Mannor; Granted a Rent-Charge to Sir *William Cordell*, *pro Conſilio impendendo*, for the Term of his Life; and afterwards conveyed the Mannor to Sir *William Clifton* in Tail. The Rent is behind; Sir *William Cordell* dyeth; Sir *William Clifton* dyeth, the Mannor deſcends to Sir *John Clifton*, who grants a Copyhold to J. S: The Executors of Sir *William Cordell* diſtrein for the Rent. It was Objected, That the Executors could not diſtrein for this Rent upon the Poſſeſſion of the Copyholder; for it is not within the

the Statute of 32 H. 8. Of *Rents*. And alſo here the Land charged, doth not continue in the Seiſin and Poſſeſſion of the Tenant; and here Sir *John Cliſton* was Iſſue in Tail; and he doth not Claim only by the Father, but *per formam Doni*: and therefore he is not lyable, and therefore not his Copyholder. But the Opinion of the Court was, That the Copyholder ſhould hold the Land Charged: And it was ſaid by the Juſtices, That the Copyholder doth not Claim only by the Lord, but he Claims alſo by the Cuſtom; but the Cuſtom is not any part of his Title, but only appoints the manner how he ſhall hold; the Poſſeſſion continues here in Sir *John Cliſton*, for the Poſſeſſion of his Copyholder is his Poſſeſſion, ſo as if the Copyholder is ouſted, for Sir *John* ſhall have an Aſſize: And ſo the ſtrict words of the Statute are obſerved, for the Seiſin and Poſſeſſion continues in Sir *John*, who claims only by Sir *William*, who was Tenant in Demeſne, who ought to pay the Rent. *Quære* the Caſe. Hill. 18 Eliz. C. B. The Executors of Sir *William Cordell* and *Cliſtons* Caſe. *Leon.* 2. Part, 152, 153.

4. Errour brought in the Exchequer Chamber, becauſe the Plaintiff declared in Debt againſt the Defendant as Aſſignee, and ſuppoſed, That he lett to J. S. for years, rendring Rent; and that J. S. by his Will deviſed to the Defendant, and he Entred, and was poſſeſſed, &c. and ſhews not that the Leſſee made any Executor, nor that the Defendant Entred with the aſſent of the Executor, *Nec virtute Legationis*, nor conveyed any lawful Eſtate to himſelf. For theſe Cauſes the Juſtices and Barons held the Declaration to be ill, and reverſed the Judgment: But for the principal Matter, Whether there ought to be a Demand of the Rent, All the Juſtices and Barons held, That there muſt be a Demand, although the Rent was payable out of the Land; beſides *Anderſon*, Chief Juſtice of the Common-Pleas, who ſaid, *It being appointed to be paid out of the Land, it is but a ſum in Groſs, and not in Rent.* Mich. 39 Eliz. *Com. Stat. Baſkyn* and *Edmonds* Caſe. *Cro.* 3. Part, 535.

5. In a Replevin, the Defendant made Conuſance, as Bayliff to J. S, for a Rent reſerved upon a Bargain and Sale by Indenture enrolled. It was Objected, That nothing paſſed by the Bargain and Sale, but the Uſe; and how then may a Rent be reſerved thereupon? But it was the clear Opinion of the whole Court, That the Reſervation of the Rent was good. At the Common Law, ſuch a Reſervation had been void; but now the Bargainor ſhall have the Rent by the Saving in the Statute of *uſes*; and ſo it was ſaid, it was holden and adjudged in *Dawbies* Caſe. Mich. 40 Eliz. C. B. *Wykes* and *Tillerds* Caſe. *Cro.* 3. Part, 595.

6. Debt for Rent: The Plaintiff declared, That A. was ſeiſed in Fee of two Acres, the one Freehold, the other Copyhold Land; and having the Lords Licence to make a Leaſe of the Copyhold by Indenture, lett the two Acres by Indenture to J. S. for 21. years, rendring 20 s. Rent; and afterwards granted the Reverſion of the Freehold Land to the Plaintiff in Fee, to whom the Leſſee Attorned: And upon the ſame day, ſurrendred the Reverſion of the Copyhold Lands to two Tenants of the Mannor, to the uſe of the Plaintiff in Fee; which was preſented at the next Court, and the Plaintiff admitted accordingly: And afterwards J. S. the Leſſee granted all his Eſtate to the Defendant; and for 3. years Rent Arrear, the Plaintiff brought the Action. It was ſaid, That the Declaration was not good, to maintain the Action; For when he divided the Reverſion, the Rent was thereby utterly extinct; or at leaſt-wiſe, the Plaintiff ought to have had ſeveral Actions, becauſe he hath the Reverſion by ſeverall Conveyances. And it was ſaid, That the Rent was only iſſuing out of the Freehold Land as the moſt worthy. As, If a Leaſe be made of Lands and Goods, the Rent ſhall iſſue out of the Lands, and not out of the Goods. But it was the Opinion of the Court, That the Leaſe being made by the Lords Licence with one entire Reſervation, it was a good Leaſe, and a good Rent which iſſueth out of the entire Land Copyhold and Freehold; For the Rent is for the Land, and the profits thereof; in recompence whereof, the Rent is to be paid, and therefore it iſſueth out of both. Wherefore, upon the whole matter, it was adjudged for the Plaintiff. Mich. 40 Eliz. B. R. *Collins* and *Hindings* Caſe. *Cro.* 3. Part, 622, 623.

7. In Debt; The Caſe was: A Rent was granted to the husband and wife for their Lives; The Rent was behind, the husband dyed: Another Rent was behind: The wife dyed Inteſtate, the Adminiſtrator brought debt for the Arrearages due in the life of the husband, and after. It was Reſolved by the whole Court, That the Action did well lye, becauſe the Arrearages ſurvived to the wife as well as the Rent it ſelf. Mich. 42 Eliz. C. B. *Temple* and *Temples* Caſe. *Cro.* 3. Part, 791.

8. A man made a Leaſe for life, and afterwards lett the Land to A. for 99. years, if he ſhould ſo long live, to begin after the death of the Leſſee for life: And if A. dyeth during the term of 99. years, or that the Term otherwiſe determine; and after the death of the Leſſee for life, Then the Leſſor granteth for him and his heirs,

heirs, That the Land ſhall remain to the Executors of A. for 20 years. The Leſſee for life dyed: A. leaſed the Land for 20 years, rendring Rent, and dyed Inteſtate; B. took Letters of Adminiſtration, and brought debt for the Rent. It was adjudged in this Caſe, That the Action did not lye; for that this Contingent of 20. years never veſted in A: But if it had been limited to the Executors for payment of the Debts of A, or the like; then by the apparant intent it ſhould be an Intereſt in A, and in the Executors of A; but the chief reaſon of the Judgment was, Becauſe the Term for 20 years, was but a Poſſibility. Mich. 45 Eliz. B. R. *Spark* and *Sparks* Caſe. *Yelverton*, 11.

9. Debt was brought for Rent, upon a Demiſe of 3. ſeveral Acres for 3. ſeveral Terms, rendring one Rent, *pro Terminis prædictis*. It was Objected in this Caſe, That the Rent ſhould not iſſue out of them all, for that they are ſeverall Terms. But it was adjudged, That it was a good Rent: For it is one entire Demiſe, and the Rent ſhall iſſue out of the whole: and although that one of the Terms expires, or be otherwiſe determined, yet the whole Rent ſhall iſſue out of the Reſidue. Mich. 21 Jac. *Towers* Caſe. See the Reports annexed to *Bendlowes*, 139.

10. *Ejectione firmæ* found, King E. 6. was ſeiſed of the Mannor and Hundred of *Fremington*, and by Letters Patents granted the ſame to B. in Fee, rendring 130 l. *per annum*, and to hold by Homage and Fealty. Queen M. reciting the grant of E. 6. and the Reſervation upon it, granted to the Marchioneſs of E. the Mannor of *Fremington*, and the Rents and Services; and alſo the Mannor of C. and other Lands to be holden by the 20th part of a Knights Fee: The Marchioneſs Deviſed to the Lord *Mountjoy* the Mannor of *Fremington*, the Mannor of C. &c. And the Jury found, That the ſaid Rent of 130 l. was the full third part of all the Lands and Tenements of the Deviſor. It was the better Opinion of the Juſtices in this Caſe, That the Rents and Services did paſs to the Deviſee by the Will, otherwiſe the Deviſe of the Mannor of *Fremington* ſhould have bin void and ſuperfluous which ſhall not be taken to be in a Will, which ſhall be conſtrued according to the intent of the Deviſor; and therefore under the name of the Mannor, the Rents and Services ſhall paſs, becauſe the Deviſor had nothing in the ſame, but the Rents and Services. Hill. 29 Eliz. C. B. *Inchley* and *Robinſons* Caſe. *Leon.* 2. Part, 41, 42.

Repleader.

1. A Vowry for a Rent, and made Conuſans as Couſin and Heir to R. C. that is to ſay, Son of A. Daughter of R. and for Rent arrear for 16 years after the death of A. he avowed; and becauſe he made title to it immediately as Heir to R. and afterwards avowed for Rent after the death of A. which cannot be; for it ſhall be intended, That ſhe dyed in the life of R. and Iſſue being joyned upon another matter, the parties were ordered to Re-plead. Hill. 26 Eliz. C. B. *Chamberlains* Caſe. *Cro.* 3. Part, 24.

2. Trover and Converſion of Trees; The Defendant pleaded, That the Queen was ſeiſed in Fee of the Mannor of D. where the Trees were growing, and granted it to the Defendant in tail, whereby he was ſeiſed thereof, and that J. S. cut the ſaid Trees, and granted them to the Plaintiff, who loſt them, and the Defendant found and converted them. The Plaintiff replyed *de injuria ſua propria, &c.* It was holden, That the Plea *de injuria ſua propria* was ill, where the Defendant makes Juſtification by claiming an Intereſt to himſelf, but where one claims not any Intereſt, but juſtifies by command or Authority derived from another, it is otherwiſe: Wherefore by the Rule of the Court, a Repleader was awarded. Hill. 39 Eliz. B. R. The Archbiſhop of *Canterbury* and *Kemps* Caſe. *Cro.* 3. Part, 539.

3. Trover and Converſion againſt Husband and Wife, ſuppoſing the Trover by them both during the Coverture, and the Converſion by the Wife only. The Defendants pleaded, *Quod ipſimet ſunt inde Culpabiles.* It was found for the Plaintiff, and moved in Arreſt of Judgment, That becauſe the Declaration doth not charge the Husband with any *tort*, but only the Wife, the Iſſue ought to have bin *Quod ipſa non eſt inde Culpabilis.* And of that Opinion was the whole Court; and it was awarded, That it was not a good Iſſue, and that they ſhould Re-plead, *Quod Nota.* A Repleader awarded after Verdict. Paſc. 44 Eliz. B. R. *Cox* and *Crapnells* Caſe. *Cro.* 3. Part, 883.

4. Replevin, the Defendant made Conuſance as Bayliff to J. S. for 10 s. for an Amercement 10 s. for rent, and 20 s. for a Relief. The Plaintiff as to the 10 s. Amercement ſaid *de injuria ſua propria*,

pria, and traverſed the Preſcription to hold Court, and Amerce. To the 20 s. Rent, *Quod paratus fuit et obtulit* to the Bayliff of the Lord, who refuſed it. To the 20 s. for the Relief, That the Tenant dyed ſeiſed, and the Land diſcended to two Coparceners, who with their Husbands enfeoffed the Plaintiff, and that the Lord knowing of the Feoffment, accepted the Rent of the Plaintiff, and demanded Judgment. For the firſt, the Defendant demurred. To the ſecond, traverſed the Refuſal and Iſſue joyned upon it. To the third, the Relief, he demurred. It was in this Caſe Reſolved, That the bar for the Relief was inſufficient; and the acceptance of the Rent, no bar of the Relief. 2. That the Avowry for the Amercement was inſufficient, becauſe it was not alledged *de facto*, that the Plaintiff did not appear after ſummons, but that *Præſentatum fuit per Homagium* he did not appear. 3. That the Iſſue joyned upon the Refuſal, was not good; but it ought to have remained upon the Tenure. Wherefore for that point, a Repleader was awarded. Paſc. 44 Eliz. C. B. *Parhan* and *Nortons* Caſe. *Cro.* 3. Part, 886.

5. Note, It was Reſolved by all the Juſtices, That there never ſhall be a Re-pleader after a Demurrer. Trin. 3 Car. B. R. in *Climſon* and *Pools* Caſe. *Latch* 147.

Replevin.

1. IN Replevin, The Defendant pleaded, That the place where, &c. is called *Spicall*, and holden of the Mannor of *Iſtall* by certain rent, and made Conuſans as Bailiff of the Lord of the Mannor, and Iſſue being joyned thereupon, It was tryed by a jury of the Viſne of *Spicall*. It was moved, That it was a Miſ-Tryal, for that the Viſne ought to be of *Spicall* and *Iſtall* alſo. And ſo it was ſaid it was adjudged in one *Webb* and *Richmonds* Caſe. Mich. 31 Eliz. in C. B. Mich. 32 Eliz. in C. B. *Lacy* and *Fiſhers* Caſe. *Leon.* 2. Part, 59.

2. Replevin, the Defendant avowed for Damage feaſant, and ſhewed, That the Lady J. was ſeiſed of ſuch a Mannor, whereof the place where, &c. and leaſed the ſame to the Defendant for years, &c. The Plaintiff ſaid, That long before King *Henry* the 8th was ſeiſed of the ſaid Mannor, and that the place where is parcel of the ſaid Mannor demiſed, and demiſeable by Copy, &c. and that the ſaid King by ſuch a one his Steward, demiſed and granted the ſaid parcel to the Anceſtor of the Plaintiff, whoſe Heir he is by Copy in Fee. Upon which it was demurred, becauſe upon the bar to the Avowry, the Leaſe ſet forth is not anſwered; For the Plaintiff in bar to the Avowry, ought to have concluded, *ſcil.* and ſo he was ſeiſed by the Cuſtome until the Avowant *prætextu* of the ſaid Term for years entred. And ſo it was adjudged. Trin. 26 Eliz. B. R. *Herring* and *Badlocks* Caſe. *Leon.* 2. Part, 81.

3. In Replevin, the Caſe was; That before the Statute of *Quia emptores terrarum*. A man made a Feoffment in Fee to hold of him *ſolvend. poſt quamlibet vacationem ſive alienationem*, the value of the annual profits of the Land. It was holden by the Court in this Caſe, That the value ſhall be intended ſuch a value as was the value at the time of the Feoffment made, and not as it is improved by ſucceſſion of time. Mich. 30 Eliz. C. B. *Marſh* and *Jones* Caſe. *Leon.* 2. Part, 117.

4. Replevin, the Defendants made Conuſans as Bayliffs to *Tho.* Lord *Howard*; and ſhewed, That the late Diſſolved Prioreſs of *Hollywell* was ſeiſed of the Mannor of P. and granted the ſame by words of *Dedi et conceſſi pro certa pecunia ſumma*, to J. S. and his Heirs, who entred, and dyed ſeiſed, and that the ſaid Mannor (*inter alia*) diſcended to M. Daughter and Heir of the ſaid J. S. who entred and dyed ſeiſed, and ſo the ſaid Mannor diſcended to the ſaid *Tho.* Lord *Howard*, and that the ſaid Conveyance by the Prioreſs to J. S. was dated, 4. *Nov.* 29 H. 8. and then enrolled. The Plaintiff in bar to the Avowry ſhewed, That after the making and enrolling of the ſaid Conveyance, the ſaid Prioreſs leaſed the Land to J. D. for 99 years, and conveyed the Land to him; and ſhewed, That the Conveyance ſpecified in the Conuſans was *primo deliberat.* 4. *Nov.* 31 H. 8. *abſque hoc*, that the ſaid Prioreſs the ſaid 4. *Nov.* 29 H. 8. *conceſſit*, the ſaid Mannor to J. S. Upon which it was demurred. It was the Opinion of the Court, That the Averment of *primo deliberat* againſt a Deed enrolled, ought not to be received. It was further Objected, That Bargain and Sale by a Corporation is not good, for that a Corporation cannot be ſeiſed to anothers uſe, and the nature of the Conveyance is to take effect by way of uſe in the Bargainee, and after the Statute, to draw the poſſeſſion to the uſe. Note, It was adjudged for the Plaintiff, for that the Conveyance of the Prioreſs was not well pleaded, for it ought to be pleaded as a Bargain and Sale, and not as a Grant, and Judgment was given accordingly. Mich. 30 Eliz. C. B. *Holland* and *Boins* Caſe. *Leon.* 2. Part, 121, 122.

5. Replevin, The Defendant avowed for Damage

mage feaſants: Upon Iſſue joyned, It was found for the Avowant, and damages aſſeſſed, and *Retorno habendo* iſſued; upon which the Sheriff did return *averia elongata*: Whereupon a Withernam was awarded. The Plaintiff now tendred the damages in Court aſſeſſed by the Jury, and prayed ſtay of the Withernam: but the Court was clear againſt his ſo doing, for in this Caſe the Plaintiff ought firſt to pay a Fine for his contempt. Wherefore the Court firſt aſſeſſed a Fine upon the Plaintiff, and then the Plaintiff had his preyer granted. Mich. 30 Eliz. C. B. *Leon.* 2. Part, 174.

6. Replevin, the Defendant made Conuſans as Bailiff to one H. for Damage feaſance. The Plaintiff ſhewed, That A. T. did pretend Title to the Land where: and that the Defendant in the right of A. T. took the Cattel *abſque hoc*, that he took them as Bayliff to the ſaid H. Upon which the Defendant did demur. It was objected, That the Traverſe was not good; for if it ſhould be good, the meaning of the party ſhall be drawn in Queſtion, *ſcil.* the meaning of him who took the Cattel. But it was the Opinion of the Court, That the Traverſe was good. See 13 H. 7. 13. the Earl of *Suffolks* Caſe. In Treſpaſs, the Defendant pleaded, That before the Treſpaſs, the Plaintiff was ſeiſed, and thereof enfeoffed one B. by whoſe commandment he entred; to which the Plaintiff ſaid, That after the Feoffment, and before the Treſpaſs, the ſaid B. leaſed to the Plaintiff to hold at will *abſque hoc*, that the ſaid B. did command him, and that was holden to be a good traverſe, for the Commandment determines the Leaſe at Will. Paſc. 29 Eliz. C. B. *Fuller* and *Trimwells* Caſe. *Leon.* 2. Part, 215.

7. In Replevin againſt R. and S. the parties were at Iſſue. Afterwards R. dyed, which was ſhewed to the Court. It was moved, If the whole Writ ſhould abate. It was the Opinion of the Court, That it ſhould not abate, but ſtand good for the other; and ſo it was ſaid it had bin often adjudged. Trin. 39 Eliz. B. R. *Withers* and *Rooks* Caſe. *Cro.* 3. Part, 574.

8. In Replevin, The Plaintiff declared of a taking *apud* D. without alledging of any place certain, the uſual courſe being to ſay, *in quodam loco vocat. &c.* for which cauſe the Defendant did demur: And the Court held the Demurrer to be good, and that the Declaration was not good: For that the place is put into the Count or Declaration to give notice to what the Defendant ſhould make his Title and anſwer; and the Town is too general and uncertain. Wherefore the Declaration being againſt the general form, it was holden by the Court not to be good, and ſo adjudged. Mich. 44 Eliz. C.B. *Ward* and *Lavills* Caſe. *Cro.* 3. Part, 896.

9. Replevin by O. againſt W. P. and L. for taking of a horſe, &c. W. avowed, the other made Conuſans for 11 d. rent arrear due by *Otres* to W. It was found for the Defendant, and 2 d. damages given by the Jury to all the Defendants; and Judgment was given, That they ſhould recover *damna ſua prædict. per Juratores aſſeſſ. &c.* And becauſe in this Caſe P. and L. made Conuſans generally, and did not make it as Bayliffs nor Servants to W. and the Conuſans is in it ſelf a Title and Juſtification in another Right, and damages are given to them all three, and two of them who made the Conuſans had not cauſe to recover any thing; for this cauſe the Judgment was reverſed. Mich. 5 Jac. B.R. *Owen* and *Williams* Caſe. *Yelverton* 108.

Requeſt.

1. DEbt upon a Bill of 70 l. to be paid upon demand, becauſe no demand was ſhewed in the Declaration; the Defendant demurred; for it was ſaid, That the demand was parcel of the Contract, ſo as the money was not due till demand, and a demand being requiſite, the bringing of an Act on will not ſerve the turn. But it was the Opinion of the Court, That it was well enough, becauſe it was a duty preſently, and is not like the Caſe where one is bound to levy a Fine upon demand. It was adjudged for the Plaintiff. Hill. 39 Eliz. C. B. *Capp* and *Lancaſters* Caſe. *Cro.* 3. Part, 548.

2. Debt upon Obligation, the Condition was to make an Aſſurance to the Obligee of certain Lands before the 10th of *March*, 17 Eliz. and if it fortune the Obligee to refuſe to accept of the Aſſurance, and ſhall make requeſt to have 100 l. in ſatisfaction of it. Then, if upon ſuch requeſt within five Moneths after he pay the 100 l. that then, &c. and at the day he refuſed the Aſſurance; and afterwards 27 Eliz. he made the requeſt to have the 100 l. and if it was ſufficient for time, was the Queſtion upon a Demurrer. It was the Opinion of all the Juſtices, That it was, and that a Requeſt at any time during his life, was good, and he is not reſtrained to make it at or before the day that the Aſſurance was to be made. It was adjudged for the Plaintiff. Trin. 31 Eliz. B. R. *Baſton* and *Andrews* Caſe. *Cro.* 3. Part, 136.

3. Aſſumpſit, In conſideration he promiſed the Defendant to marry his Daughter, he promiſed to give the Plaintiff 40 l. and alledged *in facto*, that he

he had married his Daughter: Upon Non-Aſſumpſit found for the Plaintiff, it was alledged in ſtay of Judgment, That no time or place was alledged of the Requeſt. But the Exception was diſallowed of by the Court, for it is in the nature of a debt, and it is not here appointed to be upon Requeſt; but it is otherwiſe of a Collateral thing. Paſc. 33 Eliz. B. R. *Applethwart* and *Northyes* Caſe. *Cro.* 3. Part, 229.

4. Aſſumpſit, That whereas he ſold to the Plaintiff a Pack of Wool for 20 l. to be paid at a day certain; and *licet ſæpius requiſitus* at ſuch a day and place he had not paid it; and that he ſold to the Defendant another Pack of Wool for 10 l. to be paid when required, *Et licet ſæpius requiſitus, &c.* without alledging day and place. It was the Opinion of the Court, and ſo adjudged, That it was good, for it ſhall refer to the day and place of Requeſt. Trin. 33 Eliz. B. R. *Barnes* and *Ley's* Caſe. *Cro.* 3. Part, 240.

5. Aſſumpſit, The Plaintiff declared, and ſhewed, That he was an Inn-keeper, and that the Defendant brought his Horſe to him, and agreed to give 6 d. Livery for day and night, and becauſe the horſe had bin there for ſo many dayes and nights as amounted to 20 l. the Plaintiff brought his Action, and declared *Licet ſæpius requiſitus* without alledging a Requeſt *in facto*: and it was adjudged by the whole Court to be good; for where the ground of the Action is a Debt, in which Caſe the Law induceth the promiſe, there the Requeſt is not iſſuable, nor parcel of the conſideration; but it is otherwiſe where the Action is founded upon a meer collateral matter, and not upon a duty, for there the Requeſt is iſſuable, and ought to be expreſly alledged. Trin. 3 Jac. B. R. in the Caſe of the Hoſtler. *Yelverton* 66.

6. In Aſſumpſit, the Caſe was, A. brought an Action againſt B. and J. S. promiſed to A. that if he would forbear to ſue B. that he would pay him 200 l. at the Feaſt of St. *John Baptiſt* following, and 100 l. at any time after the ſaid Feaſt when he ſhould be reaſonably required; and the Plaintiff alledged a failer of payment of the ſaid 100 l. *Infra poſtes*, ſcil. 8. *October* ſuch a year, which was in truth before the firſt day of payment; and that was aſſigned in Error upon a Judgment which had bin given for A. It was in this Caſe agreed, That the Requeſt was iſſuable, and therefore ought to have bin ſpecially alledged, becauſe it was no duty before Requeſt, being upon a promiſe of a ſtranger. But when the party himſelf who is endebted promiſeth to pay upon Requeſt, there to ſay *Licet ſæpius requiſitus*, is ſufficient. 2. Becauſe the *ſcil.* here was meerly void, becauſe it is contrary to the Premiſes. Mich. 2 Car. B. R. *Alcock* and *Bloſfield* Caſe. *Latch* 209.

Reſcous.

1. A. and B. were returned by the Sheriff of *Berks* to have made Reſcous upon ſuch a Bailiff, to whom he directed his Warrant to Execute his Writ. It was moved that the Return was inſufficient, becauſe it doth not appear that the Bayliff had *returna Brevium*, which ought alwayes to be mentioned upon the Sheriffs Return. It was the Opinion of the Court, That it ought to have been ſo, if he returned it as a Return of a Bayliff of a Liberty; but in this Caſe he returns it in his own Name: wherefore, It ſhall be intended, that it was his own Bayliff; and although he names him, in his Return, Bayliff of a Liberty; that is but a void Addition. It was then prayed, That they might be admitted to Traverſe the Return. But the Clerks of the Court ſaid, It had alwayes been the courſe to reject ſuch Traverſes. Wherefore the Court Commanded, That Preſidents ſhould be ſearched: Whether ſuch Traverſe had been allowed; and if it could not be found, that then ſuch Traverſe ſhould not be allowed. Mich. 42 Eliz. B. R. The Lady *Ruſſell* and *Woods* Caſe. *Cro.* 3. Part, 781.

2. Action upon the Caſe againſt the Sheriff of S: For that whereas the Plaintiff had a Latitat againſt one A. L. who was endebted to him in ſuch a ſum by Bond, to the intent, that he being Arreſted, and having put in Bail, he might declare againſt him in Debt. That this Writ being delivered to the Sheriff, to that intent, he Arreſted him, and afterwards at *Weſtminſter* ſuffered him to Eſcape. The Defendant pleaded, That he Arreſted him according as the Plaintiff had declared; but afterwards in the ſaid County, he reſcued himſelf *per geutes* of the County, *abſq; hoc* that he ſuffered him to Eſcape at *Weſtminſter*: Upon which it was demurred, and it was holden by the Court, To be No Plea. For the Sheriff at his peril ought to keep his Priſoner, and may take ſufficient power of his County to Arreſt any one upon mean Proceſs; and although Proceſs ſhall be awarded againſt the Reſcuſers for to puniſh them, yet that is no Anſwer as to the Action brought againſt the Sheriff for the Eſcape; and the traverſing of the Place is not good: It was adjudged for the Plaintiff. Hill. 44 Eliz. B. R. *Waldo* and *Lamberts* Caſe. *Cro.* 3. Part, 867.

3. Upon a Latitat awarded againſt W, the Sheriff returned a Reſcouſe ſuch a day; but in the Return, there was not any place where the Reſcouſe was done: wherefore, it was adjudged, That it was void; for that it doth not appear, whether the Arreſt and the Reſcous were within the County and Juriſdiction of the Sheriff; but if it be within the County, it ſhall be then intended to be within his Bailiwick, and although it was within a Liberty in the ſame County: yet the Reſcouſe was unlawful, becauſe the Arreſt was good. Mich. 2 Jac. B. R. *Wolfreſtons* Caſe. *Yelv.* 51.

4. The Sheriff of S. returned a Reſcouſe againſt one A: That, whereas there was a Judgment had againſt B, and a *Fieri facias* awarded upon it, by virtue of a Warrant to R, to take the Goods of B; by vertue of which, R. ſuch a day *diverſa bona et catalla ipſius* did levy, and had them in his Cuſtody; that the ſaid A. reſcued them from the Bayliff *contra voluntatem* of the ſaid Bayliff. It was the Opinion of the Court, That this was No good Return: Firſt, For that it is, that they were reſcued from the Bayliff. And ſecondly, Becauſe it is of Goods, of which no Reſcous can be returned. But it was ſaid, that in ſuch Caſe, The Party might have an Action upon the Caſe. Trin. 5 Car. C. B. The Sheriff of *Surrey* and *Aldertons* Caſe. *Hetley* 145.

Reſervation.

1. DEbt by S, Executor of A. againſt W, Adminiſtrator of F, upon a Bill of Debt by F. to A, by which F. did acknowledge to have received of one P. 40 l. to be devided between A. and B, and to their uſe. Upon Judgment given in C. B. W. brought Error. The matters moved were, 1. Becauſe the 40 l. was given to be equally divided between A. and B. therefore they are Tenants in Common of it, and ſo the Plaintiff ought to have joyned B. with him in the Suit. But it was the Opinion, That in this Caſe they were ſeveral Debts, *ſcil.* 20 l. to one, 20 l. to the other, and therefore the Action well brought. 2. Matter was, If Debt or Account did lye. As to that it was adjudged, That although there was no Contract betwixt the parties, yet when money or goods are Bailed upon conſideration to the uſe of A. that in ſuch Caſe A. might have Debt for it. The Judgement was affirmed. Mich. 45 Eliz. B. R. *Wherwood* and *Shaws* Caſe. *Yelverton* 23.

2. Debt for Rent, the Caſe was, The Plaintiff let Land to the Defendant at *Mich.* 1 Jac. for five years, rendring Rent at our Lady day and *Michaelmas* yearly, or within ten dayes after. The Plaintiff declared for Rent due at *Mich.* The Court at the firſt ſeemed to be of Opinion, That the Action did not lye, but that the Rent for the laſt Quarter was gone, for that it was not due as the Plaintiff declared, for upon his own ſhewing it is reſerved at *Mich.* or within ten dayes, and ſo no debt for which Action lay before the ten dayes were paſſed. But afterwards the Court, the matter being moved again, upon conſideration of the Caſe, were of Opinion, That the Leſſor ſhould have the Rent, becauſe it is reſerved yearly, and the ten dayes which are added, ſhall be expounded to give liberty to the Leſſee within the Term for his eaſe to delay payment: But becauſe the ten dayes after the laſt *Mich.* are out of the Term, rather than the Leſſor ſhall loſe the Rent which is yearly reſerved, the Law ſhall reject the laſt ten dayes, and ſo it was adjudged. Mich. 7 Jac. B. R. *Barwick* and *Foſters* Caſe. *Yelverton* 167, 168.

3. The Plaintiff as Son and Heir of his Father brought debt, and declared, That his Father, 27. *April*, 35 Eliz. let to the Defendant a Meſſuage, &c. in B. in the County of B. from *Mich.* laſt for 21 years, rendring, during the Term, if the Father ſhould ſo long live, 30 l. at the Annunciation, and Mich. by equal portions, and rendring to the Heirs and Aſſigns of the Father, 20 Marks *ad terminos prædict.* and that the Defendant entred, and occupied from Mich. 35 Eliz. *hucuſq;* After the death of the Father, 4. *May*, 7 Jac. B. dyed; and becauſe 20 Marks was behind at Mich. 7 Jac. the Action was brought. Upon which, the Defendant Demurred. In this Caſe, It was adjudged for the Plaintiff: For the Clauſe by which the Rent is reſerved to the heirs, doth not give but 20 Marks for the whole year, and therefore the Plaintiff hath miſtaken his demand, who ſued for 20 Marks for half a year: for theſe words, *ad terminos prædictos*, limits only the time of payment of the 20 marks, which he intended to be paid at the firſt 30 l. was: And although in that Clauſe which reſerves the Rent to the Heirs, the words, *per æquales portiones*, are omitted; yet the Law ſhall ſupply them. 2. Becauſe the Plaintiff brings his Action as Heir, and doth not ſhew that the Reverſion is diſcended to him, and the Rent demanded as incident to the Reverſion. Adjudged againſt the Plaintiff. Reſtitution.

Reſtitution.

1. IF a Writ of Error be brought upon the Statute of 8 H. 6. if it be found with the Plaintiff, Yet it was adjudged, That he ſhall not have a Writ of Reſtitution of the ſame: As it was adjudged, Mich. 6 E. 6. See Paſch. 1 & 2 Mar. C. B. *Peſcall* and *Tenthins* Caſe. *Bendlowes*, 23.

2. *Replevin* after a Second Deliverance; Return was awarded to the Defendant, and *Averia iterata* being returned, a *Withernam* was awarded of the Cattel of the Plaintiff; and afterwards the Plaintiff came and ſatisfied the Defendant his Damages, and prayed a Reſtitution of his Cattel. It was ſaid, That Cattel taken in *Withernam*, are irreplevifible. The Court agreed, They are not Replevifible: But yet upon ſatisfaction acknowledged, he ſhall have a Writ of Reſtitution And ſuch, the Clerks ſaid, was the Courſe of the Court, and the Writ was granted. Mich. 33 Eliz. C. B. *Annefly* and *Johnſons* Caſe. *Cro.* 3. Part, 181.

3. *Quare Impedit* by the Queen, who claimed the Preſentment by Lapſe againſt the Patron, Biſhop and Incumbent, and, *pendente Lite*, the Patron dyed: The Son and Heir of the Patron and Executor of him, brought Error to reverſe it: And it was holden to be good; and in that Caſe, upon the Reverſal of it, the Incumbent, although he be ſevered, ſhall have Judgment to reſtored. Paſch. 36 Eliz. B. R. *Pipe* and the Queens Caſe, *Cro.* 3. Part, 324.

4. Upon a *Vi Laica removenda*, a Parſon was patron of poſſeſſion, and the poſſeſſion gotten by his Adverſary; and upon a Suggeſtion thereof to the Court, Reſtitution was awarded upon an *Affidavit* of it: And ſo it was ſaid, It was adjudged 35 Eliz. in *Erkinſons* and *Palmers* Caſe, for the Parſonage of *Wiberton* in the County of *Cambridge*, Hil. 38 Eliz. B. R. *Wilkinſons* Caſe, *Cro.* 3. Part, 485.

5. Attaint was brought in C. B. of a Verdict in the Kings-Bench. Whereupon the Record was removed, and thereupon the Verdict was affirmed. Now the Plaintiff in the firſt Action prayed Execution according to the firſt Verdict. It was the Opinion of the Juſtices, That he ſhould have Execution. For the Juſtices of the Common Pleas may not award Execution, for they have only *tantum Records*; but if the Verdict had been diſaffirmed, and Execution upon the firſt Verdict had been had before, the Court of Common Pleas might very well have awarded Reſtitution. And afterwards Execution was awarded accordingly. Hill. 37 Eliz. B. R. *York* and *Allens* Caſe. *Cro.* 3. Part, 371.

Retraxit.

1. DOwer by Husband and Wife, againſt A. and B, of a Manner and Lands in the County of B: B. pleaded Non-Tenure; A. pleaded Non-Tenure of parcell of the Tenements, and pleaded a Barr for the Manner; and upon the Barr they were at Iſſue tryable in *London*. The Demandants maintained their Writ for the Reſidue of the ſaid Tenements; and upon that they were at Iſſue; and afterwards A. *relicta verificatione ſua*, by her ſaid Barr confeſſed the Action. And thereupon the Demandants prayed their Judgment againſt the ſaid A; And they had their Judgment, and ſaid, That they would not further proceed to try the Iſſues of Non-Tenure: but they would enter a *Retraxit* thereof. And it was Ordered by the Court, That they ſhould do it accordingly. Paſc. 9 Eliz. B. R. The Lord *Wharton* and *Butlers* Caſe, *Bendlowes*, 19.

2. Treſpaſs againſt A. and B, they Impaled, and at the day B. did not appear: Whereupon a *Nihil dicit* was entred againſt him: A. pleaded in Barr; Thereupon the Plaintiff Replyed, and a Demurrer was joyned upon the Replication, and day given over to the next Term, and then adjudged for the Plaintiff; and at the ſame Term, a *Nolle Proſequi* was entred againſt B, and upon Return thereof, *adjudged* againſt him. Whereupon they brought Errour, becauſe this *Nolle Proſequi* is againſt one, where Judgment is entred againſt both, being that a *Retraxit* againſt one, is as ſtrong as a Releaſe to one, the which being to one of the Defendants, is a good diſcharge for both, and then the Judgment againſt A. is erroneous: And of ſuch Opinion were all the Juſtices and Barons. Wherefore the Judgment was Reverſed. Paſch. 42 Eliz. Exchequer Chamberr. *Greta* and *Charnocks* Caſe. *Cro.* 3. Part, 762.

3. Information by an Informer *tam pro Domino Rege quam pro ſeipſo*, upon a penall Law; before any pleaded, the Informer dyeth: It was holden,

holden, That yet the Queen might proſecute it. And ſo if the Kings Attorney will enter a *Nolle Proſ.* as for the King, yet the Informer may proceed for his part. Mich. 40 Eliz. B.R. *Hamman* and *Giffold's* Caſe; and *Stretton* and *Taylor's* Caſe. *Cro.* 3. Part, 583.

Retorn *of the* Sheriff.

1. DEbt againſt Executors; who pleaded, That they had Fully Adminiſtred. It was found, that they had Aſſets, &c. And afterwards, a *Fieri facias* iſſued to the Sheriff; Who Returned, That they had not any thing within the County. And the ſame was holden to be a good Retorn, Becauſe it might be, that the Jury found the Aſſets to be in another County, as they might well do, if they will take Notice of it, and yet their Verdict ſhall not bind the Sheriff. Paſch. 7 E. 6. *Bendlowes*, 23.

2. A. brought Debt upon an Obligation againſt B, Executor of C, and recovered; And upon a *Fieri facias*, the Sheriff Returned, *Deveſtavit*. It was moved to have an *Elegit*: The Juſtices doubted of it, and would adviſe. But at another day, It was moved again, and a Preſident was ſhewed to the Court for it, of 17 Eliz: and thereupon the *Elegit* was granted. Mich. 32 Eliz. B. R. *Mead* and *Clencys* Caſe. *Leon.* 2. Part, 188.

3. Leſſee for years, reſerving Rent; upon a Statute due to the Queen, an *Extendi facias* was awarded to ſeize the Lands and Tenements into the Queens hands, and a *Liberate* awarded Mean betwixt the *Liberate* and *Extendi facias*; and before the Sheriff had made his Retorn, the Rent encurred. It was holden by the Juſtices in this Caſe, That before the *Liberate* awarded, and Returned, the Leſſee remained Tenant to his Leſſor. And alſo they held, That Lands could not be ſeized upon by an *Extendi facias*. Paſch. 28 Eliz. C. B. *Playces* Caſe. *Cro.* 3. Part, 46.

4. If Judgment be given againſt an Executor, upon a Demurrer, and Execution awarded Th. Sheriff cannot Retorn, *Nulla habet bona Teſtatoris*; but it is a *Deveſtavit*, if it be found againſt the Executor by Verdict. Trin. 30 Eliz. B. R. *Stubbs* and *Righwiſes* Caſe. *Cro.* 3. Part, 102.

5 Debt upon Recovery of Damages in the Exchequer: The Defendant pleaded, That a *Fieri facias* iſſued out of the Exchequer, to levy the Damages; and upon it he paid the money to the Sheriff, who was diſcharged of his Office before the Retorn of the Writ; but the New Sheriff returned, That he received ſuch a Writ to be endorſed, *Fieri feci de bonis &c.* the ſum demanded (but the mony was not brought into Court): Upon this the Plaintiff Demurred. It was adjudged for the Defendant, That the Plaintiff ſhould be barred, for he having once paid the money, it ſhould not be reaſon that he ſhould be compelled to pay it again; and the Plaintiff is put to his Remedy againſt the Ancient Sheriff. Mich. 33 Eliz. B. R. *Rook* and *Vilmots* Caſe. *Cro.* 3. Part, 208.

6. *Scire facias* upon a Judgment in Debt: The Defendant pleaded, That upon the *Fieri facias* directed to the Sheriff of the County of L. for levying of it; he by force of it took divers Sheep of the Defendant's for the Debt, and yet he detaineth them. It was holden by the Court, To be a good Plea; although the Writ is Conditional, *Ita quod habeas Damnia hic, &c.* for that the Plaintiff hath his remedy againſt the Sheriff, and the Execution is lawful, which the Defendant cannot reſiſt. Trin. 33 Eliz. B. R. *Mowntney* and *Andrews* Caſe, *Cro.* 3. Part, 231.

7. A. is endebted to B, in a Recognizance of 1000 l, and to C. in a Recognizance of 1000 l: The Land of A. is extended by B. at 40 l, and delivered by the Sheriff in Extent, which is returned: The Recognizance of C. comes to the King by Outlawry; and upon Proceſs of Extent it is found, That the Land is of value 60 l. *per annum* more then the firſt Extent. It was holden by the Juſtices in this Caſe, That the King ſhould not have the Surpluſage, becauſe the firſt Creditor by the Extent hath an Intereſt in the Land, which ſhall not be deveſted by the finding of Surpluſage. Mich. 34 Eliz. B.R. The Queen and *Wells* Caſe. *Cro.* 3. Part, 266.

8. A man had Lands delivered unto him in Execution by the Sheriff, upon an *Elegit*: *Super Sac*, he came and ſurmiſed, That the party had other Lands, and prayed a new Writ of *Elegit*: It was holden by the Court in this Caſe, That if the party hath accepted of the firſt Lands, upon the delivery of the Sheriff, he cannot afterwards have a new Extent: But if at the firſt day of the Retorn of it, he waive it, then he may have a new Extent. Mich. 36 Eliz. B. R. *Hanger* and *Foys* Caſe. *Cro.* 3. Part, 310.

9. Note: It was holden by the Juſtices, That a Writ of Enquiry of Damages may be executed at the ſame day that it is returnable. And ſo, That a Writ of Enquiry of Value in a *Quare Impedit* was executed the firſt day of the Retorn. But the Jury did not give their Verdict till two days

days after. Pasch. 38 Eliz. B. R. *Gawen* and *Lawrence* Case. *Cro.* 3. Part, 473.

10. Action upon the Case against the Bayliffs of N; for that upon a *Fieri facias* directed to the Sheriff of the County of N. returnable *Oct. Mich.* he sent this Warrant to the Defendants being Bayliffs of N, to execute it: Who returned, *Nulla bona &c.* before Mich; and at Mich. they were removed from their Office, and new chosen. It was the Opinion of the Justices, That it was a void Return; For the Writ being returnable *Oct. Mich.* The Sheriff ought not before that time to have accepted any Return of *Nulla bona*; for he might have some afterwards, and before the Return of the Writ: And the Writ being returned by them after Mich. (they being discharged of their Office) is void; for they have no authority to meddle with the Return after. But if they had executed the Writ before Mich. then the Sheriff might have accepted of their Return before Mich. but not after. Mich. 39 Eliz. B. R. *Palmer* and *Ivers* Case. *Cro.* 3. Part, 512.

11. *Ejectione Firmæ*; The Defendant pleaded to Iſſue: A *Venire facias* was awarded *de Medietate Linguæ*, upon ſuggeſtion of the Defendant, That he was an Alien: At the *Niſi Prius*, a *Tales de Circumſtantibus* was awarded and found for the Plaintiff. It was moved, That the *Tales* was not well awarded *de Medietate Linguæ*, for that it ought to purſue the *Venire facias*: And it was not well Returned, becauſe Aliens and Denizens were Returned together; whereas they ought to have been ſeverally Returned by themſelves. It was the Opinion of the Juſtices in this Caſe, That for that cauſe, and alſo for this cauſe, becauſe it doth not appear, who were Aliens, and who were Denizens, that the Return was not good. But then it was further ſaid by them, That it was but a Miſreturn, which was aided by the Statute of 18 Eliz. Wherefore upon an *Affidavit* made, That 6. Aliens, and 6. Denizens were ſworn. The Plaintiff had Judgment. Paſch. 43 Eliz. B.R. *Goodwin* and *Cornelius Mauntenaughe* an Aliens Caſe. *Cro.* 3. Part, 841.

12. *Scire facias* upon a Judgment in Debt againſt Terr-Tenants; The Sheriff Returned, *Quod Scire feci J. B. tenenti unius Meſſuagii, &c.* And the ſaid A. B. came and pleaded, That he is not Terr-Tenant againſt the Return of the Writ. Upon which, it was Demurred. And it was adjudged for the Plaintiff, That it was not any Plea; and that the Plaintiff might have taken Execution at his peril. Hil. 44 Eliz. C. B. *Flood* and *Pinington* Case, *Cro.* 3. Part, 872.

13. Error to Reverſe a Fine: The *Deforceor Petitionem* was made *per Rogerum Manwood Militem*, and *Roger Manwood*, who took the Fine, was not then a Knight. It was the Opinion of the Juſtices, That it was no Error, becauſe it is directly againſt the Record, which is not receivable, for it is recorded as a Fine taken by him: In that Caſe, It was ſaid, That in caſe of the Sheriff, although a man cannot averr, contrary to that which he returneth; Yet he may ſay, That he who hath endorſed his name on the Back of the Writ, &c. was not Sheriff, becauſe by the Common Law, until the Statute of E. 2. no Sheriff nor Officer uſed to put their names to their Returns; and therefore the Averment, That he who made the Return, was not the true Officer, is not taken away by the Statute, but the ſame ſtill remains as a thing at the Common-Law. Paſch. 1 Jac. B. R. *Arundell* and *Arundell's* Caſe, *Yelverton*, 33, 34.

14. A *Præcipe quod reddat* was awarded, *Vice-Comitibus Glouc.* againſt A. B. and C; the Sheriffs made Return, that the ſaid C. named in the Writ, was one of the Sheriffs of the ſaid City; *Ideo Ego præfat. C. et D. alter. Vic. cor. Civitatis prædict. me ipſum ſecundum Exigentiam iſtius Brevis ſummonire non poſſum*, It was adjudged by the whole Court, To be a good Return. See 7 Eliz. C. B. *Bendloes*, 39. 40

15. A Commiſſion to try *Niſi Prius*, was directed to *Fr. Harvey* Eſquire, one of the Juſtices of the Common Pleas; And the Return was, That the Tryall was, *Coram Franciſco Harvey, Militte*, one of the Juſtices. It was adjudged to be a good Return in a Writ of Error brought; For it may be, that he was Eſquire at the time of the Commiſſion awarded; and before the Tryall, he was made a Knight. And it was ſaid, That otherwiſe, all the Tryalls of that Circuit ſhou'd be overthrown. Hil. 1 Car. B.R. *Petty* and *Habſon* Caſe, *Latch*, 161.

Scire

Scire Facias.

1. NOte: It was ſhewed to the Court That a man made his Will, and one his Executor, and dyed. The Executor brought an Action of Debt againſt another man, of a Debt due to the Teſtator; and had Judgment; and before Execution, the Executor dyed Inteſtate; And the Ordinary committed Adminiſtration of the goods of the Teſtator; which Adminiſtrator brought a *Scire facias* againſt him, againſt whom the Judgment was had upon the ſame Judgment. It was moved to the Court, If the *Scire facias* did lye, or not? And all the Juſtices agreed, That the *Scire facias* did not lye, becauſe when the Executor is dead Inteſtate, that Recovery is void; and the Adminiſtrator ſhall have a new Action of Debt. It is a Quære in that Caſe, If the Ordinary had committed Adminiſtration of the Goods of the Inteſtate, and alſo of the Goods of the firſt Teſtator, if the *Scire facias* had been maintainable. See 28 H. 8. *Boudlowes*, 2. See Paſch. 1 Jac. *Yates* Caſe adjudged accordingly.

2. W. brought a *Scire facias* againſt P. & S, Sureties for one B, upon bail in an Action of Debt; The Defendant pleaded the death of B, before Judgment given againſt him. It was holden by all the Juſtices, (Except *Wray*) That the Plea was not good, for it is a Surmiſe againſt the Judgment; for Judgment cannot be given againſt a Dead man. *Wray* ſaid, The ſame is Error in fact; and of ſuch Error, the party may have advantage in this Court. *Gawdy*, The Surety cannot take advantage of Error, nor plead it, for he is a Stranger to the Record. *Wray*, Chief Juſtice, ſaid, He may plead, That the Defendant is dead before the Judgment. Wherefore it was Ruled, That the Defendants ſhould be ſworn, that their Plea was true. Mich. 32 Eliz. B. R. *Walter* and *Perry* and *Springs* Caſe. *Leon.* 2. Part. 205.

3. *Scire facias* againſt the Defendants, who were Bail upon a Bill of Debt brought againſt B; who pleaded, That the Principal had paid the money in which he was condemned to the Plaintiff, according to the Condition of the Recognizance. It was in this Caſe holden by the Court, It was no Plea, without pleading payment on Record: For the Condition is, That the Defendant ſhall ſatisfie the Debt, otherwiſe the Sureties would do it; and this is to be underſtood of the moſt ſufficient Satisfaction, which is of Record. And therefore the Court diſallowed the Plea. Paſch. 31 Eliz. B.R. *Ordeway*, and *Parrets* and *Farleys* Caſe. *Cro.* 3. Part, 132.

4. *Scire facias* againſt B. and others, which were Bail for one P; and their Recognizance was, That if P. was Condemned, that he ſhall pay the Debt within ſuch a time, or render his body to priſon: P. being Condemned, and not rendring his body, a *Scire facias* was brought againſt them. Upon this Recognizance they pleaded, That P. ſuch a day before the Recognizance, paid the money. In this Caſe, It was holden a good Plea without a Specialty: for the Recognizance as to them, is but as an Obligation with a Condition, upon which they might well plead performance. Paſch. 33 Eliz. C. B. *Brunkhorns* Caſe. *Cro.* 3. Part, 232. See the Caſe precedent to the contrary.

5. *Scire facias* by the Queen againſt A; why Execution ſhould not be awarded againſt him for a Debt which came to the Queen by the Attainder of J. S: The Defendant pleaded, That the Queen had granted over this Debt, and all Actions and Demands for it to J. D: It was demurred, if the Suit ſhould be in the Queens Name after it is granted over; The Court doubted of it, two Preſidents were ſhewed. Paſch. 30 Eliz. where G, to whom a Debt was due, was attainted of Felony, and the Queen granted over the Debt, and all Actions and Demands for it, and a *Scire facias* was ſued in the Queens name. Another Preſident, Hill. 32 Eliz. *Mabb* was endebted by Bond to J. S; and the debt came to the Queen by Attainder, and ſhe granted it, and all Actions to *Bowes*, and notwithſtanding, the Suit for it was in the Queens Name. The Court ſaid, They would ſee the Preſidents. And the principal Caſe was Adjourned. Paſch. 36 Eliz. B.R. The Queen and *Allens* Caſe. *Cro.* 3. Part. 325.

6. Error of a Judgment in Debt, where the Judgment

Judgment was affirmed: It was holden by all the Juſtices, and ſo the Clerks ſaid, It was their Uſage, That the Defendant in a Writ of Error ſhould have Execution preſently, without a *Scire facias*, and that although the year and day be paſt ſince the firſt Judgment. Mich. 38 Eliz. B. R. *Godwin* and *Gadges* Caſe. *Cro.* 3. Part, 416.

7. Upon ſpecial Verdict, in *Ejectione Firmæ*, the Caſe was: Tenant in Tail of Lands in A, levyed a Fine with Proclamation, with the Remainder to himſelf in Fee; The Fine was afterwards reverſed by a Writ of Diſcent. But the Tenant in Tail, after the Fine levyed, and before it was reverſed, had made a Leaſe for years, the Remainder over for life; and, If the Iſſue might enter to avoid thoſe Eſtates, was the Queſtion? It was holden by the Court in this Caſe, That he could not enter without a *Scire facias* ſued againſt him, who had the Freehold: For he who is to defeat a Record, is alwayes to commence his Suit againſt him who is privy to the Record; but when he hath reverſed it againſt him, he ought alwayes to have a *Scire facias* againſt him who is Terr-Tenant, for it may be he hath ſome matter to barr him of Execution. Paſch. 38 Eliz. B. R. *Cary* and *Dacyes* Caſe. *Cro.* 3. Part, 471.

8. *Scire facias*, by the Lady *Greſham*, upon a Recognizance made unto her by one G, who was Attainted, whereupon ſhe ſued forth a new *Scire facias* againſt the Heir of G, and the Terr-Tenant. Upon which the Sheriff returned, That he had Summoned the Defendant, who was Terr-Tenant of the Manner of S, which was the Land of G, after the Recognizance acknowledged. Whereupon the Defendant came and pleaded, That one J.S. was ſeiſed of three Acres in D, whereof G. was ſeiſed in Fee after the Recognizance made. The Plaintiff ſaid, G. was not ſeiſed of the ſaid three Acres, upon which they were at Iſſue; and it was found, That G. and one H. were ſeiſed in Fee of thoſe three Acres after the Recognizance, and thereof entoulled the ſaid J. S, who is yet ſeiſed thereof in Fee. *Fenner*, Juſtice, ſaid, That upon this Verdict found, Execution ought to be ſued as well againſt J. S, as againſt B. the Defendant: It ſufficeth him, and is all one, as if it had been found, that he was ſeiſed, as he hath pleaded. But *Popham* and *Gawdy* held the Contrary, becauſe this is an eſpeciall Plea, and ought to be found, as it is pleaded. 1. Otherwiſe it will not ſerve; and there is difference, when the Plea is to the Poynt of the Writ, and when it is a Collaterall Plea, or in Barr: Afterwards the Lady *Greſham* dyed, and the matter ended. Mich. 39 Eliz. B. R. The Lady *Greſham* and *Bunnings* Caſe. *Cro.* 3. Part, 706.

9. Debt againſt an Executor, the Plaintiff had Judgment to recover *de bonis Teſtatoris*; And thereupon a *Scire facias* was awarded, and the Sheriff returned, *Quod Nulla habuit bona Teſtatoris*. The Plaintiff ſuggeſted, That he had waſted the Teſtator's Goods: Whereupon he prayed *Scire facias*, why he ſhould not have Execution *de bonis propriis*. It was the Opinion of the Juſtices, That this Writ ſhall not be awarded upon the ſuggeſtion of the party upon *Deveſtavit*, nor in any Caſe where the Judgment is *de bonis propriis*, unleſs it be upon the Return of the Sheriff, where he returns a *Deveſtavit*. Mich. 39 Eliz. C. B. *Aldworth* and *Peeles* Caſe. *Cro.* 3. Part, 530.

10 *Scire facias* againſt an Adminiſtratrix to have Execution of a Judgment againſt the Inteſtate: The Defendant pleaded, That ſhe had no Goods, which were the Inteſtates at the time of his Death, in her hands to be adminiſtred; nor had, at the time of the Writ brought, nor after: Upon which, It was demurred. It was the Opinion of the whole Court, That it was no Plea; For a Judgment cannot be anſwered without another Judgment; and it may be, ſhe had adminiſtred all the Goods upon Specialties, which is not an Adminiſtration to barr the Plaintiff: Or it may be, that ſhe had payed Debts upon a Statute of Recognizance, which are not allowable againſt a Judgment: It was adjudged for the Plaintiff. Trin. 39 Eliz. C. B. *Ordwey* and *Gaſpreys* Caſe. *Cro.* 3. Part, 575.

11. *Scire Facias*, upon a Judgment in Debt againſt Sir *Chriſtopher Heydon*, and his Terr-Tenants; Sir *Chriſtopher* and four others were Terr-Tenants, and thereupon he pleaded, That he was Son and Heir of Sir *William Heydon*, and pleaded in abatement of the Writ, becauſe a *Scire facias* was not ſued againſt him as Heir, pretending, that a *Scire facias* ſhould iſſue firſt againſt him, before the Writ ſhould iſſue forth againſt the Terr-Tenants. But it was the Opinion of the whole Court, That the Plea was not good; and the Writ was holden and adjudged to be good. Trin. 44 Eliz. C.B. Sir *Chriſtopher Heydons* Caſe. *Cro.* 3. Part, 396.

Sheriffs.

Sheriffs:

1. A *Capias* was delivered to the new Sheriff of W, against the Defendant, at the Suit of J. S: He enformed the Court, that before the Proceſs was directed unto him, That the Defendant was taken in Execution by the old Sheriff, upon a Judgment againſt him to B. R; and by force thereof, the old Sheriff had impriſoned him in his own Houſe; and prayed advice of the Court, what matter to Return. It was the Opinion of all the Juſtices, That by the Law, the Old Sheriff ought to deliver the body of him who is in his Cuſtody, by View to the new Sheriff, and ought to be brought to him to View. *Anderſon*, Chief Juſtice, ſaid, That the Sheriff may Return, that the Defendant is in Execution, *in Cuſtodia ſua*, and ſo charge himſelf: For although the Office of the old Sheriff be determined, yet it is not an Eſcape, ſo long as the Party is *in Cuſtodia*. Trin. 29 Eliz. C. B. *Smalman* and *Lanes* Caſe. *Leon.* 2. Part, 54. See *Cook* 3. Part, *Wyllys* Caſe.

2. Action upon the Caſe againſt the Sheriff of E, for that upon a *Capias* againſt J. S. directed to him; he directed a Warrant to ſuch a Bayliff of a Liberty, to Arreſt the ſaid J. S, who Arreſted him; and that the Defendant well knowing thereof, had notwithſtanding upon the day of the Return, Returned a *Non eſt inventus*. It was Reſolved, That the Action did well lye: *Anderſon* ſaid, If the Sheriff had Returned, that he had ſent to the Bayliff of the Liberty, who had given this Anſwer, That he had Arreſted the Body: It had been good, and the Sheriff ſhould have been diſcharged, and the Proceſs ſhould have iſſued againſt the Bayliff to bring in the Body. Mich. 41 Eliz. C. B. *Hawkins* and *Mildmayes* Caſe. *Cro.* 3. Part, 989.

3. Action upon the Caſe againſt the Sheriff; For that he ſued forth a *Latitat*, directed to him to Arreſt J. S, and delivered it to him to execute, and he Arreſted him, and afterwards let him go at large, and yet notwithſtanding returned *Languidus in priſona*, whereby the Plaintiff was delayed in his Suit: It was demurred to it, becauſe he anſwers nothing to this falſe Return. But it was the Opinion of the Court, That it was well enough: For when he executed the Writ, and took Bond according to the Statute, and returned, that he took him; it is not material to the Plaintiff, although he return *Languidus*, &c. for that is only for his excuſe, that he hath not the Body; and he is only fineable by the Court, if he bring not in the Body, and the Party ſhall not have Remedy againſt him. Mich. 43 Eliz. B. R. *Bales* and *Laſſetts* Caſe. *Cro.* 3. Part, 852.

4. Debt upon a Bond of 40 l. to the Sheriff: The Defendant Pleaded the Statute of 23 H. 8. and that by vertue of a *Latitat*, he was Arreſted at the Suit of J. S; and this Bond was made to the Plaintiff, for his appearance, by the Defendant and one M; the Defendant, nor M, having any thing within the County, nor being Inhabitants within the County, and ſo the Bond void. But it was the Opinion of the whole Court, That the Bond was good enough: For, the Statute doth not make void any Bonds, but what are made in oppreſſion of the People; and the words in the Statute, *ſcil.* (in other manner and form) are to be intended of the matter of the Bonds, as to the Sheriff, and not for the ſufficiency of the Sureties; and therefore if he take Bond with one Surety, it is good enough: And ſo it was ſaid, It was adjudged in Sir *Gerviſe Cliſton's* Caſe; It was adjudged for the Plaintiff. Mich. 43 Eliz. B. R. *Blackbourn* and *Michelbournes* Caſe. *Cro.* 3. Part, 852.

5. Action upon the Caſe againſt the Sheriff of B: For that J. S. being Out-lawed at the Plaintiffs Suit, and a *Capias utlagatum* being delivered to the Sheriff, returnable at ſuch a day, he did not return the Writ: Judgment being againſt the Defendant, upon *Non ſum informatus*, and Damages found 40 l. It was moved, That the Action did not lye, for not returning the Writ, but they ſhould be amerced only for the Contempt; and of that Opinion were ſome of the Juſtices. But it was ſaid, That if the Party who ſues that Writ, ſhews to the Sheriff the Party, who is to be Arreſted, and delivers to him the Writ, requiring him to make the Arreſt, and he doth it not, an Action upon the Caſe lyeth againſt the Sheriff. On the other ſide, it was ſaid, That although the Queen might puniſh him for his Contempt; yet the Party having loſs by not returning of the Writ, may have his Action alſo: And the Clerks ſaid, That ſuch Actions had been uſually brought. *Quære*, It was not adjudged, but the Caſe adjourned. Hill. 44 Eliz. C. B. Sir *William Clerks* Caſe. *Cro.* 3. Part, 873.

6. A. brought Dower againſt the Son, to be endowed of Lands, of which her Husband, the Father of the Defendant dyed ſeiſed of: A Writ iſſued forth to the Sheriff, to enquire of the Damages; and he made his Warrant to J. S, to take the Enqueſt. It was the Opinion of the Juſtices in this Caſe, That he cannot in this Caſe make a Deputy, becauſe it is a judicial Act, which the

Sheriff

Sheriff ought to do in perſon. Hill. 35 Eliz. B. R. *Randals* Caſe, *Noy* 21.

7. Action upon the Caſe againſt C, and declared upon *Trover* and Converſion, of Goods in the County of N: The Defendant pleaded a Recovery againſt the Plaintiff in B. R, in another action in which he had 20 l. Damages; and for thoſe Damages a *Fieri facias* iſſued out of the Court, directed to the Sheriff of Y: Upon which the Sheriff ſeiſed the Goods in the ſaid County of Y, and delivered them to the Defendant in ſatisfaction of the ſaid 20 l. and ſo juſtified. In this Caſe, amongſt other Points, It was ſaid, and Reſolved, That the Sheriff cannot upon a *Fieri facias* deliver Goods to the Party in ſatisfaction of his Debt. Mich. 38 Eliz. C. B. *Townſon* and *Clarks* Caſe. *Noy* 56.

8. Debt was brought againſt the Dean and Chapter of *Pauls*, for an Eſcape ſuffered by their Bayliff of a Franchiſe, where they had Return of Writs: It was adjudged in this Caſe, That it did not lye againſt them, but againſt the Bayliff himſelf; for the Writ is directed to him, *ſcil. Balivo libertatis*, and not to them: And an Obligation taken according to the Statute of 23 H. 8. ought to be taken in his Name; and for an ill Return, the Bayliff of the Franchiſe is alwayes Fined. The Dean and Chapter of *Paul's* Caſe. *Noy* 69.

9. Note; It was agreed by the whole Court, That for executing of a *Capias utlagatum*, or for a Warrant to execute it, or for a Return of it, no Fee is due to the Sheriff. Mich. 3 Car. B. R. *Wiltſhires* Caſe. *Hetley*. 52.

10. The Sheriff of *Coventry* and *Litchfield* brought Debt for 7 l. 6 d. for their Fees, for an Execution of 181 l. ſo that for their Fees demanded was 12 d. for 100 l. till 100 l. and 6 d. for every pound over and above. In this Caſe, It was Reſolved, 1. That the Sheriff may have an Action of Debt for his Fees, although the Statute doth not give any remedy. 2. That the Proviſo in the Statute of 23 Eliz. extends to a City-Corporate, when Judgment is given within their Franchiſe, and execution upon it; and not when Judgment and Execution iſſueth out of Superiour Courts: For in the firſt Caſe, the Officer is not at great Care or Perill; but as to the Sheriff of a County, his labour and travail is all one, be it in the Body of the County, or in a Franchiſe. But if that Town be a County of it ſelf, the Sheriff ſhall have their Fees according to the Statute of 28 Eliz. Hill. 11 Car. B. R. *Walden* and *a Jus* Caſe. *Latch*, 51. See *Cro.* 3. Part, 263. The Sheriff of *Glouceſters* Caſe.

11. Upon a Statute acknowledged, and an Extent ſued forth, The Sheriff took a Bond of 20 l. for the payment of 10 l. in which was his Fee, and that was before the *Liberate*: It was adjudged, That the Bond was void. Firſt, Becauſe the Statute of 28 H. 8. gave him an Action of Debt for his Fee, and he is not to have a double Reward. And ſecondly, Becauſe it was taken before the *Liberate* was ſued forth. Hill. 1 Car. B. R. *Emſons* Caſe. *Latch* 20.

12. *Aſſumpſit*; The Plaintiff declared, That J. G. was endebted to the Defendant in 30 l. and the Defendant ſued him to Out-lawry. And Trin. 18 Jac. took out a *Capias utlagatum* againſt him, directed to the Sheriff, and that there was a ſpeech between the Defendant and the Plaintiff, for the Arreſting of the ſaid J. G; and the Defendant promiſed him, that in conſideration that the Plaintiff would procure a ſpecial Warrant from the Sheriff to him the Plaintiff, and he did Arreſt the ſaid J. G, that he would give him 40 l; and ſhewed, how that he did procure the Warrant, and after Arreſt J. G. upon it. Upon *Non-aſſumpſit* it was found for the Plaintiff: It was adjudged by the whole Court in this Caſe againſt the Plaintiff, That the Action did not lye; becauſe the Arreſt was made as Servant of the Sheriff; and none can be Officer to execute any Proceſs of the Court, but the Sheriff: and although the Promiſe was made by the Defendant to the Plaintiff before he was Officer, yet the act which is done is the act, which appertains only to the doing of the Sheriff, and if the Party had eſcaped, the Sheriff in this Caſe ſhould be Charged with the Eſcape. But it was agreed in this Caſe, That if a Promiſe be made to a meer Stranger to go to the Sheriff and procure him to Arreſt J. S, the ſame is a good Conſideration to ground an Action upon. Hill. 1 Car. B. R. *Batho* and *Salters* Caſe. *Latch* 54, 55.

13. Action upon the Caſe, by Husband and Wife againſt the Sheriff of W; and declared, That the Plaintiff took a Latitat out of the Kings Bench to Arreſt J. S. at their Suit, directed to the Sheriff, and that the Sheriff appointed the Defendant to be his Under-Sheriff, which Office he Executed before and after; and that the Writ was delivered by the Plaintiff to the Defendant, the ſaid J. S. being there preſent, in the ſight and company of the Sheriff; notwithſtanding which, the Sheriff returned *Non eſt inventus*: and the Return was made in the Name of the Sheriff himſelf. It was the Opinion of the Juſtices in this Caſe, That the Action doth lye againſt the Sheriff himſelf, and not againſt the Under-Sheriff; becauſe the Sheriff is the Officer to the Court, and not the Under-Sheriff; and every default in execution of the Office, although it be for neglect or fraud of the Under-Sheriff, the Sheriff himſelf ſhall be amerced and fined. But he ſhall not be Impriſoned for the

Act of the Under-Sheriff; but for every Misdemeanour of the Under-Sheriff in the Execution of his Office, the Sheriff himself shall be charged. Hill. 2 Car. B. R. *Laicock's* Case. *Latch.* 187.

Statutes-Merchant, and of the Staple.

1. ERror to Reverse a Judgment in C. B. For that A. brought *Audita Querela* to avoid a Statute, acknowledged before the Mayor of *Lincoln*, because it was sealed with the Seal of one piece. Where the Statute of 31 E. 1. *de mercatoribus* doth appoint it to be sealed with a Seal of two pieces; The Defendant pleaded, That it was sealed with a Seal of two pieces, according to the Statute. It was found for the Plaintiff in the *Audita Querela*, and thereupon adjudged in C. B. *quasi Statutum prædict. i. forma prædict. recognitum, penitus vacuum foret et pro nullo habeatur.* Two Errors are assigned, 1. Because the Issue was not to be tryed by the Country, but by the Certificate of the Mayor. 2. That the Judgment *quod evacuetur* was erroneous; because although it be void as a Statute, yet it is not void as an Obligation. But the Judgment was affirmed by the Court; for if it be not a Statute, it is not an Obligation: but being discharged as a Statute, it hath lost his force in all respects; and the sole means to avoid it, is by an *Audita Querela*: For Error lyeth where the Statute is good, but here the Execution is Erroneous. Pasch. 46 Eliz. B. R. *Fullshaws* and *Ascues* Case. *Cro.* 3. Part, 319. See Mich. 38 Eliz. *Ascud* and *Hollingworths* Case. The same Case. *Cro.* 3. Part, 494.

2. *Audita Querela*, for suing Execution upon the Fathers Lands in D, and the Sons Lands in S, upon a Statute acknowledged before the Mayor of P, sealed with one Seal. It was Objected, That the *Audita Querela* was well sued joyntly; because it is grounded upon a Statute, which is entire, and one Action of Debt might have been maintained against them upon that Statute; and of that Opinion was *Anderson*, Chief Justice. But all the three other Justices held the Contrary; because it is here pretended, that the Statute was never good being sealed but with one piece of Wax, and so the Execution against them was alwayes tortious: wherefore for this wronge, they ought to sever in the Action, to have it Reversed, the wronge being to them several. But if the Statute were once good, and afterwards Released, and Execution sued against the Release, there it should be otherwise, because it is there grounded upon one entire Cause. Pasch. 38 Eliz. C. B. *Worsley* and *Charnocks* Case. *Cro.* 3. Part, 473.

3. M. entred into a Recognizance of 1000 l. to H, and afterwards entred into a Statute of 1000 l. to D: D. extended his Statute upon the Mannor of S, which was M. Lands, he having also divers other Lands. Afterwards H. had Execution of the Recognizance, and had the moyety of the Mannor of S, first delivered to D. in Execution, but left out of his Extent divers other Lands, which were the Lands of M; at the time of the Recognizance, D. brought *Audita Querela* in C. B. against H. and had Judgment, upon which H. brought Error: but the Judgment was affirmed. For D. being in by Judgment, and upon a Title by the extent upon the Statute, ought to have his Land lyable upon the Recognizance, but *pro rata*; and therefore H. ought to have included all the other Lands of M. in his Extent, as well as the Lands of D; but if D. had not been in by Title, but by Disseisin, or other wrongful means, then he ought not to be relieved by *Audita Querela*. Mich. 45 Eliz. B. R. *Hind* and *Deans* Case. *Yelverton* 12.

4. D. acknowledged a Statute of a certain sum before the Mayor of G, but no day was specified in the Statute when it should be paid; and it was Certified by the Mayor into the Chancery under his Seal, according to the Statute of *Acton Burnell*, upon request made to the Mayor: And a Writ of Execution was thereupon awarded, returnable in C. B. It was Objected, That the Statute was void; for that in every part of the Statute a day certain for every Act to be done is mentioned. *Hobart*, Chief Justice (to which the other Justices agreed) said, We are not to destroy assurances, but upon good grounds; especially upon a Law which is made in favour of Merchants and Traffique; and therefore we all agree, That there ought to be a time, and we conceive, the day is not material; and here is a time of which the Law takes Notice, *scil.* the present time: In the Statute, No mention is made, but of the Mayor; yet if the Statute be acknowledged before the principal Officer, it is good. It ought to contain words Obligatory; a certain sum of money, it ought to have the Seal of the King and Party; It ought to be acknowledged: An expresse day is not necessary, but a day which amounts to a time, of which the Law takes Notice; It was adjudged, That the Statute was good. Particular Statutes.

Certain Particular Statutes; *The Exposition of them: How, and to whom to Extend, and how to be Construed; Certain particular Cases upon them.*

Upon the Statute *of* 13 E. 1. *of* Winchester, *of* Huy-and-Cry, *and the* Statute *of* 27 Eliz.

ACtion upon the Statute of *Winchester*; For that one B. his Servant was Robbed, and alledged, That the Plaintiff himself came before a Justice of Peace, and was sworn according to the Statute of 27 Eliz. After Verdict, it was alledged in Arrest of Judgment, That the Servant was to be sworn, and not the Master, and of that Opinion was the whole Court; for the Servant might know the persons when the Servant was Robbed, and the Master was not in Company; And the intent of the Statute is, That he that had Notice shall be Sworn: Wherefore, The Judgment was Reversed. Trin. 31 Eliz. C. B. *Grees's* Case. *Cro.* 3. Part, 142.

2. Upon the Statute of *Huy-and-Cry:* It was holden by all the Justices, That whereas the Statute speaks of Robberies done in the Day before Night; Yet if a Robbery be Committed in the Morning before Day, or in the Evening after Day, in any time of the Night in which men use commonly to travail, that the Hundred is answerable for it; but if it be at Twelve or One of the Clock in the Night, the Hundred is not answerable for the Robbery. Hill. 34 Eliz. B. R. *Ridgley* and the Hundred of *Warrington's* Case. *Cro.* 3. Part, 270.

3. This Case was moved to the Court: If an House be Robbed in the day-time, and the Felons escape, Huy-and-Cry being made; If the Hundred shall Answer for that Robbery by the Statute of *Winchester*: In this Case, It was Resolved, That for Felony done in the Night, the Hundred shall not be charged; So not in the principal Case, for that the Statute of *Winchester* extends only to Robberies done to the person; but every one ought to keep his own House at his peril, for it is his Castle, and no man ought to meddle there; and therefore it is not reason that any should be charged, if he be Robbed there. Pasch. 42 Eliz. B. R. *Cro.* 3. Part, 753.

Upon the Statute *of* 8 *of* Hen. 6. *Of* Forcible Entry.

1. INdictment upon the Statute was, and Exception was taken to it, because it was recited *Si aliquis expulsus sit et dissisitus*; Whereas the Statute is *Vel dissisitus*; It was holden to be no good Exception; for that the words Disjunctive are to be expounded in the Copulative; for if he be not *Expulsus & dissisitus*, an Action will not lye upon the Statute. Exception, that although it was void for the Entry with force; yet it being, that the Defendant with others *vi et armis* entred, it should be good for the Ryot. But the Court held the Contrary; for the Indictment concluding *contra formam Statuti*, it cannot have relation unto any Offence, except upon the Statute: The Indictment was discharged. Mich. 36 Eliz. B. R. *Hall* and *Gaynes* Case. *Cro.* 3. Part, 307.

2. A. was Indicted upon the Statute; for that he entred into such a House, and disseised J. F. *injuste & sine judicio*, and yet detains the Possession with force. Exception was taken to it, because it was not pursuant to the Statue. For the Statute is, If any be disseised and ousted with force; or disseised peaceably, and held out with force: And here the Indictment is, That he entred and disseised; but doth not say, *pacifice*, or with force: and every Indictment ought to be certain and precise in every Point. But it was holden to be good enough notwithstanding; for when it is found, that he entred and disseised (no force being found) it shall be intended to be peaceably, and not otherwise. Hill. 45 Eliz. B. R. *Fitz Williams* Case. *Cro.* 3. Part, 915, 916.

3. A. was Indicted upon the Statute of *Forcible Entry*: into a Close called *Serjeant Herons* Close in D. in the County of *Lincoln*: It was excepted for insufficiency and uncertainty, by reason whereof there can be no Restitution made or awarded of it; but he ought to have said, That the Close contained 20 Acres of Land more or less. But the

Exception was disallowed by the Court; for that it was said, That it had been adjudged, That an *Ejectione Firmæ* lay of a Close; and therefore *à fortiori* an Indictment might be well of it. Pasch. 38 Eliz. B. R. *Humphrys* Case. *Cro.* 3. Part, 458.

4. Exception was taken to an Indictment upon the Statute, because it was *tali die et anno, &c. in messuagio, &c. existent. Liberum Tenementum J. S. intravit, et ipsum J. S. expulit et disseisivit*, and doth not say, *Al tunc existent. Liberum Tenementum*; for others say, *Existent. Liberum Tenementum*, may extend to the time of the Indictment taken: The Indictment was discharged. Pasch. 42 Eliz. Eliz. B. R. *Stainsbys* Case. *Cro.* 3. Part, 759.

5. A. was Indicted upon the Statute of 8 H. 6. Exception was taken to it, because there was no word of Freehold in it, or to prove, that the Party grieved had any Freehold, whereof he might be disseised. But because the words are, *Expulit & disseisivit*; which could not be true, if the Party expelled and disseised had not Freehold; the Exception was disallowed. Another Exception was, *In unum tenementum intravit.* and the word *Tenementum* is too general; therefore for that the Indictment was discharged: But it was farther, *In unum Tenementum et* 10 Acras *terræ eid m pertinent*; and therefore as to the 10 Acres, the Party was forced to Answer. Pasch. 26 Eliz. B. R. *Wyth* and *Capells* Case. *Leon.* 3. Part, 101.

Upon the Statute *of* 23 H. 6. Of Sheriffs.

A Bayliff of the Sheriff of D. was Indicted before Justices of the Peace in their Quarter-Session, upon two several Indictments o Extortion, one that he, as Bayliff, *colore Officii*, extorted 20 s. 8 d. *extorsivè*; the other, that he took *Extorsivè* 20 s. *colore Officii*; upon which Indictment, he was enforced to plead presently; and the same day, they were tryed, and he convicted, and Judgment given at one and the same Sessions, That he should be imprisoned and fined to the King; upon these Indictments, he brought Error. It was the Opinion of the whole Court, That Justices of the Peace ought not to try and determine civil Offences in one and the same day; for the Party ought for to have a convenient time for Tryal: and for that cause (amongst other) the Judgment was Reversed. Mich. 11 Car. B. R. 6 *Co.* 11. Part, 317. *Bampfields* Case.

2. In Debt upon an Obligation; It was agreed by the whole Court, That where the Marshal of the Queens Bench taketh Bond for the Easement or Deliverance of a Prisoner in Execution, this is void by the Statute, although the Marshal be not named in the Statute. For *Wray*, Chief Justice, said, That divers are intended within the purview of the Statute, which are not mentioned in the Statute. Mich. 30. Eliz. B. R. *Bacebridges* and *Vaughans* Case. *Cro* 3. Part, 66.

3. Bill of Debt upon the Statute of 23 H. 6. brought by the Plaintiff *tam pro se quam pro Domina Regina*. And declared, Whereas A. W. 27 Eliz. had sued in the Court of N, before the Defendant then Mayor, and J. S. and J. D. Sheriffs there, according to the Custom of the said Town, a plaint of Trespass upon the Case against the Plaintiff, upon a *Capias* awarded by them to O. B. Serjeant of the said Court, to take the Plaintiff, and to have his Body before them the next Court, *scil.* The first of *September* to Answer, that the said O. B. Arrested him, and committed him to the Prison of N, under the Custody of the Defendant, Mayor of the said Town, and Keeper of the Queens Gaol there; and that he, being then in Prison, did offer to the Mayor, Keeper, &c. Sureties to appear at the next Court; which he refused, and kept him in Prison against the form of the Statute. The Defendant pleaded, *Non debet*, and found against him. It was Objected in this Case, That the Bill of Debt did not lye; but it ought to be by Information, as appeareth by the Statute of 18 Eliz. cap. 5. It was the Opinion of the Court, That it was hard to maintain this Action, to be sued here; for that the Statute is in the Negative, that it shall not be sued otherwise, which doth not refer to any person. Afterwards, for that Cause, It was adjudged for the Defendant; and that it was not helped by the Statute of 18 Eliz. *Of Jeofails*, for that this is not matter of Form, but of Substance, by misconstering the Action. Mich. 30 Eliz. B. R. *Widow* and *Clarks* Case. *Cro.* 3. Part, 76.

4. Assumpsit, the Plaintiff declared, That whereas he had taken the body of H. in Execution at the Suit of J. S. by virtue of a Warrant to him as Special Bayliff, the Defendant in Consideration that he would permit him to go at large, promised to pay the Plaintiff all the money in which H. was condemned. It was moved, That the Consideration was not good, being contrary to the Statute. And such was the Opinion of the Court, That a Promise and Obligation are all one. See *Plow. Com. Dive* and *Manninghams* Case. Mich. 33 Eliz. B. R. *Fetherstone* and *Hutchinsons* Case. *Cro.* 3. Part, 199.

5. Trover

5. Trover and Converſion: The Defendant pleaded a Recovery againſt J. S, and a *Fieri facias* awarded to the Sheriff; and after the Writ delivered, J. S. dyed poſſeſſed of goods, and made the Plaintiff his Executor: and after, the Defendant by force of the Sheriff's Warrant, took the Goods in Execution as Bayliff to the Sheriff, and delivered them to him. The Plaintiff Replyed, That the Sheriff returned upon the Writ, *Tarde*. It was holden in this caſe, That the Execution in this Caſe might be ſerved on the Goods in the hands of the Executor; for that, by the Writ of Execution awarded, the Goods are bound. 2. Reſolved, That the falſe Return of the Sheriff, ſhould not make the Bayliff puniſhable, for by the Execution by the Bayliff, the party was diſcharged of the Execution: and therefore, not reaſonable that he ſhould take advantage againſt the Bayliff. It was adjudged for the Defendant. Paſch. 32 Eliz. B. R. *Parkes* and *Moſſes* Caſe. *Cro.* 3. Part, 181.

6. Action upon the Caſe: The Plaintiff declared, That he took forth a *Latitat*, intending to Arreſt J. S. upon an Obligation of 100 l, and delivered it to the Sheriff of B; declaring to him his intent to declare in Debt, That the Defendant Arreſted him by virtue of the Writ, and let him at large *abſq; aliqua ſecuritate inventa*; and at the day returned *Cepi Corpus*: And that afterwards upon an *Habeas Corpus*, he returned, *Paratum habeo*; which was falſe. The Defendant pleaded, That J. S. being Arreſted, put in Sureties for his Appearance; J.N. and J.D. who were ſufficient perſons within the County, who were bound to him in 40 l; and pleaded the Statute, by reaſon whereof he lett him at large, *abſq; hoc*, that he let him at large *abſq; aliqua ſecuritate inventa* prout. It was the Opinion of the Juſtices in this Caſe, That the Traverſe of the Defendant was good: For the Statute appoints him to let him go upon bail; and therefore he is compellable to take bail, and it is left to his Diſcretion what Bail he will take: And when he pleads, he took bail J.N. and J.D, having ſufficient Eſtates in that County, that ſhall excuſe him againſt the party; and it is not reaſonable he ſhould be charged in an Action for doing that which the Law appoints. And although that he Returns, upon the *Habeas Corpus*, that *Paratum Habeo*, when he is at large; that is but a Contempt to the Court, and fineable, and it is nothing to the party, nor can he take advantage of it. Mich. 40 Eliz. B. R. *Barton* and *Allworth's* Caſe, *Cro.* 3. Part, 624. See Hill. 43 Eliz. B. R. Sir *George Cliſton* and *Webbs* Caſe, &c. *Cro.* 3. Part, 808.

7. Debt upon Obligation, Conditioned, That if T. appear before the Juſtices of C. B. &c, The Defendant pleaded, That W. ſued a *Capias* out of the Court, which was delivered to the Plaintiff Sheriff of O, who made a Warrant to the Bayliff of the Hundred of H. to arreſt the ſaid T; and one J. S. put in his own name as a ſpecial Baily to Arreſt T, and Arreſted him at D. in the ſaid County of O, and carried him to W. in the County of B, and there kept him, till the Defendant and the ſaid T. entred Bond to the Plaintiff as Sheriff of O, for the Appearance of T, and ſo the Bond was void by the Statute. In this Caſe, It was adjudged, That the Plea was not good; for although it was a Bond made by *Dureſs*, yet it is within the Statute, and the Defendant is not aided thereby: For T. was never in the Sheriff's Cuſtody after the Arreſt: Wherefore being taken out of the County, it is by *Dureſs*, and not within the Statute. Hil. 42 Eliz. C. B. *Brown* and *Adams* Caſe, *Cro.* 3. Part, 747.

Upon the Statute of 11 *Hen.* 7. *Cap.* 20.

1. THe Caſe was; Husband and Wife, Copyholders to them and their heirs; The Husband in Conſideration of money paid by him to the Lord, obtained an eſtate of Freehold to him and his Wife, and to the Heirs of their two bodies: The Husband dyed, having Iſſue; The Wife entred, and ſuffered a Common Recovery; and his Heirs entred by the Statute of 11 H. 7: And in this Caſe, It was agreed, That this Entry was lawfull; For that the Copyhold by acceptance of the new eſtate, was extinguiſhed. Hill. 26 Eliz. C. B. *Stockbridges* Caſe, *Cro.* 3. Part, 24.

2. The Caſe was: A Woman that was Tenant for Life as a Joyntreſſe, took a ſecond Huſband, and they by Deed Conveyed the Land to J. S. and his Heirs, *Habendum* to him and his heirs, to the uſe of him and his heirs for the Life of the Wife only. It was a Queſtion, If this was a Forfeiture? It was Objected, That it was no Forfeiture; for where words are doubtfull in a Deed, a reaſonable Conſtruction ſhall be made of them: and here the words (*for the life of the Wife*) are put in to exclude the Forfeiture, and to ſave the Eſtate. But the Opinion of the Juſtices was, That it was a Forfeiture; For that by the Deed at firſt a Feeſimple did paſſe, and that to the uſe of the Feoffee; then the Eſtate and uſe are ſeverall things, and cannot be coupled to the words

words [*For the life of the Wife*]: And in this Caſe, the Opinion of all other the Juſtices being demanded, *Wray*, Chief Juſtice, ſaid, That they held clearly, That there was a Forfeiture in the words; *For Life, &c.* ſhall refer only to the Uſe, and not to the Eſtate. And it was adjudged accordingly. Paſch. 31 Eliz. B. R. *Piers* and *Hoos* Caſe, *Cro.* 3. Part, 131.

3. The Caſe was: A man and a woman Joynt-Tenants in Fee of a Mannor intermarried, and after levied a Fine thereof to a ſtranger, who rendred it to them in tail: they had Iſſue 3 daughters; the husband dyed: The Wife took ſecond husband; and they levied a Fine, and retook the Land in ſpecial tail; the wife dyed without Iſſue by the ſecond husband: the Daughters entred. It was Queſtioned in this Caſe, 1. If the firſt Eſtate tail be within the Statute of 11 H. 7. It was holden clearly, That it was for the one moyety, but not for the other. 2. If the Eſtate in Fee be within the Statute? It was the Opinion of all the Juſtices, That it was not; for it may go to a Collateral heir, and the Statute doth not provide but for the heir in tail only. Mich. 39 Eliz. C. B. *Laughter* and *Humphreys* Caſe. *Cro.* 3. Part, 524.

4. In *Ejectione Firmæ* the Caſe was: A. ſeiſed in Fee, having 3. Daughters, by Indenture, in Conſideration of 200 l. paid by R. B; and in Conſideration of a Marriage between the Son of the ſaid R. B, and M. the Daughter of A; and for ſettling of the Lands in his blood, to have continuance for ever, Covenanted to aſſure the moyety of ſuch Farms to the uſe of himſelf for life, and after to the uſe of the ſaid R. B. and M. his Wife, and the heirs of her body by the ſaid R. B. begotten: and for want of ſuch Iſſue, to the heirs of the body of the ſaid M; and after, to the uſe of his other Daughters, and the heirs of their bodies, the Remainder to the Right heirs of A: And of the other moyety, to the uſe of the ſaid R. B, and M, and the heirs of her body, by the ſaid R. to be begotten. The Conveyances were made accordingly. R. B. dyed; M. took a ſecond husband; They by Fine conveyed the Lands to the Defendant: Upon which, the Iſſue entred as upon a Forfeiture, by the Statute of 11 H. 7. It was adjudged in this Caſe, That M. was not a Joyntreſſe within the Statute; for it is an Advancement by the Anceſtors of the Wife, and is not of the purchaſe of the husband, or his Anceſtors; nor is it aſſured by the Anceſtors of the husband: And although money is found to be paid, yet the ſum is not found to be of the value of the Land, nor of what value the Land was, And it is immediately for the life of the husband, which may be an Eſtate ſufficient for the money. It was adjudged for the Defendant. Trin. 6 Car. B. R. *Copeland* and *Pyatts* Caſe. *Cro.* 1. Part, 177.

Upon the Statute of 21 *H.* 8. *Cap.* 13. of *Pluralities.*

1. IN a *Replevin*, the Caſe was; A Parſon having a Benefice of the value of 8 l. *per annum*, took a ſecond Benefice, without any Diſpenſation; and the Queen Preſented by Lapſe: The Queſtion was, It being averred, That it was of the annual value of 8 l; and not averred, That it was of ſuch value within the Queens Books, Whether that was ſufficient? It was holden by the Juſtices, That it was ſufficient to aver it of the annual value of 8 l; which ſhall be taken according to the true value thereof. Although it was ſaid, That there hath been two taxations of Benefices; The one, in the time of E. 1: The other, by the Statute of 26 H. 8. But the Court ſaid, They took not any Conuſance thereof, but regarded only the true value. Mich. 43 Eliz. B. R. *Bond* and *Tricketts* Caſe, *Cro.* 3 Part, 853.

2. Note; In a *Quare Impedit*, It was Reſolved by the whole Court, That if there be two Parſons of one Church, and each of them hath the entire Cure of the Pariſh, and both the Benefices of the value of 8 l. *per annum*, and one of them dyeth; and the other is preſented to the Incumbency of him that dyed; That this is a Plurality within the Statute: and is within the intent of the Statute, That none ſhall have two Livings, or Benefices with Cure. Mich. 37 Eliz. B. R. *Cro.* 3. Part, 351.

3. Upon an Evidence to a Jury, the Queſtion was, Whether one might be the Queens Chaplain, and have Plurality of Benefices by the Statute, he being retained only by word? It was ſhewed, That this Chaplain dyed above 31. years paſt, and that during his life, he was reputed her Chaplain, and exerciſed the Office of Chaplain as well in her private Cloſet, as elſewhere, and had all the benefits of her Chaplain. Wherefore the Court ſaid, That it ſhould be intended, that he was her Chaplain, and well and duly retained: And the Queſtion being, to avoid a Leaſe made by him to the Plaintiff, It was holden, That he was a perſon able to make ſuch a Leaſe. And the Jury found for the Plaintiff. Mich. 38 Eliz. B. R. *Whetſtone* and *Wigfords* Caſe. *Cro.* 3. Part, 424.

4. Infor-

4. Information upon the Statute for Non-Residency: The Defendant pleaded, That he was chosen Gospeller of the Church of St. *Paul*, *London*, and was Resident there by reason of that Dignity. It was Objected, That it was not a Dignity to excuse the Defendant. The Civilians divided Spiritual Functions into 3. Degrees: 1. A Function which hath a Jurisdiction, as a Bishop, Dean, &c. 2. A Spiritual Administration with Cure, as a Parson of a Church. 3. They who have neither Cure, nor Jurisdiction, as Prebends, Chaplains; and Defined a Dignity to be, *Administratio Ecclesiastica cum Jurisdictione, vel potestate, conjuncta*: and therefore excluded the two last from being Dignities. It was the Opinion of the Justices, That it was not a Dignity within the Statute. And it was said by them, That if a Vicar of St. *Pauls* hath a Benefice with Cure, he ought to be Resident upon it, and that is a greater Dignity, then a Gospeller. Pasch. 41 Eliz. B. R. *Broughton* and *Gomsleys* Case. *Cro.* 3. Part, 665.

5. Information for the King and the Informer before Justices of Assise, upon the Statute of 21 H. 8. for Non-Residency for 11. Moneths, upon his Church of T: The Defendant pleaded the Statute of 21 H. 8. That one who hath two Benefices, shall be Resident upon one: and he was inducted as well to the Vicarage of E. in the County of *Middlesex*, as to the Rectory of T; and that he was all the time in the Information mentioned Resident upon his Vicarage of E: It was Demurred upon it; but there was no Resolution in the Point. In regard the Information was brought before Justices of *Oyer* and *Terminer*, and the Statute doth not give it but only in the Kings Court. And for that cause, Judgment was given for the Defendant. Mich. 4 Car. B. R. *Green* and *Gays* Case. *Cro.* 1. Part, 104.

6. In Trespasse, upon Not guilty, The Jury found the Defendant Vicar of D, and that such a day he Leased his Vicarage to J.S. for 3. years, for rendring Rent; which J.S. assigned an Acre parcel of it to the Plaintiff: and that the Defendant was absent by several Quarters in a year, 60 dayes in each Quarter; but did not find the Statute of 13 Eliz. Yet it was adjudged for the Defendant; for it is a general Law, which doth not extend but to those who have Cure of Souls: by reason of the Multiplicity of Parsonages and Vicarages in *England*, the Judges ought to take Notice of it. Mich. 5 Jac. B. R. *Jennings* and *Haithwaites* Case. *Yelverton*, 106.

Upon the Statutes of 32 *H.* 8. *Cap.* 7. and 2 *E.* 6. *Cap.* 13. of *Tythes*.

1. PRohibition to stay a Suit for Tythes; Surmised, he set forth his Tythes, and afterwards for some reasonable Causes (not shewing what) he detained part of them; and that the Parson had sued him in the Spiritual Court for them. It was said to be a good Cause for a Prohibition, for that by the setting out of the Tythes, they were become Lay-Chattels, and he might have his remedy at the Common-Law by Trespass or Detinue for them. But the Court held the contrary: For against the party himself who setteth forth his Tythes, a Suit is well maintainable in the Spiritual Court, if he detain them, although the Parson might have his remedy at the Common Law. And the Statute of 32 H. 8. proves it: For the words thereof be, If any do not set out, or do detain, or withhold his Tythes, (which shall be intended after they be set out) they shall be sued in the Spiritual Court: Otherwise mischief would ensue to the Parson, in that he would secretly set his Tythes forth, so as the Parson shall not know thereof; and afterwards carry them away. Pasch. 40 Eliz. B. R. *Leigh* and *Wards* Case, *Cro.* 3. Part, 607.

2. Debt upon the Statute of 2 E. 6. for carrying away of his Corn, the Tythes not set out from 20 Jac. to 21 Jac. and so to 21 Car. 1. The Defendant pleaded as to the last 3. years, *Non Debet*; and for the Residue, the Statute of 21 Jac. of *Limitation of Actions*. Upon which it was Demurred. It was the Opinion of the Court, That the Statute did not extend to this Action. Then it was moved, That the Demurrer might be waived, and the Defendant plead, *Non Debet*, to all. But the Court said, That could not be, without the Plaintiff's consent. Trin. 14 Car. B. R. *Taylor* and *Jacksons* Case. *Cro.* 1. Part, 369.

3. Prohibition upon the Statute of 2 E. 6. because he sued for Tythe of Heath and barren ground within 7. years after the Improvement. The Defendant pleaded the Statute of 50 E. 3. Cap. 4. and that at another time a Prohibition was granted, and a Consultation upon it, and therefore he shall not have another Prohibition. 1. It was Resolved in this Case, That the Suggestion ought to be proved by Witnesses, because it is a meer matter of fact, as well as a Prescription *de modo*

Decimandi

Decimandi, or a discharge of Tythes. 2. Resolved, That the Consultation being granted thereof, for not proving the Suggestion by Witnesse according to the Statute of 2 E. 6. and not upon the substance of the Suggestion, or the insufficiency thereof, it is not within the Statute of 50 E. 3: For that is intended where Consultation is granted upon substance of the suggestion being proved to be insufficient in the Verdict; and not where it is grounded for the insufficiency of the form of the Suggestion, or in the proceedings thereupon. Wherefore it was adjudged for the Plaintiff, especially as this Case is; For that it is a Collateral Cause out of the Suggestion, and no Consultation at the time of the Statute made. Hill. 6 Car. B. R. *Stewel* and *Haskins* Case. *Cro.* 1. Part, 351.

4. In a Prohibition for Tythes, It was said by *Popham*, Chief Justice, That if Land be overflown with Water, and afterwards gained by Industry, Tythes shall be presently paid thereof, although it had been overflowed time whereof &c. So if Lands be full of Thorns and Bushes from time whereof &c. Tythes shall be presently paid thereof, notwithstanding the Statute of 2 E. 6. For those Lands of their own nature were not barren, but by negligence or ill husbandry became so: And the Statute doth not intend, That Tythes shall not be paid within 7. years after the Manurance, but of such Lands as were meerly barren, and made good by foldage, or other Industrious means. Trin. 38 Eliz. B. R. *Shrington* and *Fleetwoods* Case. *Cro.* 3. Part, 475.

5. Debt upon the Statute of 2 E. 6. for not setting forth of Tythes: The Parson declared; That he was Parson of L, in the County of C; and that the Defendant being a Parishioner there, and having Corn there growing to the value of 50 l, he had not set them forth, and demanded treble value 150 l: It being found for the Plaintiff, It was moved in stay of Judgment, That the Suit for the treble value ought not to be brought at the Common Law; but in the Spiritual Court. And another Exception was, That the Plaintiff had the Parsonage in the right of his wife, and so ought not to have joyned his Wife in the Action. But the Resolution of the whole Court was, That the Action did well lye upon the Statute. And as to the second Point, That the wife being a Termor, the husband is possessed of them in the right of his wife; And the Action is given to the Proprietor or Termor: Wherefore the Action is well brought in both their names. And it was adjudged for the Plaintiff. And afterwards upon a Writ of Error brought, the Judgment was affirmed. Trin. 40 Eliz. B.R. *Beadle* and *Sherman's* Case. *Cro.* 3. Part, 613.

Upon the Statute *of* 5 *Eliz. cap.* 9. Of Perjury.

S. Was Indicted upon the Statute: For that whereas J. D. was seised in Fee of the Manor of S, in the County of L; and whereas there was a Suit in Chancery betwixt the said J. D. and the Earl of L, and Commission issued to examine Witnesses, and an Interrogatory being administred to him, Whether he knew the parcel of Wast which was in Question betwixt the said Parties; and if it was the Soil and Freehold of the Earl and parcel of his Mannor of S. or not? He falsely and corruptly deposed, That it was the Soil and Freehold of the Earl and parcel of the Mannor of S: Whereas in truth it was not his Soil, nor Freehold, nor parcel of the said Mannor, but parcel of the Mannor of the said J. D. in S: This Indictment was holden by the Justices, To be ill; It doth not appear, What was the Issue in Chancery, or that this Land was there in Question. Nor doth it appear, That it tended to the proof or disproof of the Issue, so as it might be a Damage to the Plaintiff; and although the Interrogatory mentions it to be the Land in Question, it is not shewed how it is in Question: The Indictment was Ruled to be quashed. Hill. 9 Jac. B. R. *Sharps* Case. *Cro.* 1. Part, 157. See Mich. 31 Eliz. B. R. *Lapp's* Case. *Cro.* 3. Part, 184. acc. Mich. 38 Eliz. 418. acc.

2. A. was indicted upon the Statute for Perjury, and the Indictment was, *Tactio per se sacro Evangelio falso deposuit*, but it was not directly alledged, that he was sworn; wherefore the Court held, It was not good, and it was quashed. Trin. 30 Eliz. B. R. *Disdens* Case. *Cro.* 1. Part, 105.

3. A. was Indicted for Perjury, and the Judgment was, That he was examined upon certain Articles in the Starr-Chamber, and *falso & voluntarie deposuit*; and shews not in what matter he swore falsly, nor in what Action; and the Oath was in the Starr-Chamber in *Middlesex*, and the Indictment in *Stafford*, and for these Causes he was discharged. Trin. 31 Eliz. B. R. *Steedmans* Case. *Cro.* 3. Part, 137.

4. A. was Indicted upon the Statute, and recited the Statute, That if any be sworn, &c. in any Court of Record, whereas the Statute doth mention them specially, &c. and that *apud Castrum Lic falso deposuit*, and shews not in what County the Castle was; and it wanted the Conclusion,

It

Et ſic falſo & voluntarie perjurium commiſit, &c. And for theſe Cauſes, the Party was diſcharged, and the Indictment quaſhed. Trin. 31 Eliz. B.R. *Richard* and *Thomas's* Caſe Cro. 3. Part, 137.

5. A. and B. were indicted upon the Statute, and Exception was taken to it; becauſe it was *falſe & corruptive depoſuere*, and yet in the end of the Indictment it was, *Et ſic voluntarium Commiſerunt Periurium*: And for theſe Cauſes the Indictment was holden not to be good, and the Parties were diſcharged. And in this Caſe, It was ſaid by *Gawdy*, Juſtice, That although a Verdict paſſeth againſt that which a Witneſs depoſeth, ſo as no Action lyeth againſt him, yet he may be Indicted for it. Mich. 31 Eliz. B.R. *Lambo* and *Rumpers* Caſe. Cro. 3. Part, 147.

6. Bill of Debt upon the Statute, after Verdict: It was moved, That by the Statute of 18 Eliz. No Suit ſhall be upon a Penal Law, but by Information or Original Action. But it was Reſolved, That the Action was maintainable; for that in that Statute, there is a Proviſo: Where the Action is given to the Party grieved, and where not to him, who will ſue generally, that he may ſue as before: It was adjudged for the Plaintiff. Mich. 38 Eliz. B. R. *Johnſon* and *Pays* Caſe. Cro. 3. Part, 434.

7. Action for Words, viz. *Thou art a perjured Knave: For thou ſworeſt this day at the Leet, That I baked Bread in my Houſe*; Where I did not. It was holden, That the words were Actionable: For although Perjury cannot be in a Leet, whereof the Law takes No Notice; yet though it be not a Perjury puniſhable by the Statute, yet it is a Diſcredit, for which an Action lyeth. Mich. 41 Eliz. B.R. *Spencer* and *Shayes* Caſe. Cro. 3. Part, 709.

8. A. was Indicted upon the Statute, becauſe he was produced a Witneſs for the King upon a Tryal in an Information, and ſworn, ſhewing the Oath and Falſity. It was Excepted unto, that ſuch a Witneſs produced and depoſed for the King, may not be puniſhed by way of Indictment, which is meerly the Suit of the King; and ſuch was the Opinion of the whole Court. Trin. 4 Jac. B. R. Cro. 3. Part, *Prices* Caſe.

9. Error to Reverſe an Indictment upon the Statute, and Out-lawry thereupon, becauſe the Indictment miſ-recites the Statute in hac; That the Statute is, *Quod quilibet attiullus de tali offenſâ* ſhall loſe, and forfeit 20 l. the Recital is, *Quod quilibet attiullus, &c. admitteret, et ſuis-ſaveret* 20 l; So as it was *Admitteret* for *Amitteret*. It was holden by the Court, That this miſrecital of the Statute was ill; and for that Caſe, the Judgment and the Out-lawry were Reverſed. Mich. 4 Jac. B. R. *Parkers* Caſe. Cro. 3. Part, 133.

10. Error to Reverſe an Outlawry, upon an Indictment upon this Statute: For that he was Indicted by the Name of N. L. *de parochia de Algate*; and doth not ſhew in what County *Algate* is, although it was Objected, That *Middleſex* was in the Margent, ſo as the Parith ſhould intend to refere to that: Yet becauſe Indictments ſhall not be taken by Intendments, and becauſe the County in the Margent ſhall be referred to the place where the Offence was Committed, and not to the Indictment of the Party. It was holden by the Court, To be ill; and therefore it was Reverſed. Trin. 5 Jac. B. R. *Leach's* Caſe. Cro. 2. Part, 167.

Upon the Statute of 13 Eliz.
Of Uſury.

1. IN Debt, the Caſe was: A. ſold to the Defendant two Oxen 22. *Jan.* 22 Eliz. for 26 l. 6 s. 8 d. to be paid at the Feaſt of All-Saints next; at the day, the Defendant required of him a longer day of payment; the Plaintiff gave him day till the firſt of *May* next, paying to him for the payment of his money, three Quarters of Wheat, which was above the value of 10 l. *per annum* for 100 l. and in Debt, the Defendant would plead this, and avoided the Contract. It was the Opinion of the Juſtices, That in this Caſe the Statute doth not make the Contract void which was duly made, but doth only avoid all Contracts of Uſury; and this contract is void, being againſt the Statute, but not the firſt Contract, being made *bona fide*. Paſc. 25 Eliz. C. B. *Pollard* and *Scoly's* Caſe. Cro. 3. Part, 20.

2. Note, It was holden by the Court, In an Information upon this Statute, That if one Contracts to have 20 l. for the loan of 100 l. if he take nothing of the 20 l. it is not puniſhable by this Statute; but if he taketh any thing, if but one ſhilling, this is an aſſurance of the Contract, and he ſhall render for the whole Contract. Hill. 20 Eliz. B. R. *Mallory* and *Birds* Caſe. *Ibid.*

3. Information upon this Statute, the Caſe upon Evidence was; F. the Defendant gave to the Plaintiff 566 l. for an Annuity of 120 l. *per annum* during 23 years. It was the Opinion of the Juſtices, That this was clearly no Uſury where here was no communication before between them

to have any consideration for the loan of the 566 l. for this Annuity was purchased *bona fide* without any corrupt intent or Bargain. In this Case further after the grant of the said Annuity, The Plaintiff for the Assurance of the said Annuity, enfeoffed F. the Defendant of Lands of 120 l. *per annum* to the use of the Plaintiff and his Heirs upon Condition, That if the money was not paid, it should be to the use of F. in Fee, this also by the Court was holden to be no Usury; for the Mortgage was only for the Assurance of the Annuity. Pasc. 26 Eliz. C. B. *Tanfield* and *Finches* Case. *Cro.* 3. Part, 27.

4. Note, It was holden in the Exchequer in an Information upon this Statute, That if two men speak together, and one of them desireth the other to lend him 100 l. and for the loan of it he will give him above 10 l. *per annum*; and for the evasion of the Statute, they invent this practice, That he shall grant to the other 30 l. *per annum* out of his Land for 10 years; or he shall make a Lease for 100 years to him, and the Lessee shall regrant it to him upon Condition he shall pay 30 l. yearly, and every year during the ten years; In this Case, The first Contract being corrupt in fraud of the Statute, this is Usury although he never hath his own 100 l. again. But if *bona fide* one buyeth an Annuity of 40 l. for 10 years for 100 l. this is no Usury, if the first communication was not corrupt. Trin. 19 Eliz. in the Exchequer, *Dr. Goods* Case. *Cro.* 3. Part, 27.

5. Information upon the Statute of Usury, *Qui sequitur tam pro Domina Regina quam pro seipso.* The Queen Attorney entred upon it *Non vult ulterius prosequi*, and the same was pleaded in bar against the Informer. It was adjudged in this Case by the whole Court, That the entry of the *Nolle Prosequi* by the Queens Attorney was no bar to the Informer, forasmuch as the Law gives the moyety to the party, the Queen cannot discharge it: and so it was holden on the other side, That the Nonsuit of the party cannot bar the Queen. Trin. 31 Eliz. B. R. *Stretton* and *Tylers* Case. *Cro.* 3. Part, 138. See *Leon.* 1. Part, 119. the same Case.

Upon the Statute of 31 Eliz. cap. 6. *Of Symony.*

1. DEbt upon an Obligation for performance of Covenants: The Covenants were, That T. B. son of W. B. should marry the Daughter of the Defendant, and in consideration of this Marriage, the Defendant Covenanted to pay 300 l. And W. B. Covenanted to assure such Lands to T. and A. for her Joynture. The Defendant further Covenanted, That he would procure T. B. to be Presented, Admitted, Instituted, and Inducted into such a Church upon the next Avoydance of the said Church. The breach assigned was, for not performance of the said Covenants concerning the Presencing, &c. and upon this breach, the Defendant demurred in Law, because this Covenant is against Law, being a Simoniacal agreement; and a Bond for performance thereof is not good. It was the Opinion of all the Court, That if it had appeared to have bin, That in consideration of the Marriage of his Son, &c. he would procure him to be Presented, Admitted, and Inducted to such a Church, That had bin a Simoniacal Contract, and had avoided the Obligation. But here this Covenant is not in consideration of the said former Covenants, nor depending upon them, but it is a meer distinct Covenant by it self, and independant upon the former, and without special Averment or shewing that it was a Simoniacal Contract, it shall not be so intended. It was adjudged for the Plaintiff. Mich. 14 Car. B. R. *Eyre* and *Mannings* Case. *Cro.* 1. Part, 307.

2. *Ejectione firmæ*, the point was, The Patron took an Obligation of the Clark (which he Presented), That he should pay 10 l. to the Son of the last Incumbent so long as he should be Student in *Cambridge* unpreferred. It was holden by the Court, That it was not Symony; otherwise it had bin to have paid it to the Son of the Patron. *Foster* Justice vouched the Earl of *Suffex*'s Case. An Obligation made by the Presentee to pay 5 l. yearly to the Widow and Children of the late Incumbent; and notwithstanding there was great opposition in it; yet the Patron still keeps the living. Pasc. 2 Car. C. B. *Baker* and *Stamford* Case. *Noy* 142.

3. Prohibition upon a Suit for Tythes grounded upon the Statute of 31 Eliz. suggesting that the Parson had committed Symony in comming to the Parsonage; and thereby the Church was void,

and

and the Tythes did not belong to him. But it was agreed by the Court, That the Prohibition did not lye; for that the Simony might be more fully tryed in the Spiritual Court. Mich. 40 Eliz. C. B. *Risby* and *Ireſmonths* Caſe. Cro. 3. Part, 641.

Superſedeas.

1. THE Caſe was; after the parties were at Iſſue in Treſpaſs, and an *Habeas Corpus* awarded againſt the Jury; the Common Pleas, in which Court the Action did depend, awarded a *Superſedeas, quia improvidè, &c.* and that was delivered to the Sheriff, who notwithſtanding returned the Jury before the Juſtices of Aſſiſe, who proceeded and found for the Plaintiff. The Defendant aſſigned the ſame for Error. The Defendant pleaded *in nullo eſt Erratum*. It was adjudged by the Court to be Error, for the Error aſſigned, is a matter *in facto* depending upon matter of Record, and then the Defendant by pleading *in Nullo eſt Erratum* hath confeſſed, That ſuch a *Superſedeas* was awarded and delivered to the Sheriff before the Tryal; Upon which it followeth, That after the *Superſedeas* delivered, the hands of the Sheriff were bound up, ſo as he could not proceed to diſcretion the Jury, nor Return the Writ before the Juſtices of Aſſiſe. Mich. 2 Jac. B. R. *King* and *Andrews* Caſe. *Yelverton* 57.

2. Mrs. R. was Arreſted by a *Capias ad ſatisfaciendum* by a Bailiff of *Middleſex* within the Bars in *Holborn*, which is within the Liberty of *London*. A *Superſedeas* was prayed, becauſe the Arreſt was falſe. The Court was of Opinion, That in this Caſe a *Superſedeas* cannot be granted; for a *Superſedeas*, it cannot be alledged, *Executio Erronicè emanavit*, but there the Execution is well granted, and if it be returned generally, it ſhall be intended well ſerved, although Affidavit be made to the contrary. But in the principal Caſe, the Court agreed the party ſhould have *Corpus cum Cauſa*. Trin. 3 Car. C. B. Mrs. *Revets* Caſe. *Hetley* 30.

3. The Defendant being a Burgeſs of Parliament, brought a Letter from the Speaker of the Parliament to the Court of Kings Bench to ſtay their proceedings. The Court was very much diſpleaſed at it, but would not allow of it. But ſaid, The Defendant ought to have brought to the Court a Writ of Priviledg, and to have helped himſelf that way. And a general *Superſedeas* for all Suits is not allowable; but the party is to have a particular *Superſedeas* for every Action; and the Parliament hath that Priviledg for their Perſons, but not for the ſtaying of their proceedings by any Letter. And the Chief Juſtice ſaid, That they would ſtand upon the Juſtice of the Court, and as they of the Parliament had their Priviledges, and ſtood upon it, ſo would they. But the Court agreed, That in ſome Caſes they might reſtrein the Counſel of the party, but not the Court it ſelf, which is not to take notice of any thing without a Special Writ. Paſc. 1 Car. B. R. *Moor* and *Hady* 1 Caſe. *Latch* 150.

4. In a Replevin, the Plaintiff was Nonſuit, and the Defendant had a Writ of Return of the Cattel, and a Writ of Enquiry of Damages; and thereupon the Plaintiff brought a ſecond Deliverance. It was holden by the whole Court, That it was a *Superſedeas* to the *Return habendo*, but not to the Writ of Enquiry of Damages. Hill. 22 Jac. B. R. *Latch* 72.

5. *Eyllioue's* Caſe. In the Common Pleas, the Plaintiff had Judgment; the Defendant brought Error in the Kings Bench, where the Judgment was affirmed: And afterwards he brought a Writ of Error in Parliament, and the Record was brought thither by the Lord Chief Juſtice; and afterwards the Parliament was diſſolved by the death of King *James*; and the Plaintiff prayed Execution in the Kings Bench, and the other ſide prayed, That Execution might be ſtayed till the next Parliament. The Court ſaid, That although we do award Execution; yet the party may have a Writ of Error the next Parliament; and here is no Writ of Error now depending; and we do not know whether he will have a new Writ of Error or not; therefore they Award, that *ſtat Executio curia*. And *Doddridge* Juſtice ſaid, and cited the Book of 8 H. 6. Tit. *Error*. Where Error was brought in Parliament; and the Plaintiff there prayed a *Scire facias* returnable the next Parliament, and that was denyed, becauſe it was in delay: Trin. 3 Car. B. R. *Crouch* and *Hilary's* Caſe. *Latch* 57.

Surrender.

1. NOte by all the Justices of the Common-Pleas, That if Tenant for life leaseth the Land to him in the Reversion, to have and to hold to him during the life of the Lessor, rendring rent; That this Lease is not good without Livery and Seisin; and it is not a Surrender in Law, nor was the Land in him in the Reversion by it. Pasc. 8 Eliz. *Brown* and *Kingsmill's* Case. *Rendlowes Reports* 24.

2. J. S. seised in Fee of Copyhold Land, devised it to his Wife for life, and that she should sell the Reversion for the payment of his Debts; and afterwards in Court did surrender to the use of his Wife according to his Will and Deed. The Question was, If the Wife could sell the Reversion. It was adjudged, That she might, for he having made his Will, and Devising it as before, and surrendring of it, and referring to his Will, it is to be intended according to the intent there limited and appointed: and afterwards she surrendring it upon Condition to pay 20 l. It was holden a good Sale according to the Will, Mich. 30 Eliz. B. R. *Bright* and *Hubbards* Case. *Cro.* 3. Part, 68.

3. The Case was: The Dean and Chapter of E. were seised of a Manor. The Custom in which was, That the Copy-holders may Surrender out of Court to the use of a Stranger in Fee: They make J. S. their Steward *ad excommunicandum, per servet sufficiet. Deputatum suum*; J. S. makes A. his Deputy, *pro hac vice*, to take a Surrender of Husband Wife, to the use of the Husband and Wife for their lives, the Remainder over in Fee; and the words were further in the Deputation, *ad faciendum & exequendum quatuus in me est*; A. takes a Surrender from the Husband and Wife, upon Condition, That the Lord shall Grant it to them for their lives, the Remainder over in Fee, the Surrender is made according. The Husband and Wife dyed, he in the Remainder Entred, and the Wife put him out: It was agreed by the Justices in this Case, 1. That this Deputation *pro hac vice*, was good. 2. That although the Authority to take the Surrender was absolute, and A. took the Surrender upon a Condition; yet it was good, by reason of the words, *Et ulterius faciendum, &c.* Trin. 28 Eliz. B. R. *Pandetts* Case. *Cro.* 3 Part, 48.

4. The Case was: B. Lessee of Lands for 40 years, lets them to G. for 30 years, and he lets them to P. the Plaintiff for 19 years, rendring 20 l. rent. It was agreed between B. and G. That P. should have and hold those Lands and other Lands for 3 years, rendring a greater Rent; to which Articles P. doth agree, and afterwards lets those Lands to the Defendant for 17 years, rendring Rent: The 3 years expired, afterwards G. granted his Term to J. S. who Entred, and, for Rent behind, after his Entry, brought the Action. The Questions in the Case were two, 1. If this was a Surrender by this Agreement? 2. If a Surrender may be as this Case is, by one Termor to another, out of which his Term is derived? It was the Opinion of all the Justices, 1. That this cannot be a Surrender; for the words and acts between Strangers can make no Surrender. 2. This cannot be a Surrender; for when Lessee for 20 years, makes a Lease for 10 years, the second Lessee cannot Surrender to the first Lessee for 10 years, cannot be drowned in 20 years: It was adjudged for the Plaintiff. Hill. 32 Eliz. C. B. *Fay* and *Allens* Case. *Cro.* 3. Part, 173.

5. The Father was Tenant for life, the Remainder to A. and B. his Sons for their lives; B. purchased the Reversion in Fee, the Father and A. Surrendred unto him without Deed. The Question was, If it was a good Surrender? It was said, That the Surrender was void; for if it be good, it must first be the Surrender of him in the Remainder, which cannot be without a Deed; and it cannot be the Surrender of the first Tenant for life, because there is no word of Surrender between them. Hill. 34 Eliz. B. R. *Perkins* and *Perkins* Case. *Cro.* 3. Part, 269.

6. A woman Lessee for life, the Reversion to two Co-parceners; the woman and one of the Coparceners make a Lease for years of the whole, rendring 10 l. Rent *per annum* to the woman during her life, and after 10 l. to the said Co-parcener, and afterwards the woman and the two Co-parceners levy a Fine; *Sur Conuzans de droit, &c.* to two Strangers, which was to the use of the Husband of the Co-parceners that joyned in the Fine. The Question in this Case (amongst others) was, If this joyning in the Fine by the Tenant for life with him in the Reversion of the Estate for life be Surrender, and the Rent extinct, because the Reversion to which the Rent is incident, is gone. The Court enclined to be of Opinion, That it was not; for that every one granted what in him lay; and in this Case, It was said, That if they had not levyed a Fine, and the Tenant for life dyed, the Lease had been good for the moyety of the Co-parcener, who had lett only, and yet the Rent remained. Trin. 34 Eliz. C. B. *Turner* and *Johnsons* Case. *Cro.* 3. Part, 284.

7. In Aſſumpſit, the Caſe was: The Plaintiff was poſſeſſed of a Leaſe of Lands for years, the Reverſion for years to another: He in the Reverſion, promiſed the Leſſee for years, That if he would Surrender to him to give him 30 l. and he Surrendred to him accordingly. In this Caſe, It was ſaid, That both Parties being Termors, That a Termor could not Surrender to a Termor; for one Eſtate could not drown in the other. But it was the Opinion of the Juſtices, That the Surrender was good, and the Eſtate ſhall drown in it; and if a man be Leſſee for 20 years, and the Reverſion is granted for one year to another, which grants it to the Leſſee for 20 years; this is a Surrender of the firſt Leaſe for 20 years, and is as if he had taken a new Leaſe for years of his Leſſor: And in the Principal Caſe, It was ſaid, That here are ſeveral Terms out of the Reverſion; and one cannot ſtand with the other; but coming together, one ſhall drown the other, and the number of the years is no material. For as he may Surrender to him who hath the Reverſion in Fee, ſo may he to him who hath the Reverſion for a leſs Term. But it was ſaid, That when Leſſee for 20 years maketh a Leaſe for 10 years, who Surrenders, this cannot drown in the other, becauſe it was not to Commence till the Term expired: It was adjudged for the Plaintiff. Trin. 35 Eliz. B. R. *Hughes* and *Katherns* Caſe. *Cro.* 3. Part, 302.

8. Replevin. The Caſe was: The Earl of D. was ſeiſed of the Manor of C. which extended into C. and B. (in B. there were Copyholders for life) and levyed a Fine, and ſuffered a Recovery of the Manor (excepting the Land in B.) which was conveyed to the Counteſs of D: Afterwards the Earl and Counteſs kept a Court at B. and the Steward granted Copyhold, being a Copyhold for life to the Plaintiff. If it was a good Grant, was the Queſtion: In this Caſe, It was Reſolved, 1. That the Grant was void, in regard there was not any ſuch Manour of B. before or now. It was ſaid by the Lord *Anderſon*, Chief Juſtice, If this Covenant had been of Copyholders of Inheritance, that the Copyholders and their Heirs ſhould have had it, but it can never be Surrendred: for Surrenders are by Cuſtom, and therefore ought to be in the Court of the Manour; and a Surrender to the Lord himſelf at his Houſe, or out of Court, is not good. Wherefore for it was adjudged for the Avowant. And whereas *Cook* 4. Part, 24. *Molins* & and *Ladies* Caſe was Cited, That the Grant was good: It was ſaid, That it was a ſtrange Judgment, and never Entred; and Error was brought upon it in the Exchequer Chamber, where the Opinion of all the Juſtices was, That the Judgment was Erroneous. Mich. 38 Eliz. B. R. *Bright* and *Forths* Caſe. *Cro.* 3. Part, 443.

9. In an Evidence to a Jury, the Caſe was; Leſſee for years accepted of a ſecond Leaſe to begin at *Michaelmas* next. The Queſtion was, If it be an immediate ſurrender of the firſt Leaſe. It was the Opinion of the whole Court, That it was, and that the Leſſor might enter in the interim, and take the profits; and ſo it was ſaid it had bin lately adjudged in C. B. Paſc. 40 Eliz. B. R. *Hardin* and *Martins* Caſe. *Cro.* 3. Part, 605.

10. The Caſe was, Husband and Wife, Copyholders to them and the Heirs of the Husband; the Husband dyed, the Heir in the life of the Wife before Admittance ſurrendred into the hands of two Tenants, who might take ſurrenders by the Cuſtome. It was the Opinion of the Juſtices in this Caſe, That the Surrender was good: And in this Caſe, it was ſaid, That if a ſurrender be to the uſe of one for life, the Remainder in Fee, and the Tenant for life is admitted, it is an Admittance for him in the Remainder. Paſc. 41 Eliz. B. R. *Colphin* and *Colshins* Caſe. *Cro.* 3. Part, 662.

11. In Debt for non performance of Covenants; The Caſe was, Tenant for life levyed a Fine to him in the Reverſion in Fee, the uſes of the Fine were limited to the Conuſee and his Heirs upon Condition, That he ſhould pay to the Tenant for life yearly during his life 4 l. *per annum*, and if there was any default of payment thereof, That it ſhould be to the uſe of the Conuſor for life, and for one year over; the Conuſee made a Feoffment to J. S. who made a Leaſe to the Plaintiff; the 4 l. was not paid nor demanded, the Tenant for life entred. The firſt Queſtion was, If this Fine was a Surrender; and whether a Surrender might be to an uſe. It was holden by the Court, That it was no ſurrender, for that every Fine implyes a Feeſimple: But if it was a Surrender, then it might be to an uſe, for it is a Conveyance ved, and Charged with this limitation of an Uſe. Another Queſtion was, Whether this Feoffment hath deſtroyed the future uſe which is to riſe for non-performance of the Condition; for if ſo, then entry of the Tenant for life is not lawfull. It was Reſolved, That it had not, for it was a charge or burthen upon the Land, which goeth along with the Land, in whoſe hands ſoever it commeth. Hill. 41 Eliz. B. R. *Smith* and *Warrens* Caſe. *Cro.* 3. Part, 688.

12. Leſſee for years of a Manour made by the Biſhop of E. and Confirmed. The Biſhop was Deposed, and the Succeſſor by Deed Indented, reciting the Leaſe granted to the Leſſee, the Office

fice of Bayliff of the ſaid Mannor for one and twenty years, with the Fees. It was much debated, If that were not a ſurrender of his Term. It was adjudged by the whole Court, That it was no Surrender, becauſe the Office of a Bayliff hath not any Intereſt in the Land. And 2. For that he hath not any part of the thing Demiſed. Mich. 3 Jac. B. R. *Gage* and *Peacocks* Caſe, *Noy* 12. See *Croke*, 2. Part, 177. The ſame Caſe.

13. The Caſe was, A. ſeiſed of Lands in Fee, by Deed granted a Rent to C. his Son, to begin after the death of the Grantor. B. Son and Heir of A. entred into the Land, and Demiſed part of the Land to C. for 500 years, who entred, and before any part of the Rent was behind, C. ſurrendred the Leaſe to B. to which Surrender B. agreed. It was Reſolved in this (amongſt other things), That the Rent, although once ſuſpended, was now revived. And in this Caſe, It was agreed, That where Leſſee for years Surrenders, to which the Leſſor agrees and accepts of it, That the poſſeſſion and Intereſt is in him without a Special Entry. Hill. 3 Car. C. B. Sir *Henry Pitton* and *Pemberton's* Caſe. *Hetley* 51. *Hutton* 94. the ſame Caſe.

14. In *Ejectione firme* upon Evidence to a Jury, It was moved as a Queſtion, That there being a Copyhold Meſſuage called S. whereunto were divers Copyhold Lands appertaining. The ſaid Meſſuage called S. being ſurrendred to the Lord, and all his right therein; Whether by that Surrender the Copyhold Land did paſs, or only the ſaid Meſſuage with the Curtilage thereunto belonging. It was Objected, That in Caſe of a Copyhold the entire Land ſhould paſs. But the Opinion of the Court was, That it was all one aſwell in Caſe of a Copyhold, as of a Freehold; and that nothing ſhould paſs but the Meſſuage, with the Orchards and Yards; and they ſhall paſs by theſe words *cum pertinentiis*. A ſecond Queſtion was moved, If Husband and Wife, Copyholder in the right of his Wife, Surrenders out of Court into the hands of the Steward, and the Wife is examined by him; It not being proved, That he was Steward by Patent, nor any Special Cuſtome to Warrant it, Whether ſuch a Surrender was good or not. It was Reſolved by the whole Court, That it was; and ſo it was ſaid it had bin often adjudged. Paſc. 17 Jac. B. R. *Simpſon* and *Cages* Caſe. *Cro.* 2. Part, 526.

15. A man ſeiſed of Copyhold Lands, deviſed a certain parcel of them to his Wife for life, the Remainder to his Brother and his Heirs; and afterwards in the preſence of three perſons of the Court, ſaid to them, *I have made my Will, and have appointed all things in my Will as I will have it.* And afterwards he ſaid, *And here I Surrender All my Copyhold-Lands into their Hands accordingly.* It was the Opinion of the whole Court in this Caſe, That the Surrender was reſtrained by the Will; ſo as no more paſſed to the Wife, but that which was mentioned in the Will, and the general words ſhall not enlarge it, Mich. 14 Eliz. B. R. *Leon.* 3. Part, 18.

1. NOte: It was the Opinion of all the Juſtices of the Common Pleas, That if a man by his Will in Writing, Deviſeth his Lands holden in Socage, to B, and the Heirs of his body begotten: And further by the ſame Will he Willeth, That if the ſaid B. dyeth, that the ſame Lands ſhall remain to another in Fee; That yet the Deviſee hath an Eſtate in tail by the firſt words of the ſaid Deviſe, and not an Eſtate for life, by the latter words of the Will. Hill. 14 Eliz. C.B. *Bullaves*, 25.

2. The Father ſeiſed in Fee of Lands in Socage, by his laſt Will in writing, Deviſed the ſame to his Son W. for life; and after his deceaſe, to the Men-children of his body: and if W. dyed without any Man-child of his body begotten, then the ſame to remain to a ſtranger in Fee. The Deviſee dyed, and the Deviſee had not any Men-Children of his body *in rerum naturâ*. It was moved to the Juſtices, If W. had a ſpecial Eſtate tail in him, and the heirs males of his body, in the ſaid Land, or not? And it was the Opinion of all the Juſtices, That he had an Eſtate to him and his heirs of his body. Caſe, *Incerti Temporis*. *Bullaves*, 30.

3. A Fine was levied by C. and D. his Wife, unto A, of a Mannor in Fee; and he rendred the ſame Mannor by the ſaid Fine to the ſaid C. and D. *Habend. et Tenend. eidem C. et D, et alterius eorum vitæ ipſis; impetitionæ Vaſti: Et poſt deceſſum ipſarum C. et D. prædict. Mannium, &c. integrè remanere* [illegible] *de Corporibus eorundem C. et D. legitimè procreatis.* It was holden in this Caſe, It was an Eſpecial Eſtate Tail, executed in the Husband and Wife, and not an Eſtate for life, and the Remainder to their heirs males of their bodies, as the words did import. Sir *John Maclaus* Caſe. *Incerti Temporis*, *Bullaves*, 31.

4. J. S. was ſeiſed of Lands in Fee, and ſuffered a Common Recovery, 33 H. 8. to the uſe of himſelf and his Heirs for ever, and to perform his Laſt Will, and were ſeiſed to the ſaid uſe. Afterwards J. S. made his Will in writing; and thereby Deviſed the Lands to A. his Wife, ſo long as ſhe ſhould live ſole, the Remainder to G. S. ſon of the ſaid J. S. in tail: the remainder to T. S. in tail: G. S. dyed without Iſſue before the Statute of 27 H. 8. was made, by force of which, the ſaid J. S. was ſeiſed in Fee; and afterwards in 37 H. 8. he recited the ſaid Will, and confirmed it, and that that was in it, and then dyed; then the Wife entred, and dyed. If it was a good Will, was the Queſtion? It was the Opinion of all the Juſtices of the Common-Pleas, That it was a good Will. Mich. 5 Eliz. in C.B. *Trevillians* Caſe. *Bullaves*, 38.

5. The Caſe was; A. ſeiſed of Lands in Fee, and by his Will Deviſed parcell of the ſaid Lands to his eldeſt ſon in tail; and the reſidue of his Lands to his younger ſon in Fee. Provided, *That neither of my ſaid ſons ſhall ſell or make leaſe of the Lands hereby given unto them by this my Will, or do any act with any of the ſaid Lands, to the hinderance of their Children or mine, by any deviſe or means, before they come to the age of 30 years: And if any of my ſons do ſo, then my other ſon ſhall have the portion of the Lands ſo Deviſed to his Brother.* The eldeſt Son before his age of 30 years, Leaſed the Lands to him deviſed for years, againſt the intent of the Proviſo: The younger ſon entred, and he Leaſed the ſame Lands before his age of 30 years; Upon which the eldeſt ſon did Re-enter. It was the Opinion of the Court in this Caſe, That here is a Limitation, and not a Condition; And here the Entry of the eldeſt Son was holden lawful; For that this Proviſo did not extend but to the immediate Eſtate deviſed expreſſly to them, and not to any new Eſtate which did ariſe upon the Limitation: and when the younger ſon entred upon the eldeſt by the ſaid Limitation, he held that Eſtate diſcharged of the Proviſo, or any Limitation contained in it. Trin. 29 Eliz. C.B. *Spittle* and *Davies* Caſe, *Rep.* 2. Part, 38.

6. The Caſe was: J. S. Deviſed Lands to S, and the Heirs of his body; and after his deceaſe, to B. the eldeſt Son of S, and to the Heirs of his body; the Remainder over to 3. other Sons of S. in the ſame manner. The Queſtion was, What Eſtate S. had in the Lands? It was Argued, That he had but an Eſtate for life, the Remainder

mainder to his Sons as Purchaſors. But it was Adjudged, That he had an Eſtate in tail; for by the firſt words, an expreſs Eſtate in tail was given to him, and there are no ſpecial words to alter them. And in this Caſe it was adjudged, That his Wife in regard thereof, ſhould have Dower, Mich. 34 Eliz. B. R. *Atkins* and *Atkins* Caſe, *Cro.* 3. Part, 248.

7. In an Information upon the Statute of 32 H.8. the Caſe was: J.B. was ſeiſed of Lands, and gave them to T. B, and the Heirs of his body, the Remainder to R.B, and the Heirs males of his body; the Remainder to the right Heirs of J. B: T. B. dyed, having Iſſue a Daughter; and R. B. made a Leaſe for years of the Lands. In this caſe it was holden to be no Maintenance within the Statute: For he in the Remainder might make a Leaſe for years of the Lands. In this Caſe, It was given in Evidence, That the Land was given to T. B, and the Heirs males of his body: and then when the daughter which is not in truth Inheritable entreth, If by that Entry ſhe being privy in blood to R. her Uncle, ſhall be in by Diſſeiſin, or abatement. *Anderſon* ſaid, That when the Daughter enters, and takes a husband, who Leaſeth for years, and the Leſſee entreth, the ſame is a Diſſeiſin. *Periam* doubted it; for that when the younger Son entred, the Freehold was in him. Trin. 33 Eliz. C. B. *Tayler* and *Brownſalls* Caſe. *Leon.* 2. Part, 48.

8. The Father Tenant for life, the Remainder to the Son in tail, the Remainder to the right Heirs of the Father: The Father and Son were both Attainted of Felony, and executed both at one time, the Son not having any Iſſue of his body; and, If the Father ſhould be now ſeiſed of an Eſtate in Fee, ſo as his Wife ſhould be endowed, was the Queſtion? And becauſe it was proved by Witneſſes, That the Father moved his Feet after the Death of the Son; In Dower brought by his Wife, It was found by the Jury, That he was ſo ſeiſed; *Que Dower.* And upon that, the Wife had Judgment to recover. Error was after brought, and Error aſſigned in the proceſs *Quod vide.* Trin. 38 Eliz. B. R. *Broughton* and *Randalls* Caſe. *Cro.* 3. Part, 502. See *Noy* 64. the ſame Caſe.

9. In a Replevin, the Caſe was; A. ſeiſed in Fee of Borough Engliſh Land, Deviſed it to B. his Son in tail, and dyed: B. dyed ſeiſed, having Iſſue two Sons. In this Caſe it was Reſolved by the whole Court, That the youngeſt Son ſhould Inherite to the tail aſwell as the eldeſt Son to the Feeſimple. So it was ſaid all the Iſſues ſhall inherite an Eſtate in tail of Gavelkind Lands. Trin. 44 Eliz. C. B. *Weeks* and *Carvills* Caſe. *Noy* 106.

10. The Caſe was, A Feoffment was made of three Acres of Lands to A. and B. to the uſe of R. P. and M. his Wife for their lives, and after, to the uſe of the firſt, ſecond, and third Son of the body of M. and after to the Heirs of the body of M. by R. to be begotten. They had not any Son, but a Daughter. R. levyed a Fine of the Land; M. dyed. The Daughter the Plaintiff entred: the Defendant pleaded the Fine of R. It was in this Caſe adjudged, That the Daughter was not barred by the Fine of R. for that R. had but for life, and the Eſtate tail was in the Wife only; and it was ſaid, That the Husband was not named, but only to declare what Heir of the body of the Wife ſhould Inherite, not every Heir, but ſuch Heir only as R. her preſent Husband ſhould beget. And it was ſaid, That if the limitation had bin to the Heirs of the body of the Wife by the Husband and by J. S. begotten, the Inheritance ſhould be only in the Wife: And in the Principal Caſe, all the Court agreed, That the Inheritance ſhould be only in the Wife, becauſe the word (Heir) which makes the limitation of the Eſtate, is annexed only to the body of the Wife. Trin. 6 Jac. B.R. *Repps* and *Bonhams* Caſe. *Yelverton* 131.

11. Tenant in tail Covenanted to ſtand ſeiſed in conſideration of a Marriage to be by his Son with the Daughter of J. S. to the uſe of himſelf and his Heirs untill the Marriage had, and after to the uſe of himſelf for life, and after to the uſe of his Son and his Wife the Daughter of J. S. and the Heirs of their bodies, and ſuffered a Recovery to that purpoſe, and dyed without Iſſue. It was adjudged, That the entry of him in the Remainder depending upon the Eſtate tail was lawful: for firſt in this Caſe, there was not any conſideration to raiſe the uſe; for the conſideration is only the Marriage of his Son with a ſtranger, the which as to change the poſſeſſion is not any benefit to the Father, but he is in a manner a ſtranger to that perſonal and peculiar conſideration. But if the conſideration had bin for the eſtabliſhing of the Land in his name and bloud, it had bin good, for that, that only touched the Father. 2. It was agreed in this Caſe, That notwithſtanding ſuch a Covenant by Tenant in Tail, although as to himſelf it is an alienation of the Eſtate; yet as to ſtrangers he remains Tenant in tail, for if he taketh a Wife, after ſuch a Covenant to ſtand ſeiſed to the uſe of himſelf for life, his Wife ſhall be endowed. Mich. 2 Jac. B.R. *Freſhwater* and *Rair's* Caſe. *Yelverton* 51.

12. S. being Tenant in Tail, Covenanted to ſtand ſeiſed in conſideration of the Marriage of his eldeſt Son to the uſe of himſelf for life, and after to the uſe of his eldeſt Son for his life, and afterwards to the uſe of the firſt Son of his eldeſt Son which

any should be, in Tail; and afterwards her eldest Son had Issue *G. S.* his eldest son: The Grandfather upon great cause would sell part of the Land, and assure more in recompence to the Son; and the Purchasers would not take any assurance, unless the Infant (who was but four years old) would suffer a Recovery: And yet it was conceived by the Justices, that the Covenant did not alter any Estate: Yet to satisfie the Purchasers, he prayed that a Guardian might be allowed the Infant, that a Recovery might be suffered against him as Vouchee, which the Court agreed unto; and the Infant being brought into Court, a Recovery was had of that Land, wherein the Infant was vouched; and he appeared, and vouched the Common Voucher. *Hill.* 38. *Eliz. C. B. Stapletons* Case. *Cro.* 3. part. 471, 472.

13. It was agreed by the two chief Justices, That if Tenant in Tail Covenant to stand seised to his own use for life, the Remainder to his Son: And after he levies a Fine to *A.* to other uses, That these last uses are good against the Son; For when he had limited the use for his life, that was all that he might lawfully do, and it was no alteration of the estate to the Covenantee; For in such Case his Wife shall be endowed. *Pasc.* 44. *Eliz.* B. R. Sir *Clement Higham* and *Bedingfields* Case. *Noy* 46. And so it was said it was agreed in 38. *Eliz.* in *Stapletons* Case.

14. The Case was. *A.* made a Feoffment in fee to the use of his younger Son in Tail, and after to the use of the heirs of his body *in posterum procreand*, and at the time of the Feoffment he had Issue two Sons, and after the feoffment he had Issue a third Son; the younger Son dyed without Issue: It was said by *Wray*, Chief Justice, that after the death without Issue of the second Son, the Land should go to the third Son born after the Feoffment; for this word *in posterum* is a forcible word to create a special Inheritance; and without that it had been a general Tail. *Mich.* 26. *Eliz. B. R. Leon.* 3. part 87.

15. Trespass, the Case was, *W. G.* seised of Lands in fee according to the Custome of the Manor of *S.* surrendred them to the use of his Will; by which he devised thus, *viz.* I bequeath to *John Th.* my House and Land in *M.* called *Lock* and *Stone*, to *St. Th.* my House and lands called *Stokes* and *Newmans*, to *Ro. Th.* my House and Lands called *L kins* and *Brox*; Moreover, if the said *Jo. St.* or *Ro.* live till they be of lawful age, and have Issue of their bodies lawfully begotten, then I give the said houses to them and their Heirs, in manner as aforesaid, to give and sell at their pleasure: But if it fortune one of them to dye without Issue of his body, lawfully begotten, Then I Will that the other Brother or Brothers, have all the said Houses and Lands in manner aforesaid; And if it fortune the three to dye without Issue, Then I Will that all the said houses be sold by my Executors: In this Case, upon the Will, it was agreed by all the Justices, First, That by the first words of the Will the three Devisees had but an Estate for life. 2. It was Resolved, That no estate tail is created by this Will, but the Fee-simple seised in the Sons when they came at their lawful ages, and had Issue; so as the Recovery of the Devise was void. *Tr.* 27. *Eliz. Toll or *Tolne*.

1. TRespass, *Tam pro Domina Regina, quam pro se ipso*, and shewed that the Town of *Leicester*, and the Inhabitants thereof, had used to be discharged of Toll, and that the Queen by her Letters Patents gave commandment to all Bailiffs, Mayors, Sheriffs, That those of *Leicester* should be discharged of Toll; Notwithstanding which, the Defendant took Toll: Many Exceptions were taken. 1. Because the Suit is prosecuted *Tam pro Domina Regina, quam pro se ipso*, whereas the party grieved was only to have the Information; but that Exception was over-ruled, upon the Book of 49. E. 3. 6. where the Writ is, *Ad respondendum tam Domine Regi, quam se ipso*. 2. That Lands holden in Soccage only, are discharged of Toll; and it is not shewed that the Lands were holden in Soccage: It was Answered and Resolved, That it is said, That *Leicester* is Ancient Demesne, and that implies it cannot but be Soccage, and not of any other Tenure. 3. Because the King by his Letters Patents cannot discharge one of Toll, which is a kind of disenheritable: It was answered, That the Plaintiff doth not declare of any grant, but of an Usage or Customs; and the Letters Patents are, that such Customs and Usages shall hold place; and upon the Custom and Contempt the Action is grounded. 4. That the Plaintiff hath not shewed, That the Toll was concerning things for provision of their houses, manurance of their Lands, *&c.* and the words are *de bonis & catallis suis*; and it was said, That the reason why Tenants should be quit of Toll, was because that in the time of *Edw.* the Confessor, and *William* the Conquerour, all the Lands in their hands, set down in the Book of *Doomsday*, were Ancient Demesne, and called *Terra Regis*; and they were to provide Victuals for the Kings Garrisons and

other places in times of war and trouble; and therefore they had the Priviledges, *ut quietius arura ſua exercerent, & terram excolant*, and ſhould alſo be diſcharged of Toll: The Court inclined to be of opinion, That an Inhabitant within Ancient demeſne, although he was not a Tenant, ſhould be diſcharged of Toll; But it was ſaid, That if ſuch Tenant or Inhabitant levyeth a Fine of his Lands in ancient Demeſne, the Purchaſer ſhould pay Toll: The principal Caſe was adjourned *Tr.* 28. *Eliz. B. R.* The Caſe of the Town of *Leiceſter*, Leon. 2. part 190.

2. Treſpaſs, the Defendant juſtified, becauſe the Town of *Northampton* is an ancient Town, and that King *Henry* the 7th. granted to the Mayor and Burgeſſes, *&c. unam Feriam annualem*, to be holden upon the Feaſt of *&c. cum omnibus libertatibus & liberis Conſuetudinibus ad ejuſmodi Feriam ſpectant'*; and ſhewed, That *I. S.* at a Fair there holden, ſold a Cow to the Plaintiff, and he demanded one penny for Toll, and becauſe he refuſed to pay, the Defendant diſtreined the Cow as Bailiff for non-payment: The Queſtion was, if this grant were good, and that thereby any Toll might be demanded: It was in this Caſe (amongſt other things) Reſolved, That by the ſaid Grant of a Fair *cum omnibus Libertatibus*, &c. Toll is not due nor demandable, for Toll is not incident to a Fair; but in ſuch Caſe by expreſs words in the Kings Grant, ſuch Grantee may have Toll; and in this Caſe, this difference was put and agreed, That ſuch liberties which a common perſon hath by preſcription or Grant, and which if the common perſon had not, the King himſelf ſhould have, as Waife, Stray, Wreck, *&c.* there if the common perſon hath them by Grant or Preſcription, and they come to the King by forfeiture or otherwiſe, they are extinguiſhed in the Crown, and the King ſhall have ſuch Liberties by his Prerogative, and they cannot be afterwards granted but by a new Creation: But ſuch Liberties, which a Common perſon hath by grant or Preſcription, which the King (if ſuch Preſcription had not been) could not have by his Prerogative, as Wares, Market with Toll, *&c.* if theſe come to the Crown, they remain *in eſſe* and are not extinct: It was in the principal Caſe adjudged for the Plaintiff. *Mich.* 40. *Eliz.* B. R. *Hoddy* and *Wheelhouſes* Caſe. *Cr.* 3. part. 591.

3. Treſpaſs for taking 100 Sheep at *Melton Moubray*, in *via Regia*: The Defendant pleaded, That the Lord *B.* was ſeiſed of the Manor of M. in *M.* aforeſaid, and that he and all thoſe whoſe eſtate time whereof, *&c.* have uſed to have Toll, *viz.* 2 *d.* for every 20. ſheep of any ſtrangers, brought or driven *per & trans* the ſaid Town by any ſtranger; and if he were denyed by ſuch ſtranger driving them *per & trans*, &c. that he uſed to diſtrein for the Toll one ſheep ſo driven; and ſhewed that 120. ſheep of the Plaintiffs, being a ſtranger, were driven by ſuch a ſtranger, *per & trans* the ſaid Town by the Plaintiffs command; and becauſe he refuſed to pay the Toll, he took one ſheep, *cepit & abduxit*; It was ſaid the Plea was not good, becauſe it is claimed as a Toll Through, which cannot be claimed by Preſcription, for that it is againſt Law, and in oppreſſion of the people. 2. That he cannot diſtrein for it in *via Regia*; for that is againſt the Statute of *Marlbridg*, cap. 15. 3. That it is not good for the manner of the pleading, becauſe the Cuſtom is alledged to be, That if the Sheep of any Forainer be driven through, a Toll ſhall be paid, if it be denyed by any Forainer who drives them through, and it is not avered that he that drove them through was a forainer, but that the Maſter was a forainer; but that was diſallowed, becauſe the driving of the ſervant is the driving of the Maſter. 4. Becauſe he juſtifies *quod cepit & abduxit*, and doth not ſay *Nomine Diſtractionis*; and for that cauſe the pleading was holden not to be good: But for the matter in Law, The Court was of opinion, That for Toll Traverſe, and Toll Thorough, a Town, or a Man might preſcribe: And the King at this day may grant ſuch a Toll; but then it muſt be but of ſmall value: and it was ſaid, that although it did not appear to the Court, that this Cuſtome had a lawful beginning, the ſame not being ſhewed, nor the cauſe thereof; yet by Intendment it ſhall be intended to have a lawful beginning, and for a good cauſe, without ſhewing the ſame in certain; But for the default of the pleading, it was adjudged for the Plaintiff. *Mich.* 41. *Eliz.* B. R. *Smith* and *Shepherds* Caſe. *Cro.* 3. part 710, 711.

Traverſe.

1. REplevin, The Defendant avowed the taking of the Cattel damage feaſants, and ſhewed that *A.* and *B.* was ſeiſed of the Manor of *S.* and let the place in which *&c.* to him for 21. years; The Plaintiff ſaid that long before *A.* and *B.* were ſeiſed, That King *Hen.* 8. was ſeiſed, and demiſed this Land by Copy of Court Roll, to the Plaintiff in Fee; upon which it was demurred, for that the Plaintiff doth not Traverſe the ſeiſin of *A.* and *B.* and it may be they came to the Land by good title of puiſne time: In his Caſe it was ſaid by the Juſtices, That in the time of King *Ed.* 3. the Judges had

had no great regard to pleading, and that by the Book of 4. E. 3. Title *Replication*; ſuch a Confeſſion by *Neint dedier*, that it had been good: But they ſaid, that ſince that time there is no Queſtion to be made, That where the party doth alledge ſeiſin for one from whom he claimeth; the Plaintiff cannot alledge ſeiſin in another from whom he claimeth; before the ſeiſin of, &c. without Traverſing, confeſſing or avoiding the ſeiſin alledged by the Defendant: It was adjudged for the Avowant, *Paſc.* 26. *Eliz.* B. R. *Hering* and *Blacklows* Caſe. *Cro.* 3. part 30.

2. Treſpaſs for entring his Cloſe, and cutting 6. Poſts, 1. *May*, 28. *Eliz.* The Defendant pleaded to all *Not guilty*, Except to 3. Poſts, and ſaid that upon the 1. *May* 27. *Eliz.* it was the free-hold of *I. S.* and that he by his command entred and cut the Poſts, which is the ſame Treſpaſs, and *abſq; hoc* that he was guilty of any Treſpaſs before the ſaid 1. *May* 27. *Eliz.* and doth not Traverſe the time after; which was alledged to be a good cauſe for ſtaying of Judgment: But it was Anſwered and Reſolved, That although the Defendant pleads not guilty to the whole Houſe, yet he might after juſtifie as to parcel, for he hath pleaded to all except this parcel; and alſo the Plea is good although he doth not traverſe the time after; For when he pleads his Freehold, or the freehold of another, it ſhall be intended ſo to continue till the contrary be ſhewed, and therefore he needeth not traverſe the time after. *Hill.* 0. *Eliz.* B. R. *Higham* and *Reynolds* Caſe. *Cro.* 3. part 87.

3. Note, It was ſaid, That in an Action of Trover and Converſion, That the Converſion is traverſable, for it is the ſubſtance of the Action, and the wrong ſuppoſed by him, and ſo may well be traverſed; For if one findeth goods, and doth not convert them, no Action lieth; and it was ſaid in this Caſe, that in one *Leaks* Caſe it was adjudged, That the place and time of the Converſion are to be alledged, for they are materiſal; and for that they were not alledged in the principal Caſe, the Bill was abated, though it was alledged after verdict. *Paſc.* 30. *Eliz.* B. R. *Stranſhams* Caſe. *Cro.* 3. part 97.

4. The Queſtion was, If upon a Traverſe to the Certificate of the Biſhop of *Lincoln* for not payment of Tenths upon demand, nor within 40. days after; whether the Benefice be void by the Statute of 26. *H.* 8. cap. 3. *Manwood*, Chief Baron, ſaid, It was a great queſtion if this Certificate of the Biſhop was peremptory, or that the party ſhould be admitted to traverſe it: But upon great conſideration had thereof by the Juſtices, it was Reſolved, That ſuch Certificate is not peremptory; for that the Biſhop doth it only as an Officer, *ſcil.* as Collector of the Tenths, and not as a Judge, as in the Caſe of Baſſardy. *Mich.* 30. *Eliz.* in Exchequer, The Queen and *Blanchers* Caſe. *Cro.* 3. part 80.

5. *Ejectione firmæ*, The defendant pleaded a ſurrender of a Copy-hold by the hand of *I. S.* the Steward of the Manor: Iſſue was joyned *abſq; hoc*, that he was Steward; It was holden by the Court to be no Iſſue, for the Traverſe ought to be general, that he did not ſurrender, for if he was not Steward, the ſurrender was void; and in this Caſe it was holden, That where Iſſue is taken upon a Surrender, it ſhall be tryed where it was alledged to be done, and not where the Manor is. *Mich.* 34. *Eliz.* B. R. *Wood* and *Butts* Caſe. *Cro.* 3. part 260.

6. Treſpaſs, The Defendant pleaded, That *A.* his Anceſtor was ſeiſed, and dyed ſeiſed, and the Land deſcended to him as Son and Heir: The Plaintiff replied, that before *A.* was ſeiſed, That *I. S.* was ſeiſed in Fee, and enfeoffed others to the uſe of himſelf and his Wife for their lives, and afterwards to the uſe of *W.* his Son for his life; and after his deceaſe, that they ſhall be ſeiſed *ut in eorum priſtino eſtatu*, upon condition that they ſhall receive the profits, and pay to *B.* the Wife of *W.* 20 *l. per an.* during her life; and after they ſhall be ſeiſed to the uſe of the heirs males of *W.* That the Husband and Wife dyed; That *W.* entered, and enfeoffed *A.* and dyed, who entred and deviſed it by his Will to his younger ſon for life, afterwards *A.* the wife of *W.* dyed, and *N.* as Son and Heir of the body of *W.* entred and let to the Plaintiff: Upon this it was demurred, becauſe he did not traverſe the Diſcent; But the opinion of the Court was, That judgment ſhould be for the Plaintiff, for that the diſcent in any Caſe is not traverſable, but where both parties claim by the ſame perſon; and holden that this Feoffment was no Diſcontinuance, nor barred the entry of the Heirs. *Paſc.* 34. *Eliz.* B. R. *Maſon* and *Nevils* Caſe. *Cro.* 3. part 277.

7. Action upon the Caſe, and Declared, That he having a Sellar in which he put divers Hogſheads of Wine, and the Defendant having a Ware-houſe over his Seller, maliciouſly laid into the ware-houſe ſuch a weight of wares, *Quod propter gravitatem ponderis* the floor of the ware-houſe fell, and ſpoiled his wines: The Defendant pleaded, That *I. S.* was poſſeſſed of the ware-houſe and of the Seller, and let the Seller to the Plaintiff, and the Ware-houſe to the Defendant; and that at the time of the [illegible] made the ware-houſe was much in decay, and that there uſed to be laid in the ware-houſe 10 0. weight and that he put in it but 800 weight, *Et propter ruinoſitatem* it fell down, *Et hoc paratus eſt verificare*, upon which it was demurred: It was holden by the Juſtices in this Caſe, That the Plea was not good, for want of a Traverſe; for when a Male-feaſans is layed to the Defendants charge, he ought expreſly to Traverſe it, and not to Anſwer it by Argument, and he doth not traverſe that which was laid to his

charge; wherefore it was adjudged for the Plaintiff. *Tr.* 34. *Eliz. C. B. Edwards* Caſe. *Cro.* 3. part 285.

8. In Replevin, the Defendant avowed by a grant of a Term by *A.* to *I. S.* from whom the Plaintiff claimed, the Defendant pleaded in Bar of the Conuſans, that *A.* married with *I. D.* who by a former Deed granted the Term to the Plaintiff, and Traverſed the grant made to *I. S.* and in this Caſe it was holden that the Traverſe was not good but vitious; for that he who claimeth by the firſt grant or Aſſignment, ſhall not Traverſe the ſecond; but he who claimeth by the ſecond, muſt traverſe the firſt. *Mich.* 41. *Eliz.* B. R. *Helies* and *Whybers* Caſe. *Cro.* 3. part 650. See *Cok.* 6. part 24. the ſame Caſe.

9. Treſpaſs for taking his Cattel at *S.* and driving them, *&c.* The Defendant pleaded That *I. S.* was ſeiſed in fee of 12 Acres of Land in *M.* and that the Cattel were damage feaſant there, and that he by the command of *I. S.* drave them to *S.* to and from thence to *T.* in the ſaid County, where he impounded them, which is the ſame taking and driving whereof *&c. Abſq; hoc quod cepit Averia prædict' apud S.* In this Caſe it was adjudged the plea was ill, for that the Traverſe is a departure from the firſt plea, and repugnant to the matter which induceth it; and it was ſaid, That there needed no Traverſe, becauſe here the matter of juſtification is tranſitory and not local; but it ſufficeth that he juſtifies in another place. *Paſc.* 41. *Eliz.* Co. B. Sir *Walter Sand* and *Lawes* Caſe. *Cro.* 3. part 667.

10. *Ejectione firmæ* of a Leaſe made by *A.* The Defendant pleaded, That long before, *&c.* the Queen was ſeiſed in fee in the right of her Crown, and by Letters Patents gave the Land to *I. S.* and *W.* his wife, and to the heirs of the body of *W. I. S.* dyed, *W.* took to huſband *I. D.* the reverſion in the Crown; *I. D.* let it to *A* the leſſor of the Plaintiff; *I. D.* dyed, the Defendant as ſervant to *W.* entred: *Et hoc* The Plaintiff Replied, That the Leſſor of the Plaintiff demiſed to him for years; upon which the Defendant demurred, becauſe he traverſeth without making any title: But the Court held it good enough; for the Defendant hath avoided the Plaintiffs title, in which is the chiefeſt matter, and it is not neceſſary in an *Ejectione firmæ* to make a title. *Paſc.* 41. *Eliz.* B. R. *Knights* and *Ledges* Caſe. *Cro* 3. part 671.

11. Replevin, The Defendant avowed by reaſon of a Copy-hold granted to him by *C.* Biſhop of *W.* Lord of the Manor; The Defendant pleaded, that before *C.* was Biſhop, one *H.* was Biſhop of *W.* by whoſe death the Temporalities came to the Queen; and that during that time the Copyhold eſcheated, and the Queen granted it to the Plaintiff in fee, and traverſeth the grant by *C.* It was the opinion of the Court, that the Traverſe was good, becauſe the grant of the Queen of the Copyhold eſcheated was good, and the Traverſe ought to be; for here is not any confeſſing and avoiding, becauſe he doth not confeſs the ſeiſin and grant by Coppyhold; But if he had confeſſed that, then there needed not any Traverſe. *Paſc.* 42. *Eliz* C. B. *Coverts* Caſe. *Cro.* part 754.

12. Replevin. The Defendant avowed by reaſon of a Copyhold granted to the Defendant; and to *B.* and *C. B.* dyed, and then *C.* dyed, whereby he was in by Survivor, and ſo is ſole ſeiſed, and took the Cattel damage feaſant: The Plaintiff confeſſed the grant, and that *C.* dyed, and the Defendant and *B.* ſurvived: But ſaid, That *B.* ſurrendred his part to a ſtranger, who conveyed it to the Plaintiff, *abſq; hoc*, that the Defendant was ſole ſeiſed *prout tempore Captionis*: It was objected that the ſole ſeiſin was not traverſable, but the ſurvivorſhip: But the opinion of the Court was, That the Traverſe was good; for the ſole ſeiſin being alledged by way of bar, preciſely and materially, it ought to be Traverſed; It was adjudged for the Plaintiff. *Mich.* 42. *Eliz. C. B. Cooper* and *Temples* Caſe. *Cro*, 3. part 79.

13. *Ejectione firmæ*, The Defendant pleaded, that before the Father of the Plaintiff had any thing, the Father of the Leſſor of the Plaintiff was ſeiſed in fee, and let to the Defendant for life and dyed; the Reverſion diſcended to the Leſſor, who entred and diſſeiſed the Defendant, and lett to the Plaintiff; The Plaintiff ſaid, that the father of his Leſſor was ſeiſed in fee, and dyed ſeiſed, and it deſcended to his Leſſor, who entred and lett to the Plaintiff, *abſq; hoc*, that the Father of his Leſſor, lett to the Defendant: It was demurred into, becauſe he traverſeth the diſſeiſin, and not the Leaſe: But it was adjudged that the Traverſe was good, and that he might Traverſe either the diſſeiſin or the Leaſe at his Election; for when both parties make their Conveyance from one and the ſame perſon; there the mean conveyance is always traverſable. *Mich.* 42. *Eliz. C. B. Fawke* and *Powels* Caſe, *Cro.* 3. part 798.

14. Treſpaſs of a Battery in *London*: Defendant pleaded, That the Plaintiff aſſaulted him in *D.* in the County of *E.* and if *damnum de ſon* aſſault demeſne, and traverſed he is guilty in *London*: It was holden that the Traverſe and juſtification was not good; for it being a thing tranſitory, he ought to have juſtified in *L.* and not to have Traverſed the County; for a Battery in his defence is not local, but may be juſtified in every place where it is alledged. *Tr.* 43. *Eliz. C. B. Parſet* and *Hutchyns* Caſe. *Cro.* 3. part 842. See *Mich.* 43. *Eliz. C. B. Johnſon*, and *Burtons* Caſe. *Cro.* 3. part 860. *acc.*

15. Debt

15. Debt upon Obligation to ſtand to the award of *I. S.* of all Controverſies between the Plaintiff and Defendant, ſo as the Award be made before the firſt day of *June* next after the date of the Obligation, which bore date 20. *Novemb.* 20. *Jac.* The Defendant confeſſes the Obligation, dated 20. *November*, but ſaid it was *primo deliberat'* 20 *April*, 21. *Jac.* after which day and before the firſt day of *June* next following, no Award was made, *abſq; hoc quod cognovit ſe teneri modo & forma*: It was the opininion of the whole Court in this Caſe, that the Traverſe was void and repugnant, for the ples confeſſeth the Bond, but denies the time by the traverſe, for the Traverſe doth not go to the part of the ples material. *Paſc.* 1. *Car. B. R. Ecuſq; de Norwich* and *Cornwallis* Caſe. *See Reports* annexed to *Bendlows*, 146.

16. Debt upon an Obligation againſt an Adminiſter, who pleaded a Judgment againſt him upon another Bond of 40 *l.* beſides which he had not Aſſets; The Plaintiff ſaid, that the ſaid Judgment was ſatisfied by the Defendant by payment of 20 *l.* to the party, who recovered in ſatisfaction of it, but the Defendant by fraud and covin, to defeat the Plaintiff the Defendant kept the Judgment a foot; The Defendant traverſed that the Judgment was not ſatisfied: It was Reſolved in this Caſe, That the Traverſe was not good, becauſe the payment is not traverſable. *Hill* 1. *Car. B. R. Dean* and *Goldsbeys* Caſe. See *Reports* annexed to *Bendlows*, 166.

17. Replevin, Defendant avowed That *E. E.* was ſeiſed in fee of three Acres in *D.* and took to Husband *I. S.* by whom ſhe had Iſſue *E. E.* dyed, *I. S.* being Tenant by the Courteſy *T.* the heir in reverſion granted a Rent of 5 *l.* out of the three Acres to the Avowant, and for ſo much behind avowed; The Plaintiff ſaid, that before *E.* had any thing, *I. D.* was ſeiſed in fee, and gave the Land to *I. E.* in tail; *I. E.* had Iſſue *E. E.* who after the death of her Father entred and was ſeiſed in tail, who took Husband *ut ſupra*, and had Iſſue *T. ut ſupra*, and dyed, *T.* in the reverſion in the life of the Tenant by the Courteſie granted the Rent *ut ſupra*, *abſq; hoc* that *E. E.* was ſeiſed in fee of the three Acres; upon which Iſſue joined, it was found for the Avowant; In ſtay of Judgment it was ſaid, that in effect there was no iſſue joined, for that the traverſe of the ſeiſin *E. E.* was idle; but the Trave ſe ought to have been of the ſeiſin of *T.* the grantor: But it was the opinion of the Juſtices, That although another iſſue might have been taken and that the Traverſe is not good; yet the ſame is helped by the Statute of Jeofails, for the eſtate of *E. E* was in a ſort and by circumſtance material; for if ſhe was ſeiſed in tail and it deſcended to *T.* the grantor, then by her death the Rent is determined; but if the Fee deſcend from *E. E.* to *T.* then the ſame did enable the eſtate of *T.* to be ſuch, out of which he might well grant the Rent. *Mich.* 2. *Jac. B. R. Pigot* and *Pigots* Caſe. *Yelverton* 54.

18. In *Ejectione firmæ*, The Plaintiff declared upon a Leaſe made to him for three years by *M. P.* The Defendant ſaid that the Land was Copyhold of the Manor of *F.* whereof the Queen was ſeiſed in fee, and before the Leſſor of the Plaintiff had any thing ſuch a day, by *I. S.* her Steward at a Court, *&c.* granted the land to the Defendant by Copy in fee, according to the Cuſtom of the Manor; The Plaintiff Replied, that long before the Copy granted to the Defendant, *&c.* 43. *Eliz.* the Queen by Copy granted the Land to the Leſſor for life, according to the cuſtom, who entred and let the Land to the Plaintiff: The Defendant by way of Rejoynder maintained his bar, *abſq; hoc*, that the Queen at the Court of the Manor, by *I. S.* her Steward, ſuch a day granted the Land to the Leſſor: It was the opinion of the Court in this Caſe, That the Traverſe here was not good, for the day was not traverſable; but where that the Queen by an eigne Copy granted the Land to the Leſſor; ſo as the Traverſe ſhould have been *abſq; hoc, quod Domina Regina Conceſſit modo & forma* to the Leſſor of the Plaintiff; and they held the Traverſe to be naught, for by that the Jurours ſhould be bound to find a Copy at ſuch a day, and by ſuch a Steward, which ought not to be, and they alſo held that the ſame is matter of ſubſtance, and not helped by the Statute of 18. *Eliz.* of *Feoſails*. *Hill* 5. *Jac. B. R. Lane* and *Alexanders* Caſe. *Yelverton* 122, 123.

19. *Ejectione firmæ*, of a Leaſe made by *A.* The Defendant pleaded that before *A.* had any thing, *I. S.* was ſeiſed of the Land in fee, and had Iſſue *H.* and dyed ſeiſed; and the Land diſcended to *H.* as ſon and heir, and that *A.* entred and was ſeiſed by abatement, and after made the Leaſe to the Plaintiff, after which the Defendant as ſervant to *H.* entred, *&c.* The Plaintiff replied, and confeſſed the Seiſin of *I. S.* but ſaid that he being ſo ſeiſed by his Will, deviſed the Land to *A.* in fee and dyed, and that *A.* entred by force of the deviſe, and made the Leaſe to the Plaintiff *abſq; hoc, quod H ſeiſitus fuit per abatementum modo & forma*, &c. It was adjudged for the Defendant, and that the Traverſe was not good; for traverſe ſhall not be taken but where the thing traverſable is iſſuable; and the ſubſtance of the Iſſue is the deviſe, and not the Abatement; Alſo it is not good for the manner of it, for the Traverſe ought not to have been *abſq; hoc, quod ſeiſitus fuit per abatementum*; but *abſq; hoc, quod abatument. Paſc.* 7. *Jac. B. R. Bedell* and *Lutts* Caſe. *Yelverton* 151.

20. Treſpaſs for entring in his Shop, the Plaintiffs ſervant having diſtreined three Green-fiſh, the damage feaſance, and that the Defendant entred the Shop,

Shop, and reſcouſſed them from the ſervant, and carried them away: The Defendant pleaded, That before the Treſpaſs *H. O.* was ſeiſed of the Shop in fee; and 16. *May*, 30. *Eliz.* leaſed the ſame to *S.* and derived to himſelf an intereſt in that Leaſe, and ſo juſtified; The Plaintiff Replied, that before *H. O.* had any thing, *&c. T. B.* was ſeiſed of the Shop in fee; and 7. *E.* 6. deviſed the ſame to *F.* his ſon in tail, the remainder to *O.* in fee and dyed; *T.* by Deed Indented, inrolled, bargained and ſold the ſame to *E.* in fee, who entred. *I.* dyed without Iſſue, ſo as his remainder diſcended to *T. E.* deviſed the Shop to *T. O.* and *R. O.* in fee, and dyed ſeiſed, they entred and were ſeiſed in fee: *T.* dyed ſeiſed of the remainder in fee without Iſſue, and that the Shop deſcended to *R. G.* as Coſen & heir, *T. O.* and *R. O.* dyed; Afterward *H. O.* entred, and ſo intruded in the Shop, and by ſuch entry and intruſion was ſeiſed in fee, *&c.* and ſo ſeiſed; *R. O.* 2. *Octob.* 29. *Eliz.* dyed, by which the Shop deſcended to *W. G.* as Coſen and heir; *W. G.* dyed without iſſue, by which the Shop deſcended to the Plaintiff as Coſen and heir; and afterward 30. *Eliz. H. O.* leaſed *prout* in the Bar, and the Plaintiff entred, *&c.* The Defendant *ut prius* ſaid, That *H. O.* was ſeiſed of the Shop in fee, *abſq; hoc*, that *H. O. in Shoppam prædict' intravit & ſic ſe intruſit modo & forma*; upon which the Plaintiff demurred, becauſe the Traverſe was not good; for the Intruſion being the means to avoid the title of *H. O.* ought to be traverſed expreſly and not by Circumſtance: It was the opinion of the Court in this Caſe, That it was not material whether the Traverſe was good, or not; for the Replication was vitious, and the title alledged in the Bar is not anſwered; and *R. O.* and *T. O.* by the Plaintiffs own ſhewing, had a fee-ſimple; ſo as no Intruſion could be upon an eſtate in fee; but properly an Intruſion is only after the death of Tenant for life, and the eſtate of freehold ended; Then if the Title alledged in *H. O.* is not avoided, but only by alledging his entry by way of Intruſion, and by the Law there cannot be any Intruſion; the Bar is not entred, and ſo the Plaintiff cannot have Judgment, but the Defendant is to be acquitted of the Treſpaſs: It was adjudged againſt the Plaintiff. *Hill* 7. *Jac.* B. R. *Goddard* and *Thorſtons* Caſe. *Talverton* 170.

21. Debt againſt an Executor, he pleaded judgments in Bar; The Plaintiff replied, that the judgments were ſatisfied and kept on foot by Covin to deceive the Plaintiff; the Defendant traverſed the ſatisfaction of the Judgements, upon which the Plaintiff demurred, becauſe that ſatisfaction is but inducement to the fraud and Covin: It was ſaid by *Dodd.* Juſtice in this Caſe, If the Judgements were had by Covin, he might traverſe generally; but put the Caſe that the Judgments were had upon good cauſe, and afterwards came an Agreement as to pay ſo much a Moneth in ſatisfaction of them, and in the mean time the Judgments are kept on foot; in that caſe the keeping of the Judgments on foot is traverſable, and the payment is but inducement, and the matter of Inducement ſhall be never traverſable: In this Caſe judgment was entred for the Plaintiff. *Hill.* 2. *Jac.* B. R. *Beaumonts* Caſe. *Latin* 111.

22. Action of Battery, The Plaintiff ſuppoſed the Battery at *D.* in the County of *Middleſex*; The Defendant juſtified by reaſon of an Aſſault at *S.* in the County of *G. abſq; hoc*, that he beat the Plaintiff at *D.* in the County of *Middleſex*; upon which Traverſe the Plaintiff did demur: It was the opinion of the Juſtices, that the County was not traverſable, and judgment was given for the Plaintiff: And *Wray* chief Juſtice ſaid, That the Jurours were bounden upon pain of Attaint to take notice of ſuch a tranſitory thing done in another County. *Paſc.* 26. *Eliz.* B. Treſpaſs.

PAn Attorney of the Kings Bench brought Treſpaſs there againſt the Warden of the Fleet; The Defendant came in the Common Plea, and demanded the advice of the Court, becauſe he is an Officer of the Court, and therefore ought not to be impleaded elſewhere: It was the opinion of the Court, becauſe the Plaintiff hath alſo his priviledge in *B. R.* aſwell as the Defendant hath here, this Equality of priviledge ſhall render the parties at liberty, and he ſhall have the benefit of the priviledge who firſt begins Suit; ſo the Defendant was adviſed of the Court to anſwer. *Mich.* 30. *Eliz. C. B. Payes* Caſe. *Leon.* 2. part 41.

2. The Caſe was, *A.* poſſeſſed of divers goods in the Diocels of the Biſhop of *B.* dyed Inteſtate; the Biſhop of *B* granted Letters of Adminiſtration to *I. S.* his wife; Afterwards the Biſhop of *Cant.* by reaſon of his Prerogative, granted Adminiſtration to *C.* and *D.* who brought Treſpaſs againſt *I. S.* and his wife for taking the goods: It was Objected, that it was hard to make them Treſpaſſers, for that the granting of the Letters of Adminiſtration *de novo jure* doth belong to the Ordinary; and it might be that the Ordinary nor the parties to whom the ſaid firſt Adminiſtration was granted, had notice that the Inteſtate had been *Notabilis* in divers Countries: But *Wray* and *Southcot*, Juſtices, held that the Adminiſtration granted by the Biſhop of *B.* was meerly void, and ſo they were Treſpaſſers: Then

ſo

an Exception was taken to the Bar, becauſe it was pleaded, That the Defendant had paid a certain ſum of money to one I. D. to whom the Inteſtate was indebted by Bond, but did not ſhew how the Bond was diſcharged, as by Releaſe, Acquittance, Cancelling of the Bond; that was holden to be a material Exception; for the Defendant in ſuch caſe ought to ſhew ſuch a diſcharge, which is ſufficient, and by which the Plaintiffs may be diſcharged, and for this cauſe the Plaintiff had Judgment: *Mich.* 19. *Eliz.* B. R. *Dunns* Caſe. *Leon.* 2. part 155.

3. Treſpaſs, *Quare clauſum & Domum ſuam fregit*, The Defendant pleaded, and put the Plaintiff to a new Aſſignment, *ſc.* a houſe called a Stable a Barn and another houſe called a Cart-houſe and Granier, and that was aſſigned for Errour: It was holden in that Caſe that it was good enough; for *Domus* in a Declaration contains all things contained in the new Aſſignment; but if it had been of a Cloſe, and the new Aſſignment of a Barn, it had been otherwiſe. *Wray* ſaid, That *Domus eſt nomen Collectivum*, and contains many things, as Barns, Stables, *&c.* and ſuch alſo was the opinion of the whole Court. *Mich.* 32. *Eliz.* B. 4. Treſpaſs, *Quare Clauſum fregit*, the Caſe was, *A.* was ſeiſed in fee of the Lands, and Leaſed the ſame to the Defendant for years; and afterwards he made a Deed of Feoffment to the ſame Leſſee of the ſame Lands by the words of *Dedi & conceſſi*, with a Letter within the Deed to make livery to the Leſſee; the Attorney made livery accordingly: The Queſtion was, if here was any Feoffment or not; it was objected, that the Deed ſo delivered took effect preſently as a Confirmation: and then the Livery and Seiſin came too late: But it was the opinion of the Court, that it was in the Election of the Leſſee to take the conveyance as a Feoffment, or a Confirmation: and here it appeareth that the intent of the parties was, That the Leſſee ſhould take by way of Feoffment, otherwiſe to what uſe ſhould the Letter of Attorney be in the Deed; and afterwards it was adjudged for the Plaintiff ſhould be barred. *Ta.* 28. *Eliz.* C. 5. Treſpaſs for taking of goods, the Defendant juſtified as Bailiff to *I. S.* the Plaintiff Replied, That the Defendant took the Cattel of his own wrong, *abſq; hoc*, that he is Bayliff to *I. S.* It was ſaid by *Anderſon* Chief Juſtice, If one hath good cauſe to diſtrein my cattel, and a ſtranger of his own head without any Warrant or Authority takes my goods, not as ſervant or Bailiff to another, and I bring Treſpaſs againſt him, he cannot excuſe himſelf by ſaying that he did it as Bailiff, for once he was a Treſpaſſer; but if one diſtreins as Bailiff, although in truth he be not Bailiff, if after he in whoſe right he juſtifies aſſents to it, he ſhall not be puniſhed as a Treſpaſſor; for that the aſſent ſhall have relation to the time of the diſtreſs taken. *Mich.* 29. *Eliz.* C. 6. Treſpaſs for cutting down of four Oaks; The Defendant pleaded that he was ſeiſed of a Meſſuage in *B.* and that he and all thoſe whoſe eſtate, *&c. habere conſueverant rationabile eſſoverium ſuum*, for fuel: *ad libitum ſuum Cuſtodiend' in Boſcis, Subboſcis, & arboribus ibidem creſcent'*, and that *in quolibet tempore anni*, but in fawning time; The Plaintiff ſaid, that the place where, is within the Foreſt of *C.* and that the Defendant and all thoſe *&c. habere conſueverant rationabile eſſoverium in boſcis, &c. per liberationem Foreſtarii, aut ejus Deputati, prout boſcus pati potuit, & non ad exigentiam petentis*: upon which the Defendant did demur in Law: It was the opinion of the Court, That Judgment ſhould be againſt the Plaintiff; for if he is to ouſt the Defendant of his Preſcription by the Foreſt Law, he ought to have pleaded it, or otherwiſe the Plaintiff ought to have traverſed the Preſcription of the Defendant: Here are two Preſcriptions, one of the Plaintiff, another of the Defendant; If the Plaintiff had ſhewed by Replication, *Lex Foreſta talis eſt*, then the preſcripcion of the Defendant had been anſwered without any more, for that none can preſcribe againſt a Statute. *Tr.* 19. *Eliz.* B. 7. Treſpaſs, the Plaintiff declared that he put his Son and Heir apparent, Apprentiſe to the Defendant for three years, he being ſeiſed of Lands to the value of 20 *l. per ann*, which after his deceaſe was to diſcend to his Son; and that the Defendant ſtruck his ſon with a Spade, ſo as he became lame and decrepid; by reaſon whereof he loſt his marriage: In this Caſe it it was adjudged for the Defendant; for it doth not appear by any Book that the Father ſhall have an Action for the loſs of the marriage of his Son, except when a ſtranger taketh him by force and marrieth him; and Treſpaſs for beating, and Battery of the Son lieth not by the Father, but the Son only ſhall have the Action; and ſee that in this Caſe, He is bound Apprentiſe for 7. years, and ſo till the 7. years be paſt the Father hath nothing to do with him, and cannot marry him during that time, and ſo cannot have an Action for loſs of his marriage, which perhaps will never come to him. *Paſc.* 19 *Eliz.* B. 8. Treſpaſs for entring into his houſe and taking away his goods; the Defendant pleaded, That the Treſpaſs was done by him and one *I. S.* and that the Plaintiff brought an Action againſt *I. S.* and recovered

recovered againſt him, and had Execution; and demanded judgment of the Action: It was ſaid that the Plea was good; for when a Treſpaſs is done by two it is joynt and ſeveral, and if the party be ſatisfied by one it is a diſcharge againſt the other; and a difference taken betwixt a Treſpaſs by two, and a Felony; for Felony by two is always ſeveral: *Wray* conceived that the Execution and ſatisfaction by one, ſhould diſcharge the other: *Glench*, Juſtice ſaid, If one command three to do a Treſpaſs, and they do it, and a Recovery is had againſt him, and he being in Execution doth ſatisfie the Plaintiff, it is a good diſcharge of the other; for the Commander was the principal Treſpaſſer, and the other did it but as his ſervant; to which *Gawdy* ſeemed to agree. *Tr.* 26. *Eliz.* B. 9. 11. In Treſpaſs for breaking of his Cloſe, the Caſe was, A man ſeiſed of Lands *expoſuit ea* to three men to ſow by halfs, and he to find the moytie of the Seed, the other the other moyties, and to manure the Lands; A ſtranger entred and ſpoiled the Corn, and they all four joyned in an Action of Treſpaſs: and in this Caſe it was Reſolved, Firſt. That it was no Leaſe of the Land. 1. That they were Tenants in common of the Corn; but the joyning of them all four in the Action of Treſpaſs for breaking the Cloſe, was not good. *Mich.* 30. *Eliz. 12. Treſpaſs by the Church wardens of *B.* for taking a Bell out of the Church in the time of their Predeceſſors: It was adjudged in that Caſe that the Action did lye; But becauſe they declared it to be *ad damnum laſorum*, whereas it ought to have been *ad damnum Parochianorum*: It was adjudged againſt the Plaintiff. *Mich.* 31. *Eliz. 13. Treſpaſs for entring the Cloſe of the Dean: After verdict found for the Plaintiff, It was moved in ſtay of judgment, That the Action being brought for the poſſeſſions of the Dean only; the Chapter was not to join in the Action; and for that cauſe the Judgment was ſtayed: The Dean and Chapter of *Exeter*, and *Robinſons* Caſe. *Mich.* 33. *Eliz.* B. 14. Treſpaſs for breaking of his Houſe, and taking away a Corſlet and a Pike: The Defendant pleaded, That before the Treſpaſs ſuppoſed, *I. S.* was ſeiſed of the ſaid Corſlet and Pike, as of his own goods, remaining in the Plaintiffs houſe, and that he ſold them to the defendant, and therefore he *tempore quo* came to the Plaintiffs houſe and demanded them, and the Plaintiffs wife then and there (the Plaintiff being abſent) licenced him to enter into the houſe and to take them; whereupon he entred and took them, as it was lawfull for him to do: upon which it was demurred; In this Caſe it was adjudged for the Plaintiff as to the entring into the Houſe, but not as to the goods; for it not appearing how the goods came there, (*ſc.*) either as Treſpaſs or otherwiſe, he cannot of his own head enter; and the licence of the wife to enter into her husbands houſe, is not good: It was adjudged for the Plaintiff. *Mich.* 34. *Eliz.* B. R. *Taylor* and *Fiſhers* Caſe. *Cro.* 3. part 245.

15. In Treſpaſs, the Caſe was; A man a Termer was Outlawed for Felony, and he granted his Term to *I. S.* The Outlawry afterward was reverſed: The Plaintiff brought Treſpaſs for the profits taken between the Outlawry reverſed and the Aſſignment: It was adjudged, That the Action did well lye for the Plaintiff, for that by the Reverſal it is as if no Outlawry had been, and there is no Record of it. *Hill.* 34. *Eliz.* B R. *Ogells* Caſe. *Cro.* 3. part 270.

16. Treſpaſs for breaking his Cloſe; The Defendant pleaded, That *I. S.* was ſeiſed of the Land, and lett it to *I. D.* and he as his ſervant entred and gave no Colour to the Plaintiff, for which cauſe the Plaintiff demurred: It was objected, that he need not give any Colour, becauſe the defendant doth make no title to himſelf, but doth juſtifie as a ſervant: But *Wray*, chief Juſtice ſaid, That he ought for to give Colour, though he juſtifieth as a ſervant. *Mich.* 29. *Eliz.* B. 17. Treſpaſs for breaking his Cloſe 31. *Eliz.* with a *Continuando* to 36. *Eliz.* The Defendant pleaded that long before, &c. that *I. S.* was ſeiſed in fee, and lett it to him for years, and gave Colour to the Plaintiff; The Plaintiff replied, That he himſelf was ſeiſed till by the ſaid *I. S.* diſſeiſed, who lett it to the defendant; and that after he re-entred, and the Treſpaſs mean betwixt, &c. and then upon the defendant demurred: It was ſaid, That for as much as the defendant is in by title, (*ſc.*) by a leaſe from the diſſeiſor, the diſſeiſee after his re-entry, ſhall not puniſh him for his occupying the Land, for he

next

never was a Treſpaſſer to him. But the Opinion of the Court was, That by the Re-Entry of the Diſſeiſee, he is remitted to his firſt poſſeſſion, and as if he never had been out of poſſeſſion: and then all who occupy in the mean time by what Title ſoever they come in, ſhall anſwer to him for their time. It was adjudged for the Plaintiff. Hill. 39 Eliz. B.R. *Holcomb* and *Rawlins* Caſe, *Cro.* 3. Part, 540.

38. Treſpaſs for breaking his houſe in ſuch a Pariſh and Ward in *London*; The Jury found the Treſpaſs, upon Not guilty pleaded; and that the houſe was in that Pariſh, but not in the Ward: In this caſe it was ſaid, That the Verdict was for the Plaintiff; for the finding it was not in the Ward, was ſuperfluous, it being a thing admitted by the Parties, and the Jury ought not to meddle with it. Trin. 34 Eliz. B. R. *Haſtell* and *Jarmes* Caſe, *Cro.* 3. Part, 283.

39. Treſpaſs *Vi et armis*, for taking his goods: The Caſe was this; A Sheriff took Goods by a *Fieri facias*, and before Execution by Sale, the Defendant took them again, and he brought Treſpaſs: The Queſtion was, If the Action did lye, Becauſe he had not any property to the Goods. Upon Conference had amongſt all the Juſtices, They held clearly, That the Action well lay. Wherefore Judgment was entred for the Plaintiff. Mich. 40 Eliz. B. R. *Tyrrell* and *Baſtes* Caſe. *Cro.* 3. Part, 639.

40. In Treſpaſs, the Caſe was; That the Plaintiff was ſeiſed of the Lands with two others in Gavelkind, and that the Defendant Entred: It was in this Caſe adjudged for the Plaintiff: For though it had been a good Plea in abatement, for the Defendant to ſay, That the Plaintiff was Tenant in Common with a Stranger; yet becauſe he hath not pleaded it, he hath loſt the advantage thereof: And the finding it by the Jury, is not material. And ſo it was ſaid, It was adjudged in this Court in one *Stowell's* Caſe. Paſch. 39 Eliz. B. R. *Dering* and *Mors* Caſe. *Cro.* 3. Part, 554.

41. In Treſpaſs, the Caſe was, A. ſeiſed of the Manour of C, by Indenture bargained and ſold to B. all thoſe her Woods, Underwoods, and Hedg-Rowes, as have been accuſtomably uſed to be felled, ſtanding, growing, being in, upon, and within the ſaid Manour, To hold from Mich. laſt paſt during the natural life of the ſaid A; B. Covenanted with the ſaid A. her Executors, &c. to content and pay, or cauſe to be paid to the ſaid A. her Executors, &c. yearly during the Term 10 l; B. cut down all and ſingular the Trees, Woods, and Underwoods in the ſaid Manour growing at the time of the making of the Indenture, Afterwards A. by her Servants felled all the other Woods and Underwoods growing in the ſaid Manour after the ſaid felling made by B; whereupon he brought Treſpaſs. In this Caſe, the whole Court was clear of Opinion, That after the Bargainee had once felled, that he ſhould never afterwards fell in the ſame place where the firſt felling was made by force of the ſaid Grant, notwithſtanding the yearly Rent reſerved; and notwithſtanding the words of the Grant, *viz. To have and hold during the life of the ſaid* A: Wherefore it was adjudged for the Defendant. Trin 4 Eliz. C. B. *Andrews* and *Gloyers* Caſe, *Leo.* 3. Part, 7.

42. In Treſpaſs, the Plaintiff declared, That the Defendant *ſimul cum* J. S, and another, *claſum fregit*: Exception was taken to the Declaration, Becauſe upon his own ſhewing, it appeareth, that the Treſpaſs whereof, &c. was made to the Defendant and another: and therefore it was ſaid, That the Writ was not good, but ſhould abate: but if it had been *ſimul cum aliis ignotis perſonis*, it had been otherwiſe: But (notwithſtanding that, and the Books, 2 H. 7. 15. 2 H. 5. 5. and 14 H. 4. 22. It was afterwards adjudged for the Plaintiff. Mich. 22 Eliz. C.B. *Hony* and *Brudes* Caſe, *Leo.* 3. Part, 77.

43. Treſpaſs, for breaking of his Cloſe, beating of his Servant, and carrying away his Goods. It was found by Verdict, That A. was ſeiſed of the Land where, and let the ſame to the Plaintiff and one B; which B. aſſigned his moyety to C, by whoſe Commandment the Defendant Entred. It was moved, That Tenancy in Common betwixt the Plaintiff and him, in whoſe right the Defendant juſtified, could not be given in Evidence. But the Opinion of the Court was clear, That the ſame might be given in Evidence well enough. Then it was moved againſt the Verdict, That it did not extend to all the Points of the Declaration, but only to the breaking of the Cloſe, without enquiry of the Battery, That, the Court held to be a material Exception, That the Verdict was void. And a *Venire facias de novo* was awarded. Mich. 26 Eliz. B.R. *Raſſes* Caſe, *Leo.* 3. Part, 83.

44. In Treſpaſs, by A. and B. againſt huſband and wife, the Caſe was, The Father of B, one of the Plaintiffs, ſeiſed of the Manour of K, held the ſame of the Queen by Knight-Service in Chief, and was ſeiſed of other Lands in which the Treſpaſs was done, in Socage; and, 30 Eliz. for the preferment of M. his wife, enfeoffed J. D. and J. N. thereof, to the uſe of himſelf and M. and their heirs. It was found, That the Father had not any other Lands at the time of the Feoffment; and that the ſaid Manour at the death of the

Father, *attingebat ad duas partes* of all the Lands and Tenements of the ſaid Father, in three parts to be divided: And that after, the Father deviſed the Lands holden in Socage unto the ſaid M. the Wife for life, viz. Remainders over. It was the Opinion of the whole Court in this Caſe, That the Deviſe was utterly void by the Statute. Trin. 26 Eliz. B. R. *Eve* and *Fincher's* Caſe. *Leon.* 3. Part, 105.

25. In Treſpaſs, the Caſe was; The Abbot of D. was ſeiſed of a Common as appendant unto certain Lands of the ſaid Abby out of the Abby of S: Afterwards, the houſes were diſſolved, and the poſſeſſion given to the King: The King granted the poſſeſſion of the ſaid Abby of D. to A; and the poſſeſſion of the Abby of S. to B: It was Objected, That notwithſtanding the Unity of poſſeſſion, the Common did continue; for that Unity of poſſeſſion is ſo reſtrained by the Statute (viz. in the Eſtate and condition as they now be): And the Abbot of D. was ſeiſed in the right of his houſe of the ſaid Common; therefore ſo ſhall the King be, and alſo his Patentee; and ſo a ſpecial Seiſin is given to the King. But the Opinion of the Juſtices was to the contrary; for that the ſaid words of the Statute are to be conſtrued according to Law, and no further. And by the Law, The ſaid Common cannot ſtand againſt the Unity of poſſeſſion, but is extinct. Paſch. 27 Eliz. C. B. *Neſſons* Caſe, *Leon.* 3. Part, 128.

26. The Lord *Anderſon* Chief Juſtice *de* C. B. brought Treſpaſs by Bill for breaking his houſe in the City of W. againſt A. Citizen of the ſaid City. Now came the Mayor and Comminalty of the ſaid City, and ſhewed their Charter granted to them by King E. 6. and demanded Conuſans of Plea. It was the Opinion of the whole Court in this Caſe, That the Conuſans ſhould not be granted, becauſe the Privilege of this Court whereof the Plaintiff is a principal Member, is more antient then the Patent upon which Conuſans is demanded. And it was ſaid, That this Privilege was given to this Court upon the firſt erection of it. Mich. 29 Eliz. C. B. The Lord *Anderſons* Caſe. *Leon.* 3. Part, 149.

27. In Treſpaſs, the Plaintiff declared of a Treſpaſs in an Acre of Lands in D. and abutted it Eaſt, Weſt, North, and South. Upon Not Guilty, the Jury found the Defendant Guilty *in dimidio acræ infra ſcript.* It was objected, That no Treſpaſs is found, for the entire Acre is abutted only within certain bounds; and the Defendant ought to be found a Treſpaſſor within theſe bounds, and it is impoſſible for the moyety to be within the ſaid bounds. But it was the Opinion of the Court, That if the Plaintiff layeth the Treſpaſs to be in an Acre, and the Jury find only a foot of that Acre, the ſame is good, and here in this Caſe they have found the Treſpaſs in the moyety of an Acre bounded, and that is ſufficient in this Action, wherein damages only are to be recovered. But if it had been an *Ejectione firmæ*, there the Verdict had not been good, becauſe of the incertainty in what part to have his poſſeſſion by *Habere facias poſſeſſionem.* Mich. 5 Jac. B. R. *Wainworth* and *Mars* Caſe. *Yelverton* 114.

28. In Treſpaſs, the Caſe was; C. C. ſeiſed in Fee of the Manor of E. enfeoffed H. R. by Indenture, rendring for certain Cloſes, parcel of the Manor 60 l. at two Feaſts with clauſe of Diſtreſs, if behind 14 dayes. C. by Indenture Bargained and ſold to the Plaintiff the 60 l. and his whole Eſtate in it, which Deed was enrolled; by force of which he was ſeiſed of the ſaid 60 l. and ſo ſeiſed, loſt the ſaid Indenture, which afterwards came to the hands of the Defendant by Trover, who *vi & armis* tears the Seal from the ſaid Indenture, *contra pacem*, to his damage of 40 l. The Defendant pleaded, That C. C. *non conceſſit* the ſaid Manor to H. R. *modo & forma*; upon which the Plaintiff demurred. In this Caſe, amongſt other things, divers Exceptions were taken to the Declaration. 1. That the Action is brought for tearing the Counterpart, by which the Rent was not reſerved, and the Indenture is not expreſſly granted to the Plaintiff, but the Rent of 60 l. only bargained and ſold; and then the Counterpart which appertained to R. did not paſs to the Plaintiff as incident; for it was not the Original Deed by which the Rent was granted; and of that Opinion was the Court, and that the Exception was good. 2. Exception, becauſe it is not averred by the Plaintiff, That C. for whoſe life the Rent was reſerved, was living at the time of the tearing of the Deed; and if he was dead, then the Deed did belong to the Defendant as Heir of the ſaid C. C. 3. Exception, the Counterpart, of which the Plaintiff complains, upon the Plaintiffs own ſhewing, contained as well Warranty, as Rent reſerved; and there without a ſpecial gift of it made by C. C. to the Plaintiff, the Deed did not paſs to the Plaintiff, as is Reſolved in the Lord *Rutherſts* Caſe, which Exception was alſo allowed by the Court. The Plaintiff perceiving the Opinion of the Court to be againſt him, diſcontinued his Suit. Trin. 10 Jac. B. R. *Sutcliff* and *Conſtables* Caſe. *Yelverton* 123, 124.

29. T. and his Wife brought Treſpaſs againſt N. for beating of the Wife, and taking of the goods of the Husband only, and declared *ad damnum ipſorum.* It was moved, That the Declaration was not good, for that the Wife cannot join

for

for a Treſpaſs done to the Husband alone. But, in a Treſpaſs done to the Wife alone, the Husband ought to joyn: wherefore it was adjudged *Quod Querens nihil Capiat per Billam.* In this Caſe it was agreed, That if the Husband and Wife bring Treſpaſs for beating of the Wife, the Husband may declare of a Treſpaſs done to him *ad damnum ipſius.* Paſc. 3 Car. 30. Treſpaſs for chaſing of his Sheep. The Defendant pleaded, they were Treſpaſſing upon certain Lands, and he with a little Dog chaſed them out, and as ſoon as the Sheep were out of the Land, he called in his Dog; upon which the Plaintiff demurred. The point was ſingly this, *I chaſe the Sheep of another man out of my ground, and the Dog purſued them into the Land of another man which is next adjoyning. I chid my Dog; and the owner of the Sheep brings Treſpaſs for the chaſing of them.* It was conceived in this Caſe, That he might well drive out the Sheep with the Dog, and he could not withdraw his Dog in an inſtant; and when he ſaw the Sheep out of his own ground, he recal'd his Dog; and therefore the Court ſeemed to incline, That the Action of Treſpaſs did not lye. Hill. 22 Jac. B. R. *Miller* and *Hewreyes* Caſe. *Latch* 13. See *Popham* 161. the ſame Caſe; but afterwards it was adjudged, That the Action did lye. Set *Latch* 122.

31. Treſpaſs for breaking of a Ship, and carrying away of the Sails. The Defendant juſtified by a Warrant out of the Admiralty to Arreſt the Ship *ad ſalvo Cuſtodiend*, by force of which he entred the Ship, and carryed away the Sails. It was objected, That the breaking of the Ship was not anſwered, nor any Warrant given for carrying away the Sails. But it was holden by the Court, That the Plea was good, because the entry into the Ship is in Law a breach of it; as *Clauſum fregit* is. And 2. That he might carry away the Sayles, for that he could not *ſalvo Cuſtodiri* the Ship, unleſs he carryed away the Sayles of it. Mich. 2 Car. B. R. *Creamer* and *Tokeyes* Caſe. *Latch* 188.

32. Treſpaſs for breaking of his houſe at D. and carrying away 3000 l. in Money in Baggs. The Defendant pleaded, That at the procurement of the Plaintiff, he was Indicted at the Aſſizes holden in the County of *Nottingham*, before the Lord *Hobart*, for the ſame offence for breaking of an houſe *Burglariter*, and carrying away 3000 l. and he put himſelf upon the County, and J. S. was found guilty as Principal, and he as Acceſſary; and thereupon he prayed his Clergy, which was allowed him. And if Treſpaſs did now lye or not, was the Queſtion. It was objected ſtrongly, That the Action did not lye, becauſe here, by the Jury, the party is found a Felon, and againſt that the party ſhall not be admitted to ſay that it is a Treſpaſs. But it was the Opinion of the greater part of the Juſtices, That the Action did well lye, and that the Conviction upon the Indictment had not taken away the Plaintiffs Action of Treſpaſs. Paſc. 1 Car. B. R. *Markham* and *Cobb's* Caſe. *Latch* 164.

33. A man brought an Action againſt the Defendant in the Court of Verge, and recovered: Error was brought and aſſigned, becauſe the Plaintiff declared of a Treſpaſs in *St. Martins, infra juriſdictionem.* And upon Not guilty, a *Venire facias* was, *de St. Martin prædict:* and did not ſay, *Infra juriſdictionem.* And the ſame being a Court which varies upon the Remove of the King, it might be that St. *Martins* was *infra juriſdictionem* at the time of the Contract, and the Declaration, and the *Venire facias* might be divers moneths after; and therefore he ought to have ſaid, *infra juriſdictionem.* It was the Opinion of the Court, That it was Error, and the Judgment was Reverſed. Mich. 3 Car. B. R. *Thair* and *Foſſets* Caſe, *Latch*, 214.

Trover *and* Converſion.

1. ACtion upon the Caſe, the Plaintiff declared, That the Dean and Chapter of *Wyſm.* did Leaſe to him an houſe for years by Deed Indented; of which Indenture he was poſſeſſed, and afterwards loſt it, and by Trover it came to the hands of the Defendant; who ſold it, and converted the profits thereof coming, to his own uſe. The Defendant pleaded Not guilty. The Plaintiff gave Evidence, That the Leaſe was made to him, and to one B; and that the ſaid Indenture was delivered to the ſaid B; and afterwards B. dyed, and A. the Plaintiff was the ſole Owner of it. It was holden by the Court, To be good Evidence on the Plaintiff's part; and if he can prove the other part of his Declaration, *ſcil.* That the Indenture came to the

Defendants hands, that he ſhould recover. On the other ſide, It was given in Evidence, That the ſaid B. ſold to the Defendant his part and Intereſt in the ſaid Leaſe, and alſo the ſaid Indenture; ſo as now he was Tenant in Common with the Plaintiff, and then his Sale doth not give any Action to the Plaintiff. That alſo was holden by the Court, to be a good Evidence, without pleading of it. The Caſe further was, That A. being within age, his Father leaſed the Lands for 20. years; And afterwards the Son at his full age, upon the back of the Indenture, did Releaſe to the Defendant all his right. It was held by *Wray*, Chief Juſtice, in that Caſe, That when the Father leaſed, he did it as Guardian to his Son; and it was not any Ejectment of the Son, but it was a Leaſe in the behalf of the ſon, although the ſon might avoid it: and then when the Endorcement is *ut ſupra*, the ſame is a good Aſſignment. And upon this Opinion, the Plaintiff was Nonſuit. Paſch. 16 Eliz. B.R. *Leon.* 2. Part, 222.

2. Action upon the Caſe upon a Trover and Converſion to his own uſe, *per conditionem quibuſdam hominibus ignotis*. The Defendant pleaded, That the Goods were bailed to him, to bail over to J. S; to whom he had delivered them, *abſq; hoc*, that he did convert them to his own uſe, *per conditionem hominibus ignotis*. It was moved, That that matter is not traverſable: Which *Wray*, Chief Juſtice, *conceſſit*: For the Converſion to his own uſe, is the ground and cauſe of the Action, and not the ſale of the Goods. Mich. 19 Eliz. B.R. *Leon.* 2. Part, 13.

3. Action upon the Caſe: The Plaintiff declared, That he was poſſeſſed of certain Goods which came to the Defendant by Trover. The Defendant pleaded, That heretofore the Plaintiff brought Debt againſt the now Defendant, and demanded certain moneys; and declared, That the Defendant bought of him the ſaid Goods (whereof the Action is now brought) for the ſum then in demand. To which the Defendant waged his Law, and had it; by which *Nihil Capiat per Breve* was Entred. And demanded Judgment if Action. It was the Opinion of the Juſtices, That the ſame was no Barr in this Action for the waging of the [redacted] and the doing of it utterly diſproves the Contract ſuppoſed by the Declaration in the Action of Debt; and then the Plaintiff is not bound by the ſuppoſal of it, but is at large to bring his Action. It was adjudged for the Plaintiff. Trin. 29 Eliz. C.B. *Sands* and *Stoguards* Caſe. *Leon.* 2. Part, 37.

4. Action upon the Caſe, ſuppoſing, that certain Goods to have come to the Defendant's hands, and that he had waſted them; and ſhewed in what manner. The Defendant pleaded, Not-guilty. It was found, That the Goods came to the Defendant's hands, and that he had waſted them, but in another manner than the Plaintiff had declared. It was the Opinion of the whole Court, That upon this Verdict, the Plaintiff ſhould not have Judgment. Like to the Caſe, of an Action upon the Caſe upon Aſſumpſit, The Plaintiff declares upon a Promiſe upon one Conſideration; and the Jury find the promiſe, and that it was upon another Conſideration; in ſuch caſe, the Plaintiff ſhall not have Judgment. Hill. 26 Eliz. B. R. *Leon.* 3. Part, 91.

5. Note; in Trover and Converſion, the Converſion is traverſable, for that in the ſubſtance of the Action: For if one findeth Goods, and doth not convert them, no Action lyeth. And it was ſaid, That in *Leakes* Caſe, It was adjudged, That the place and time of the Converſion are to be alledged. And in the Principal, becauſe they were not alledged, the Bill abated after Verdict. Paſch. 30 Eliz. B. R. *Stranſhams* Caſe. *Cro.* 3. Part, 97.

6. Trover of 20 Barrells of Butter: the Plaintiff declared, That he *tam negligenter cuſtodivit*, that they became of little value. Adjudged, That the Action did not lye in this Caſe; for no Law compelleth him who findeth a thing, to keep it ſafely. But if a man findeth a thing, and uſeth it, he is anſwerable, for that it is a Converſion, and ſo it is if he miſuſeth it; but for negligent keeping, no Law puniſheth him. Hill. 33 Eliz. B. R. *Malgrade* and *Ogdens* Caſe. *Cro.* 3. Part, 219.

7. Trover and Converſion of Goods; The Defendant juſtified the taking of them Damage-Feaſants, *abſq; hoc*, that he converted them *aliter vel alio modo*. It was adjudged, That the Traverſe was not good, becauſe he confeſſeth not any Converſion, and the Plea amounts but to Not guilty. Mich. 38 Eliz. B. R. *Dee* and *Bacons* Caſe. *Cro.* 3. Part, 435.

8. Upon Trover of 300 Sheep, 1. *Decemb.* 36 Eliz. The Defendant pleaded, That he was Sheriff of the County of L. and that J. S. recovered againſt the Plaintiff 100 l; and thereupon had a *Fieri feciis*, which was delivered to him being Sheriff, 1. *Octobr.* 35 Eliz; whereupon 20. *Octob.* 35 Eliz. he took the ſaid Sheep; and upon 22. *Octobr.* 35 Eliz. ſold 104. of them for 40 l, parcell of the ſaid 100 l; and the other 192 remained in his hands *pro defectu Exceptorum*, and at the day returned the Writ; which is the ſame Converſion, *abſq; hoc*, that he converted them *aliter vel alio modo*. It was adjudged, That the Plea was not good, 1. Becauſe he doth not by his Plea confeſs

any

ing Converſion, and then the Traverſe is ill. 2. Becauſe the Converſion is laid to be 36 Eliz; and he juſtifies the Converſion in *Octabis*, 35 Eliz: ſo he meets not with the Plaintiff in the time, and *the alia vel alio modo*, ſhall never anſwer to the time, but to the manner of the Converſion. And thirdly, Becauſe he makes no Juſtification for four of the Sheep: It was adjudged for the Plaintiff. Mich. 38 Eliz. B. R. *Aſtue* and *Sandyſons* Caſe. *Cro.* 3. Part, 433.

9. In Trover, The Plaintiff declared as Adminiſtrator to J. S, and the Adminiſtration was granted to him by A. Official to the Biſhop of P; and ſhewed not that he was Ordinary of the Place, or that the granting of the Adminiſtration did belong unto him: This was moved for ſtay of Judgment after Verdict; but becauſe Preſidents were ſhewed, that ſuch Adminiſtration had been allowed, It was adjudged for the Plaintiff. Trin. 39 Eliz. B. R. *Lacy* and *Smiths* Caſe. *Cro.* 3 Part, 202.

10. Note; It was holden by the Court, That Executors may have and maintain Truver, and Converſion upon Trover and Converſion, in the time of the Teſtator. But then in the Action, the day of the Converſion, and the place of the Converſion are to be alledged. Mich. 37 Eliz. C. B. The Counteſſe of *Rutlands* Caſe. *Cro.* 3. Part, 377.

11. Trover and Converſion of 16 broad Cloths; The Defendant pleaded, That before the time of the Trover and Converſion, That one J. S. was poſſeſſed of theſe Goods, and ſold them to the Defendant; and before he had Notice, that they appertained to the Plaintiff, he ſold them to J. D: It was thereupon demurred, but the Caſe not Reſolved. Trin. 38 Eliz. B. R. *Gibſon* and *Gubyes* Caſe. *Cro.* 3. Part, 480.

12. Trover and Converſion of nine Oxen; The Defendant juſtified, by reaſon of a Sale in Market overt to him: And it was holden to be good, without alledging a property in them to be in him, who was the Vendor; Alſo it was ſaid, That he needs not to ſet forth, That Toll was paid; for that is not of neceſſity, and in many Towns No Toll is uſed to be paid; and if it ſhould, it is to be alledged on the other ſide to avoid the Sale, that there was not any Toll paid. Mich. 39 Eliz. B. R. *Campus* and *Byers* Caſe. *Cro.* 3. Part. 484.

13. In Trover, It was found by Verdict, That A. was poſſeſſed of theſe Goods, and that the Defendant found them, and that A. made the Plaintiff his Executor; and that the Defendant knowing them to belong to the Plaintiff, denyed to deliver them unto him upon his Requeſt. It was the Opinion of the whole Court in this Caſe, That it was a Converſion by the ſole denyal; and ſo it was ſaid, It was adjudged 23 Eliz. in this Court. Mich. 38 Eliz. B. R. *Eaſton* and *Newmans* Caſe. *Cro.* 3. Part, 495.

14. Error upon a Judgment in an Action of Trover and Converſion, in the Marſhalley: The Trover and Converſion were ſuppoſed to be at *Southwark*, within the Verge. And being adjudged, Error was brought, and aſſigned for Error, becauſe none of the Parties were of the Kings Houſhold; For it was ſaid, That Court cannot hold Pleas betwixt Strangers. *Popham* and *Fenner* held, That the Action well lay. *Gawdy* doubted of it: But they all held, That if the Action be not maintainable there, then Error lyes. Mich. 39 Eliz. B. R. *Aſhfil* and *Michelons* Caſe. *Cro.* 3. Part, 502. acc. *Cook* 6. Part, 20.

15. Trover of a Horſe, and ſelling him, and converting the Money to his own uſe: The Defendant confeſſed, it was the Plaintiffs Horſe, and that J. S. found him, and delivered him to the Defendant to reſtore upon Requeſt. Whereupon he delivered him to J. S. before the Action brought *abſq;* hoc that he ſold him, and conveyed the money to his own uſe. It was ſaid, That he ought in that Caſe to have pleaded, The general Iſſue, and not traverſe the Converſion. But the Court held, That in as much as he hath traverſed the Converſion, which is the ſubſtance of the Action, it was well enough. But yet becauſe he hath Traverſed, the Converſion of the Money to his own uſe, was not materially alledged in the Declaration, but is ſuperfluous, and by his Traverſe hath made it part of the Iſſue; the Traverſe in that Point was ill: and the Declaration being upon the Traverſe, It was adjudged for the Plaintiff. Hill. 38 Eliz. *Rott.* 424. B. R. *Kymmyſy* and *Bernards* Caſe. *Cro.* 3. 3. Part, 555.

16. Trover and Converſion of 25 l. the Caſe was: A Servant Factor for his Maſter, ſold 20 Quarters of Corn of his Maſters for 25 l. and converted the Money to his own uſe. It was adjudged, That Trover and Converſion did lye by the Maſter againſt the Servant; and *Hoderics* Caſe was vouched, Where it was adjudged, That if a Servant takes Gold from his Maſter, and changeth it into Silver, That by the Statute of 21 H. 8. cap. 11. The Maſter ſhall have Reſtitution of the Silver. But afterwards Error being brought in the Principal Caſe, It was Reſolved by all the Juſtices, That the Action did not lye for the money found, becauſe it was not in Bags. Mich. 40 Eliz. B. R. *Holliday* and *Fetters* Caſe. *Cro.* Part. 638. 661. and 746.

17. Note; It was Reſolved by the Court, That Trover and Converſion lyeth not of an Obligation: For that if the Defendant ſhuffle it,

and

and cancelleth it, an Action of Treſpaſs lyeth againſt him; and if he doth receive the Money upon it, and thereupon doth deliver up the Obligation to the Obligor, an Accompt lyeth againſt the Defendant for the Money. Mich. 41 Eliz. C. B. *Watſon* and *Smiths* Caſe. *Cro.* 3. Part, 723.

18. Trover of divers Goods, *Et inter alia de decem Capſis & Ciſtis Anglice*; Cheſts and Coffers, and of a Bag and 20 l. therein. The Defendant was found guilty *de quatuor Ciſtis et Capſis*, and of 13 l. parcel of 20 l. and of divers other parcels; and of the Reſidue, not Guilty. It was Objected, That the Verdict was ill for the incertainty, becauſe he doth not ſhew how many were Cheſts, and how many were Coffers. But the Juſtices held them to be all one; Then it was moved, That this Trover of money out of a Bag could not be good, becauſe it could not be known; and when he is found Not Guilty of the Bag, and Guilty of the Money, It is as if he had declared of the Converſion of the Money out of the Bag, which was ſaid, had been adjudged to be ill. But it was holden by the Juſtices in this Caſe, That an Action of Trover and Converſion of Money only was good enough: It was adjudged for the Plaintiff. Paſch. 43 Eliz. B. R. *Draycott* and *Piots* Caſe. *Cro.* 3. Part, 819.

19. Trover and Converſion of five Oxen: It was found by Verdict, That J. S. Bayliff to the Defendant took the ſame for Heriots due to the Defendant, whereas there were none due, and that he took them without any Commands of the Defendant; but afterwards the Defendant agreed thereunto, and converted them, and after that the Bayliff dyed. It was Objected, That he might have a general Action of Treſpaſs for them; and he cannot have this Action, which differs from it in Nature and Quality. But *Anderſon* and *Warburton*, Juſtices, held, That although Treſpaſs did lye, yet the Party might have this Action of the Will; for he hath his Election to bring either, as he may have Detinue or Replevin, for Goods taken by Treſpaſs; and one may qualify a Treſpaſs, but not encreaſe it, ſo as he hath his Election to make it a tortious priſell or not; yet if the Party from whom they were taken be attainted of Felony, he ſhall forfeit them, the Right and Property remains in him, and the Law ſhall adjudge him, untill he make his Election to the contrary, by bringing of a Writ of Treſpaſs. Paſch. 43 Eliz. C. B. *Biſhop* and Councellor *Montagues* Caſe. *Cro.* 3. Part, 824.

20. Trover of ten Angels, and converting of them: The Defendant pleaded, That there was a Wager betwixt the Plaintiff and one J. S, concerning the Quantity of yards of Velvet in a Cloke; and the Plaintiff and J. S, each of them delivered into his hand ten Angels, and each of them agreed, That if there was ten yards of Velvet in the Cloke, that then they ſhould be delivered to J. S, and if not, to the Plaintiff; and alledged, That upon meaſuring of the Cloke, it was found that there was ten yards of Velvet therein, upon which he delivered them to the ſaid J. S, which is the ſame Converſion: It was thereupon demurred. It was holden in this Caſe, 1. That Trover lay of Money out of a Bag or Cheſt. 2. It was holden, That the Plea was not good: For it may be, that the meaſuring was falſe, and therefore he ought to have averred *in facto*, That there were ten yards, and that it was ſo found upon the meaſuring thereof: And he might have pleaded the general Iſſue, and given all the matter in Evidence; for when he delivered it according to the intent of the Bargain, it is not any Converſion: It was adjudged for the Plaintiff. Hill. 48 Eliz. *Rott.* 116. B. R. *Ledeſham* and *Labrams* Caſe. *Cro.* 3. Part, 870.

21. Trover and Converſion of divers Goods amongſt others, *de uno Truuco, Anglice* a Trunk *ad Damnum* 20 l. It was found for the Plaintiff. It was Objected, That Damages were given for the Trunk, and there is no Trunk in the Declaration for *Truncum*, in Engliſh is a Block; but the Exception was diſallowed by the Court. See *Cook* 1. Part, 132. 2. Exception, becauſe the Value of every particular perſon was not ſet forth, as it muſt be in Waſte. *D dridge*, Juſtice, ſaid, That this Caſe is not like to the Caſe of Waſte; for there the value ought to be ſet upon every parcel, That it might appear, if it was Waſte or not; but here the Value is not material, becauſe he ſhall recover the whole in Damages. Trin. 22 Jac. B. R. *Harwood* and *Goodwins* was. Reports annexed to *Bendlowes* 145.

22. Trover againſt Husband Wife for a Converſion, during the Coverture by the Wife, and adjudged maintainable: For although a Feme Covert cannot make a Contract for Goods, nor be charged for them, yet ſhe may convert them. Hill. 1 Jac. B.R. *Newman* and *Chamyes* Caſe. *Noy* 79.

23. Action in the Nature of Trover and Converſion, as Executor of H, againſt the Defendant. And declared, That H. the Teſtator was poſſeſſed, &c. and made his Will, and made the Plaintiff his Executor, and that after the Death, &c. the Goods came to the hands of the Defendant, who converted them. Upon Not Guilty, found for the Plaintiff: In ſtay of Judgment, it was adjudged, That no Poſſeſſion was alledged in the Plaintiff; and no Trover ſuppoſed by the Defendant at all, but *ut ſupra*; that the Goods came to the Defendants hands, but doth not ſay by Trover: And it was ſaid, That the alledging of the Poſſeſſion in the

the Teſtator was Surpluſage, and ſo was the naming of the Plaintiff Executor, where the Goods came to the Defendant after the death of the Teſtator. But the Opinion of all the Juſtices was, That Judgment ſhould be given for the Plaintiff; becauſe, although it is not alledged by the Plaintiff, That he was actually poſſeſſed of them; yet upon the matter expreſſed in the Declaration, the Law ſaid ſo, becauſe the property draweth with it the actual poſſeſſion of them; upon which he may have Treſpaſs: It was adjudged for the Plaintiff. Mich. 3 Car. B. R. *Haſſes* and *Haſſens* Caſe. *Latch.* 214.

24. Trover was brought as Executor, and declared of a Trover and Converſion after the death of the Teſtator; and after Iſſue joyned, the Plaintiff was Non-ſuit; and thereupon the Defendant prayed Coſts, and had them by the Rule of the Court: And it was holden by the Court in this Caſe, That the naming of the Plaintiff Executor in the Action, was but Surpluſage; and ſo it was ſaid, it was adjudged in *Taylors* Caſe, in C. B. Hill. 2 Car. B. R. *Warfield* and *Warfields* Caſe. *Latch.* 220.

Tryal and *Miſ-tryal*.

1. DEbt upon Obligation, The Condition was: That if A. B. ſhall not appear at the next Court in F. to anſwer the Plaintiff; That if the ſaid A. found Surety to Anſwer before the 1. of *Octabry*, that then, &c. the Defendant pleaded, That A. did appear at the next Court. The Plaintiff Replyed, That he did not appear, *Et de hoc ponit ſe ſuper patriam.* Iſſue being upon it, It was found for the Plaintiff: It was moved, That it was a Miſ-tryal; for it ought to be tryed by the Record, and not *per patriam*, for that every appearance is upon Record. But the Court held the Tryal to be good; for it appeareth not that he appeared, and that the appearance is upon Record; but his Plea is, That he appeared ſuch a day in the Court, which may be, and his appearance not Entred. And *Wray* ſaid, That Appearances at ſuch a day may be Tryed by the Country, but Appearances generally ſhall be tryed by the Record: It was adjudged for the Plaintiff. Mich. 31 Eliz. B. R. *Hoe* and *Marſhalls* Caſe. *Cro.* 3. Part, 131.

2. In an *Ejectione firmæ*, at the *Niſi prius* in ha County, ſix of the Jurors were Challenged and treated, and the Jury remained *pro defectu Jurator:* At the next Aſſizes, a *new Diſtringas* was awarded againſt the firſt Jurors, as well thoſe who were treated, as the others: And at the *Niſi Prius*, the Iſſue was tryed by ſome of the Jurors of the old Panuel, & by others returned upon a *Tales de Circumſtantibus* awarded, but none of them who were treated before, tryed it: The Verdict found for the Plaintiff. It was moved in ſtay of Judgment, That the *Diſtringas* was ill awarded, for it ought not to have been of them who were treated. But the Court held, That in regard it was but a judicial proceſs; it was the default of the Court, and ſhall not turn to the prejudice of the Plaintiff; and it was a good tryal at the Common Law, in regard the Tryal was by lawful Jurors: alſo clearly it was helped, being a miſ-awarding of proceſs by the Statute *Of Jeofails*: It was adjudged for the Plaintiff. Mich. 38 Eliz. *Whitby* and *Marſhalls* Caſe. *Cro.* 3. Part, 429, 430.

3. *Ejectione firmæ*, The Plaintiff declared upon a Leaſe for years: The Jury find, That the Defendant had nothing in the Land, when he made the Leaſe to the Plaintiff. It was holden, That the Jury in that Caſe had found for the Plaintiff; for that a Jury may find matter of Eſtoppel, as well as other Matter, and that they are bounden to do upon penalty of Attaint. Trin. 31 Eliz. C. B. *Suttons* Caſe. *Cro.* 3. Part, 140.

4. Debt upon an Obligation: The Defendant pleaded, That at W, in the County of W, there was a Communication betwixt them for lending of Money; and that the Plaintiff ſhould have ſo many Oxen, which were of ſuch value above 10 l. *per annum*; and for the performance of this uſurious Contract, the Obligation was made, and pleaded the Statute of 13 Eliz. to avoid the Bond. The Plaintiff ſaid, That it was duly made, and upon good Conſideration, *abſque hoc*, that it was made upon ſuch an uſurious Contract. This Iſſue was Tryed in the County of W, and found for the Plaintiff: It was moved, That the Iſſue was miſ-tryed, for it ſhould be tryed in *London*: For the Iſſue is, That the Bond was not made upon an uſurious Contract, and the Bond was ſuppoſed to be made at *London*: It was Reſolved, That the Tryal was well had, for that it ſhall be Tryed where the uſurious Contract was ſuppoſed, and not where the Bond was made. Trin. 39 Eliz. B. R. *Kinneſley* and *Smarts* Caſe. Mich. 32 Eliz. B. R. *Cro.* 3. Part, 195. Hill. 28 Eliz. B. R. *Sibthorp* and *Tamers* Caſe. Paich. 32 Eliz. *Payn* and *Wilkinſons* Caſe. B. 5. Note; It was agreed by the Juſtices, That if an Alien bringeth an Action as Adminiſtrator, the

the Tryal ſhall not be *per mediatatem Linguæ* unleſs the Inteſtate were alſo an Alien. H. 11. 34 Eliz. C. B. *Wingel* and *Minkes* Caſe. *Cro.* 3. Part, 275.

6. Action of Trover at P, in the County of *Hunt.* The Defendant pleaded a Bargain and Sale at *Royſton* in the County of *Hartford*, in Market-Overt, whereby he traverſed them at P, in the County of *Hunt.* and that J. S. there ſtole them from him; and by Covenant betwixt him and the Defendant at P, in the County of H, he ſold them to the Defendant. It was tryed in the County of *Hunt.* and found for the Plaintiff: It was moved, To be a Miſ-tryal; for it ought to have been tryed by a Jury of the County of *Hartford*, at the leaſt by a Jury of both Counties. But the Juſtices held the contrary; For the Sale is confeſſed, and the Iſſue is upon the Covenant, which is well tryed by a Jury of the County of *Hunt.* and it was adjudged accordingly. Mich. 40 Eliz. B. R. *Harbing* ond *Shermans* Caſe. *Cro.* 3. Part, 510.

7. Error of a Judgment in C.B. becauſe there were but 23 of the Names returned by the Sheriff upon the Pannel, where there ought to have been 24; and the Tryal was by 10 of them, and a *Tales de Circumſtantibus.* But becauſe this default was in the Names of the Jurors, upon the Writ of *Habeas Corpora*, and not upon the *Venire Facias*, in which Writ were 24 Names, It was by the Rule of the Court amended. Mich. 40 Eliz. B. R. *Pawlett* and *Chriſtmas* Caſe. *Cro.* 3. Part, 586.

8. Debt upon an Obligation, conditioned for the payment of 100 l. at the Plaintiffs Houſe in *Cheapſide* the 21th. of *Jan.* next enſuing the date, &c. The Defendant pleaded, That he paid the Money at the Defendants Houſe in *Cheapſide* 21. of *Jan. Secundum formam Conditionis prædict.* and becauſe it was not alledged in what Pariſh or Ward, it was adjudged No Plea, becauſe there cannot be a *Venire facias* awarded to try it. Mich. 41 Eliz. C. B. *Forth* and *Harriſons* Caſe. *Cro.* 3. Part, 732.

9. *Ejectione Firmæ*; The Defendant pleaded to Iſſue. A *Venire facias de mediatate Linguæ*, was adjudged upon Suggeſtion, that the Defendant was an Alien; At the *Niſi Prius*, a *Tales de Circumſtantibus* was awarded, and it was found for the Plaintiff. In ſtay of Judgment, It was ſaid, That the *Tales* was not awarded *de mediatate Linguæ*, for that it ought to purſue the *Venire facias*; and the *Venire facias* was not well returned, becauſe Alliens and Denizens were returned together, whereas there ought to have been twelve peacht by themſelves: And of that Opinion were the Juſtices, and whereupon Judgment was ſtayed. Paſch. 43 Eliz. B.R. *Goodwin* and *Mountenaugly's* Caſe. *Cro* 3. Part, 818. 84.

10. *Ejectione firmæ*; The Defendant pleaded a Surrender of a Copyhold by the hand of J. S, then Steward of the Mannor: Iſſue was joyned, *abſq; hoc* that he was Steward. This was holden by the Court, To be no Iſſue; for the Traverſe ought to have been general, that he did not Surrender; for if he were not Steward, the Surrender is void; and ſo it is of a Surrender into the hands of the Tenants of the Mannor. And in this Caſe, It was holden by the whole Court, That where Iſſue is taken upon a Surrender, it ſhall be tryed where it was alledged to be done, and not where the Mannor is, of which the Copyhold is holden. Mich. 34 Eliz. B. R. *Wood* and *Butts* Caſe. *Cro.* 3. Part, 260.

11. Aſſumpſit; Whereas the Defendant at *London, in Warda de Cheape*, in conſideration that the Plaintiff would give, &c. at *London, in Warda prædict. ſuper ſe Aſſumſit*: Upon *Non-Aſſumpſit*, the *Venire facias* was *de Parochia de Arcubus in Warda de Cheape.* Whereas there was no Pariſh before mentioned in the Declaration: This matter was taken in Exception to the Declaration, that the Promiſe was layed in a Ward, and not in a Pariſh, within the Ward, as it ought to be. It was ſaid by the Court, That Aſſumpſit, or other fit matter is uſed to be layed in a Pariſh; and if the Tryal hath been in an other Pariſh, it is not good. And in this Caſe, It was ſaid, That a *Venire facias* may be of a Town, Pariſh, Mannor, or other place known; but not of a City, County, or Ward: And it was agreed, That in the Principal Caſe the Plaintiff could not have a *Venire facias de Novo*, but he muſt begin again; for the fault was in his Declaration, and not by the Award of the Court only. Mich. 34 Eliz. B. R. *Bradiſh* and *Biſhops* Caſe. *Cro.* 3. Part, 260.

12. The Plaintiff in the Spiritual Court ſued the Defendant, for Tythes within the Pariſh of C: The Defendant ſaid, That the Tythes were in the Pariſh of A, and the Parſon of A. came *pro intereſſe ſuo*; and thereupon they proceeded to Sentence, and that was given againſt the Defendant, who now ſhewed a Prohibition. The Queſtion was, If within ſuch a Pariſh or ſuch a Pariſh be Tryable by the Law of the Land, or by the Law of the Church. *Wray*, Chief Juſtice, ſaid, It had been taken, That it was tryable by the Common Law. And *Fenner*, Juſtice, ſaid, The Pope hath not diſtinguiſhed of the Pariſhes; but he hath Ordained, That Tythes ſhall be paid within the Pariſh. Trin. 28 Eliz. *Stranſham* and *Collingtons* Caſe. *Leon.* 3. Part, 129.

Venire

Venire Facias.

1. IN Treſpaſſe, the Plaintiff declared, of taking of certain Corn ſevered from the 9. parts at E. in the County of W; The Defendant as to part of the Tythes pleaded, Not guilty; and as to the Reſidue, pleaded a Deviſe of the Parſonage of which to the Defendant at D. in the ſame County: and to enable the Deviſe of the Tythes in E, alledged E. to be a Hamlet of D, to the intent that all the Tythes might paſſe: And upon *Non Deviſavit*, being at Iſſue, the Viſne was only of D: and found for the Plaintiff, That the Plaintiff *Non Deviſavit*; and the other Iſſue, Of Not guilty, they found for the Defendant. In ſtay of Judgment, It was moved, That the Viſne was miſtaken, becauſe it was of *Dtantum*, and not of E: and that thoſe of D. could not find or try a matter in E: It was the Opinion of the Court, That the Viſne was miſtaken: For when the Plaintiff declareth of a Treſpaſſe in E, the ſame by a general Intendment is preſumed to be of a Town from which Town, the matter which is there in Iſſue ought to be tryed: and although the Defendant hath alledged E. to be a Hamlet, yet that is only to enable the Deviſe, and ſhall not extend to the Iſſue before; which is, Not guilty for part: for in this Iſſue the parties are agreed on both ſides, That E. is a Town, and the ſame is a perfect Iſſue by it ſelf. But if the Defendant to all the Treſpaſs had pleaded his excuſe by the Deviſe, and had alledged E. to be a Hamlett of D, and that only had been in Iſſue; there the Viſne awarded in the manner as it is, had been good. But in the principal Caſe, It was adjudged, That the *Venire* was miſ-awarded. And a *Venire de Novo* awarded. Mich. 3 Jac. B. R. *Lappworth* and *Wells* Caſe, *Yelverton*, 77. *Brownlow*, 1. Part, 203. the ſame Caſe.

2. Treſpaſſe for breaking the Plaintiff's Cloſe called G. in *Woodthorp*, in the County of D: The Defendant pleaded, That the Cloſe was known as well by the name of G, as by the name of D; and that it was, and had been, time out of mind, parcell of the Manor of *Wigenworth*; and pleaded his Freehold in the Manor. The Plaintiff maintained his Declaration, and Traverſed, The place where, &c. was not parcell of the Manor. Upon which they were at Iſſue; and the *Venire* was awarded of *Woodthorp* only. It was the Opinion of the Court, That it was a Miſ-tryall, for that the *Venire facias* ought to have been as well of the Manor, as of *Woodthorp*: for although the parties be agreed, that the place where the Treſpaſſe was committed, was in *Woodthorp*: Yet that being ſuppoſed to be parcel of the Manor of W; the Viſne of the Manor by intendment may have a more perfect and better knowledg of it then the Village of *Woodthorp* only. And a *Venire facias de Novo* was awarded to try the Iſſue. Mich. 8 Jac. B. R. *Knivcton* and *Royles* Caſe. *Brownlow*, 1. Part, 210.

3. Error of a Judgment in Debt in B. R: The firſt Error was, That the parties being at Iſſue, the Awarding of the Roll was of a *Venire facias*, returnable *die Martis poſt Craſtin. Purificationis*: and the *Venire facias* was made returnable, *Die Sabbat. poſt Octabis Purificationis*. The ſecond Error, That that *Venire facias* did bear date the 12. day of Feb. and was returnable *die Sabbat. poſt Octabis Purificationis*; which is before the *Teſte*: But it was the Opinion of the Court, That they being but in judicial Proceſs, & the default of the Clerk might be amended: and were Ruled to be amended accordingly. And the Judgment was affirmed. Trin. 2 Car. C. B. *Aylſworth* and *Chadwells* Caſe, *Cro.* 1. Part, 27. See Mich. 3 Car. in Exchequer. *More* and *Hodges* Caſe, *Cro.* 1. Part, 64. acc.

4. Error of a Judgment in *Ejectione Firmæ*. The Error aſſigned, For that J. H. *apud* D, demiſed an houſe, and 40 Acres of Lands in D, *per nomina omnium Meſſuagiorum terrarum et tenementorum ſuorum in Parochia de D. aut alibi in Com. Kanc.* Upon Not guilty, the Plaintiff ſurmiſed, That D. is in *Romney* within one of the Cinque-Ports, *ubi Breve Domini Regis non currit*; and that A. is the next Village adjoyning thereunto in the County of K. and prayed a *Venire facias* upon it. And thereupon a *Venire facias* was awarded *de Visneto de A*: And by them it was found for the Plaintiff. It was aſſigned for Error, That the *Venire facias* was miſ-awarded; and that it was a Miſ-

tryall not helped by the Statute: For the Surmiſe ought to have been, That D. is within the Cinque-Ports; for D. may be a Village of it ſelf, and the *per nomina omnium terrarum, &c. in Parochia de D*, may be the ſame place. But the Court held, That the Town and Pariſh are intended all one, unleſſe the contrary be ſhewed; and that it was not Error. The Judgment was affirmed, Hill. 4 Car. B.R. *Esch* and *Gilberts* Caſe, *Cro.* 1. Part, 102.

5. Error of a Judgment in N: The Error aſſigned was, Becauſe in Aſſumpſit there, the Defendant pleaded *Non Aſſumpſit*; yet the *Venire* was, *de Vicineto de N*: where it ought to be only, *de N*, for that they have not any Juriſdiction out of N: But upon View of divers Preſidents, That the *Venire facias* had been holden to be good both wayes, The Court was of Opinion, although the Corporation do not extend their Juriſdiction out of the Town; yet the *Venire* being awarded *de Vicineto de N*, That thoſe of the Town might be well returned to try the Iſſue joyned. Wherefore the Judgment was affirmed. Trin. 16 Jac. B.R. *Walter* and *Manſells* Caſe, *Cro.* 2. Part, 493.

6. *Ejectione Firmæ*, of a Leaſe of R. A, and declared of a Leaſe made at C, *in Parochia de C. prædict.* Upon Not guilty found againſt the Defendant, It was ſaid, That the *Venire* was, *de Parochia de C*; where it ought to be, *de Villa de C*: But the Court held it good; for that the word, *prædict.*, made them both one. Paſch. 12 Jac. B.R. *Vele* and *Fields* Caſe. *Cro.* 2. Part, 340.

7. Error of Judgment in C. B. becauſe an Action was brought againſt Two, and they both joyned Iſſue; after which one of them dyed, and notwithſtanding a *Venire facias* was awarded to try the Iſſue betwixt the Plaintiff and both the Defendants: But the Court held it to be no Error; for although a *Venire facias* iſſued againſt a dead perſon, yet one of the Defendants being alive, it is ſufficient, and the Judgment was affirmed. Mich. 11 Car. B. R. *Tyffyns* Caſe. *Cro.* 3. Part. 308.

8. Treſpaſs; That he was ſeiſed of the Manor of R. in R, and L. and he, and all thoſe, &c. have had Eſtrayes within the Mannor, as to the ſame belonging; and that an Ox coming as Eſtray into the Mannor, the Defendant at L. aforeſaid took and carried it away. Upon Not Guilty, found for the Plaintiff; It was ſaid, That the *Venire facias* was ill awarded; for it is of L, whereas it ought to be of the Mannor of R, or from both Towns, *ſcil.* R. and L: But the Exception was not allowed, becauſe the Preſcription doth not come in Queſtion; but the Treſpaſs being alledged in L, and he pleading, Not guilty, which might be, for that he never took the Ox: therefore the *Venire facias* was well awarded. Trin. 16 Jac. B. R. *Dalton* and *Rumards* Caſe. *Cro.* 2. Part, 513.

9. Treſpaſs, For taking two Cows in B, Meade in B; The Defendant pleaded, That the Meade contained 10 Acres, whereof half an Acre was Copyhold, parcel of the Mannor of B. in B; and that there was a Cuſtom, That every Copyholder having any Copyhold with the Acre, ſhould have Common from ſuch a day to ſuch a day in all the reſidue of the 10 Acres; and ſhewed, That he was Copyholder of a Rood in the Meadow, and ſo juſtified. The *Venire* was, *De vicineto Manerii*; where it ought to have been, *de B*, although the Iſſue was upon the Cuſtom of the Mannor, and ſuch was the Opinion of the Court: For the Mannor being alledged to be the Mannor of B. in B, the *Venire facias* ought to have been from B: A *Venire de Novo* was awarded.

10. Treſpaſs, For breaking his Cloſe; The Defendant juſtified by reaſon of a Way by Preſcription from his Tenement in D, to the Town of S; Iſſue was taken, *De injuria ſua propria*; and a *Venire facias* awarded from the Town of D. only, and tryed, and found for the Plaintiff. It was ſaid, It was a Miſ-tryal, for that the *Venire* ought to be from D. and S: It was ſaid by two of the Juſtices, That was true, if the Preſcription to have away, had been traverſed; but by this Replication, the Way is confeſſed, and it may be, he brake his Cloſe, without uſing the Way. Two of the other Juſtices were againſt that, wherefore it was detained. Mich. 38 Eliz. B. R. *Atwool* and *Ballards* Caſe. *Cro.* 3. Part, 427

11. Treſpaſs of an Ox taken in D, in *Com. Kanc.* The Defendant juſtified, becauſe the Land was holden of him, as of his Mannor of W. in the County of S; and that the Cuſtom there is, That every Tenant ſhould pay the beſt Beaſt for an Herior, and that the Lord might ſeize it in any place. The Iſſue was upon the Cuſtom, and the *Venire* was, *De vicineto Manerii*, and found for the Plaintiff. Exception, That it ought to have been as well from the Land holden, as from the Mannor; but diſallowed: for that the Iſſue being upon the Cuſtom, it ſhall be from the Mannor only. Mich. 43 Eliz. B. R. *Burſly* and *Challenors* Caſe. *Cro.* 3. Part, 855.

12. Error in the Ex. Chamber, of a Judgment in B. R. becauſe the *Venire facias* was awarded to the Coroner, for Conſanguinity of the Sheriff, and it was Returned by the Coroner; and after a *Tales* was awarded, and it was Returned by the Sheriff, and a Verdict found, and Judgment. It was the Opinion of all the Juſtices, That it was Erronious; and the Judgment was Reverſed. Trin. 39 Eliz. C.B. *Morgan* and *Ayres* Caſe. *Cro.* 3. Part, 574.

18. Battery,

13. Battery; One of the Defendants pleaded, Not guilty, the other juſtified: The Iſſue againſt him, was, *De ſon tort demeſne*, one *Venire facias* was awarded to try both thoſe Iſſues: It was the Opinion of the Court, That it was well awarded. Mich. 44 Eliz. Exchequer Chamber. *Conb* and *Cawves* Caſe. *Cro.* 3. Part, 866.

14. Action upon the Caſe, That he was ſeized in Fee of a Mannor in S, and that he and all thoſe whoſe Eſtate, &c. had had a Water-Courſe running by three Towns, *viz.* A. B. and C, to his Mill; and that the Defendant cut the Banks of the Water-Courſe in A, whereby he loſt the Profit of his Mill. Upon Not guilty, found for the Plaintiff: It was moved, That the *Venire* was only from A, where the cutting was, whereas it ought to have been from all the three Towns. But the Exception was diſallowed, becauſe the Iſſue is not Guilty; but if it had been upon the Preſcription, it had been otherwiſe. Paſch. 42 Eliz. B. R. *Leedes* and *Shakerleys* Caſe. *Cro.* 3. Part, 751.

15. In Treſpaſs, after Verdict; It was moved, That the *Venire facias* was made returnable three dayes after the Term, and a Diſtringas was awarded, and the Jury taken thereupon. It was the Opinion of the Court, That it was ill, and that it was not helped by the Statutes of *Jeofails*: For if there had been No *Venire*, It had been holpen; but they ſaid an ill *Venire* upon Record, is not helped by the Statutes; the Judgment was Reverſed. Paſch. 40 Eliz. B. R. The Earl of *Worceſter* and *Paddens*. *Cro.* 3. Part, 605.

16. *Ejectione Firmæ*, upon Not Guilty, found for the Plaintiff. In Arreſt of Judgment moved, That the *Venire facias* was *ad faciendum juratores in placito Tranſgreſſionis*; whereas it ſhould be *in placito tranſgreſſionis et Ejectionæ Firmæ*: It was the Opinion of the Court, That it was a Miſtryal, and not aided by any of the Statutes. For *Non conſtat*, but that there may be an Action depending, and that this *Venire* is awarded thereupon; and although it had been ſaid an *Ejectione Firmæ* is but a Plea of Treſpaſs in its nature; Yet the Opinion of the Court was, That the Actions were ſeveral, and therefore the *Venire facias* ought to have been accordingly. But if there had not been any *Venire facias*, it had been holpen by the Statute of 32 H. 8. Mich. 40 Eliz. B. R. *Clark* and *Clarks* Caſe. *Cro.* 3. Part, 622.

17. Debt upon the Statute of 2 E. 6. for not ſetting forth of Tythes of Lands lying within the Pariſh of H. *parva*; The Defendant Pleaded, *Nihil debet*: After Tryal and Verdict, Exception was taken to the *Venire facias*, becauſe it was from H. *parva*, and not *de parochia de H. parva*: But the Court was of Opinion, That it might be either of the Town, or H. *parva*, becauſe both the Town and Pariſh were named in the Record. Mich. 14 Jac. C. B. *Rawkey* and *Iſteds* Caſe. *Brownlow* 1, Part, 52.

18. Treſpaſs againſt P. and his Servant, for breaking his Cloſe, and taking a Cow at D, in the County of B; One of the Defendants pleaded, Not Guilty. The Servant pleaded, That the Plaintiff held of Sir P.P, as of, &c. in the County aforeſaid; and for Service behind, by the Command of his Maſter, he ſeiſed the Cow. The Plaintiff traverſed, &c. and one *Venire facias* was awarded out of both the Villages: It was moved, That there ought to have been ſeveral *Venire facias*; becauſe the Iſſue is of things in ſeveral places. But the Court held, That one Jury only ſhould be Impannelled, and one Viſne only ſhould be awarded out of both places; and it is all one as if it had been in one place: but it had been otherwiſe, if in ſeveral Counties. Mich. 11 Jac. C. B. *Fuller* and Sir *Peter Pettowortis* Caſe. *Brownlow*, 1. Part, 229.

19. *Quare Impedit* brought for the Church of B; The Iſſue was, There was no ſuch Church; and the *Venire* was, *De Viſne de B*: Exception was taken, becauſe it was not of the body of the County. But becauſe in the Declaration, it was alledged, That one dyed at B. aforeſaid: It was holden, That every place alledged, ſhall be intended to be a Town; and by the uſer of the Writ, it is in Law preſumed to be a Pariſh; and then, if there be a Pariſh and a Town, if the *Venire facias* be either of the Pariſh or Town, it is good, and it is a good Writ to demand *Mineium de D*, with the Appurtenances. Trin. 16 Jac. C. B. *Cuppell* and *Taxties* Caſe. *Brownlow*, 1. Part, 161.

Verdict.

1. NOte, It was agreed by all the Juſtices of the Common Pleas, That no Verdict at large can be taken in any Action, but where the Iſſue is joyned upon the general Iſſue, and not where the Iſſue is joyned upon a Special point or matter with an *abſque hoc*, &c. Mich. 1 and 2 Ma. *Bendlowes* 27.

2. In *Ejectione firme*, the Caſe was; The Maſter and Schollers of *Linckford* were ſeiſed of the Mannor of H. in the Town of *Laberhurſt*, which Town extended into the County of *Suſſex*, and alſo into the County of *Kent*, and they made a Leaſe to one J. S. of all their Lands in the Town of *Laberhurſt*, except the Mannor of H. whereas in truth they had not any Lands in the ſaid Town but the ſaid Mannor; And the *Ejectione firme* was brought of that Mannor in *Kent*, and from thence the Viſne came, all which matter was found by Verdict. Exception was taken to the Verdict, becauſe they found generally, That the Maſter and Schollers had not any thing in the ſaid Town of *Laberhurſt*, but the ſaid Mannor; whereas they ought to have ſaid, That they had not any thing in the ſaid Town in the County of *Kent*; For they could not take notice what Lands the Maſter and Schollers had in that part of the Town which was in the County of *Suſſex*; And of that Opinion the whole Court ſeemed to be. But Quære, for the point was not Reſolved. Hill. 15 Eliz. C. B. The Maſter and Schollers of *Linkfords* Caſe. *Leon.* 3. Part, 64.

3. Waſte by Husband and Wife againſt P. and declared, That P. was ſeiſed, and enfeoffed certain perſons to the uſe of himſelf for life, and after to the uſe of the Wife of the Plaintiff and her Heirs. The Defendant pleaded, That the ſaid Feoffment was made to the uſe of himſelf and his Heirs in Fee, *abſque hoc*, that it was to the Uſes in the Count. It was found by Verdict, That the Feoffment was to the Uſes contained in the Count; but they further found, That the Eſtate of the Defendant by the Limitation of the uſe, was priviledged with the Immunity of Waſte, *ſcil.* without Impeachment of Waſte. It was ſaid in this Caſe, That the Plaintiff ſhould not have Judgment, becauſe it appeareth upon the Verdict, That the Plaintiff had no cauſe of Action. But the Opinion of the Juſtices was, That in this Caſe, Judgment ſhould be for the Plaintiff: For that in no Caſe the party ſhall have advantage of that Liberty of impunity of Waſte if he doth not plead it, and the Jurors are not to meddle with any matter which is not in Iſſue; and, if they do, it is but matter of Surpluſage, and to no purpoſe; and Judgment was given for the Plaintiff. Paſc. 25 Eliz. C. B. Rott. 602. *Pepy's* Caſe. *Leon.* 3. Part, 80, 81.

4. Treſpaſs for breaking of his Cloſe, and beating of his Servant, and carrying away of his goods. Upon Not Guilty, the Jury found, That J. S. was ſeiſed of the Land where, &c. and leaſed the ſame to the Plaintiff and one A. which A. aſſured his moyety to C. by whoſe Commandment the Defendant entred. It was moved, That Tenancy in Common could not be found by Verdict, but ought to be pleaded. But the Court was clear of Opinion, That it might be given in Evidence. Then it was moved againſt the Verdict, That it did not extend to all the points in the Declaration, but only to the breaking of the Cloſe, without enquiry of the Battery: And for that cauſe it was holden by the Court, That the Verdict was void, and a *Venire facias de novo* awarded. Mich. 26 Eliz. B. R. *Roſſes* Caſe. *Leon.* 3. Part, 83.

5. *Ejectione firme*, it was found, That the Abbot of St. *Peters of Glouceſter*, ſeiſed of the Barn and Tythes in Queſtion, let them by Deed under their Covent-Seal for 60 years; afterwards the Abby was Diſſolved, and the Barn and Tythes given to the Biſhop of *Glouceſter*. Afterwards J.S. Biſhop of *Glouceſter* let them to the three *Chenyes* by Indenture, rendring the Ancient rent for three lives. In the end of the Indenture, the Confirmation of the Dean and Chapter was recited, which was of a Leaſe made by R. S. but the Jury did not *in facto* find, That the Dean and Chapter did Confirm it, nor found their Deed *in hæc verba*, but only recited it as a thing annexed to the Indenture, and found expreſly the Leaſe made to the Husband of the Plaintiff by the now Biſhop. It was prayed in this Caſe, That the Verdict might be amended, for the note given to the Clark of the Aſſiſes was to find the Confirmation expreſly, and of a Leaſe made by J. S. But the Court held, That after the Verdict returned in Court, it could not be amended by any ſuch ſuggeſtion; For then all Verdicts might be prayed to be amended. But if any Miſpriſion was, ſuggeſtion ought to be made of it before the Verdict was returned; but now it was too late to have it amended. It was adjudged for the Plaintiff. Mich. 31 Eliz. B.R. *Eliz. Maſſington* and *Try's* Caſe. *Cro.* 3. Part, 111.

6. *Ejectione firme* of 30 Acres of Land in D. and S. The Defendant was found Guilty of 10 Acres, and *Quoad reſiduum*, Not Guilty. It was moved in ſtay of Judgment, That it is uncertain in which of the Towns the Lands lay, and therefore

fore no Judgment could be given, nor any Execution had. But the Exception was disallowed by the Court; for the Sheriff shall take his Information from the party, for what 10 Acres the Verdict was, Pasch. 38 Eliz. B. R. *Portman* and *Morgans* Case. *Cro.* 3. Part, 465.

7. Assumpsit: The Plaintiff declared; Whereas there was Controversie between J. S, who pretended to be Lord of the Soile, and the Inhabitants of B. concerning Common *in ripa maritima*, which J. S. claymed to be his Soil; and the Tenants claimed a Liberty there, and to cut grasse, make it into Hay, and carry it away: And J.S. enclosed the said Soil: That the Plaintiff being a Tenant, entred upon the place enclosed; And thereupon J. S. brought Trespass against him. The Defendant in Consideration, That the said Defendant in the said Action of Trespass would plead a Plea in the maintenance of the Title of Common, he would conditionally pay to him half his Expences: or if he failed of that, he would pay him 40 l: And the Plaintiff further declared, That he being Defendant, pleaded Not guilty in the said Action of Trespass: which was found for him, and that he expended so much money; the half of which, the Defendant refused to pay to him. The Defendant pleaded, *Non defendit scilam*, in maintenance of their Common: which was found against him. It was moved, In stay of Judgment, because he ought to have pleaded such a Plea by which the Title of Common might come in Question: but when he pleads, Not guilty, he disclaims the Title of Common. It was the Opinion of the Justices in this Case, That although the Verdict hath found the Assumpsit, and so admitted, that that Plea was for Maintenance of the Title; Yet it was said, That that shall not bind the Court: For if a Verdict finds matter which is repugnant, or a thing which cannot come in Question, it shall not bind the Court. Quære, the Case was Adjourned. Pasch. 3 Car. C.B. *Hambleton* and *Balls* Case. *Hetley*, 4.

8. In Trespasse, The Defendant pleaded, That the Land was Copyhold, parcell of the Manor of A; and that the Custome there, is, That if a Copyholder in Fee hath a Wife at the time of his death, and two sons or more, that the Wife shall have that Land during her life as Free-bench: And that if the eldest son dyeth living the wife, although he hath Issue, his son shall not have it, but the second son. And shewed, That A. B. Grandfather of the Plaintiff, was a Copyholder of the Manner, and dyed before his Wife, having Issue the Plaintiff's Father, and one J. B. his second son; and that the Wife held her self in her Free-bench, and that the eldest son dyed living the wife: And that afterwards J. B. the younger Son was admitted, and surrendred to the Defendant's use. Issue was taken upon the Prescription; The Jury found the Custome as before, and the younger Son should have it, unlesse the eldest Son was admitted thereunto as to the Reversion, or made Fine for it with the Lord in his life-time. Upon this Verdict, It was moved, That it was found for the Plaintiff; For the Custome is not found in that manner as he pleaded it; and therefore it is found against him who pleaded it. And of that Opinion was all the Justices, That the Custome found, is not the Custome put in Issue. Wherefore the Court was clear of Opinion, That the Verdict was found against the Defendant. But then it was moved, That here was not any Verdict found upon that Issue; For they conclude their Verdict, *Et sic &c.* they found the Defendant guilty: if otherwise, not guilty: And so there was not any conclusion of the Point in Issue. And upon View of the Record, such was the Opinion of the Justices. Wherefore it was said to be insufficient, and a *Venire de novo* was awarded. Mich. 38 Eliz. B. R. *Farrasla* and *Hays* Case. *Cook* 3. Part, 415.

9. *Ejectione Firmæ*. The Case was; The Dean and Chapter of *Ev.* made a Lease of Lands for years, rendring Rent payable at their Chapter-House in E; and for want of payment, the Lease to be void. The Lessee assigned his Estate to the Defendant; the Rent was arrear and not paid, being demanded at the Chapter-House. The Dean and Chapter made an Indenture of Lease for 21. years to the Plaintiff of the same Lands, and in their Chapter-House put their Seal to it, and made a Letter of Attorney to J. S. to Enter and delivered the Deed upon the Land; which he did accordingly. There were many Exceptions taken in this Case, 1. That this Lease was not good. Amongst the rest, One Exception was, For that the Attorney had not executed his Warrant according to his Authority; For it was, That he should Enter, and claim the Land to the use of the Co-poration, and then to deliver the Lease: And the Jury have found, that he delivered it upon the Land, but found not, that he had Entred and claimed. But the Exception was disallowed by the Court; For in a Special Verdict, the Circumstances of every thing need not to be so strictly found, as it is to be pleaded. And it being found, That by virtue of the Warrant, he delivered the Deed upon the Land, it shall be intended, That he pursued the Authority given to him by the Deed, duly. And whereas in this Case it was said, That the Rent should have been demanded at the Land; and it is found, that it was demanded at the Chapter-House; It was Resolved, That the Rent

was

was well demanded, for that the Demand at the place where it is appointed to be paid, is ſufficient. Hill. 32 Eliz. B. R. *Willis* and *Jermins* Caſe, Cro. 3. Part, 167.

10. Note, by the Law, in Cauſes at the Suit of the parties, The Jurours may when they are agreed (if the Court be riſen) give a Privy Verdict before any of the Judges of the Court; and then they may eat and drink: and the next morning they may in open Court, either affirm, or alter their Privy Verdict, and that which is given in Court ſhall ſtand. But in Criminal Cauſes which concern life and member, the Jury can give no Privy Verdict, but muſt alwayes give it in open Court, and cannot be diſcharged by the Court, or any other, untill they have given it accordingly. *Cook* 1. Part, *Inſtitutes*, 158.

11. A Special Verdict, or a Verdict at large, may be given in any Action, and upon any Iſſue, be the Iſſue general or Special, becauſe the truth of the Caſes may be the better diſcovered and diſcuſſed, and Juſtice done. As if a man ſeiſed of Lands in Fee, letts them for life without Deed, rendring Rent, upon Condition of Re-entry, upon Non payment of the Rent. Whereupon the Leſſor Enters, and the Leſſee brings an Aſſiſe of *Novel Diſſeiſin*; The Jurors may find the matter at large, and the Judges ought for to judge it for the Tenant, although regularly a Condition is not available without a Deed, and although the Leſſor ſhew not a Deed. See *Cook* 2. Part, *Inſtitutes*, 227. acc.

12. If the Plaintiff after Evidence given, and the Jury departed from the bar, or any for him do deliver any Letter from the Plaintiff to any of the Jury concerning the matter in Iſſue, or any Evidence, or any Eſcroul touching the matter in Iſſue, which was not given in Evidence, it ſhall avoid the Verdict if it be found for the Plaintiff but not if it be found for the Defendant, and *è Converſo*. But if the Jury carry away any writing unſealed which was given in Evidence in open Court, this ſhall not avoid the Verdict, although they ſhould not have carried it with them. *Cook* 1. Part, *Inſtitutes* 228.

13. Error to reverſe a Judgment in C. B. in Detinue, where the Plaintiff declared to his Damage of 100 l. the Jury found the damages to 150 l. ſo they found more damages then the Plaintiff counted of. In that Caſe, the Judgment was reverſed, for it was holden by the Court, That where the Plaintiff doth declare no certain damage, there he ſhall recover ſuch Damages as the Jury ſhall find, but where he declares of a certain damage, and the Jury do find greater damages, there they finding greater damages then the Plaintiff declared of, their Verdict as to that is not good; and therefore, for ſuch cauſe, the Verdict in the Principal Caſe was holden not to be good, and the Judgment was reverſed. Mich. 8 Jac. B. R. *Hobbies* and *Kembles* Caſe. *Bollr.* 1. Part, 49.

14. Error to reverſe a Judgment in C. B. in an Action of Covenant there brought for not making a Leaſe; and ſhews, *Quod nihil habuit* of which he ſhould make a Leaſe according to his Covenant. The Defendant there pleaded, *Quod habuit unde*; upon which matter they were at Iſſue: and the Jury found, That he had Land whereof he might have made the Leaſe, and they do not find what Eſtate he had therein, and ſo Judgment given for the Plaintiff. The Error aſſigned was, That there was no Iſſue joyned, for that the Plea was bad, and ſo the Iſſue upon it bad. The Queſtion was, Whether the Verdict ſhould make the Plea good. The Court was clear of Opinion, That the Plea was not good, becauſe they do not ſhew what Eſtate he had in the Land, for the Plea of *Habuit* in it ſelf is no good and ſufficient plea, without ſhewing ſpecially the Eſtate he hath. But yet the whole Court was clear of Opinion, That the Verdict in this Caſe had made the Plea good, and ſo the Judgment was well given, and the Judgment was affirmed. Mich. 10 Jac. B. R. *Glaſs* and *Gills* Caſe. *Bollr.* 2. Part, 41. See *Yelverton* 228 the ſame Caſe.

15. Action upon the Caſe upon a Promiſe ſuppoſed to be made by the Defendant. Upon Not Guilty pleaded, and tryed in a baſe Court, the Jury found for the Plaintiff: for non-performance of the promiſe *ex parte Defendentis* had ſuſtained damages to 50 l. and aſſeſſed Coſts, and Judgment given: And upon Error brought, the Judgment was reverſed: for the Verdict given in the manner is no Verdict, for they have not found the matter in Iſſue with which they were charged, viz. whether the Defendant aſſumed or not, ſo as all is incertain and inſufficient; for this finding that the Plaintiff ſuſtained damage, is but the finding of the Aſſumpſit by Implication, which is not good upon a general Iſſue. The Judgment was reverſed. Mich. 3 Jac. B. R. *Shelley* and *Aſſop* Caſe. *Yelv.* 77.

16. Error to reverſe an Indictment of Reſcous and Ryot taken in the County Palatine of D. The Errors aſſigned were, 1. There was a Warrant to three *conjunctim & diviſim* to Arreſt J. S. and two of them did Arreſt him: Wherefore the Arreſt was not well done, for it ought to have bin by one, or all three, becauſe it is a Miniſterial act, otherwiſe if it had bin a Judicial Act. 2. The Indictment of Ryot was againſt three, and the Jury found one of them only guilty of the Ryot, wherefore the Verdict was void, for one alone cannot make a Ryot. 3. Becauſe the Indictment is *Jurors*

rem pro Domino Rege præfentavit, &c. and did not ſay that 12 Jurors did preſent, nor did not name the names of the Jurors. Wherefore it was holden for theſe cauſes, That the Verdict was not good, and the Indictment was quaſhed. Mich. 1 Car. B. R. *Harriſon* and *Errington's* Caſe. *Poph.* 102.

Vicar and *Vicarage*.

See Lib. 3. pag. 2043.

More:

A Vicar was endowed by theſe words, *Viz. Habebit totam partem Decimarum bladarum & feni quæ decimari, provenerint de Maneriis de B. &c.* It was Reſolved in this Caſe, That a Manner cannot conſiſt without Freeholders; and therefore that the Vicar ſhould be endowed of the third part of the Tythes of the Lands of the Tenements and Freeholders, as well as of the Demeſnes and Copyholders. Trin. 37 Eliz. *Higham* and *Beſt's* Caſe. *Owen* 59. See *Cro.* 3. Part, 462, 463. The ſame Caſe.

2. It was Reſolved by the Juſtices, in an Action of Treſpaſs brought, for taking of two Loads of Wood, That Wood growing in the nature of an Herb, is *minuta Decima*; and that Tythes thereof, upon his Endowment of, the ſmall Tythes ſhall be paid to the Vicar. Hill. 1 Car. in C. B. Sir *Richard Udall* and *Tindall's* Caſe. *Cro.* 1. Part, 20.

3. A Vicar ſued in the Spiritual Court, for a Penſion; and ſhewed in his Libel, That there were two Churches, and that he was Vicar thereof there, which Churches extended into two Towns; and that whereas for 40, 50, and 60 years he ought to ſay Service in one Church on one Sunday, and in the other the other Sunday, *alternis vicibus*: It was agreed, That he ſhould ſay Service every Sunday, and have 4 l. viz. 40 s. of each Pariſh, to be taxed of the Inhabitants; and that J. S. the Plaintiff (who ſued for a Prohibition) was taxed 4 l. and had not payed; and upon this matter of the Libel, a Prohibition prayed, becauſe he doth not alledge a Preſcription, but for 60 years. But the Opinion of the Court was, Becauſe it is but for a Penſion, and is meer Spirituall, and tryable here; and becauſe it is not neceſſary to alledge a Preſcription, but it ſhall be intended unleſs the contrary be ſhewed; and becauſe the Suit in the Spiritual Court was affirmed in an Appeal, and was before the Prohibition prayed or granted, a Conſultation was granted without enforcing the Vicar to plead to the Prohibition. Paſch. 21 Jac. In B. R. *Gilly* and *Williams* Caſe. *Cro.* 3. Part, 666.

4. If the King hath the Advowſon of a Vicarage, and grants the Vicarage to J. S; the Advowſon of the Vicarage doth not paſs by ſuch Grant, for that the Vicarage is another thing, then the Advowſon of it; and ſo it was adjudged. Mich. 32 Eliz. C. B. In a *Quare Impedit.* *Cro.* 3. Part, 163.

5. For a Prohibition, The Plaintiff ſurmiſed, That he was Parſon, and the Defendant was Vicar of the ſame Church; and that the Defendant ſued him in the Spiritual Court, for Tythes upon an Endowment, That the Vicar ſhould have the Tythes of all the Lands within the Pariſh; and pleaded, That he was Parſon *Impropriate* there, and that the Land, of which the Tythe was demanded, was part of his Glebe. It was the Opinion of the whole Court in this Caſe, That *Eccleſia Decimas Eccleſiæ ſolvere non debet*; and that No Tythes ſhall be paid for the Glebe Lands. But if a Vicar be endowed to have All ſmall Tythes within the Pariſh, and the Parſon maketh a Leaſe of his Glebe Lands, the Leſſee ſhall pay ſmall Tythes ariſing thereof to the Vicar. Trin. 38 Eliz. B. R. *Bliſs* and the Parſon, *Maſſam* Caſe. *Cro.* 3. Part, 479.

6. In Treſpaſs, the Caſe was: In the time of King *Edw.* 3. a Rectory was impropriate, and upon the Impropriation thereof, the Vicar was endowed of Tythe-Wood; But for a 160 years there had not been any Vicar there, untill of late a Preſentation was obtained from the Queen to the Vicarage by reaſon of Lapſe. It was Objected in this Caſe, That by the ſaid long time of diſcontinuing of being any Vicar there, that now the Vicarage was re-united to the Parſonage. But it was the Opinion of the whole Court, That although a Vicarage is always taken out of the Parſonage; and that afterwards upon neceſſity thereof, may be re-united again to ſupply the Parſon. Yet by long continuance of time, by not preſenting of a Vicar, which is the default of the Parſon himſelf: It ſhall not be ſaid to be a Diſcontinuance of the Vicarage, but that the Vicarage ſhall remain, and ought to have the Tythe-Wood. Out of this Caſe, It is to be Collected, That the Parſon is the Patron of a Vicarage endowed. Hill. 44 Eliz. C. B. *Robinſon*

Vic ar

Vicar of *Kimbolton*, and *Bedell's* Case. *Cro.* 3. Part, 873.

Use and *Uses*.

1. NOte; If a man enfeoffeth another of Lands in Fee by Deed, without any Consideration, in the Premisses of the Deed, or without; but the *Habendum* is to the Feoffee, to his own use, as it is recited in the Deed; and yet the Feoffee suffereth the Feoffor to take the Profits of the Lands for divers years together; yet in such Case, The Feoffee shall be adjudged to have the rest of the Land in Fee; and not the Feoffor, because the use was limitted to him by the Deed, which was sufficient to raise a Consideration. Trin. 27 H. 8. *Boudlowes* 27.

2. J. S. being *Cestuy que use* in Fee, in Consideration of a Marriage to be had between B. his Son and Heir, and the Daughter of J. D, by Indenture made between the said J. S. of the one one party, and the said J. D. on the other party; Covenanted and Granted, That he, nor his Feoffee or Feoffees to his use have not made, nor hereafter shall make any Feoffment in A. entail, alienation, or other Incumbrance; by Recovery, Feoffment, Fine, Release, Gift, Grant of Rent, or Common for term of life, lives, or otherwise, of any of his Mannors, Lands, Tenements, which he or any Feoffee or Feoffees to his also hath, or shall have of all and every the said Messuages, Lands, &c. but that all and every the said Messuages, Lands, &c. immediately after his decease, shall descend, remain, and come in Possession to the use of the said B, and the Heirs Males of his Body begotten. It was a Question, If by this Covenant the use of those Mannors, Lands, &c. were altered, and what Estate the said J.S. or B. had after the making of the said Indenture. It was the Opinion of all the Justices of the Common-Pleas, That in this Case, That no use of the said Mannors was changed by the said Covenant, neither in J. S. the Father, or in B. his Son; because the same was but a meer Covenant. Trin. 4 Eliz. In C. B. *Boudlowes* 9. acc.

3. In Trespass, the Defendant pleaded, That A. N. his Ancestor was seised, and dyed seised, and that the Land descended to him: The Plaintiff Replyed, That before A. N. had any thing, J. S. was seised in Fee, and enfeoffed four persons to the use himself, and his Wife for their lives, and after to the use of W. his Son for life; and after his decease, that they shall be seised *in eorum pristino Statu*, upon Condition, that they shall receive the Profits, and pay to B, the Wife of W. 20 l. *per annum* during her life; and afterwards, that they shall be seised to the use of the Heirs Males of the Body of W: That the Husband and Wife dyed, W. entred and enfeoffed the said A. N. who entred, and devised it by his Will to his younger Son for life; and afterwards A. the Wife of W. dyed, and N. as Son and Heir of the Body of W. entred, and sett the Land to the Plaintiff. It was Objected in this Case, That the Heir-Male of W. could not enter, for that by the Feoffment the Estate Tail was discontinued; and none can entry, except the Feoffees enter and receive the use. But in this Case, The Court gave Judgment for the Plaintiff, for that the Descent was not traversable, (which was traversed in this Case) but the Dying seised, which is confessed and avoided by the devise: And it was the Opinion of all the Justices in this Case, That this Feoffment was no discontinuance, nor barred the entry of the Heir. Quere, for that the Court did not shew any reason of their Judgment. Pasch. 35 Eliz. B. R. *Mors* and *Neals* Case. *Cro.* 3. Part, 277.

4. Upon a special Verdict, the Case was: A man reciting that whereas J. S. was bound in a Recognizance, and other Bonds for him, Now he for divers good Causes & Considerations bargained and sold the Lands to him and his Heirs; the Deed is enrolled within six Months: but it is not found, that any money was paid. If it was a good Bargain and Sale or not, it was the Doubt: It was the Opinion of the Justices, That it was not; because there was not *Quid pro quo* in it: but the Vendor here had nothing for his Land, and then it was void; And it was said by the Justices in this Case, That if I give Land, or Bargain and sell Lands to my Son, no use riseth thereby. But they said, That it had been a good Consideration to raise an use by way of Covenant. Pasch. 37 Eliz. C. B. *Ward* and *Lamberts* Case. *Cro.* 3. Part, 394.

5. In *Ejectione firmæ*, the Case was: A. seised in Fee of Lands thereof, enfeoffed T. M. and others to the use of himself for life, and after to the use of R. his second Son in tail, the Remainder to G. his eldest Son in Tail. Proviso, That if he paid 12 l. at any time to the said T. M. and the three others, and shewed good and sufficient cause to them by the said A. of the Cases of the said R. his Son, and that so by the said T. M. and three others: It shall be thought convenient. That then the aforesaid uses shall cease, and then to be to the use of himself and his Heirs. One of the Feoffees dyes; he paid the 12 l. to the other three, and then declared by a new Deed: That the said

T. M.

T. M, and the other two Feoffees, ſhould ſtand ſeiſed of the ſaid Lands to the uſe of himſelf for life, and after to new Uſes; and whether theſe Uſes ſhould take effect, was the Queſtion. It was the Opinion of the Juſtices in this Caſe (amongſt other Points), That this ſecond Indenture was not a ſufficient Limitation of new Uſes, and the raiſing of them. For although the Conſideration therein be ſufficient (viz. blood and affection), yet he doth not Covenant to raiſe them out of his own Poſſeſſion. But that theſe Feoffees ſhall be ſeiſed, and none other but they ſhall ſtand ſeiſed, and he hath not any Feoffees, and then No Uſe can riſe; and although it was ſaid, That it ſhall be expounded as a Will, according to the intent of the Parties; becauſe he hath not Feoffees, that he himſelf ſhall be ſeiſed: Yet the Court held, It ſhall not be ſo conſtrued of Deeds; and ſo the Court Reſolved, That there did not any Uſes riſe; and therefore that the Leſſor of the Plaintiff had not any Title, and it was adjudged for the Defendant. Mich. 43 Eliz. C. B. *Atwaters* and *Barbe* Caſe. *Cro.* 3. Part, 856.

6. Note; It was the Opinion of all the Juſtices of the Common-Pleas, That if a man by Indenture enrolled at this day, or before the Statute of 27 H. 8. *Of Uſes*, Bargaineth and ſelleth Lands for a convenient ſum of Money, and other Conſideration to another in Fee. To have and to hold the ſame Land to the Bargainee, to the Uſe of the Vendor during his life, or in Tail or in Fee, or unto the Uſe of another, that thoſe limitations of the Uſe or Uſes are void which are in the Indenture, and it ſhall be to the Uſe of the Vendor in Fee, becauſe the ſaid Conſideration, and the Sale, implyes the Uſe to be only to him in Fee; and an Uſe cannot be raiſed upon a Uſe in Fee. Mich. 4 and 5 *Mar.* C. B. *Brollieres* 28.

7. Upon an Evidence to the Jury at the Barr, a Deed to prove the Iſſue was given in Evidence, which was this, viz. *Sciant preſentes et futuri, Quod ego W. C. filius et hæres J. C. dedi, Conceſſi, et hac preſenti charta mea Confirmavi W. C. Militi, Omnia terras, Tenementa, &c. ad uſum me proficill. R. C. et Elizæ uxoris meæ pro termino vitæ ipſ. imperitum vidz: et ſi contingat ut præfatum R. obire ſine exitu de Corpore meo procreat. Tunc volo quod omnia prædicta. Terr. et Tenement. remaneant Thomæ fratri meo, et hæredibus de Corpore ſuo procreandis, et hæreditibus et aſſignatis eorum.* It was the Opinion of all the Juſtices in this Caſe, That a good Eſtate tail was limited by that Deed to the ſaid R. in uſe after the death of *Eliz.* the Wife. Mich. 1 Eliz. C. B. *Cawſes* Caſe. *Leon.* 3. Part, 4.

8. In Treſpaſſe upon Evidence, the Caſe was; Land was given to A. in tail, the remainder in Fee to his Siſters, being his Heirs at Common-Law: A. made a Deed in this manner; viz. *I the ſaid A. have given, granted, and confirmed, for a certain piece of money, &c.* without the words, *Bargained and Sold.* And the *Habendum* was to the Feoffee with Warranty againſt A. and his Heirs: And a Letter of Attorney was to make Livery and Seiſin. And the Deed was in this manner, viz. *To all Chriſtian People, &c.* And it was enrolled within one month after the making of it. It was Indented, although that the words of the Deed, were in form of a Deed Poll. And 4. months after the delivery of the Deed, the Attorney made Livery and Seiſin: A. dyed without Iſſue; The Siſters Entred, and the Feoffee *uſted* them of the Land: and they brought the Action. It was the Opinion of the whole Court for the Plaintiff; for here is not any Diſcontinuance, for the Conveyance is by Bargain and Sale, and not by Feoffment, becauſe the Livery comes too late after the Inrollment, and then the Warranty ſhall not hurt them. And it was clearly agreed by the Court in this Caſe, That the words, *Give for money, Grant for money, Confirm for money, Agree for money, Covenant for money*, If the Deed be duly enrolled, that the Lands ſhall paſſe both by the Statute of *Uſes*, and by the Statute of *Inrollments*, as well as upon the words of *Bargain and Sale*. And in this Caſe, It was ſaid by *Wray*, and other Juſtices, That if he in the Reverſion upon a Leaſe for years, grants his Reverſion to his Leſſee for years, by words of *Dedi et Conceſſi*, and a Letter of Attorney is made to make Livery and Seiſin, the Donee cannot take by the Livery, for that the Leſſee hath the Reverſion preſently. Mich. 14 Eliz. B. R. *Leon.* 3. Part, 16, 17.

9. Note: In the Court of Wards, It was Reſolved by the Juſtices aſſiſtant to the ſaid Court, That where Tenant of the King of Lands holden by Knights Service in Chief, made a Feoffment in Fee of the ſame Lands to the uſe of himſelf for life, and after to the uſe of his younger Son in tail, the Remainder to the right heirs of the Feoffor, and dyed, his eldeſt Son within age; That the Queen ſhould have the Wardſhip of his body, and the third part of the Land; and when the elder Son was of age, that the younger Son ſhould ſue Livery, and pay *Primer Seiſin*, according to the Rate and value of the whole Land, viz. of the third part as in poſſeſſion, and of the ſecond part as a Reverſioner: For that the Remainder to the right Heirs of the Feoffor, is in truth a Reverſion, for the Feeſimple was never out of him, for that there is not any Conſideration as to that, nor any Uſe expreſſed; and becauſe Livery ſhall not be ſued by parcells, the younger ſon ſhall not be ſuffered to ſue Livery of the third part preſently, and reſpect the reſidue as to the two parts in Reverſion,

ſion, till the Reverſion fall; but he ſhall ſue livery preſently as well of the two parts in Reverſion, as of the third part in poſſeſſion. And if the eldeſt Son had been of full age at the time of the death of his Father, the younger Son ſhould pay *Primer Seiſin* as to the third part the value of it for one year as in poſſeſſion; and as to the two parts, the moyety of the value of a year as of a Reverſion. Mich. 15 Jac. in *Cur. Ward.* And ſo likewiſe it was Reſolved in *Oliver Beers* Caſe, *Icon.* 3. Part, 25.

10. The Caſe was; The Father Covenanted by Indenture, in Conſideration of natural affection, to ſtand ſeiſed of all his Lands which he had, and which he afterwards ſhould purchaſe to the uſe of himſelf for life; and afterwards to the uſe of his youngeſt Son and his Heirs: Afterwards he purchaſed Lands, and dyed. It was the Opinion of the whole Court in this Caſe, That this Covenant veſts nothing in the younger Son, and is not ſufficient to veſt an Uſe in him of this Land; For a man cannot by a Covenant raiſe an uſe out of Land which he hath not: For, no more then a man may charge, lett, or grant a thing which he hath not; no more may he limit an Uſe of Land which he hath not. Alſo upon every Feoffment or Purchaſe, the Feoffor or Donor from whom the Land paſſeth, is to limit the Uſes, and not the Feoffee or Purchaſor: Then before the Feoffment, one cannot limit how the Uſes ſhall be; viz. that it ſhall be to the uſe of his younger Son, where the Feoffor hath limited to the uſe of himſelf and his Heirs; which ſhould be to limit an uſe out of an uſe; which the Law will not ſuffer. And therefore in the principal Caſe, It was adjudged for the eldeſt Son. Trin. 37 Eliz. B.R. *Yelverton* and *Yelverton's* Caſe. *Cro.* 3. Part, 401, 402.

11. One made a Feoffment in Fee, and declared by Indenture, That it ſhould be to the uſe of himſelf and A. his Wife that ſhould be after their marriage, and of the Heirs of their bodies; and he took A. to Wife: If the wife ſhould take by the Limitation of this Uſe, was the Queſtion? It was Objected, She ſhould not, Becauſe preſently by this Feoffment, the Fee is in the Husband by the poſſeſſion executed to the uſe which he had before the Marriage. But it was the Opinion of all the Juſtices, That although he be ſeiſed in Fee in the mean time, as in truth he is, yet by the Marriage, the new Uſe ſhall ariſe and veſt, if there be no Act in the mean time to deſtroy that future Uſe, according to the Limitation of the Uſe. Mich. 38 Eliz. B.R. *Wadliff* and *Downes* Caſe. *Cro.* 3. Part, 479.

12. In Avowry for a Rent upon a Demurrer, the Caſe was; A. the Grandfather made a Feoffment in Fee to the uſe of K. his wife for life, the Remainder to R. his Son for life, and after to his Eldeſt Iſſue which ſhould be at the time of his death; the Remainder in Fee to J. S: R. had Iſſue J. his eldeſt Son: A. the Grandfather dyed; K. lett the Land for years to R: R. and J. S. made a Feoffment, and levied a Fine with Warranty, and Proclamations to the Defendant: K. dyed: within 5. years after R. dyed: J. S. being his eldeſt Son at the time of his death, Entred as in his Remainder. And, Whether the Remainder was deſtroyed by theſe Acts or not, and he might now Enter, was the Queſtion? The Court was clear of Opinion, That by theſe Acts, the future Uſe was deſtroyed. And ſo it was ſaid, It was Adjudged in *Tirringham* and *Ardes* Caſe; and in *Chudleigh's* Caſe; for that if there be any diſturbance before the future Uſe cometh in *eſſe*, it is deſtroyed for ever. Mich. 40 Eliz. B.R. *Smith* and *Belays* Caſe, *Cro.* 3. Part, 630.

13. The Caſe was; Tenant for life levied a Fine to him in the Reverſion in Fee, *Sur Conuſans de Droit, &c.* and the Uſes were, to the Conuſee and his Heirs, upon Condition, That he ſhould pay to the Tenant for life, yearly during his life, 4 l. *per annum*; and if there were any default of payment, that it ſhould be to the uſe of the Conuſee for his life, and for one year over. The Conuſee made a Feoffment to W, who made a Leaſe for years to the Plaintiff; the 4 l. was not paid, nor demanded: The Tenant for life Entred upon the Plaintiff. The Queſtions in this Caſe were, 1. If this Fine levied were a Surrender? It was holden, That it was not a Surrender, For that the Fine implyes a guift in Fee ſimple; and every one who is party to a Fine, ſhall be eſtopped to ſay the contrary. 2. It was Reſolved, That if it was a Surrender, That then a Surrender might be to an Uſe, for that it is a Conveyance charged and tyed with this Limitation of an uſe. Trin. 41 Eliz. in C. B. *Smith* and *Warreas* Caſe. *Cro.* 3. Part, 688.

14. Sir *John Raſtell* ſeiſed of Lands in Fee, Covenanted with J. S. in conſideration of a Marriage to be had betwixt him and the ſaid Lady *Raſtell* (the Daughter of J. S.) to ſtand ſeiſed to the uſe of himſelf and his Heirs, untill Marriage; And after to the uſe of himſelf, and the ſaid Lady *Raſtell*, and the Heirs of his body, with divers Remainders over. Afterwards, Sir *John Raſtell* Lett the Land to the Defendant for 31. years, to begin after the end of a former Leaſe: Afterwards, the Marriage took effect. The firſt Term expired; Sir *John* dyed, the Lady *Raſtell* Entred, and lett to the Plaintiff. It was the Opinion of the Juſtices in this Caſe, That the Leaſe made (whereout the uſe did ariſe) was good, and ſhould bind the future uſe. As a Leaſe by Feoffees made

made upon good Conſideration, ſhall bind *ceſtuy que uſe* at the Common Law, but it ſhall not deſtroy the whole future uſe, but ſhall ſtand for the Freehold, becauſe the Seiſin is not charged. Mich. 43 Eliz. B. R. *Wood* and *Reignolds* Caſe. *Cro.* 3. Part, 764, and 854.

15. An Indenture was produced and ſhewed, which were to guide the Uſes upon a Recovery which was ſubſequent, but the Seals were torn from the Deed; But becauſe the ſame was done by a little Child, as was proved, and the Seals were once annexed to the Deed, and the Deeds being compared together, they agreed in the raſures, and in the interlineations; It was in that caſe admitted as good to guide the Uſes, as if the ſame had been perfect with the Seals to it. Trin. 21 Jac. B. R. *Latch*, 216.

Wager of Law.

1. IN an Action of Accompt againſt a Receiver, upon receipt of money by the hands of another perſon, for Accompt render, (unleſſe it be by the hands of his Wife or *Commainer*) the Defendant ſhall not wage his Law, becauſe that the Receipt is the ground of the Action, which lyeth not in Privity betwixt the Plaintiff and the Defendant, but in the Notice of a third perſon, and ſuch a Receipt is traverſable. But in an Action of Debt upon an Arbitrament, and in an Action of *Detinue* by Bailment by another's hand, the Defendant ſhall wage his Law, becauſe the *Debet* and the *Detinet* is the ground of thoſe Actions; and the Contract or Bailment, although it be by another hand, it is but the Conveyance, and not traverſable. *Cook* 1. Part, *Inſtitutes*, 295. See 15 E. 4. 16. 33 H. 6. 24. 8 H. 6. 11.

2. An Infant cannot wage his Law of Non-Summons; for according to the Maxime of Law, *Minor jurare non potuit*; and therefore in that caſe, the default ſhall not grieve him; for ſeeing the moneys to excuſe the default, is taken away, the default it ſelf ſhall not prejudice him. *Cook* 1 Part, *Inſtitutes*, 172. b. acc.

3. Note: It is ſaid, That in times paſt, Wager of Law was accounted a good Tryall in an Action of Debt without a Specialty, becauſe the Law preſumed, That no man would forſwear himſelf for any worldly thing. But of later times, Mens Conſciences are grown ſo large, (eſpecially in this caſe of impunity) that the Plaintiff now dares not adventure the debt upon the Defendant's Oath, but rather chooſeth to bring an Action upon the Caſe upon his promiſe, wherein he cannot wage his Law, *Cook* 1. Part, *Inſtitutes*, 295.

4. A Priſoner cannot wage his Law for meat and drink had of the Goaler, he being enjoyned by Law to keep the Priſoner, is *ſolus et arcta Cuſtodia*, he is compellable to find him Victuals, *Cook* 9. Part, 87. *Pinchons* Caſe. But if a Victualler or Inn-keeper brings an Action of Debt for the Victuals delivered to the Gueſt, the Gueſt may wage his Law; for the Victualler or the Inn-keeper is not compellable to deliver his Victualls to his Gueſt, untill he be paid for them; and therefore it is his folly to part with them, untill he hath money in his hand for them.

5. *Detinue* of 40 Quarters of Corn, the Plaintiff declared of an abſolute Contract: The Defendant pleaded, That it was upon Condition to pay for it when it ſhould be delivered, and that he had delivered 10 Quarters for which the Plaintiff did not pay preſently, and ſo the Contract void; and demanded Judgment if Action. And it was holden to be good without Traverſe, that it was ſimple; for the Traverſe muſt come on the other ſide, *ſcil.* That it was abſolute without that, that it was upon Condition. But in this Caſe, It was agreed, That the Defendant might wage his Law; or plead *Non detinet per Patriam*. Hill. 28 H. 8. *Dyer*, 30.

6. Debt was brought for 9 l; and the Plaintiff declared, That he bought certain Woad; and the truth of the Caſe was, That this Woad was ſold to him upon Condition, That if the Plaintiff did not prove it to be good and ſufficient, then he ſhould pay nothing for it. This was diſcloſed by the Defendant upon his Wager of Law. It was the Opinion of the Court, That if the Caſe was ſo, then he might wage his Law. And it was that the Plaintiff muſt have *Diſtrict* for the

Wood. Mich. 30 Eliz. B. R. *Millington* and *Purgeſſes* Caſe. *Gold ſbr.* 65.

7. In Debt, the Caſe was, That the Plaintiff and another made a Contract with the Defendant; and the Plaintiff alone brought the Action. It was the Opinion of the Court in this Caſe, That the Defendant might wage his Law, becauſe it is not the ſame Contract. See 35 H. 6. & 20 H. 6. a judged accordingly. Mich. 30 Eliz. B. R. *Baſocks* Caſe. *Goldſbr.* 76.

8. In Debt, the Defendant pleaded, *Nihil Debet per Patriam*: The truth of the Caſe was, That the money was due to the Plaintiff, but the Plaintiff alſo was endebted to the Defendant in the like ſum: And before the Action brought, they were agreed, That each of them ſhould be acquitted againſt the other. Upon this, the Defendant would have Waged his Law. *Anderſon* and *Periam*, Juſtices, doubted much, whether he might ſo do, or not. But *Rhodes* ſaid, That it was good, being by Conſent of the parties. Quære. Hill. 30 Eliz. C. B. *Sawnderſons* Caſe. *Goldſbr.* 80.

9. Accompt was brought as Bayliff of his Mannor of D; The Defendant waged his Law, and had day given him to make it: And at the day he being ready to make his Law, It was Ruled by the Court, That Wager of Law did not lye in this Caſe; For it is a matter tryable by the Country, and of which they may take Conuſance. Whereupon a Repleader was awarded. Mich. 40 Eliz. B. R. *Archers* Caſe. *Cro.* 3. Part, 579

10. Debt in Chancery, (for that the Plaintiff was Servant to the Lord Keeper) upon a Contract, and upon Arrearages of Accompt. The Defendant, as to that which was upon Arrearages of Accompt, pleaded *Nihil Debet per Patriam*; and as to the Reſidue, he waged his Law, and the whole Record was ſent into the Kings-Bench, and the Defendant had day to wage his Law; and at the day was ready to make it. *Fenner*, Juſtice, doubted, Whether he ought to make his Law here. And it being demanded of the Clerks, They could not remember any Preſident of it, Whether *de bene eſſe*, he cauſed him to make his Law, &c. and ſaid, He would adviſe of the Recording of it. Hill. 41 Eliz. B. R. *Audley* and *Franks* Caſe, *Cro.* 3. Part, 648.

11. Debt was brought for money upon a ſale of Land; The Defendant tendred his Law: *Gawdy*, Juſtice, held, That he ſhould not be admitted to it, for that it is a Reall Contract. But all the other Juſtices were of a contrary Opinion. Wherefore it was Ruled, That he ſhould make his Law. Paſch. 42 Eliz. B. R. *Miller* and *Eaſtwaves* Caſe. *Cro.* 3. Part, 750.

12. Debt; The Plaintiff demanded 120 l. and declared, That where the Teſtator was indebted to J. S. in divers ſums of monies for Wares ſold; and that J. S. became a Bankrupt, and by the Commiſſioners of Bankrupts was ſo adjudged: and that this Debt (amongſt others) was aſſigned to the Plaintiff, being a Creditor, and that the Inteſtate dyed; whereupon he brought the Action againſt his Adminiſtrator. In this Caſe, It was adjudged, That the Action did not lye; For that Debt upon a ſimple Contract lyeth not againſt an Executor or Adminiſtrator. And although it was alledged, That it being aſſigned by the Commiſſioners, is *quaſi* a Debt upon Record, and the Plaintiff is enabled to this Suit by Act of Parliament, and therefore Wager of Law lyes not in the Caſe: And for a Debt forfeited to the King by the Common Law, wager of Law lyes not; as appears by the experience of the Exchequer, where ſuch debts are forfeited and ſued: Yet the Court was clear of Opinion, That the Aſſignment by the Commiſſioners of Bankrupts, did not alter the Law; but that againſt an Aſſignee wager of Law lyeth: So againſt ſuch an Adminiſtrator, the Action lyeth not. It was adjudged for the Defendant, Paſch. 6 Car. B. R. *Morgan* and *Graves* Caſe, *Cro.* 3. Part, 235. See Mich. 13 Jac. C. B. *Bradſhaws* Caſe. *Cro.* 2. Part, 105. adjudged accordingly.

13. Dower by M. and his Wife againſt H. who appeared upon the *Grand Cape*: And it was, becauſe in truth the ſaid H. was but Leſſee for years of the Land of which, &c. In which Caſe, he might plead Non-Tenancy. And now the Queſtion was, If he might wage his Law of Non-Summons, ſo as the Writ ſhould abate? And by the Wager of Law he hath taken upon him the Tenancy, and affirmed himſelf to be Tenant. But it was ſaid by the Juſtices, That here the Tenant being but Leſſee for years, is not at any miſchief; for if Judgment and Execution be had againſt him, he notwithſtanding afterwards might Enter upon the Demandment. Mich. 30 Eliz. C. B *Mitchell* and *Hid's* Caſe, *Leon.* 1. Part, 92.

14. Debt brought againſt A. W. Adminiſtrator of J. W; and the Plaintiff declared of a Contract without a Specialty. The Defendant pleaded, That ſhe had fully Adminiſtred. And it was found againſt her. It was moved for the Defendant, That upon the Matter, an Action of Debt did not lye againſt the Executor or Adminiſtrator: But the Doubt was, Foraſmuch as the Defendant by pleading the Plea above, hath admitted the Action, ſh. ſhall not now take advantage of the Law in that Point. *Periam* and *Fleetwood*, Juſtices, doubted of it at the firſt, That the Defendant by her Plea had admitted the whole matter,

matter, and had taken Notice of the Debt: But yet afterwards, It was Reſolved, That Judgment ſhould be given againſt the Plaintiff, becauſe it is apparent to the Court, That the Action lyeth not. Wherefore Judgment was entred, *Quod Querens nihil capiat per Breve.* Mich. 31 Eliz. C. B. *Huſſus and Wicks* Caſe. *Leon.* 1. Part, 165.

15. H. was brought to the Barr to wage his Law in Action of Debt; and upon Examination, the matter appeared to be, That the Defendant was endebted to the Plaintiff upon a ſimple Contract; and, upon Communication betwixt them, It was agreed, That one J. S. ſhould become bounden to the Plaintiff in an Obligation, for the ſaid debt to be paid at a day certain; who became bounden accordingly: and the Defendant was bound to the ſaid J. S. in a Counter-Bond to ſave him harmleſs againſt the Plaintiff. In this caſe, the Court was of Opinion, That upon this matter the Defendant could not ſafely wage his Law; for by this Obligation made by a ſtranger to the Contract, the Contract upon which the Action is brought, is not determined: alſo here the Obligation was made after the Contract: But if J. S. had been bounden, *ut ſupra*, upon the Contract, it had been otherwiſe. And upon that reaſon, it was ſaid, the Caſe of *Puſſey*, had been adjudged, Where upon a Contract, a Stranger to the Contract being preſent, made promiſe to enter into a Bond to the party, &c. for the payment of the money agreed upon the Contract, and became bounden accordingly; and in that caſe the Contract was determined, becauſe the Obligation was purſuant to the Contract. But in the Principal Caſe, the Court would not admit the Defendant to wage his Law. Trin. 29 Eliz. C. B. *Hoopers* Caſe. *Leon.* 2. Part, 110.

16. Two men were Partners in Goods, The one of the Partners ſold unto J. S. at ſeveral times Goods to the value of 100 l: and for the Goods at one time bought, he paid the money according to the time. Afterwards an Action was brought by one of the Partners for the reſt of the money: And the Plaintiff declared upon one Contract for the whole money; whereas in truth they were ſold by ſeveral Contracts made: and the Defendant in that Caſe would have waged his Law. But the Court adviſed the Plaintiff to be Nonſuit, and to bring a new Act on upon the ſeverall Contracts. And in this Caſe, It was agreed by the Court, That the ſale of one Partner, is the ſale of them both; and therefore although one of them ſelleth the goods, or Merchandizeth with them, yet the Action muſt be brought in both their names; and in ſuch caſe, the Defendant ſhall not be received to wage his Law, That the other Partner did not ſell the Goods unto him. Hill. 11 Jac. C. B. *Lambert's* Caſe, *Godbolt*, 244.

17. Debt againſt the Defendant for money for his tabling. The Defendant tendred his Law, and was ready to have made it. *Gawdy*, being only in Court conceived, That Wager of Law did not lye in this Caſe: Wherefore by aſſent of the parties, the Defendant waived his Law, and pleaded to the Country. Paſch. 43 Eliz. B. R. *Biſh* and *Walſords* Caſe. *Cro.* 3. Part, 218.

18. Accompt of the Receipt of 20 l. by the hands of the Plaintiff's wife. The Defendant tendred his Law, and had day to make it. It was doubted, Whether it lay or not, becauſe the Receipt is ſuppoſed to be by another hand. But becauſe the Receipt by the hands of the Wife of the Plaintiff or Defendant, is all one with Receipt by their own hands, the party was admitted to wage his Law. Hill. 44 Eliz. B. R. *Goodrichers* Caſe, *Cro.* 3. Part, 919.

19. A. borrowed 100 l. of F, and at the day brought it in a Bagg, and caſt it upon the Table before F; and F. ſaid to A. being his Nephew, *I will not have it, take it you, and carry it home again with you.* It was the Opinion of the Court, That this was a good gift by parol, being caſt upon the Table; for then it was in the poſſeſſion of F, and A. might well wage his Law in an Action brought for it. But the Court ſaid, It had been otherwiſe, If A. had only offered it to F; for then it was a thing in Action only, and could not be given without Writing. See *Noy*, 67. *Flowers* Caſe.

20. In Debt upon Arbitrament; The Defendant tendred his Law: But it was the Opinion of the whole Court, That in ſuch caſe he ſhould be *exclud* from waging of his Law. Paſch. 2 Car. B. R. *Audeſon* and *Symonds* Caſe. *Latch*, 213.

21. In an Action of Debt, The Defendant had day given him to wage his Law. At the day, It was moved to the Court, That the Defendant was ſick of a Burning Feaver; and for this Cauſe, the Court was moved for another day for him to come and make his Law, and *Affidavit* was made of this matter. But the Court refuſed to receive this, or to give further day to make his Law, but adviſed the party to plead to the Country; which he afterwards did. Mich. 14 Jac. B. R. *Smiths* and *Peters* Caſe. *Rolls R.* 3. Part, 263.

22. Note: It was ſaid by *Hobart*, Chief Juſtice, That it was adjudged, Mich. 15 Jac. in C. B, That in an Action of Debt brought upon a a Contract, the Defendant cannot wage his Law for part, and confeſſe the Action for the other part. And ſo it was adjudged in *Tirts* Caſe, upon a Shop-Book, and a Contract cannot be decided; and

and if the Law doth not lye for parcell, then it is ſuſpended for the whole, where the debt is an entire debt. Paſch. 21 Jac. C. B. *Godholt*, 327.

Waiver.

1. THe Husband ſeiſed in Fee, made a Feoffment to the uſe of himſelf for life, without impeachment of Waſte; and afterwards to the uſe of his Wife for her life, for her Joynture; upon Condition to perform his laſt Will: The Husband dyed, the Wife entred, and agreed to that Eſtate, and afterwards brought Dower. In this Caſe, theſe Points were Reſolved, 1. That a Right or a Title which a Woman hath to an Eſtate of Inheritance or Freehold, cannot be barred by acceptance of any Collateral ſatisfaction or recompence; unleſs it be by Releaſe, Confirmation, or a thing which amounts to ſo much. 2. That if a Joynture be made unto a Woman during Coverture, that after the death of the Husband, ſhe cannot waive it, and take her Dower; as ſhe may a Joynture made during the Coverture. But if Lands be conveyed to a Woman before Coverture for part of her Joynture, and after marriage more Land is conveyed unto her for her full Joynture; and in ſatisfaction of her Dower; if after the death of her Husband, the Wife waiveth the Land conveyed unto her after marriage, ſhe may retain the other Land, and her Dower alſo, for that the Land conveyed is part of her Joynture; It is no barr of her Dower, for the incertainty of it. *Cro.* 1. Part, 34. *Vernon's* Caſe.

2. If a Woman hath Lands conveyed to her for her Joynture, and ſhe after the Death of her Husband entreth ſecretly; and afterwards ſhe brings a Writ of Dower, intending to have her Joynture and Dower alſo. In this Caſe, It was agreed, That by the bringing of her Writ of Dower, ſhe had eſtopped her ſelf to claim any Eſtate made unto her in that before for her Joynture. See *Sharpe* and *Parſlowes* Caſe, vouched in *Cook* 4. Part, In *Vernon's* Caſe.

3. The Reaſon, why *Bona Waviata* are forfeited to the King, and that the Owner in ſuch a Caſe ſhall loſe his property in them, is, becauſe of the negligence and default in the Owner, for that he made not freſh Suit to apprehend the Felon; and therefore the Law hath impoſed this penalty upon the Owner, That if the Owner by his Induſtry and freſh Suit, the Felon is not taken, by ſuch default he ſhall loſe all his Goods which the Felon leaves behind him. *Cook* 5. 4. Trover and Converſion of Goods; The Defendant juſtified a Servant to the Sheriff of *Middl ſex*, becauſe the Plaintiff had ſtolen thoſe Goods, and carryed them to D, in the County of *Middleſex*, at which place the Defendant ſeized them, *ut bona waiviata*: It was adjudged for the Plaintiff. For he ought to alledge, That a Felony was Committed, and that the Goods were waived by the Felon; but it is not alledged, That the Goods were waived by the Felon. Paſch. 40 Eliz. B. 5. Note; It was ſaid by the Juſtices, wherewith agreeth the Book 21 H. 6. 24. Title *Waiver* 9. That an Executor of a Term may waive it, and then he ſhall be diſcharged of the Rent, and ſhall no be charged for any Arrears *de bonis propriis*; but if he once occupyeth the Lands, he ſhall then be chargable *de bonis Teſtatoris*, if he have any in his hands; & if not, then *de bonis propriis*: for that an Executor is an Aſſignee in Law of the Intereſt of the Term. 6. K. brought Debt againſt J. Executor, and declared of a Rent grown due ſince the death of the Teſtator, by reaſon of a Leaſe for years made of certain Lands by the Plaintiff to the Teſtator, which continued; and declared, That the Executor *debet et detinet*. The Defendant pleaded, Fully adminiſtred; upon which Plea, the Plaintiff did demurr, for pleading in the *Debet & Detinit*. It was ſaid in this Caſe by *Rolls*, Chief Juſtice, That an Executor cannot waive a Term lett to the Teſtator; for he is bound by the Covenant to hold it. But *Bacon* Juſtice ſaid, He may waive the Poſſeſſion of it, if he find that the Rent is more then the Land is worth. *Quære* Mich. 23 Car. B. R. *Kale* and *Jocelynes* Caſe. *Styles* 61.

7. Action upon the Caſe, brought againſt the Sheriffs of *London*, for not returning a *Fieri facias*. The Defendants pleaded, Not Guilty, and Jury was returned to try the Iſſue, and afterwards the Defendants filed the Return of the *Fieri facias*. It was moved, That the Defendants might waive their general Plea of Not Guilty, and pleaded ſpecially, *viz.* That they had executed the Writ; The Court ſaid, You have pleaded already; and although it be in our power to ſuffer you to alter your Plea or not, yet we will not do it without the Plaintiffs conſent; therefore make the beſt of your Plea, you have pleaded upon the Tryal. Ward

Ward and *Wardſhip*.

1. IF Lands be holden of a Subject, and the Tenant ſells the Land by Fine and Proclamations to J. S. in Tail, the Remainder to the Queen in Fee; and the Tenant in Tail dyes, having Iſſue within age; It was the Opinion of the Juſtices, That in that Caſe, The Iſſue ſhall not be in Ward to the Subject, if the Queen doth not aſſent to her Remainder; for that the Tenure and Services are gone and extinct by the Feeſimple to the Queen, who may hold of none; and ſo the Iſſue in Tail ſhall be in Ward to none. Hill. 43 Eliz. B. R. *Goldeſbr.* 149.

2. The Caſe was: A. and B. by Indenture the 3d. of *July*, 13 Jac. bargain and ſell the Mannor of D. to Sir *Henry Dimock*, and his Heirs. It was found by Office, that he dyed in *October*, 13 Jac. and after his death, *ſcil.* the 23. of *Octob.* the Deed was enrolled; and that A. D was his Coſin and Heir, and of full age, and that the Mannor was holden in chief. In this Caſe, It was holden by the Juſtices, That he was to ſue his Livery; and it was ſaid, That this Caſe differed from all the Caſes put in *Shelleys* Caſe: Of Recovery, by Fine, Executory, Covenants to raiſe Uſes; For this upon Inrolment ſettles in Law, as between the Bargainor and Bargainee *ab initio*, upon the Statute of Uſes, which doth joyn all the Eſtates to the Uſes *ipſo facto*; only the Statute of Inrolment ſayes, That it ſhall not veſt, unleſs the Deed be enrolled; ſo as if it be enrolled, it doth veſt not only by the Statute of Enrolments, but by the Statute of Uſes. Paſch. 15 Jac. *Curia Ward.* and *Dimocks* Caſe. *Hob.* 136.

3. The Grantee of the King of the Body, and of the Land of the Heir, who was in Ward to the King, brought a Writ of Forfeiture of the marriage againſt the Heir: The Heir pleaded, That after the Tender of the Marriage, that the Grantee had Committed Waſte in the Lands of the Heir; and therefore demanded Judgment of the Action. It was the Opinion of all the Juſtices of the Common-Pleas, That the ſame was no Plea; for notwithſtanding that, the Gardian had Committed waſte; yet he ſhould not thereby loſe the Forfeiture of the Marriage, but only ſhould loſe the Wardſhip of the body of the Lands. See Mich. 28 H. 8. *Beadlowes* 17.

4. In a Writ of Ward, the Caſe was: Before the Statute of 27 H. 8. a man enfeoffed J. S. of Lands holden in Knight Service, to the uſe of the Feoffor and his Heirs; afterwards J. S. enfeoffed J. N. to the uſe of the Feoffor and his Wife, and the Heir of the Feoffor; the Feoffor dyed (living the Wife), having a Son within age: It was holden in this Caſe, That the Son of the Feoffor ſhould be in Ward in the life of the Wife, as Heir of *Ceſtuy que uſe*, becauſe the antient Uſe did ſtill remain in the Son; notwithſtanding that, it was in ſome ſort alledged, in reſpect of the Wife, for by the laſt Feoffment, the Son had no more conferred upon him then he had before, ſo as (notwithſtanding the laſt Feoffment) there was ſtill a Reverſion of Uſe in the Son, and not a new Remainder; becauſe a thing could not be given to a man which he had before. See 28 H. 8. *Dyer* 54. acc.

5. Note; It is ſaid, That in many Caſes, the Heir ſhall be in Ward, althought that the Tenant dyed not ſeiſed, nor in the Homage of the Lord. As if the Tenant maketh a Feoffment in Fee upon Condition, and the Feoffee dyeth; after his death, the Condition is broken, and the Heir within age Entreth for the Condition broken. In that Caſe, the Heir ſhall be in Ward, and yet the Feoffor had No Eſtate or Right in the Land at the time of the death, but only a Condition; but becauſe the Condition reſtoreth the Tenant to the Land, in the nature of a Deſcent (for he ſhall be in by Diſcent); by the ſame reaſon it ſhall reſtore the Lord to the Wardſhip. *Cook* 1. Part, *Inſtitutes* 76. acc.

6. A. being ſeiſed of Lands in Fee, holden of the King in Chief, took a Wife ſeiſed of other Lands holden in Socage; they had Iſſue, and the Husband dyed: It was ſaid, That in this Caſe, The King ſhould not have the Wardſhip of the Land of the Wife, or the Primer ſeiſin of it; and if the Husband had ſurvived his Wife, being Tenant by the Curteſie, the King ſhould not have the Primer ſeiſin of it after his deceaſe. *Wray*, Juſtice, ſaid, That if the Father be ſeiſed of Lands holden in Socage, and the mother of Lands holden in Knights Service, and the Husband over-lives the Wife, being Tenant by the Curteſie, That the King ſhould have all. *Anderſon*, Chief Juſtice, denyed that; and yet he ſaid, Where the Father is ſeiſed of Lands in Chief, and the Mother of other, and the Father dyeth, and afterwards the Mother dyeth; both Lands ſhall be in Ward. And in this Caſe, It was ſaid, That if there be Grandfather, Father, and Son, and the Father dyeth ſeiſed of Lands holden in Socage, and afterwards the Grandfather dyeth ſeiſed of Lands in Knight Service; the Lands in Socage ſhall not be in Ward. In the principal Caſe, *Anderſon* held ſtrongly, That the King ſhould have Primer ſeiſin of the Lands

Lands of the Mother. *Wray*, held the Contray, *Ideo Quære*, for it was not Reſolved. Trin. 33 Eliz. in *Cur. ward.* *Eſton's* Caſe. *Leon.* 1. Part, 253.

7. Upon a Demurrer in a Replevin, the Caſe was this: J.S. being Commitee of a Ward who had a Mannor, in which were divers Copyholders, amongſt whom, one was *Mutus* and *Surdus* granted the Cuſtody of that Copyholder to another, who Entred. The *Prochin Amy* of the Copyholder entred; Which of them ſhould have the Cuſtody of Copyhold, or none of them? was the Queſtion. In this Caſe, It was Reſolved, That the Lord ſhould have the Cuſtody; for otherwiſe he ſhould be prejudiced in his Rents and Services: wherefore, It was adjudged for the Grantee. Mich. 45 Eliz. C. B. *Evers* and *Skinner's* Caſe. *Cro.* 2. Part, 105.

8. In a Writ of Raviſhment of Ward, the Queſtion was, Whether the Uncle ſhould be Guardian in Socage, or the Brother of the half-blood: It was ſaid, That the Uncle ſhould have the Wardſhip for two Cauſes, 1. Becauſe there is not ſuch natural Love between two Brothers of the half-Blood, as between the Uncle and the Enfant of the whole Blood. 2. The Statute ſayes, He ſhall be in the Cuſtody *proximum hæredis*. On the other ſide, It was ſaid, That the Brother is in the *Prochin Amy*, as is proved, 5 E. 6. and ſuch means muſt needs procure Love; and although it appears ſometimes that ſuch means procure not Love, yet it cannot alter the Law, which alwayes intends amity; and as to the ſecond, The Statute of *Marlebridge* intends of Parents. And it was ſaid, That it was adjudged, 7 Eliz. in C.B. That the Brother ought to have the Wardſhip, becauſe he is next of Kin. Mich. 42 Eliz. C B. *Swan* and *Gatelands* Caſe. *Owen* 128.

Warranty, and Warrantia Charta.

1. THis Caſe was moved to the Court, A Fine was levyed of certain Lands with a Render, and the Render was with Warranty. The Officers of the Fine refuſed to accept of this Fine, by reaſon of the Render with Warranty in it, which, they ſaid, they had not before known to be. But all the Juſtices were of Opinion, That the Render with Warranty was good; for although it was not uſual, that he that Renders the Land ſhould warrant the Land, becauſe that he taketh no benefit, Yet if he will warrant it, it is not to be doubted, but that it is good enough; wherefore the Fine was commanded to be received. Patch. 25 Eliz. C. B. *Cro.* 3. Part, 17.

2. A. after the Statute of 23 H. 8. being ſeiſed of Lands, in Fee thereof, enfeoffed J. S. unto the uſe of E, the Wife of the Feoffor, and of the Heirs of the Feoffor, which he ſhould beget upon the Body of the ſaid E; and for want of ſuch Iſſue, to the right Heirs of the ſaid E: They had Iſſue, and afterwards the Husband made a Feoffment with Warranty, and dyed, and afterwards the ſaid E. Entred, and dyed. It was the Opinion of all the Juſtices in this Caſe, That that Warranty was Collateral to the Iſſue, becauſe it was Deſcended upon him in the life of the Husband. *Quære* Trin. 17 Eliz. C.B. *Cadbury's* Caſe. *Pendlowes* 33.

3. Upon a Special Verdict, the Caſe was: The Father was Tenant for life, the Remainder to his Daughter (a Feme Covert): The Father made a Feoffment with Warranty, and afterwards levyed a Fine with Warranty; the Daughter Entred within the year by the conſent of the Husband. It was the Opinion of the Court, That the Entry was good; and that the Warranty deſcending upon the Daughter during the Covert, ſhould not bar her. Mich. 29 Eliz. B. R. *Amats* and *Simſons* Caſe. *Cro.* 3. Part, 73.

4. In an Action of Covenant brought, the Caſe was this: Tenant for life made a Leaſe for years, the Leſſee by Indenture granted, bargained and ſold all his Eſtate; To have and to hold to the Bargainee *in tam amplis modo et forma*, as he ought to hold it; the Leſſee for life dyed, he in the Reverſion Entred; the Bargainee brought Covenant againſt the Bargainor. It was the Opinion of the Juſtices, That it did not lye; for that here was no Warranty, but an Aſſignment of his Intereſt only, which doth not imply a Warranty. Hill. 31 Eliz. B.R. *Laudydate* and *Thenys* Caſe. *Cro.* 3. Part, 157.

5. Upon a Special Verdict in *Ejectione firmæ*, the Caſe was: A. was Tenant in Tail, the Remainder to B; A. the Tenant in Tail made a Leaſe to the Defendant and two others for their lives, according to the Statute of 32 H. 8. with Warranty, and dyed without Iſſue; B. in the Remainder was his Brother and Heir, who Entred, and leaſed to the Plaintiff for years. The Queſtion was, If this Warranty ſhould bar him in the Remainder to Enter or no, for the Leaſe not being a Diſcontinuance (being warranted by the Statute) determined by the Dying without Iſſue, and cannot bind him in the Remainder; for he cannot

cannot give the Rent reserved; and then the Estate is determined, and the Warranty with the Estate, and so shall not bar the Remainder; and such was the Opinion of the whole Court, and therefore was adjudged for the Plaintiff. Hill. 40 Eliz. C. B. *Keen* and *Cojes* Case. *Cro.* 3. Part, 602.

6. A *Warrantia Chartæ* was brought, and the Plaintiff committed upon the Warranty of *Dedi et Concessi*. The Defendant demanded *Oyer* of the Deed; and it appeared that in the Deed, there was also a special Warranty against the Feoffor and his Heirs, and also against the Heirs and Assignes of the Father of the Feoffor; and it was demurred upon the Court. And the Question was, If the special Warranty should control the generalty of the Warranty, and expound it or not. It was the Opinion of the whole Court, That it should not; wherefore, It was adjudged for the Plaintiff. Mich. 43 Eliz. C. B. *Rust* and *Cocks* Case. *Cro.* 3. Part, 864.

7. In a Writ of *Warrantia Chartæ*, it appeared by Deed, That the Defendant had enteoffed the Plaintiff *de uno Campo* in Fee; and in the cause of Warranty, in the same Deed, the Feoffor did warrant to the Feoffee *Croftum prædictum*, where it should have been *Campum prædictum*. It was the Opinion of the Justices of the Justices of the Common Pleas, That the Writ did not lye upon that, nor could the Feoffee vouch by reason of that Deed. Trin. 4 and 5 Phil. and Mary. *Bendl.* 17.

8. Note; It was Resolved by the whole Court, That upon a Warranty against the Feoffor and his Heir, or the Grandfather, or great Grandfather of the Feoffor and his Heirs, No *Warrantia Chartæ* lyeth, unless *Dedi* be in the Deed, which implyeth a general Warranty. Mich. 43 Eliz. C. B. Sir *Hugh Portman* and Sir *Gervaise Cliftons* Case. *Cro.* 3. Part, 862.

9. R. leased the Manor of D. to H. for years, and afterwards by the words, *Dedi, Concessi, Dimisi & ad firmam tradidi*; leased the same Manor to the Plaintiff for life, who Entred, and was put out by H. the first Lessor. Upon which he brought an Action of Covenant, and layed the breach, because H. had expelled him. The Defendant pleaded, That before the Writ brought, the Plaintiff upon the same Covenant had brought a *Warrantia Chartæ* in the Common-Pleas, which was there yet depending; and demanded Judgment, that not be determined, if this Action did lye; upon which the Plaintiff demurred, and it was adjudged for the Plaintiff. It was holden, That the bar was not good; for an Action of Covenant, and *Warrantia Chartæ* are of several Natures; the one real, viz. the *Warrantia Chartæ*, and by that the Land is bound, which the Lessor had at the time of the Judgment. The Covenant is but special, and in that he shall recover but Damages: Then it was moved, That the Plaintiff was but Tenant for life; and Tenant for life should not have an Action of Covenant upon a Warranty in Law, but only upon upon a special Covenant. To that it was Answered and Resolved, That the difference is more then the whole Estate; for life is evicted, and where but the Possession for a time. But it was said, That in the principal Case, there was but a Term for years evicted, and the Lessee the Plaintiff continued seised of the Freehold; and therefore because there was but a Chattel evicted, the Plaintiff might well have satisfaction by his Action of Covenant: And it was said in this Case, That the words in the Deed would enure to a double intent, and a double warranty. The word *Dedi* to warrant the Free-hold, and the word *Dimisi* to warrant against an Eviction for years: It was adjudged for the Plaintiff. Mich. 6 Jac. B. R. *Pincomb* and *Rudges* Case. *Yelv.* 139.

10. The Father Tenant in Tail had Issue two Sons; The Father with the eldest Son made a Feoffment in Fee with Warranty; and afterwards the Father dyed, and the younger Son brought a Formedon, and the Feoffment with warranty was pleaded in Barr: Upon demurrer, It was adjudged for the Demandant, for that it was but a lineall Warranty, and then without Assets, it was no bar. For although the eldest Son dyeth in the life of the Father, yet the younger Son by Possibility might have the Land as Heir to him. Mich. 16 Jac. C. B. *Bishops* Case. *Hutton* 22.

11. In a Formedon, in Remainder, The Case was this: A. seised of Socage Lands, devised it to J. S. in Tail, the Remainder to E, the Sister of J. S. and dyed; J. S. Entred, and levyed a Fine with Warranty, and dyed without Issue. The said E. and M, his Sister being his Heirs; The Question was, Whether E. should be bound by this Warranty for the whole, or for the moyety only. It was Objected, That the Warranty should be divided, and bind but for a moyety, because both the Sisters are Heirs, and therefore the Warranty goes to both. It was said in this Case, That there is a difference of a lien real and a lien personal; lien real descends only upon the Heir at Common Law, but lien personal binds all, as Heirs in Gravelkind; and it was said in this Case, If the Heir at Common Law be vouched for warranty, who voucheth the Heirs in Gravelkind, &c. because of the Possession, they all shall vouch over; and what is recovered in value, shall go only to the Heirs in Gravelkind. So if two be vouched, where the one hath nothing, and they vouch over, the Recovery in value goes to him who had the

Intereſt, &c. In the principal Caſe, It was adjudged, That the Warranty ſhould bind all. Hill. 6 Jac. C. B. *Game* and *Symonds* Caſe. *Cro.* 2. Part, 217.

12. Note; That regularly, the Feoffee of one Co-parcener ſhall not have aid of the other Coparcener to determine a Warranty paramount; and yet, If there be two Co-parceners, and they make partition, and the one of them enfeoffeth her Son and Heir apparant, and dyeth, and the Son is impleaded, that in this Caſe, although that he be in of the Feoffment of his Mother, yet ſhall he pray in aid of the other Co-parcener to have the Warranty; and the reaſon is, becauſe the Warranty between the Mother and the Son is by Law annulled; and therefore leaſt the Son ſhould be prejudiced by Law, and ſo be left without remedy, the Law gives him (although he be in by Feoffment) to pray in aid of the other Co-parcener to deraign the Warranty paramount. *Cook* 1. Part, *Inſtitutes* 174.

13. Note alſo, That it is againſt a Rule in Law, That one ſhould vouch himſelf. Yet if a man be enfeoffed to him and his Heirs of Black Acre, and is alſo ſeiſed of White Acre in Borough Engliſh, and having two Sons, enfeoffeth his eldeſt Son of Black Acre. In ſuch Caſe, If the eldeſt Son be impleaded, he ſhall vouch himſelf, and his younger Brother being Heir in Borough Engliſh, otherwiſe the eldeſt Son ſhould be without remedy, becauſe the act in Law, *viz.* the Diſcent, hath determined the Warranty between the Father and the eldeſt Son. *Cook* 1. Part, *Inſtitutes* 390. acc.

Warrants of Attorney, and other Warrants.

1. ERror of a Judgment in C. B. the Error aſſigned was, That there was not any Warrant of Attorney for the Plaintiff, the Judgment being for the Defendant. And a *Certiorari* being awarded, It was returned, That there was not any Warrant of Attorney that Term wherein the Action was commenced, and Judgment was given: Whereupon there were two *Scire facias*'s ſued, and two *Nihils* returned, and the Record was marked, That it ſhould be reverſed; but the Judgment was not entred upon the Roll, as was ſurmiſed to the Court; and therefore a new *Certiorari* was prayed. It was the Opinion of the whole Court, That it might be granted, for otherwiſe by the falſe ſurmiſe of the want of an Entry of a Warrant in one Term (where perhaps it is entred in another Term), the Judgment ſhould be reverſed; where the command of the Juſtices was, That in regard it is not material in what Form the Warrant be entred, ſo it be entred at all, That the Entry upon the Record of the Reverſal of it ſhould be ſtayed. Paſc. 9 Jac. B. R. *Smith* and *Skipwiths* Caſe. *Cro.* 2. Part, 277.

2. In a *Quo Warranto* brought againſt the Bayliffs, Aldermen, Burgeſſes, and Comminalty of *Yarmouth*, they did appear by Warrant of Attorney, and one of the Bayliffs named in the Warrant did not appear, nor agree to it. It was notwithſtanding holden by the whole Court, That the appearance of the Mayor and greater part being Recorded, was ſufficient; And it was alſo holden by the Court, That although the Warrant of Attorney was under another Seal then their common Seal, yet it being under Seal and Recorded, it could not be annulled. Trin. 4 Car. B. R. The Bayliffs of *Yarmouth* and *Cooper*'s Caſe. *Godb.* 439.

3. Error of a Judgment was, becauſe the Entry of the Warrant of Attorney of the Defendant was *posit loco*, and doth not ſay *ſuo*. But the Entry being, That the Plaintiff *posit loco ſuo*; and the Defendant *posit loco ſimiliter*, it is good enough, and the Judgment was affirmed. Mich. 33 Eliz. B. R. *Yeoman* and *Stenlacks* Caſe. *Cro.* 3. Part, 201.

4. Upon a Special Verdict in *Ejectione firmæ*. It was found, That one A. was ſeiſed of the Land, and thereof made a Feoffment to the Leſſor and his Heirs, dated 10. *Sept.* and he by another Deed reciting, That A. had made to him a Charter of Feoffment of the Land, dated 11. *Sept.* gave thereby Authority to J. S. to receive Livery and Seiſin of him *ſecundum formam et effectum Chartæ prædict.* J. S. receives the Livery upon the Feoffment accordingly: And it was found, That there was not any other Warrant of Attorney. And if it was a good Feoffment or not, was the Queſtion. It was the Opinion of all the Juſtices, That it was no good Feoffment; for the Warrant to receive Livery is by the Letter of Attorney, which Authorizeth him to receive it *ſecundum formam Chartæ*, dated the 11th of *Sept.* whereas there is not any ſuch, and ſo he had not any Warrant to receive it, and therefore the Livery made was void. It was alſo holden, That if the Warrant had bin to make Livery, it alſo had not bin good. It was adjudged for the Defendant, Hill. 40 Eliz. C. B. *Morriot* and

and *Smiths* Caſe. *Cro.* 3. Part, 601.

5. In *Ejectione firmæ*, the Plaintiff declared of a Leaſe made by three Husbands, and their Wives. Upon Iſſue of Not Guilty; In Evidence to prove the Leaſe, and the delivery of it, a Warrant of Attorney made by the three Husbands and their Wives was produced and ſhewed. The Counſel of the Defendant took Exception to the Declaration; it being that they and their Wives made a Warrant of Attorney to deliver it, whereas a married Woman cannot make a Warrant of Attorney; and ſo it was not the Leaſe of the Wives, and ſo the Declaration not good. It was the Opinion of the Court, That a Married Wife could not make a Warrant of Attorney. But the Court was of Opinion, That if the Plaintiffs had declared of a Leaſe made by the Husband only, then it had bin good. Trin. 9 Jac. B. R. *Plomer* and *Hackbeads* Caſe. *Brownlow* 2. Part, 248.

6. In Debt, the Caſe was, That the Maſter and Chaplins of the *Savoy* leaſed Lands to the Defendant for years; and afterwards he accepted of them, and an Indenture of Bargain and Sale to him and his Heirs by expreſs words of Bargain and Sale. One of the Maſters of the Chancery within the ſix Moneths, came unto them into their Chapter Houſe, and before him they acknowledged the ſaid Indenture to be their Deed, and prayed, That it be enrolled, which was done accordingly. It was moved, If the acknowledgment or Inrolment were good or not; or if the Maſter and the Chaplins ought to have appointed one by their Warrant to be their Attorney to acknowledg the ſaid Deed. It was ſaid by the Court, That a Warrant of Attorney to acknowledg a Deed, were a ſtrange thing. But it was agreed by them, That the Indenture being once enrolled; It was not material by what means it was enrolled but was good, being done. Mich. 26 Eliz. B. R. *Abſolon* and *Andertons* Caſe. *Leon.* 3. Part, 84.

Waſte.

1. IN Waſte, the Plaintiff declared of a Demiſe of the moyety of the Mannor of *Wolverton*, and of the moyety of a Wood called *Wolverton*-Wood. The Defendant pleaded, That before the Waſte ſuppoſed, J. S. was ſeiſed of and in *tertia parte alterius medietatis* of the ſaid Mannor, and of and in *tertia parte alterius medietatis* of the ſaid Wood, and held the ſame *in ſimul et pro indiviſo* with the Plaintiff; and that the ſaid J. S. by Deed ſold to the Defendant *omnes et omnimodas arbores et ſubboſcos ſuos creſcent. in prædict. parte alterius medietatis prædict. boſci ad libitum* of the Defendant *ſuccidend.* and ſo juſtified the Cutting down of 300 Oaks, in which Waſte was Aſſigned; and averred, That the 300 Oaks were *in numero et precio medietatis arborum, et ſubboſcorum.* And demanded Judgment of the Action. Many Exceptions were taken to the Count; One was, (amongſt the reſt) For that the Plaintiff ſhews the Demiſe of the Mannor of *Woolverton*, and of other Lands; and aſſigns the Waſte in Cutting down Oaks *in quodam boſco vocat. Woolverton*-Wood, parcell *præmiſſorum:* and that cannot be, for this Wood cannot be parcel of the Mannor of *Woolverton*, and of the other Lands alſo. And for this cauſe, It was holden by the whole Court, That the Count was not good. Trin. 7 Eliz. in C. B. *Tinſall* and *Cobbs* Caſe. *Leon.* 3. Part, 9.

2. The Caſe was this; A man made a Leaſe for 30 years, and bargained and ſold the Woods upon the Premiſſes to the Leſſee, and that he might carry them off the Lands during the time of 30. years. The Leſſee cut down all the Woods, and afterwards other Wood grew upon the Stocks, and the Leſſee cut them; and the Leſſor brought Waſte for cutting the new Wood. The Juſtices demanded, viz; Is the Bargain *de boſco, et ſubboſco*, growing upon the premiſſes? It was Anſwered, No: But of all his Woods in and upon the Premiſſes. Then the Opinion of the Court was, That this was but a Liberty to ſell the Trees which were growing at the time of the ſale, and to carry them where he pleaſed; and not to give other Trees or Wood, which ſhould after grow. Wherefore it was adjudged for the Plaintiff. Mich. 15 Eliz. in C.B. *Leon.* 3. Part, 29.

3. The Caſe was; A Man ſeiſed of a Paſture

in which were two great Groves and a Wood, known by the name of a Wood; and alſo in the ſame Paſture were certain Hedg-rowes and Trees growing *ſparſim*, he Leaſed the ſame by Indenture for years; and by the ſame Indenture bargained and ſold to the Leſſee all Woods and Underwoods in and upon the Premiſſes; and that it might be lawful to the Leſſee to cut down and carry away all the ſame at all times during the Term. It was a Doubt, If the Hedg-Rowes did paſſe? But the better Opinion of the Court was, That they did paſſe, the Grant being genral. Then the Queſtion was, If the Leſſee might cut them down a ſecond time, or once? It was the Opinion of three of the Juſtices, That he could cut them but once. But *Dyer* was of a contrary Opinion. Mich. 15 Eliz. C. B. *Leon.* 3. Part, 18.

4. A Leaſe was made to A. for life, the Remainder to B. in tail, the Remainder to the right Heirs of B, who bargained and ſold all his Eſtate to J. S: A. committed Waſte. It was holden by the Court in this Caſe, That J. S. ſhould not puniſh him in an Action of Waſte; for that nothing paſſeth to him but during the life of the Grantor; *ſcil.* as to the Remainder in tail; in reſpect of which Eſtate, the Action of Waſte is only maintainable: For although that the Feeſimple paſſeth to the Grantee, yet in reſpect of that the Action of Waſte is not maintainable, untill the Eſtate tail be ſpent. Hill. 18 Eliz. in C. B. *Owen* and *Sadlers* Caſe. *Leon.* 3. Part, 60.

5. A, ſeiſed of Lands in Fee, Deviſed them to his Wife for life; and after her decеaſe, ſhe to give the ſame to whom ſhe will; had Iſſue two Daughters, and dyed. The Wife granted the Reverſion to a Stranger, and committed Waſte: The ſecond daughter brought an Action of Waſte. It was holden by the Juſtices, That by that Deviſe, the Wife had but an Eſtate for life, but ſhe had gained authority to give the Reverſion by his Will, to whom ſhe pleaſed. And ſuch a Grantee ſhould be in by A. and his Will: But if an expreſs Eſtate had not been appointed to the Wife, an Eſtate in Feeſimple had paſſed. Hill. 20 Eliz. C. B. *Leon.* 3. Part, 71.

6. The Caſe was: A Leaſe was made to two, *durante vita ipſorum et alterius eorum diutius viventi. abſq; impetitione Vaſti durante vita ipſorum.* One of them dyed. Although it was conceived by ſome, That there was a difference between the Limitation of the Eſtate, and of the Liberty, &c. for the Liberty of the Eſtate ſeems to be more literal. Yet the Opinion of the whole Court was, That the Liberty runneth with the Eſtate, and ſhall endure as long. Hill. 29 Eliz. C.B. *Roberts*

7. The Caſe was: A man Deviſed his Lands to his Wife during the Minority of his Son, upon Condition, That ſhe ſhould not do Waſte during the Minority of the ſaid Son, & dyed. The Wife took Husband, and dyed: The Husband committed Waſte. It was holden by the whole Court, That it was not any Breach of the Condition. Hill. 33 Eliz. in C. B. *Cobb* and *Priors* Caſe. *Leon.* 2. Part, 35.

8. In Waſte: The Plaintiff declared, That J. S. was ſeiſed of the Land in Fee, and made a Feoffment to the uſe of himſelf for life, the Remainder to the uſe of A. the Mother of the Plaintiff in Fee: A. dyed, and the Remainder diſcended to the Plaintiff; and for Waſte done after her death, the Action was brought. The Defendant pleaded, That he was ſeiſed in Fee, *abſq; hoc*, that he made a Feoffment. The Jury found, that he made a Feoffment, and that it was unto the uſe of himſelf for life, without Impeachment of Waſte, the Remainder over, *ut ſupra*. It was Objected, That this Verdict was found for the Defendant; for although it be not found, that he was ſeiſed in Fee; yet it was found he held for life, without Impeachment of Waſte: and ſo the Plaintiff hath no cauſe of Action. But all the Juſtices held the contrary, and ſaid, That the Jury had found more than they needed. It was adjudged for the Plaintiff. Trin. 27 Eliz. C. B. *Clare* and *Pepys* Caſe. *Cro.* 3. Part, 40.

9. In Debt upon an Obligation: The Condition was; Whereas the Plaintiff had a Copyhold of Inheritance, and had Leaſed it to the Defendant, If the Defendant ſhould not commit any manner of Waſte, and ſhould do no other thing which ſhould be a forfeiture of the Copyhold; That then, &c. The Defendant pleaded Conditions performed. The Plaintiff Replyed, and alledged Waſte committed in a Shop that fell down during the Term for want of Reparations. The Defendant ſaid, It was ruinous at the time of the Leaſe, and by reaſon thereof fell down. In this Caſe, It was adjudged for the Plaintiff. And a difference was put between an Action of Waſte, and Covenant; For if a man maketh a Leaſe for years, and by ſudden Chance, Waſte is committed, this ſhall excuſe the Leſſee; but if he Covenant to leave the houſe in as good a Condition as he found it, if the Houſe fall down by Tempeſt, yet he ought to re-edifie it. And in the Principal Caſe, it is Waſte in Law, although the Houſe was ruinous at the beginning of the Leaſe: For if in Waſte brought, he plead, No Waſte done, he ſhall not give ſuch matter in Evidence; but it is only to excuſe him. Mich. 29 Eliz. B.R. *Glover* and *Pipes* Caſe, *Owen*, 92.

10. Note: It was adjudged by the whole Court, That if for not ſcouring of a Ditch, or a Mote, the Grondſells of the Houſe are putrified; or Trees cut down which are in the defence of the houſe, whereby the Houſe by Tempeſt is blown down; the ſame is Waſte. And Waſte ſhall be aſſigned *in Domibus pro non ſcouranda*. Paſch. 28 Eliz. C. B. *Stickleburn* and *Hatchmans* Caſe. *Owen*, 43.

11. Error brought to reverſe a Judgment in C. B. The Caſe was; Two Coparceners were of an Houſe; one of them let her part to a Stranger; the other lett her part to a Stranger alſo: and then both Leaſes came to the hands of the Plaintiff, and then one of the Coparceners bargained and ſold her Reverſion to the other Coparcener. The Leſſee committed Waſte, by letting the houſe to fall; and the Grantee of the Reverſion brought Waſte. Divers Errors were aſſigned, 1. Becauſe he brought but one Action of Waſte, whereas he ought to have ſeveral Actions. But to that it was Anſwered and Reſolved, That although the Leſſors were at firſt entituled to ſeveral Actions; yet by matter *ex poſt facto*, the Actions might be afterwards united. 2. Error, Becauſe the other Coparcener was not joyned with him in the Action. But it was Reſolved to be good enough. And the difference is, When both parties have an equal Eſtate and Inheritance, and when one of them hath but a particular Eſtate: As, 27 H. 8. Leſſee for life, and he in the Remainder, ſhall joyn in an Action of Waſte; but where they have equall Eſtate of Inheritance, as two Coparceners, or Tenants in Common, and one makes a Leaſe, and the Leſſee commits Waſte; there the Writ of Waſte ſhall be brought by the Leſſor only. Wherefore in the Principall Caſe, It was Reſolved, That they ſhould not joyn in the Action; and eſpecially, for that the Writ ſayes, *To his diſ-inheritance that made the Leaſe*. Mich. 34 Eliz. B. R. *Wardſords* Caſe. *Owen*, 11.

12. Error brought of a Judgment in Waſte; The Error aſſigned, That the Plaintiff in the Action did Count, *Quod cum fuiſſet ſeiſitus* of the Land, he did Demiſe the ſame to the Defendant for years, and that he had done Waſte. The Defendant pleaded, That he had done no Waſte: Which was found againſt him, and Judgment given. The Error, That he ſaith, *Quod ſeiſitus, &c.* but doth not ſay, Of what Eſtate, and ſo it may be intended but of an Eſtate for life; and the alledging of Seiſin, inſufficiently, is not good. But the Juſtices held the Count to be good; for the Allegation of Seiſin is not material, when it might have been left out: and it is helped by the ſubſequent word, viz. *ad exhereditationem, &c.* which doth explain, how he was ſeiſed. Paſch. 29 Eliz. B. R. Sir *Walter Aſton* and *Whetnalls* Caſe, *Cro.* 3. Part, 57.

13. In Waſte, the Plaintiff Declared, That E. B. was ſeiſed in Fee, and enfeoffed J. S. and others, to the uſe of the ſaid E. B. for life, and after to the uſe of M. her Daughter for life, the Remainder to the Plaintiff in tail: That E. B. dyed; That M. the Daughter took the Defendant to Husband, who committed Waſte, and then his Wife dyed: and for that Waſte done, during the Coverture, the Action was brought: And it was neither in the *Tenet*, nor in the *Tenuit*. And for that cauſe, It was the Opinion of the Court, That the Action was not well brought; for it ought to be the one Way, and to make his Count ſpecial. 2. The Writ ſuppoſeth, That the Husband *fecit Vaſtum*; whereas the Husband being charged as Tenant in the right of his Wife, the Writ ought to have been *fecerunt Vaſtum*; for ſo is the Regiſter. And ſuch alſo was the Opinion of the Court. 3. The Court alſo did Conceive, That the Writ did not lye againſt the Husband, for Waſte committed by him in the time of his wife; for he is to be charged by reaſon of his wife, and joynly with her; and ſhe being dead, the Action is gone. In the Principal Caſe, the Defendant pleaded in Barr, a Concord and Satisfaction, viz. that the Feoffees gave and delivered to him the Deed of Feoffment to Uſes, which he delivered to the Plaintiff, in ſatisfaction of the Waſte, Upon which it was Demurred. It was Reſolved by the Court, That admitting that the Action did lye, for it is in its nature perſonal, in which Damages are to be recovered, and not the place waſted: That Accord with ſatisfaction is a good Plea; and here in this Caſe, the delivery of the Deed, is a good Satisfaction. It was adjudged for the Defendant. Mich. 37 Eliz. C. B. *Sackvorell* and *Reynells* Caſe. *Cro.* 3. Part, 356.

14. In Waſte; It was found by Verdict, That the Plaintiff had but a third part of the Reverſion in Common with others. And, Whether he ſhould have Waſte, or the others not named, was the Queſtion? For it was ſaid, That this Action is *quaſi* in the realty. But the Court held, That the Action did not lye for one Tenant in Common ſole; for damages, and the place waſted, are to be recovered by moyeties, or a third part: it is alſo inconvenient, that the third part ſhould be recovered and delivered in Execution. Then it was moved, That this Tenancy in Common ought to have been pleaded, otherwiſe the Defendant ſhall not take advantage thereof. But the Court ſpake not to that. Mich. 37 Eliz. C. B. *Hill* and *Hurts* Caſe. *Cro.* 3. Part, 317.

15. Waſte, for cutting down 300 Oaks; The Defendant as to 200 pleaded, That the Houſes

were

were ruinous, and that he cut them down to repair thoſe houſes; And to the Reſidue, That he cut them down to imploy about Repairing *tempore opportuno, &c.* It was the Opinion of the whole Court, It was no Plea: For if it ſhould, every Farmer might cut down all the Trees growing upon the Land, when there was no need of Reparations. Mich. 40 Eliz. C.B. *Georges* and *Stanfields* Caſe, *Cro.* 3. Part, 593.

16. In Waſte, the Caſe upon Demurrer was, One made a Leaſe for years by Indenture, wherein was this Proviſo; Provided alwayes, And it is agreed between the parties, *Quod Licitum ſuerit et eſſet*, for the Leſſor and his Heirs, at any time, and every time during the Term, to fell, cut down, to ſhrub, and carry away, all the Woods and Trees, and all the Timber ſtanding growing and being upon the premiſſes. If this was an Exception out of the Leaſe of the Trees, or but a Covenant, was the Queſtion: For if it was an Exception, then they were never lett, and Waſte lyeth not. It was Reſolved by the whole Court, That it was not an Exception of the Trees, but a Covenant only. Wherefore it was adjudged for the Plaintiff. Trin. 41 Eliz. C. B. *Lunſord* and *Sanders* Caſe, *Cro.* 3. Part, 690.

17. Upon an Evidence to a Jury, in an *Ejectione Firmæ*, the Caſe was; Queen *Mary* ſeiſed of the Manor of H, Leaſed the ſame to T. F. for certain years, *Exceptis et reſervatis groſſis arboribus ſuper premiſſis exiſtentibus et creſcentibus*: Proviſo, That if the Leſſee his Executors or Aſſigns ſhall do any voluntary Waſte in any of the Premiſſes before demiſed, then the Leaſe to be void, and accounted none in Law. The Queen after that Leaſe granted the Reverſion to the Lord *Rich* and his Heirs. The Leſſee cut down certain great Trees, which at the time of the Demiſe, were not great, but little Trees; but after, *tractu temporis* became great, and at the time of the cutting down were great. Upon which, the Lady *Rich*, Widow of the Lord *Rich*, the ſaid Manor being aſſigned unto her (*inter alia*) for her Dower, Entred for the Condition broken. It was moved, If the Exception did extend to the Trees which at the time of the demiſe were but little Trees, but at the time of the Cutting down became great? For if it do extend to ſuch Trees, then upon the matter they were not demiſed. And if ſo, then Waſte cannot be aſſigned in cutting them down. It was the Opinion of *Anderſon*, Chief Juſtice, That the Exception did extend to Trees which at the time *tempore demiſionis* became great, although at the time of the Demiſe they were but little: So as upon the matter ſuch Trees were never demiſed, and ſo the Condition doth not extend to them. Otherwiſe it ſhould be, if the words had been, *modò creſcentibus et exiſtentibus*. It was further moved in this Caſe, That here was not any voluntary Waſte in the Leſſee as to the Condition; for that the Condition is not broken, only the Leſſee is ſubject to an Action of Waſte: Otherwiſe, if the Leſſee had expreſly commanded the Vendee to cut them down. And the ſale was, All his Woods growing, &c. This Point was not Reſolved. Paſch. 29 Eliz. C. B. *Gamock* and *Cliffs* Caſe, *Leon.* 1. Part, 61.

18. Waſte againſt the Defendant and his wife, late the wife of G. G: The Writ was general, That the wife held the Lands *ex dimiſione* G. G; And the Count was ſpecial, That G. G. entruſted divers, to the intent a Recovery ſhould be ſuffered againſt them, wherein they ſhould vouch G. G; who ſhould vouch the Common Vouchee, which ſhould be to the uſe of the ſaid G.G. for life; and after to the uſe of A. his Wife (now Defendant), and after to the uſe of G. G. in tail, the Remainder to his right heirs; which was executed accordingly. After No Waſte pleaded, and found for the Plaintiff: In ſtay of Judgment, It was ſaid, That this Writ did not warrant the Count: For the Writ ought to have been ſpecial, and to have recited all the matter; and it ought to have ſuppoſed the demiſe of the Feoffees: For, as that Caſe is, the Land and the uſe are in the Feoffees untill the Recovery, which is as a Limitation of the Uſe by them, and not by the Vouchee. Alſo, it was moved, That this being after Verdict, was holpen by the Statute of 18 Eliz. which helps where there is not any Writ. Yet it was the Opinion of the whole Court, That this was not helped by the ſaid Statute, but in caſe where there is not any Writ at all; but not where there is a good Writ, as here; but it warrants not the Declaration. Or if there be an ill Writ, they are not holpen by the Statute. Mich. 41 Eliz. C.B. *Greenfield* and *Dennis* Caſe. *Cro.* 3. Part, 722.

19. Note; It was holden by all the Court, That eradicating of White thorn is Waſte; but *in ſuccidendo et vendendo*, no Waſte, unleſs it be layed, That they grew in Paſture, for the defence of the Cattel, and were in the greateſt of Timber. Trin. 4 Jac. C.B. *Cro.* 2. Part, 116. acc.

20. If a Leſſee for years hath liberty to fell Trees to repair the Houſe, and he fells 4. Oaks for that purpoſe, and ſells them, and buys 4. other Oaks as good as the other, and imployes them towards the Reparation of the Houſe. Yet it was holden in that Caſe, That it was Waſte; For the cutting down, and ſelling them, was a wrong. And ſo it is, If the Leſſor be bound to a man in an Obligation of 100 l. and the Leſſee cuts down 10. Oaks, and ſells them, and therewith payeth to the Obligee the Leſſee's debt; yet an Action of Waſte lyeth againſt the Leſſee for the ſelling of the Trees, although

although the money ariſing upon the ſale, was converted to the uſe and profit of the Leſſor. See 29 H. 8. *Dyer*, 35 36 38.

11. A Tenant by the Curteſie or Dower, can hold of none but of the Heir, and his Heirs by Diſcent; and therefore if they grant over their whole Eſtate, and the Grantee doth Waſte: yet the Heir ſhall have an Action of Waſte againſt them, if the Grantee committeth Waſte, and ſhall recover the Land againſt the Aſſignee; but if the Heir either before the Aſſignment had granted, or after the Aſſignment doth grant the Reverſion over, the Stranger ſhall have an Action of Waſte againſt the Aſſignee, becauſe then in both Caſes the Privity is deſtroyed. *Cook* 1. Part, *Inſtitutes* 54.

12. No perſon ſhall have an Action of Waſte, unleſs he hath the immediate Eſtate of Inheritance; but yet in ſome Caſes another ſhall joyn with him in the Action for Conformity: As if a Reverſion be granted to two, and to the Heirs of one of them, they two ſhall joyn in an Action of Waſte. And ſo the ſurviving Coparcener, and the Tenant by the Curteſy ſhall joyn in an Action of Waſte. 2. If the Eſtate tail determine depending the Action of Waſte, and the Plaintiff became Tenant in tail after poſſibility of Iſſue extinct, there the Action of Waſte is gone. 3. If the Tenant doth Waſte, and then he in the Reverſion dyeth, his Heir ſhall not have an Action of Waſte, for Waſte done in the life of his Anceſtor, neither ſhall a Biſhop, Parſon, or ſuch like, have an Action of Waſte for Waſte done in the time of their Predeceſſors. So if Leſſee for years doth Waſte, and dyeth, an Action of Waſte lyeth not againſt the Executor or Adminiſtrator for Waſte done in the time of the Teſtator, or the Inteſtate. *Cook* 1. Part, *Inſtitutes*, 67.

13. A Cuſtome was in the Manner of A. That the Lord ſhould have a Fold-Courſe in all Lands of the Copyholders not incloſed; and that no Copyholder might incloſe without Licence of the Lord: and if any be incloſed without Licence, a reaſonable Fine to be paid to the Lord. A Copyholder incloſeth part of his Copyhold Land, and leaves ſome ſpaces of 9. foot broad: and being required to open the Incloſure, he refuſeth to do it: The Lord Enters for a Forfeiture. Reſolved, 1. It is no cauſe of Forfeiture, becauſe it is not at all Incloſed. 2. Becauſe it is done to the Fold-Courſe of the Lord, and is for the bettering of the Lords Fold-Courſe. And the forfeiture of a Copyhold is always of ſomething to the Copyhold it ſelf. But if a Copyholder builds a new Houſe, it is a Forfeiture. So if Tenant for years makes a Hopyard in the Land, it is Waſte. Paſch. 5 Car. C. B. *Paſſas* and *others* Caſe. *Hutton* 102, 103.

Wills, Teſtaments; *and* Deviſes *by them.*

1. THE Lord *Audley* made a Feoffment in Fee of his Lands, and afterwards he by Indenture reciting the Feoffment to be to the intent, That the Feoffees ſhould perform his Will: He declared in theſe words, viz. *Know ye, That my will is, That they ſhall ſtand ſeiſed for the payment of my Debts, and afterwards ſhall make an Eſtate to me, and E. my Wife in tail.* It was holden by the Juſtices in this Caſe, That the ſame was not any Will, becauſe he limited the Eſtate to be executed in his life time. It was further holden, That the Wife was a ſtranger to the Land, and the Ancient uſe; wherefore without an Eſtate remade by the Feoffees, the Ancient Uſes did remain, and were not altered by the ſaid Declaration, but remained to the Husband and his Heirs as it was before. Mich. 1 Eliz. *Dyer* 166. the Lord *Audleyes* Caſe.

2. Note, It was holden by the Juſtices, That if a man ſeiſed in Fee of a Manour and Lands, deviſeth the ſame by his Will to his Son, and afterwards by another part of the ſame Will, he deviſeth a third part of the ſame Lands to another of his Sons, That they are Joynt-Tenants of the Lands: And ſo if a man in one part of his Will deviſeth his Lands to A. in Fee, and afterwards by another clauſe in the ſame Will, he deviſeth the ſame Lands to another in Fee, they are Joynt-Tenants. Mich. 8 Eliz. in C. B. *Leon.* 3. Part, 11.

3. The Caſe was this, A. being ſeiſed of Lands in Fee, deviſed the ſame by his laſt Will to his Wife for life, the Remainder to his three younger Sons, and to the Heirs of their bodies begotten, equally to be divided amongſt them by equal portions; and if one of them dye, then the other two who ſurvive ſhall be next Heirs. The Deviſor dyed, one of the Sons dyed. It was the Opinion of the Juſtices, That the three brothers were Tenants in Common in Remainder. But they ſaid, the contrary is, where ſuch a Deviſe is made between them to be divided by his Executors, for there they are Joynt-Tenants untill the Diviſion be made: and

and they ſaid, That in the principal Caſe, although that the words be, [Equally to be divided] the ſame is not intended of a Diviſion in fact and poſſeſſion, but of the Intereſt and Title. Paſc. 14 Eliz. in C. B. *Webſters* Caſe. *Leon.* 3. Part, 19.

4. A. ſeiſed of divers Manners and Lands in Fee, made a Feoffment thereof to divers perſons, to the uſe of himſelf for life, the Remainder to his right Heirs; And after the Statute of 32 H. 8. of Wills, he deviſed all his ſaid Mannors and Lands to his Wife for life; and it was expreſſed in his Will, That if he could not Deviſe all his Lands by reaſon of the Statute of 34 H. 8. that his Will was, That his Wife ſhould have ſo much which could be Deviſed by the Laws of the Land. There was another clauſe in his Will, That his Feoffees ſhould ſtand ſeiſed of the ſame Mannors, and Lands after the death of his Wife, to the uſe of J. S. and others for years, for the payment of his Debts, and for the raiſing of Portions for the preferment of his Daughters in Marriage. And further by his Will, he willed, That if the Law would not bear it, That J. S. and the others ſhould have the Intereſt. Then he Willed, That his Son ſhould have all his Mannors and Lands, and ſhould pay his Debts, and ſhould give certain Sums of Moneyes for the Marriage Portions of his Daughters. It was a Queſtion, Whether the firſt part of his Will, That J. S. and others ſhould have his Lands, were not void by the latter words of the Will. It was holden by all the Juſtices, That the Will was good for two parts, both to the Wife, and to J. S. and the others. And it was holden, That by the intent of the Will, the Son was to pay ſuch Moneyes as J. S. was to have paid, ſo as the Will was not for the advantage of the Heir, but to be conſtrued according to the meaning of the Deviſor. Mich. 15 Eliz. in C. B. Sir *Peter Philpots* Caſe. *Leon.* 3. Part, 28.

5. The Caſe was, A. ſeiſed of Lands in Fee, by his Will in writing granted a Rent-charge of 5 l. *per annum* out of the ſame to his younger Son towards his education and bringing up in learning. The Queſtion was in this Caſe, If in pleading, the Deviſee ought to averr, That the Son was brought up in learning. It was the Opinion of the Juſtices, That there needeth not ſuch averment, for the Deviſe is not conditional; and therefore although he be not brought up in Learning, yet he ſhall have the rent. And it was ſaid by the Lord *Dyer*, That this Caſe was lately adjudged in this Court, viz. Two were bounden to ſtand to the award of certain perſons, who awarded, That one of them ſhould pay to the other 20 s. *per annum* during the Term of ſix years towards the Education and bringing up of ſuch an Infant, and within two years of the ſaid Term, the Infant dyed, ſo as now there needed not any ſupply towards his Education: Yet it was adjudged, That the yearly ſum ought to be paid for the whole Term after, for that the words (towards his Education) are but to ſhew the intent in conſideration of the payment, and are not words of a Condition. Mich. 19 Eliz. C. B. *Leon.* 3. Part, 65.

6. A. by his Will willed, That his Lands ſhould diſcend to his Son. But further willed, That his Wife ſhould take the profits thereof until the full age of the ſaid Son of 21 years, to maintain and bring him up; and dyed. The Wife took a ſecond Husband, and dyed during the nonage of the Son. It was the Opinion of the Juſtices, That the ſecond Husband ſhould not have the profits, &c. for that nothing is Deviſed to the Wife but a Confidence, and ſhe is as a Guardian or Bailiff to aid the Infant, which by her death is determined, and cannot accrue to the Husband. But if the Husband had deviſed the profits of the Land to the Wife until the age of the Infant to bring him up *ut ſupra*, It had amounted to a Deviſe of the Land, and ſo a Chattel in the Wife which ſhould have accrued to the Husband. Mich. 21 El. B. R. *Leon.* 3. Part, 78.

7. Note by the whole Court, A man made his Will in this manner, viz. *I will and bequeath my Lands to A.* and the name of the Deviſor was not in the whole Will, yet the Will was good, and the Deviſe good by averment of the name of the Deviſor; And in proof that the ſame was a good Will, this Caſe was put; A man lying *in Extremis*, having an Intent to Deviſe his Lands by words, maketh ſuch a Deviſe, but doth not command the ſame to be put in writing, but another man without the knowledg or command of the Deviſor, putteth it into writing in the life-time of the Deviſor, that the ſame is a good Deviſe; for it is ſufficient if the Deviſe be reduced into writing during the life of the Deviſor. Paſc. 24 Eliz. B. R. *Leon.* 3. Part, 79.

8. In Treſpaſs, the Caſe was; A. father of the Plaintiff, ſeiſed of the Mannor of K. holden of the Queen by Knights Service in *Capite*, and alſo ſeiſed of other Lands in which the Treſpaſs was done, holden in Socage 20 Eliz. for the preferment of M. his Wife, enfeoffed J. S. and J. D. of the ſaid Mannor, to the uſe of himſelf and the ſaid M. and their Heirs. It was found, That the Father of the Plaintiff had not any other Land but the Lands before mentioned, and that the ſaid Mannor at the time of the ſaid Feoffment, and at the death of the Father, did amount to two parts of all the Lands and Tenements of the Fathers in three parts to be divided. And afterwards the

Father

Father by his Will devised the Lands holden in Socage unto his ſaid Wife for life, with divers Remainders over. It was the clear Opinion of the whole Court in this Caſe, That the Deviſe was utterly void by the Statute. Trin. 26 Eliz. B. R. *Finch* and *Tracyes* Caſe. *Leon.* 3. Part, 105.

9. Upon a Special Verdict in Treſpaſs, It was found, That W. G. having three Sons, viz. *John*, *Stephen*, and *Roger*; and ſeiſed in Fee according to the Cuſtome of the Manner of divers Lands, ſurrendred them to the uſe of his Will; and by his laſt Will he Deviſed them in this manner, *ſcil. I Bequeath to* John, *my Lands called Locks and Sone*; *To* Stephen, *My houſe and Lands called Stokes and Newman*; *To* Roger, *My houſe and Lands called Lakins and Brox. Moreover, If the ſaid* John, Stephen, *and* Roger *live till they be of lawfull age, and have Iſſue of their bodies lawfully begotten*; *Then I give the ſaid houſes and Lands to them and their Heirs in manner aforeſaid, to give and ſell at their pleaſure: But if it fortune one of them to dye without Iſſue of his body begotten, then I will that the other Brothers or Brother have all the ſaid houſes and Lands in manner aforeſaid. And if it fortune the three to dye without Iſſue in like manner, Then I will that all the ſaid Houſes be ſold by my Executor or his Aſſignes, and the money to be given to the Poor.* The Deviſor dyed, the three Sons are Admitted according to the intent of the Will; *Roger* dyed within age without Iſſue; *John* and *Stephen* are admitted to his part. *John* comes of full age, and hath Iſſue H. and ſurrenders his part of the whole, and his Eſtate therein, to the uſe of *Stephen* and his Heirs, who was Admitted accordingly. *Stephen* comes of full age. *John* dyeth. *Stephen* dyeth without Iſſue. H. the Son as Couſin and Heir of *Stephen* is admitted according to the Will, and afterwards dyeth without Iſſue; the Plaintiffs are his Heirs, and admitted to the Lands called Locks and Sone, and to the moyety of the Lands called Lakins and Brox, with entry into all the Lands. The Executor dyeth Inteſtate; the Defendant as Couſin and Heir of the Deviſor enters. This Caſe being intricate, was long debated: But at the laſt, it was Reſolved, That no Eſtate tail was created by this Will, but the Fee-ſimple ſeiſed in the Sons when they came at their lawful age, and had Iſſue, ſo as the *reſidue* of the Deviſe was void, and Judgment was entred accordingly. Trin. 27 Eliz. C. B. *Ryan* and *Cawſens* Caſe. *Leon.* 3. Part, 115, 116, 117.

10. In Waſte, the Caſe was; Lands were Deviſed to the Father of the Defendant, and to his eldeſt Iſſue Male *de Corpore ſuo Exeunte*. And in this Caſe it was adjudged upon a Demurrer, That by this Deviſe no Eſtate paſſed, but an Eſtate for life unto the Father of the Defendant; the Remainder to his eldeſt Son for life, ſo as no Eſtate of Inheritance paſſed thereby; and therefore he was puniſhable in Waſte. Trin. 27 Eliz. C. B. *Leonard Lovelaces* Caſe. *Leon.* 2. Part, 35.

11. In *Ejectione firmæ*, the Caſe was; A. was ſeiſed of three Meſſuages in *Bury*, in Fee, and had Iſſue *Robert* his Son, and C. and J. two Daughters, and Deviſed all his Meſſuages to his Wife for life, the Remainder of one of the ſaid Meſſuages to *Robert* his Son and his Heirs; the Remainder of another to his Daughter C. and her Heirs; the Remainder of the third to J. and her Heirs; and further Willed, That if any of his ſaid Iſſues dyed without Iſſue of his body, That then the other ſurviving ſhould have *totam illam partem* between them equally to be divided. The Deviſor dyed, and then his Wife; J. dyed, having Iſſue; *Robert* dyed without Iſſue; C. entred into the whole Meſſuage of *Robert*, and dyed, and her Husband held in as Tenant by the Curteſy. It was Objected, That here was but an Eſtate for life, which is drowned by the Diſcent of the Fee-ſimple, ſo as now the Eſtate limited by the Will is void; but it was anſwered and Reſolved, That although now upon the matter it be void, yet *ab initio* it was not ſo, for it became void by matter *ex poſt facto*, *ſcil.* by Diſcent of the Fee-ſimple: For if one of the daughters had dyed without Iſſue before the death of *Robert*, ſo as the houſe of ſuch Daughter had come to *Robert* and the other Siſter, there had bin no Coparcener, for the Son had had all, both the moyety of it executed, and the moyety expectant, and the Siſter hath the moyety for life, and then the Deviſe is not good. And it was ſaid, That here are two Survivors, ſo as nothing is to be divided; and therefore the Law ſhall ſay, That the houſe of *Robert* is diſcended, *ſcil.* the Fee of it to the Daughters of C. and J. Judgment was given againſt the Husband, who claimed to be Tenant by the Curteſy of the whole houſe and Land. Mich. 27 Eliz. B. R. *Putnam* and *Cooks* Caſe. *Leon.* 3. Part, 180.

12. A man had Iſſue two Sons, and by his Will he Deviſed, That his eldeſt Son with his Executors, ſhould take the profits of his Lands, untill the younger Son ſhould come of the age of 21 years: And then, the younger Son ſhould have the Lands to him and the Heirs of his body. It was the Opinion of all the Juſtices in this Caſe, That the eldeſt Son ſhould have a Fee-ſimple in all the Lands untill the younger Son came to the age of 21 years. Paſc. 30 Eliz. B. R. *Gaze* and *Hollywells* Caſe. *Leon.* 3. Part, 216.

13. The Caſe was; A man ſeiſed of Lands holden in Socage, by his Will Deviſed the ſame to his Brothers Son in tail, to have the ſame at his age of 25 years, and dyed, having Iſſue a Daughter. The Nephew after 21 years entred, and levyed a Fine, and afterwards accompliſhed his age of 25 years. It was the Opinion of the whole Court in this Caſe, That the Iſſue of the Deviſee was barred by this Fine, for the Heir in tail, and the Heir in Feeſimple are all one by the Statute of 4 H. 7. And it was holden, That this was not a Fine which doth ennure by way of Eſtoppel, but it paſſeth the very right. Mich. 31 Eliz. C. B. *Leon.* 3. Part, 227.

14. This Queſtion was demanded of the Juſtices, A man having two Daughters his Heirs, he doth Deviſe his Lands to them in Fee; what Eſtate they had by this Deviſe; for it was ſaid, That if a man Deviſeth Land to his eldeſt Son, it is void, and he ſhall be in by Diſcent. But in the principal Caſe it was holden by the Court, That they ſhould hold by the Deviſe, becauſe he gives another Eſtate to them than diſcended; for by the Diſcent many of them had a diſtinct moyety; but by the Deviſe they are Joynt-Tenants, and the Survivors ſhall have the whole. Hill. 37 Eliz. B. R. *Owen* 65.

15. A man ſeiſed of Lands and Tenements in *London*, made his Will in theſe words, *I Bequeath to A. my Wife, my Livelyhood in* London *for the Term of her life.* It was the Opinion of the Juſtices, That it was a good Deviſe of the Tenements by the word Livelyhood; And *Brook* Juſtice ſaid, That it was ſo in ancient times uſed in divers other places of the Realm; and that it was taken for an Inheritance. Paſc. 4 and 5 Ph. *and* Ma. *Owen* 30.

16. The Caſe upon a Special Verdict was; A man by his Will deviſed his Lands to his youngeſt Son and his Heirs. Afterwards he married again, and by another Will in writing, he Deviſed the ſame Land to his Wife for life, paying yearly to his youngeſt Son and his Heirs, ſuch a Rent; and if this ſecond Will was a Revocation of the former, was the Queſtion: The Juſtices held it to be no Revocation, but that both may well ſtand, although they be by ſeveral Writings, unleſs it be manifeſt contrary to the firſt Will, or that there be an expreſs Revocation therein; and here the intention appears, That he had not any purpoſe to alter it as to his Son, but only to provide for his Wife, whom afterwards he eſpouſed: and by the appointing of the Rent to his Son, it appears that his intent was, That the Reverſion ſhould be to his Son. Mich. 41 Eliz. C. B. *Goward* and *Marſhall's* Caſe. *Cro.* 3. Part, 721.

17. In Treſpaſs upon a Special Verdict, the Caſe was; A. ſeiſed of Lands in Fee holden in Socage, had Iſſue four Sons, J. R. E. H. and Deviſed the Land to R. his ſecond Son and his Heirs of his body; and after his deceaſe, without Iſſue; then to E. the third Son in tail, and then to J. the eldeſt Son in tail, the Remainder to the right Heirs of the Deviſor. Afterwards the Deviſor ſaid, *That my will is, That the Sons of R. my Son Deceaſed, ſhall have the Lands Deviſed to their Father, as they ſhould have had if their Father had lived, and had dyed after me.* The Deviſor dyed, T. the Son of *Richard* entred: *John* the eldeſt Son of the Deviſor entred. The points in the Caſe were, 1. Whether by reaſon of this new ſpeech and Declaration after the death of R. *Thomas* his Son ſhall take as a Deviſe. 2. Admitting it be not a good Deviſe to T. whether *John* the eldeſt Son ſhall have it during the time that any Iſſue of the body are alive, or whether E. in the Remainder ſhould enter preſently. The better Opinion of the Court ſeemed to be, That *Tho.* the Heir of R. ſhould have it as Deviſee by this new publication, for it will not be denyed, That if the Deviſe had bin to R. and the Heirs of his body, and R. had bin dead at the time of the Deviſe, but that the Heir ſhould take it as a Purchaſor; and there is no reaſon to make ſuch a Conſtruction as ſhould diſinherite the Iſſue, for by ſuch means, many may be diſinherited, and Wills expounded againſt the intent of the Deviſor. It was adjudged for the Defendant. Hill. 36 Eliz. B. R. *Fuller* and *Fullers* Caſe. *Cro.* 3. Part, 432.

Writ and *Writs*: *Pleas* and *Proceedings in them.*

1. IN a Writ of Entry in the Per, brought against A. and B, A. pleaded ſeveral Tenancy. It was Objected, That it was a good Plea; and the Plaintiff ought to maintain his Writ, becauſe the Land is not demanded by it. But the Opinion of the Juſtices, *Manwood* and *Dyer*, was, That it was no Plea: For they ſaid, That in no Action grounded upon a Diſſeiſin, is ſuch Plea good; For although the Demandant, by Policy will bring his Writ againſt the Tenant of the Land, and another whom he will name in the Writ upon truſt and confidence, that he will not agree with the Tenant of the Land in Dilatories; for the Tenant of the Land ſhall not be received to plead Dilatories: yet in that Caſe, ſeveral Tenancy is no Plea for the Tenant. But in a Formedon, or ſuch like action which is not grounded upon a Diſſeiſin, if the Writ be brought in ſuch a manner as above; The Tenant by Policy, that he may have the View, or other reaſonable delays, may plead ſeveral Tenancy, and ſo enforce the Demandant to maintain his Writ; but contrary in this Caſe at the Barr, and ſo it was adjudged. Mich. 17 Eliz. in C. B. *Leon.* 2. Part, 8.

2. The King and Queen brought a Writ of Diſceit againſt D. and K, and declared, That J. S. was ſeiſed of Lands in Fee, and held the ſame of the King and Queen, as of the Mannor of W, which Mannor is Ancient Demeſne; and ſeiſed, levyed a Fine thereof to D. *Sur Conuſans de droit comeſes, &c.* who rendred the Land to the ſaid J. S. for life, the Remainder to K. in Fee; J. S. dyed, K. entred into his Remainder, K. pleaded, That the Land whereof is Frank-Fee; upon which they were at Iſſue, and before the Iſſue tryed, D. dyed. It was prayed in this Caſe, That the Writ might abate: But the ſame was denyed by the whole Court, becauſe the Action is but an Action of Treſpaſs in its Nature for to puniſh this diſceit; and no Land is to be recovered, but only the Fine to be reverſed. Paſch. 4 and 5 Phil. and Mary. C. B. The King, and *Due* and *Kirleys* Caſe. *Leon.* 3. Part, 3.

3. Note; It was ſaid by *Manwood* and *Dyer*, Juſtices, If one be Condemned in an Action upon the Caſe, Treſpaſs upon *Nihil dicit* or Demurrer, and a Writ Iſſueth to enquire of the Damages; and before the Return of the Writ, the Defendant dyeth: The Writ ſhall not abate for that, for the awarding of the ſaid Writ is a Judgment. *Manwood* ſaid, In a Writ of Accompt, the Defendant is awarded to Accompt, and the Defendant doth Accompt, and is found in Arrearages, and dyeth. That the Writ ſhall not abate, but Judgment ſhall be given; That the Plaintiff ſhall recover, and the Executor ſhall be charged with the Arrearages; and yet Accompt doth not lye againſt them. Mich. 20 Eliz. C. B. *Leon.* 3 Part, 68.

4. In a Formedon of a Mannor, The Tenant pleaded Joynt-tenancy by Fine with J. S; The Demandant averred the Tenant, ſole Tenant in the Writ ſuppoſed; and upon that, it was found and tryed for the Demandant. Error thereupon brought, and aſſigned in this, becauſe where Joynt-tenancy is pleaded by Fine, the Writ ought to have abated without any averrment of the Defendant againſt it. 1. Note, That in the Principal Caſe Joynt-tenancy was pleaded but to parcel; But it was the Opinion of the Juſtices, That the whole Writ ſhould abate the whole Writ againſt all the Defendants; and ſo it was ſaid it is, Where the Demandant Enters into parcel of the Land in demand; if the thing in demand be an Entire thing, the Writ ſhall abate in all. 2. Queſtion was, If the Writ ſhould abate; for that the Tenant hath accepted and admitted the Plaintiff's Averrment, *ſcil.* ſole Tenant, as the Writ ſuppoſeth; and then the Queſtion was, If the Court, notwithſtanding the Admittance of the Tenant, ought without exception of the party *ex officio*, abate the Writ. It was the Opinion of *wray*, Chief Juſtice, That it ſhould, for that the ſame is a poſitive Law: As if a Woman bring an Appeal of Attainder of the Death of her Brother, and the Defendant doth admit it without a Challenge or Exception, yet the Court ought to abate the Appeal. See 20 E. 4. 7. Mich. 26 Eliz. B. R. *Leon.* 3. Part, 92.

5. One recovered certain Copy-hold Lands in the Court of the Lord of the Mannor by Plaint, in the Nature of a Writ of Right. It was moved in the Court of Common-Pleas, If a Writ of Precept might be awarded out of the Court, to execute the ſaid Recovery, and put the Plaintiff in Poſſeſſion, who recovered with *the Poſſe Mareril.* It was the Opinion of the Court, That it could not done: for force in ſuch Caſe is not juſtifiable, but by Command out of the Kings Courts. Mich. 26 Eliz. C. B. *Leon.* 3. Part, 99.

6. Aſſiſe of *Novel Diſſeiſin* was brought in the County of *Northumberland*, of two Acres of Lands: As to one, the Tenant pleaded a Plea tryable in a Forrein County. Upon which the Aſſiſe was adjourned into the Common-Pleas, and from thence into the Forrein County: Where by *Niſi Prius*, It was found for the Plaintiff. In this Caſe, Judgment was prayed in C. B. for the Plaintiff. But becauſe in the Principal Caſe, parcell of the Land put in View, remained not tryed: And becauſe the Aſſiſe is properly depending before the Juſtices of Aſſize, before whom the Plaintiff may diſcontinue his Aſſiſe, the Court refuſed to give the Judgment; but remanded the Verdict to the Juſtices of Aſſize. Paſch. 28 Eliz. B. R. *Lucas* and and *Picrofts* Caſe, *Leon.* 3. Part, 137.

7. A *Præmunire* was brought and proſecuted by the Queens Attorney General, and one J. S, againſt Dr. *Matthews*, Dean of Chriſt-Church in *Oxford*, and others, for that they procured the ſaid J. S. to be ſued in the City of *Oxford* before the Commiſſioners there, in an Action of Treſpaſſe, by Libell according to the Eccleſiaſtical Law; in which Suit, J. S. pleaded his Freehold, and ſo to the Juriſdiction of the Court: and yet they proceeded, and J. S. was Condemned, and Impriſoned. And afterwards, the Queens Attorney withdrew his Suit for the Queen. The Queſtion was, If notwithſtanding, the Informer might proceed in his Suit? It was the Opinion of the whole Court, That if the Queens Attorney will not *ulterius proſequi*, the Party grieved ſhall not maintain that Suit; For the principal matter in the *Præmunire*, is the Conviction, and the putting of the party out of the Kings Protection; and the Damages are but the Acceſſary: and then the Principal being Releaſed, the Damages are gone. Mich. 28 Eliz. B. R. *Parrett* and Dr. *Matthews* Caſe. *Leon.* 3. Part, 139.

8. In a Writ of *Entre Sur Diſſeiſin*, The Tenant ſaid, That the Houſe in demand is within the City of *London*; and that the ſaid City is *Antiqua Civitas*. And that King *Hen.* 3. *Conceſſit Civibus Civitatis prædict. quod non implacitentur de terris et Tenementis ſuis, &c. extra muros Civitatis prædict*: And further ſaid, That he himſelf is *Civis London, &c.* and demanded Judgment of the Writ: (Note in the pleading before, the Tenant ſaid, *Et illis rectum teneatur intra Civitatem prædictam ſecundum Conſuetudinem Civitatis prædict.*) Exception was taken to the Plea, Becauſe the Tenant doth not ſhew before whom by their Cuſtom they ought to be impleaded. It was the Opinion of the whole Court, That the Tenant ought to have ſhewed, That the Citizens of their Lands ought to be impleaded in the *Huſtings, &c.* And the general words in the Plea, *ſcil. Sed illis rectum teneatur intra Civitatem prædictam, ſecundum Conſuetudinem Civitatis prædict.* did not ſupply the ſaid defect. Hill. 28 Eliz. C. B. *Leon.* 3. Part, 148.

9. The Archbiſhop of *York* recovered in an Aſſiſe of *Novel Diſſeiſin*, againſt M. before the Juſtices of Aſſiſe: M. brought a Writ of Error returnable before the Juſtices of the Common-Pleas; It was adjudged, That a Writ of Error upon ſuch a Judgment doth not lye in the ſaid Court. Then it was demanded of the Court, How, and in what manner the Record ſhould be ſent back to the Juſtices of Aſſiſe. The Court Anſwered; The ſureſt way is to have a *Certiorari* out of the Chancery into the Common Pleas, directed to the Juſtices there; and then by a *Mittimus* out of the Chancery, to the Juſtices of Aſſize. Afterwards, *Anderſon*, Chief-Juſtice, ſaid, Forasmuch as the Record came before us by Writ of Error, it ſhall alſo be removed and ſent back by Writ. Paſch. 29 Eliz. C. B. The Archbiſhop of *York*, and *Mortons* Caſe. *Leon.* 3. Part, 159.

10. The Queen brought a Writ of *Quare Impedit* againſt the Biſhop of *Glouceſter* and S; The Biſhop pleaded, *Quod ipſe nihil habet nec habere clamat in Eccleſia prædict. neq; in Advocatione ejuſdem niſi Admiſſionem, Inſtitutionem, &c.* Now the Biſhop and S. the Incumbent brought a Writ of Error; and the percloſe of the Writ was, *Ad grave damnum Epiſcopi*; whereas the Biſhop could not be grieved by the ſaid Judgment, becauſe he had nothing, nor claymed nothing in the Church. It was ſaid by *Wray*, Chief Juſtice, It had been better, if thoſe words, (*Ad grave Damnum Epiſcopi*) had been left out, for the Biſhop hath loſt nothing. And whereas it was ſaid, That the Writ did not lye for the Biſhop, becauſe he loſt nothing; Yet *Wray* ſaid, He ſhall joyn, for Conformity of Law, and for Privity of Record; And that the Plea of the Biſhop is not ſo ſtrong as a Diſclaymer: For in caſe of a Biſhop, the Judgment is, *Quod quereus recuperet præſentationem ſuam verſus dictum Epiſcopum ad Eccleſiam prædictam*. Afterwards, the Writ of Error was awarded to be well brought. Trin. 29 Eliz. B. R. The Queen and Biſhop of *Glouceſters* Caſe, *Leon.* 3. Part, 176.

11. In *Replevin*, the Defendant Avowed for Rent; and the Plaintiff was Nonſuit: The Queſtion was, Whether the Court might Aſſeſſe Damages, without a Writ of Enquiry of Damages? It was the Opinion of the Juſtices, That they might; for they are not in reſpect of any Locall matter, but they accrue unto the Avowant, for the delay of the Non-payment of the Rent: Contrary, where Judgment is given for the Plaintiff,

tiff, there the Court ſhall not Aſſeſs the Damages, for he ought to recover for the taking of his Cattel, of which the Judges cannot take Notice; and the Damages may be the greater or leſſer, according to the value of the Cattel, and the Circumſtances of taking and detaining of them. Paſch. 30 Eliz. C. B. *Ogells* Caſe. *Leon.* 3. Part, 213.

12. In Treſpaſs by a poor Woman, for breaking her Cloſe; She declared *of Continuando* of the Treſpaſs for ſix years, upon *Nihil deb t*; ſhe had Judgment to recover, upon which iſſued a Writ of Enquiry of Damages: She came now, and ſhewed to the Court, That the Jury had found to Title-Damages, *ſtil.* but 10 s. whereas the Land was worth 4 l. *per annum*, and the Treſpaſs had continued ſix years together, and prayed, That the Writ might not be received, but that the Court would grant her another Writ to have a *Melius* Enquiry; But the Court denyed to grant it, but ſaid, Sometimes at the prayer of the Defendant, when exceſſive Damages are found, the Court uſeth to relieve the Defendant by iſſuing forth a new Writ, but never the Plaintiff, becauſe the ſuing forth of the Writ is his own Act; and according to the principal Caſe, The Court ſaid, It ſo lately had been adjudged in the Counteſſe of *Derbies* Caſe, upon Damages given in a Writ of Dower. Mich. 30 Eliz. C. B. *Leon.* 2. Part, 214.

13. *Sur Cui in vita* of a Meſſuage; It was found by Verdict, That a Diſcontinuance being of the Meſſuage, the Diſcontinuee pulled it down, and erected a new Houſe upon part of the Land diſcontinued, and upon part of his own Land adjoyning; and if in this Caſe, The Writ was well brought of the whole Meſſuage, or that it ſhould be brought of ſuch part of the Houſe; and how in this Caſe, the Judgment ſhould be, was the Queſtion. It was adjudged, That the Writ was well brought by the name of the whole Meſſuage; and there needed no forepriſe, for the Action is to be brought as the Land is at the time of the Action: And it was adjudged, That the Demandant ſhould recover. But the Judgment was ſpecial, *viz.* That the Demandant ſhould recover *M. ſſuagium prædict. ſcil.* ſo much in length, and ſo much in breadth, according to the Verdict found upon the Land in demand. Paſch. 34 Eliz. in C. B. *Hayes* and *Allens* Caſe. *Cro.* 3. Part, 231.

14. *Quare Impedit* by the Queen, for diſturbing Her to Preſent to the Church of A: The Plaintiff declared, That King *Henry* the 8th was ſeiſed, and preſented R, and that it deſcended to the Queen, and then the Church became void, &c. The Archbiſhop pleaded, That his Predeceſſor was ſeiſed of the Advowſon, as in groſſe, and collated to it J. S. his Clark, who was admitted, inſtituted, and inducted, and dyed ſeiſed, and ſo pleaded ſeveral Collations, and ſo demanded Judgment, if the Action lay againſt him by the Queen. The Queen was ſeiſed thereof in the Right of her Dutchy of *Lancaſter*; and Exception was taken to the Writ, becauſe that it was general, and did not mention that ſhe had in the Right of her Dutchy; but the Count was ſpecial, which ſhewed it was. It was the Opinion of the whole Court, That the Writ was good; and a Writ was awarded to the Archbiſhop of *Canterbury* for the Queen. Trin. 33 Eliz. C. B. The Queen and the Biſhop of *Ye k*'s Caſe. *Cro.* 3. Part, 240.

15. Error of a Judgment in C. B. in Treſpaſs of Battery, becauſe the Writ of the Roll of Enquiry of Damages was awarded to the Sheriff of *London*, in this manner, *Idcò præceptum eſt vice Londos Cam. quod inquirat*, where it ſhould be *inquirant*; but being the default of the Clerk, was ordered to be amended. Then it was moved, That the Writ it ſelf was not good; and therefore the Roll ſhould not be amended: But that was holden not any Cauſe; for the Writ ſhall often be amended by the Roll, but not *è converſo*. Then it was ſaid, That the Writ was, *Præcipe quod inquirant per ſacramentum proborum, &c. de Civitate prædict.* where there is not any mention of City before. But that was holden by the Court, To be well enough; For that it is ſometimes *de Civitate*, ſometimes *de Ballia*: The Judgment was affirmed. Trin. 41 Eliz. B. R. *Sir Richard Lewſon* and *Radleſton*'s Caſe. *Cro.* 3. Part, 677.

16. An Accompt was brought againſt Two; One of the Defendants acknowledged the Action, the other pleaded, *Ne unq. ſon Receivor*; Judgment was preſently given againſt him, who acknowledged the Action, and Iſſue joyned upon the other, and found againſt the Defendant, and Judgment was given alſo againſt him. It was ſaid in this Caſe, That it had been adjudged in this Court, That where one of the Defendants acknowledged the Action, that it ſhould binde his Companion, and the entire ſhould be given againſt both. But then, It was moved, That one of the Defendants was dead, and ſo the whole Bill ſhould abate, although it were after the Judgment: But *Gawdy*, Juſtice, conceived, That that ſhould not abate the Writ, but againſt that Defendant only who was dead. Mich. 41 Eliz. B. R. *Hogbart* and *Hakeley*'s Caſe. *Cro.* 3. Part, 701.

17. Action upon the Caſe; For that he was poſſeſſed of an Houſe and a Garden for 20 years; and the Defendant being a Butcher, had a Slaughter-houſe and Yard next adjoyning to the Plaintiff's Garden; And that the Defendant had exalted his Yard, and made a Ditch, whereby he conveyed the Filth, and the Offall of his Beaſts

which

which he ſlaughtered, into the Plaintiff's Garden. Upon Not-Guilty, It being found for the Plaintiff, It was moved, That the Writ was Variant from the Declaration; For the Writ was only for the raiſing of the Yard; and Declaration is for the Exalting of the Yard, and for making of a Gutter therein; and ſo there is more compriſed in the Declaration, then is in the Writ. The Court was of Opinion, That for that cauſe, it was not good. And further, That it was not helped by the Statute of 18 Eliz: for that helps only where there is not any Writ; but not where the Writ and Declaration vary in Subſtance. Paſch. 43 Eliz. C. B. *Norton* and *Palmers* Caſe. *Cro.* 3. Part, 829.

18. A *Quare Impedit* was brought, and the Biſhop and Incumbent joyn and plead, That there is another Writ depending againſt the ſame Biſhop only: and pleads, That the diſturbance in this Declaration, and the diſturbance in the former Declaration, are one and the ſame diſturbance, The Plaintiff Replyes, That the firſt Writ was brought for another Diſturbance; And Traverſes without that, That they are one and the ſame Impediment. Upon which the Defendant Demurred. In this Caſe, Judgment was given for the Defendant, That it was a good Plea in abatement; for although the Preſentation and diſturbance are both of them in Queſtion; yet the Preſentation is the main, and the diſturbance is but the Acceſſary. Trin. 14 Jac. C.B. The Earl of *Bedford* and the Biſhop of *Exeters* Caſe. Rott. 1235. *Brownlow* 1. Part. 163.

19. A. brought a Writ of Entry *Sur Diſſeiſin* againſt B, who for part pleaded, That he had nothing but in the right of his Wife, not named in the Writ, and ſo demanded Judgment of the Writ; and for the reſt, he pleaded in Barr; and Iſſue was joyned for both, and the Jury found both the Iſſues for the Defendant. It was in this Caſe moved, If the Writ ſhould abate for all, or not, becauſe for part it was found that the Defendant had nothing but in the right of his wife. It was agreed by the Juſtices, That the Writ ſhould abate but in part, and that Judgment ſhould be given for the reſt. Paſch. 30 Eliz. in C. B. *Carleton* and *Carrs* Caſe, *Goldesbr.* 85.

20. The Earl of *Rutland* recovered againſt *Spencer* and *Woodward*, in an Action upon the Caſe, for diſturbing of the Earl to hold Court in ſuch a Mannor. Upon which, Error was brought in B. R: and before the Errors were diſcuſſed, one of the Plaintiffs in the Writ of Error dyed: The Queſtion was, If thereby the Writ of Errour ſhould abate? It was adjudged, That the Writ ſhould abate; And that the Earl was put to his *Scire facias* againſt the Executor of him who was dead: For although that the Writ of Error is but to diſcharge the Plaintiff, yet if the Judgment be affirmed, the Charge ſhall fall upon the Executor of him who is dead, and ſhall not ſurvive to the other.
